SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon its review of the copies of the Forms 3, 4 and 5 received by Synopsys and/or written representations from certain reporting persons, Synopsys believes that each of its directors, officers, and greater than ten percent beneficial owners of its shares during the fiscal year ended November 3, 2001 has complied with all filing requirements applicable to such persons during such fiscal year, except that an amended Form 4 was filed on behalf of Vicki Andrews to reflect the sale of additional shares sold as part of a previously reported transaction, which additional sale was not timely reported.

All grants for each of the named executive officers were made pursuant to the 1992 stock option plan. In accordance with the rules of the SEC, the table sets forth the hypothetical gains or "option spreads" that would exist for the options at the end of their respective ten-year terms based on assumed annualized rates of compound stock price appreciation of 5% and 10% from the dates the options were granted to the end of their respective option terms. Actual gains, if any, on option exercises are dependent on the future performance of the Synopsys common shares and overall market conditions. There can be no assurance that the potential realizable values shown in this table

Edgar Filing: SYNOPSIS INC - Form 10-K/A

will be achieved. No stock appreciation rights were granted to such officers during fiscal 2001.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT ARRANGEMENTS AND CHANGE OF CONTROL AGREEMENTS

Under Synopsys' 1992 stock option plan, in the event of certain changes in the ownership or control of Synopsys involving a "Corporate Transaction," which includes an acquisition of Synopsys by merger or asset sale, all outstanding options under the 1992 stock option plan will automatically become exercisable, unless the option is assumed by the successor corporation, or parent thereof, or replaced by a comparable option to purchase shares of the capital stock of the successor corporation, or parent thereof.

In addition, in the event of a successful hostile tender offer for more than 50% of the outstanding Synopsys common shares or a change in the majority of the Synopsys board of directors as a result of one or more contested elections for membership on the Synopsys board of directors, the administrator of the 1992 stock option plan has the authority to provide for the acceleration of vesting of the Synopsys common shares subject to outstanding options under the 1992 stock option plan.

Synopsys has entered into Employment Agreements, effective October 1, 1997, with its Chief Executive Officer and its President and an Employment Agreement with its Chief Financial Officer, effective May 10, 2000. Each Employment Agreement provides that if the executive is terminated involuntarily other than for cause within 24 months of a change of control, (a) the executive will be paid an amount equal to two times the sum of the executive's annual base pay plus target cash incentive, plus the cash value of the executive's health benefits for the next 18 months and (b) all stock options held by the executive will immediately vest in full. If the executive is terminated involuntarily other than for cause in any other situation, the executive will receive a cash payment equal to the sum of the executive's annual base pay for one year plus the target cash incentive for such year, plus the cash value of the executive's health benefits for 12 months. The terms "involuntary termination," "cause" and "change of control" are defined in each Employment Agreement, each of which is filed with the SEC.
