ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On February 21, 2019, Boston Scientific Corporation (the “Company”) entered into an Underwriting Agreement, (as supplemented by the Terms Agreement, also dated February 21, 2019, the “Underwriting Agreement”), among the Company and Barclays Capital Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC, as representatives of the underwriters named in the Underwriting Agreement (the “Underwriters”), in connection with the Company’s previously announced pricing of \$4.300 billion aggregate principal amount of senior notes. Pursuant to the Underwriting Agreement, the Underwriters agreed to purchase \$850,000,000 in aggregate principal amount of the Company’s 3.450% Senior Notes due 2024 (the “2024 Notes”), \$850,000,000 in aggregate principal amount of the Company’s 3.750% Senior Notes due 2026 (the “2026 Notes”), \$850,000,000 in aggregate principal amount of the Company’s 4.000% Senior Notes due 2029 (the “2029 Notes”), \$750,000,000 in aggregate principal amount of the Company’s 4.550% Senior Notes due 2039 (the “2039 Notes”) and \$1,000,000,000 in aggregate principal amount of the Company’s 4.700% Senior Notes due 2049 (the “2049 Notes” and, together with the 2024 Notes, the 2026 Notes, the 2029 Notes and the 2039 Notes, the “Notes”) under the Company’s shelf registration statement on Form S-3 (File No. 333-223095). The Underwriting Agreement contains customary representations, warranties and agreements of the Company and customary conditions to closing, indemnification rights and obligations of the parties and termination provisions.

The Notes were issued pursuant to an indenture dated as of May 29, 2013 between the Company and U.S. Bank National Association, as trustee (the “Indenture”). The Indenture contains covenants that restrict the Company’s ability, with certain exceptions, to (i) merge or consolidate with another entity or transfer all or substantially all of its property and assets, and (ii) incur liens. These covenants are subject to important exceptions and qualifications, as described in the Indenture. The Indenture also provides for customary events of default. Additional terms of each series of Notes are set forth in the form of notes corresponding to such series.

In the event that the Company’s previously announced proposed acquisition of BTG plc (the “Proposed BTG Acquisition”) has not become effective in accordance with its terms (“Effective”) on or prior to August 20, 2019, or such later date (if any) to which the outside date for the Proposed BTG Acquisition to become Effective has been extended in accordance with its terms (the “Long Stop Date”) or if, prior to becoming Effective, the Proposed BTG Acquisition lapses, is withdrawn or otherwise terminates in accordance with its terms, then the Company will be required to redeem all outstanding 2024 Notes and 2026 Notes on the special mandatory redemption date (as defined below) at a special mandatory redemption price equal to 101% of the principal amount thereof, plus accrued and unpaid interest thereon (if any) to, but not including, the special mandatory redemption date (subject to the right of holders as of the close of business on a regular record date to receive interest due on the related interest payment date). The “special mandatory redemption date” means the earlier to occur of (i) the 30th day (or if such day is not a business day, the first business day thereafter) following the Long Stop Date and (ii) the 30th day (or if such day is not a business day, the first business day thereafter) following the lapse, withdrawal or termination of the Proposed BTG Acquisition in accordance with its terms.

The foregoing descriptions of the Underwriting Agreement, the Indenture and the Notes are summaries and are qualified in their entirety by reference to such documents, which are attached as Exhibits 1.1, 4.1, 4.2, 4.3, 4.4, 4.5 and 4.6 to this Current Report on Form 8-K, respectively, and all of which are incorporated herein by reference.
