PART III - NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The quarterly report on Form 10-Q of Ligand Pharmaceuticals Incorporated (the "Company") for the period ended September 30, 2006 could not be filed with the Securities and Exchange Commission on a timely basis due to the following reasons:

The Company requires additional time to complete accounting adjustments and disclosures relating to the sale of its oncology product line, which will be treated as discontinued operations. The sale was completed on October 25, 2006.

Edgar Filing: LIGAND PHARMACEUTICALS INC - Form NT 10-Q

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The three- and nine-month periods ended September 30, 2005 and September 30, 2006 require adjustment to reflect the oncology product line as discontinued operations. Until these adjustments are made and preparation of the financial statements is completed by the Company and reviewed by its independent accounting firm, we cannot reasonably and reliably estimate the changes in results of operations. However, unaudited pro forma financial statements for the oncology product line discontinued operations for the six months ended June 30, 2006 were filed with the Commission on form 8-K on October 31, 2006.
