CUSIP No. 021060207 SCHEDULE 13D/A Page 4 of 6 Pages

This Amendment No. 1 (“Amendment No. 1”) amends and supplements the statement on Schedule 13D filed with the Securities and Exchange Commission (the “SEC”) on October 13, 2017 (the “Original Schedule 13D,” together with this Amendment No. 1, the “Schedule 13D”) with respect to the common stock, no par value per share (the “Common Shares”), of Alpine Total Dynamic Dividend Fund (the “Issuer”). This Amendment No. 1 amends Items 3, 4, 5(a)-(c) and 7 as set forth below.

Item
3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Item 3 of the Schedule 13D is hereby amended and restated as follows:

Funds for the purchase of the Common Shares were derived from the subscription proceeds from investors in SCMF, SCMF II, SCLMF, SCS, SCEF 1, SCEF 2 and Saba Closed-End Funds ETF, and the capital appreciation thereon and margin account borrowings made in the ordinary course of business. In such instances, the positions held in the margin accounts are pledged as collateral security for the repayment of debit balances in the account, which may exist from time to time. Since other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the Common Shares reported herein. A total of \$70,005,581.25 was paid to acquire the Common Shares reported herein.

Item
4. PURPOSE OF TRANSACTION

Item 4 of the Schedule 13D is hereby amended and supplemented by the addition of the following:

On November 23, 2017, Saba Capital submitted to the Issuer a proposal (the “Proposal”) pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934. The Proposal requests that the Board of Trustees (the “Board”) of the Issuer take all necessary steps in its power to declassify the Board so that all directors are elected on an annual basis starting at the next annual meeting of shareholders. Such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected trustees. The foregoing description of the Proposal is qualified in its entirety by the full text of the Proposal, a copy of which is attached as Exhibit 2 hereto and incorporated by reference herein.

In addition, on November 23, 2017, SCMF II, a fund of Saba Capital, submitted to the Issuer a notice of its intention to nominate one person for election to the Issuer’s Board of Trustees at the 2018 annual meeting of shareholders of the Issuer (the “2018 Annual Meeting”) and to bring a proposal substantially similar to the Proposal to be considered by shareholders of the Issuer at the 2018 Annual Meeting.

The Reporting Persons have engaged, and may continue to engage, in discussions with management and the Board of Trustees of the Issuer regarding the long-term performance of the Issuer and the trading of the Common Shares at a discount to the Issuer’s net asset value.

(a) See rows (11) and (13) of the cover pages to this Schedule 13D for the aggregate number of Common Shares and percentages of the Common Shares beneficially owned by each of the Reporting Persons. Re: Alpine Total Dynamic Dividend Fund (the "Trust")

Dear Mr. Pappert:

Saba Capital Management, L.P. ("Saba"), as investment advisor to and on behalf of Saba II AIV, L.P. (the "Fund" and together with Saba, the "Saba Group"), the owner of 8,715,302 shares of Trust, hereby submits the following proposal on behalf of the Fund pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), for presentation to the Trust's shareholders at the Trust's next annual shareholder's meeting anticipated to be held in May 2018, or any postponement or adjournment or special meeting held in lieu thereof (the "Meeting").

Saba's proposal (the "Proposal") pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (the "Exchange Act") is as follows:

PROPOSAL

"RESOLVED, that the shareholders of Alpine Total Dynamic Dividend Fund (the "Trust") request that the Board of Trustees of the Trust (the "Board") take all necessary steps in its power to declassify the Board so that trustees are elected on an annual basis starting at the next annual meeting of shareholders. Such declassification shall be completed in a manner that does not affect the unexpired terms of the previously elected trustees."

SUPPORTING STATEMENT

Corporate Governance

We believe the annual election of all trustees encourages board accountability to its shareholders and when trustees are held accountable for their actions, they perform better. This view is shared by most shareholders and institutional investors, who believe it to be the standard for corporate governance best practices. The vast majority of companies in the S&P 500 and Russell 1000 indexes elect all board members annually.

Currently, the Board is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board is strong proof that the Board is not acting in the best interests of shareholders. A classified board protects the incumbents, which in turn limits accountability to shareholders.

We are committed to improving the corporate governance of the Trust for the benefit of all shareholders. Declassification of the Board is a positive step which will allow more productive shareholder engagement and will help the Trust achieve its optimal valuation.

Performance

The Trust invested in the midst of one of the biggest bull markets in history; the NASDAQ 100, the Dow Jones Industrial Average and the S&P 500 have generated total returns of 297%, 149% and 129%, respectively, since the Trust's IPO.

Unfortunately, during this ten year period, the Trust's **shareholders have received a total return of -13.3% (including all dividends, interest and distributions)**. This is a tragic loss of value that resulted from mismanagement by the Trust's investment manager, Alpine Woods Capital Investors, LLC ("Alpine").

All shareholders should be furious as each of the three Alpine closed-end funds has generated a negative return over their life. What is most concerning is that during this period of wealth destruction, **Alpine has generated over \$300 million in fees and expenses**.

Saba Capital has submitted a shareholder proposal to declassify the Board of the Trust, and also nominated an independent nominee for the Board seat of Samuel A. Lieber in an attempt to allow the Board to operate freely and in the best interest of shareholders.

For a greater voice in the Trust's corporate governance and to increase the accountability of the Board to shareholders, we urge you to vote **FOR** this proposal.

END OF PROPOSAL

As is required by Rule 14a-8 under the Exchange Act, attached is letter from National Financial Services verifying that the Fund continuously and beneficially owned shares having a market value of \$2,000 or more for at

least one year prior to the date of the submission of the above Proposal. As of the date hereof, the Fund has continuously held the required number of shares for over a one-year period. The Fund intends to continue to hold the shares referenced through the date of the Meeting.

Saba represents that, as investment advisor to the Fund, Saba holds beneficial interest in all shares held by the Fund, including full economic interest in such shares along with the power to invest, vote, or direct the vote of such shares and has full power and authority to submit the Proposal on the Fund's behalf.

Please notify us as soon as possible if you would like any further information or if you believe this notice is deficient in any way or if additional information is required so that Saba may promptly provide it to you in order to cure any deficiency.

Thank you for your time and consideration.

Sincerely,

Michael D'Angelo
