PROXY STATEMENT
for
Annual Meeting of Shareholders
to be held October 18, 2001

INTRODUCTION

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

Your Proxy is solicited by the Board of Directors of Techne Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on October 18, 2001 and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual Meeting.

The cost of soliciting Proxies, including preparing, assembling and mailing the Proxies and soliciting material, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular compensation, solicit Proxies personally or by telephone.

Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instruction by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by such non-vote shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the Company's principal executive office is 614 McKinley Place N.E., Minneapolis, MN 55413. The Company expects that this Proxy Statement and the related Proxy and Notice of Annual Meeting will first be mailed to shareholders on or about September 18, 2001.

ELECTION OF DIRECTORS (Proposals #1 and #2)

General Information

The Bylaws of the Company provide that the number of directors shall be determined by the shareholders at each annual meeting. The Board of Directors recommends that the number of directors to be set at eight. Under applicable Minnesota law, approval of the proposal to set the number of directors at eight, as well as the election of each nominee, requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

In the election of directors, each Proxy will be voted for each of the nominees listed below unless the Proxy withholds a vote for one or more of the nominees. Each person elected as a director shall serve for a term of one year or until his successor is duly elected and qualified. All of the nominees are members of the present Board of Directors. If any of the nominees should be unable to serve as a director by reason of death, incapacity or other unexpected occurrence, the Proxies solicited by the Board of Directors shall be voted by the proxy representatives for such substitute nominee as is selected by the Board, or, in the absence of such selection, for such fewer number of directors as results from such death, incapacity or other unexpected occurrence.

Committee and Board Meetings

The Company's Board of Directors has two standing Committees, the Audit Committee and the Compensation Committee. The Audit Committee (whose members are Messrs. Herbert, O'Connell, Sears and Dr. Steer) is responsible for reviewing the Company's internal audit procedures, the quarterly and annual financial statements of the Company and, with the Company's independent accountants, the results of the annual audit. The Audit Committee also establishes and oversees the implementation of the Company's cash investment policy. The Audit Committee met six times during fiscal 2001. The Compensation Committee (whose members are Drs. Henney and Steer and Messrs. Herbert and O'Connell) recommends compensation for officers of the Company. The Compensation Committee met three times during fiscal 2001. In addition to formal meetings, the Audit and Compensation Committees had numerous telephone conferences regarding Committee business. The Board does not have a separate Nominating Committee, but functions as a whole in considering nominations.

During fiscal 2001, the Board held five meetings. Each director attended 75% or more of the total number of meetings of the Board and of Committees of which he was a member.

Directors' Fees

Directors who are not employees of the Company are compensated at the rate of \$25,000 per year for service on the Board and Committees of the Board. In addition, under the Company's 1998 Nonqualified Stock Option Plan, outside directors automatically receive an option to purchase shares of the Company's Common Stock on election and upon each re-election. In connection with the 2001 Annual Meeting of Shareholders, the number of shares subject to the option granted to outside directors re-elected to the Board will be 5,000 per director.

Audit Committee Report

The Audit Committee is composed of four independent directors and operates under a written charter adopted by the Board of Directors (set forth in Appendix A). The Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process,

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No.1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2001 as filed with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Compensation Committee Interlocks and Insider Participation. The Compensation Committee of the Board of Directors of the Company is composed of directors Christopher S. Henney, D.Sc., Ph.D., G. Arthur Herbert, Howard V. O'Connell and Randolph C. Steer, M.D., Ph.D. None of the members of the Committee is or ever has been an employee or officer of the Company and none is affiliated with any entity other than the Company with which an executive officer of the Company is affiliated.

Overview and Philosophy. The Company's executive compensation program is comprised of base salaries, annual performance bonuses comprised of a cash and option component, long-term incentive compensation in the form of stock options, and various benefits, including the Company's profit sharing and savings plan and stock bonus plan in which all qualified employees of the Company participate. In addition, the Compensation Committee from time to time may award special cash bonuses or stock options related to non-recurring, extraordinary performance.

The Compensation Committee has followed a policy of paying annual base salaries which are on the moderate side of being competitive in its industry and of awarding bonuses based on achievement of specific revenue, profit and non-monetary goals. If the goals are achieved, the officer receives an option to purchase a number of shares with a fair market value on date of grant equal to 20% of the officer's base salary and receives, at the election of the officer, either a cash bonus equal to 20% of the officer's base salary or an additional option to purchase a number of shares with a fair market value on date of grant equal to 170% of the cash bonus alternative. Bonuses are awarded on a prorated basis if between 85% and 100% of the specific revenue and profit goals are achieved. The goals are established annually as recommended by the Chief Executive Officer of the Company and approved by the Compensation Committee.

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

The Company has formal employment agreements with its full-time executive officers, other than its President, effective through June 30, 2004, except Mr. Heaney's, whose agreement expires September 30, 2002. See "Employment Contracts and Change in Control Arrangements" below. The agreements provide for base salaries subject to annual review, bonuses as described above, benefits as provided to all employees and severance compensation dependent upon years of employment with or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company.

Compensation in 2001. During fiscal 2001, the Company maintained its principal compensation policies and made adjustments in base salaries to reflect competitive industry and individual performance factors. The Committee, at the beginning of fiscal 2001, established performance criteria for officers based 70% on growth in consolidated revenues and earnings and, working through the Company's Chief Executive Officer, 30% on individual goals which, if met, would permit each officer to earn a cash bonus and additional stock options. The Company achieved record revenues and earnings. On the basis of performance against the criteria established, the Committee at the close of fiscal 2001 awarded to Dr. Tsang, and Messrs. Veronneau and Heaney the bonuses indicated in the table below under "Summary Compensation Table" and, subsequent to fiscal year end, the options indicated in footnote (2) to the table below under "Options/SAR Grants During 2001 Fiscal Year". In further recognition of the officers' achievements, the Committee established base salaries for fiscal 2002 as disclosed below under "Employment Contracts and Change in Control Arrangements."

General. The Company provided medical and insurance benefits to its executive officers, which are the same as those generally available to all Company employees. The Company has a profit sharing and savings plan in which all qualified employees, including executive officers, participate. In fiscal 2001, 2000 and 1999, the Company has contributed to the plan an amount equal to approximately 9%, 10% and 10% of gross wages, respectively. One half of the assets of the plan have been invested in Common Stock of the Company. The amount of perquisites allowed to executive officers, as determined in accordance with rules of the Securities and Exchange Commission, did not exceed 10% of salary in fiscal 2001.

Chief Executive Officer Compensation. Thomas E. Oland served as the Company's Chief Executive Officer in fiscal 2001. His compensation was determined in accordance with the policies described above as applicable to all executive officers. His base salary was increased from \$210,000 in fiscal 2000 to \$220,000 in fiscal 2001 in light of the Company's increase in revenues and earnings. For fiscal 2001 performance he earned but waived a cash bonus. In February of 1996 the Compensation Committee, in connection with the Board's long-term strategic planning for the Company, adopted a substantial long-term incentive for Mr. Oland in the form of options to purchase an aggregate of 400,000 shares of the Common Stock of the Company at \$4.53 per share, the fair market value on the date of grant. The options are contingent on continued employment by the Company and have fully vested. The options will expire in February of 2006.

Summary. Aggregate executive compensation increased moderately in fiscal 2001 and the Company awarded stock options to officers because the Company achieved record revenues and earnings and individual officers achieved performance goals. The Compensation Committee intends to continue its policy of paying relatively moderate base salaries, basing bonuses on specific revenue, profit and performance goals and granting options to provide long-term incentive.

Employment Contracts and Change in Control Arrangements

The Company has formal employment agreements with each of its full-time executive officers with the exception of its President and Chief Executive Officer, with whom the Company has an oral understanding. The agreements, which in the cases of Dr. Tsang and Mr. Veronneau expire June 30, 2004 and in the case of Mr. Heaney expires September 30, 2002, provide for base salaries subject to annual review, bonuses as described in the Compensation Committee Report contained in this Proxy Statement, benefits as provided to all employees and severance compensation based upon years of employment by or service to the Company in the event that the officer's employment is terminated without cause or in connection with a sale or merger of the Company. Base salaries for fiscal 2002 for the executive officers named in the Summary Compensation Table are as follows: T. Oland - \$225,000; M. Tsang - \$210,000; M. Veronneau - \$130,000 and T. Each of such officers is also subject to a confidentiality and non-competition agreement, which prohibits competition with the Company for a period of two years following termination of employment with the Company.

APPENDIX A

AUDIT COMMITTEE CHARTER

The Audit Committee of the Company's Board of Directors shall be composed of three or more directors who are "independent" as such term is defined in applicable regulations of Nasdaq, and who are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member. Each of the members of the Audit Committee shall be a person who through prior experience is financially sophisticated and familiar with financial oversight responsibilities. The independent auditors of the Company's financial statements shall be accountable to the Audit Committee and to the Board of Directors of the Company.

In carrying out these responsibilities, the Audit Committee will:

- Meet not fewer than four times per year.
- Review and recommend to the Board of Directors the independent auditors to be selected to audit the financial statements of the Company and its divisions and subsidiaries and, when appropriate, recommend the replacement of the Company's auditors.
- Meet with the independent auditors and financial management of the Company to review the scope of the proposed audit for the current year and the audit procedures to be utilized, and at its conclusion to review such audit, including any comments or recommendations of the independent auditors. Any changes in accounting principles shall be reviewed.
- Review with the independent auditors and the Company's financial and accounting personnel the adequacy and effectiveness of the accounting and financial controls of the Company, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis shall be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper.
- Provide sufficient opportunity for independent auditors to meet with the members of the Audit Committee without members of management present.

Edgar Filing: TECHNE CORP /MN/ - Form DEF 14A

Among the items to be discussed in these meetings are the independent auditors' evaluation of the Company's financial, accounting, and auditing personnel, and the cooperation that the independent auditors received during the course of the audit.

- Oversee the independence of the independent auditors through appropriate means including obtaining a written statement delineating all relationships between the independent auditors and the Company and determining whether and to what extent the objectivity and independence of the auditors may be impacted by all relationships and services.
- Discuss with the independent auditors their qualitative judgments about the appropriateness, not just the acceptability, of accounting principles and financial disclosure practices used or proposed to be adopted by the Company, particularly about the degree of aggressiveness or conservatism of the Company's accounting principles and underlying estimates.
- Establish and review adherence to the Company's cash management and investment policies.
- Provide the report for the Company's annual proxy statement required by regulations of the Securities and Exchange Commission respecting activities of the Committee and state whether the Committee recommends inclusion of the Company's audited financial statements in the annual report to be filed with Commission.
- Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel or other consultants for this purpose if, in its judgement, that is appropriate.
- Submit to the Board of Directors the minutes of all meetings of the Audit Committee and discuss the material matters discussed at each committee meeting with the Board of Directors.
