Item 8.01 Other Events

Equity Residential (the "Company") and ERP Operating Limited Partnership (the "Operating Partnership") are re-issuing in an updated format their historical financial statements to satisfy SEC requirements as they relate to discontinued operations.

The results of operations of the Company's and the Operating Partnership's consolidated properties that were sold during the first three months of 2012 were reported as a component of discontinued operations for each period presented (including the comparable period of the prior year) in the Company's and the Operating Partnership's first quarter 2012 quarterly report on Form 10-Q filed with the SEC on May 3, 2012. Under SEC requirements, the same reclassification as discontinued operations is required for previously issued annual financial statements for each of the three years shown in the Company's and the Operating Partnership's most recent annual report on Form 10-K, if those financial statements are incorporated by reference in subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the sale date.

The aforementioned reclassification has no effect on the Company's and the Operating Partnership's previously reported net income, net income available to Common Shares/Units, funds from operations ("FFO"), FFO available to Common Shares and Units / Units, normalized funds from operations ("Normalized FFO") or Normalized FFO available to Common Shares and Units / Units.

This report on Form 8-K updates Items 6, 7, 8 and 15 (Exhibit 12 only) of the Company's and the Operating Partnership's annual report on Form 10-K for the year ended December 31, 2011 to reclassify those properties sold during the first three months of 2012 as a component of discontinued operations for each period presented in the annual report. Exhibit 12 also reflects certain interim information for the quarters ended March 31, 2012 and 2011, respectively. All other items of the Company's and the Operating Partnership's Form 10-K remain unchanged. No attempt has been made to update matters in the Form 10-K except to the extent expressly provided above.
