SPARTAN STORES, INC.

**ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD AUGUST 7, 2002**

PROXY STATEMENT

Dated July 8, 2002

Introduction

Use of Terms

In this proxy statement, "**we**," "**us**," "**our**" and "**Spartan Stores**" refer to Spartan Stores, Inc., and "**you**" and "**your**" refer to shareholders of Spartan Stores.

Time and Place of the Annual Meeting

You are cordially invited to attend the 2002 annual meeting of shareholders of Spartan Stores. The annual meeting will be held on Wednesday, August 7, 2002, at the Holiday Inn Crowne Plaza Grand Rapids, 5700 28th Street, S.E. Grand Rapids, Michigan 49546, at 10:00 a.m., local time.

Solicitation of Proxies

Your board of directors is furnishing this proxy statement and the enclosed proxy card to you to solicit proxies to be voted on your behalf at the annual meeting and any adjournment of the meeting.

Mailing Date

We began mailing this proxy statement to our shareholders on and after July 8, 2002.

Purposes of the Annual Meeting

The purposes of the annual meeting are to consider and vote on:

election of three directors for three-year terms expiring in 2005; and

any other business that may properly come before the meeting.

*Your board of directors recommends that you vote **FOR** each nominee named in this proxy statement.*

We do not know of any other matters to be presented for consideration at the annual meeting. If any other matters are presented, the persons named as proxies on the enclosed proxy card will have discretionary authority to vote on those matters for you in accordance with their judgment.

Record Date and Shares Outstanding

You may vote at the annual meeting if you were a shareholder of record of Spartan Stores common stock on June 14, 2002. Each shareholder is entitled to one vote per share of Spartan Stores common stock on each matter presented for a shareholder vote at the meeting. As of June 14, 2002, there were 19,810,026 shares of Spartan Stores common stock outstanding.

How to Vote Your Shares

If you properly sign and return the proxy card in the form we have provided, the shares represented by that proxy card will be voted at the annual meeting and at any adjournment of the meeting.

If you specify a choice on the proxy card, your shares will be voted as specified. If you do not specify a choice, your shares will be voted for the election of all nominees named in this proxy statement and, with respect to any other matter that may come before the meeting, in the discretion of the individuals named as proxies on the proxy card.

How to Revoke Your Proxy

If you are a shareholder of record of Spartan Stores, you may revoke your proxy at any time before it is voted at the meeting by doing any of three things:

by delivering written notice of revocation to Spartan Stores' Corporate Secretary, 850 76th Street, S.W., P.O. Box 8700, Grand Rapids, Michigan 49518-8700;

by delivering a proxy card bearing a later date than the proxy that you wish to revoke; or

by attending the meeting and voting in person.

Your last vote that we receive before or at the annual meeting is the vote that will be counted. Please note that merely attending the meeting will not by itself revoke your proxy.

"Street Name" Holders

If you are not a shareholder of record of Spartan Stores, but instead hold your shares in "street name," which means that your shares are registered in the name of a bank, broker or other nominee, which we will collectively refer to as your "**broker**," your broker must vote your shares in the manner you direct if you provide it with proper and timely voting instructions. Please check the voting forms and instructions provided by your broker or its agent. If you are a street name holder and want to change your vote, please contact your broker.

Quorum

To conduct business at the annual meeting, a quorum of shareholders must be present. The presence in person or by properly executed proxy of the holders of a majority of all issued and outstanding shares of Spartan Stores common stock entitled to vote at the meeting is necessary for a quorum. To determine whether a quorum is present, we will include shares that are present or represented by proxy, including abstentions and shares represented by a broker non-vote on any matter. Although broker non-votes count for quorum purposes, we do not count them as votes for or against any proposal. A broker non-vote occurs when a shareholder holds his or her stock through a broker and the broker does not vote those shares. This usually occurs because the broker has not received timely voting instructions from that shareholder and the broker does not have discretionary voting power for the particular item upon which the vote is taken. For street name holders, we believe that your broker will have discretionary authority to vote your shares if you do not provide your broker with timely voting instructions.

Adjournment

The shareholders present at the meeting, in person or by proxy, may by a majority vote adjourn the meeting

despite the absence of a quorum. If a quorum is not present at the meeting, we expect to adjourn the meeting to solicit additional proxies.

Required Votes

Election of Directors. A plurality of the shares voting is required to elect directors. This means that if there are more nominees than positions to be filled, the nominees who receive the most votes will be elected to the open director positions. Abstentions, broker non-votes and other shares that are not voted in person or by proxy will not be included in the vote count to determine if a plurality of shares voted in favor of each nominee.

Required Vote for Other Matters. We do not know of any other matters to be presented at the meeting. Generally, any other proposal to be voted on at the meeting would be approved if a majority of the shares present or represented by proxy at the meeting and entitled to vote on the proposal are voted in favor of the proposal. Abstentions, broker non-votes and other shares that are not voted in person or by proxy would not be included in the vote count to determine if a majority of shares voted in favor of each such proposal.

Election of Directors

The board of directors proposes that the following three individuals be elected as directors of Spartan Stores for three-year terms expiring at the 2005 annual meeting of shareholders:

Elizabeth A. Nickels
Kenneth T. Stevens
James F. Wright

Biographical information concerning the nominees appears below under the heading "The Board of Directors." Ms. Nickels and Mr. Stevens are currently directors of Spartan Stores. Their current terms will expire at the annual meeting.

The persons named as proxies on the proxy card intend to vote for the election of each of the nominees. The proposed nominees are willing to be elected and to serve as directors. However, if any nominee becomes unable to serve or otherwise unavailable for election, which we do not anticipate, the incumbent board of directors may select a substitute nominee. If a substitute nominee is selected, the shares represented by your proxy card will be voted for the election of the substitute nominee, unless you give other instructions. If a substitute is not selected, all proxies will be voted for the election of the remaining nominees. Proxies will not be voted for more than three nominees.

Your board of directors recommends that you vote FOR election of all nominees as directors.

The Board of Directors

General

The board of directors currently consists of nine directors. Assuming that all three nominees are elected, there will be nine directors immediately following the annual meeting. The board of directors is divided into three classes, with each class as nearly equal in number as possible. Each class of directors serves a three-year term, with the term of one class expiring at the annual meeting in each successive year.

Mr. VanGilder has determined to step down as a director effective at the close of Spartan Stores' 2002 annual meeting of shareholders.

-4-

Board and Committee Meetings

Spartan Stores' board of directors held six meetings during the fiscal year ended March 30, 2002, which we refer to as "**fiscal 2002.**" In fiscal 2002, each director attended at least 75% of the total of all meetings of the board of directors and the committees on which he or she served (during the periods that he or she served).

Board Committees

Spartan Stores' board has four standing committees:

the executive committee;

the audit committee;

the compensation committee; and

the nominating committee.

Executive Committee. The executive committee has the full power and authority of the board to manage the business affairs and property of Spartan Stores between meetings of the full board. The executive committee can also declare distributions and dividends and authorize the issuance of stock, as permitted by our bylaws and by applicable laws. In addition, the executive committee recommends to the board a successor to the Chief Executive Officer when a vacancy occurs.

Messrs. Meyer and VanGilder, Ms. Nickels and Dr. Floyd currently serve on the executive committee. Mr. Meyer is the chairperson of the executive committee. The executive committee did not meet during fiscal 2002.

Audit Committee. The audit committee:

recommends to the board the employment of independent accountants;

consults with the internal auditor, if any, and independent accountants regarding the adequacy of internal financial controls;

reviews the compensation, terms of engagement and independence of the independent accountants;

reviews the results of audits by the independent accountants;

reviews the appointment and replacement of the internal auditor; and

reviews the annual financial statements and any disputes between management and the independent accountants.

Ms. Nickels, Dr. Floyd and Messrs. VanGilder and Levine currently serve on the audit committee. Ms. Nickels is the chairperson of the audit committee. The audit committee met four times during fiscal 2002.

The board of directors adopted a written charter for the audit committee, a copy of which was attached as Appendix A to last year's proxy statement.

We believe that all of the members of the audit committee, except Mr. VanGilder, are "independent," as that term is defined in Rule 4200(a)(14) of the Marketplace Rules of the Nasdaq Stock Market. Mr. VanGilder would not be considered "independent" within the meaning of that rule because he is the Chairman of the Board of V.G.'s Food Center, Inc., a retail grocery chain. During each of the past three fiscal years, V.G.'s has purchased grocery products and services from Spartan Stores in excess of the amounts specified in Nasdaq Rule 4200(a)(14). However, the board of directors believes that Mr. VanGilder's wide range of experience in the supermarket and grocery distribution business, his experience in financial matters and his experience as Spartan Stores' Chairman and Vice Chairman of the Board before the August 2000 merger with Seaway Food Town, Inc. make him a valuable member of the audit committee. Accordingly, the board determined, in accordance with Nasdaq Rules 4350(c) and 4350(d)(2)(B), that Mr. VanGilder's membership on the audit committee was in the best interests of Spartan Stores and its

shareholders. As noted above, however, Mr. VanGilder has determined not to be considered as a nominee for re-election and will be stepping down as a director of Spartan Stores effective at the close of the 2002 annual meeting of shareholders.

Compensation Committee. The compensation committee:

administers our stock option, bonus and purchase plans;

in conjunction with the executive committee, recommends to the board of directors the compensation of the Chief Executive Officer;

with input from the Chief Executive Officer, approves the annual incentives, stock options and other benefits of other corporate officers;

authorizes the issuance of stock pursuant to our stock plans; and

reviews policies regarding the operation of our executive compensation programs.

Dr. Floyd and Messrs. Levine, Josefowicz and Stevens currently serve on the compensation committee. Dr. Floyd is the chairperson of the compensation committee. The compensation committee met five times during fiscal 2002.

Nominating Committee. The nominating committee:

identifies potential nominees for election as directors, reviews their qualifications and recommends to the board qualified candidates;

recommends to the board of directors the individuals to be selected for membership on the various board committees; and

establishes standards for membership on the board and any committee of the board.

Messrs. VanGilder, DeYonker and Iott currently serve on the nominating committee. Mr. VanGilder is the chairperson of the nominating committee. The nominating committee met one time during fiscal 2002.

Under our restated articles of incorporation, a shareholder of record may nominate a person for election as a director at a meeting of shareholders at which directors will be elected if, and only if, the shareholder has delivered timely notice to the Secretary of Spartan Stores setting forth:

the name, age, business address and residence address of each proposed nominee;

the principal occupation or employment of each nominee;

the number of shares of Spartan Stores stock that each nominee beneficially owns;

a statement that each nominee is willing to be nominated; and

any other information concerning each nominee that would be required under the rules of the Securities and Exchange Commission ("SEC") in a proxy statement soliciting proxies for the election of those nominees.

To be timely, a shareholder's notice must be delivered to or mailed and received at Spartan Stores' principal executive offices (1) at least 120 days before the date of notice of the meeting in the case of an annual meeting of shareholders or (2) not more than seven days following the date of notice of the meeting in the case of a special meeting of shareholders. Any nomination that does not comply with these procedures will be void.

Compensation of Directors

Each director receives a base compensation of \$20,000 per year and \$1,000 for attendance at each meeting of the board or a

-6-

committee of the board. Directors also are reimbursed for travel and lodging expenses for meetings attended and are eligible to participate in the Spartan Stores, Inc. Directors' Stock Purchase Plan. That plan provides that directors may elect to receive at least 25% and up to 100% of their director's fees (as defined in the plan) in the form of Spartan Stores common stock. See "Compensation Committee Interlocks and Insider Participation" on page 17 for a description of Mr. Iott's former consulting agreement with Spartan Stores.

Ownership of Spartan Stores Stock

Five Percent Shareholders

To our knowledge, no entity or any "group" (as that term is used in of Section 13 of the Securities Exchange Act) was the beneficial owner of 5% or more of Spartan Stores' outstanding shares of common stock as of June 14, 2002.

Security Ownership of Management

The following table sets forth the number of shares of Spartan Stores common stock that each of our directors and nominees for director, each of our named executive officers (as that term is defined in the Summary Compensation Table on page 10) and all directors, nominees for director and executive officers of Spartan Stores as a group are deemed to have beneficially owned as of June 14, 2002:

Prior to joining Spartan Stores, Mr. Winters served as Senior Vice President of Operations for a division of Marriott Distribution Services from 1998 to 2001. In this capacity, he was responsible for seven of Marriott's thirteen distribution centers. From 1989 to 1998 he served as President of Perlman-Rocque (a division of Havi Group, LP), a provider of logistics and supply management services for McDonald's Corporation.

(1) The exercise price per share equals the average of the high and low sales price of Spartan Stores common stock on Nasdaq on the most recent trading day before the option grant. These options are exercisable in four equal yearly increments. In other words, one-fourth of such an option becomes exercisable on the first anniversary of the grant date, the second one-fourth becomes exercisable on the second anniversary of the grant date, the third one-fourth becomes exercisable in the third anniversary of the grant date and the final one-fourth becomes exercisable on the fourth anniversary of the grant date. All options were granted for a term of 10 years. Options terminate, subject to limited exercise provisions, in the event of death, retirement or other termination of employment. The exercise price of the options may be paid in cash, by delivering shares of common stock that are already owned by the option holder or by any combination thereof.

(2) Mr. Barton resigned from Spartan Stores in February 2002. The options granted to him expired three months after his resignation.

Based on the closing price of Spartan Stores common stock on Nasdaq on March 28, 2002, the market value of Spartan Stores common stock at fiscal year-end was \$7.52 per share. Some of the options reflected in the

second and third columns of this table have higher exercise prices than \$7.52 per share and thus are not considered "in-the-money" for purposes of this chart. None of the persons listed above exercised any options during fiscal 2002.

Long-Term Incentive Awards

Spartan Stores' Long-Term Incentive Plan permits Spartan Stores to award shares of common stock to plan participants if certain corporate performance goals are achieved over a performance period. A "**performance period**" is a three-year period beginning on the first day of each of Spartan Stores' fiscal years during the term of the plan. A performance period starts at the beginning of each fiscal year.

Spartan Stores terminated the Long-Term Incentive Plan with respect to the three-year performance period beginning with fiscal 2002 and ending with fiscal 2004, as well as all subsequent performance periods. However, participants in the Long-Term Incentive Plan are still eligible to receive compensation based on prior performance periods. As discussed in the "Compensation Committee Report on Executive Compensation" Spartan Stores will replace the Long-Term Incentive Plan with an "economic margin" approach.

Employment Agreements and Change in Control Arrangements

Spartan Stores' officers are appointed annually by and serve at the pleasure of the board or the Chief Executive Officer. As of August 14, 1996, Mr. Meyer, our President, CEO and Chairman, entered into an employment agreement with Spartan Stores. On November 15, 2001, Mr. Meyer and Spartan Stores entered into a revised employment agreement.

Under the revised employment agreement, Mr. Meyer's annual base salary is to be and has been revised upon mutual agreement of Spartan Stores and Mr. Meyer on a year-to-year basis. Under the employment agreement, Spartan Stores provides Mr. Meyer with an automobile allowance and other fringe benefits.

The employment agreement provides that Mr. Meyer's employment may be terminated upon mutual agreement, upon Mr. Meyer's death or disability, by either party at its option upon 90 days' written notice to the other, for cause (as defined in the employment agreement) or upon certain other events. Upon termination by Spartan Stores for any

reason other than for cause or Mr. Meyer's death or disability, or upon termination by Mr. Meyer for good reason, as defined in the employment agreement, Mr. Meyer will receive life, health, accident and dental insurance benefits and an amount equal to his current salary for one year after the date of severance, and will also receive an additional payment equal to the difference between the benefit he is entitled to receive under the Spartan Stores Supplemental Executive Retirement Plan (the "**SERP**") and the SERP benefit he would have been eligible to receive had his employment continued for an additional twelve months. In addition, all options held by Mr. Meyer to acquire common stock will immediately vest and become exercisable for 90 days after the date of severance, all risks of forfeiture applicable to any restricted stock granted to Mr. Meyer will lapse and no longer apply and Spartan Stores will continue his auto allowance for one year. To be eligible for severance pay under the employment agreement, Mr. Meyer must meet certain conditions, including execution of a release of certain employment-related claims and compliance with the post-employment confidentiality and non-competition provisions of the employment agreement.

Each of Spartan Stores' executive officers (other than Mr. Meyer) has entered into an employment agreement with Spartan Stores providing that if the officer's employment is terminated by Spartan Stores other than due to disability or cause (as defined in the employment agreement), or if the employment is terminated by the officer for good reason (as defined in the employment agreement), Spartan Stores will continue the officer's salary for one year, provide one year of company-paid COBRA healthcare continuation coverage and provide up to \$10,000 of outplacement assistance. To be eligible for these severance payments, the officer must meet certain conditions, including a release of certain employment-related claims and compliance with the post-employment confidentiality and non-competition provisions of the employment agreement.

Each of Spartan Stores' executive officers has also entered into an executive severance agreement with Spartan Stores. Under these agreements, if the officer's employment with Spartan Stores terminates during a defined period (36 months for Mr. Meyer and 24 months for all other officers) after a change in control (as described below) of Spartan Stores, then the officer will receive payment of (1) the officer's unpaid base salary through the date of termination; (2) any earned or payable benefit awards and bonus payments pursuant to any plans; (3) the officer's target bonus under Spartan Stores' Annual Incentive Plan pro rated for the time the officer was employed in the fiscal year of termination; (4) a bonus under Spartan Stores' Long-Term Incentive Plan payable upon termination of the officer's employment without cause; (5) the amount of salary and estimated bonus that would have been payable to the officer had his or her employment continued for an additional period equal to 36 months for Mr. Meyer, 24 months for Executive Vice-Presidents or 18 months for Vice

-14-

Presidents; (6) continuation for the same period of the officer's health, dental, prescription drug and life insurance coverage and financial and tax planning benefits, (7) continuation of the automobile allowance for the same period; and (8) certain outplacement services.

Each officer other than Mr. Meyer will also receive the additional amount he or she would have been eligible to receive under the SERP had he or she been fully vested under those plans and had his or her employment continued for an additional 24 months (for Executive Vice Presidents) or 18 months (for Vice Presidents). With certain exceptions, these payments will not be made if the officer's employment is terminated by Spartan Stores for cause, by the officer other than with notice and for good reason or as a result of the officer's death, disability or retirement (a "**nonqualifying termination**").

The SERP establishes a target amount for payment to Mr. Meyer depending upon the date of his termination. Under Mr. Meyer's executive severance agreement, if Mr. Meyer's employment terminates at any time and for any

reason after a change in control, Mr. Meyer will receive the target amount under the SERP to the extent it is not otherwise paid under the Pension Plan and the SERP on the date of termination (assuming the election of lump sum payment options under those plans). If Mr. Meyer's employment terminates for any reason other than a nonqualifying termination, Mr. Meyer's executive severance agreement provides that the termination date used for determining the SERP target amount will be determined by adding three years to Mr. Meyer's actual date of termination.

The executive severance agreements further provide that upon a change in control, all unvested stock options will vest and all restrictions on ownership of stock previously issued to the officer will lapse. Each agreement also provides "gross up" payments if the payments under the agreement cause excise taxes under the Internal Revenue Code to be payable by the officer. With some exceptions, Spartan Stores also will maintain in full force and effect for the benefit of the officer and his or her spouse and covered dependents all employee benefit plans, programs and arrangements that the officer and his or her spouse and covered dependents were entitled to participate in immediately before the date of termination until the earlier of the end of the termination period or, as to any particular benefit, the date upon which the officer receives a substantially equal benefit from a new employer. The agreements also provide for automobile privileges and outplacement services.

The term "**change in control**" is defined in the executive severance agreements generally as (1) the acquisition by any person or group of 20% or more of the outstanding common stock or voting power of Spartan Stores, (2) the majority of the board being comprised of persons other than the current members of the board or their successors whose nominations were approved by at least two-thirds of the board or (3) the approval by the shareholders of certain mergers, reorganizations, plans of dissolution or sales of substantially all of Spartan Stores' assets.

Pension Plan

Effective as of April 1, 1998, the benefit formula of Spartan Stores' Pension Plan was redesigned to utilize a cash balance approach. Under the cash balance formula, principal credits are added annually to a participant's "account." There are two types of principal credits: basic credits and transition credits. The basic credit equals a percentage of the participant's compensation based upon a participant's years of vested service at the beginning of each calendar year in accordance with the following table:

-15-

Years of Vested Service as of January 1	Percentage of Participant's Compensation
0 - 5	4 %
6 - 10	5
11 - 15	6
16 - 20	7
21 - 25	8

In addition to the basic credit, a participant may be eligible to receive a transition credit equal to a percentage of the participant's compensation based upon the participant's age on the first day of the calendar year as follows:

Participant's Age as of January 1	Percentage of Participant's Compensation
Under 35	0%
35 - 39	2
40 - 44	4
45 - 49	6
50 - 54	8
55 and over	10

Transition credits are available for the 1998 through 2007 calendar years. However, if a participant had fewer than ten years of benefit service as of December 31, 1997, the participant is eligible for transition credits only for the number of calendar years equal to the participant's complete years of benefit service as of December 31, 1997.

Effective as of January 1, 2002, a new benefit formula was added for eligible management/administration employees of Spartan Stores, Inc., United Wholesale Grocery Company and Family Fare, LLC who are hired on or after January 1, 2002, for newly eligible retail management employees of Family Fare, LLC and newly eligible management/ administration and retail management employees of Prevo's Family Markets, Inc., PFM Management, LLC, L&L/Jiroch Distributing Company, Seaway Food Town, Inc., Buckeye Discount, Inc., Gruber's Food Town, Inc., The Pharm of Michigan, Inc. and Tracy & Avery Food Town, Inc. For this group of participants, the basic credit (which equals a percentage of the participant's compensation based upon the participant's years of vested service at the beginning of each calendar year) is determined in accordance with the following table:

Years of Vested Service as of January 1	Percentage of Participant's Compensation
0-5	2.5%
6-15	3
16-25	4
25 or more	5

In addition to the principal credits, interest credits are also added annually to a participant's "account" based upon the participant's account balance as of the last day of the immediately preceding calendar year. The interest rate used for this purpose is the average of 30-year Treasury constant maturities yields over the twelve months ending in November of the prior calendar year.

Upon termination of employment, a participant will be entitled to his or her vested accrued benefit, which can be distributed either in a monthly annuity or in a lump sum. If distributed in a lump sum, the participant's benefit generally will be equal to the participant's account balance. For persons who were participants before April 1, 1998, the Pension Plan provides that the retirement benefit will not be less than the benefit accrued as of March 31, 1998.

Spartan Stores also maintains the SERP, which provides nonqualified deferred compensation benefits to Spartan Stores' officers. The purpose of the SERP is to provide officers with the benefits which they are otherwise denied under the Pension Plan due to the annual dollar limit on compensation and other limitations of the Internal Revenue Code, which are referred to collectively as the "**statutory limits.**" Accordingly, each officer's benefit under the SERP is equal to the officer's benefit that would have accrued under the Pension Plan but for the operation of the statutory limits, minus the accrued benefit

-16-

actually payable to the officer under the Pension Plan calculated in accordance with the statutory limits. However, Mr. Meyer's SERP benefit is expressed as a target amount which is equal to the benefit that would have accrued but for the operation of statutory limits under the Pension Plan's formula that was in effect before April 1, 1998, minus his actual accrued benefit under the Pension Plan.

Benefits under the SERP are paid from Spartan Stores' general assets. There is no separate trust that has been established to fund benefits. As of March 30, 2002, the estimated total benefits payable under the Pension Plan and the SERP upon retirement at normal retirement age (age 65) for Messrs. Meyer, Staples, Somnavilla, Couch and Eriks are expected to be approximately \$6,520,000, \$1,740,000, \$2,000,000, \$1,100,000 and \$570,000, respectively.

Compensation Committee Interlocks and Insider Participation

The current members of the compensation committee are Dr. Floyd and Messrs. Levine, Josefowicz and Stevens. In addition, Ms. Nickels and Mr. Iott served as members of the compensation committee during fiscal 2002. In connection with the August 2000 merger with Seaway Food Town, Spartan Stores and Mr. Iott entered into a one-year consulting agreement that called for total payments to Mr. Iott of approximately \$113,500. This consulting agreement expired on August 2, 2001. In addition, Mr. Iott's father, Wallace D. Iott, the former Chairman of the Board of Seaway Food Town, entered into a one-year consulting agreement with Spartan Stores that called for total payments to Wallace Iott of approximately \$150,000. This consulting agreement also expired on August 2, 2001. See "Certain Relationships and Related Transactions" below for additional information regarding Richard Iott.

Certain Relationships and Related Transactions

Mr. DeYonker, a director of Spartan Stores, is a partner with the law firm of Warner Norcross & Judd LLP. During the past fiscal year and the current fiscal year, Spartan Stores has retained and anticipates it will retain Warner Norcross & Judd LLP for certain legal services.

Mr. Levine, a director of Spartan Stores, is Of Counsel to the law firm of Spengler Nathanson P.L.L. During the past fiscal year and the current fiscal year, Seaway Food Town has retained and anticipates it will retain Spengler Nathanson P.L.L. for certain legal services.

Mr. Iott, a director of Spartan Stores, is the president of a family owned partnership that is the landlord at two of our stores and our floral distribution center in Toledo. We pay this partnership an aggregate of \$41,679 per month in rents for these locations.

Mr. VanGilder, a director of Spartan Stores, has ownership interests in retail grocery businesses that purchase groceries, perishables, general merchandise and other products and services from Spartan Stores on an ongoing basis. To the extent that Spartan Stores engages in transactions and offers services that benefit its grocery distribution

customers, the businesses in which Mr. VanGilder has ownership interest may benefit. Consequently, Mr. VanGilder may have a conflict of interest between the best interests of Spartan Stores and the businesses in which he has an ownership interest. Mr. VanGilder has determined that he will step down as a director effective at the close of Spartan Stores' 2002 annual meeting of shareholders.

For any transaction in which a director has an interest, Spartan Stores' general policy and practice that is the director may proceed with the transaction only if the material facts of the transaction and the director's interest in the transaction have been disclosed to the board, the board determines that the transaction is fair to Spartan Stores and the transaction is approved by the affirmative vote of a majority of the board members who have no interest in the transaction. Each such transaction is made on terms no less favorable to Spartan Stores than those offered generally to customers that are not affiliated with any director.

Compensation Committee Report on Executive Compensation

The compensation committee of the board of directors is comprised solely of directors who are not associates (employees) of Spartan Stores. The compensation committee provides assistance to the board of directors in fulfilling the board's responsibility to shareholders and the investment community relating to Spartan Stores' compensation and benefit programs and policies. Included among these responsibilities is establishing Spartan Stores' compensation philosophy and administering the compensation programs for Spartan Stores' officers and other key associates. In doing so, the compensation committee's responsibility is to ensure that Spartan Stores' compensation programs are competitive and closely related to both individual and corporate performance. The compensation committee periodically engages independent compensation consultants to assist in this process.

Compensation Philosophy

Spartan Stores' executive compensation program is designed to:

allow Spartan Stores to attract, retain and motivate key executives who are critical for current and long-term success;

support Spartan Stores' long-range business strategy;

establish a clear linkage between individual performance objectives and corporate or business unit financial performance objectives; and

align executive compensation with shareholder interests by linking long-term incentives to increasing shareholder value.

In order to maintain a competitive total compensation program, Spartan Stores compares itself with a similar-sized peer group in the wholesale/retail grocery business. In some cases, Spartan Stores analyzes competitive practices in general industries for those positions that may be occupied by officers recruited from non-wholesale/retail businesses.

Components of Executive Compensation

Spartan Stores' executive compensation program is comprised of three components: base pay, annual incentives and long-term incentives.

Base Pay

The base pay of officers is based on three factors:

market competitiveness;

individual performance and organizational contribution; and

level of experience.

The compensation committee, in conjunction with the executive committee, recommends to the board of directors the compensation of Spartan Stores' Chief Executive Officer. The Chief Executive Officer, who is currently a board member, does not participate in the board's deliberations concerning his compensation. With input from the Chief Executive Officer, the compensation committee approves the annual incentives, stock options and other benefits of other corporate officers.

Annual Incentives

Spartan Stores' Annual Incentive Plan provides annual incentive compensation for participants who are in a position to make substantial contributions toward achievement of goals established pursuant to the plan. The objectives of the Annual Incentive Plan are to:

motivate participants to achieve Spartan Stores' annual financial and business objectives;

-18-

allow participants to share appropriately in Spartan Stores' financial success;

provide a competitive incentive compensation opportunity;

create a linkage between participant contribution and Spartan Stores' business and financial objectives; and

assist in the attraction, retention and motivation of associates.

For fiscal 2002, the annual incentive opportunity had two components: (1) attaining pre-determined corporate and business unit financial goals and (2) achieving specific, measurable operational improvement goals. The percentage of the incentive opportunity allocated to these two components varies depending on the participant's level in the organization. For a participant to receive an incentive payout for either of these components, Spartan Stores must achieve a threshold level of performance for consolidated net earnings. If a threshold level of performance is

achieved, participants are eligible to receive a specified percentage of their annual base salary as an incentive payout under the Annual Incentive Plan. In fiscal 2002, Spartan Stores did not achieve its threshold level of performance for consolidated net earnings; therefore, no incentive payouts were made.

As discussed below, Spartan Stores has terminated its Long-Term Incentive Plan and will replace it with an "economic margin" approach effective in fiscal 2004, which will be administered through the Annual Incentive Plan.

Long-Term Incentives

Spartan Stores' long-term incentives are designed to align executive compensation with shareholder interests, encourage stock ownership by officers and reward superior long-term financial performance. These objectives are implemented through Spartan Stores' Long-Term Incentive Plan and its 2001 Stock Incentive Plan.

Long-Term Incentive Plan. As discussed earlier in this proxy statement (see "Long-Term Incentive Awards" on page 13), Spartan Stores' Long-Term Incentive Plan provided that stock awards may be made to participants based on company performance during rolling three-year performance periods.

Spartan Stores terminated the Long-Term Incentive Plan with respect to the performance period beginning fiscal 2002 and ending fiscal 2004, as well as all subsequent performance periods. However, participants in the plan will remain eligible to receive compensation based on prior performance periods, although no stock awards have been made under the Long-Term Incentive Plan to date.

In place of the Long-Term Incentive Plan, Spartan Stores has determined to take an "economic margin" approach to long-term compensation of officers. This strategy will be implemented and administered through the Annual Incentive Plan beginning in fiscal 2003. "Economic margin" measures the economic profit of the business, including a capital charge for all capital invested in the business. This internal measure of financial performance is correlated to the creation of shareholder value. We believe that the "economic margin" approach motivates managers to act like "owners" and creates a strong incentive that benefits both participants and shareholders.

Stock Options. Stock options are intended to align officers' and other key associates' interests with shareholders by giving them the opportunity to purchase shares of common stock. Stock options become valuable only if the stock price appreciates after the award. Currently, all of Spartan Stores' officers have received stock option grants. Options granted to officers after August 2000 but before January 2001 vest in three equal yearly installments. Options awarded to officers after January 2001 vest in four equal yearly installments. In other words, for those options granted after January 2001, one-fourth of an option will first become exercisable on the first

-19-

anniversary of the grant, the second one-fourth of an option will become exercisable on the second anniversary of the grant, the third one-fourth of an option will become exercisable on the third anniversary of the grant and the final one-fourth of an option will become exercisable on the fourth anniversary of the grant. Options granted prior to August 2000 were fully exercisable at the time of the grant. Each stock option expires ten years after the grant date.

Stock Ownership Requirements

Stock ownership guidelines for corporate officers have been established so that officers face the same downside risk--and upside potential--that shareholders experience. Corporate officers are expected to show significant progress

toward reaching the following goals:

<u>Position</u>	<u>Stock Ownership Level</u>
Chief Executive Officer	3 times base salary
Executive Vice Presidents	2 times base salary
Vice Presidents	1 times base salary

Corporate officers are required to meet the required stock ownership levels four years from their appointment as an officer. Shares that are subject to stock options are not counted for purposes of determining stock ownership.

Compensation of the Chief Executive Officer

The compensation committee recommends to the board the compensation level of the Chief Executive Officer. Based on market competitiveness, individual performance and organizational contribution, Mr. Meyer's base pay was increased to \$600,080 from \$549,900 on April 1, 2001. He did not receive a bonus with respect to fiscal 2002.

During fiscal 2002, Mr. Meyer also received options to purchase 100,000 shares of Spartan Stores common stock. As described above, these options will become exercisable in four yearly increments. See "Employment Agreements and Change in Control Arrangements" on page 14 for a discussion of Mr. Meyer's employment agreement.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code includes potential limitations on the deductibility of compensation in excess of \$1 million paid to certain officers. No officer's total compensation for fiscal 2002 exceeded the limitations on deductibility under Section 162(m). It is Spartan Stores' policy to qualify as much of the compensation paid to its officers as possible for deductibility under Section 162(m). However, under appropriate circumstances, Spartan Stores may approve compensation that is not deductible under Section 162(m) if it determines that it would be in the best interests of Spartan Stores and its shareholders for such compensation to be paid. Spartan Stores will continue to assess the impact of Section 162(m) and take action to assure that appropriate levels of deductibility are maintained.

Board Approval

All recommendations of the compensation committee relating to fiscal 2002 compensation were unanimously approved by the board of directors without modification, with Mr. Meyer abstaining from voting on his compensation.

Respectfully submitted,

Audit Committee Report

The audit committee reviews and supervises Spartan Stores' procedures for recording and reporting the financial results of its operations on behalf of the board of directors. Spartan Stores' management has primary responsibility for the financial statements and the reporting process, including the systems of internal controls. As part of its supervisory duties, the audit committee has reviewed Spartan Stores' audited financial statements for the year ended March 30, 2002 and has discussed those financial statements with Spartan Stores' management.

The audit committee has also discussed with Spartan Stores' independent auditors, who are responsible for expressing an opinion on the conformity of those financial statements with generally accepted accounting principles, the judgments of the independent auditors concerning the quality of Spartan Stores' accounting practices and such other matters that are required under generally accepted auditing standards to be discussed with the independent auditors. In addition, the audit committee has received from the independent auditors the written disclosures and letter required by the Independence Standards Board and has discussed their independence from Spartan Stores and Spartan Stores' management with them, including a consideration of the compatibility of non-audit services with their independence.

After and in reliance upon the reviews and discussions described above, the audit committee recommended to Spartan Stores' board of directors that the audited financial statements for the year ended March 30, 2002 be included in Spartan Stores' Annual Report on Form 10-K for the year ended March 30, 2002.

Respectfully submitted,

Elizabeth A. Nickels, Chairperson
Elson S. Floyd, Ph.D.

Independent Auditors

General

Spartan Stores has appointed Deloitte & Touche LLP as its independent auditors for fiscal 2003. Representatives of Deloitte & Touche are expected to be present at the annual meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from shareholders.

Deloitte & Touche's Fees

Audit Fees. Deloitte & Touche billed Spartan Stores a total of \$326,000 for its professional services rendered in connection with the audit of Spartan Stores' fiscal 2002 annual financial statements and for reviews of the quarterly financial statements included in Spartan Stores' Forms 10-Q for the quarters ended June 23, 2001, September 15, 2001 and January 5, 2002.

Financial Information Systems Design and Implementation Fees. During fiscal 2002, Deloitte & Touche did not bill Spartan Stores for financial information systems design and implementation services.

All Other Fees. Deloitte & Touche billed Spartan Stores \$1,485,000 during fiscal 2002 for tax planning, employee benefit plan audits and other services not described above, including \$128,000 in audit-related fees.

The audit committee has considered whether the provision of these services is compatible with maintaining the principal accountant's independence. See "Audit Committee Report."

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires Spartan Stores' directors and officers and persons who beneficially own more than 10% of the outstanding shares of Spartan Stores common stock to file reports of ownership and changes in ownership of shares of common stock with the SEC. Directors, officers and greater than 10% beneficial owners are required by SEC regulations to furnish Spartan Stores with copies of all Section 16(a) reports they file with the SEC. Based solely on our review of the copies of such reports received by us, or written representations from certain reporting persons that no reports on Form 5 were required for those persons for fiscal 2002, we believe that our directors and officers complied with all applicable filing requirements during fiscal 2002,

except for the following. Thomas Van Hall was late in filing a Form 4 with respect to August 2001. This Form 4 reported two acquisitions of Spartan Stores stock. Also, Robert Smith was late in filing a Form 3 after his appointment as an officer of Spartan Stores in January 2002.
