Item 1.01. Entry Into a Material Definitive Agreement.

Business Combination Agreement and Plan of Merger

On August 10, 2015, Terex Corporation ("Terex" or the "Company") entered into a Business Combination Agreement and Plan of Merger (the "BCA") with Konecranes Plc, a Finnish public company limited by shares ("Konecranes"), Konecranes, Inc., a Texas corporation and an indirect wholly owned subsidiary of Konecranes ("Kone, Inc."), Konecranes Acquisition Company LLC, a Delaware limited liability company and a newly formed, wholly owned subsidiary of Kone, Inc. ("Merger Sub"). The combined company that will result from the transaction will be called Konecranes Terex Plc.

Pursuant to the BCA, Terex shareholders will receive 0.8000 of a Konecranes share for each existing Terex share ("Exchange Ratio"). Equivalent terms will apply to instruments granted under Terex's long-term incentive plans. Upon closing of the transaction, based on current fully diluted shares outstanding, Terex shareholders will own approximately 60% and Konecranes shareholders will own approximately 40% of the combined company. The proposed transaction is structured as a reverse triangular merger under Delaware law, in which Merger Sub, merges with and into Terex, with Terex surviving as an indirect wholly-owned subsidiary of Konecranes and Terex shareholders, option holders and other equity right holders receiving Konecranes shares and options in accordance with the exchange ratios set out above as merger consideration (the "Business Combination").

The BCA includes undertakings by Terex and Konecranes that are typical in similar transactions and include e.g. undertakings by both companies to conduct their businesses in the ordinary course before the completion of the merger, to cooperate in making the necessary regulatory filings, undertakings not to initiate, solicit, facilitate or encourage any offers or proposals competing with the transaction, and to inform each other and provide each other with an opportunity to negotiate in matters arising from such offers or proposals.

The Boards of Directors of Terex and Konecranes have undertaken, subject, inter alia, to each of their fiduciary duties, to issue recommendations to their shareholders to approve and authorize the consummation of the transactions contemplated by the BCA, including the merger. These recommendations may be modified, cancelled or changed in certain circumstances to comply with the fiduciary duties of the Terex and Konecranes Boards of Directors, including (i) the receipt of a competing, more favorable offer or proposal, and (ii) the occurrence of certain changes or events which are currently unknown and not reasonably foreseeable.

The BCA may be terminated by Terex or Konecranes under certain circumstances prior to the completion of the merger, including, for example, a material breach by either party of the terms and conditions of the BCA, the Board of Directors of either party not issuing or amending in an adverse manner its recommendation, non-receipt of regulatory approvals, and certain other circumstances. The parties have further agreed on certain termination fees customary in similar transactions and payable to the other party under certain circumstances, including e.g. a failure by either party to obtain the requisite shareholder approval, or a change or withdrawal of the recommendation by the Board of Directors of either party.

The transaction is subject to approval by both Terex and Konecranes shareholders, regulatory approvals, the listing of the Konecranes shares or ADS on the New York Stock Exchange or another U.S. national securities exchange reasonably acceptable to Konecranes and Terex, no change in certain legal and tax assumptions, the absence of any material adverse effect occurring with respect to Konecranes or Terex, and other customary conditions. Terex and Konecranes expect to convene meetings of their shareholders to approve the transaction in early 2016. Closing of the transaction is expected to occur during the first half of 2016.

Terex and Konecranes will form an integration steering committee to make recommendations on the optimal business, corporate, financial, operation and strategic structure for the holding of the businesses of Terex and Konecranes and

their subsidiaries following the closing of the transaction.

Upon closing of the transaction, the combined company will have a Board of Directors comprising nine members, of which five Directors will be nominated by Terex and four Directors will be nominated by Konecranes. Konecranes' current Chairman of the Board will become Konecranes Terex's Chairman and the Terex CEO will become Konecranes Terex's CEO.

The foregoing summary is qualified in its entirety by reference to the BCA, a copy of which will be included as Exhibit 99.1 to this Form 8-K. Copies of press releases announcing the Terex and Konecranes entry into the BCA are included as Exhibits 99.2 and 99.3 to this Form 8-K and a copy of a presentation relating to the BCA and the Business Combination is included as Exhibit 99.4 to this Form 8-K.

The representations, warranties and covenants of the parties contained in the BCA have been made solely for the benefit of the parties thereto. In addition, such representations, warranties and covenants (i) have been made only for purposes of the BCA, (ii) have been qualified by confidential disclosures made by the parties to each other in connection with the BCA, (iii) are subject to materiality qualifications contained in the BCA which may differ from what may be viewed as material by investors, (iv) were made only as of the date of the BCA or such other date as is specified in the BCA and (v) have been included in the BCA for the purpose of allocating risk between the contracting parties rather than establishing matters as facts. Accordingly, the BCA is included with this report only to provide investors with information regarding the terms of the BCA, and not to provide investors with any other factual information regarding the parties or their respective businesses. Investors should not rely on the representations, warranties or covenants, or any descriptions thereof, as characterizations of the actual state of facts or condition of the parties or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the BCA, which subsequent information may or may not be fully reflected in the parties' public disclosures. The BCA should not be read alone, but should instead be read in conjunction with the other information regarding the parties and the Business Combination that is or will be contained in, or incorporated by reference into, the Registration Statement on Form F-4 and the proxy statement/prospectus and other documents that Konecranes and Terex will file with the Securities and Exchange Commission ("SEC") in connection with the Business Combination.

The foregoing summary is qualified in its entirety by reference to the Commitment Letter, a copy of which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2015.

#### TFS Securitization

On August 10, 2015, Terex through certain of its subsidiaries, entered into an Amendment and Agreement (the "Amendment") to the Loan and Security Agreement (the "Securitization Facility") among TFS Funding I, LLC, Terex Financial Services, Inc., Institutional Secured Funding (Jersey) Limited, Credit Suisse AG (Cayman Islands Branch) and Credit Suisse AG (New York Branch). The principal change contained in the Amendment is that the Business

Combination will not constitute a change in control for purposes of the Securitization Facility and provided clarity regarding downgrade events after the closing of the Business Combination.

The foregoing summary is qualified in its entirety by reference to the Amendment, a copy of which will be filed as an exhibit to the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2015.

Credit Suisse is party to other agreements with the Company and its subsidiaries, including having acted as financial advisor for Terex in the Business Combination and the provision of commercial banking, investment banking, trustee and/or other financial services in the ordinary course of business of the Company and its subsidiaries.
