To Be Held May 5, 2008**

This proxy statement is being furnished to shareholders by the Board of Directors (the Board) of First Business Financial Services, Inc. (the Company) beginning on or about April 3, 2008 in connection with a solicitation of proxies by the Board for use at the annual meeting of shareholders to be held on Monday, May 5, 2008, at 6:00 P.M., local time, at the Fluno Center for Executive Education at 601 University

Edgar Filing: First Business Financial Services, Inc. - Form DEF 14A

Avenue, Madison Wisconsin 53715, and all adjournments or postponements thereof (the Annual Meeting) for the purposes set forth in the attached Notice of Annual Meeting of Shareholders.

Execution of a proxy given in response to this solicitation will not affect a shareholder's right to attend the Annual Meeting and to vote in person. Presence at the Annual Meeting of a shareholder who has signed a proxy does not in itself revoke a proxy. Any shareholder giving a proxy may revoke it at any time before it is exercised by giving notice thereof to the Company in writing or at the annual meeting.

A proxy, in the enclosed form, that is properly executed, duly returned to the Company and not revoked, will be voted in accordance with the instructions contained in the proxy. The shares represented by executed but unmarked proxies will be voted FOR the three persons nominated for election as directors referred to in the proxy statement, and on such other business or matters which may properly come before the Annual Meeting in accordance with the best judgment of the persons named as proxies in the enclosed form of proxy. Other than the election of three directors, the Board has no knowledge of any matters to be presented for action by the shareholders at the Annual Meeting.

Only holders of record of the Company's common stock, par value \$0.01 per share (the Common Stock), at the close of business on March 5, 2008 are entitled to vote at the Annual Meeting. On that date, the Company had outstanding and entitled to vote 2,510,657 shares of Common Stock, each of which is entitled to one vote per share.

ELECTION OF DIRECTORS

The Company's By-Laws provide that the directors shall be divided into three classes, with staggered terms of three years each. At the Annual Meeting, the shareholders will elect three directors to hold office until the 2011 annual meeting of shareholders and until their successors are duly elected and qualified. Unless shareholders otherwise specify, the shares represented by the proxies received will be voted in favor of the election as directors of the three persons named as nominees herein. The Board has no reason to believe that the listed nominees will be unable or unwilling to serve as directors if elected. However, in the event that any nominee should be unable to serve or for good cause will not serve, the shares represented by proxies received will be voted for another nominee selected by the Board. Each director will be elected by a plurality of the votes cast at the Annual Meeting (assuming a quorum is present). Consequently, any shares not voted at the Annual Meeting, whether due to abstentions, broker non-votes or otherwise, will have no impact on the election of the directors. Votes will be tabulated by an inspector of elections appointed by the Board.

The following sets forth certain information, as of February 29, 2008, about the Board's nominees for election at the Annual Meeting and each director of the Company whose term will continue after the Annual Meeting.

BOARD OF DIRECTORS

Independent Directors and Annual Meeting Attendance

Of the nine directors currently serving on the Board of Directors, the Board has determined that Leland C. Bruce, Mark D. Bugher, Jan A. Eddy, Loren D. Mortenson, John M. Silseth, Dean W. Voeks and Gary E. Zimmerman are independent directors as that term is defined in the listing standards of The Nasdaq Stock Market, Inc.

Directors are expected to attend the Company's annual meeting of shareholders each year. Eight of the nine directors who were directors at the time of the Company's 2007 Annual Meeting attended the meeting.

Committees

The Board held six meetings in 2007. Each director who was a director in 2007 attended at least 75% of the aggregate of (1) the total number of meetings of the Board during the period in which the director served and (2) the total number of meetings held by all committees of the Board on which such director served during the period in which the director served in 2007.

The Board has a standing Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee. Each of these committees has the responsibilities set forth in formal written charters adopted by the Board. Copies of these charters are available free of charge on the Company's website located at www.firstbusiness.com.

The Audit Committee's primary function is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the financial statements of the Company. The Audit Committee presently consists of Dean W. Voeks (Chair), Mark D. Bugher, Jan A. Eddy and John M. Silseth, each of whom meets the independence standards of The Nasdaq Stock Market, Inc. and the Securities and Exchange Commission for audit committee members. The Board has determined that John M. Silseth qualifies as an audit committee financial expert, as that term is defined by the Securities and Exchange Commission, because he has the requisite attributes through his education and experience. The Audit Committee held five meetings in 2007.

The Compensation Committee reviews and recommends to the Board the compensation structure for the Company's directors, officers and other managerial personnel, including salary rates, participation in incentive compensation and benefit plans, fringe benefits, non-cash perquisites and other forms of compensation, and administers the Company's equity incentive plans. Gary E. Zimmerman (Chair), Leland C. Bruce, Mark D. Bugher and Loren D. Mortenson are the current members of the Compensation Committee. The Compensation Committee held five meetings in 2007.

The Corporate Governance and Nominating Committee's primary functions are to: (1) recommend persons to be selected by the Board as nominees for election as directors, (2) recommend persons to be elected to fill any vacancies on the Board, (3) lead the Board in its annual review of Board performance and (4) develop and recommend to the Board corporate governance principles, policies and procedures. The Corporate Governance and Nominating Committee consists of Gary E. Zimmerman (Chair), Leland C. Bruce, Jan A. Eddy and Dean W. Voeks each of whom meets the independence standards of The Nasdaq Stock Market, Inc. for nominating committee members. The Corporate Governance and Nominating Committee held three meetings in 2007.

Nominations of Directors

The Corporate Governance and Nominating Committee will consider persons recommended by shareholders to become nominees for election as directors. Recommendations for consideration by the Corporate Governance and Nominating Committee should be sent to the Corporate Secretary of the Company in writing together with appropriate biographical information concerning each proposed nominee. The Company's By-laws also set forth certain requirements for shareholders wishing to nominate director candidates directly for consideration by the shareholders. With respect to an election of directors to be held at an annual meeting, a shareholder must, among other things, give notice of an intent to make such a nomination to the Corporate Secretary of the Company not less than 60 days or more than 90 days prior to the date of the previous year's annual meeting (subject to certain exceptions if the annual meeting is advanced or delayed a certain number of days).

In identifying and evaluating nominees for director, the Corporate Governance and Nominating Committee seeks to ensure that the Board possesses, in the aggregate, the strategic, managerial and financial skills and experience necessary to fulfill its duties and to achieve its objectives, and seeks to ensure that the Board is comprised of directors who have broad and diverse backgrounds, possessing knowledge in areas that are of importance to the Company. The Corporate Governance and Nominating Committee looks at each nominee on a case-by-case basis regardless of who recommended the nominee. In looking at the qualifications of each candidate to determine if their election would further the goals described above, the Corporate Governance and Nominating Committee takes into account all factors it considers appropriate, which may include strength of character, mature judgment, career specialization, relevant technical skills or financial acumen, diversity of viewpoint and industry knowledge. In addition, the Board and the Corporate Governance and Nominating Committee believe that the following specific qualities and skills are necessary for all directors to possess:

A director must display high personal and professional ethics, integrity and values.

A director must have the ability to exercise sound business judgment.

A director must be accomplished in his or her respective field, with broad experience at the administrative and/or policy-making level in business, government, education, technology or public interest.

A director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.

A director must be independent of any particular constituency, be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.

Edgar Filing: First Business Financial Services, Inc. - Form DEF 14A

A director must have sufficient time available to devote to activities of the Board of Directors and to enhance his or her knowledge of the Company's business.

The Board also believes the following qualities or skills are necessary for one or more directors to possess:

One or more of the directors generally should be active or former executive officers of public or private companies or leaders of major complex organizations, including commercial, scientific, government, educational and other similar institutions.

Directors must be selected so that the Board is a diverse body.

Communications with the Board of Directors

Shareholders may communicate with the Board by writing to First Business Financial Services, Inc., Board of Directors (or, at the shareholder's option, to a specific director), c/o Barbara M. Conley, Corporate Secretary, 401 Charmany Drive, Madison, Wisconsin 53719. The Corporate Secretary will ensure that the communication is delivered to the Board or the specified director, as the case may be.

REPORT OF THE AUDIT COMMITTEE

In accordance with its written charter, the Audit Committee's primary function is to assist the Board in fulfilling its oversight responsibilities by overseeing the Company's accounting and financial reporting processes and the audits of the financial statements of the Company.

In fulfilling its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements contained in the 2007 Annual Report on Form 10-K with the Company's management and independent registered public accounting firm. Management is responsible for the financial statements and the reporting process, including the system of internal controls. The independent registered public accounting firm is responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States.

The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Company's independent registered public accounting firm provided to the Audit Committee the written disclosures required by the Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and the Audit Committee discussed with the independent registered public accounting firm the firm's independence. The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent registered public accounting firm on a case-by-case basis. The Audit Committee has considered whether the provision of the services related to the *Audit-Related Fees, Tax Fees and All Other Fees* set forth in *Miscellaneous Independent Registered Public Accounting Firm* was compatible with maintaining the independence of the independent registered public accounting firm and determined that such services did not adversely affect the independence of the firm.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, for filing with the Securities and Exchange Commission.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, and shall not otherwise be deemed filed under such Acts.

**DISCLOSURE REGARDING TERMINATION AND
CHANGE IN CONTROL PROVISIONS**

On January 1, 2005, First Business Bank, a subsidiary of the Company, amended and restated an agreement with Corey Chambas, President and Chief Executive Officer of the Company and former President and Chief Executive Officer of First Business Bank. The agreement provides Mr. Chambas with retirement and death benefits as well as certain change in control benefits as outlined below.

Mr. Chambas is entitled to a change in control benefit if, within two years after the change in control, one of the following occurs:

- i) The Company terminates Mr. Chambas employment without cause;
- ii) Mr. Chambas terminates his employment within three months after being demoted or moved outside Milwaukee, Ozaukee, Waukesha, or Dane counties;
- iii) Mr. Chambas terminates his employment within three months after his salary is reduced by 10% or more without his agreement;
or
- iv) Mr. Chambas voluntarily terminates his employment within three months of the change in control.

If Mr. Chambas employment is terminated pursuant to (i), (ii), or (iii), the amount of the change in control benefit payable to Mr. Chambas is equal to the aggregate of the fair value of Mr. Chambas unvested stock options and restricted shares issued by the Company calculated as of the date of his termination or separation from employment, plus such additional amount as will, when added to any parachute payment, as defined in Section 280G of the Internal Revenue Code, made to Mr. Chambas contingent upon the change in control, equal 2.99 times his salary. In the event the amount is greater than the amount allowable as defined in Section 280G, Mr. Chambas will be paid the lesser amount. If Mr. Chambas employment is terminated pursuant to (iv), the change in control benefit payable to Mr. Chambas is equal to two times his salary, unless it is greater than the amount allowable as defined in Section 280G, in which event the lesser amount would be paid to Mr. Chambas.

Under the agreement, Mr. Chambas is prohibited from competing with the Company for a period of two years after the termination of his employment.

A change in control of the Company is deemed to have occurred if: (i) any person becomes the beneficial owner of securities of the Company representing at least fifty percent of the combined voting power of the Company's then outstanding securities; (ii) during any twelve consecutive months, individuals who, at the beginning of the twelve month period constitute the Board, cease for any reason to constitute a majority of the Board; provided, however, a change in control shall not occur pursuant to this provision, if a new director is approved by a vote of at least a majority of the directors serving on the Board, and these directors either were directors at the beginning of the twelve month period or whose election or nomination for election was so approved; or (iii) the shareholders of the Company approve: (A) a plan of complete liquidation of the Company; or (B) an agreement for the sale or disposition of all or substantially all of the Company's assets; or (C) a merger, consolidation, or reorganization of the Company with or involving any other corporation, other than a merger, consolidation, or reorganization that would result in the voting securities of the Company outstanding prior thereto continuing to represent at least fifty percent of the combined voting power of the voting securities of the Company (or such surviving entity) outstanding immediately after or within one year following such merger, consolidation, or reorganization.

The following table describes the potential payments upon termination or a change in control for Mr. Chambas. The table assumes that his employment was terminated on December 31, 2007, and the price per share was \$17.50, the closing price of the Company's common stock on December 31, 2007. A description of the circumstances that would trigger payments or the provision of benefits to Mr. Chambas, how such payments and benefits are determined under the circumstances, material conditions and obligations applicable to the receipt of payments or benefits and other material factors regarding the agreement, as well as other material assumptions that the Company has made in calculating the estimated compensation in the following table.

	Termination by Company for Cause or by Executive (\$)	Termination by Company not for Cause (\$)	Death (\$)	Change in Control (\$)	(a) Termination by Company not for Cause or by Executive for Good Reason Following Change in Control (\$)	(a) Voluntary Termination by Executive Within Three Months of a Change in Control (\$)

Total	0	725,500	1,654,875	154,875	728,398	725,500

(a) The total benefit to Mr. Chambas excludes the value received through the acceleration of unvested stock options and restricted stock because the value is transferred upon the occurrence of a change in control and is not contingent upon a separation from the Company.

The amounts listed are those benefits and payments that would become due and payable as if the event occurred on December 31, 2007.

Mr. Chambas' other potential benefits do not become vested either partially or completely until December 1, 2016.

The agreement also provides that, in the event Mr. Chambas dies while in the employ of the Company, the Company shall pay to his designated beneficiary or to his estate, the sum of \$1,500,000. The death benefit is paid over a period of ten years beginning on the 15th day of the month immediately following Mr. Chambas' death. Under normal circumstances, the death benefit is paid in lieu of, rather than in addition to the retirement benefit. If, however, the amount of normal or early retirement benefit Mr. Chambas would be entitled to on the day of his death exceeds the amount of the death benefit, the retirement benefit shall be paid as a replacement for the death benefit.

If Mr. Chambas is terminated for a reason other than cause prior to a change in control or more than two years after a change in control, he will be entitled to a severance benefit equal to the greater of two times his salary (defined above) or the amount of any early or normal retirement benefit. If Mr. Chambas is terminated for cause, all of the Company's obligations to pay any benefit under the agreement shall immediately become null and void. Mr. Chambas is generally prohibited from competing with the Company for a period of two years following the date of his termination of employment.

Cause shall be determined by the Board, in the exercise of good faith and reasonable judgment, and shall generally mean any of the following:

- i) The willful, intentional, and continued failure by Mr. Chambas to substantially perform his duties to the best of his ability after a written demand for performance is delivered by the board to Mr. Chambas that identifies the failure to perform such

- duties if such failure is not remedied within ninety calendar days after receipt of the written demand by Mr. Chambas;
- ii) The occurrence of Mr. Chambas' conviction for committing an act of fraud, embezzlement, theft, or other act constituting a felony substantially related to the circumstances of his duties; or material breach by Mr. Chambas of the bank laws of Wisconsin or the United States or any regulation issued by state or federal regulatory authority having jurisdiction over the banking affairs of the First Business Bank, or any of its subsidiary, parent, or affiliated organizations; or an act that disqualifies Mr. Chambas from serving as an officer or director of a bank under Wisconsin or federal banking laws.
