Item 7.01 Regulation FD Disclosure.

On March 16, 2012, NACCO Industries, Inc. (the "Company") will update its Subsidiary Companies' Business Highlights web pages on its website, www.nacco.com, to include supplemental information about the Company's subsidiaries not previously disclosed. In addition, the Company will post updated lift truck market data on its website. The updated Subsidiary Companies' Business Highlights and the updated lift truck market data are attached as Exhibits 99.1 and 99.2, respectively, to this Current Report on Form 8-K. Information contained on or accessible through the Company's website is not incorporated by reference into this Current Report on Form 8-K.

Forward-looking Statements Disclaimer

The statements and information contained in Exhibits 99.1 and 99.2 attached to this Current Report on Form 8-K that are not historical facts are "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are made subject to certain risks and uncertainties, which could cause actual results to differ materially from those presented. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. The Company undertakes no obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date hereof. Such risks and uncertainties with respect to each subsidiary's operations include, without limitation:

NACCO Materials Handling Group ("NMHG"): (1) reduction in demand for lift trucks and related aftermarket parts and service on a global basis, (2) the ability of NMHG's dealers, suppliers and end-users to obtain financing at reasonable rates, or at all, as a result of current economic and market conditions, (3) customer acceptance of pricing, (4) delays in delivery or increases in costs, including transportation costs, of raw materials or sourced products and labor or changes in or unavailability of quality suppliers, (5) exchange rate fluctuations, changes in foreign import tariffs and monetary policies and other changes in the regulatory climate in the foreign countries in which NMHG operates and/or sells products, (6) delays in manufacturing and delivery schedules, (7) bankruptcy of or loss of major dealers, retail customers or suppliers, (8) customer acceptance of, changes in the costs of, or delays in the development of new products, (9) introduction of new products by, or more favorable product pricing offered by, NMHG's competitors, (10) product liability or other litigation, warranty claims or returns of products, (11) the effectiveness of the cost reduction programs implemented globally, including the successful implementation of procurement and sourcing initiatives and (12) changes mandated by federal, state and other regulation, including health, safety or environmental legislation.

Hamilton Beach: (1) changes in the sales prices, product mix or levels of consumer purchases of small electric appliances, (2) changes in consumer retail and credit markets, (3) bankruptcy of or loss of major retail customers or suppliers, (4) changes in costs, including transportation costs, of sourced products, (5) delays in delivery of sourced products, (6) changes in or unavailability of quality or cost effective suppliers, (7) exchange rate fluctuations, changes in the foreign import tariffs and monetary policies and other changes in the regulatory climate in the foreign countries in which Hamilton Beach buys, operates and/or sells products, (8) product liability, regulatory actions or other litigation, warranty claims or returns of products, (9) customer acceptance of, changes in costs of, or delays in the development of new products, (10) increased competition, including consolidation within the industry and (11) changes mandated by federal, state and other regulation, including health, safety or environmental legislation.

Kitchen Collection: (1) changes in gasoline prices, weather conditions, the level of consumer confidence and disposable income as a result of the uncertain economy, high unemployment rates or other

events or conditions that may adversely affect the number of customers visiting Kitchen Collection® and Le Gourmet Chef® stores, (2) changes in the sales prices, product mix or levels of consumer purchases of kitchenware, small electric appliances and gourmet foods, (3) changes in costs, including transportation costs, of inventory, (4) delays in delivery or the unavailability of inventory, (5) customer acceptance of new products, (6) the anticipated impact of the opening of new stores, the ability to renegotiate existing leases and effectively and efficiently close unprofitable stores and (7) increased competition.

North American Coal: (1) changes in tax laws or regulatory requirements, including changes in power plant emission regulations and health, safety or environmental legislation, (2) changes in costs related to geological conditions, repairs and maintenance, new equipment and replacement parts, fuel or other similar items, (3) regulatory actions, changes in mining permit requirements or delays in obtaining mining permits that could affect deliveries to customers, (4) weather conditions, extended power plant outages or other events that would change the level of customers' coal or limerock requirements, which would have an adverse effect on results of operations, (5) weather or equipment problems that could affect deliveries to customers, (6) changes in the power industry that would affect demand for North American Coal's reserves, (7) changes in the costs to reclaim current North American Coal mining areas or NACCO's closed mining operations, (8) costs to pursue and develop new mining opportunities and (9) the outcome of legal challenges to the regulatory approvals necessary to construct the Liberty Mine and the Ratcliffe Plant in Mississippi.
