To the Stockholders of LCS Group, Inc.:

You are cordially invited to attend the special meeting of stockholders of LCS Group, Inc. ("LCS, our, we or us"), a Delaware corporation, to be held at Baci Pizzeria and Trattoria, 957 Route 6, Mahopac, New York 10541, on December 23, 2003, at 10:00 a.m. local time, for the following purposes:

1. To approve amending our Certificate of Incorporation to
 - o change our name to "Conversion Services International, Inc." (Proposal 1),
 - o increase the number of shares of common stock we are authorized to issue from 50,000,000 to 1,000,000,000 (Proposal 2), and
 - o authorize us to issue up to 20,000,000 shares of preferred stock in such series, each with different rights, preferences and designations and qualifications, limitations and restrictions as may be determined by our board of directors without the approval of our stockholders (Proposal 3); and
 - o concerning limitations of our directors' liability and indemnification of our officers and directors (Proposal 4);
2. To elect three (3) members to our board of directors to serve until their respective successors are elected and qualified (Proposal 5); and
3. To adopt our 2003 Stock Incentive Plan (Proposal 6).

Only stockholders of record at the close of business on November 28, 2003 (the "Record Date") are entitled to notice of and to vote at the meeting.

On August 21, 2003, we entered into an agreement with Conversion Services International, Inc. ("CSI") pursuant to which CSI will merge into LCS Acquisition Corp., our wholly-owned subsidiary, referred to here in as LCSAC. On November 28, 2003, the parties amended the agreement and all discussions in this proxy statement relating to such agreement refer to the agreement as amended. If the merger between CSI and LCSAC is consummated, the business of CSI shall become our only operating business, we will change our name to Conversion Services International, Inc. and the CSI stockholders will control our board of directors and approximately 84.3% of the shares of our common stock.

The closing of the merger with CSI is subject to a number of conditions, including, among others, effecting the actions contained in Proposals 1, 2, 5 and 6. The nominees for directors in Proposal 5 consist of Scott Newman and Glenn Peipert, CSI's executive officers, directors and principal stockholders, and Lawrence K. Reisman, a nominee of Messrs. Newman and Peipert. Approval of Proposals 1 and 5 is contingent upon consummation of the merger with CSI within seven (7) business day after this special meeting of our stockholders and the satisfaction of all other conditions precedent to the closing of the merger. In

Edgar Filing: LCS GOLF INC - Form PRE 14A

the event that the merger is not consummated within this period, which can be

extended upon our agreement with CSI, Proposals 1 and 5 will not pass, our name will not change and Dr. Mitchell will remain as our sole director.

We are authorized to issue 50,000,000 shares of common stock of which 49,220,176 are currently outstanding. If we acquire CSI, we will be required to issue an aggregate of 500 million shares of our common stock to CSI's stockholders. In addition, we are contractually obligated to issue an additional 43,779,824 shares when we increase the number of shares we are authorized to issue to an amount sufficient to permit this issuance. 18,313,157 of these shares, except as may be adjusted as described herein, will be issued to Michael Mitchell, our President, Chief Executive Officer and sole director and the person on whose behalf we are soliciting this proxy.

As of November 28, 2003, our affiliates, sole director and executive officers, including all stockholders who beneficially own more than 5% of our voting securities, own approximately 14.3% of our stock entitled to vote on the proposals. It is anticipated that these individuals will vote their shares to approve all of the proposals.

A proxy statement and proxy are enclosed with this notice. If you are unable to attend the meeting in person, you are urged to sign, date and return the enclosed proxy promptly in the envelope provided, which requires no postage if mailed within the United States. If you attend the meeting in person, you may withdraw your proxy and vote your shares. Details of the proposed merger with CSI and the other business to be conducted at the special meeting are described in the enclosed proxy statement. We have also enclosed a copy of our 2003 Annual Report for the fiscal year ended February 28, 2003.

Summary Information

This summary highlights the material terms of the proposed transactions described in this proxy statement. We believe that it is necessary for you to understand our proposed acquisition of CSI in order for you to make an informed decision about Proposal Nos. 1, 2 and 5, and we urge you to read this entire proxy statement carefully, including the schedules and the documents to which we refer in this proxy statement. We have included page references in parentheses to direct you to a more complete description of the topics presented in this summary.

The Companies

On July 16, 2003, pursuant to the terms of Section 251(g) of the Delaware General Corporation Law, LCS Golf, Inc. hereafter referred to as Golf, became our wholly-owned subsidiary. Pursuant to this transaction, we acquired all of the assets of Golf, all former stockholders of Golf became our stockholders, our shares of common stock are now publicly traded on the OTC Bulletin Board, and the officers and sole director of Golf became our officers and sole director.

We were a holding company that until December 31, 2001, operated, through Golf, as a provider of outsourcing of permission e-mail marketing technologies and services. We have terminated all of our revenue generating operations and released all but two of our employees, our two executive officers. On August 21, 2003, we entered into the agreement with CSI pursuant to which CSI will merge into LCSAC, our wholly-owned subsidiary, and become our operating business. We maintain our only office at the residence of Michael Mitchell, our president and sole director, at 3 Tennis Court Road, Mahopac, New York 10541, and our telephone number is (845) 621-3945.

4

CSI, a privately held Delaware corporation formed in 1990, is in the business of providing professional services relating to information technology Management Consulting, Data Warehousing, Business Intelligence and e-Business. CSI is entering into this merger to become a public company. CSI's offices are located at 100 Eagle Rock Avenue, East Hanover, N.J. 07936, and its telephone number is (973) 560-9400.

The Merger

The Merger with CSI (page 12)

Our sole director has approved the merger of LCSAC, our wholly-owned

Edgar Filing: LCS GOLF INC - Form PRE 14A

subsidiary, with CSI. If we acquire CSI, it will become our wholly owned subsidiary and our only operational business.

Stock to be issued to CSI stockholders (page 40)

The CSI stockholders will receive shares of our common stock in exchange for shares of their CSI common stock. The CSI stockholders will own, collectively, approximately 84.3% of all of our outstanding common stock immediately following the merger. As a result, the CSI stockholders will control our board of directors and in excess of a majority of our shares of common stock, thus entitling them to control our company and approve or disapprove of all matters voted upon by stockholders.

The Board of Directors (page 50)

Michael Mitchell will resign as our sole director and be replaced by Scott Newman, Glenn Peipert and Lawrence K. Reisman, who is a nominee of Messrs. Newman and Peipert.

Name Change (page 45)

Our name will be changed to "Conversion Services International, Inc."

Registration Rights (pages 31, 45 and 46)

Certain of our stockholders and CSI's stockholders will receive rights to require us to register the shares of our common stock that they receive in the merger for resale by them. Certain of these stockholders have the right to demand that we register their shares and "piggy-back" registration rights. Others have just "piggy-back" registration rights.

Conditions to Closing (page 42)

The obligations of each of the parties to complete the merger are subject to the satisfaction or waiver of numerous conditions, including various customary conditions to closing, and the following conditions:

- o CSI's stockholders must approve the merger;
- o Our stockholders must approve,
 - (i) amending our Certificate of Incorporation to change our name to "Conversion Services International, Inc." and increase the number of shares of common stock we are authorized to issue from 50,000,000 to 1,000,000,000 (page 45),
 - (ii) the election of the slate of directors selected by Messrs. Newman and Peipert on behalf of CSI, and

5

- o (iii) our 2003 Incentive Stock Plan (page 52); and
- o we must have no material liabilities.

Approval of our sole director (page 39)

Dr. Mitchell, our sole director, has determined that the merger with CSI is, given a comprehensive review of all of the facts and circumstances, fair to you and in your best interests and he has approved it.

Record Date; Outstanding Shares

Only stockholders of record at the close of business on November 28, 2003 are entitled to receive notice of, and vote at our special meeting. As of November 28, 2003, the record date, we had 49,220,176 shares of common stock outstanding and entitled to vote at the meeting. Each share of our common stock is entitled to one vote on all matters. We have no other voting securities.

Expenses of Soliciting Proxies

We will pay the expenses of soliciting proxies to be voted at the special meeting. Third parties who are holders of our common stock are providing these funds. If we approve the amendment to our Certificate of Incorporation to increase the number of shares of common stock we are authorized to issue, these third parties will have the right and ability to convert the funds they loaned to us for this and other purposes at the rate of \$0.03 per share. We, and our agents, including our sole director, may also supplement the solicitation of proxies by mail, telephone, Internet, telegraph or in person, following the original mailing of the proxies and other proxy materials. No additional compensation will be paid to our sole director for such services. In addition, we will request that brokers, custodians, nominees and other record holders of our common stock forward copies of the proxy and other special meeting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. In these cases, we will reimburse such record holders for their reasonable expenses if requested to do so.

Revocability of Proxies

If you attend the meeting, you may vote in person, regardless of whether you have submitted a proxy. Any person giving a proxy in the form accompanying this proxy statement has the power to revoke it at any time before it is voted. It may be revoked by filing, with our corporate secretary at our offices, 3 Tennis Court Road, Mahopac, New York 10541, a written notice of revocation or a duly executed proxy bearing a later date, or it may be revoked by attending the meeting and voting in person.

Voting and Votes Required for Approval

Every stockholder of record is entitled, for each share held, to one vote on each proposal or item that comes before the meeting. By submitting your proxy, you authorize Michael Mitchell, to represent you and vote your shares at the meeting in accordance with your instructions. If the meeting is adjourned, Dr. Mitchell will be authorized to vote your shares at any adjournment or postponement of the meeting.

To vote by mail, please sign, date and complete the enclosed proxy and return it in the enclosed self-addressed envelope, to Olde Monmouth Stock Transfer Co., Inc., 200 Memorial Parkway, Atlantic Highlands, New Jersey 07716. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

Edgar Filing: LCS GOLF INC - Form PRE 14A

In addition to solicitations by mail, we may solicit proxies in person, by telephone, facsimile or e-mail.

Proposals 1 through 4: Amendments to Certificate of Incorporation. The affirmative vote of stockholders owning at least a majority of the issued and outstanding shares of our common stock eligible to vote at the meeting is necessary to approve the amendments to our Certificate of Incorporation contained in proposals 1 through 4.

10

Proposal 5: Election of Directors. Directors are elected by a plurality vote and the three nominees who receive the most votes will be elected. In the election of directors, votes may be cast in favor of or withheld with respect to each nominee.

Proposal 6: Adoption of 2003 Stock Incentive Plan. The affirmative vote of at least a majority of the shares represented and voting at the special meeting at which a quorum is present, which shares voting affirmatively also constitute at least a majority of the required quorum, is necessary for the adoption of our 2003 Incentive Plan.

We and LCSAC have entered into an agreement with CSI pursuant to which CSI will merge into LCSAC, our wholly-owned subsidiary. As a result of the merger with CSI, the business of CSI shall become our only operating business and we will change our name to Conversion Services International, Inc. The closing of the merger with CSI is subject to a number of conditions, including, among others, effecting the actions contained in Proposals 1,2, 5 and 6. The nominees for director in Proposal 5 consist of Messrs. Newman and Peipert, CSI's executive officers, directors and principal stockholders, and Lawrence K. Reisman, a nominee of Messrs. Newman and Peipert. Approval of Proposals 1 and 5 is contingent upon consummation of the merger within seven (7) days after this special meeting of our stockholders. In the event that the merger with CSI is not consummated within this period, which can be extended by our sole director, Proposals 1 and 5 will not pass, our name will not change and Dr. Mitchell will remain as our sole director.

Tabulation of Votes

The votes will be tabulated and certified by our transfer agent, Olde Monmouth Stock Transfer Co., Inc.

Voting by Street Name Holders

If you are the beneficial owner of shares held in "street name" by a broker, the broker, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker, the broker will nevertheless be entitled to vote the shares with respect to "discretionary" items but will not be permitted to vote the shares with respect to "non-discretionary" items (in which case, the shares will be treated as "broker non-votes").

Quorum; Abstentions; Broker Non-Votes

The required quorum for the transaction of business at the special meeting is 51% of the issued and outstanding shares of our common stock present at the special meeting, in person or by proxy. Shares that are voted "FOR," "AGAINST" or "WITHHELD FROM" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares represented and voting the votes cast at the special meeting with respect to such matter.

Edgar Filing: LCS GOLF INC - Form PRE 14A

While there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, we believe that abstentions should be counted for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business; and (ii) the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

Under current Delaware case law, while broker non-votes (i.e. the votes of shares held of record by brokers as to which the underlying beneficial owners have given no voting instructions) should be

11

counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. We intend to treat broker non-votes in this manner. Thus, a broker non-vote will make a quorum more readily obtainable, but the broker non-vote will not otherwise affect the outcome of the voting on a proposal.

PROPOSALS TO STOCKHOLDERS

We believe that it necessary for you to understand our proposed acquisition of CSI in order for you to make an informed decision about Proposal Nos. 1, 2, and 5.

Our Current Business and the Acquisition of CSI

On July 16, 2003, pursuant to the terms of Section 251(g) of the Delaware General Corporation Law, Golf became our wholly-owned subsidiary. Pursuant to this transaction, we acquired all of the assets of Golf, all former stockholders of Golf became our stockholders, our shares of common stock are now publicly traded on the OTC Bulletin Board, and the officers and sole director of Golf became our officers and sole director.

We were a holding company that, until December 31, 2001, operated, through Golf, as a provider of out sourcing of permission e-mail marketing technologies and services. Over the next three months we terminated almost all of our revenue generating operations and determined that it was unlikely that we would be able to resume our previous business. As a result, we began investigating the possibility of acquiring or otherwise affiliating with a revenue generating business.

On August 21, 2003, we entered into a reorganization agreement with CSI and its two principal stockholders pursuant to which we agreed to acquire all of CSI's outstanding stock in exchange for 500 million shares of our common stock. See pages 25-26 for a discussion of the number of shares of our common stock to be issued to the CSI stockholders, and the number of shares of our common stock that will be outstanding after the merger. The issuance of our common stock may substantially dilute your ownership percentage in us and the value of your shares. You should carefully read this proxy statement and the following documents:

- o the Agreement and Plan of Reorganization as amended (Appendix A hereto),
- o our Form 10-KSB for the year ended February 28, 2003 (delivered

Edgar Filing: LCS GOLF INC - Form PRE 14A

- herewith),
- o the audited financial statements of CSI for the fiscal years ended December 31, 2001 and 2002 and CSI's unaudited financial statements at and for the nine months ended September 30, 2003 (Schedule C hereto), and
- o our unaudited financial statements at and for the quarter ended August 31, 2003 (Schedule D hereto).

CSI has developed a methodology that provides a framework for each stage of a client engagement, from helping the client conceive its strategy, to structuring, engineering and extending the client's information. CSI believes that its integrated methodology allows it to deliver reliable, robust, scalable, secure and extensible business intelligence solutions in rapid timeframes.

During the fiscal year ended December 31, 2002, two of CSI's customers collectively accounted for approximately 59% of total sales. During the fiscal year ended December 31, 2001, two customers accounted collectively for approximately 65% of total sales. Except as described below, CSI does not

13

have long-term contracts with any of these customers. The loss of any of CSI's largest customers could have a material adverse effect on CSI's business.

Marketing

CSI currently markets its services through a sales force comprised of 10 employees and also receives business through client referrals. CSI is in the process of engaging an advertising and public relations firm in order to expand CSI's brand awareness, and is further engaging, or expects to engage, in the following sales related programs and activities:

- >> Web site promotion: The CSI web site has recently been reformatted

Edgar Filing: LCS GOLF INC - Form PRE 14A

to reflect CSI's vision and business plan. CSI will be promoting its website through various internet search engines.

- >> Trade show participation: CSI expects that high exposure in trade shows should further solidify CSI's position in its industry. In the proper setting, the trade show can be viewed as a mobile mini-showroom concept to demonstrate CSI's services.
- >> Seminars with vendors: CSI expects that joint seminars with leading software vendors should stimulate new business lead generations. It also expects to enhance the perception of CSI as an expert in individual product areas.
- >> Vendor relations: CSI is identifying key vendor relationships. With the ability to leverage CSI's thirteen-year history, CSI intends to continue to forge and maintain relationships with technical, service and industry vendors.

14

- >> Expanded direct sales activities: CSI is developing a campaign for its sales personnel that will include lead generation, cross selling and up selling.

Competition

CSI competes against numerous large companies that have substantially greater market presence, longer operating histories, more significant customer bases, and financial, technical, facilities, marketing, capital and other resources than it has. These competitors include national, regional and local information technology consulting service providers, software development firms and multi-national and other major accounting and consulting firms such as

- o Accenture,
- o Cap Gemini Ernst & Young,
- o IBM Global Services,
- o Keane,
- o Bearing Point, and
- o Answerthink.

CSI competes on the basis of the quality of its services, industry reputation and price.

Employees

CSI currently has 59 full time employees and also regularly utilizes the services of independent consultants.

Protection Against Disclosure of Customer Information

CSI has implemented policies to prevent customer information from being disclosed to unauthorized parties or used inappropriately. CSI's employee handbook, which every employee receives and signs an acknowledgement of, mandates that it is strictly prohibited for employees to disclose customer information to third parties and further mandates that disciplinary action be taken against those who violate such policy, including possible termination. Further, background checks are made on all employees prior to hire.

Insurance

Edgar Filing: LCS GOLF INC - Form PRE 14A

CSI attempts to contractually limit its damages arising from negligent acts, errors, mistakes or omissions in rendering services and also maintains general liability insurance coverage, including coverage for errors and omissions. CSI's current insurance policy provides for \$7,000,000 "umbrella" coverage with \$1,000,000 of coverage per occurrence.

Description of CSI's Property

CSI owns no real property and rents approximately 15,000 square feet of space in East Hanover, New Jersey pursuant to an amended lease that expires on December 31, 2005. These premises serve as the corporate headquarters and are comprised of office space and a large computer room.

CSI Legal Proceedings

CSI is not currently a party to any material legal proceedings.

CSI Related Party Transactions

Loans from Stockholders, Officers and Directors

As of December 31, 2002 and September 30, 2003, Messrs. Newman and Peipert owed CSI an aggregate of approximately \$182,000. These loans are non-interest bearing and have no stated terms of repayment. All of these loans will be forgiven at or prior to the closing of the merger with CSI.

Leases

CSI's future minimum rental payments due under all operating leases as of December 31, 2002, were as follows:

Years Ending December 31 -----	Office -----	Automobiles -----	Total -----
2003	\$ 172,546	\$ 40,702	\$ 213,248
2004	172,546	9,668	182,214
2005	172,546	--	172,546
	-----	-----	-----
	\$ 517,638	\$ 50,370	\$ 568,008
	=====	=====	=====

CSI is also obligated under capital leases for an aggregate annual rental of approximately \$50,000 payable through 2006. These leases are secured by computer equipment originally costing \$365,000.

Guarantees

CSI currently has a line of credit with Fleet Bank pursuant to which it may borrow up to \$2,250,000 against eligible accounts receivable. This line is collateralized by all of CSI's assets and guaranteed by Messrs. Newman and Peipert. As of September 30, 2003, approximately \$940,000 was outstanding under this line.

Market Price of and Dividends on CSI's Common Equity and Related Stockholder Matters

CSI has one class of common stock, 0.001 par value, of which 1 million shares are currently issued and outstanding. The following table sets forth as

Edgar Filing: LCS GOLF INC - Form PRE 14A

of November 15, 2003, the number and percentage of outstanding shares of common stock beneficially owned by:

- o Each person, individually or as a group, known to us to be deemed the beneficial owners of five percent or more of CSI's issued and outstanding common stock;
- o each of CSI's directors and Executives; and
- o all of CSI's officers and directors as a group.

The address of each of the principal stockholders is care of CSI.

Name of Beneficial Owner	Shares Beneficially Owned	% Of Share Beneficially Owned
Scott Newman	600,000	60.0%
Glenn Peipert	300,000	30.0%
All directors and executive officers as a group (2 persons)	900,000	90.0%

16

On September 30, 2003, the holders of CSI notes in the principal amount of \$1,500,000 million converted their notes into an aggregate of 100,000 shares of CSI common Stock. None of these holders have any familial or business relationship with either Mr. Newman or Mr. Peipert or any of their respective affiliates.

CSI's stock has never been publicly traded and, other than distributions resulting from CSI's status as a Subchapter S corporation for tax purposes, no dividends have ever been paid to the holders thereof. In connection with the issuance of new shares on September 30, 2003 discussed above, CSI changed its tax status to that of a Subchapter C corporation. On October 29, 2003, CSI made arrangements with a group of private lenders to obtain a \$2,000,000 unsecured line of credit note. This note is convertible, at the option of CSI or such lenders, into shares of CSI common stock at a rate equal to 75% of the average bid price of the stock of LCS and its successors for the 10 trading days prior to the date of conversion. CSI does not have any equity compensation plans in place, nor does it have any outstanding options, warrants or, except as described above, securities convertible into its common stock.

Certain Risk Factors That May Affect CSI's Future Performance

In addition to other information included in this proxy statement, the following factors should be considered in evaluating CSI's business and future prospects:

Because CSI depends on a small number of key customers, non-recurring revenue and contracts terminable on short notice, its business could be adversely affected if it fails to retain these customers and/or obtain new customers at a level sufficient to support its operations and/or broaden its customer base.

For the year ended December 31, 2002, two customers accounted for approximately \$9,540,000 of CSI's revenues, which equaled 59% of these revenues. For the year ended December 31, 2001, two customers accounted for approximately \$15,900,000 of CSI's revenues, which equaled approximately 65% of these revenues. In addition, CSI's contracts provide that its services are terminable upon relatively short notice, typically not more than 30 days. Non-renewal or termination of contracts with these customers without adequate replacements

Edgar Filing: LCS GOLF INC - Form PRE 14A

could have a material and adverse effect on CSI. In addition, a large portion of CSI's revenues are derived from consulting services that are generally non-recurring in nature. There can be no assurance that CSI will

- o obtain additional contracts for projects similar in scope to those previously obtained from its principal customers or any other customer,
- o be able to retain existing customers or attract new customers, or
- o broaden its customer base so that it will not remain largely dependent on a limited number of customers that will continue to account for a substantial portion of its revenues.

CSI may be subject to additional risks relating to its customers that could adversely affect its business.

CSI may be subject to

- o delays in customer funding;
- o lengthy customer review processes for awarding contracts;

17

- o delay, termination, reduction or modification of contracts in the event of changes in customer policies or as a result of budgetary constraints; and/or
- o increased or unexpected costs resulting in losses under fixed-fee contracts,

which factors could also adversely affect its business.

CSI's revenues are difficult to forecast.

CSI may increase its corporate overhead expenses in the event that it increases its business and/or acquires other businesses, while its operating expenses for sales, marketing and technical personnel to sell, provide and support its services also increases. Additionally, although most of CSI's customers are large, creditworthy entities, at any given point in time, CSI may have significant accounts receivable balances with customers that expose it to credit risks if such customers are unable to pay such obligations. If CSI has an unexpected shortfall in revenues in relation to its expenses, or significant bad debt experience, its business could be materially and adversely affected.

CSI's business could be adversely affected if CSI fails to adapt to emerging and evolving markets.

The markets for CSI's services are changing rapidly and evolving and, therefore, the ultimate level of demand for CSI's services is subject to substantial uncertainty. Any significant decline in demand for programming and applications development and information technology consulting services could materially and adversely affect CSI's business and prospects.

CSI's success in meeting growth targets is dependent on its ability to maintain existing customers and to continually attract and retain new customers to replace those who have not renewed their contracts. CSI's ability to achieve significant market acceptance will require substantial efforts and expenditures on CSI's part to create awareness of CSI's services.

If CSI should experience rapid growth, such growth could strain its managerial and operational resources, which could adversely affect its business.

Edgar Filing: LCS GOLF INC - Form PRE 14A

Any rapid growth that CSI may experience would most likely place a significant strain on its managerial and operational resources. If CSI is successful in acquiring other companies, it will be required to manage multiple relationships with various customers, strategic partners and other third parties. Further growth or an increase in the number of strategic relationships may increase this strain on existing managerial and operational resources, inhibiting CSI's ability to achieve the rapid execution necessary to successfully implement CSI's growth strategy without incurring additional corporate expenses.

CSI faces intense competition and its failure to meet this competition could adversely affect its business.

Competition for CSI's information technology consulting services is significant and CSI expects that this competition will continue to intensify due to the low barriers to entry. CSI may not have the financial resources, technical expertise, sales and marketing or support capabilities to successfully meet this competition. CSI competes against numerous large companies, including, among others, multi-national and other major accounting firms. These firms have substantially greater market presence, longer operating histories, more significant customer bases and financial, technical, facilities, marketing, capital and other resources than CSI has. If CSI is unable to compete against such competitors, its business will be adversely affected.

18

CSI's competitors may respond more quickly than CSI to new or emerging technologies and changes in customer requirements. Its competitors may also devote greater resources than CSI can to the development, promotion and sale of their services. They may develop services that are superior to or have greater market acceptance than CSI's. Competitors may also

- o engage in more extensive research and development,
- o undertake more extensive marketing campaigns,
- o adopt more aggressive pricing policies, and
- o make more attractive offers to CSI's existing and potential employees and strategic partners.

In addition, current and potential competitors have established or may establish cooperative relationships among themselves or with third parties that could be detrimental to CSI's business.

New competitors, including large computer hardware, software, professional services and other technology and telecommunications companies, may enter CSI's markets and rapidly acquire significant market share. As a result of increased competition and vertical and horizontal integration in the industry, CSI could encounter significant pricing pressures. These pricing pressures could result in substantially lower average selling prices for its services. CSI may not be able to offset the effects of any price reductions with an increase in the number of customers, higher revenue from consulting services, cost reductions or otherwise. In addition, professional services businesses are likely to encounter consolidation in the near future, which could result in decreased pricing and other competition.

If CSI fails to adapt to the rapid technological change constantly occurring in the areas in which it operates, its business could be adversely affected.

The market for information technology consulting services is rapidly evolving. Significant technological changes could render CSI's existing services obsolete. CSI must adapt to this rapidly changing market by continually

Edgar Filing: LCS GOLF INC - Form PRE 14A

improving the responsiveness, functionality and features of its services to meet customers' needs. If CSI is unable to respond to technological advances and conform to emerging industry standards in a cost-effective and timely manner, its business could be materially and adversely affected.

CSI could be subject to systems failures that could adversely affect its business.

CSI's business depends on the efficient and uninterrupted operation of CSI's computer and communications hardware systems and infrastructure. CSI currently maintains its computer systems in its facilities at its offices in New Jersey. Although CSI has taken precautions against systems failure, interruptions could result from natural disasters as well as power losses, telecommunications failures and similar events. CSI also leases telecommunications lines from local and regional carriers, whose service may be interrupted. Any damage or failure that interrupts or delays network operations could materially and adversely affect CSI's business.

CSI's business could be adversely affected if CSI fails to adequately address security issues.

CSI has taken measures to protect the integrity of its infrastructure and the privacy of confidential information. Nonetheless, its infrastructure is potentially vulnerable to physical or electronic break-ins, viruses or similar problems. If a person or entity circumvents its security measures, they could jeopardize the security of confidential information stored on CSI's systems, misappropriate proprietary information or cause interruptions in its operations. CSI may be required to make substantial additional investments

19

and efforts to protect against or remedy security breaches. Security breaches that result in access to confidential information could damage CSI's reputation and expose it to a risk of loss or liability.

CSI faces intense competition for acquisition candidates.

There is a high degree of competition among companies seeking to acquire interests in information technology service companies such as those CSI may target for acquisition. CSI is and following the merger is expected to continue to be an active participant in the business of seeking business relationships with, and acquisitions of interests in, such companies. A large number of established and well-financed entities, including venture capital firms, are active in acquiring interests in companies that CSI may find to be desirable acquisition candidates. Many of these investment-oriented entities have significantly greater financial resources, technical expertise and managerial capabilities than CSI does. Consequently, CSI may be at a competitive disadvantage in negotiating and executing possible investments in these entities as many competitors generally have easier access to capital, on which entrepreneur-founders of privately-held information technology service companies generally place greater emphasis than obtaining the management skills and networking services that CSI can provide. Even if CSI is able to compete with these venture capital entities, this competition may affect the terms and conditions of potential acquisitions and, as a result, CSI may pay more than expected for targeted acquisitions. If CSI cannot acquire interests in attractive companies on reasonable terms, its strategy to build its business on acquisitions may not succeed.

CSI will encounter difficulties in identifying suitable acquisition candidates and integrating new acquisitions.

Edgar Filing: LCS GOLF INC - Form PRE 14A

A key element of CSI's expansion strategy is to grow through acquisitions. If CSI identifies suitable candidates, it may not be able to make investments or acquisitions on commercially acceptable terms. Acquisitions may cause a disruption in CSI's ongoing business, distract management, require other resources and make it difficult to maintain CSI's standards, controls and procedures. CSI may not be able to retain key employees of the acquired companies or maintain good relations with their customers or suppliers. It may be required to incur additional debt and to issue equity securities, which may be dilutive to existing stockholders, to effect and/or fund acquisitions.

We cannot assure you that any acquisitions CSI will make will enhance its business.

We cannot assure you that any completed acquisition will enhance CSI's business. Since we anticipate that acquisitions will be made with both cash and our common stock, if CSI consummates one or more significant acquisitions, the potential impacts are:

- (a) a substantial portion of our available cash could be used to consummate the acquisitions and/or we could incur or assume significant amounts of indebtedness, and
- (b) our stockholders could suffer significant dilution of their interest in our common stock.

Also, we are required to account for acquisitions under the purchase method, which would likely result in our recording significant amounts of goodwill. The inability of a subsidiary to sustain profitability may result in an impairment loss in the value of long-lived assets, principally goodwill, property and equipment, and other tangible and intangible assets, which would adversely affect our financial statements.

20

If CSI fails to retain key personnel, its business could be adversely affected.

There is intense competition for qualified personnel in the areas in which CSI operates. The loss of existing personnel or the failure to recruit additional qualified managerial, technical and sales personnel, as well as expenses in connection with hiring and retaining personnel, could adversely affect its business. CSI also depends on the performance of its executive officers and key employees, none of whom, including Messrs. Newman and Peipert, have entered into employment agreements with CSI. In addition, the Company has not obtained "key man" life insurance on the lives of either Mr. Newman or Mr. Peipert and, as such, the death of either of these individuals could have a material adverse effect on CSI.

CSI will need to attract, train and retain more employees for management, engineering, programming, sales and marketing, and customer service and support positions. As noted above, competition for qualified employees, particularly engineers, programmers and consultants, continues to be intense. Consequently, CSI may not be successful in attracting, training and retaining the personnel it needs to continue to offer solutions and services to current and future customers in a cost effective manner, if at all.

If, following the merger, we fail to raise the capital CSI may need to support and increase its operations, its business could be adversely affected.

CSI's future capital uses and requirements will depend on numerous

Edgar Filing: LCS GOLF INC - Form PRE 14A

factors, including:

- o the extent to which CSI's solutions and services gain market acceptance;
- o the level of revenues from current and future solutions and services;
- o the expansion of operations;
- o the costs and timing of product and service developments and sales and marketing activities;
- o the costs related to acquisitions of technology or businesses; and
- o competitive developments.

We may require additional capital in order to continue to support and increase CSI's sales and marketing efforts, continue to expand and enhance the solutions and services CSI is able to offer to current and future customers and fund potential acquisitions. This capital may not be available on terms acceptable to us, if at all. In addition, CSI may be required to spend greater-than-anticipated funds if unforeseen difficulties arise in the course of these or other aspects of its business. As a consequence, we will be required to raise additional capital through public or private equity or debt financings, collaborative relationships, bank facilities or other arrangements. We cannot assure you that such additional capital will be available on terms acceptable to us, if at all. Any additional equity financing is expected to be dilutive to our stockholders, and debt financing, if available, may involve restrictive covenants and increased interest costs. Our inability to obtain sufficient financing may require CSI to delay, scale back or eliminate some or all of its expansion programs or to limit the marketing of its services. This could have a material and adverse effect on its business.

CSI could have potential liability to its customers that could adversely affect its business.

CSI's services involve development, implementation and maintenance of computer systems and computer software that are critical to the operations of CSI's customers' businesses. If CSI fails or is unable to satisfy a customer's expectations in the performance of its services, its business reputation could be harmed or it could be subject to a claim for substantial damages, regardless of its responsibility for

21

such failure or inability. In addition, in the course of performing services, CSI's personnel often gain access to technologies and content that include confidential or proprietary customer information. Although CSI has implemented policies to prevent such customer information from being disclosed to unauthorized parties or used inappropriately, any such unauthorized disclosure or use could result in a claim for substantial damages. CSI's business could be adversely affected if one or more large claims are successfully asserted against CSI that are uninsured, exceed available insurance coverage or result in changes to its insurance policies, including premium increases or the imposition of a large deductible or co-insurance requirements. Although CSI maintains general liability insurance coverage, including coverage for errors and omissions, there can be no assurance that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims.

We do not intend to pay dividends on our common stock in the foreseeable future.

CSI has never paid cash dividends on its common stock other than distributions resulting from CSI's status as a Subchapter S corporation for tax

Edgar Filing: LCS GOLF INC - Form PRE 14A

purposes. Following the merger, the principals of CSI do not anticipate that LCS will pay cash dividends in the foreseeable future. Instead, we intend to retain future earnings for reinvestment in CSI's business and/or to fund future acquisitions.

Ownership of LCS common stock will be concentrated following consummation of the merger.

Following consummation of the merger, Scott Newman and Glenn Peipert, the principal stockholders of CSI who will become our executive officers and two of our directors, will beneficially own approximately 50.6% and 25.3%, respectively, of our outstanding common stock. As a result, each of them will possess significant influence over LCS' decision making on business matters, including the election of directors. This concentration of ownership of our common stock may:

- o delay or prevent a change in the control of LCS;
- o impede a merger, consolidation, takeover, or other transaction involving LCS; or
- o discourage a potential acquirer from making a tender offer or otherwise attempting to obtain control of LCS.

Future growth is dependent on producing revenue sufficient to cover increasing expenses.

CSI's expenses will increase in order for CSI to build an infrastructure to implement its acquisition strategy. In support thereof, CSI expects that it will be required to hire additional employees and expand its information technology systems. CSI also may increase its operating expenses to:

- o broaden its support capabilities for any companies it may acquire;
- o explore acquisition opportunities and alliances with other companies; and
- o facilitate business arrangements among companies it may acquire.

CSI's earnings will be adversely affected if higher expenses are not accompanied by increased revenue.

The authorization and issuance of "blank check" preferred stock could have an anti-takeover effect detrimental to the interests of our stockholders.

The amendment to our certificate of incorporation proposed in the proxy statement includes a proposal to allow of board of directors to issue preferred stock with rights and preferences set by our board without further stockholder approval. The issuance of shares of this "blank check preferred" under particular circumstances could have an anti-takeover effect. For example, in the event of a hostile

takeover attempt, it may be possible for management and the board to endeavor to impede the attempt by issuing shares of blank check preferred, thereby diluting or impairing the voting power of the other outstanding shares of common stock and increasing the potential costs to acquire control of us. Upon approval, our board of directors will have the right to issue blank check preferred without first offering them to holders of our common stock, as the holders of our common stock have no preemptive rights.

CSI has until now been a private company, and we will incur expenses and face potential regulatory scrutiny following the merger in attempting to comply with

Edgar Filing: LCS GOLF INC - Form PRE 14A

new corporate governance regulations.

CSI is currently a private company and the transition to being a public company will impose new burdens on CSI. Beginning with the enactment of the Sarbanes-Oxley Act of 2002 in July 2002, a significant number of new corporate governance requirements have been adopted or proposed by the Securities and Exchange Commission. Complying with such requirements will be costly. Although CSI will attempt to comply with all current and future requirements, it may not be successful in complying with these requirements at all times in the future and therefore may become subject to regulatory scrutiny. In addition, these requirements will require CSI to make changes to our corporate governance practices.

Information About LCS

Management of LCS

The following table sets forth the names and ages of all of our current officers along with their current positions.

Name	Age	Position
----	---	-----
Dr. Michael Mitchell	49	President, CEO and sole Director
Alex Bruni	44	Chief Operating and Financial Officer

Dr. Michael Mitchell has been our President, Chief Executive Officer and Chairman of the Board of Directors since 1994. He obtained a degree in biology from Jacksonville University in 1976. In 1980 he obtained his M.D. degree from the University of Dominica. From 1985 through the end of 1999 he was a physician at Greenwich Village Pediatrics. He is board certified in pediatrics and has memberships in the Academy of Pediatrics and the New York County Medical Society. Dr. Mitchell does not devote his full attention to our activities. He is currently employed by Riverside Pediatrics in Croton on Hudson, New York where he practices pediatric medicine on a part time basis.

Alex Bruni has served as our Chief Operating Officer since 1999. He obtained a BBA in Accounting and a MS in Taxation from Hofstra University. From 1988 through 1998 Mr. Bruni worked at American Express as the Director of International Taxes, managing a staff of five tax accountants while also managing and planning American Express international operations. From March 1998 through February 1999 Mr. Bruni was the President of PlayGolfNow, Inc., which was acquired by the Company in 1999. Mr. Bruni currently owns and operates A&J Marketing, Inc, an Internet marketing company he established approximately two years ago and that acquired certain of our websites and domain names. He devotes only minimal time to our activities.

23

Family Relationships

There are no family relationships between our two executive officers.

LCS Board of Directors Meetings and Committees

We have one director and no committees of the board.

LCS Board of Directors Compensation

Edgar Filing: LCS GOLF INC - Form PRE 14A

During our fiscal year ended February 28, 2003 our sole director received no fees for acting as a director.

LCS Executive Compensation

We paid no cash compensation to our executive officers during our fiscal years ended February 28, 2002 and February 28, 2003, but on June 27, 2001 we issued 1,800,000 shares of our common stock to Dr. Mitchell that we valued at \$362,000 and 500,000 shares of our common stock to Mr. Bruni that we valued at \$100,000 for services rendered by them to us. On March 22, 2002, we issued an additional 250,000 shares of our common stock to Mr. Bruni valued at \$10,000 for services rendered by him to us.

Employment Agreements

On June 1, 1998, we entered into an employment agreement with Dr. Mitchell for his services as our President and Chief Executive Officer, which, by its terms, ended on May 31, 2003. Dr. Mitchell's duties included all those customary for such positions, as well as any duties reasonably imposed or removed from such customary duties under our discretion. Dr. Mitchell was required to perform such services at least 20 hours per week. As consideration for these services, we agreed to pay Dr. Mitchell an annual salary of \$260,000, payable in weekly installments of \$5,000. This salary was to be increased each year by at least 4% percent during the term of the agreement. Since we were unable to pay Dr. Mitchell pursuant to the terms of his agreement with us, we issued 2,000,000 restricted shares of our common stock to Dr. Mitchell in January 1999. Such shares had a market value of \$1,925,000 at the time of issuance, based on the trading price of free-trading shares of the same class. Because Dr. Mitchell's shares were restricted and illiquid, we determined that these securities were equivalent in value to the amounts owed to Dr. Mitchell under the terms of his employment agreement through December 31, 1998. Dr. Mitchell did not receive cash compensation pursuant to the terms of his employment agreement during the fiscal years ended February 28, 2002 and February 28, 2003 because we operated at a loss and did not have sufficient cash flow to make these payments. We accrued such compensation in the amount of approximately \$301,000 for our fiscal year ended February 28, 2003 and \$289,000 for our fiscal year ended February 28, 2002, in our financial statements. As noted above, this amount increased each year by 4%.

Security Ownership of Certain Beneficial Owners and Management of LCS

The following table sets forth as of November 28, 2003, certain information with respect to the beneficial ownership of our voting securities by

- (a) any person, including any "group" as that term is used in Section 13(d)(3) of the Securities Exchange Act, known by us to be the beneficial owner of more than 5% of our voting securities,
- (ii) each director and nominee,

24

- (iii) each executive officer,
- (iv) our two current executive officers and our sole director as a group, and
- (v) each principal stockholder, executive officer and director of CSI.

The table also sets forth the respective general voting power of such persons.

Edgar Filing: LCS GOLF INC - Form PRE 14A

In addition, the table sets forth information with respect to the beneficial ownership of the voting securities, assuming we had increased our authorized number of shares of common stock to one billion and the acquisition of CSI had closed as of November 28, 2003.

On such date we had 49,220,176 voting shares issued and outstanding. Each share of common stock possesses one vote per share. A person is deemed to be a beneficial owner of securities that can be acquired by such person within 60 days after the record date upon the exercise of options and warrants or conversion of convertible securities. Each beneficial owner's percentage ownership is determined by assuming that

Except as otherwise indicated, and subject to applicable community property and similar laws, to our knowledge, each of the persons named has sole voting and investment power with respect to shares shown as beneficially owned.

- (2) The percentage of beneficial ownership under this column assumes that the increase in our authorized shares had been effected, the acquisition of CSI had closed and we had issued the additional shares of our common stock we are contractually obligated to issue upon the increase in authorization as of November 28, 2003 and, as a result, that 500 million shares of common stock had been issued to the CSI stockholders and the 43,779,824 shares we are contractually obligated to issue, including the shares issuable to Dr. Mitchell upon conversion of his indebtedness, had been issued. Aside from the number of shares deemed outstanding, the same rules in footnote 1 relating to the determination of beneficial ownership are applicable. As a result of the foregoing, there will be 593,000,000 shares issued and outstanding.
- (3) This amount includes 200,000 shares issued to Lynn Mitchell, Dr. Mitchell's wife. Dr. Mitchell disclaims beneficial ownership of these shares.
- (4) To the extent that certain lenders advance more than \$650,000 to LCS prior to the closing of the merger, the number of shares Dr. Mitchell is to receive at the closing of the merger will decrease at the rate of \$0.03 per share.

Board for failure to comply with the new listing standards set forth by the NASD before our phase-in date. During this time, our stock was quoted in the National Quotation Bureau pink sheets. On February 16, 2001, we were relisted on the OTC Bulletin Board. On November 24, 2003, the high and low bid prices for our common stock were \$0.14 and \$0.12, respectively.

No prediction can be made as to the effect, if any, that future sales of shares of our common stock or the availability of our common stock for future sale will have on the market price of our common stock prevailing from time-to-time. Sales of substantial amounts of our common stock in the public market could adversely affect the prevailing market price of our common stock.

Holders

As of November 28, 2003, there were 451 registered holders of our common stock, including shares held in street name.

Certain Relationships and Related Transactions of LCS

See "Executive Compensation" for information relating to shares of our common stock that we issued to Dr. Mitchell and Mr. Bruni for services rendered by them to us.

As of the end of our February 28, 2003 fiscal year, Dr. Mitchell had loaned an aggregate of \$930,707 to us of which approximately \$40,000, \$260,000 and \$359,000 had been advanced during our 2003, 2002 and 2001 fiscal years, respectively. During our fiscal year ended February 28, 2002, Mr. Bruni loaned us \$26,500. During our fiscal year ended February 28, 2003, Mr. Bruni loaned us approximately \$10,000. These loans are not reflected in any written agreement but they are reflected in our financial statements and we are accruing interest on them at annual rates ranging between 8% and 10%. Certain of these loans will be converted into LCS common stock at the closing of the merger with CSI.

On March 22, 2002, we issued 500,000 shares of our common stock to, two of our former directors, which we valued at \$0.04 per share.

During our fiscal year ended February 28, 2003, A&J Marketing, Inc., a company owned by Mr. Bruni, acquired the Golfpromo.net and PlayGolfNow.com domain names after we had lost our right to these names because we were unable to pay the fees needed to retain these rights. A&J Marketing subsequently opened websites using these names and is now operating these websites. We generated approximately \$32,000 in revenue from websites using these domain names before we lost them and the websites were shut down because we were unable to pay the hosting fees.

We have agreed to convert all debt owed to Dr. Mitchell and Mr. Bruni into common stock upon the increase in our authorized shares and granted them certain "piggy-back" registration rights. For more information, see "Proposal No. 2" above.

Other than those described above, we have no material transactions which involved or are planned to involve a direct or indirect interest of a director, executive officer, greater than 5% stockholder or any family of such parties.

Legal Proceedings

On May 1, 2002, Daniel W. Gorman filed a complaint in the Circuit Court for the Fifteenth Judicial Circuit, Palm Beach County, Florida naming LCS Golf, Inc., Dr. Mitchell, Alex Bruni and two

Edgar Filing: LCS GOLF INC - Form PRE 14A

other individuals as defendants. The title of the action is Daniel W. Gorman v LCS Golf Inc., Michael D. Mitchell, Alex Bruni, Scott Eurich, and Michele Haas. The complaint alleges breach of a contract. It also claims entitlement to relief under theories of quantum meruit for work done, tortious interference with contract, misrepresentation and conspiracy. Although the ad damnum clause in the complaint contains no specific amount as a damage demand, the body of the complaint contains allegations of losses of \$1,625,000 plus securities and other compensation in amounts not susceptible of conversion to dollar figures.

This litigation was settled on September 25, 2003, when we agreed to pay Mr. Gorman's designee \$10,000.00 and issue to his designee 100,000 shares of our common stock and he executed general releases to all defendants and agreed to refrain from certain actions relating to LCS and Dr. Mitchell. The shares were issued pursuant to the exemption from the registration provisions of the Security Act provided by Section 4(2) thereof.

On or about August 28, 2002, Fairway One, L.L.C. the lessor of the premises we formerly occupied in Palm Beach Florida, commenced litigation in the Circuit Court of the Fifteenth Judicial Circuit in and for Palm Beach County, Florida against us for damages resulting from our breach of the lease on these premises. On December 16, 2002, the plaintiff entered a default judgment against us for \$169,370.62. The name of the case is Fairway One, L.L.C. v. LCS Golf, Inc., Case No. CA `02 - 10450AD.

On November 6, 2003, Traffix, Inc. filed a complaint in the New York State Supreme Court in Rockland County, New York, Index No. 7499/03 against Dr. Mitchell and LCS, Golf, Inc. The title of the action is Traffix, Inc. against LCS Golf, Inc. and Michael Mitchell. The complaint alleges a breach of agreement, a breach of guarantee by Dr. Mitchell and reliance by Traffix on false statements, and seeks aggregate damages of approximately \$1,500,000 plus interest, legal fees and expenses.

On November 14, 2003, the parties signed a settlement agreement pursuant to which Golf paid Traffix \$30,000 and agreed to pay an additional \$32,500 when the closing of the merger with CSI is consummated. We agreed to issue Traffix 250,000 shares of our common stock within five days after the closing. Traffix agreed to immediately withdraw the complaint without prejudice. In the event that the closing is not consummated within 150 days after November 14, 2003, the settlement agreement will be terminated, Traffix will retain the \$30,000 and be permitted to reinstitute the litigation, Golf will have no obligation to pay the additional \$32,500, we will have no obligation to issue the 250,000 shares to Traffix, and Dr. Mitchell and Golf will retain all defenses and counterclaims they may have against Traffix.

On November 4, 2002, Littman Krooks & Roth P.C. filed a complaint in the New York State Supreme Court in New York County, New York, Index No. 604014/02 against our subsidiary, LCS Golf, Inc., Dr. Mitchell and Alex Bruni. The title of the action is Littman Krooks & Roth P.C. pro se against LCS Golf, Inc., Alex Bruni and Michael Mitchell. The complaint alleges a breach of contract to pay legal fees, legal fees due for quantum meruit for services rendered, account stated for legal fees due for services rendered, and reliance by the plaintiff on false statements, and seeks aggregate damages of approximately \$54,772.06 plus interest, legal fees and expenses. On November 25, 2003, Dr. Mitchell and Golf were served with a Notice of Application of Default Judgment against all defendants returnable on December 10, 2003 in the New York State Supreme Court in New York County, New York, which seeks a default judgment against the defendants for failure to respond timely to the complaint. We plan to oppose the motion and defend against the action.

Section 16(a) Beneficial Ownership Reporting Compliance of LCS

LCS's Management's Discussion and Analysis of Financial Condition and Results of Operations

The following LCS management's discussion and analysis should be read in conjunction with our audited financial statements for our two fiscal years ended February 28, 2003 and related notes to those financial statements and our unaudited financial statements at and for the six months ended August 31, 2003 and related notes to those financial statements (attached hereto as Schedule D).

Overview

On July 16, 2003, pursuant to the terms of Section 251(g) of the Delaware General Corporation Law, LCS Golf, Inc. became our wholly-owned subsidiary. Pursuant to this transaction, we acquired all of the assets of Golf, all former stockholders of Golf became our stockholders, our shares of common stock are now publicly-traded on the OTC Bulletin Board, and the officers and sole director of Golf became our officers and sole director. The historical and financial information that we have set forth in this section relates to Golf except where the context indicates that it refers to us.

We were a holding company that, until December 31, 2001, operated, through Golf, as a provider of out sourcing of permission e-mail marketing technologies and services. Over the next three months we terminated almost all of our revenue generating operations and determined that it was unlikely that we would be able to resume our previous business. As a result, we began investigating the possibility of acquiring or otherwise affiliating with a revenue generating business.

On August 21, 2003, we and our subsidiary LCSAC entered into an agreement with CSI pursuant to which CSI will merge into LCSAC. If the merger between LCSAC and CSI is consummated, the business of CSI shall become our only

Edgar Filing: LCS GOLF INC - Form PRE 14A

operating business, we will change our name to Conversion Services International, Inc. and the CSI stockholders will control our board of directors and approximately 84.3% of the shares of our common stock.

Liquidity and Capital Resources

Cash Balance, Working Capital and Cash Flows from Operating Activities

We had negative cash flow from operations of \$(143,477) during the six month period ended August 31, 2003 because we had no revenue generating operations.

Over the 24-month period ending March 31, 2002, we continuously reduced our operations so that as of that date we had suspended almost all of our revenue generating operations because the income generated by our business was not sufficient to sustain these operations. Since that date we have terminated all of our revenue generating operations.

During the past six months independent parties, who are holders of our common stock and CSI's common stock, have advanced funds on our behalf that, as of the date of this proxy statement, approximate \$430,000. These advances bear no interest and are repayable on demand. They will be converted into our common stock at the rate of \$0.03 per share after we have amended our certificate of incorporation to increase the number of shares of common stock we are authorized to issue upon the closing of the merger. We have used these funds to repay certain indebtedness and for professional fees and intend to use them to solicit proxies.

On May 28, 2002, Golf entered into a loan agreement with an unaffiliated party pursuant to which it borrowed \$75,000. The loan bore no interest and was repayable by July 23, 2002. We issued 200,000 shares of our common stock to the lender. The loan agreement provided that if the loan was not repaid by the due date, we would be obligated to issue 10,000 shares of our common stock to the lender for each day that the loan remained unpaid.

On May 1, 2003, we repaid the \$75,000 loan to the lender and agreed to issue him 1,000,000 shares of our common stock as soon as we amend our certificate of incorporation to increase the number of shares we are authorized to issue, which will then permit us to issue these shares. We also agreed to issue him an additional 100,000 shares in the event that we fail to commence the procedure to effect this amendment prior to six months after the repayment of the loan, and granted him certain "piggy-back" registration rights with respect to his shares. The lender released to Dr. Mitchell 2,000,000 shares of our common stock owned by Dr. Mitchell that he was holding as collateral for the repayment of the loan. In addition, the lender, Dr. Mitchell and Golf exchanged general releases.

We continue to have a significant working capital deficiency and to generate substantial losses.

Off-Balance Sheet Transactions

We do not have any transactions, agreements or other contractual arrangements that constitute off-balance sheet arrangements.

CSI's Management's Discussion and Analysis of Financial Condition and Results of Operations

The following CSI management's discussion and analysis should be read in conjunction with CSI's combined audited Financial Statements for the fiscal years ended December 31, 2002 and 2001 and related Notes to those financial statements and CSI's unaudited financial statements at and for the nine months ended September 30, 2003 and related Notes to those financial statements (attached here to as Schedule C).

Overview

CSI is a leading provider of best practices data warehousing and business intelligence solutions for the Global 1000 and other large companies in the Greater New York-New Jersey area. CSI provides integrated data warehousing and business intelligence strategies and technology implementation services to clients that are attempting to leverage their most valuable corporate asset, enterprise information. CSI offers a variety of services, including strategic consulting, data warehousing architecture and implementation and best practices solutions.

CSI began operations in 1990. Its services were primarily focused on e-business solutions and data warehousing. In the late 1990's, CSI strategically repositioned itself to capitalize on its data warehousing expertise and is now poised to capture market share in the fast growing business intelligence/data warehousing space.

Revenue from consulting and professional services is recognized at the time the services are performed, evidence of an arrangement exists, the fee is fixed and determinable and collectibility is probable. CSI's services range from providing customers with a single consultant to multi-personnel full-scale projects. CSI's contracts provide that its services are terminable upon relatively short notice, typically not more than 30 days. There can be no assurance that CSI's customers will continue to enter into contracts with CSI or that existing contracts will not be terminated. CSI provides its services directly to end-user organizations.

During the fiscal year ended December 31, 2002, two of CSI's customers collectively accounted for approximately 59% of total revenues. During the fiscal year ended December 31, 2001, two customers accounted collectively for approximately 65% of total revenues. During the nine months ended September 30, 2003, CSI had sales to one major customer, which totaled approximately 30% of total revenues for the period and amounts due from this customer of approximately \$398,000 are included in accounts receivable.

CSI's most significant costs are personnel expenses, which consist of consultant fees, benefits and payroll-related expenses.

The following discussion compares the combined results of CSI from continuing operations for the nine months ended September 30, 2003 and the nine months ended September 30, 2002. Results are combined with those of Doorways, Inc., an affiliate of CSI that will be merged in to CSI at or prior to closing of the merger.

Revenue: Total revenue decreased by \$1.9 million from \$12.5 million for the nine months ended September 30, 2002, to \$10.6 million for the nine months ended September 30, 2003. The decrease was attributable primarily to the continued soft market in information technology consulting services.

Gross profit: CSI's gross profit decreased from 35.5% of sales for the nine months ended September 30, 2002 to 31.1% for the nine months ended September 30, 2003. In the fourth quarter of 2002, CSI acquired certain assets of Scosys, Inc., a provider of highly specialized Integrated Business Solutions personnel to other companies similar to CSI, for \$82,277. Although broadening CSI's client base, this transaction had the effect of lowering CSI's gross profit for the nine month's ended September 30, 2003. The Scosys-related employees have continued to service their existing, lower margin engagements following the transaction. CSI expects that the gross profit margins will rise in future quarters, as CSI begins to transition the Scosys-related employees to new engagements priced more traditionally to those historically enjoyed by CSI. Utilization, a measure that shows the relative efficiency of consultant usage, also decreased from 96% for the nine months ended September 30, 2002, to 92% for the nine months ended September 30, 2003.

Selling, general and administrative expenses: Selling, general and

Edgar Filing: LCS GOLF INC - Form PRE 14A

administrative expenses decreased by 10.0% or \$400,000, to \$3.4 million for the nine month's ended September 30, 2003, from \$3.8 million for the nine months ended September 30, 2002, and increased as a percentage of revenue to 32.0% from 30.2%, respectively. The increase in selling, general and administrative expenses, as a percentage of revenue, was related primarily to CSI's strategic decision to capitalize on the projected upturn in information technology consulting services. CSI hired a seasoned Vice President of Sales and additional experienced sales executives. These expenses had the effect of increasing sales salaries and commissions by \$300,000 for the nine month's ended September 30, 2003 compared with the nine months ended September 30, 2002. The long-term impact should be realized through an augmented pipeline of new business.

Depreciation and amortization: Depreciation and amortization expenses decreased to \$90,000 for the nine month's ended September 30, 2003, compared to \$120,000 for the nine months ended September 30, 2002. Depreciation is computed principally by an accelerated method and is based on the estimated useful lives of the various assets ranging from three to seven years. The decrease in depreciation expense is attributable to the reduction in the basis of the assets due to the accelerated depreciation method mentioned above.

Interest expense: CSI incurred \$90,000 and \$110,000 in interest expense during the nine months ended September 30, 2003 and 2002, respectively, related primarily to borrowings under its line of credit. Borrowings under the line of credit were used to fund operating activities, and the decrease in interest expense reflects the reduced outstanding borrowings and a lower variable rate of interest charged in 2003.

The following discussion compares the combined results from continuing operations for the fiscal year ended December 31, 2001 and the fiscal year ended December 31, 2002.

Revenue: For the year ended December 31, 2002, revenues decreased by \$8.1 million from \$24.3 million for the year ended December 31, 2001 to \$16.2 million for the year ended December 31, 2001. The decrease was attributable primarily to the soft market in information technology consulting services.

Gross profit: CSI's gross profit increased from 30.6% of revenues for the fiscal year ended December 31, 2001 to 34.3% for the fiscal year ended December 31, 2002. This is a result of increased Utilization, a measure that shows the relative efficiency of consultant usage, which improved from 89% in 2001 to 96% in 2002.

Selling, general and administrative expenses: Selling, general and administrative expenses decreased by \$1.8 million, to \$4.8 million for the fiscal year ended December 31, 2002, compared to the same period in 2001 predominately due to the reduction in sales and sale support personnel and their related expenses. These expenses increased as a percentage of revenues from 26.5% to 28.6% for the same periods. This is a result of a decrease in revenues, due to the softer information technology services market, while certain fixed expenses were maintained.

35

Depreciation and amortization: Depreciation and amortization expenses decreased by \$40,000 for the fiscal year ended December 31, 2002, compared to the same period in 2001. Depreciation is computed principally by an accelerated method and is based on the estimated useful lives of the various assets ranging from three to seven years. The decrease in depreciation expense is attributable to the reduction in the basis of the assets due to the accelerated depreciation method mentioned above.

Interest expense: CSI incurred \$140,000 and \$220,000 in interest expense during the fiscal years ended December 31, 2002 and 2001, respectively, related primarily to borrowings under its line of credit. Borrowings under the line of credit were used to fund operating activities, and the decrease in interest expense reflects the reduced outstanding borrowings and a lower variable rate of interest charged in 2002.

Liquidity And Capital Resources

Since its inception, CSI has funded its operations primarily from cash generated by operations and, to a lesser extent, such cash has been augmented with funds from borrowings under CSI's credit facilities.

CSI had cash of \$140,000 at September 30, 2003. It had working capital (deficit) of \$270,000 at September 30, 2003 and (\$90,000) and (\$260,000) at December 31, 2002 and 2001, respectively.

Net cash used in operating activities was (\$620,000) and (\$60,000) for the nine months ended September 30, 2003 and fiscal year ended December 31, 2002, respectively. Net cash provided by operating activities for the fiscal year ended December 31, 2001 was \$2,300,000 million. Net cash used in operations for the nine months ended September 30, 2003 is primarily attributable to the net

Edgar Filing: LCS GOLF INC - Form PRE 14A

loss from operations of approximately (\$270,000) and an increase of approximately \$360,000 in the amounts due from customers resulting from a change in payment policy from due on receipt to "net 30" day payment. Net cash provided by operating activities for the fiscal year ended December 31, 2001 were primarily attributable to a \$1.8 million decrease in the amounts due from customers.

Net cash provided by (used in) investing activities were (\$25,000), \$90,000 and (\$250,000) for the nine months ended September 30, 2003 and fiscal years ended December 31, 2002 and 2001, respectively. Net cash used in investing activities for the nine months ended September 30, 2003 was attributable to the acquisition of property and equipment of approximately \$250,000. Net cash provided by investing activities for the fiscal year ended December 31, 2002 was attributable to the collection of the note receivable issued in 2001 for approximately \$210,000 offset by the acquisition of property and equipment of approximately \$40,000 and intangible assets acquired in the Scosys transactions of approximately \$80,000. Net cash used in investing activities for the fiscal year ended December 31, 2001 was attributable to the acquisition of property and equipment of approximately \$40,000 and the issuance of a note receivable (\$210,000).

Net cash provided by (used in) financing activities for the nine months ended September 30, 2003 and fiscal years ended December 31, 2002 and 2001 were \$780,000, (\$50,000) and (\$2,100,000 million), respectively. Net cash provided by financing activities in the nine months ended September 30, 2003 were predominately attributable to the issuance of \$1,500,000 million of convertible debt offset by \$770,000 of distributions to stockholders. Net cash used in financing activities for the fiscal year ended December 31, 2002, were primarily attributable an increase in net borrowings under existing credit facilities of approximately \$150,000 and approximately \$180,000 in distributions to stockholders. Net cash used in financing activities in the for the fiscal year ended December 31, 2001, were primarily attributable to repayments under existing credit facilities of \$2,100,000 million.

CSI has a credit facility with Fleet Bank (the "Bank"), which provides for a maximum borrowing of \$2,250,000, based upon eligible accounts receivable. The interest rate is at the bank's prime rate plus one. The line is collateralized by all corporate assets, guaranteed by CSI's two principal stockholders, and expires on June 30, 2004. As of September 30, 2003, the outstanding balance was \$939,699.

CSI has two term loans with the Bank. One note is payable in monthly installments of \$8,333, plus interest at the Bank's prime rate plus 1/4% and is due in November 2005. The note is collateralized by all corporate assets and is guaranteed by CSI's two principal stockholders. As of September 30, 2003, the outstanding balance was \$216,667.

The other note is payable in monthly installments of \$11,667, plus interest at LIBOR plus 200 basis points and is due in November 2005. The note is collateralized by all corporate assets, pledged securities and is guaranteed by CSI's stockholders. As of September 30, 2003, the outstanding balance was \$303,334.

In October 2003, CSI informed the Bank that CSI was in violation of certain financial covenants in connection with CSI's Line of Credit and Note payable facilities. CSI has requested that the bank provide a waiver to the credit agreement. It is uncertain if the bank will take any action regarding the default. On October 29, 2003, CSI made arrangements with a group of private

Edgar Filing: LCS GOLF INC - Form PRE 14A

lenders and has obtained a \$2,000,000 Unsecured Convertible Line of Credit Note. The terms of this new note provide for interest accruing on advances at 7% per annum with a maturity date of October 28, 2008, unless converted into Common Stock at CSI or the lenders' option at the rate of 75% of the 10 day average closing price of LCS' common stock prior to the date of conversion. There is currently no outstanding balance on the Bank line but it may be drawn on at any time. If the Bank waives CSI's violations, CSI will use this line for additional working capital, and/or acquisition related costs.

Income Tax Status

CSI accounts for income taxes under an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in CSI's financial statements or tax returns. In estimating future tax consequences, CSI generally considers all expected future events other than enactments of changes in the tax laws or rates. On January 1, 2001, CSI elected to be an S Corporation whereby, the stockholders account for their share of CSI's earnings, losses, deductions and credits on their Federal and various state income tax returns. CSI is subject to New York City and various state income taxes. On September 30, 2003, CSI's "S" Corporation status was revoked in connection with the conversion of convertible subordinated debt into common shares. On a prospective basis, CSI would expect to have an effective income tax rate of approximately 40%.

CSI believes that, together with available funds, existing credit facilities and the cash flow expected to be generated from operations will be adequate to satisfy its current and planned operations for at least the next 12 months.

Off-Balance Sheet Transactions

CSI does not have any transactions, agreements or other contractual arrangements that constitute off-balance sheet arrangements.

Recent Accounting Pronouncements

In January 2002, CSI adopted SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets." SFAS No. 141 requires business combinations initiated after June 30, 2001 to be accounted for using the purchase method of accounting, and broadens the criteria for recording intangible assets separate from goodwill. Recorded goodwill and intangibles will be evaluated against these new criteria and may result in certain intangibles being subsumed into goodwill, or alternatively, amounts initially recorded as goodwill may be separately identified and recognized apart from goodwill. SFAS No. 142 requires the use of a non-amortization approach to account for purchased goodwill and certain intangibles. Under a non-amortization approach, goodwill and indefinite-lived intangibles will not be amortized into results of operations, but instead will be reviewed for impairment and written down and charged to results of operations only in the periods in which the recorded value of goodwill and indefinite-lived intangibles is more than its fair value.

SFAS 142 requires, among other things, that goodwill not be amortized but should be subject to impairment testing at the "reporting unit level" at least annually and more frequently upon the occurrence of certain events, as defined by SFAS 142. A reporting unit is the same level as or one level below an operating segment, as defined by Statement of Financial Accounting Standards No. 131 "Disclosures About Segments of an Enterprise and Related Information."

Edgar Filing: LCS GOLF INC - Form PRE 14A

In October 2001, the FASB issued Statement of Financial Accounting Standards No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets" (SFAS 144). SFAS 144 supersedes Statement of Financial Accounting Standards No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of," and certain provisions of APB Opinion No. 30 "Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions." SFAS 144 establishes standards for long-lived assets to be disposed of, and redefines the valuation and presentation of discontinued operations. SFAS 144 is effective for fiscal years beginning after December 15, 2001, and interim periods within those fiscal years. The adoption of SFAS 144 did not have a material effect on CSI's financial position, results of operations, and cash flows.

In July 2002, the FASB issued SFAS No. 146, "Accounting for Costs Associated with Exit or Disposal Activities". The standard requires companies to recognize costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. Examples of costs covered by the standard include lease termination costs and certain employee severance costs that are associated with a restructuring, discontinued operation, plant closing or other exit or disposal activity. Previous accounting guidance was provided by EITF 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a Restructuring)". SFAS No. 146 replaces EITF 94-3. SFAS 146 is to be applied prospectively to exit or disposal activities initiated after December 31, 2002. CSI adopted SFAS No. 146 as of January 1, 2003 and this adoption had no material impact on CSI's combined financial statements for the nine months ended September 30, 2003 (unaudited).

Background of the Acquisition

We were a holding company that, until December 31, 2001, operated, through our now wholly-owned subsidiary, LCS Golf, Inc., as a provider of out-sourcing of permission e-mail marketing technologies and services. Over the next three months we terminated almost all of our revenue generating operations and determined that it was unlikely that we would be able to resume our previous business. As a result, we began investigating the possibility of acquiring or otherwise affiliating with a revenue

38

generating business. From April 2002 through the early part of 2003 we had discussions with a number of possible acquisition candidates but we reached no agreement with any of them.

On or about February 2003, Dr. Mitchell, our sole director and only active executive officer, met with Scott Newman, CSI's Chief Executive Officer and Glenn Peipert, CSI's Chief Operating Officer, and began a number of meetings and telephonic discussions that resulted in CSI executing a non-binding letter of intent with us on July 24, 2003 pursuant to which we would acquire CSI. Prior thereto, there were no discussions among the parties relating to the merger. On August 21, 2003, we entered into the definitive reorganization agreement for the acquisition of CSI with CSI, Mr. Newman and Glenn Peipert, CSI's executive officers and principal stockholders. Messrs. Newman and Peipert are sometimes referred to herein collectively as the "Affiliated CSI Stockholders."

Our Reasons for the Acquisition

In concluding that the transaction with CSI was fair to, and in the best interest of all our stockholders, including unaffiliated stockholders, our sole

Edgar Filing: LCS GOLF INC - Form PRE 14A

director considered the following information and factors:

1. He believed that the acquisition of CSI was in the best interests of LCS and our stockholders due to CSI's historical growth rate and the potential for future growth. He noted that CSI has experienced revenue growth from \$2.3 million in 1993 to \$28.2 million in 2000, representing a compounded annual growth rate of 43.4%.
2. He believed that the acquisition of CSI was in the best interests of LCS and our stockholders due to CSI's historical profitability. He noted that CSI's net income for the year 2000 was approximately \$145,000, for the year 2001 was approximately \$400,000, for the year 2002 was approximately \$623,000.
3. In contrast to CSI's historical performance, he considered that we have had no material revenue generating operations since approximately March 2002, no funds to commence new operations and no viable prospects for new business operations other than the merger.
4. Our sole director also considered other information concerning CSI's historical financial performance, business operations, financial condition and prospects.

Our sole director also considered potentially negative factors relating to the merger, including

- (i) the dilutive effect on our current stockholders,
- (ii) the risk factors and uncertainties that are described above in the description of CSI's business,
- (iii) the decrease in CSI's annual revenue from approximately \$28.2 million in 2000 to \$24.3 million in 2002 and the decrease in revenue from \$12.5 for the nine months ended September 30, 2002 to \$10.6 million for the nine months ended September 30, 2003,
- (iv) the net loss of approximately \$272,000 that CSI's business incurred for the nine months ended September 30, 2003 compared with the net income of approximately \$414,000 generated for the nine months ended September 30, 2002, and
- (v) CSI's dependence on a small number of non-recurring customers for a major portion of its revenues.

Our sole director concluded that these potentially negative factors were outweighed by the potential benefits to be gained by the merger. Thus, after taking into consideration all of the factors set forth above, our sole director determined that the merger was in the best interests of LCS and our stockholders, and that we should complete the transaction with CSI.

We have not obtained any expert third party opinion of the fairness of the merger terms to LCS and our stockholders. Our sole director determined that the costs of obtaining a "fairness opinion" would be disproportionately higher than any corresponding benefit that would be realized by obtaining such an opinion.

The foregoing discussion of these factors is not meant to be exhaustive, but includes all of the material factors considered by our sole director. He did not quantify or attach any particular weight to the various factors that he

Edgar Filing: LCS GOLF INC - Form PRE 14A

considered in reaching his determination that the acquisition of CSI and the terms of the reorganization agreement are fair to and in the best interests of LCS and our stockholders. Rather, our sole director viewed his determination as being based upon his business judgment in light of our lack of revenue generating operations and our financial position and the totality of the information presented and considered, and the overall effect of the acquisition of CSI.

The acquisition of CSI is not a "going private" transaction under SEC Rule 13e-3 in that our securities are not listed on a national stock exchange and the merger is not being effected with the purpose of, and is not reasonably likely to cause, a deregistration of our stock under the registration provisions of the Exchange Act.

Terms of the Acquisition and Change in Control

Pursuant to the terms of the reorganization agreement, each CSI stockholder will exchange all of his CSI stock for shares of our common stock at the rate of 4.5 shares of our common stock for each share of CSI stock, making CSI our wholly owned subsidiary. Immediately following the exchange, the CSI stockholders will own an aggregate of 500 million shares, which will then equal approximately 84.3% of the total outstanding number of shares of our common stock. The Affiliated CSI Stockholders will collectively own 450 million of such shares. As a result, there will be a change in control of LCS as the CSI stockholders will own a majority of our outstanding voting stock and will control our board of directors, and your ownership percentage in LCS will be substantially diluted. If the CSI stockholders were to sell the common stock they receive at closing and sell these securities into the market, such sales could have a negative effect on the market price of our common stock and could dilute the value of your shares.

Closing. Pursuant to the reorganization agreement, the closing of the merger will take place on a date to be agreed upon by the parties. The parties have agreed to select a closing date within seven (7) days after the date of the stockholders meeting. The reorganization agreement provides, however, that either party may terminate the agreement if the closing is not effected prior to January 31, 2004.

Representations and Warranties. In the reorganization agreement, LCS on the one hand and CSI and the Affiliated CSI Stockholders, on the other hand, make customary representations and warranties to each other, including representations and warranties regarding the following:

- (a) organization;
- (b) qualification to do business;
- (c) capitalization;
- (d) authority regarding the reorganization agreement;
- (e) consents and approvals and absence of violations of or conflicts with certain laws and agreements;
- (f) the accuracy of the respective financial statements of LCS and CSI;
- (g) material contracts and absence of defaults thereunder;
- (h) absence of undisclosed liabilities;
- (i) absence of material events since the last financial statements reviewed by the parties;

40

- (j) licenses;
- (k) taxes;
- (l) compliance with laws;

- (m) litigation;
- (n) subsidiaries;
- (o) employee, employee benefit and labor matters;
- (p) organizational documents, stock ledgers and minute books;
- (q) intellectual property;
- (r) disclosure of material information;

- (v) real property;
- (w) environmental matters;
- (x) transactions with affiliates;
- (y) insurance matters; and
- (z) accuracy of information to be provided in this Proxy Statement.

In addition, the Affiliated CSI Stockholders make representations to us regarding the acquisition by them of our common stock for investment purposes and the non-affiliated CSI stockholders who approve the merger are also required to provide similar investment representations to us regarding the LCS common stock they will receive.

We also make customary representations to CSI and the Affiliated CSI Stockholders in the reorganization agreement regarding

- (a) the accuracy of our filings with the Securities and Exchange Commission,
- (b) the valid issuance of our stock,
- (c) compliance with securities laws,
- (d) matters relating to the trading of our securities on the over the counter bulletin board, and
- (e) outstanding stock options and warrants.

Conduct Pending Closing. The reorganization agreement provides that, except as expressly contemplated thereby, during the period from the date of the agreement and continuing until the closing, CSI will conduct its business in the ordinary course and we will not conduct any business.

CSI and we also agreed that, except as contemplated in the reorganization agreement, neither of us will

- (a) amend our charter or by-laws,
- (b) (i) split, combine or reclassify any of our securities,
(ii) declare, set aside or pay any dividends with respect to our capital stock, or
(iii) make, agree or commit to make any exchange for or redemption of any securities,
- (c) issue or agree to issue any additional shares of our capital stock,
- (d) incur any indebtedness for money borrowed or make or commit to capital expenditures, except in the ordinary course of business,
- (e) adopt or amend employee benefits or agreements or materially increase the compensation to our officers, directors or employees,
- (f) enter into any material contracts,
- (g) provide access to records and information to the other party,

41

- (h) comply with applicable law, or
- (i) preserve in tact or respective business organizations.

We each also agreed that pending the closing or the termination of the reorganization agreement, neither of us will, directly or indirectly, solicit,

Edgar Filing: LCS GOLF INC - Form PRE 14A

encourage or initiate any discussions with, negotiate with or provide any information to any other party regarding any merger or acquisition of such party or any similar transaction.

Conditions. CSI's obligations to effect the merger are subject to the satisfaction of the following conditions:

- (a) the receipt of all approval, consents, authorizations and waivers from governmental agencies and third parties, if any, required to consummate the merger;
- (b) no injunction or other order of any court which prohibits the merger shall be in effect;
- (c) we shall have performed in all material respects our obligations contained in the reorganization agreement and complied with all material requirements, rules and regulations relating to the merger;
- (d) no material adverse effect on our business or financial condition since August 31, 2003 shall have occurred, other than those permitted in the reorganization agreement;
- (e) our representations and warranties set forth in the reorganization agreement shall be true in all material respects as of the closing and as if made at the time of the closing;
- (f) the total number of shares of our common stock issued and outstanding shall not exceed 93,000,000, assuming that our stockholders have approved the increase in the number of shares of common stock we are authorized to 1,000,000,000 so that the total number of shares of our common stock issued and outstanding upon consummation of the merger shall not exceed 593,000,000;
- (g) we shall have no material liabilities and we shall have disposed of Golf in a manner reasonably satisfactory to CSI and the Affiliated CSI Stockholders; and
- (h) the receipt by CSI and the Affiliated CSI Stockholders of an opinion of our counsel covering certain matter relating to our obligations under the reorganization agreement.

The term "material adverse effect" is defined in the reorganization agreement as a material adverse effect on the properties, assets, liabilities, financial condition, business or operating earnings of a party, taken as a whole, or an effect which is reasonably likely to prevent or materially delay or materially impair the ability of such party to consummate the transactions contemplated by the reorganization agreement.

Similarly, our obligations to effect the transactions contemplated by the reorganization agreement are subject to the satisfaction of the following conditions:

- (b) the receipt of all approval, consents, authorizations and waivers from governmental agencies and third parties, if any, required to consummate the merger;
- (c) no injunction or other order of any court which prohibits the merger shall be in effect;
- (d) CSI and the Affiliated CSI Stockholders shall have performed in all material respects their obligations contained in the reorganization agreement and complied with all material requirements, rules and regulations relating to the merger;
- (e) no material adverse effect on the business or condition of CSI, other than those permitted in the reorganization agreement, shall have occurred;
- (f) the representations and warranties of CSI and the Affiliated CSI Stockholders set forth in the reorganization agreement shall be true in material respects as of the closing and as if made at the time of the closing;

- (g) no material adverse effect on CSI's business or financial condition since June 30, 2003 shall have occurred, other than those permitted in the reorganization agreement;
- (h) the Affiliated CSI Stockholders shall have approved the merger; and
- (i) our receipt of an opinion of counsel to CSI and the Affiliated CSI Stockholders covering certain matter relating to the obligations of CSI and the Affiliated CSI Stockholders under the reorganization agreement.

Stockholder Meeting. Pursuant the reorganization agreement, we agreed to duly call and give notice of a stockholder meeting, ensure that all proxies solicited in connection with the meeting are solicited in compliance with all applicable laws and to use our reasonable efforts to obtain the approval of our stockholders, as soon as practical to

- (a) change our name to Conversion Services International, Inc.,
- (b) increase the number of shares of common stock we are authorized to issue from 50,000,000 to 1,000,000,000,
- (c) elect the slate of directors nominated by CSI's principals, and
- (d) approve our 2003 Stock Incentive Plan.

We also agreed to prepare and file with the Securities and Exchange Commission a proxy statement relating to these matters, and CSI agreed to deliver as soon as practical its audited annual financial statements for the fiscal year ended December 31, 2002 and 2003, and reviewed financial statements for the nine month period ended September 30, 2003, for inclusion in the proxy statement.

Termination. The reorganization agreement may be terminated at any time prior to the closing:

- (a) by mutual consent of LCS, CSI and the Affiliated CSI Stockholders;
- (b) by CSI and the Affiliated CSI Stockholders if the conditions set forth in "Conditions" above as they relate to their obligations to consummate the merger have not been met by the time of the closing;
- (c) by us if the conditions set forth above in "Conditions" above as they relate to our obligations to consummate the merger have not been met by the time of the closing;
- (d) by CSI and the Affiliated CSI Stockholders if there is a material breach in any of our representations, warranties, covenants, agreements or obligations;
- (e) by us if there is a material breach in any representation, warranty, covenant, agreement or obligation of CSI and the Affiliated CSI Stockholders;
- (f) by either LCS or CSI if the merger has not been effected on or before January 31, 2004, unless it has not been effected by such date because of the terminating party's failure to comply with its obligations under the reorganization agreement; or
- (g) by either LCS or CSI if a final, unappealable order to restrain, enjoin or otherwise prevent, or awarding substantial damages in connection with, a consummation of the merger or the other transactions contemplated by the reorganization agreement shall have been entered.

If the reorganization agreement is terminated as provided therein, none of the parties will have any liability or further obligation to the other parties, except to keep confidential certain information received from the other parties.

Indemnification. Pursuant to the reorganization agreement, LCS on the one

Edgar Filing: LCS GOLF INC - Form PRE 14A

hand and CSI and the Affiliated CSI Stockholders on the other hand, agreed to indemnify the other party for damages caused by certain acts of the indemnifying party relating to the reorganization agreement.

43

Accounting Treatment

We have no operating assets, only general corporate liabilities and no operations. Accordingly, the transaction will be treated as a reverse merger in the form of a recapitalization of CSI. As a result, the financial statements of CSI will become our historical financial statements. Our consolidated pro forma balance sheet upon consummation of the merger includes CSI's assets and liabilities on an historical cost basis, less our liabilities, which, pursuant to the terms of the merger agreement, are anticipated to be \$0 at the closing of the merger.

Certain Federal Income Tax Consequences

The merger will have no federal income tax effect on the current holders of our stock. For federal income tax purposes, the merger will be treated as a tax-free reorganization under Section 368(A)(2)(D) of the Internal Revenue Code.

Section 382 of the Internal Revenue Code provides that our use of any net operating loss carryover and similar tax corporate attributes we may have is limited if there is an "ownership change" as defined in that section. In general, the post-ownership limitation is an amount equal to the fair market value multiplied by a deemed rate of return on the investment of that fair market value. The selected deemed rate of return is the federal "long-term tax exempt rate" reflecting the rate of return on the value had we sold our assets and invested the proceeds in long-term tax exempt bonds. We will have an ownership change if the merger with CSI is consummated. Accordingly, the application of this limitation will severely limit our ability to use any net operating loss carryover we may have to offset any taxable income we may earn in future years.

No Dissenters' Rights of Appraisal

Under Delaware law, our stockholders will not be entitled to dissenters' rights of appraisal in connection with the acquisition of CSI or any of the proposals to be voted upon at the meeting. Approval of our stockholders to the merger with CSI is not required.

Governmental and Regulatory Approval

No federal or state regulatory requirements must be complied with or approval must be obtained in connection with the acquisition of CSI as of the date hereof.

44

PROPOSAL NO. 1

AMENDMENT TO CERTIFICATE OF INCORPORATION CONCERNING NAME CHANGE

This amendment to our Certificate of Incorporation will change our name from "LCS Group, Inc." to "Conversion Services International, Inc." The parties agreed in the reorganization agreement to effect this change as of the closing

Edgar Filing: LCS GOLF INC - Form PRE 14A

of the acquisition of CSI. As a result of the reorganization, our sole business operations will be those of our then wholly-owned subsidiary, CSI. As a result, our sole director has determined that the name change will better reflect our business operations. The full text of the proposed amendment to our certificate of incorporation is attached hereto as Schedule A.

The affirmative vote of at least a majority of the shares of our issued and outstanding common stock is necessary for approval of Proposal No. 1.

THE SOLE DIRECTOR DEEMS PROPOSAL NO. 1 TO BE IN THE BEST INTERESTS OF LCS AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE APPROVAL OF THE NAME CHANGE.

PROPOSAL NO. 2

AMENDMENT TO CERTIFICATE OF INCORPORATION CONCERNING INCREASE IN AUTHORIZATION TO ISSUE COMMON STOCK

Our sole director has determined that it is advisable to amend our Certificate of Incorporation to increase the number of shares we are authorized to issue from 50,000,000 to 1,000,000,000.

Reasons For This Change To Our Common Stock

We are authorized to issue 50,000,000 shares of common stock of which 49,220,176 shares are currently outstanding. The increase in the number of shares we are authorized to issue is required because it is a condition to closing the acquisition of CSI and to provide sufficient authorized but unissued shares of our common stock to permit:

- o issuing the 500,000,000 shares to the CSI stockholders that will be required to consummate the acquisition of CSI;
- o issuing an aggregate of 43,779,824 shares of common stock in accordance with the contractual commitments we have as described below;
- o using our common stock to acquire additional businesses in the industry in which CSI is engaged after CSI has been acquired; and
- o raising of additional funds through the sale of our securities.

Through October 30, 2003, Dr. Mitchell had advanced an aggregate of approximately \$930,000 to Golf, our wholly-owned subsidiary. He has agreed to convert this debt into an aggregate of 18,313,157 shares of our common stock as soon as we amend our certificate of incorporation to increase the number of shares we are authorized to issue, which will then permit us to issue these shares. This number may decrease as described in the next succeeding paragraph. We also have granted him certain "piggy-back" registration rights with respect to all of his shares, which include the shares to be issued to him when the authorization increase is effected.

Commencing on or about April 17, 2003, independent parties who are also owners of our common stock and CSI's common stock, have advanced funds on our behalf that, as of the date of this proxy statement, approximate \$430,000. These advances bear no interest and are repayable on demand. They will be converted into our common stock at the rate of \$0.03 per share after we have amended our certificate of incorporation to increase the number of shares of common stock we are authorized to issue upon the closing of the merger. We have used these funds to repay certain indebtedness and for professional fees and filing and related expenses and will use them to solicit proxies. We anticipate that prior to the

Edgar Filing: LCS GOLF INC - Form PRE 14A

consummation of our acquisition of CSI, up to an additional \$220,000 may be advanced to us by these lenders, on the same terms and conditions, to pay for certain of our outstanding indebtedness and for professional fees and other expenses related to this proxy statement and other corporate matters. If the lenders advance \$650,000 to us, they will receive an aggregate of 21,666,667 shares of our common stock after we have increased the number of shares of common stock we are authorized to issue. To the extent that the lenders advance less than \$650,000 to us, the number of shares they will receive shall be reduced at a rate of \$0.03 per share. To the extent that the lenders advance more than \$650,000, the number of shares that Dr. Mitchell will receive when the authorization increase is effected will be reduced at the rate of \$0.03 per share.

Alex Bruni, our Chief Operating Officer, has agreed to convert approximately \$275,000 in accrued salary into an aggregate of 1,000,000 as soon as we amend our certificate of incorporation to increase the number of shares we are authorized to issue, which will then permit us to issue these shares. We also have granted him certain "piggy-back" registration rights with respect to all of his shares, which include the shares to be issued to him when the authorization increase is effected.

On May 28, 2002, LCS Golf entered into a loan agreement with an unaffiliated party pursuant to which we borrowed \$75,000. The loan bore no interest and was repayable by July 23, 2002. We issued 200,000 shares of our common stock to the lender. The loan agreement provided that if the loan was not repaid by the due date, we would be obligated to issue 10,000 shares of our common stock to the lender for each day that the loan remained unpaid.

On or about May 1, 2003, we repaid the \$75,000 loan to the lender and agreed to issue him one million shares of our common stock as soon as we amend our certificate of incorporation to increase the number of shares we are authorized to issue, which will then permit us to issue these shares. We also agreed to issue him an additional 100,000 shares because we were unable to file a proxy statement with the Commission requesting stockholder approval for this amendment prior to six months after the repayment of the loan, and granted him certain "piggy-back" registration rights with respect to his shares. The lender released to Dr. Mitchell two million shares of our common stock owned by Dr. Mitchell that he was holding as collateral for the repayment of the loan. In addition, the lender, Dr. Mitchell and Golf exchanged general releases.

On November 14, 2003, we entered into an agreement settling certain litigation instituted by Traffix, Inc. against LCS Golf and Dr. Mitchell pursuant to which, among other things, we agreed to issue 250,000 shares of our common stock to Traffix within five days after the closing of the merger with CSI. We also granted Traffix certain "piggy-back" registration rights with respect to these shares. See "Legal Proceedings" above for information relating to this litigation and the settlement agreement.

We have agreed to issue an aggregate of 2,500,000 shares in connection with other loans made to us and for legal services as soon as we amend our certificate of incorporation to increase the number of shares we are authorized to issue, which will then permit us to issue these shares. We have also granted the recipients of these shares certain "piggy-back" registration rights with respect to these securities.

We will incur an expense as of the date that the authorization is increased equal to the number of shares issued on that date times the amount that the per share fair market price of our common stock exceeds the price for which these shares are being issued.

Edgar Filing: LCS GOLF INC - Form PRE 14A

Except as set forth above, we have no specific plans with regard to the use of the authorized but unissued shares. In no event will the number of shares of our common stock outstanding upon the closing of the merger with CSI exceed 593,000,000.

General Effect Of The Increase In Our Authorization To Issue Common Stock

Stockholders will not realize any dilution in their percentage of ownership of LCS or their voting rights as a result of increasing our authorization to issue common stock but will experience dilution to the extent that shares are issued as described above if the authorization increase is approved. Accordingly, if the authorization increase is approved and the shares are issued as described above, all of our current stockholders, including Dr. Mitchell and Mr. Bruni, will own an aggregate of approximately 15.7% of the then outstanding shares of our common stock. Dr. Mitchell's percentage ownership will decrease from approximately 12.1% to 4.1%, although the number of shares he will own will increase from 5,918,309 to 24,231,466 and Mr. Bruni's percentage ownership will decrease from approximately 2.2% to less than 1%, although the number of shares he will own will increase from 1,100,000 to 2,100,000.

Issuances of significant numbers of additional shares of our common stock in the future (i) will dilute stockholders' percentage ownership of LCS and, (ii) if such shares are issued at prices below what current stockholders paid for their shares, may dilute the value of current stockholders' shares. In addition, our board of directors could issue large blocks of our common stock to fend off unwanted tender offers or hostile takeovers without further stockholder approval.

The affirmative vote of at least a majority of the shares of our issued and outstanding common stock is necessary for approval of Proposal No. 2.

OUR SOLE DIRECTOR DEEMS PROPOSAL NO. 2 TO BE IN THE BEST INTERESTS OF LCS AND OUR STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF OUR AUTHORIZED SHARES OF COMMON STOCK FROM 50,000,000 TO 1,000,000,000.

PROPOSAL NO. 3

AMENDMENT TO CERTIFICATE OF INCORPORATION CONCERNING AUTHORIZATION TO ISSUE PREFERRED STOCK

Our sole director has recommended that we amend our Certificate of Incorporation to authorize 20,000,000 shares of preferred stock, \$0.001 par value. He believes such action to be in our best interests for the reasons set forth below.

The preferred stock to be authorized is commonly referred to as "blank check" preferred stock ("Blank Check Preferred") because the preferred stock would have such voting rights, designations, preferences, and relative, participating, option and conversion or other special rights, and such qualifications, limitations or restrictions, as our board of directors may designate for each series issued from time to time. As such, the Blank Check Preferred would be available for issuance without further action by our stockholders, except as may be required by applicable law or pursuant to the requirements of any exchange upon which our securities are then trading.

Our sole director believes that the creation of Blank Check Preferred is advisable and in the best interests of us and our stockholders for several reasons. The authorization of the Blank Check Preferred would permit our board of directors to issue such stock without stockholder approval and, thereby,

provide us with maximum flexibility in structuring acquisitions, joint ventures, strategic alliances, capital-raising transactions and for other corporate purposes. The Blank Check Preferred would enable us to respond promptly to and take advantage of market conditions and other favorable opportunities without incurring the delay and expense associated with calling a special stockholders' meeting to approve a contemplated stock issuance.

We do not view the authorization of the Blank Check Preferred as part of any "anti-takeover" strategy and we are not advancing it as the result of any known effort by any party to accumulate additional shares of our Blank Check Preferred or common stock or to obtain voting control of us. However, the issuance of shares of Blank Check Preferred under particular circumstances could have an anti-takeover effect. For example, in the event of a hostile takeover attempt, it may be possible for management and the board to endeavor to impede the attempt by issuing shares of Blank Check Preferred, thereby diluting or impairing the voting power of the other outstanding shares of common stock or Blank Check Preferred and increasing the potential costs to acquire control of us. We may issue Blank Check Preferred without first offering them to holders of our common stock, as the holders of our common stock have no preemptive rights.

The actual effect of the issuance of any shares of Blank Check Preferred upon the rights of holders of our common stock cannot be stated until the board determines the specific rights of the holders of such Blank Check Preferred. However, the effects might include, among other things,

- o restricting dividends on our common stock,
- o diluting the voting power of our common stock,
- o reducing the market price of our common stock, or
- o impairing the liquidation rights of our common stock,

without further action by our stockholders.

Although we may consider issuing Blank Check Preferred in the future for purposes of acquiring other businesses, raising additional capital or for other reasons, we currently have no arrangements, understandings, agreements or commitments with respect to the issuance of the Blank Check Preferred, and we may never issue any of these securities.

The affirmative vote of at least a majority of the shares of our issued and outstanding common stock is necessary for approval of Proposal No. 3.

OUR SOLE DIRECTOR DEEMS PROPOSAL NO. 3 TO BE IN THE BEST INTERESTS OF LCS AND OUR STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO AUTHORIZE BLANK CHECK PREFERRED STOCK.

PROPOSAL NO. 4

AMENDMENT TO CERTIFICATE OF INCORPORATION CONCERNING LIMITATION OF DIRECTORS' LIABILITY AND DIRECTOR AND OFFICER

INDEMNIFICATION

Our sole director has recommended that we amend our Certificate of

Edgar Filing: LCS GOLF INC - Form PRE 14A

Incorporation to add provisions related to limiting our directors' liability as well as provisions relating to indemnification by us of our directors and officers. He believes such action to be in our best interests for the reasons set forth below.

The limitation of directors' liability provision is intended to facilitate our ability to attract and retain qualified directors to serve on our Board of Directors. The provision gives our directors the full protection against personal liability that is permitted under the Delaware General Corporation Law by eliminating the personal liability of our directors to us and our stockholders for monetary damages for breach of duties as a director, except as otherwise provided for in the Delaware General Corporation Law.

The provision limiting the liability of directors will not be applicable to any act or omission occurring prior to its adoption.

Adoption of the provision will limit the remedies otherwise available to a stockholder seeking to challenge a decision by our Board of Directors, including, for example, a decision relating to an acquisition proposal or a similar transaction, even if such a decision was grossly negligent. While the provision will limit our directors' liability for monetary damages for breach of fiduciary duty, it would not limit the availability of equitable remedies, such as an injunction or rescission based on a director's breach of those duties, nor apply to claims against a director arising out of actions taken as our officer or limit a stockholder's ability to seek relief under any other law, including the federal securities laws. Although equitable remedies such as injunction and rescission would continue to be available, the provision may nevertheless reduce the likelihood of derivative litigation against our directors and may discourage or deter our stockholders or management from instituting a lawsuit against our directors for breach of duty, even though such an action, if successful, might have benefited us and our stockholders. Our sole director believes that the limitation of directors' liability provision strikes the proper balance between the need to attract and retain highly qualified directors and the need to hold directors accountable to us and our stockholders for actions that are not in our best interest. Stockholders should note, however, that because our sole director may benefit from the added protection the provision provides, he has a personal interest in its adoption.

Our bylaws currently require us to indemnify our officers and directors. The amendment to our certificate of incorporation to provide for indemnification makes it clear that the amendment or repeal of this provision in the bylaws will not affect the indemnification rights of any individual with respect to actions or occurrences prior to that amendment or repeal. The amendment provides for indemnification of officers, directors, employees and agents to the fullest extent of the law.

In recent years, investigations, claims, actions, suits or proceedings (including shareholder derivative actions) seeking to impose liability on, or involving as witnesses, directors and officers of corporations have become the subject of much public discussion. These proceedings are often extremely expensive regardless of their eventual outcome. Even in proceedings in which a director or officer is not named as a defendant, an individual may incur substantial expenses or attorneys' fees if he or she is called as a witness or becomes involved in the proceeding in any other way. As a result, an individual may conclude that potential exposure to the costs and risks of proceedings in which he or she may become involved exceeds any benefit to him or her from serving as one of our directors or officers. Our sole directors believes that this proposed amendment, which further ensures the availability of indemnification

Edgar Filing: LCS GOLF INC - Form PRE 14A

rights, is desirable so that we can attract and retain well qualified individuals to serve as our directors and officers in light of the risks of substantial expense in defending against, or becoming involved with, litigation regarding the position.

We have not received notice of any proceedings against any officer or director to which the protections and benefits afforded by this new article may apply. Additionally, the amendment is not being proposed in response to any specific resignation, threat of resignation or refusal to serve by any current or potential director or officer.

The affirmative vote of at least a majority of the shares of our issued and outstanding common stock is necessary for approval of Proposal No. 4.

OUR SOLE DIRECTOR DEEMS PROPOSAL NO. 4 TO BE IN THE BEST INTERESTS OF LCS AND OUR STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" THE AMENDMENT OF OUR CERTIFICATE OF INCORPORATION TO LIMIT THE LIABILITY OF DIRECTORS AND AUTHORIZE US TO INDEMNIFY OUR DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS.

If our stockholders approve the proposed Amendments to our Certificate of Incorporation, these Amendments will become effective upon filing it with the Delaware Secretary of State.

PROPOSAL NO. 5

ELECTION OF DIRECTORS

A board of directors consisting of three directors is to be elected at the meeting. Unless otherwise instructed, Dr. Mitchell, the proxy holder, will vote the proxies received by him for Messrs. Newman and Peipert and Mr. Reisman, who is a nominee of Messrs. Newman and Peipert. In the event that any of the nominees is unable or declines to serve as a director at the time of the special meeting, the proxies will be voted for any nominee who shall be designated by Mr. Newman to fill the vacancy. In the event that Proposals 1, 2, 5 and 6 are approved and the merger is consummated, it is not expected that any nominee will be unable or will decline to serve as a director. If the merger is not consummated within seven (7) days after the special meeting, Messrs. Newman, Peipert and Reisman will not be elected and immediately after the special meeting of stockholders, Dr. Mitchell will remain as our sole director. In the event that additional persons are nominated for election as directors, Dr. Mitchell, as the proxy holder, intends to vote all proxies received by him in such a manner as will assure the election of as many of the nominees listed below as possible, and in such event the specific nominees to be voted for will be determined by him. The term of office of each person elected as a director will continue until the next annual meeting of our stockholders or until a successor has been duly elected and qualified or until his or her earlier resignation, removal from office, death or incapacity.

Unless otherwise specified, the enclosed proxy will be voted in favor of the election of Scott Newman, Glenn Peipert and Lawrence K. Reisman to our board of directors. It is the intention of Dr. Mitchell, the proxy holder, to vote the proxies for the election of the nominees named below, unless otherwise specified.

The following table sets forth the names and ages of all persons nominated or chosen to become directors, none of whom currently are directors or hold any

PROPOSAL NO. 6

ADOPTION OF 2003 STOCK INCENTIVE PLAN

Summary of the 2003 Stock Incentive Plan

The following summary of our 2003 Incentive Plan, referred to hereinafter as the Plan, is qualified in its entirety by reference to the complete text of the Plan, which is attached to this proxy statement as Schedule B.

Our sole Director adopted the 2003 Incentive Plan, referred to hereinafter as the Plan, in November, 2003. The Plan authorizes us to issue 100,000,000 shares of our common stock for issuance upon exercise of options. It also authorizes the issuance of stock appreciation rights, referred to herein as SARs. The Plan authorizes us to grant

- o incentive stock options to purchase shares of our common stock,
- o non-qualified stock options to purchase shares of common stock, and
- o SARs and shares of restricted common stock.

Objectives

The objective of the Plan is to provide incentives to our officers, other key employees, consultants, professionals and non-employee directors to achieve financial results aimed at increasing stockholder value and attracting talented individuals to LCS. Persons eligible to be granted incentive stock options under the Plan will be those employees, consultants, professionals and non-employee directors whose performance, in the judgment of a Committee of our Board of Directors, can have a significant effect on our success.

Oversight

The Board, acting as a whole, or a Committee thereof appointed by our Board, will administer the Plan by making determinations regarding the persons to whom options should be granted and the amount, terms, conditions and restrictions of the awards. The Board or such committee also has the authority to interpret the provisions of the Plan and to establish and amend rules for its administration subject to the Plan's limitations.

52

Types of grants

The Plan allows us to grant incentive stock options, non-qualified stock options, shares of restricted stock, SARs in connections with options and independent SARs. The Plan does not specify what portion of the awards may be in the form of any of the foregoing. Incentive stock options awarded to our employees are qualified stock options under the Internal Revenue Code.

Edgar Filing: LCS GOLF INC - Form PRE 14A

Eligibility

Under the Plan, we may grant incentive stock options only to our officers and employees and we may grant non-qualified options to officers and employees as well as our directors, independent contractors and agents. We have made no grants under the Plan as of the date of this proxy statement.

Statutory Conditions On Stock Options

Exercise Price

To the extent that Options designated as incentive stock options become exercisable by an optionee for the first time during any calendar year for Stock having a fair market value greater than One Hundred Thousand Dollars (\$100,000), the portions of such options which exceed such amount shall be treated as nonqualified stock options.. Incentive stock options granted to any person who owns, immediately after the grant, stock possessing more than 10% of the combined voting power of all classes of our stock, or of any parent or subsidiary of ours, must have an exercise price at least equal to 110% of the fair market value of our common stock on the date of grant and the term of the option may not be longer than five years.

Expiration Date

Any option granted under the Plan will expire at the time fixed by the Board or its committee, which cannot be more than ten (10) years after the date it is granted or, in the case of any person who owns more than 10% of the combined voting power of all classes of our stock or of any parent or subsidiary corporation, not more than five years after the date of grant.

Exerciseability

The Board or its committee may also specify when all or part of an option becomes exercisable, but in the absence by such specification, the option will ordinarily be exercisable in whole or part at any time during its term. However, the Board or its committee may accelerate the exerciseability of any option at its discretion.

Assignability

Options granted under the Plan are not assignable, except by the laws of descent and distribution or as may be otherwise provided by the Board or its committee.

53

Payment Upon Exercise Of Options

Payment of the exercise price for any option may be in cash, by withheld shares that, upon exercise, have a fair market value at the time the option is exercised equal to the option price, plus applicable withholding tax, or in the form of shares of our common stock.

Stock Appreciation Rights

A Stock Appreciation Right is the right to benefit from appreciation in the value of our common stock. A SAR holder, on exercise of the SAR, is entitled to receive from us in cash or our common stock an amount equal to the excess of

Edgar Filing: LCS GOLF INC - Form PRE 14A

- (x) the fair market value of our common stock covered by the exercised portion of the SAR, as of the date of such exercise, over
- (y) the fair market value of our common stock covered by the exercised portion of the SAR as of the date on which the SAR was granted.

The Board or its committee may grant SARs in connection with all or any part of an option granted under the Plan, either concurrently with the grant of the option or at any time thereafter, and may also grant SARs independently of options.

Tax Consequences

An employee or director will not recognize income on the awarding of incentive stock options and nonstatutory options under the Plan.

An optionee will recognize ordinary income as the result of the exercise of a nonstatutory stock option in the amount of the excess of the fair market value of the stock on the day of exercise over the option exercise price.

An employee will not recognize income on the exercise of an incentive stock option, unless the option exercise price is paid with stock acquired on the exercise of an incentive stock option and the following holding period for such stock has not been satisfied. The employee will recognize long-term capital gain or loss on a sale of the shares acquired on exercise, provided the shares acquired are not sold or otherwise disposed of before the earlier of:

- (i) two years from the date of award of the option or
- (ii) one year from the date of exercise.

If the shares are not held for the required period of time, the employee will recognize ordinary income to the extent the fair market value of the stock at the time the option is exercised exceeds the option price, but limited to the gain recognized on sale. The balance of any such gain will be a short-term capital gain. Exercise of an option with previously owned stock is not a taxable disposition of such stock. An employee generally must include in alternative minimum taxable income the amount by which the price such employee paid for an incentive stock option is exceeded by the option's fair market value at the time his or her rights to the stock are freely transferable or are not subject to a substantial risk of forfeiture.

54

General

The Plan was effective on December 1, 2003, the date it was approved by our sole Director, such action being subject to the approval of the Plan by the stockholders as provided below, and shall continue until terminated or suspended by the Board. The Plan may be amended, terminated or modified by our Board at any time, subject to stockholder approval as required by law, rule or regulation. No such termination, modification or amendment may affect the rights of an optionee under an outstanding option or the grantee of an award.

Our sole Director believes that the Plan should be approved so that shares of our common stock will be available for grant to our key employees, officers and directors as well as independent contractors and agents upon whose performance and contribution our long-term success and growth is dependent.

The affirmative vote of at least a majority of the shares represented and

Edgar Filing: LCS GOLF INC - Form PRE 14A

voting at the special meeting at which a quorum is present, which shares voting affirmatively also constitute at least a majority of the required quorum, is necessary for approval of Proposal No. 6.

OUR SOLE DIRECTOR DEEMS PROPOSAL NO. 6 TO BE IN THE BEST INTERESTS OF LCS AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF PROPOSAL NO. 6.

GENERAL

Unless contrary instructions are indicated on the proxy, all shares of common stock represented by valid proxies received pursuant to this solicitation, and not revoked before they are voted, will be voted FOR Proposal Nos. 1, 2, 3, 4, 5 and 6.

The Annual Report to Stockholders (LCS's Annual Report on Form 10-KSB) for the fiscal year ended February 28, 2003 is enclosed herewith. The Annual Report does not form any part of the material for the solicitation of proxies.

55

OTHER BUSINESS

Our sole director knows of no business other than that set forth above to be transacted at the meeting, but if other matters requiring a vote of the stockholders arise, Dr. Mitchell, who is designated as the proxy, will vote the shares of common stock represented by the proxies in accordance with his judgment on such matters. If a stockholder specifies a different choice on the proxy, his or her shares of common stock will be voted in accordance with the specification so made.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY. WE URGE YOU TO FILL IN, SIGN AND RETURN THE LCS FORM OF PROXY IN THE PREPAID ENVELOPE PROVIDED, NO MATTER HOW LARGE OR SMALL YOUR HOLDINGS MAY BE.

By Order of the Sole Director,

Michael Mitchell

(a) At the Effective Time, each outstanding share of the common stock, no par value per share, of Merger Sub shall, by virtue of the Merger and without any action on the part of LCS, Merger Sub or CSI, be converted into one fully paid and non-assessable share of common stock of the Surviving Corporation;

(b) At the Effective Time, or thereafter as otherwise provided by the DGCL,

(i) Each share of CSI Common Stock issued and outstanding immediately prior to the Effective Time that shall be owned by an Affiliated CSI Stockholder shall, by virtue of the Merger and without any action on the part of LCS, Merger Sub, CSI or any holder thereof, be converted into and be exchangeable for the right to receive newly issued fully paid and non-assessable shares of LCS Common Stock, par value \$0.001 per share, (the "LCS Common Stock," which, together with the shares of LCS Common Stock to be issued to the Non-Affiliated CSI Stockholders as provided in Paragraph 2.7(b)(ii) below, is sometimes hereinafter referred to as the "LCS Securities") at a ratio (the "Exchange Ratio") of shares of LCS Common Stock for each share of CSI Common Stock so that an aggregate of four hundred and fifty million (450,000,000) shares of LCS Common Stock (hereinafter sometimes referred to as the "Purchase Price") shall be issued pursuant to this Paragraph 2.7(b)(i) and Paragraph 2.7(b)(ii) below.

A complete list of the Instruments is set forth on Schedule 2.7(c).

(d) If, between the date of this Agreement and the Effective Time, the outstanding shares of CSI Common Stock shall have been changed into a different number of shares or a different class by reason of any stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, or any similar event, an anti-dilution adjustment provision contained in CSI's certificate of incorporation or otherwise, the calculation of the Exchange Ratio shall be correspondingly adjusted to the extent necessary to reflect such stock dividend, subdivision, reclassification, recapitalization, split, combination or exchange of shares, change in conversion ratio or such similar event.

Section 2.8 Exchange Procedures.

(a) The Surviving Corporation will act as exchange agent in connection with the Merger.

(b) As soon as reasonably practicable after the Effective Time (and in any event within three (3) business days after the Effective Time), the Surviving Corporation shall use its commercially reasonable efforts to mail to each holder of a certificate or certificates which immediately prior to the Effective Time represented outstanding shares of CSI Common Stock (the "Certificates") (a) a

Edgar Filing: LCS GOLF INC - Form PRE 14A

letter of transmittal which shall specify that delivery shall be effective, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Surviving Corporation, and which letter shall be in customary form and have such other provisions as the Surviving Corporation may reasonably specify; and (b) instructions for effecting the surrender of such Certificates in exchange for shares of LCS Common Stock. Upon surrender of a Certificate to the Surviving Corporation together with such letter of transmittal, duly executed and completed in accordance with the instructions thereto, and such other documents as may reasonably be required by the Surviving Corporation, the holder of such Certificate shall be entitled to receive in exchange therefor (i) shares of LCS Common Stock representing, in the aggregate, the whole number of shares that such holder has the right to receive pursuant to Section 2.7 (after taking into account any shares of LCS Common Stock then held by such holder) and (ii) a check in the amount equal to the cash that such holder has the right to receive pursuant to the provisions of this Article II, including cash in lieu of any dividends and other distributions and cash in lieu of fractional shares, and the shares of CSI Common Stock formerly represented by such Certificate and the Certificate so surrendered shall forthwith be canceled. Until surrendered as contemplated by this Article II, each Certificate shall be deemed at any time after the Effective Date to represent only the right to receive the LCS Securities issuable upon surrender of the Certificates. No interest will be paid or will accrue on any cash payable. In the event of a transfer of ownership of CSI Common Stock which is not registered in the transfer records of CSI, shares of CSI Common Stock evidencing, in the aggregate, the proper number of shares of CSI Common Stock, a check in the proper amount of cash in lieu of any fractional shares of CSI Common Stock and any dividends or other distributions to which such holder is entitled, may be issued with respect to such shares to such a transferee if the Certificate representing such shares is presented to the Surviving Corporation, accompanied by all documents required to evidence and effect such transfer and to evidence that any applicable Transfer Taxes have been paid.

(c) No dividends or other distributions declared or made with respect to shares of LCS Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of LCS Securities that such holder would be entitled to receive upon surrender of such Certificate and no cash payment in lieu of fractional shares of LCS Common Stock shall be paid to any such holder until such holder shall surrender such Certificate in accordance with Section 2.8(b). Subject to the effect of applicable Laws, following surrender of any such Certificate, there shall be paid to such holder of shares of LCS Securities issuable in exchange therefor, without interest, (a) promptly after the time of such surrender, the amount of any cash payable in lieu of fractional shares of LCS Common Stock to which such holder is entitled and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of LCS Common

Stock, and (b) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and a payment date subsequent to such surrender payable with respect to such shares of LCS Common Stock.

(d) All shares of LCS Common Stock issued and cash paid upon conversion of the shares of CSI Common Stock in accordance with the terms of Article I and this Article II (including any cash paid) shall be deemed to have been issued or paid in full satisfaction of all rights pertaining to the shares of CSI Common Stock.

Edgar Filing: LCS GOLF INC - Form PRE 14A

(e) No certificates or scrip of shares of LCS Common Stock representing fractional shares of LCS Common Stock or book-entry credit of the same shall be issued upon the surrender for exchange of Certificates and such fractional share interests will not entitle the owner thereof to vote or to have any rights of a stockholder of LCS or a holder of shares of LCS Securities.

(f) Notwithstanding any other provision of this Agreement, each holder of shares of CSI Common Stock exchanged pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of LCS Common Stock (after taking into account all Certificates delivered by such holder) shall receive, in lieu thereof, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of LCS Common Stock multiplied by (ii) the reported closing sales price of one share of LCS Common Stock on the Over The Counter Bulletin Board (or such other national securities exchange or market on which the LCS Common Stock may then be listed, as applicable) (the "Principal Market") at the Effective Time. As promptly as practicable after the determination of the aggregate amount of cash to be paid to holders of fractional interests, the Surviving Corporation shall forward payments to such holders of fractional interests subject to and in accordance with the terms hereof.

Section 2.9 No Liability. None of LCS, Merger Sub, CSI or the Surviving Corporation shall be liable to any person in respect to the LCS Securities or cash in lieu of fractional shares delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

Section 2.10 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by such person of a bond in such reasonable amount as the Surviving Corporation may direct as indemnity by such person against any claim that may be made against the Surviving Corporation with respect to such Certificate, the Surviving Corporation will deliver in exchange for such lost, stolen or destroyed Certificate the applicable shares of LCS Common Stock with respect to the shares of CSI Common Stock formerly represented thereby and any unpaid dividends and distributions on LCS Securities deliverable in respect thereof, pursuant to this Agreement.

Section 2.11 Backup Withholding Rights. Each of LCS and the Surviving Corporation shall be entitled to deduct and withhold from the shares of LCS Common Stock and cash in lieu of fractional shares thereto pursuant to this Agreement to any holder of shares of CSI Common Stock such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code and the rules and regulations promulgated thereunder, or any provision

AP-6

of a tax Law. To the extent that amounts are so withheld by LCS or the Surviving Corporation, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the shares of CSI Common Stock in respect to which such deduction and withholding was made by LCS or the Surviving Corporation, as the case may be.

Section 2.12 Tax Consequences. It is intended by the parties hereto that the Merger shall constitute a reorganization within the meaning of Section 368(a) of the Code. Each party hereto shall use its commercially reasonable efforts to cause the Merger to be so qualified, shall report the transactions contemplated by this Agreement in a manner consistent with such reorganization treatment and will not take any position inconsistent therewith in any Tax Return (as hereinafter defined), refund claim, litigation or otherwise unless required to

Edgar Filing: LCS GOLF INC - Form PRE 14A

do so by law. The Merger shall be treated as a purchase for accounting purposes.

Section 2.13 No Further Ownership Rights in CSI Common Stock. LCS Securities issued upon conversion of CSI Common Stock in accordance with the terms of this Article II shall be deemed to have been issued in full satisfaction of all rights pertaining to CSI Common Stock. At the Effective Time, each Share of CSI Common Stock owned prior to the Effective Time shall be canceled and extinguished.

Section 2.14 Stock Transfer Books. The stock transfer books of CSI shall be closed immediately upon the Effective Time and there shall be no further registration of transfers of CSI Common Stock thereafter on the records of CSI. On or after the Effective Time, any Certificates presented to the Surviving Corporation or LCS for any reason shall be converted into LCS Securities with respect to CSI Common Stock formerly represented thereby at the Exchange Ratio.

Section 2.15 Approval of Merger and Declination of Appraisal Rights. This executed Agreement shall constitute agreement and acknowledgment of each Affiliated CSI Stockholder to: (a) vote his or her shares of CSI Common Stock to approve the Merger, and (b) decline any appraisal rights under Section 262 of the DGCL. By executing this Agreement, each Affiliated CSI Stockholder acknowledges receipt of written notice of appraisal rights and a copy of Section 262 of the DGCL at least ten (10) days prior to the date of executing this Agreement. Section 262 of the DGCL is attached hereto as Exhibit B.

Section 10.1 Agreement by CSI and the Affiliated CSI Stockholders to Indemnify. CSI and the Affiliated CSI Stockholders agree to indemnify, defend and hold LCS and each of its directors, officers, employees, agents and attorneys (collectively the "LCS Indemnitees") harmless (subject to the limitations set forth in Section 10.1(d) below) from and against the aggregate of all CSI Indemnifiable Damages (as defined below).

(a) For purposes of this Agreement, "CSI Indemnifiable Damages" means, the aggregate of all actual expenses, losses, costs, deficiencies, liabilities and damages (including, without limitation, related reasonable counsel and paralegal fees and expenses) incurred or suffered by the LCS Indemnitees, resulting from (i) any untruth or inaccuracy in or any breach of, a representation or warranty made by CSI or any Affiliated CSI Stockholder as defined in this Agreement in or pursuant to this Agreement, (ii) any breach of the covenants or agreements made by CSI or any Affiliated CSI Stockholder in or pursuant to this Agreement, (iii) any inaccuracy in any certificate delivered by CSI or any Affiliated CSI Stockholder pursuant to this Agreement, or (iv) any claim which involves, affects or relates to any assets, properties or operations of CSI or the conduct of the business of CSI prior to the Closing Date.

(b) Each of the representations and warranties made by CSI or any Affiliated CSI Stockholder pursuant hereto shall survive for a period of one (1) year after the Closing Date, except: (i) that the representations and warranties contained in Sections 3.11 and 3.18 shall survive until all applicable statutes of limitations have expired and (ii) the representations and warranties contained in Sections 3.1, 3.2, 3.3, 3.6, 3.7, 3.8, 4.1 and 4.2 shall not expire, but shall continue indefinitely. No claim for the recovery of the CSI Indemnifiable Damages may be asserted by LCS against CSI or the Affiliated CSI Stockholders after such representations and warranties have expired; provided, however, that claims for the CSI Indemnifiable Damages first asserted within the applicable period shall not thereafter be barred. Notwithstanding any knowledge of facts determined or determinable by LCS by investigation, the LCS Indemnitees shall have the right to fully rely on the representations, warranties, covenants and agreements of CSI and the Affiliated CSI Stockholders contained in this Agreement or in any other documents or papers delivered in connection herewith. Each representation, warranty, covenant and agreement of CSI and the Affiliated CSI Stockholders contained in this Agreement is independent of each other representation, warranty, covenant and agreement;

(c) In the event that a LCS Indemnitee believes he is entitled to a claim for any CSI Indemnifiable Damages hereunder, he shall promptly give written notice to CSI and the Affiliated CSI Stockholders pursuant to Section 10.8 of this Agreement of such claim, the amount or the estimated amount of such claim and the basis for such claim. If CSI and/or the Affiliated CSI Stockholders do not pay the amount of the claim for the CSI Indemnifiable

Edgar Filing: LCS GOLF INC - Form PRE 14A

exercise his or her rights under Sections 10.1 and 10.3 and/or take any action or exercise any remedy available to him or her by appropriate legal proceedings to collect the CSI Indemnifiable Damages.

(d) Notwithstanding anything to the contrary contained in this Section 10.1, the liability of CSI or any Affiliated CSI Stockholder for the CSI Indemnifiable Damages shall be limited as follows:

(i) A LCS Indemnitee shall have no claim for the CSI Indemnifiable Damages unless and until all CSI Indemnifiable Damages incurred by such LCS Indemnitee exceed an aggregate of \$75,000 (the "Basket Amount"), in which event CSI and the Affiliated CSI Stockholders shall be liable for all such CSI Indemnifiable Damages including the Basket Amount.

(ii) The total amount of CSI Indemnifiable Damages for which CSI and the Affiliated CSI Stockholders shall be liable to the LCS Indemnitees shall not exceed the Purchase Price.

Section 10.2 Agreement by LCS to Indemnify. LCS agrees to indemnify, defend and hold CSI and each of its directors, officers, employees, agents and attorneys, and each Affiliated CSI Stockholder (collectively the "CSI Indemnitees") harmless from and against the aggregate of all LCS Indemnifiable Damages (as defined below).

(a) For purposes of this Agreement, "LCS Indemnifiable Damages" means, the aggregate of all actual expenses, losses, costs, deficiencies, liabilities and damages (including, without limitation, related counsel and paralegal fees and expenses) incurred or suffered by the CSI, resulting from (i) any untruth or inaccuracy in or any breach of, a representation or warranty made by LCS as defined in this Agreement in or pursuant to this Agreement, (ii) any breach of the covenants or agreements made by LCS in or pursuant to this Agreement, (iii) any inaccuracy in any certificate delivered by LCS pursuant to this Agreement, or (iv) any claim which involves, affects or relates to any assets, properties or operations of LCS or the conduct of the business, of LCS prior to the Closing Date.

(b) Each of the representations and warranties made by LCS in this Agreement or pursuant hereto shall survive for a period of one year after the Closing Date except (i) that the representations and warranties contained in Sections 5.13 and 5.16 survive until all applicable statutes of limitations have expired, and (ii) the representations and warranties contained in Sections 5.1, 5.2, 5.4, and 5.25 shall not expire, but shall continue indefinitely. No claim for the recovery of LCS Indemnifiable Damages may be asserted by CSI against LCS after such representations and warranties have expired; provided, however, that claims for LCS Indemnifiable Damages first asserted within the applicable period shall not thereafter be barred. Notwithstanding any knowledge of facts determined or determinable by the MLA Indemnitees by investigation, the CSI Indemnitees shall have the right to fully rely on the representations, warranties, covenants and agreements of LCS contained in this Agreement or in any other documents or papers delivered in connection herewith. Each representation, warranty, covenant

AP-40

and agreement of LCS contained in this Agreement is independent of each other representation, warranty, covenant and agreement;

(c) In the event that a CSI Indemnitee believes he or she is entitled to a claim for any LCS Indemnifiable Damages hereunder, he or she shall promptly give written notice to LCS pursuant to Section 11.8 of this Agreement of such claim

Edgar Filing: LCS GOLF INC - Form PRE 14A

and the amount or the estimated amount of such claim, and the basis for such claim. If LCS does not pay the amount of the claim for the LCS Indemnifiable Damages within ten (10) days, then such the CSI Indemnitee may exercise his or her rights under Sections 10.2 and 10.3 and/or take any action or exercise any remedy available to him or her by appropriate legal proceedings to collect the LCS Indemnifiable Damages;

(ii) The total amount of LCS Indemnifiable Damages for which LCS shall be liable shall not exceed the value of the Purchase Price based on the closing bid price of the LCS Common Stock on the Closing Date.

Section 10.3 Conditions of Indemnification. The obligations and liabilities of the parties hereto hereunder with respect to their respective indemnities pursuant to this Article X resulting from any claim or other assertion of liabilities by third parties (hereinafter called collectively "Claims"), shall be subject to the following terms and conditions:

(a) The party seeking indemnification (the "Indemnified Party") must give the other party or parties, as the case may be (the "Indemnifying Party"), notice of any such Claim within ten (10) business days after the Indemnified Party receives notice thereof (provided that failure to give notice within such ten-day period does not relieve the Indemnifying Party of his obligations to indemnify the Indemnified Party hereunder, except to the extent that such Indemnifying Party is harmed by the failure of the Indemnified Party to provide timely notice);

(b) The Indemnifying Party shall have the right to undertake, by counsel or other representatives of its own choosing, the defense of such Claim;

(c) If the Indemnifying Party shall elect not to undertake such defense, or within a reasonable time after notice of any such Claim from the Indemnified Party shall fail to defend, the Indemnified Party (upon further written notice to the Indemnifying Party) shall have the right to undertake the defense, compromise or settlement of such Claim, by counsel or other representatives of its own choosing, on behalf of and for the account and risk of the Indemnifying Party (subject to the right of the Indemnifying Party to assume defense of such Claim at any time prior to settlement, compromise or final determination thereof); and

AP-41

(d) Anything in this Section 10.3 to the contrary notwithstanding, (A) the Indemnified Party shall have the right, at its own cost and expense, to have its own counsel to protect its own interests and participate in the defense, compromise or settlement of the Claim, (B) the Indemnifying Party shall not, without the Indemnified Party's written consent, settle or compromise any Claim or consent to entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all liability in respect of such Claim, and (C) the Indemnified Party, by counsel or other representatives of its own choosing and

Edgar Filing: LCS GOLF INC - Form PRE 14A

at its sole cost and expense, shall have the right to consult with the Indemnifying Party and its counsel or other representatives concerning such Claim, and the Indemnifying Party and the Indemnified Party and their respective counsel shall cooperate with respect to such Claim.

Section 10.4 Applicability. THE PROVISIONS OF THIS ARTICLE X SHALL APPLY NOTWITHSTANDING THE SOLE, JOINT OR CONCURRENT NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT OF THE INDEMNIFIED PARTY. IF BOTH THE INDEMNIFIED PARTY AND THE INDEMNIFYING PARTY ARE NEGLIGENT OR OTHERWISE AT FAULT OR STRICTLY LIABLE WITHOUT FAULT, THE CONTRACTUAL OBLIGATIONS OF INDEMNIFICATION UNDER THIS ARTICLE X SHALL CONTINUE, BUT THE INDEMNIFYING PARTY SHALL INDEMNIFY THE INDEMNIFIED PARTY ONLY FOR THE PERCENTAGE OF RESPONSIBILITY FOR THE DAMAGE OR INJURIES ATTRIBUTABLE TO THE INDEMNIFYING PARTY.

ARTICLE XI

(a) by mutual consent of LCS and CSI;

Section 11.3 Broker; Expenses. LCS on the one hand and CSI and the Affiliated CSI Stockholders on the other hand each represent and warrant to the other that there is no broker or finder involved in the transactions contemplated hereby. Regardless of whether the Merger is consummated, all costs and expenses in connection with this Agreement and the transactions contemplated hereby incurred by LCS shall be paid by LCS and all such costs and expenses incurred by CSI and the Affiliated CSI Stockholders shall be paid by them.

This Agreement may not be amended or supplemented at any time, except by an instrument in writing signed on behalf of each party hereto. The waiver by any party hereto of any condition or of a breach of another provision of this Agreement shall not operate or be construed as a waiver of any other condition or subsequent breach. The waiver by any party hereto of any of the conditions precedent to its obligations under this Agreement shall not preclude it from seeking redress for breach of this Agreement other than with respect to the condition so waived.

Section 11.6 Public Statements. Prior to the Closing, CSI and LCS agree to consult with each other prior to issuing any press release or otherwise making any public statement with respect to the transactions contemplated hereby, and shall not issue any such press release or make any such public statement prior to such consultation, except as may be required by Law. Furthermore, a Participant's Service with the Participating Company Group shall not be deemed to have terminated if the Participant takes any military leave, sick leave, or other bona fide leave of absence approved by the Company; provided, however, that if any such leave exceeds ninety (90) days, on the ninety-first (91st) day of such leave the Participant's Service shall be deemed to have terminated unless the Participant's right to return to Service with the Participating Company Group is guaranteed by statute or contract. Notwithstanding the foregoing, unless otherwise designated by the Company or required by law, a leave of absence shall not be treated as service for purposes of determining vesting under the Participant's Option or Restricted Shares Agreement. The Participant's Service shall be deemed to have terminated either upon an actual termination of service or upon the corporation for which the Participant performs services ceasing to be a Participating Company. (cc) "VEST" or "VESTING", with respect to Options, means the date, event, or act prior to which an Award is not, in whole or in part, exercisable except at the sole discretion of the Board. With respect to Restricted Shares, "Vest" or "Vesting" shall mean the date, event, or act prior to which an Award is, in whole or in part, forfeitable.

2.2 CONSTRUCTION. Captions and titles contained herein are for convenience only and shall not affect the meaning or interpretation of any provision of the Plan. Except when otherwise indicated by the context, the singular shall include the plural and the plural shall include the singular. Use of the term "or" is not intended to be exclusive, unless the context clearly requires otherwise.

3. ADMINISTRATION.

3.1 ADMINISTRATION BY THE BOARD. The Plan shall be administered by the Board. All questions of interpretation of the Plan or of any Option, Restricted Share, or other right awarded hereunder shall be determined by the Board, and such determinations shall be final and binding upon all persons having an interest in the Plan or in such Option or right.

3.2 AUTHORITY OF OFFICERS. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election which is the responsibility of, or which is allocated to, the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, determination or election.

3.3 POWERS OF THE BOARD. In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Board shall have the full and final power and authority, in its discretion to:

(a) determine the persons to whom, and the time or times at which Awards shall be granted, the types of Awards to be granted, and the number of shares of Stock to be subject to each Award;

(b) determine the terms, conditions and restrictions applicable to Awards; approve one or more forms of Option, or Restricted Share Agreements;

4. SHARES SUBJECT TO PLAN.

4.1 MAXIMUM NUMBER OF SHARES ISSUABLE. Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be one hundred million (100,000,000) and shall consist of authorized but unissued or reacquired shares of Stock, treasury shares, or any combination thereof. If an outstanding Option for any reason expires or is terminated or canceled or if shares of Stock are acquired upon the

Edgar Filing: LCS GOLF INC - Form PRE 14A

exercise or Award of an Option or Restricted Share Agreement subject to a Company repurchase option and are repurchased by the Company, the shares of Stock allocable to the unexercised portion of such Option or such repurchased shares of Stock shall again be available for issuance under the Plan.

4.2 ADJUSTMENTS FOR CHANGES IN CAPITAL STRUCTURE. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, appropriate adjustments shall be made in the number and class of shares subject to the Plan and to any outstanding Options, in the Share Issuance Limit set forth in Section 4.1, in the exercise price per share of any outstanding Options.

5. ELIGIBILITY AND LIMITATIONS.

5.1 PERSONS ELIGIBLE. Awards may be granted only to Employees, Consultants, and Directors. For purposes of the foregoing sentence, "Employees," "Consultants", and "Directors" shall include prospective Employees, prospective Consultants, and prospective Directors to whom Options and Restricted Shares may be awarded in connection with written offers of an employment or other service relationship with the Participating Company Group.

5.2 OPTION AWARD RESTRICTIONS. Any person who is not an Employee on the effective date of the Award of an Option to such person may be awarded only a Nonqualified Stock Option. An Incentive Stock Option awarded to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service with a Participating Company.

5.3 FAIR MARKET VALUE LIMITATION. To the extent that Options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by an Optionee for the first time during any calendar year for Stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such Options which exceed such amount shall be treated as Nonqualified Stock Options. For purposes of this Section 5.3, Options designated as Incentive Stock Options shall be taken into account in the order in which they were awarded, and the Fair Market Value of Stock shall be determined as of the time the Option with respect to such Stock

B-6

was awarded. If the Code is amended to provide for a different limitation from that set forth in this Section 5.3, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonqualified Stock Option in part by reason of the limitation set forth in this Section 5.3, the Optionee may designate which portion of such Option the Optionee is exercising. In the absence of such designation, the Optionee shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option.

6. TERMS AND CONDITIONS OF OPTIONS AND RESTRICTED SHARES.

6.1 AWARD AGREEMENTS. Options shall be evidenced by Option Agreements specifying the nature and number of shares of Stock covered thereby, and shall exist in such form as the Board shall from time to time establish. An Award of Restricted Shares shall be evidenced by a Restricted Share Agreement specifying the number of shares issued and the restrictions thereon, and shall exist in

Edgar Filing: LCS GOLF INC - Form PRE 14A

such form as the Board shall, from time to time, approve. Such Agreements may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the terms and conditions herein.

6.2 OPTION VESTING AND EXERCISE PRICE. Each Option Agreement shall include a vesting schedule describing the date, event, or act upon which an Option shall vest, in whole or in part, with respect to all or a specified portion of the shares covered by such Option. Each Option Agreement shall also convey the exercise price for each Option or the means by which such price shall be established, with such exercise price or method of establishment being established in the discretion of the Board; provided, however, that: (a) the exercise price per share for an Incentive Stock Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (b) no Option granted to a Ten Percent Owner Optionee shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option.

6.3 EXERCISABILITY AND TERM OF OPTIONS. Options shall be exercisable as shall be determined by the Board and set forth in the Option Agreement evidencing such Option; provided, however, that: (a) no Incentive Stock Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option awarded to a Ten Percent Owner Optionee shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, or (c) no Option awarded to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company.

6.4 PAYMENT OF OPTION EXERCISE PRICE

(a) FORMS OF CONSIDERATION AUTHORIZED. Payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made in cash, by check or cash equivalent by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law.

B-7

(b) LIMITATIONS ON FORMS OF CONSIDERATION.

(i) CASHLESS EXERCISE. The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a cashless exercise.

(ii) PAYMENT BY PROMISSORY NOTE. No promissory note shall be permitted if the exercise of an Option using a promissory note would be a violation of any law. Any permitted promissory note shall be on such terms as the Board shall determine. The Board shall have the authority to permit or require the Optionee to secure any promissory note used to exercise an Option with the shares of Stock acquired upon the exercise of the Option or with other collateral acceptable to the Company.

6.5 TAX WITHHOLDING. Upon the exercise of an Option or upon the vesting of Restricted Shares, the Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to such Restricted Stock, Option, or the Stock

Edgar Filing: LCS GOLF INC - Form PRE 14A

acquired upon the exercise thereof. Alternatively or in addition, in its discretion, the Company shall have the right to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise, to make adequate provision for any such tax withholding obligations of the Participating Company Group arising in connection with the Restricted Stock, Option, or the shares acquired upon the exercise thereof. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates. The Company shall have no obligation to deliver shares of Stock or to release shares of Stock from an escrow established pursuant to any Agreement entered hereunder until the Participating Company Group's tax withholding obligations have been satisfied by the Participant.

6.6 STOCK RESTRICTIONS. Shares issued under the Plan shall be subject to a right of first refusal, one or more repurchase options, and such other conditions and restrictions as determined by the Board in its discretion at the time an Option or Restricted Share Award is made.

(a) REPURCHASE RIGHTS. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

B-8

(b) SERVICE VESTING AND TRANSFERABILITY. The Company shall have the right, at the time of the Award, to place restrictions on Awards including upon shares issued upon the exercise of an Option.

(c) RESTRICTED SHARE AWARDS. Subject to and consistent with the provisions of this Plan, each Restricted Share shall be evidenced by a written Agreement setting forth the terms and conditions pertaining to such Award, including the number of shares awarded. Unless otherwise required by statute, Restricted Shares may be awarded with or without payment of consideration by the Participant. Each Restricted Share Agreement shall include a vesting schedule describing the date, event, or act upon which Restricted Shares shall vest, in whole or in part, with respect to all or a specified portion of the Shares covered by the Award. No Restricted Share not yet vested is assignable or transferable and any attempt at transfer or assignment of such Share, and any attempt by a creditor to attach such Share, shall be null and void. Until the date a Stock certificate is issued to a Participant, a Participant will have no rights as a stockholder of the Company. No adjustments shall be made for dividends of any kind or nature, distributions, or other rights for which the record date is prior to the date such stock certificate is issued. Consistent with the provisions of this Plan, the Board may in its discretion modify, extend, or renew any Restricted Share Agreement, or accept cancellation of same in exchange for the granting of a new Award. The preceding notwithstanding, no modification of a Restricted Share Agreement which is not vested shall, absent the consent of the Participant, alter or impair any rights or obligations with respect to such Agreement.

6.7 EFFECT OF TERMINATION OF SERVICE.

(a) RESTRICTED SHARES. If a Participant's Service terminates for any reason other than as a result of a Change in Control, such Participant's Restricted Shares which are not vested at the time of Service termination shall

Edgar Filing: LCS GOLF INC - Form PRE 14A

be forfeited. If a Participant's service terminates because of a Change of Control and if an amount to be received by a Participant from this Plan would otherwise constitute a "parachute payment" as defined in section 280G(b)(2) of the Code, then any accelerated vesting due to a Change of Control or subsequent termination of the Participant's Service shall be limited to the amount of vesting that permits the Participant to receive, after application of the excise tax imposed by section 4999 of the Code, the greater of: (1) A total parachute payment that equals 2.99 times the Participant's base amount, as determined under section 280G of the Code; or (2) full vesting of all unvested Restricted Shares as of the date of the Participant's termination of employment.

(b) OPTIONS. Subject to earlier termination of the Option as otherwise provided herein, and unless otherwise provided by the Board in an Award and set forth in the Agreement related thereto, an Option shall be exercisable after a Participant's termination of Service only during the applicable time period determined in accordance with the following provisions of this Section 6.10(b) and thereafter shall terminate:

(i) DISABILITY. If the Participant's Service terminates because of the Disability of the Participant, an Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of twelve (12)

B-9

months after the date on which the Participant's Service terminated, but in any event no later than the date of expiration of the Option's term as set forth in the Agreement evidencing such Option (the "EXPIRATION DATE").

(ii) DEATH. If the Participant's Service terminates because of the death of the Participant, an Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant's legal representative or other person who acquired the right to exercise the Option or Right by reason of the Participant's death at any time prior to the expiration of twelve (12) months after the date on which the Participant's Service terminated, but in any event no later than the Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months (or such longer period of time as determined by the Board, in its discretion) after the Participant's termination of Service.

(iii) OTHER TERMINATION OF SERVICE. If the Participant's Service terminates for any reason, except Disability or death, an Option, to the extent unexercised and exercisable by the Participant on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of three (3) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in no event any later than the Expiration Date.

(c) RESERVATION OF RIGHTS. The grant of Awards under the Plan shall in no way affect the right of the Company to adjust, reclassify, reorganize or otherwise change its capital or business structure or to merge, consolidate, dissolve, liquidate or sell or transfer all or any part of its business or assets.

6.8 TRANSFERABILITY OF OPTIONS. During the lifetime of the Participant, an Option shall be exercisable only by the Participant or by the Participant's guardian or legal representative. No Option shall be assignable or transferable

Edgar Filing: LCS GOLF INC - Form PRE 14A

by the Participant, except by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Board, in its sole discretion, and as set forth in the Option Agreement evidencing such Option, a Nonqualified Stock Option shall be assignable or transferable.

7. CHANGE IN CONTROL.

7.1 EFFECT OF CHANGE IN CONTROL ON OPTIONS. In the event of a Change in Control, the surviving, continuing, successor, or purchasing corporation or other business entity or parent thereof, as the case may be (the "ACQUIRING CORPORATION"), may, without the consent of any Participant, either assume the Company's rights and obligations under outstanding Options or substitute for such outstanding Options substantially equivalent options or rights for, or in relation to, the Acquiring Corporation's stock.

7.2 EFFECT OF CHANGE OF CONTROL ON RESTRICTED SHARE RIGHTS.

(a) Restricted Shares outstanding under the Plan at the time of a Change in Control shall automatically Vest in full immediately prior to the effective date of such Change in Control

B-10

and will no longer be subject to forfeiture risk or to any repurchase right. However, Restricted Shares shall not vest on an accelerated basis as a result of a Change in Control if and to the extent:

(i) such Restricted Share Award, having been assumed by the successor corporation (or parent thereof), is replaced with shares of the capital stock of the successor corporation subject to substantially equivalent restrictions or is otherwise continued in full force and effect pursuant to the terms of the Change in Control transaction, and any repurchase rights of the Company with respect to any unvested Restricted Shares are concurrently assigned to such successor corporation (or parent thereof) or otherwise continued in effect; or

(ii) such Restricted Shares are to be replaced with a cash incentive program of the Company or any successor corporation which preserves the value existing on the unvested Restricted Shares at the time of the Change in Control and provides for subsequent payout in accordance with the same Vesting schedule applicable to those unvested Restricted Shares; or

(iii) the acceleration of such Restricted Share is subject to other limitations imposed by the Plan Administrator at the time of the Restricted Share grant.

(b) Should, in the course of a Change in Control, the actual holders of the Company's outstanding Stock receive cash consideration in exchange for such Stock, the successor corporation may, in connection with the replacement of the outstanding Restricted Shares under this Plan, substitute one or more shares of its own common stock with a fair market value equivalent to the cash consideration paid per share of Stock in such Change in Control and subject to substantially equivalent restrictions as were in effect for the Restricted Shares immediately before the Change in Control.

(c) The foregoing notwithstanding, the Board shall have the discretion, exercisable either at the time the Restricted Shares are granted or at any time while the Restricted Shares remain unvested, to structure one or more Restricted Shares so that those Restricted Shares shall automatically accelerate and Vest in full upon the occurrence of a Change in Control. The Board shall also have

Edgar Filing: LCS GOLF INC - Form PRE 14A

full power and authority, exercisable either at the time The Restricted Shares are granted or at any time while the Restricted Shares remain unvested, to structure such Restricted Share so that the shares will automatically Vest on an accelerated basis should the Participant's employment or service terminate by reason of an Involuntary Termination within a designated period (not to exceed eighteen (18) months) following the effective date of any Change in Control in which the Restricted Shares do not otherwise Vest. In addition, the Plan Administrator may provide that one or more of the Company's outstanding repurchase rights with respect to Restricted Shares held by the Participant at the time of such Involuntary Termination shall immediately terminate on an accelerated basis, and the Restricted Shares subject to those terminated rights shall accordingly Vest at that time.

(i) For purposes of this Section 8.2(c), an "INVOLUNTARY TERMINATION" shall mean the termination of the Participant's service which occurs by reason of: (1) such individual's involuntary dismissal or discharge by the Company for reasons other than Misconduct, or (2) such individual's voluntary resignation following (A) a change in his or her position with the Company which materially reduces his or her duties and responsibilities or

B-11

the level of management to which he or she reports, (B) a reduction in his or her level of compensation (including base salary, fringe benefits and target bonus under any corporate-performance based bonus or incentive programs) by more than fifteen percent (15%) or (3) a relocation of such individual's place of employment by more than fifty (50) miles, provided and only if such change, reduction or relocation is effected without the individual's consent.

(ii) "MISCONDUCT" shall mean the commission of any act of fraud, embezzlement or dishonesty by the Participant, any unauthorized use or disclosure by such person of confidential information or trade secrets of the Company or any other intentional misconduct by such person adversely affecting the business or affairs of the Company in a material manner. The foregoing definition shall not be deemed to be inclusive of all the acts or omissions which the Company may consider as grounds for the dismissal or discharge of any Participant or other person in the Company's service.

8. PROVISION OF INFORMATION.

At least annually, copies of the Company's balance sheet and income statement for the just completed fiscal year shall be made available to each Participant.

9. TERMINATION OR AMENDMENT OF PLAN.

The Plan shall terminate ten (10) years from its effective date. The Board may terminate or amend the Plan at any time. No termination or amendment of the Plan shall affect any then outstanding Award unless expressly provided by the Board.

10. REPURCHASE AND FIRST REFUSAL RIGHTS.

10.1 REPURCHASE RIGHTS. Should the Participant cease to be employed by or provide services to the Company while holding one or more shares of Stock issued pursuant to the exercise of an Option granted under this Plan or pursuant to a Stock Award under the Plan, then those shares, to the extent any Restricted Shares are no longer subject to forfeiture, shall be subject to repurchase by the Company, at the Company's sole discretion, at the Fair Market Value of such shares on the date of such repurchase and the Participant shall have no further

Edgar Filing: LCS GOLF INC - Form PRE 14A

stockholder rights with respect to those shares. The terms and conditions upon which such repurchase right shall be exercisable (including the period and procedure for exercise) shall be established by the Board.

10.2 FIRST REFUSAL RIGHTS. If imposed in the agreement, the Company shall have the right of first refusal with respect to any proposed sale or other disposition by the holder of any shares of Stock issued pursuant to an Award granted under the Plan. Such right of first refusal shall be exercisable in accordance with terms and conditions established by the Board.

11. MISCELLANEOUS PROVISIONS.

11.1 NO RIGHTS OF STOCKHOLDER. Prior to the date on which an Option is exercised, neither the Participant, nor a Beneficiary or any other successor in interest will be, or

B-12

will have any of the rights and privileges of, a stockholder with respect to any Stock issuable upon the exercise of such Option.

11.2 NO RIGHT TO CONTINUED EMPLOYMENT. Nothing contained herein shall be deemed to give any person any right to employment by the Company or by a Participating Company, or to interfere with the right of the Company or a Participating Company to discharge any person at any time without regard to the effect that such discharge will have upon such person's rights or potential rights, if any, under the Plan. The provisions of the Plan are in addition to, and not a limitation on, any rights a Participant may have against the Company or a Participating Company by reason of any employment or other agreement with the Company or a Participating Company.

11.3 SEVERABILITY. If any provision of this Plan is held to be illegal or invalid for any reason, the remaining provisions are to remain in full force and effect and are to be construed and enforced in accordance with the purposes of the Plan as if the illegal or invalid provision or provisions did not exist.

IN WITNESS WHEREOF, the undersigned President and Chief Executive Officer of the Company certifies that the foregoing sets forth the LCS Group, Inc. 2003 Incentive Plan as duly adopted by the Board on November 21, 2003.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Shareholders
Conversion Services International, Inc. and Affiliate
East Hanover, New Jersey

We have audited the accompanying combined balance sheets of Conversion Services International, Inc. and affiliate as of December 31, 2002 and 2001, and the related combined statements of operations, changes in shareholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Conversion Services International, Inc. and affiliate as of December 31, 2002 and 2001 and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

CONVERSION SERVICES INTERNATIONAL, INC. AND AFFILIATE

NOTES TO COMBINED FINANCIAL STATEMENTS

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND BUSINESS

Conversion Services International, Inc. ("CSI") was incorporated in the State of Delaware and has been conducting business since 1990. CSI and Doorways, Inc. (together the "Company") are principally engaged in the information technology services industry in the following areas: Data Warehousing, Business Intelligence, Management consulting and professional services, on credit, to its customers principally located in New Jersey and New York.

The accompanying combined financial statements include the accounts of CSI and Doorways, Inc. which is owned by the two principal shareholders of CSI. All intercompany transactions and balances have been eliminated.

REVENUE RECOGNITION

Revenue from consulting and professional services is recognized at the time the services are performed, evidence of an arrangement exists, the fee is fixed and determinable and collectibility is probable.

ACCOUNTS RECEIVABLE

The Company carries its accounts receivable at cost less an allowance for doubtful accounts. On a periodic basis, the Company evaluates its accounts receivable and changes the allowance for doubtful accounts, when deemed necessary, based on its history of past write-offs and collections, contractual terms and current credit conditions.

PROPERTY AND EQUIPMENT

Property and equipment are stated at cost and includes equipment held under capital lease agreements. Depreciation, which includes amortization of leased equipment, is computed principally by an accelerated method and is based on the estimated useful lives of the various assets ranging from three to seven years. When assets are sold or retired, the cost and accumulated depreciation are removed from the accounts and any gain or loss is included in operations.

Expenditures for maintenance and repairs have been charged to operations. Major renewals and betterments have been capitalized.

AMORTIZATION

The Company amortizes deferred loan costs on a straight-line basis over the term of the related loan instrument. The Company amortizes acquired customer lists and contracts over an estimated useful life of 5 years.

GOODWILL

Goodwill represents the amounts paid in connection with a settlement agreement with the Elligent Consulting Group to re-acquire the

Edgar Filing: LCS GOLF INC - Form PRE 14A

ownership rights to the Company. The Company adopted FASB Statement 142 as of January 1, 2002 for all goodwill recognized in the Company's balance sheet as of December 31, 2001. This statement changes the accounting for goodwill from an amortization method to an impairment-only approach, and introduces a new model for determining impairment charges.

C-9

Notes to Combined Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

GOODWILL

The new impairment model requires performance of a two step test for operations that have goodwill assigned to them. First, it requires a comparison of the book value of net assets to the fair value of the related operation. If fair value is determined to be less than book value, a second step is performed to compute the amount of impairment. No impairment was determined at December 31, 2002 and September 30, 2003.

The Company realized through the non-amortization of goodwill an increase of income of \$55,333 in 2002, the year of adoption. Net income would have been \$456,348 for the year ended December 31, 2001 had the statement been adopted in 2001.

USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CONCENTRATIONS OF CREDIT RISK

Financial instruments which potentially subject the Company to concentrations of credit risk are cash and accounts receivable arising from its normal business activities. The Company routinely assesses the financial strength of its customers, based upon factors surrounding their credit risk, establishes an allowance for doubtful accounts, and as a consequence believes that its accounts receivable credit risk exposure beyond such allowances is limited.

The Company maintains its cash with a high credit quality financial institution. Each account is secured by the Federal Deposit Insurance Corporation up to \$100,000.

ADVERTISING

The Company expenses advertising costs as incurred. Advertising costs amounted to approximately \$6,400 and \$5,700 for the years ended December 31, 2001 and 2002, respectively and approximately \$3,000 and \$2,700 for the nine months ended September 30, 2002 and 2003, respectively (unaudited).

INCOME TAXES

The Company accounts for income taxes under an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that

Edgar Filing: LCS GOLF INC - Form PRE 14A

have been recognized in the Company's financial statements or tax returns. In estimating future tax consequences, the Company generally considers all expected future events other than enactments of changes in the tax laws or rates.

On January 1, 2001, CSI elected to be an "S" Corporation whereby, the shareholders account for their share of CSI's earnings, losses, deductions and credits on their Federal and various state income tax returns. CSI is subject to New York City and various state income taxes. On September 30, 2003, CSI's "S" Corporation status was revoked in connection with the conversion of convertible subordinated debt into common shares.

Notes to Combined Financial Statements

Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

DERIVATIVES

In September 1998, the Financial Accounting Standards Board ("FASB") issued SFAS No. 133 "Accounting for Derivative Instruments and Hedging Activities" ("SFAS No. 133"), which requires the recognition of all derivatives as either assets or liabilities measured at fair value, with changes in value reflected as current period income (loss) unless specific hedge accounting criteria are met. The effective date of SFAS No. 133, as amended by SFAS No. 138, is for fiscal years beginning after September 15, 2000. The Company adopted SFAS No. 133 as of January 1, 2001, resulting in no material impact upon adoption. SFAS No. 133 did not have a material impact on the financial results for the years ended December 31, 2002 and 2001 or for the nine months ended September 30, 2003 and 2002 (unaudited).

INTERIM FINANCIAL INFORMATION

The information presented for September 30, 2003, and for the nine-month periods ended September 30, 2003 and 2002, are unaudited, but, in the opinion of management, the accompanying unaudited combined interim financial statements contain all adjustments (consisting only of normal recurring adjustments) which the Company considers necessary for the fair presentation of the Company's financial position as of September 30, 2003 and the results of its operations and its cash flows for the nine-month periods ended September 30, 2003 and 2002 in accordance with generally accepted accounting principles. Results for the interim period are not necessarily indicative of results that may be expected for the entire year.

Note 2: RECENT PRONOUNCEMENTS

In January 2002, the Company adopted SFAS No. 141, "Business Combinations" and SFAS No. 142, "Goodwill and Other Intangible Assets." SFAS No. 141 requires business combinations initiated after June 30, 2001 to be accounted for using the purchase method of accounting, and broadens the criteria for recording intangible assets separate from goodwill. Recorded goodwill and intangibles will be evaluated against these new criteria and may result in certain intangibles being subsumed into goodwill, or alternatively, amounts initially recorded as goodwill may be separately identified and recognized apart from goodwill. SFAS No. 142 requires the use of a non-amortization approach to account for purchased goodwill and

Edgar Filing: LCS GOLF INC - Form PRE 14A

certain intangibles. Under a non-amortization approach, goodwill and indefinite-lived intangibles will not be amortized into results of operations, but instead will be reviewed for impairment and written down and charged to results of operations only in the periods in which the recorded value of goodwill and indefinite-lived intangibles is more than its fair value.

SFAS 142 requires, among other things, that goodwill not be amortized but should be subject to impairment testing at the "reporting unit level" at least annually and more frequently upon the occurrence of certain events, as defined by SFAS 142. A reporting unit is the same level as or one level below an operating segment, as defined by Statement of Financial Accounting Standards No. 131 "Disclosures About Segments of an Enterprise and Related Information."

C-11

Notes to Combined Financial Statements

Note 2: RECENT PRONOUNCEMENTS (Continued)

In October 2001, the FASB issued Statement of Financial Accounting Standards No. 144 "Accounting for the Impairment or Disposal of Long-Lived Assets" (SFAS 144). SFAS 144 supersedes Statement of Financial Accounting Standards No. 121 "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to Be Disposed Of," and certain provisions of APB Opinion No. 30 "Reporting the Results of Operations - Reporting the Effects of Disposal of a Segment of a Business, and Extraordinary, Unusual and Infrequently Occurring Events and Transactions." SFAS 144 establishes standards for long-lived assets to be disposed of, and redefines the valuation and presentation of discontinued operations. SFAS 144 is effective for fiscal years beginning after December 15, 2001, and interim periods within those fiscal years. The adoption of SFAS 144 did not have a material effect on the Company's financial position, results of operations, and cash flows.

In July 2002, the FASB issued SFAS No. 146, "Accounting for Costs Associated with Exit or Disposal Activities". The standard requires companies to recognize costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. Examples of costs covered by the standard include lease termination costs and certain employee severance costs that are associated with a restructuring, discontinued operation, plant closing or other exit or disposal activity. Previous accounting guidance was provided by EITF 94-3, "Liability Recognition for Certain Employee Termination Benefits and Other Costs to Exit an Activity (including Certain Costs Incurred in a Restructuring)". SFAS No. 146 replaces EITF 94-3. SFAS 146 is to be applied prospectively to exit or disposal activities initiated after December 31, 2002. The Company adopted SFAS No. 146 as of January 1, 2003 and this adoption had no material impact on the Company's combined financial statements for the nine months ended September 30, 2003 (unaudited).

Note 5: INTANGIBLES

As part of the asset purchase agreement with Scosys, Inc. executed in November 2002, the Company acquired intangible assets of \$82,277. The intangibles acquired have been assigned as follows:

Intangible assets are reviewed for impairment whenever events or circumstances indicate impairment might exist or at least annually. The Company assesses the recoverability of its assets, in accordance with SFAS No. 142 "Goodwill and Other Intangible Assets," comparing projected undiscounted cash flows associated with those assets against their respective carrying amounts. Impairment, if any, is based on the excess of the carrying amount over the fair value of those assets. The Company determined that there is no impairment of the assets at December 31, 2002 and September 30, 2003 (unaudited).

Note 6: LINE OF CREDIT

The credit facility provides for a maximum borrowing of \$2,250,000, based on eligible accounts receivable. The interest rate is at the bank's prime rate plus one (5.25% at December 31, 2002). On August 21, 2003, LCS Group, Inc., LCS Acquisition Corp., a wholly owned subsidiary of LCS Group, Inc., CSI and CSI's executive officers and principal stockholders, executed an Agreement and Plan of Reorganization to merge CSI into LCS Acquisition Corp. If the transaction is consummated, CSI will become the operating entity, LCS Group will change its name to CSI and the CSI shareholders will control approximately between 85% and 90% of the shares of the combined company. The transaction is subject, among other things, to the approval of the CSI shareholders, the approval by the LCS Group stockholders to an increase in the authorized LCS Group shares to one billion and appropriate due diligence by the parties.

In October 2003, CSI informed its lending institution it was in violation of certain financial covenants in connection with the Company's Line of Credit and Note payable facilities. The Company has requested that the bank provide a waiver to the credit agreement. It is uncertain if the bank will take any action regarding the default. On October 29, 2003, CSI made arrangements with another financial institution and has obtained a \$2,000,000 Unsecured Convertible Line of Credit Note. The terms of this new note provide for interest accruing on advances at 7% per annum with a maturity date of October 28, 2008, unless converted into Common Stock at CSI or the financial institution's option.

LCS GROUP, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements (unaudited)
August 31, 2003

NOTE A - DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] The Company:

On October 28, 1997, LCS Golf, Inc. (the "Company"), an inactive New York corporation, was merged in a reverse merger transaction into an inactive Delaware corporation with the same name ("LCS Delaware") in exchange for 980,904 shares of LCS Delaware's common stock. The Company paid \$50,000 as a finder's fee in connection with the merger which was charged to expense. In addition, 3,916,360 shares with a value of \$25,000 were issued to certain existing shareholders of the Company for services rendered in connection with the merger. For financial accounting purposes, the merger on October 28, 1997 has been treated as the acquisition of LCS Delaware by the Company in the form of a recapitalization. Therefore, no value has been ascribed to the common stock held by the LCS Delaware shareholders.

The Company was formed under the laws of the State of New York on March 8, 1994. On October 26, 1994, the Company commenced business operations with

Edgar Filing: LCS GOLF INC - Form PRE 14A

the purchase of substantially all of the assets and the assumption of specific liabilities of Bert Dargie Golf, Inc., a Tennessee corporation engaged in the business of designing, assembling and marketing golf clubs and related accessories.

In August 1996, the Company conveyed, assigned, transferred and delivered substantially all of its business assets to Dargie Golf Co. (the "Purchaser") in exchange for the: i) cancellation of the remaining debt owed to the Purchaser arising from the October 26, 1994 purchase, ii) sale by Herbert A. Dargie III of his 5 percent ownership interest in the Company to the Company and, iii) the assumption of certain liabilities of the Company by the Purchaser.

The Company was engaged in the acquisition and operation of companies which provided products and services to the golf playing public and marketed the database information obtained from its websites. These products and services included discounted green fees and other services, and a golf website (<http://www.golfuniverse.com>) which provided various golf-related hyperlinks to other golf websites and golf course previews.

The Company formerly designed and manufactured consumer products, but ceased its manufacturing operations in November of 1999. It does not intend to renew its operations.

During the fiscal year ended February 28, 2003, the Company had lost its websites and domain names, and its database had become obsolete. Some of these websites and domain names are being used by a company owned by the Company's Chief Operating Officer. It is unlikely that the Company will be able to recover any of these websites and/or domain names and the Company may not be able to adequately update its database. The Company does not intend to resume its prior activities.

The Company generated minimal revenues in fiscal 2003 and currently has no revenue generating operations.

[2] Principles of consolidation:

The consolidated financial statements include the accounts of LCS GROUP, Inc. and its subsidiaries. All material intercompany accounts and transactions have been eliminated in consolidation.

[3] Basis of presentation:

The accompanying financial statements have been prepared on a going concern basis which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business.

August 31, 2003

NOTE A - DESCRIPTION OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

[3] Basis of presentation: (continued)

Through August 31, 2003, the Company has not generated revenues from its

Edgar Filing: LCS GOLF INC - Form PRE 14A

operations to cover its costs and operating expenses and has incurred significant recurring losses. In addition, the Company has a significant working capital deficiency and a capital deficit. Although the Company has been able to issue its common stock for a significant portion of its expenses and has had to rely on loans from its major stockholder/president and others, it is not known whether the Company will be able to continue this practice. It is also not known if the Company will be able to meet its operating expense requirements.

These circumstances raise substantial doubt about the Company's ability to continue as a going concern. If the Company is not able to raise sufficient additional capital or debt financing, the Company will be forced to cease operations. In addition, the Company is investigating potential merger candidates that have or may be able to generate additional capital or obtain debt financing. No assurances can be given to the success of these plans. The financial statements do not include any adjustments that might result from the outcome of these uncertainties.

During the six months ended August 31, 2003, the Company issued \$261,987 of non-interest bearing convertible promissory notes payable on demand and convertible at \$0.03 per share (See Note E).

Certain accounts have been reclassified for comparative purposes.

[4] Interim Financial Data

Those condensed consolidated financial statements have been prepared by the Company, without audit by independent public accountants, pursuant to the rules and regulations of the United States Securities and Exchange Commission. In the opinion of management, the accompanying condensed consolidated financial statements include all normal recurring adjustments necessary for the information presented not to be misleading. Certain information and note disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted from these statements pursuant to such rules and regulations and, accordingly, these condensed consolidated financial statements should be read in conjunction with the consolidated financial statements included in the Company's fiscal year 2003 Annual Report on Form 10-KSB. Operating results for the three and six months ended August 31, 2003 and 2002 are not necessarily indicative of the results that may be expected for the full year or any other period.

There have been no significant changes in the accounting policies of the Company. There were no significant changes in the Company's commitments and contingencies as previously described in the fiscal year 2003 Annual Report on Form 10-KSB.

[5] Deferred income taxes:

Deferred income taxes are reported using the asset and liability method. Deferred tax assets are recognized for deductible temporary differences and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

[6] Loss per share:

Loss per share has been computed by dividing the net loss by the weighted average number of common shares outstanding, including shares with respect to liabilities to be paid with common stock, during each period. The effect of outstanding potential common shares, including stock options, warrants and convertible debt is not included in the per share calculations as it would be anti-dilutive.

[7] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, which are subject to impairment considerations, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - DEBT IN DEFAULT

On February 16, 2000, the Company borrowed from Traffix, Inc. (formerly Quintel Communications, Inc.) ("Traffix"), an internet marketing and development company, \$500,000 in the form of a convertible promissory note ("Note"). The Note was due on demand at any time after August 16, 2000 and is convertible into 500,000 shares of common stock of the Company at any time prior to repayment. Any shares issued by the Company will have registration and piggyback registration rights and are subject to anti-dilution adjustments in certain cases. If any additional shares are issued under the anti-dilution provisions, the Company will have a one-time repurchase right at a \$1.00 per share during the twelve-month period following the date of conversion of the Note. The Note was without interest until the earlier of August 17, 2000 or an event of default under the Note. Interest is being charged at prime plus 4%, not to exceed 14%. The Note may be prepaid at anytime after giving 15 days prior written notice. The Note is collateralized by the Company's database and all related records, contract rights and intangibles which has been delivered to the lender and must be updated upon request, until the obligation has been paid.

The Company entered into a ten-year licensing agreement with Traffix for the use of its database for a monthly payment of \$5,000 which can be used to offset the remaining balance owed to Traffix. During the quarter and six months ended

Edgar Filing: LCS GOLF INC - Form PRE 14A

August 31, 2003, no such payments were made.

On the same date, the Company also entered into a two-year marketing agreement with Traffix to develop programs to market products and services and send promotional e-mails to the visitors and customers of the Company's websites. Traffix is to pay the Company \$.25 for each individual who "opts in" to be registered with Traffix at its site. Revenues generated from these programs (less direct "out-of-pocket" costs, including royalties, cost of producing the marketing materials and other expense directly related to the programs) is to be divided equally and distributed quarterly less any required reserves. There have been no revenues recognized from these programs.

D-7

LCS GROUP, INC. AND SUBSIDIARIES

Notes to Consolidated Financial Statements (unaudited)
August 31, 2003

NOTE B - DEBT IN DEFAULT (CONTINUED)

In connection with the marketing agreement, the Company issued two-year options to purchase 100,000 shares of the Company's common stock at \$1.00 a share and 100,000 shares at \$2.00 per share. The value of these options at grant date, utilizing the Black-Scholes option-pricing model, was \$139,000. The assumptions used in determining the value was an expected volatility of 155%, an average interest rate of 6.68% per annum and an expected holding period of two years. The estimated value of these options was expensed in the year ended February 28, 2001. These options are subject to certain anti-dilution provisions and provide registration rights for the underlying shares. The agreement can be terminated in the event of a default under the agreement by either party which is not corrected within 30 days after notice is given.

On August 8, 2000, following certain disagreements concerning Traffix's use of the Company's database, the Company entered into a Forbearance Agreement and amended the security agreement with Traffix. The Company made a \$50,000 payment against the \$500,000 convertible note which was funded personally by its major stockholder/president. The Note was amended to provide for payment on demand. The amended security agreement requires the Company to remit to Traffix, 50% of collections on the outstanding accounts receivable as of August 10, 2000 and 25% of all subsequent accounts receivable collected, within five days. Payments are to be credited, first to interest and then to principal. Traffix is also to receive 50% of all other cash receipts, including additional loans, until the Note is paid. The amended security agreement also includes all accounts of the Company and all security, or guarantees held with respect to the accounts and all account proceeds. In addition, the Company's major stockholder/president personally guaranteed up to \$250,000 of the Note of which \$160,000, (including the two payments of \$50,000 each discussed below) has been paid against this guaranty.

Due to the above amendment, Traffix agreed not to demand payment on the Note or commence any action against the Company, as long as it receives payments for interest and principal of at least \$10,000 per month or collection of the Company's accounts receivable or money from the guarantor, the Company's major stockholder/president, and the Company generates gross revenues of at least \$75,000 per month.

On August 8, 2000, the Company received \$300,000 from American Warrant Partners, LLC ("AWP") evidenced by an 8% convertible subordinated promissory note (see below). The Company did not remit 50% of the cash proceeds of this note, as

Edgar Filing: LCS GOLF INC - Form PRE 14A

required by the Forbearance Agreement, which put the Company into default under its agreement with Traffix. The Company has not obtained a waiver of the default, however, the major stockholder/president personally made two payments of \$50,000 each towards the principal and interest on the Traffix Note. The Company recorded these payments as a loan from its stockholder/president. In addition, the Company agreed to remit 50% (formerly 25%) of cash received from new accounts receivable.

On May 16, 2001, the Company entered into an agreement Traffix, Inc. which amended the aforementioned Forbearance Agreement dated August 8, 2000. The Company agreed to pay \$10,000 on signing. Upon the closing of the AWP financing (see Note G), Traffix was to be paid an additional \$10,000. Commencing on June 1, 2001, the Company agreed to a payment schedule of a minimum of \$10,000 per month. Since May 16, 2001 the Company has not made all of the required \$10,000 monthly payments to Traffix, as called for by the amended Forebearance Agreement. As a result, as of August 31, 2002, the Company is in default of its amended Forbearance Agreement with Traffix.

NOTE C - DEBT NOT IN COMPLIANCE WITH TERMS

[1] On August 8, 2000, AWP loaned the Company \$300,000 evidenced by 8% convertible subordinated promissory note with a maturity date of August 8, 2002. The note is convertible, at the option of AWP, into common stock at \$.25 per share (market price of \$.4375 per share), subject to adjustment which resulted in a discount of the note of approximately \$201,000. This discount was immediately recognized as interest expense due to the ability of AWP to convert the note at any time. Interest is payable quarterly commencing on September 30, 2000. The Company also issued a five-year warrant expiring on August 8, 2005 to purchase 600,000 shares of common stock, exercisable at \$.40 per share, subject to adjustment, to be exercised in whole or in part. The value of this warrant at grant date, utilizing the Black-Scholes option-pricing model, was approximately \$260,000. The assumptions used in determining the value was an expected volatility of 227%, an average interest rate of 6.06% per annum and an expected holding period of five years. The allocated value of the warrant is \$99,000. This amount is to be amortized over the life of the two-year note, or shorter if exercised earlier. Based upon the values ascribed to the convertibility feature of the note and the warrant, the Company has recorded additional interest expense of approximately \$228,000 during the year ended February 28, 2001. The Company also entered into a registration rights agreement whereby a Registration Statement for the shares is to be filed as soon as reasonably practicable but not later than September 15, 2000. The Company did not file the Registration Statement by September 15, 2000 and since a Registration Statement was not declared effective by November 15, 2000, the terms of the agreement are that for each 30-day period that the Registration Statement is not declared effective, the conversion price of \$0.25 of the convertible note and the warrant exercise price of \$0.40 will each be reduced by 2% per 30-day period, until the exercise price reaches \$0.05. Pursuant to this provision, at February 28, 2002, the reduced conversion price and the exercise prices were each \$0.04 respectively. In addition, the interest rate on the convertible note will increase 2% for each 30-day period, not to exceed 15%. Pursuant to this provision, the Company has recorded interest expense of \$2,000 and \$8,000

Edgar Filing: LCS GOLF INC - Form PRE 14A

for the three and six months ended August 31, 2002, respectively. As of August 31, 2002, the interest rate was 15%. Certain officers and directors agreed to a lock-up agreement restricting their right to sell, transfer, pledge or hypothecate or otherwise encumber their shares until the earlier of 1) the one year anniversary of the agreement, 2) the effective date of the Registration Statement or 3) until the Company raises \$1,000,000 in equity or debt financing. The Company agreed to recommend and use its best efforts to elect a representative of AWP to the Board of Directors until one year from the date of the agreement or until the Company raises \$1,000,000 in equity or debt financing.

On May 16, 2001, the Company entered into an amendment, waiver and consent relating to the 8% convertible subordinated promissory note, warrant, and registration rights agreement revising the conversion price of the promissory note and the exercise price of the warrant to the lower of \$0.12 or 80% of the current market price on the date immediately preceding the date of the exercise or conversion. The Company is required to register the underlying common stock in a registration statement to be filed in connection with a proposed new investment no later than 60 days from June 15, 2001, in consideration for which, AWP has agreed to waive any penalty provisions with respect to the filing of the registration statement and consent to the issuance of common stock below the then applicable conversion or exercise price of the promissory note and warrant relating to the financing received on May 24, 2001.

NOTE C - DEBT NOT IN COMPLIANCE WITH TERMS (CONTINUED)

[1] (continued)

Pursuant to this amendment of the Conversion and Exercise price, the Company recorded a charge of approximately \$239,000 during the quarter ended May 31, 2001, which represents the beneficial conversion feature resulting from the difference between the fair market value of the shares at the effective date of the amendment and the effective conversion rate of the note.

[2] On May 24, 2001, the Company entered into an agreement with Private Capital Group, LLC ("PCG") (an entity related to AWP) for the sale of \$200,000 of 8% convertible debentures with Private Capital Group, LLC ("PCG") (an entity related to American Warrant Partners) which can be converted at any time by the holder or will automatically convert into common stock in five years, at the lower of \$0.12 per share or 80% of the market price as defined. The \$200,000 Note has been personally guaranteed by the Company's major stockholder/president with 750,000 of his shares of the Company's stock being held in escrow. The Company also agreed to file a registration statement for the shares but no later than sixty calendar days from June 15, 2001. The Company did not file the registration statement within the sixty-day period. The lenders waived this noncompliance. At February 28, 2002, the Company had received \$175,000 of proceeds from this note. The Company has recorded a charge of \$175,000 for the year ended February 28, 2002. The charge represents the beneficial conversion feature resulting from the differences between the fair market value of the shares at the date of issuance of the debt and the effective

Edgar Filing: LCS GOLF INC - Form PRE 14A

conversion rate for the convertible debentures.

On January 31, 2002, the Company was notified that it was in default of its convertible debentures agreements with Private Capital Group, LLC ("PCG") and its 8% convertible subordinated promissory note to American Warrant.

As of January 31, 2002 the Company had not filed its quarterly report on Form 10-QSB for the period ending November 30, 2001 within the time required pursuant to Rule 13a-13 of the Securities Exchange Act of 1934. PCG considered this to be an event of default as defined in the debenture agreement and demanded that the Company cure this default within thirty business days in accordance with the debenture agreement. The Company believed that it cured this default with the filing of this Form 10-QSB for the period ending November 30, 2001 on February 11, 2002.

The Company has not paid the interest due on the promissory note, which American Warrant considers this to be an event of default under the note. This default was not cured within twenty calendar days therefore, the principal and accrued interest are payable immediately.

On June 28, 2002, the Company entered into an Agreement and Release with AWP and PCG, the holders of the Company's 8% convertible promissory notes. The Agreement and Release addresses the Company's noncompliance with the terms of the 8% convertible promissory notes.

NOTE C - DEBT NOT IN COMPLIANCE WITH TERMS (CONTINUED)

Pursuant to the Agreement and Release, AWP and PCG in the aggregate converted \$200,000 of the 8% convertible promissory notes at a price of \$0.04 per share, as adjusted, for an aggregate of 5,000,000 shares of the Company's common stock. Should the price of the Company's stock not reach and remain at \$0.50 per share for a minimum period of thirty trading days within 120 days of a merger with an operating company, at an average volume of 150,000 shares per day, then the Company will issue a total of an additional 6,000,000 shares of its common stock to AWP and PCG. Since a merger with an operating company did not occur within thirty days of the aforementioned agreement and release, AWP and PCG have the option to receive immediate repayment of their notes or to receive the additional 6,000,000 shares of common stock. On November 26, 2002, the Company issued the aforementioned 6,000,000 shares of common stock to AWP and PCG.

Also pursuant to the Agreement and Release described above, AWP exercised the warrants that were issued in conjunction with the 8% convertible promissory notes. These warrants were exercised on a cashless basis into 512,951 shares of the Company's common stock.

The 800,000 shares that had been held in escrow as security for the promissory notes were released and returned to the Company's president and chief executive officer.

NOTE D - Bridge Note

On May 28, 2002, the Company entered into a loan agreement with a third party for \$75,000. In conjunction with this loan the Company also granted the third party 200,000 shares of the Company's common stock. The Company's president, chief executive officer and principal stockholder had personally pledged 2,000,000 shares of the Company common stock as collateral for the loan. The Company defaulted on the aforementioned loan when it was not able to make the required repayment of \$75,000 on June 11, 2002. Pursuant to the loan agreement, the Company was required to issued 10,000 shares of the Company's Common Stock ("Penalty Shares") to the third party for each day the loan is past due.

On May 1, 2003 the Company repaid the \$75,000 loan from the third party. In addition the Company has agreed to issue 1 million shares of it's common stock in full settlement of the default provisions under the note. In order to issue these shares the Company must amend its certificate of incorporation to increase the number of shares it is authorized to issue. The Company has also agreed to issue an additional 100,000 shares of common stock to the third party if the certificate of incorporation is not amended within six months. The third party also received piggyback registration rights with respect to the aforementioned shares. Concurrent with the repayment of the loan, the third party has also released 2 million shares of the Company's stock to the Company's major stockholder/president that the third party had been holding as collateral for the loan.

NOTE E - Convertible Debt

During May, 2003, the Company entered into an agreement to borrow funds, payable on demand, with no interest, and will be convertible into common stock of the Company at \$.03 per share. Since the current loan agreement provides that the authorized number of shares required to convert the loan is subject to shareholder approval, a commitment date has not occurred. Upon approval for an increase in the authorized number of shares, a substantial charge may be incurred representing the beneficial conversion feature on the difference between the stated conversion of \$.03 per share and the market price. At August 31, 2003, such charge could amount to the full loan proceeds under this agreement. As of October 21, 2003, shareholder approval for such change in authorized shares has not been effectuated.

As of October 22, 2003, \$381,853 has been borrowed under this agreement.

NOTE F - Settlement of Litigation

On May 1, 2003 a complaint naming the Company and its two officers was filed by a third party in Palm Beach County, Florida. The complaint alleged a breach of contract and contained allegations of losses of \$1,625,000 plus securities and other compensation. The Company entered into a settlement agreement on September 5, 2003. The settlement calls for the issuance of 100,000 shares of the Company's common stock and payment of \$10,000 in cash. The Company accrued this settlement as of August 31, 2003, the common stock being valued at \$12,000 based upon the market price on the settlement date.
