Item 7.01 Regulation FD Disclosure.

The management of Chesapeake Energy Corporation (the “Company”) will present at the 2017 UBS Global Oil and Gas Conference on Wednesday, May 24, 2017. A slide presentation of materials to be presented at the conference will be accessible via the Investor Presentations section of the Company’s website: <http://www.chk.com/investors/presentations>.

The information in this Form 8-K is being furnished, not filed, pursuant to Item 7.01. Accordingly, the information will not be incorporated by reference into any document filed by the Company under the Securities Act of 1933, as amended (the “Securities Act”), except as set forth by specific reference in such filing.

Item 8.01 Other Events.

On May 22, 2017, the Company and certain subsidiary guarantors named therein (collectively, the “Guarantors”) entered into a purchase agreement (the “Purchase Agreement”) with Citigroup Global Markets Inc., as representative of the several initial purchasers named therein (collectively, the “Purchasers”), under which the Company agreed to sell \$750,000,000 aggregate principal amount of 8.00% Senior Notes due 2027 (the “Notes”) in a private placement (the “Private Placement”) conducted pursuant to Rule 144A and Regulation S under the Securities Act. At closing, the Notes are to be issued at par for net proceeds of approximately \$741,000,000, after deducting the Purchasers’ discount and estimated expenses of the offering. The closing of the issuance of the Notes is expected to occur on June 6, 2017.

The Company intends to use the net proceeds from the Private Placement, together with cash on hand and borrowings under its credit facility (if required), to fund the purchase price of its tender offers that commenced on May 22, 2017 for the Company’s 6.625% Senior Notes due 2020, 6.875% Senior Notes due 2020, 6.125% Senior Notes due 2021, 5.375% Senior Notes due 2021, and 8.00% Senior Secured Second Lien Notes due 2022 (the “Tender Offers”). If the Tender Offers are not consummated or the net proceeds from the offering exceed the total consideration payable in the Tender Offers, the Company intends to use the remaining net proceeds for general corporate purposes, which may include the repayment of outstanding indebtedness under its credit facility and the repayment or repurchase of other indebtedness.

To the extent the Purchasers or their affiliates own any of the Company’s senior notes and the Company repurchases or repays such senior notes using the net proceeds from the Private Placement, they will receive a portion of such net proceeds.

The Purchase Agreement contains customary representations, warranties and agreements of the Company and the Guarantors and customary indemnification rights.

The foregoing description of the Purchase Agreement is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this report.

This current report does not constitute an offer to sell, or a solicitation of an offer to buy, nor shall there be any sale of the securities in any state or jurisdiction in which such offer, solicitation or sale is unlawful. Any offers of the securities will be made only by means of a confidential offering circular pursuant to Rule 144A and Regulation S under the Securities Act.

Although we believe the expectations and forecasts reflected in our forward-looking statements are reasonable, we can give no assurance they will prove to have been correct.
