PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
NOVEMBER 20, 2001 AND ANY ADJOURNMENTS

SOLICITATION AND REVOCATION OF PROXY

The enclosed proxy, for use only at the Annual Meeting of Shareholders to be held at the corporate office of Cannon Express, Inc. (the "Company"), at 1457 East Robinson Avenue in Springdale, Arkansas on Tuesday, November 20, 2001 at 10:00 a.m., local time, and any adjournments or postponements thereof, is solicited on behalf of the Board of Directors of the Company. Such solicitation is being made primarily by mail, but may also be made in person or by telephone or telegraph by officers, directors, and regular employees of the Company. All expenses incurred in the solicitation will be borne by the Company.

Any shareholder executing a proxy retains the right to revoke it at any time prior to exercise at the 2001 Annual Meeting. A proxy may be revoked at any time before it is used, upon written notice to Rose Marie Cannon, Secretary of the Company, by execution and delivery of a later proxy, or by attending the meeting and voting in person. If not revoked, all properly executed proxies received will be voted at the meeting in accordance with the terms of the proxy.

This proxy material is first being mailed to shareholders on or about October 31, 2001.

OUTSTANDING STOCK AND VOTING RIGHTS

The outstanding shares of the Company as of October 10, 2001 totaled 3,205,276 shares of common stock, \$.01 par value (the "Common Stock"). At the meeting, each shareholder will be entitled to one vote, in person or by proxy, for each share of stock owned of record at the close of business on October 23, 2001. Votes will be tabulated by inspectors of election appointed by the Company's Board of Directors. The stock transfer books of the Company will not be closed.

The enclosed form of proxy provides a method for shareholders to withhold

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

authority to vote for any one or more of the nominees for the Board of Directors while still granting authority to the proxy to vote for the remaining nominees. The names of all nominees are listed on the proxy card. If you wish to grant the proxy authority to vote for all nominees, check the box marked "FOR" which appears above the list of nominees. If you wish to withhold authority to vote for all nominees, check the box marked "ABSTAIN," also located above the list of nominees. If you wish your shares to be voted for some nominees and not for one or more of the others, indicate the name(s) of the nominee(s) for whom you are withholding authority by drawing a line through such name(s). If no instructions are indicated, shares of common stock will be voted for the election of the nominees. Shareholders are not entitled to cumulative voting with respect to the election of directors.

As noted above, the enclosed form of proxy provides a method for shareholders to withhold authority to vote for a director and thereby abstain from voting. If you check the box marked "ABSTAIN", shares will be voted neither for nor against a director but will be counted for quorum purposes. Additionally, "broker non-votes" are not relevant to the determination of a quorum or for determining whether the proposal to elect directors has been approved. While there may be instances in which a shareholder will wish to abstain, the Board of Directors encourages all shareholders to vote their shares in their best judgment and to participate in the voting process to the fullest extent possible.

Provided a quorum is present, the affirmative vote of a plurality of the shares of Common Stock represented at the meeting and entitled to vote is required for election of each nominee to the Board of Directors.

With respect to the proposal to adopt a new equity incentive plan, the enclosed form of proxy provides a method for you to (1) vote for the proposal, (2) vote against the proposal, or (3) abstain from voting. By abstaining, your shares will not be voted either for or against the proposal, but will be counted for quorum purposes. While there may be instances in which you will wish to abstain, the Board encourages you to vote your shares in your best judgment and to participate in the voting process to the fullest extent possible. Provided a quorum is present, a majority of the votes cast at the meeting is required to approve the proposal to adopt the new equity incentive plan. Broker non-votes will be treated in the same manner as abstentions for quorum and voting purposes (i.e., counted for quorum purposes, but neither being voted for nor against the proposals and, therefore, having no effect on the outcome of the votes).

ELECTION OF DIRECTORS; SECURITY OWNERSHIP OF MANAGEMENT

Directors are to be elected to hold office until the next annual meeting of shareholders or until their successors are duly elected and qualified. The Board of Directors of the Company has recommended to the Company's shareholders that the number of Directors which shall be authorized to manage the affairs of the Company for the ensuing year shall be five, subject to increase as provided in the Company's by-laws, and that the nominees listed below be elected as directors at the Annual Meeting.

The following table sets forth, as of October 10, 2001 the name, age, term of office as director of the Company, and ownership of the Company's Common Stock with respect to each nominee for election to the Board of Directors, the named directors, the named executive officers, and of the directors and executive officers of the Company as a group. The nominees listed below served as members of the Board of Directors during the last fiscal year, except for Mr. Bennett.

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

The Board of Directors has no reason to believe that any nominee will be unable or unwilling to accept nomination or to serve if elected. However, should any nominee become unable or unwilling to accept nomination or to serve if elected, all proxies will be voted for the election of a qualified substitute nominated by the Board of Directors.

Committees

The Company presently does not have standing nominating committees. The Board of Directors nominates persons for director. The Board will consider suggestions by shareholders for names of nominees to the Board of Directors for the fiscal year ending June 30, 2003 provided that such suggestions are made in writing and delivered to Rose Marie Cannon, Secretary of the Company, on or before June 30, 2002.

The Company has an audit committee which is presently composed of Sam F. Fiser and Glenn E. Kelley. Mr. Uvalde Lindsey served on the Audit Committee until his resignation and will be replaced by Mr. Bennett, an independent member of the Board of Directors, upon confirmation of his election to the Board. The Audit Committee recommends candidates to serve as the Company's auditors, reviews the reports of the Company's auditors, and has the authority to investigate the financial and business affairs of the Company.

Compensation of Directors

Each non-officer director was paid a total of \$200 for each meeting of the Board of Directors or its committees which he attended. Directors do not receive annual fees for attendance at meetings.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The members of the compensation Committee are Sam F. Fiser and Glenn E. Kelley, both non-employee directors of the Company. All decisions by the Compensation Committee relating to compensation of the Company's executive officers are reviewed by the full board, except for decisions regarding awards under the Company's Incentive Stock Option Plan (the "Plan"), which must be made solely by the Committee in order for the grants to satisfy Exchange Act Rule 16b-3.

Compensation Policies

The overall compensation policy of the Company is to maximize shareholder return by combining annual and long-term compensation to executives. The Committee seeks to provide annual compensation which motivates executives by recognizing and rewarding individual initiative and achievement. Long-term compensation to executives is based on stock ownership by management.

Compensation Elements

The following alternatives were available to the Committee as compensation elements during fiscal 2001: base salary, annual cash bonuses for fiscal 2001, and stock options granted under the Company's Plan. Compensation paid during fiscal 2001 reflected the Committee's emphasis on determining pay on an individualized basis.

Base Salary. Executive's base salaries are initially determined with reference to comparable base salaries of others in the Company's industry. Subjective measures of performance include a review of each executive's past and anticipated level of performance. The Committee does not attempt to relate executive salaries to objective performance-related criteria.

Cash Bonuses. The Compensation Committee determines on an annual basis whether to award cash bonuses to executives. While no general bonus program existed during fiscal 2001, the Compensation Committee may elect to award bonuses to reward individual contributions. Bonuses are awarded by the Compensation Committee based on subjective criteria, such as a review of the executive's past and anticipated performance. The Committee does not attempt to relate bonuses to objective performance-related criteria.

Stock Options. The Company's long-term incentive program is based on the Company's Plan, which was approved by shareholders in 1986. Upon selection by the Compensation Committee, the company's key employees are eligible to participate in the Plan. In determining whether to grant options, the Committee reviews the options previously granted and exercised under the Plan, the Company's performance as determined in the market price of its stock, individual performance and potential contribution to the Company and the perceived need of providing additional long-term incentive to key executives. Based on these criteria, no options to acquire shares of the Company's Common Stock were granted to executive officers during fiscal 2001.

CEO Compensation

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

The compensation Committee's general approach in setting Mr. Cannon's target annual compensation is to seek to be competitive with other companies of a similar size in the Company's industry, to recognize and reward initiative, overall corporate performance and managerial ability, and to provide long-term incentive to increase shareholder value. In setting Mr. Cannon's cash compensation, the Committee reviewed the compensation of chief executive officers of other companies in the industry. The Committee targeted Mr. Cannon's cash compensation to fall within the range of such amounts.

AUDIT COMMITTEE REPORT

The Audit Committee of the Company's Board of Directors is composed of two independent directors. It is expected that Mr. Bennett will be appointed to the Audit committee by the Board of Directors after the election of the Board of Directors at the Company's Annual Meeting of Shareholders. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which is attached to this Proxy Statement as Exhibit A. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rules of the National Association of Securities Dealers, Inc. (the "NASD") that governs audit committee composition, including the requirement that audit committee members all be "independent directors" as that term is defined by NASD Rule 4200(a)(14).

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. Management has the primary duty for the financial statements and the reporting process, including the systems of internal controls. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity to accounting principles generally accepted in the United States.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee also has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee has received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees, has discussed with the independent auditors their independence from the Company and its management, and has considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence. The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting. These meetings without management present will be held at least once each year, but generally more frequently.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the Company's audited financial statements be included in the Company's 2001 Annual Report to Shareholders and Annual Report on Form 10-K for the year ended June 30, 2001 for filing with the Securities and Exchange Commission.

The principal terms and provisions of the Plan are summarized below. The summary is not a complete description of all of the terms of the Plan. A copy of the Plan is attached to this proxy statement as "Exhibit B."

Purpose. The Plan is intended to allow employees and certain others to acquire or increase equity ownership in the Company, thereby strengthening their commitment to the success of the Company and stimulating their efforts

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

on behalf of the Company, and to assist the Company in attracting new employees and retaining existing employees.

Scope of the Plan. Subject to certain adjustments, the total number of shares of the Company common stock available for grants under the Plan will be 1,000,000 shares.

Eligibility. All employees of the Company are eligible to be participants.

Administration. The Plan will be administered by a committee (the "Committee") which will consist of two or more directors of the Company, all of whom satisfy one of the conditions of Rule 16b-3 in respect of the exemption of grants to persons subject to potential liability under Section 16(b) of the Securities and Exchange Act of 1934 (the "1934 Act"). Whether or not a Committee is separately designated by the Board of Directors, any and all powers and functions of the Committee may at any time and from time to time be exercised by the Board of Directors. The Committee has the authority to: (i) select employees to whom awards are granted, (ii) determine the types of awards and the number of shares covered, (iii) set the terms, conditions and provisions of such awards and (iv) cancel or suspend awards. The Committee is authorized to: (i) interpret the Plan, (ii) establish, amend and rescind any rules and regulations relating to the Plan, and (iii) make all determinations which may be necessary or advisable for the administration of the Plan.

Amendment of the Plan. The Board may from time to time, in its discretion, amend the Plan without the approval of the Company's shareholders, except (i) as such stockholder approval may be required under the listing requirements of any securities exchange or national market system on which are listed the Company's equity securities and (ii) that the Board may not, without the approval of the Company's shareholders, amend the Plan to (x) increase the total number of shares reserved for the purposes of the Plan or (y) change the employees, class of employees or others persons eligible to participate in the Plan.

Options. The exercise price per share of the Company's common stock purchasable under any stock option will be determined by the Committee. The Committee will determine the term of each stock option (subject to a maximum of 10 years), and the time or times when it may be exercised. The grant and the terms of Incentive Stock Options ("ISOs") will be restricted to the extent required for qualification as ISOs by the Internal Revenue Code.

Stock Appreciation Rights. When granted, Stock Appreciation Rights ("SARs") may, but need not be identified with a specific option or specific restricted shares of the grantee in a number equal to or different from the number of SARs so granted. The strike price ("Strike Price") of any SAR will equal, for any SAR that is identified with an option, the price of such option, or for any other SAR, 100% of the fair market value of a share on the date of grant of such SAR; except that the Committee may (x) specify a higher Strike Price in the award Agreement, or (y) provide that the benefit payable upon exercise of any SAR will not exceed such percentage of the fair market value of a share on the date granted as the Committee will specify.

Restricted Shares. Except in the case of treasury shares, the Committee will require the grantee to pay at least \$1.00 for each restricted share granted. The Committee may, but need not, provide that all or any portion of a grantee's restricted shares, or restricted shares acquired upon exercise of an option, will be forfeited: (i) upon the grantee's termination of employment within a specified time period after the grant date; (ii) if the Company or the grantee does not achieve specified performance goals (if any); or (iii) upon failure to satisfy such other restrictions as the Committee may

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

specify.

No Rights as a Stockholder. A grantee will not have any rights as a stockholder of the Company with respect to the shares (other than restricted shares) which may be deliverable upon exercise or payment of such award until such shares have been delivered to him or her.

Adjustments. The Committee will make equitable adjustments in: (i) the aggregate number of shares which may be distributed under the Plan for awards in general and for the grant of ISOs; (ii) the number and kind of shares and SARs covered by an award; and (iii) the option price of all outstanding options and the Strike Price of all outstanding SARs, to reflect a stock dividend, stock split, reverse stock split, share combination, recapitalization, merger, consolidation, spin-off, split-off, reorganization, rights offering, liquidation or similar event, of or by the Company.

Change in Control. In the event of a change in control, as defined in the Plan ("Change in Control"), in connection with which the holders of common stock receive shares of common stock of the surviving or successor corporation that are registered under Section 12 of the 1934 Act: (i) there will be substituted for each option and SAR outstanding on the date of the consummation of corporate transaction relating to such Change in Control, a new option or SAR, as the case may be, reflecting the number and class of shares into which each outstanding share will be converted pursuant to such Change in Control and providing each grantee with rights that are substantially identical to those under this Plan in all material respects; and (ii) in the event of any such substitution, the purchase price per share in the case of an option and the Strike Price in the case of an SAR will be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding options and SARs without a change in the aggregate purchase price or Strike Price.

Termination of the Plan. The Plan will terminate on the ten-year anniversary of the effective date thereof or at such earlier time as the Board may determine. No termination will affect any award then outstanding under the Plan.

OTHER MATTERS

So far as is now known, there is no business other than that described above to be presented to the shareholders for action at the meeting. Should other business come before the meeting, votes may be cast pursuant to proxies in respect to any such business in the best judgment of the persons acting under the proxies.

SHAREHOLDERS WHO DO NOT EXPECT TO ATTEND THE MEETING ARE URGED TO SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED PROXY IN THE ENVELOPE PROVIDED, WHICH REQUIRES NO ADDITIONAL POSTAGE IF MAILED IN THE UNITED STATES.

(b) Subject to the express provisions of the Plan, the Committee has full and final authority and sole discretion as follows:

- (i) to determine when and to whom Awards should be granted and the terms and conditions applicable to each Award, including the benefit payable under any SAR, and whether or not specific Awards shall be identified with other specific Awards, and if so whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards;
- (ii) to determine the amount, if any, that a Grantee shall pay for Restricted Shares, whether to permit or require the payment of cash dividends thereon to be deferred and the terms related thereto, when Restricted Shares (including Restricted Shares acquired upon the exercise of an option) shall be forfeited and whether such shares shall be held in escrow;
- (iii) to interpret the Plan and to make all determinations necessary or advisable for the administration of the Plan;

- (v) to determine the terms and conditions of all Award Agreements (which need not be identical) and, with the consent of the Grantee, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan, except that the consent of the Grantee shall not be required for any amendment which (A) does not adversely affect the rights of the Grantee, or (B) is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new or change in existing applicable law;
- (vi) to cancel, with the consent of the Grantee, outstanding Awards and to grant new Awards in substitution therefor;
- (vii) to accelerate the exercisability (including exercisability within a period of less than one year after the Grant Date) of, and to accelerate or waive any or all of the terms and conditions applicable to, any Award or any group of Awards for any reason and at any time, including in connection with a termination of employment (other than for Cause);
- (viii) subject to Section 6(c), to extend the time during which any Award or group of Awards may be exercised;
- (ix) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate, including limiting the percentage of Awards which may from time to time be exercised by a Grantee; and
- (x) to take any other action with respect to any matters relating to the Plan for which it is responsible.

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

The determination of the Committee on all matters relating to the Plan or any Award Agreement shall be final. No member of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award.

5. Eligibility. The Committee may in its discretion grant Awards to any Eligible Employee, whether or not he or she has previously received an Award. In addition, the Committee in its discretion may grant nonqualified options (but not ISOs), Restricted Stock or SARs to independent contractors or consultants of Cannon Express or its Subsidiaries who render those types of services which tend to contribute to the success of Cannon Express or its Subsidiaries, or which may reasonably be anticipated to contribute to the future success of Cannon Express or its Subsidiaries.

6. Conditions to Grants.

(a) General Conditions.

(i) The Grant Date of an Award shall be the date on which the Committee grants the Award or such later date as specified in advance by the Committee.

(ii) Any provision of the Plan to the contrary notwithstanding, the Option Term shall under no circumstances extend more than 10 years after the Grant Date, and shall be subject to earlier termination as herein provided.

(iii) To the extent not set forth in the Plan, the terms and conditions of each Award shall be set forth in an Award Agreement.

(b) Grant of Options.

(i) No later than the Grant Date of any option, the Committee shall determine the Option Price of such option. Only nonqualified options may be granted with an Option Price that is less than the Fair Market Value of a Share on the Grant Date. An option shall be exercisable for unrestricted Shares unless the Award Agreement provides that it is exercisable for Restricted Shares.

(ii) The Committee may, in its discretion, permit an employee to elect, before earning compensation, to be granted an Award in lieu of receiving such compensation; if in the judgment of the Committee, the value of such Award on the Grant Date equals the amount of compensation foregone by such employee.

(c) Grant of Incentive Stock Options. At the time of the grant of any option, the Committee may, in its discretion, designate that such option shall be made subject to additional restrictions to permit it to qualify as an "incentive stock option" under the requirements of Section 422 of the Code. Any option designated as an ISO:

(i) shall have an Option Price not less than 100% of the Fair Market Value of a Share on the Grant Date;

(ii) shall, if granted to a 10% Owner, have an Option Price not less than 110% of the Fair Market Value of a Share on the Grant Date;

(iii) shall be for a period of not more than 10 years

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

(five years in the case of an ISO granted to a 10% Owner) from the Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;

- (iv) shall meet the limitations of this subparagraph 6(c)(iv). If the aggregate Fair Market Value of Shares with respect to which ISOs first become exercisable by a Grantee in any calendar year exceeds \$100,000, taking into account Shares subject to all ISOs granted by Cannon Express which are held by the Grantee, the excess will be treated as nonqualified options. To determine whether the \$100,000 limit is exceeded, the Fair Market Value of Shares subject to options shall be determined as of the Award dates of the options. In reducing the number of options treated as ISOs to meet the \$100,000 limit, the most recently granted Options will be reduced first. If a reduction of simultaneously granted options is necessary to meet the \$100,000 limit, Cannon Express may designate which Shares are to be treated as Shares acquired pursuant to an ISO.
- (v) shall be granted within 10 years from the earlier of the date the Plan is adopted or the date the Plan is approved by the stockholders of Cannon Express;
- (vi) shall require the Grantee to notify the Committee of any disposition of any Shares issued pursuant to the exercise of the ISO under the circumstances as described in Section 421(b) of the Code (relating to certain disqualifying dispositions) (any such circumstance, a "Disqualifying Disposition"), within 10 business days after such Disqualifying Disposition; and
- (vii) shall by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee's lifetime, only by the Grantee, except that the Grantee may, to the extent provided in the Plan or in any manner specified by the Committee, designate in writing a beneficiary to exercise his or her ISO after the Grantee's death;

Notwithstanding any provision herein to the contrary, the Committee may, without the consent of the Grantee, at any time before the exercise of an option (whether or not an ISO), take any action necessary to prevent such option from being treated as an ISO.

(d) Grant of SARs.

- (i) When granted, SARs may, but need not be identified with a specific option or specific Restricted Shares of the Grantee (including any option or Restricted Shares granted on or before the Grant Date of the SARs) in a number equal to or different from the number of SARs so granted. If SARs are identified with Shares subject to an option or with Restricted Shares, then, unless otherwise provided in the applicable Award Agreement, the Grantee's associated SARs shall terminate upon (x) the expiration, termination, forfeiture or cancellation of such option or Restricted Shares (y) the exercise of such option or (z) the date such Restricted Shares become nonforfeitable.
- (ii) The strike price ("Strike Price") of any SAR shall equal, for any SAR that is identified with an option, the Option Price of such option, or for any other SAR, 100% of the Fair Market Value of a Share on the Grant Date of such SAR; except that the

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

Committee may (x) specify a higher Strike Price in the Award Agreement, or (y) provide that the benefit payable upon exercise of any SAR shall not exceed such percentage of the Fair Market Value of a Share on such Grant Date as the Committee shall specify.

(e) Grant of Restricted Shares.

(i) The Committee shall determine the amount, if any, that a Grantee shall pay for Restricted Shares, subject to the following sentence. Except with respect to Restricted Shares that are treasury shares, for which no payment need be required, the Committee shall require the Grantee to pay at least the Minimum Consideration for each Restricted Share. Such payment shall be made in full by the Grantee before the delivery of the shares and in any event no later than 10 business days after the Grant Date for such shares. In the discretion of the Committee and to the extent permitted by law, payment may also be made in accordance with Section 9.

(ii) The Committee may, but need not, provide that all or any portion of a Grantee's Restricted Shares, or Restricted Shares acquired upon exercise of an option, shall be forfeited:

(A) except as otherwise specified in the Plan or the Award Agreement, upon the Grantee's termination of employment within a specified time period after the Grant Date; or

(B) if Cannon Express or the Grantee does not achieve specified performance goals (if any) within a specified time period after the Grant Date and before the Grantee's termination of employment; or

(C) upon failure to satisfy such other restrictions as the Committee may specify in the Award Agreement.

(iii) If restricted Shares are forfeited, then if the Grantee was required to pay for such shares or acquired such Restricted Shares upon the exercise of an option, the Grantee shall be deemed to have resold such Restricted Shares to the Cannon Express at a price equal to the lesser of (x) the amount paid by the Grantee for such Restricted Shares, or (y) the Fair Market Value of a Share on the date of such forfeiture. Cannon Express shall pay to the Grantee the required amount as soon as is administratively practical. Such Restricted Shares shall cease to be outstanding, and shall no longer confer on the Grantee thereof any rights as a Stockholder of Cannon Express, from and after the date the event causing the forfeiture, whether or not the Grantee accepts Cannon Express' tender of payment for such Restricted Shares.

(iv) The Committee may provide that the certificates for any Restricted Shares (x) shall be held (together with a stock power executed in blank by the Grantee) in escrow by the Secretary of Cannon Express until such Restricted Shares become nonforfeitable or are forfeited or (y) shall bear an appropriate legend restricting the transfer of such Restricted Shares. If any Restricted Shares become nonforfeitable, Cannon Express shall cause certificates for such shares to be issued without such legend.

7. Non-transferability. An Award granted hereunder shall not be assignable or transferable other than by will or the laws of descent and

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

distribution and may be exercised, during the Grantee's lifetime, only by the Grantee or his or her guardian or legal representative, except that, subject to Section 6(c) (in respect of ISOs), a Grantee may, if permitted by the Committee, in its discretion, (i) designate in writing a beneficiary to exercise an Award after his or her death (provided, however, that no such designation shall be effective unless received by the office of Cannon Express designated for that purpose prior to the Grantee's death) and (ii) transfer the Award to a member of his or her Immediate Family.

8. Exercise.

(a) Exercise of Options.

(i) Subject to Section 6 and except as otherwise provided in the applicable Award Agreement, each option shall become exercisable at such time or times as may be specified by the Committee from time to time.

(ii) An option shall be exercised by the delivery to Cannon Express during the Option Term of (x) written notice of intent to purchase a specific number of Shares subject to the option and (y) payment in full of the Option Price of such specific number of Shares.

(iii) Payment of the Option Price may be made by any one or more of the following means:

- (A) cash, personal check or wire transfer;
- (B) Mature Shares, valued at their Fair Market Value on the date of exercise;
- (C) with the approval of the Committee, Restricted Shares held by the Grantee for at least six months prior to the exercise of the option, each such share valued at the Fair Market Value of a Share on the date of exercise;
- (D) in accordance with procedures previously approved by the Secretary of Cannon Express, through the sale of the Shares acquired on exercise of the Option through a bank or broker-dealer to whom the Grantee has submitted an irrevocable notice of exercise and irrevocable instructions to deliver promptly to Cannon Express the amount of sale or loan proceeds sufficient to pay for such Shares, together with, if requested by Cannon Express, the amount of federal, state, local or foreign withholding taxes payable by Grantee by reason of such exercise; or

(E) in the discretion of the Committee, payment may also be made in accordance with Section 9.

The Committee may in its discretion specify that, if any Restricted Shares ("Tendered Restricted Shares") are used to pay the Option Price, (x) all the Shares acquired on exercise of the option shall be subject to the same restrictions as the Tendered Restricted Shares, determined as of the date of exercise of the option, or (y) a number of Shares acquired on exercise of the option equal to the number of Tendered Restricted Shares shall be subject to the same restrictions as the Tendered Restricted Shares, determined as of the date of exercise of the option.

(b) Exercise of SARs.

(i) Subject to Section 6(d), and except as otherwise provided in the applicable Award Agreement, (x) each SAR not identified with

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

any other Award shall become exercisable with respect to 25% of the Shares subject thereto on each of the first four anniversaries of the Grant Date of such SAR unless the Committee provides otherwise in the Award Agreement and (y) each SAR which is identified with any other Award shall become exercisable as and to extend that the option or Restricted Shares with which such SAR is identified may be exercised or becomes nonforfeitable, as the case may be.

(ii) SARs shall be exercised by delivery to Cannon Express of written notice of intent to exercise a specific number of SARs. Unless otherwise provided in the applicable Award Agreement, the exercise of SARs which are identified with Shares subject to an option or Restricted Shares shall result in the cancellation or forfeiture of such option or Restricted Shares, as the case may be, to the extent of such exercise.

(iii) The benefit for each SAR exercised shall be equal to (x) the Fair Market Value of a Share on the date of such exercise, minus (y) the Strike Price of such SAR. Such benefit shall be payable in cash, except that the Committee may provide in the Award Agreement that benefits may be paid wholly or partly in Shares.

9. Loans and Guarantees. The Committee may in its discretion allow a Grantee to defer payment to Cannon Express of all or any portion of (i) the Option Price of an option, (ii) the purchase price of Restricted Shares, or (iii) any taxes associated with the exercise, nonforfeitable of, or payment of benefits in connection with, an Award, or cause Cannon Express to guarantee a loan from a third party to the Grantee, in an amount equal to all or any portion of such Option Price, or any related taxes. Any such payment deferral or guarantee by Cannon Express shall be on such terms and conditions as the Committee may determine except that a Grantee shall not be entitled to defer the payment of such Option Price, purchase price or any related taxes unless the Grantee (i) enters into a binding, recourse obligation to pay the deferred amount, which recourse obligation shall include a fixed, market rate of interest that is non-prepayable and nonrefundable and (ii) other than treasury shares, pays upon exercise of an option or grant of Restricted Shares, as applicable, an amount at least equal to the Minimum Consideration therefor. If the Committee has permitted a payment deferral or caused Cannon Express to guarantee a loan in accordance with this Section, then the

Committee may require the immediate payment of such deferred amount or the immediate release of such guarantee upon the Grantee's termination of employment or if the Grantee sells or otherwise transfers his or her Shares purchased pursuant to such deferral or guarantee.

10. Notification under Section 83(b). If the Grantee, in connection with the exercise of any option, or the grant of Restricted Shares, makes the election permitted under Section 83(b) of the Code to include in such Grantee's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Grantee shall notify Cannon Express of such election within 10 days of filing the notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter, prohibit a Grantee from making the election described above.

11. Mandatory Tax Withholding.

(a) Whenever under the Plan, Shares are to be delivered upon exercise or payment of an Award or upon Restricted Shares becoming nonforfeitable, or any other event with respect to rights and benefits hereunder, Cannon Express shall be entitled to require (i) that the

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

Grantee remit an amount in cash, or in Cannon Express' discretion, Mature Shares, sufficient to satisfy all federal, state, and local tax withholding requirements related thereto (Required Withholding), (ii) the withholding of such Required Withholding from compensation otherwise due to the Grantee or from any Shares due to the Grantee under the Plan or (iii) any combination of the foregoing.

(b) Any Grantee who makes a Disqualifying Disposition or an election under Section 83(b) of the Code shall remit to Cannon Express an amount sufficient to satisfy all resulting Required Withholding; except that in lieu of or in addition to the foregoing, Cannon Express shall have the right to withhold such Required Withholding from compensation otherwise due to the Grantee or from any Shares or other payment due to the Grantee under the Plan.

12. Elective Share Withholding.

(a) Subject to the following subsection, and unless otherwise provided in the Award Agreement, a Grantee may elect the withholding ("Share Withholding") by Cannon Express of a portion of the Shares otherwise deliverable to such Grantee upon the exercise of an Award or upon Restricted Shares becoming nonforfeitable (each, a "Taxable Event") having a Fair Market Value equal to the minimum amount necessary to satisfy Required Withholding liability attributable to the Taxable Event.

(b) Each Share Withholding election shall be subject to the following conditions:

- (i) any Grantee's election shall be subject to the Committee's discretion to revoke the Grantee's right to elect Share Withholding at any time before the Grantee's election if the Committee has reserved the right to do so in the Award Agreement;
- (ii) the Grantee's election must be made before the date (the "Tax Date") on which the amount to be withheld is determined; and
- (iii) the Grantee's election shall be irrevocable.

13. Termination of Employment.

(a) For Cause. If a Grantee's employment is terminated for Cause, (i) the Grantee's Restricted Shares that are forfeitable shall thereupon be forfeited, subject to the provisions of Section 6(e)(iii) regarding repayment of certain amounts to the Grantee; and (ii) any unexercised option or performance share shall terminate effective immediately upon such termination of employment.

(b) On Account of Retirement. Except as otherwise provided by the Committee in the Award Agreement, if a Grantee's employment terminates on account of Retirement, then:

- (i) the Grantee's Restricted Shares that were forfeitable shall thereupon become nonforfeitable; and
- (ii) any unexercised option or SAR, whether or not exercisable on the date of such termination of employment, may be exercised, in whole or in part, within the first two (2) years after such termination of employment (but only during the Option Term) by the Grantee.

(c) On Account of Death. Except as otherwise provided by the Committee in the Award Agreement, if a Grantee's employment terminates on account of death, then:

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

- (i) the Grantee's Restricted Shares that were forfeitable shall thereupon become nonforfeitable; and
 - (ii) any unexercised option or SAR, whether or not exercisable on the date of such termination of employment, may be exercised, in whole or in part, within the first 12 months after such termination of employment (but only during the Option Term) by the Grantee or, after his or her death, by (A) his or her personal representative or by the person to whom the option or SAR, as applicable, is transferred by will or the applicable laws of descent and distribution, or (B) the Grantee's designated beneficiary.
- (d) On Account of Disability. Except as otherwise provided by the Committee in the Award Agreement, if a Grantee's employment terminates on account of Disability, then:
- (i) the Grantee's Restricted Shares that were forfeitable shall thereupon become nonforfeitable; and
 - (ii) any unexercised option or SAR, whether or not exercisable on the date of such termination of employment, may be exercised in whole or in part, within the first 12 months after such termination of employment (but only during the Option Term) by the Grantee or, after his or her death, by (A) his or her personal representative or by the person to whom the option or SAR, as applicable, is transferred by will or the applicable laws of descent and distribution, or (B) the Grantee's designated beneficiary.
- (e) Any Other Reason. Except as otherwise provided by the Committee in the Award Agreement, if a Grantee's employment terminates for any reason other than for Cause, Retirement, death, or Disability, then:
- (i) the Grantee's Restricted Shares (and any SARs identified therewith), to the extent forfeitable on the date of the Grantee's termination of employment, shall be forfeited on such date; and
 - (ii) any unexercised option or SAR (other than a SAR identified with a Restricted Share), to the extent exercisable immediately before the Grantee's termination of employment, may be exercised in whole or in part, not later than three months after such termination of employment (but only during the Option Term).
- (f) Extension of Term. In the event of a termination of the Grantee's employment other than for Cause, the term or any Award (whether or not exercisable immediately before such termination) which would otherwise expire after the Grantee's termination of employment but before the end of the period following such termination of employment described in subparagraphs (b), (c) and (d) of this Section for exercise of Awards may, in the Committee's discretion, be extended so as to permit any unexercised portion thereof to be exercised at any time within such period. The Committee may further extend the period of exercisability to permit any unexercised portion thereof to be exercised within a specified period provided by the Committee.

14. Substituted Awards. If the Committee cancels any Award (whether granted under this Plan or any plan of any entity acquired by Cannon Express or a Subsidiary), the Committee may, in its discretion, substitute a new Award therefor upon such terms and conditions consistent with the Plan as the Committee may determine; except that (a) the Option Price of any new option, and the Strike Price of any new SAR, shall not be less than 100% (110% in the

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

case of an incentive stock option granted to a 10% Owner) of the Fair Market Value of a Share on the date of grant of the new Award; and (b) the Grant Date of the new Award shall be the date on which such new Award is granted.

15. Securities Law Matters. If the Committee deems necessary to comply with any applicable securities law, the Committee may require a written investment intent representation by the Grantee and may require that a restrictive legend be affixed to certificate for Shares. If, based upon the advice of counsel to Cannon Express, the Committee determines that the exercise or nonforfeiture of, or delivery of benefits pursuant to, any Award would violate any applicable provision of (i) federal or state securities laws or (ii) the listing requirements of any national securities exchange or national market system on which are listed any of Cannon Express' equity securities, then the Committee may postpone any such exercise, nonforfeiture or delivery, as applicable, but Cannon Express shall use all reasonable efforts to cause such exercise, nonforfeiture or delivery to comply with all such provisions at the earliest practicable date.

16. No Employment Rights. Neither the establishment of the Plan, nor the grant of any Award shall (a) give any Grantee the right to remain employed by Cannon Express or any Subsidiary or to any benefits not specifically provided by the Plan or (b) modify the right of Cannon Express or any Subsidiary to modify, amend, or terminate any employee benefit plan.

17. No Rights as a Stockholder. A Grantee shall not have any rights as a stockholder of Cannon Express with respect to the Shares (other than Restricted Shares) which may be deliverable upon exercise or payment of such Award until such shares have been delivered to him or her. Restricted Shares, whether held by a Grantee or in escrow by the Secretary of Cannon Express, shall confer on the Grantee all rights of a stockholder of Cannon Express, except as otherwise provided in the Plan. At the time of a grant of Restricted Shares, the Committee may require the payment of cash dividends thereon to be deferred and, if the Committee so determines, reinvested in additional Restricted Shares. Stock dividends and deferred cash dividends issued with respect to Restricted Shares shall be subject to the same restrictions and other terms as apply to the Restricted Shares with respect to which such dividends are issued. The Committee may in its discretion provide for payment of interest on deferred cash dividends.

18. Nature of Payments. Awards shall be special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for purposes of determining any pension, retirement, death or other benefit under (a) any pension, retirement, profit-sharing, bonus, insurance or other employee benefit plan of Cannon Express or any Subsidiary or (b) any agreement between (i) Cannon Express or any Subsidiary and (ii) the Grantee, except as such plan or agreement shall otherwise expressly provide.

19. Non-uniform Determinations. The Committee's determinations under the Plan need not be uniform and may be made by the Committee selectively among persons who receive, or are eligible to receive, Awards, whether or not such persons are similarly situated. Without limiting the generality of the foregoing, the Committee shall be entitled, to enter into non-uniform and selective Award Agreements as to (a) the identity of the Grantees, (b) the terms and provisions of Awards, and (c) the treatment of terminations of employment

20. Adjustments.

(a) The Committee shall make equitable adjustment of:

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

- (i) the aggregate numbers and kind of Shares available under the Plan for Awards in general and for the grant of ISOs;
- (ii) the number and kind of Shares and SARs covered by an Award, and
- (iii) the Option Price of all outstanding options and the Strike Price of all outstanding SARs,

to reflect a stock dividend, stock split, reverse stock split, share combination, recapitalization, merger, consolidation, spin-off, split-off, reorganization, rights offering, liquidation or similar event, of or by Cannon Express.

(b) Notwithstanding any provision in this Plan or any Award Agreement, in the event of a Change in Control in connection with which the holders of Common Stock receive shares of common stock of the surviving or successor corporation that are registered under Section 12 of the 1934 Act:

- (i) there shall be substituted for each option and SAR outstanding on the date of the consummation of corporate transaction relating to such Change in Control, a new option or SAR, as the case may be, reflecting the number and class of shares into which each outstanding Share shall be converted pursuant to such Change in Control and providing each Grantee with rights that are substantially identical to those under this Plan in all material respects; and
- (ii) in the event of any such substitution, the purchase price per share in the case of an option and the Strike Price in the case of an SAR shall be appropriately adjusted by the Committee, such adjustments to be made in the case of outstanding options and SARs without a change in the aggregate purchase price or Strike Price.

21. Amendment of the Plan. The Board may from time to time, in its discretion, amend the Plan without the approval of Cannon Express' Stockholders, except (i) as such stockholder approval may be required under the listing requirements of any securities exchange or national market system on which are listed Cannon Express' equity securities and (ii) that the Board may not without the approval of Cannon Express' Stockholders amend the Plan to (x) increase the total number of shares reserved for the purposes of the Plan or (y) change the employees, class of employees or others persons eligible to participate in the Plan.

22. Termination of the Plan. The Plan shall terminate on the ten-year anniversary of the Effective Date or at such earlier time as the Board may determine. No termination shall affect any Award then outstanding under the Plan.

23. No Illegal Transactions. The Plan and all Awards granted pursuant to it are subject to all applicable laws and regulations. Notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise, or receive benefits under, any Award, and Cannon Express shall not be obligated to deliver any Shares or deliver benefits to a Grantee, if such exercise or delivery would constitute a violation by the Grantee or Cannon Express of any applicable law or regulation.

24. Controlling Law. The law of the State of Delaware, except its law with respect to choice of law, shall control all matters relating to the Plan.

Edgar Filing: CANNON EXPRESS INC - Form DEF 14A

25. Severability. If any part of the Plan is declared by any court of governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section to the fullest extent possible while remaining lawful and valid.
