This Amendment No. 2, amends the Schedule 13D filed on February 23, 2004, and is filed by Leucadia National Corporation ("Leucadia"), Pershing Square, L.P., Pershing Square GP, LLC and William Ackman (collectively, the "Reporting Persons") with respect to the common stock, par value \$0.10 per share ("Common Stock"), of Plains Resources Inc. (the "Company").

Item 4. Purpose of Transaction.

Item 4 is hereby supplemented as follows:

On March 10, 2004, as per Leucadia's March 5, 2004 written proposal to the special committee of the Company's Board of Directors to acquire the Company, Leucadia submitted a merger agreement to the Company. On March 12, 2004, representatives of Leucadia and the Company held discussions regarding Leucadia's March 5, 2004 proposal. On March 15, 2004, the Company issued a press release announcing that the special committee of the Board of Directors had rejected Leucadia's March 5, 2004 proposal.

On March 19, 2004, Leucadia submitted a further revised written proposal (the "March 19 Proposal") to the special committee of the Company's Board of Directors. The March 19 Proposal provides for a transaction in which a to-be-formed affiliate of Leucadia will acquire the Company in a merger for a combination of cash and securities described in the March 19 Proposal and valued by Leucadia at approximately \$18.75 per share, representing a 11.9% premium to the \$16.75 transaction between the Company, management of the Company and Paul Allen (the "Insider Transaction"). A copy of the March 19 Proposal is attached hereto as Exhibit 2 and incorporated herein by reference. A copy of the press releases issued by Leucadia on March 19, 2004 is attached hereto as Exhibit 3, and incorporated herein by reference.

The Reporting Persons believe that the March 19 Proposal is superior to the \$16.75 Insider Transaction. The Reporting Persons have communicated the March 19 Proposal to the Company's Board of Directors and the Reporting Persons intend to communicate with other stockholders of the Company and other interested parties in an effort to determine stockholder interest in the March 19 Proposal.

In the event that the special committee of the Board of Directors chooses not to proceed to consummate the transaction contemplated by the March 19 Proposal and depending upon market developments and stockholder interest in the March 19 Proposal, the Reporting Persons may solicit proxies against the Insider Transaction from the Company's stockholders. The Reporting Persons may acquire additional securities of the Company or dispose of securities of the Company at any time and from time to time in the open market, in privately negotiated transactions or otherwise.

Although the foregoing represents the range of activities presently contemplated by the Reporting Persons and, to their knowledge, their respective general partners, directors and officers, as applicable, with respect to the Company, it should be noted that the possible activities of the Reporting Persons and their respective general partners, directors and officers are subject to change at any time.

Except as set forth above, neither the Reporting Persons, nor, to their knowledge, any of their respective general partners, directors or
