Item 2.01 Completion of Acquisition or Disposition of Assets

On June 18, 2009, SYL, LLC (the "Company"), a wholly owned subsidiary of Syms Corp, entered into, and consummated the transactions contemplated by, an Asset Purchase Agreement ("Purchase Agreement"), dated as of June 18, 2009, by and among the Company, Filene's Basement, Inc. ("Filene's") and FB Leasing Services LLC ("FB Leasing" and together with Filene's, the "Seller").

Pursuant to the Purchase Agreement, the Company acquired real property leases relating to twenty-three Filene's store locations and a distribution center, fixed assets and equipment at such locations, inventory at all Filene's locations (regardless of whether the Company has assumed the real property lease for the subject location), certain of the Seller's contracts, certain intellectual property and certain other related assets. The Company also assumed certain obligations under such contracts of the Seller and the real property leases relating to the acquired locations. Prior to the parties' entry into the Purchase Agreement, the United States Bankruptcy Court for the District of Delaware signed an order dated June 17, 2009, approving the sale of the Seller's assets to the Company pursuant to the Purchase Agreement and in accordance with Sections 105, 363 and 365 of the United States Bankruptcy Code.

The purchase price (the "Purchase Price") paid at closing for the assets acquired by the Company, Vornado Realty Trust and its fifty percent owned joint venture (unrelated to the Company) was \$64,392,120, of which the Company paid \$39,342,120 and, as more fully described below, Vornado and its joint venture paid \$25,050,000.

The Purchase Agreement provides that the Purchase Price consists of (i) \$47,592,120, plus (ii) the amount of the security deposits relating to acquired leases plus (iii) seventy percent of the Seller's cost of acquiring the inventory sold to the Company in the transaction. The Seller and Company calculated the Purchase Price due at closing based on estimates of such security deposits and inventory cost. The Seller and Purchaser agreed to reach a final determination of the foregoing estimated amounts by not later than July 31, 2009 and to adjust the amounts paid or payable by the Company in order to give effect to such final determination.

The Company is also obligated to pay certain cure costs in respect of two of the assumed real estate leases and each of the other assumed contracts.

The Company funded its portion of the Purchase Price, as well as other amounts it paid at closing, as described below, with borrowings under the Company's secured credit facility with Israel Discount Bank.

The \$25,050,000 payment noted above was comprised of:

(a) A joint venture (unrelated to the Company) fifty percent owned by Vornado paying approximately \$16,800,000 of the Purchase Price to acquire from the Seller a termination of the venture's existing lease in Boston, Massachusetts with Seller; and

(b) Vornado funding \$8,250,000 in connection with the Company's agreeing to amend Vornado's lease assumed by the Company at 4 Union Square South in New

York, New York, to provide, among other things, for a minimum \$1,500,000 increase in annual rent. The lease between Vornado and Filene's at Vornado's Bergen Town Center in Paramus, New Jersey was also assumed by the Company.
