Table of Contents**Item 6. Indemnification of Directors and Officers.**

Chapter 17, Subchapter D of the Pennsylvania Business Corporation Law of 1988, as amended (the "PBCL"), contains provisions permitting indemnification of officers and directors of a business corporation incorporated in Pennsylvania. Sections 1741 and 1742 of the PBCL provide that a business corporation may indemnify directors and officers against liabilities and expenses they may incur as such in connection with any threatened, pending or completed civil, administrative or investigative proceeding, provided that the particular person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. In general, the power to indemnify under these sections does not exist in the case of actions against a director or officer by or in the right of the corporation if the person otherwise entitled to indemnification shall have been adjudged to be liable to the corporation unless it is judicially determined that, despite the adjudication of liability but in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnification for specified expenses. Section 1743 of the PBCL provides that the corporation is required to indemnify directors and officers against expenses they may incur in defending actions against them in such capacities if they are successful on the merits or otherwise in the defense of such actions.

Section 1713 of the PBCL permits the shareholders to adopt a bylaw provision relieving a director (but not an officer) of personal liability for monetary damages except where (i) the director has breached the applicable standard of care, and (ii) such conduct constitutes self-dealing, willful misconduct or recklessness. This section also provides that a director may not be relieved of liability for the payment of taxes pursuant to any federal, state or local law or of responsibility under a criminal statute.

Section 1746 of the PBCL provides that the indemnification provisions above are not exclusive of the right to which a person seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise, except in circumstances where the act or failure to act giving rise to the claim for indemnification is determined by a court to have constituted willful misconduct or recklessness.

Section 1747 of the PBCL permits a corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a representative of another corporation or other enterprise, against any liability asserted against such person and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the corporation would have the power to indemnify the person against such liability under Chapter 17, Subchapter D of the PBCL.

Article 9th of the Registrant's Second Amended and Restated Articles of Incorporation (the "Articles") provides that a director or officer of the Registrant shall not be personally liable for monetary damages as such (including, without limitation, any judgment, amount paid in settlement, penalty, punitive damages or expense of any nature (including, without limitation, attorneys' fees and disbursements) for any action taken, or any failure to take any action, unless the director or officer has breached or failed to perform the duties of his or her office under the Articles or the Amended and Restated Bylaws (the "Bylaws"), of the Registrant or applicable provisions of law and the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness.

Section 12 of Article III of the Registrant's Bylaws also limits the personal liability of directors for monetary damages for any action taken, or any failure to take any action, unless the director has breached or failed to perform the duties of his or her office. The limitation on monetary liability does not extend to breaches of duty constituting self-dealing, willful misconduct or recklessness and does not relieve a director of liability for the payment of any taxes pursuant to local, state or federal law, or liability or responsibility pursuant to any criminal statute.

Article IX of the Registrant's Bylaws provides, except as expressly prohibited by law, an unconditional right to indemnification for expenses and any liability paid or incurred by any director or officer of the Registrant, or any other person designated by the board of directors as an indemnified representative, in connection with any actual or threatened claim, action, suit or proceeding (including derivative suits) in which he or she may be involved by reason of being or having been a director, officer, employee or agent of the Registrant, or at Registrant's request, a director, officer, manager, employee, agent, fiduciary or trustee of another corporation, partnership, limited liability

company, joint venture, trust, employee benefit plan or other entity or enterprise. The Bylaws specifically authorize indemnification against both judgments and amounts paid in settlement of derivative suits, as well as indemnification for punitive damages.

Unlike the provisions of PBCL Section 1744, which sets forth procedures for effecting indemnification (but consistent with Section 1746 of the PBCL), Article IX of the Bylaws does not require us to determine the availability of indemnification by first following certain prescribed procedures. A person who has incurred an indemnifiable expense or liability has a right to be indemnified independent of any procedures or determinations that otherwise would be required, and that right is enforceable against us as long as indemnification is not prohibited by law. To the extent indemnification is permitted only for a portion of a liability, the Bylaw provisions require us to indemnify such portion. If the indemnification provided for in Article IX is unavailable for any reason in respect of any liability or portion thereof, the Bylaws require us to make a contribution toward the liability. Indemnification rights under the Bylaws do not depend upon the approval of any future Board of Directors.

Section 4 of Article IX of the Bylaws authorizes us to further effect or secure our indemnification obligations by entering into indemnification agreements, maintaining insurance, creating a reserve, trust, escrow, cash collateral or other fund or account, granting a security interest in our assets or property, establishing a letter of credit or using any other means that may be available from time to time. The Registrant maintains a directors and officers liability insurance policy that affords directors and officers with insurance coverage for losses arising from claims based on breaches of duty, negligence, error and other wrongful acts.

Item 9. **Undertakings.**

The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;

Table of Contents

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act and each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
