Item 8.01 Other Events.

On February 8, 2010, AT&T Inc. (“AT&T”) announced that it had reached agreement with the Communications Workers of America (CWA) on new, three-year contracts covering approximately 30,000 core wireline employees in CWA District 3 (AT&T’s Southeast region), subject to approval by these employees. The previous contracts expired on August 8, 2009 and employees have continued working under the terms of the expired contracts while negotiations continued.

For the vast majority of employees, the new contracts provide for a 3 percent base salary increase in years one and two, a wage increase in year three of 2.75 percent, and pension band increases of two percent for each year of the agreement. The new contracts also provide for continued health care coverage with reasonable cost sharing.

The impact from these contracts will be reflected in AT&T financial results beginning in 2010.
