Item 4. Changes in Registrant's Certifying Accountant.

On May 23, 2002, St. Mary Land & Exploration Company ("St. Mary") dismissed Arthur Andersen LLP ("Andersen") as St. Mary's independent accountants. The St. Mary audit committee and board of directors approved this dismissal.

Andersen's reports on St. Mary's financial statements for the last two fiscal years did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty or audit scope. In addition, there were no modifications as to accounting principles except that the audit report of Andersen for the fiscal year ended December 31, 2001 contained an explanatory paragraph with respect to the change in the method of accounting for derivative instruments effective January 1, 2001 as required by the Financial Accounting Standards Board.

During the two most recent fiscal years and the interim period from January 1, 2002 to the date of the dismissal of Andersen on May 23, 2002, there were no disagreements between St. Mary and Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to the satisfaction of Andersen would have caused them to make reference to the subject matter thereof in connection with their reports.

As required under Securities and Exchange Commission rules, St. Mary

Such letter by Andersen stating its agreement with the statements as to Andersen under this Item 4 is furnished as Exhibit 16.1 to this report.
