SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

The following contains forward-looking information and statements about Newmont Mining Corporation, Franco-Nevada Mining Corporation Limited, Normandy Mining Limited and the combined company after completion of the transactions that are intended to be covered by the safe harbor for "forward-looking statements" provided by the Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that are not historical facts. These statements include financial projections and estimates and their underlying assumptions; statements regarding plans, objectives and expectations with respect to future operations, products and services; and statements regarding future performance. Forward-looking statements are generally identified by the words "expect," "anticipates," "believes," "intends," "estimates" and similar expressions. The forward-looking information and statements in this press release are subject to various risks and uncertainties, many of which are difficult to predict and generally beyond the control of Newmont, Franco-Nevada and Normandy Mining, that could cause actual results to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include those discussed or identified in the public filings with the U.S. Securities and Exchange Commission made by Newmont and Normandy, and Franco-Nevada's filings with the Ontario Securities Commission; risks and uncertainties with respect to the parties' expectations regarding the timing, completion and accounting and tax treatment of the transactions, the value of the transaction consideration, production and development opportunities, conducting worldwide operations, earnings accretion, cost savings, revenue enhancements, synergies and other benefits anticipated from the transactions; and the effect of gold price and foreign exchange rate fluctuations, and general economic conditions such as changes in interest rates and the performance of the financial markets, changes in domestic and foreign laws, regulations and taxes, changes in competition and pricing environments, the occurrence of significant natural disasters, civil unrest and general market and industry conditions.

ADDITIONAL INFORMATION AND WHERE TO FIND IT
