Dear Friendly's Employee,

I am writing to inform you that Friendly Ice Cream Corporation has agreed to be acquired by Sun Capital Partners. Sun Capital Partners has extensive experience in restaurants and franchising and owns well-established restaurant brands such as Bruegger's Bakery-Cafes, Souper Salad, Souplantation, El Torito, Chevys, Kinkaid's and Palomino. As you know, since March the Company has been exploring strategic alternatives to enhance shareholder value and to provide future opportunities for franchisees, employees and all stakeholders. We believe this transaction achieves these goals, and does so more quickly and with greater certainty than all other alternatives we examined. Attached is the press release that we issued last night.

Every day our employees and management teams work hard to provide the best dining experience for our guests. I am pleased to say that our new investors share our passion for the Friendly's brand and are committed to supporting our employees. Going forward, we will remain committed to improving the performance of our company in all the business segments that we operate. Throughout this transition we will continue with our service and product enhancement initiatives.

The transaction has been unanimously approved by the Company's Board of Directors and, subject to approval by the Company's shareholders and other customary closing conditions, is expected to close during the third quarter of 2007. If you have specific questions during this process, please feel free to contact Gary Ulrich at (413) 731-4105.

We realize and appreciate your significant commitment to Friendly Ice Cream and the value you bring to our company and to our outstanding brand. We know we can rely on your continued dedication to operating with the same level of professionalism and excellence as always.
