PROXY CIRCULAR

THIS PROXY CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF MANAGEMENT FOR USE AT THE ANNUAL AND SPECIAL MEETING OF SHAREOWNERS THAT IS TO BE HELD AT THE TIME AND PLACE, AND FOR THE PURPOSES, DESCRIBED IN THE ACCOMPANYING NOTICE OF THE MEETING. This proxy circular and the accompanying proxy are being mailed to our shareowners on or about March 20,

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

2006.

All dollar amounts are in United States dollars unless otherwise stated. All information contained in this document is as of February 28, 2006 unless otherwise indicated.

VOTING AT THE MEETING

WHO CAN VOTE

March 10, 2006 is the record date to determine shareowners who are entitled to receive notice of the meeting. Shareowners at the close of business on that date will be entitled to vote at the meeting.

As at February 28, 2006, 71,711,630 common shares were outstanding. Each common share entitles the holder to one vote on all matters to be presented at the meeting.

VOTING BY REGISTERED SHAREOWNERS

The following instructions are for registered shareowners only. IF YOU ARE A NON-REGISTERED BENEFICIAL SHAREOWNER, PLEASE FOLLOW YOUR INTERMEDIARY'S INSTRUCTIONS ON HOW TO VOTE YOUR SHARES.

VOTING IN PERSON

Registered shareowners who attend the meeting may vote the shares registered in their name on resolutions put before the meeting. If you are a registered holder who will attend and vote in person at the meeting, you do not need to complete or return the form of proxy. Please register your attendance with the scrutineer, Computershare Trust Company of Canada, upon your arrival at the meeting.

VOTING BY PROXY

If you are a registered shareowner but do not plan to attend the meeting in person, you may vote by using a form of proxy to appoint someone to come to the meeting as your proxyholder. You either can tell that person how you want your shares to be voted or let that person choose how to vote your shares.

WHAT IS A PROXY?

A proxy is a document that authorizes another person to attend the meeting and cast votes on behalf of a registered shareowner at the meeting. If you are a registered shareowner, you can use the accompanying proxy form. You may also use any other legal form of proxy.

HOW DO YOU APPOINT A PROXYHOLDER?

Your proxyholder is the person you appoint to cast your votes for you at the meeting. The persons named in the enclosed form of proxy are directors or officers of Cott. You may choose those individuals or any other person to be your proxyholder. Your proxyholder does not have to be a shareowner of Cott. If you want to authorize a director or officer of Cott who is named on the enclosed proxy form as your proxyholder, please leave the line near the top of the proxy form blank, as their names are pre-printed on the form. IF YOU WANT TO AUTHORIZE ANOTHER PERSON AS YOUR PROXYHOLDER, fill in that person's name in the blank space located near the top of the enclosed proxy form.

Your proxy authorizes the proxyholder to vote and otherwise act for you at the meeting, including any continuation of the meeting that may occur if the meeting is adjourned.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

1

HOW WILL A PROXYHOLDER VOTE?

If you mark on the proxy how you want to vote on a particular issue (by checking FOR, AGAINST or WITHHOLD), your proxyholder must cast your votes as instructed. By checking "WITHHOLD" on the proxy form, you will be abstaining from voting.

IF YOU DO NOT MARK ON THE PROXY HOW YOU WANT TO VOTE ON A PARTICULAR MATTER, YOUR PROXYHOLDER IS ENTITLED TO VOTE YOUR SHARES AS HE OR SHE SEES FIT. IF YOUR PROXY DOES NOT SPECIFY HOW TO VOTE ON ANY PARTICULAR MATTER, AND IF YOU HAVE AUTHORIZED A DIRECTOR OR OFFICER OF COTT TO ACT AS YOUR PROXYHOLDER, YOUR SHARES WILL BE VOTED AT THE MEETING:

- FOR ELECTION OF THE NOMINEES NAMED IN THIS PROXY CIRCULAR AS DIRECTORS,
- FOR THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS AUDITORS,
- FOR THE APPROVAL OF THE PERFORMANCE SHARE UNIT PLAN DESCRIBED UNDER "REPORT ON EXECUTIVE COMPENSATION -- LONG-TERM INCENTIVES -- PERFORMANCE SHARE UNIT PLAN" BEGINNING ON PAGE 17 OF THIS PROXY CIRCULAR, IN ACCORDANCE WITH THE RESOLUTION ATTACHED AS APPENDIX A ON PAGE A-1, AND
- FOR THE APPROVAL OF THE SHARE APPRECIATION RIGHTS PLAN DESCRIBED UNDER "REPORT ON EXECUTIVE COMPENSATION -- LONG-TERM INCENTIVES -- SHARE APPRECIATION RIGHTS PLAN" ON PAGE 18 OF THIS PROXY CIRCULAR, IN ACCORDANCE WITH THE RESOLUTION ATTACHED AS APPENDIX B ON PAGE B-1.

For more information on these matters, please see "Election of Directors" beginning on page 5, "Auditors -- Appointment of Auditors" on page 25, "Report on Executive Compensation -- Long-Term Incentives -- Proposed New Plans -- Performance Share Unit Plan" beginning on page 17 and "Report on Executive Compensation -- Long-Term Incentives -- Proposed New Plans -- Share Appreciation Rights Plan" on page 18.

If any amendments are proposed to these matters, or if any other matters properly arise at the meeting, your proxyholder can generally vote your shares as he or she sees fit. The notice of the meeting sets out all the matters to be presented at the meeting that are known to management as of March 16, 2006.

HOW DO YOU DEPOSIT A PROXY?

To be valid, the proxy must be filled out, correctly signed (exactly as your name appears on the proxy form) and returned to the Toronto office of our transfer agent, Computershare Trust Company of Canada, by delivering it to:

100 University Avenue
9th Floor
Toronto, Ontario
M5J 2Y1

Attention: Secretary of Cott Corporation

Fax: (416) 263-9524 or 1-866-249-7775 (toll-free in Canada and the U.S.)

by 4:30 p.m. (local time in Toronto, Canada) on April 19, 2006 (or the last business day before any reconvened meeting if the meeting is adjourned) or by presenting it to the Chairman of the meeting before commencement of the meeting (or before the reconvened meeting if the meeting is adjourned).

HOW DO YOU REVOKE YOUR PROXY?

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

If you want to revoke your proxy after you have delivered it, another properly executed form of proxy bearing a later date should be delivered by you as set out above under "How do You Deposit a Proxy?" or you can clearly indicate in writing that you want to revoke your proxy and deliver this written document to our principal executive office at:

207 Queen's Quay West
Suite 340
Toronto, Ontario
Canada
M5J 1A7
Attention: Secretary
Fax: (416) 203-6207

2

This revocation must be received by us before the meeting (or before the date of the reconvened meeting if the meeting is adjourned) or be given to the Chairman of the meeting before commencement of the meeting (or before the reconvened meeting if the meeting is adjourned), or in any other way permitted by law.

If you revoke your proxy and do not replace it with another form of proxy that is properly deposited, you may still vote shares registered in your name in person at the meeting.

VOTING BY NON-REGISTERED BENEFICIAL SHAREOWNERS

You may be a non-registered beneficial shareowner (as opposed to a registered shareowner) if your shares are held on your behalf or for your account by an intermediary, such as a broker, a securities dealer, a bank or a trust company. Intermediaries generally are required to forward meeting materials to the persons for whom they hold shares. If you are a non-registered beneficial shareowner, it is your intermediary that legally will be entitled to vote your shares at the meeting. To vote your shares, you must carefully follow the instructions that your intermediary provides you. Instead of completing the form of proxy that we have provided, you likely will be asked to complete and deliver a different form to your intermediary, which would instruct the intermediary how to vote your shares at the meeting on your behalf.

As a non-registered beneficial shareowner, while you are invited to attend the meeting, you will not be entitled to vote at the meeting unless you make the necessary arrangements with your intermediary to do so.

CONFIDENTIALITY OF VOTE

Computershare Trust Company of Canada counts and tabulates proxies in a manner that preserves the confidentiality of your votes. Proxies will not be submitted to management unless:

- there is a proxy contest,
- the proxy contains comments clearly intended for management, or
- it is necessary to determine a proxy's validity or to enable management and/or the board of directors to meet their legal obligations to shareowners or to discharge their legal duties to Cott.

QUORUM

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The annual and special meeting requires a quorum, which for this meeting means:

- at least two persons personally present, each being a shareowner entitled to vote at the meeting or a duly appointed proxy for an absent shareowner so entitled, and
- persons owning or representing not less than a majority of the total number of our shares entitled to vote.

HOW WILL RESOLUTIONS BE PASSED?

All matters that are scheduled to be voted upon at the meeting are ordinary resolutions. Ordinary resolutions are passed by a simple majority: if more than half of the votes that are cast are in favour, the resolution passes. (Special resolutions require approval of at least two-thirds of the votes cast. NO SPECIAL RESOLUTIONS ARE CONTEMPLATED AT THE MEETING.) Directors who receive the highest vote totals will be elected as directors. Cumulative voting in the election of directors is not permitted. All other matters must be approved by a majority of the votes cast by shareowners that are present or represented and entitled to vote at the meeting. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of establishing a quorum, but they are not counted as votes cast for or against a proposal.

PLEASE COMPLETE YOUR PROXY

Our management, with the support of the board of directors, requests that you fill out your proxy to ensure your votes are cast at the meeting. THIS SOLICITATION OF YOUR PROXY (YOUR VOTE) IS MADE ON BEHALF OF MANAGEMENT. We will pay the cost of proxy solicitation, which primarily will be by mail. Proxies also may be solicited by telephone, in writing or in person by our employees or our transfer agent. We may also use the services of an outside solicitation agent if we deem it advisable and we do not anticipate paying more than C\$50,000 for such services.

PROCEDURE FOR CONSIDERING SHAREOWNERS PROPOSALS

If you want to propose any matter for a vote by shareowners at our 2007 annual meeting, you must send your proposal to our Secretary. In order for your proposal to be considered for inclusion in our 2007 proxy circular and proxy, it must be received by our Secretary by no later than December 20, 2006 at Cott Corporation, 207 Queen's Quay West, Suite 340, Toronto, Ontario, Canada M5J 1A7.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Our directors and executive officers and beneficial owners of more than 10% of our common shares, as well as certain affiliates of those persons, must file reports with the Securities and Exchange Commission showing the number of common shares they beneficially own and any changes in their beneficial ownership.

Based on our review of these reports, and written representations, if any, of our directors and executive officers, we believe that all required reports were filed in 2005 in a timely manner except (i) one acquisition of shares for the benefit of Andrew Murfin on April 25, 2005 pursuant to our Executive Investment Share Purchase Plan was inadvertently not reported until January 11, 2006, (ii) two sales of shares by Ivano Grimaldi on February 21, 2005 and February 25, 2005 were inadvertently not reported until March 10, 2005, and (iii) three acquisitions of shares pursuant to the Share Plan for Non-Employee Directors for the benefit of Colin Adair, John W. Bennett, Serge Gouin, Betty Jane Hess and Christine Magee (all Non-Employee Directors) on May 10, 2005, August 3, 2005 and November 3, 2005 were inadvertently not reported until February 16, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The board has determined that eight of the nominees for director, Colin J. Adair, W. John Bennett, Serge Gouin, Betty Jane Hess, Philip B. Livingston, Christine A. Magee, Andrew Prozes and Donald G. Watt, are independent within the meaning of the rules of the New York Stock Exchange and National Instrument 58-101 Disclosure of Corporate Governance Practice ("NI 58-101") of the Canadian Securities Administrators. A director is "independent" in accordance with the rules of the New York Stock Exchange and NI 58-101 if the board affirmatively determines that such director has no material relationship with us (either directly or as a partner, shareowner or officer of an organization that has a relationship with us).

Mr. Adair has business relationships with certain members of management through his position as an investment advisor at CIBC World Markets Inc. The board has determined that Mr. Adair is an independent director on the basis that such relationships are not sufficiently significant to Mr. Adair's role with CIBC World Markets Inc. (and account for well below 2% of the gross revenues test in the rules of the New York Stock Exchange) to affect his ability to act with a view to our best interests and were not material to us, Mr. Adair or CIBC World Markets Inc.

Both Mr. Watt and a company controlled by him have business relationships with Wal-Mart Stores Inc., our largest customer. The board has determined that such relationships are not sufficiently significant to Wal-Mart to affect Mr. Watt's ability to act with a view to our best interests and were not material to us.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Our board has determined that neither Mr. Weise nor Mr. Sheppard are independent directors, as each is an employee and officer or past employee or officer and that Mr. Halperin is a non-management but not an independent director as he is the brother of Mark R. Halperin, our senior vice-president, general counsel and secretary, in each case as "independent" is determined under both the rules of the New York Stock Exchange or NI 58-101. Mr. Halperin is also a partner of Goodmans LLP, a law firm that provides counsel to us on a regular basis.

STOCK OPTION GRANTS

During the fiscal year ended December 31, 2005, options to purchase a total of 1,309,250 common shares were granted to employees and a director. The following table provides a summary of grants in 2005 of options to purchase common shares under the Restated 1986 Common Share Option Plan, as amended, to each of the named executive officers. The amounts in the columns headed "5%" and "10%" represent hypothetical gains that could be achieved if the options were to be exercised at the end of the option term. The gains are based on assumed rates of stock appreciation of 5% and 10% compounded annually from the dates on which the respective options were granted to their respective expiration dates. The dollar amounts in the table below are in Canadian dollars because the exercise

For information with respect to identification of executive officers, see "Executive Officers of Cott" in Part I of our 2006 Annual Report on Form 10-K filed pursuant to the Securities Exchange Act of 1934 and with all applicable Canadian securities authorities.

EMPLOYMENT AGREEMENTS

John K. Sheppard, Mark Benadiba, Clyde Preslar, Tina Dell'Aquila, Mark R. Halperin and Colin D. Walker have individual contracts of employment for an unspecified term, which provide for annual base salaries at rates not less than the amounts reported in the Summary Compensation Table for 2005. Each of these agreements provides for:

- the payment of bonuses consistent with market and industry standards from time to time and which are based upon the achievement of agreed upon criteria established from time to time by the Human Resources and Compensation Committee, and
- customary allowances and perquisites.

Each of the named executive officers participates in both short-term and long-term incentive programs that we provide. The level of participation is determined by our Human Resources and Compensation Committee and varies by named executive officer.

If we terminate Mr. Sheppard's employment for any reason other than for just cause, disability or death or if Mr. Sheppard terminates his employment for good reason (which includes a reduction in salary or benefits, a relocation of his principal place of business in certain instances, or a material diminution in his duties), he will receive a severance payment equal to the aggregate of:

- 24 months of base salary and bonus (based on the average of the bonus paid or payable to Mr. Sheppard in respect of the most recent two completed fiscal years),
- a pro-rated bonus for the year in which the termination occurs, and
- the amount contributed to the executive investment share purchase plan on his behalf for the year immediately preceding the termination, and

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

- subject to the terms of our benefit plans in existence from time to time we will continue all group insurance benefits for a period of up to 24 months following the termination date (unless he finds alternate employment that provides comparable benefits). In addition, if Mr. Sheppard's employment is terminated for any reason (other than just cause or his voluntary resignation other than for good reason prior to his 55th birthday), beginning on the later of the date of the termination or Mr. Sheppard's 55th birthday, Mr. Sheppard and his spouse (as long as either of them live) and his daughter (until her 21st birthday) will be entitled to health insurance benefits (medical, dental, and vision care, including prescriptions) to the level provided for in Mr. Sheppard's employment agreement.

If, following a change of control, Mr. Sheppard's employment is (i) terminated by us other than for just cause, or is deemed terminated, or (ii) Mr. Sheppard terminates his employment for good reason, he shall be entitled to receive a payment equal to:

- 36 months of his base salary,
- 36 months of bonuses, based on the average of the bonuses paid to him over the prior two years, and
- 36 months of past contributions to the executive investment share purchase plan made on Mr. Sheppard's behalf.

In addition, Mr. Sheppard shall be entitled to a continuation of his benefits, as discussed above. All unvested options and other amounts, benefits or entitlements under Mr. Sheppard's employment agreement vest immediately upon a change of control.

A "change of control" means any person or group of persons acquiring more than 50% of our outstanding voting shares, a sale by us of all or substantially all of our undertakings and assets or the voluntary liquidation, dissolution or winding-up of Cott.

If we terminate Mr. Benadiba's employment without just cause he is entitled to receive the aggregate of:

- two times his annual base salary and annual automobile allowance plus two times the cash value of his target annual incentive bonus, and
- the continuation of all benefits and perquisites for a period of 24 months (or reimbursement of all reasonable expenses to replace such benefits and perquisites if we cannot replace them).

If we terminate Mr. Preslar's employment for any reason other than just cause (including termination without just cause following a change of control), he will receive a severance payment equal to 24 months' base salary and target annual incentive bonus.

If we terminate Mr. Halperin's, Mr. Walker's or Ms. Dell'Aquila's employment for any reason other than just cause, each will receive a severance payment equal to 24 months', 24 months' and 18 months', respectively, of base salary, target annual incentive bonus, car allowance and benefits, excluding short- and long-term disability and out of country benefits.

Messrs. Sheppard, Benadiba, Preslar, Halperin and Walker have each agreed to a restrictive covenant which generally limits their ability to compete with us (i) in the case of Messrs. Sheppard and Benadiba in any countries in which we conduct business, (ii) in the case of Mr. Preslar, in Canada, the United States, Mexico and the United Kingdom, and (iii) in the case of Messrs. Walker and

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Halperin, in Canada, the United States and the United Kingdom, in each case during the term of their employment and for a period of 24 months following the termination of their employment regardless of the cause of the termination.

REPORT ON EXECUTIVE COMPENSATION

HUMAN RESOURCES AND COMPENSATION COMMITTEE

The Human Resources and Compensation Committee is responsible for reviewing, developing and recommending to the board the appropriate management compensation policies, programs and levels. The committee develops performance objectives in conjunction with the chief executive officer and assesses the performance of the chief executive officer and reviews the performance of the other senior executive officers at least annually in relation to these objectives.

13

The committee is ultimately responsible for determining the level and nature of Cott's executive compensation. The committee has access, at Cott's expense, to independent, outside compensation consultants for both advice and competitive data for the purpose of making such determinations. The committee believes that the compensation policies and programs as outlined below ensure that levels of executive compensation truly reflect Cott's performance, thereby serving the best interests of Cott's shareowners.

COMPENSATION PRINCIPLES

Cott is committed to the philosophy of partnership and to sharing the benefits of success with those who help Cott grow. Cott's strength and ability to sustain growth is based on an organization that perceives people as its single most important asset. The committee's goal is to provide sufficient compensation opportunities for executives in order to attract, retain and motivate the best possible management team to lead Cott in the achievement of both its short and long-term performance goals. The committee believes that compensation significantly based on performance is important to link management and shareowner objectives. With these goals in mind, Cott has adopted an annual bonus plan, an employee share option plan, an employee share purchase savings plan and an executive investment share purchase plan and, if approved at the meeting, the performance share unit plan and stock appreciation rights plan to:

- increase the risk/reward ratio of Cott's executive compensation program,
- focus management on long-term strategic issues, and
- align management's interests with those of Cott's shareowners in the sustained growth of shareowner value.

COMPENSATION ELEMENTS AND DETERMINATION PROCESS

Compensation for executive officers, including the chief executive officer, consists of a base salary, opportunities for bonus cash compensation, and long-term compensation in the form of stock options, the participation in the share purchase savings plan and the executive investment share purchase plan and, if approved at the meeting, the performance share unit plan and stock appreciation rights plan. As set out under "Employment Agreements" each of the named executive officers has a written agreement. The committee's role is to determine what adjustments to base salary, the amount of bonus, performance targets for performance-based compensation, and the appropriate level and targets for other compensation, if any, would be appropriate for the executives. The committee negotiated and approved the arrangement with Mr. Sheppard in

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

connection with his appointment as Chief Executive Officer effective in September 2004. Management negotiates and recommends to the committee, and, if considered appropriate, the committee approves, arrangements with each of Cott's other named executive officers.

In reviewing and determining executive compensation, the committee examines each component individually as well as total compensation as a whole. The committee determines each executive officer's compensation with reference to relevant industry norms, experience, past performance, level of responsibility and personal requirements and expectations. The committee reviews salary levels periodically and may make adjustments, if warranted, after an evaluation of executive and company performance, salary increase trends in our geographic marketplaces, current salary competitive positioning, and any increase in responsibilities assumed by the executive. The committee has, from time to time, considered the advice of independent consultants with respect to compensation matters. In appropriate circumstances, the committee may augment cash compensation with the payment of bonuses to more closely align an individual's overall compensation with his or her performance, or the profitability of the business unit for which the individual is accountable. The committee may determine bonuses and levels of other compensation using overall corporate or business segment performance targets. The committee sets performance objectives and target levels on an annual basis, and assesses executives against these targets in determining their overall compensation.

In supporting the philosophy of linking executives and officers and shareholders, the committee has established certain required minimum holding levels of Cott's common shares for executives and officers. These levels are to be met, or were to have been met, by the later of December 31, 2005 and three years after the executive became a member of management. An individual will be considered to have achieved his or her minimum holding level if, prior to December 31, 2005, he or she had satisfied the minimum holding level and has not ceased to satisfy the threshold as a result of the disposal of common shares. Shares held for the benefit of the executive officer through Cott's incentive programs are included in the number of common shares held by the individual. All of the named officers currently

14

comply with these requirements or it is anticipated that they will comply within the timeline provided. The minimum holding levels that the committee requires are:

POSITION	SALARY MULTIPLE
Chief Executive Officer	5X
Executive Vice Presidents, Senior Vice Presidents	3X
Other officers and vice presidents of Cott and its subsidiaries	1 1/2X - 2X

LONG-TERM INCENTIVES

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The committee considers long-term incentives to be an essential component of executive compensation so that a proper balance exists between short and long-term considerations and enhancing shareowner value. There are several components to Cott's long-term incentive program. The committee considers the level of each executive's participation in the program by assessing his or her current level of participation and, in light of that participation, the extent to which further participation will assist in achieving the goals of the program.

OPTION PLAN

The board of directors and the committee believe that the grant of equity incentives is one component of an overall compensation plan and is standard and expected in Cott's industry. The directors and the committee believe that awards under the plan play an important part in enabling Cott to attract, retain and motivate employees in the extremely competitive industry in which Cott operates. To that end, Cott maintains a stock option plan that is administered by the committee.

ADMINISTRATION

The committee administers the Option Plan and has the power and authority to construe and interpret the Option Plan and any awards made under the Option Plan. The committee determines who is eligible to participate in the Option Plan, the number of common shares for which options are granted, the date of grant of options and the vesting period for each option. The board of directors may amend the Option Plan at any time provided that shareowner and regulatory or stock exchange approval of the amendments, if required, is received prior to the issuance of options under the amended Option Plan.

OPTION AWARDS

The grant of options and the issuance of shares under the Option Plan are subject to the following limitations:

- the number of common shares subject to outstanding options may not exceed 15% of the common shares outstanding on the date of grant of the option,
- the aggregate number of common shares which may be issued to any one person pursuant to options granted under the Option Plan and any other share compensation arrangement shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant,
- the aggregate number of common shares which may be issued to directors who are not also officers or employees shall not exceed 0.5% of the aggregate number of common shares outstanding on the date of the grant, and
- the aggregate number of common shares which may be issued, within a one year period, pursuant to options granted under the Option Plan and any other share compensation arrangement (i) to insiders, shall not exceed 10% of the aggregate number of common shares outstanding on the date of grant, and (ii) to any one insider, together with such insider's associates, shall not exceed 5% of the aggregate number of common shares outstanding on the date of grant, excluding, in each case, common shares issued pursuant to share compensation arrangements over the preceding one year period.

Options to acquire common shares are granted at the closing price on the Toronto Stock Exchange on the last trading day preceding the date of grant (other than options granted to U.S. participants who own more than 10% of

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

our total combined voting power, which are granted at 110% of the Toronto Stock Exchange closing price).

15

Options are nontransferable and have a term of not more than ten years. If a participant ceases to be a director, officer, employee or service provider, all vested unexercised options awarded to such participant will expire on the earliest of:

- the expiry date of such options,
- 60 days following the date the participant ceases to be a director, officer, employee or service provider (the "termination date"), or in the event of the death of a participant, 365 days following the date of the death of such participant, and
- three years from the date of total and permanent disability or the retirement of a participant.

All unvested options held by a participant will be forfeited on the date the participant ceases to be a director, officer, employee or service provider for reasons other than death, and all unvested options will fully vest upon the death of a participant. In addition, all unvested options held by participants will fully vest in the case of:

- a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity,
- a sale of all (or substantially all) of Cott's undertakings and assets, or
- a proposal made in connection with Cott's liquidation, dissolution, or winding-up.

If the number of outstanding shares is materially affected as a result of Cott's merger with another entity, or as a result of a rights offering or a reclassification, consolidation or subdivision of shares, participants will be entitled to receive the same consideration paid to the holders of shares in connection with the amalgamation, merger, rights offering, reclassification, consolidation or subdivision, as if they had exercised their options immediately prior to such event. Also, participants will have the right to exercise all vested and unvested options held by them if a take-over bid is made with a per-share offer price greater than (or equal to) their option exercise price, provided the take-over bid permits tendering by notice of guaranteed delivery. Any such exercise will be conditioned upon completion of the take-over bid.

At February 28, 2006, there were approximately 155 holders of options under the Option Plan and approximately 3,494 people (being all of Cott's directors, officers and employees) were eligible to participate in the Option Plan. The market value of common shares underlying options outstanding as of February 28, 2006 was \$56,482,334.

EXECUTIVE INVESTMENT SHARE PURCHASE PLAN

Cott has adopted an Executive Investment Share Purchase Plan for the purpose of retaining and rewarding those of Cott's officers and senior management employees as are designated by the committee each year and who exceed certain pre-determined annual performance objectives. This plan replaced the

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

former Executive Incentive Share Compensation Plan. Under this plan, Cott contributes an amount in cash, determined by the committee, to an independent trust. The trust uses the contributed funds to purchase Cott's common shares on the open market on behalf of participants in the plan who exceed the annual performance objectives determined by the committee. Once purchased, the trustee will allocate, when directed by the committee, the number of common shares acquired on behalf of each participant based upon the amount contributed to the trust on behalf of each participant for that particular year. Generally, common shares in the trust will vest over a period of three years in favour of those participants for whom the amount was originally contributed (30% on each of the first and second anniversaries of the first day of the fiscal year after the grant for each of the two years immediately following the year in which common shares were purchased and 40% on the third anniversary of the first day of the fiscal year after the grant for the third year following the year in which the shares were purchased).

The maximum number of common shares that can be purchased under the plan in any year is, for the first fiscal year in which the plan was in effect, not more than 0.5% of the total number of common shares outstanding on the first day of that fiscal year and, for each subsequent fiscal year, the maximum number of common shares for the preceding year plus 0.5% of the total number of common shares outstanding on the first day of the fiscal year.

No shares are issued from treasury but are instead purchased on the open market so that the plan is not dilutive to shareowners.

Cott did not make any contributions to the plan in respect of 2005.

16

PROPOSED NEW PLANS

Cott believes in aligning employee actions with shareowner interests. Our intent is to move away from the granting of stock options as a long-term incentive and focus more on performance-based awards through Performance Share Units and Share Appreciation Rights. The proposed long-term incentive plans are designed to attract, maintain and motivate key employees while promoting the long-term financial success of Cott.

PERFORMANCE SHARE UNIT PLAN

As a means of providing an incentive for employees of Cott and its subsidiaries to attain pre-determined corporate performance objectives over a three-year performance cycle, the committee has recommended the adoption of the performance share unit plan (the "PSU Plan"). The PSU Plan requires shareowner approval as a result of New York Stock Exchange regulations. The purpose of the PSU Plan is to promote Cott's long-term financial success and increase its value by encouraging the long-term commitment of key employees and motivating their performance by means of long-term performance-related incentives.

The value of an employee's award under the PSU Plan is based on two factors: (i) Cott's performance over the three-year performance cycle; and (ii) the market price of Cott's common shares at the time of vesting. At the start of each performance cycle, the committee will establish three tiers of performance goals for Cott to achieve over the three-year period: a minimum threshold level, a target level and an outstanding performance level. The criteria used to set these performance goals may include Cott's earnings before interest, taxes, depreciation and amortization; net earnings; share price performance; return on equity; return on invested capital; or any other financial criteria and objectives determined by the committee. The committee will also determine the employees who may participate in the PSU Plan for each performance cycle.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

A target number of performance share units ("PSUs") for each participant is established by the committee at the beginning of each three-year performance cycle. Each PSU represents the right, on vesting, to receive one Cott common share. The number of PSUs earned at the end of a performance cycle can range from 0% to 150% of the targeted amount, depending on whether Cott achieves the pre-determined threshold, target or outstanding performance goals in that performance cycle. If performance over the three-year performance cycle falls below the threshold level, no PSUs will vest. Cott performance between the threshold and outstanding levels will be weighted so that the final award will vary with the achieved performance. Additionally, since the value of each PSU is tied to Cott's share price, the value received at the end of the performance cycle will fluctuate with the value of the shares.

Subject to the provisions of the PSU Plan, performance share units will vest upon the completion of the three-year performance cycle. If the employment of a participant comes to an end (other than in the case of a termination without cause) prior to the final vesting of the PSUs granted to such participant, other than due to the death, normal retirement or permanent disability of the participant, the participant will forfeit his or her rights to those PSUs. If a participant is terminated without cause, the committee will have discretion to determine what will happen to the PSUs.

Throughout the performance cycle, there are no dividends paid to participants on the performance share units, and holders do not have the right to vote the common shares represented by their PSUs. Following the vesting of a participant's PSUs, Cott will contribute cash to an independent trust to be used for the purpose of purchasing an equivalent number of Cott common shares on the New York Stock Exchange at the prevailing market price. The common shares purchased by the trustee will then be registered in the name of the participant and delivered to the participant upon his or her request.

No shares are issued from treasury and the PSU Plan is not dilutive to Cott's shareowners.

In the event of (i) a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity; (ii) a sale of all (or substantially all) of Cott's undertakings and assets; or (iii) a proposal being made in connection with Cott's liquidation, dissolution, or winding-up, the committee may recommend to Cott's board whether to accelerate the vesting (without regard to attainment of any performance goals) of PSUs of any participant whose employment is terminated without cause in connection with the change of control. In any such event, the board may elect in its discretion to accelerate the vesting of some, all or none of any participant's PSUs.

The amounts to be awarded to participants pursuant to the PSU Plan in 2006 and future periods is not determinable. Cott's board of directors and the Human Resources and Compensation Committee believe that the PSU

Plan is an important mechanism for providing certain officers and senior management with an incentive for exceeding performance targets.

THE BOARD OF DIRECTORS AND MANAGEMENT RECOMMEND THAT YOU VOTE FOR THE RESOLUTION ADOPTING THE PERFORMANCE SHARE UNIT PLAN. A MAJORITY OF THE VOTES CAST MUST BE IN FAVOUR OF THE RESOLUTION ADOPTING THE PSU PLAN, WHICH IS SET OUT AT APPENDIX A ON PAGE A-1, IN ORDER FOR IT TO BE APPROVED. SHARE APPRECIATION RIGHTS PLAN

The committee has recommended the adoption of the Share Appreciation Rights Plan (the "SAR Plan") as a means of providing additional incentive to employees and directors of Cott and its subsidiaries to promote the growth and success of Cott's business and of aiding Cott and its subsidiaries in attracting and rewarding personnel. The SAR Plan requires shareowner approval as a result of New York Stock Exchange regulations. Under the SAR Plan, share appreciation rights ("SARs") may be granted to employees and directors of Cott or its subsidiaries by the committee on the recommendation of management.

SARs will typically vest on the third anniversary of the grant date. On vesting, each SAR will represent the right to be paid the difference, if any, between the price of Cott's common shares on the date of grant and their price on the SAR's vesting date. Payments in respect of vested in-the-money SARs will be made in the form of Cott common shares purchased on the open market by an independent trust with cash contributed by Cott. If Cott's share price on the date of vesting is lower than on the date of grant, no payment will be made in respect of those vested SARs. Prior to vesting, there are no dividends paid on the share appreciation rights, and holders do not have the right to vote the common shares represented by their SARs.

No shares are issued from treasury and the SAR Plan is not dilutive to Cott's shareowners.

If the employment of a participant comes to an end (other than in the case of a termination without cause) prior to the final vesting of the SARs granted to such participant, other than due to the death, normal retirement or permanent disability of the participant, his or her unvested SARs will be forfeited. All unvested SARs will vest in full in the event of (i) a consolidation, merger or amalgamation of Cott with any other corporation following which Cott's voting shareowners hold less than 50% of the voting shares of the surviving entity; (ii) a sale of all (or substantially all) of Cott's undertakings and assets; or (iii) a proposal being made in connection with Cott's liquidation, dissolution, or winding-up. If a participant is terminated without cause, the committee will have discretion to determine what will happen to the SARs.

The number of SARs to be awarded to participants pursuant to the SAR Plan in 2006 and future periods is not determinable. Cott intends that key employees and directors participate in the SAR Plan each year, in accordance with the terms described above. Cott's board of directors and the committee believe that the SAR Plan is an important mechanism for further aligning the interests of Cott and its key employees and directors in the long-term growth of the company and to aid Cott and its subsidiaries in attracting and retaining personnel.

THE BOARD OF DIRECTORS AND MANAGEMENT RECOMMEND THAT YOU VOTE FOR THE RESOLUTION ADOPTING THE SHARE APPRECIATION RIGHTS PLAN. A MAJORITY OF THE VOTES CAST MUST BE IN FAVOUR OF THE RESOLUTION ADOPTING THE SAR PLAN, WHICH IS SET OUT AT APPENDIX B ON PAGE B-1, IN ORDER FOR IT TO BE APPROVED. UNLESS A PROXY SPECIFIES THAT THE SHARES IT REPRESENTS SHOULD ABSTAIN FROM VOTING OR VOTE AGAINST THE RESOLUTION SET OUT IN APPENDIX B, THE PERSONS NAMED IN THE ENCLOSED PROXY INTEND TO VOTE IN FAVOUR OF THE RESOLUTION. THE FULL TEXT OF THE SHARE APPRECIATION RIGHTS PLAN IS ATTACHED AT APPENDIX D AT PAGE D-1 OF THIS PROXY CIRCULAR. THE FOREGOING DISCUSSION ABOVE IS QUALIFIED IN ITS ENTIRETY BY REFERENCE TO THE SAR PLAN.

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

Mr. Sheppard's base salary as chief executive officer in 2005 was \$550,000. No cash bonus was paid to Mr. Sheppard in respect of 2005. The committee has targeted Mr. Sheppard's total compensation, including base salary, bonuses and stock options at a level it believes reflective of the company's compensation philosophy.

18

The committee annually reviews with the chief executive officer his objectives for the upcoming year. In reviewing such objectives, the committee determines the structure of the chief executive officer's bonus plan. As part of its determination of bonus targets, the committee considers Cott's strategic plan as well as the chief executive officer's personal objectives. The committee sets targets for the chief executive officer to achieve within the framework of Cott's bonus plan. Both a target for achievement as well as a "stretch" target are set. For fiscal 2005, the committee considered what objectives would best drive Cott's results and shareowner value and in its view earnings per share was the most effective means of achieving those goals. Accordingly, the committee determined that the objectives for Mr. Sheppard as chief executive officer would be based on Cott's earnings per share.

COMPENSATION OF DIRECTORS

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The lead independent director receives an annual retainer of C\$140,000. Pursuant to a letter agreement between us and Mr. Weise, Mr. Weise receives an annual fee of \$250,000 to serve as the chairman of our board. Under the letter agreement, we have agreed to submit Mr. Weise for election to the board at each annual meeting of our shareowners and to recommend to the board and any appropriate committee that he continue as chairman provided that (i) Mr. Weise is not disqualified by applicable law from acting as a director, (ii) he is not in breach of the letter agreement, (iii) he was elected to the board by the shareowners at the most recent meeting held for this purpose, and (iv) we have not otherwise determined that it is not in our best interest to make such submissions or recommendations. The letter agreement will terminate on the earlier of (i) the date on which our shareowners do not elect Mr. Weise as a director; (ii) our directors (or any applicable committee) fail to appoint Mr. Weise as chairman of our board; and (iii) upon receipt of 120 days' notice by either us or Mr. Weise that such party intends to terminate the letter agreement. Mr. Sheppard is a management director and as such does not receive directors' fees.

U.S. resident directors receive their applicable retainers in the U.S. dollar amounts found in the table below, while Canadian resident directors receive their applicable fees and retainers in the Canadian dollar amounts set forth below.

	C\$	US\$ (1)
Director retainer	60,000	48,000
Committee chair retainer (other than audit committee) (2)	10,000	8,000
Audit committee chair retainer	15,000	12,000

(1) Converted to US\$ at a rate of C\$1.25.

(2) In addition to receiving a retainer for acting as a chair of a committee, the chair of a committee will also receive the committee membership retainer.

Directors are reimbursed for certain business expenses, including their travel expenses in connection with board and committee meeting attendance. Directors are required to own personally at least C\$50,000 worth of our common shares, which must be acquired within three years of joining the board or by December 2006, whichever is later. The shares may be acquired through our Share Plan for Non-Employee Directors and, if approved, the Share Appreciation Rights Plan.

Our Share Plan for Non-Employee Directors allows directors who are neither our employees nor our full-time officers to elect to receive their fees in the form of our common shares. Fees that would otherwise be payable to directors who elect to participate in the plan are paid to a third party trustee who uses the funds to purchase shares on the open market. The trustee allocates the number of shares attributable to each participant based on the amount of fees contributed

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

in respect of that participant. A participant may only receive the shares purchased under the plan (or direct the trustee to sell the shares purchased on his or her behalf and receive the proceeds from the sale of such shares) upon ceasing to be a director. No shares are issued from treasury in connection with this plan and it is not dilutive to shareowners.

CORPORATE GOVERNANCE

BOARD AND MANAGEMENT ROLES

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The board of directors has explicitly assumed responsibility for the stewardship of Cott, including:

- the adoption of a strategic planning process,
- the identification of the principal risks for Cott and the implementation of appropriate risk management systems,
- succession planning and monitoring of senior management,
- ensuring that we have in place a communications policy to enable us to communicate effectively and in a timely manner with our shareowners, other stakeholders and the public generally, and
- the integrity of our internal control and management information systems.

All decisions materially affecting Cott, our business and operations, including long-term strategic and operational planning, must be approved by the board prior to implementation. Each year management prepares a statement of objectives, plans and performance standards. This statement is submitted to the board of directors for its review and approval prior to implementation.

To assist in discharging its responsibilities effectively, the board has established three committees: the Audit Committee, the Corporate Governance Committee and the Human Resources and Compensation Committee. The roles of the committees as part of our governance process are outlined below, and their charters may be viewed on our website at www.cott.com. Each committee has the authority to retain special legal, accounting or other advisors.

21

ALLOCATION OF RESPONSIBILITY BETWEEN THE BOARD AND MANAGEMENT

The board has adopted a written mandate, the text of which is set out in Appendix E. The business and affairs of Cott are managed by or under the supervision of the board in accordance with all applicable laws and regulatory requirements. The board is responsible for providing direction and oversight, approving our strategic direction and overseeing the performance of our business and management. Management is responsible for presenting strategic plans to the board for review and approval and for implementing our strategic direction. The board has approved a job description for the chief executive officer, which specifically outlines the responsibilities of this position. One of these responsibilities is to prepare on behalf of management a written statement of management's objectives, plans and standards of performance. This report is reviewed and approved annually by both the Human Resources and Compensation Committee and the entire board. Additionally, we have established a lead independent director role and position descriptions for the chairman of the board and for each committee chair.

BOARD'S EXPECTATIONS OF MANAGEMENT

The board expects management to pursue the following objectives:

- produce timely, complete and accurate information on our operations and business and on any other specific matter that may, in management's opinion, have material consequences for us and our shareowners and other stakeholders,
- act on a timely basis and make appropriate decisions with regard to our operations, in accordance with all the relevant requirements and

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

obligations and in compliance with our policies, with a view to increasing shareowner value,

- apply a rigorous budget process and closely monitor our financial performance in terms of the annual budget approved by the board,
- develop and implement a strategic plan in light of trends in the market, and
- promote high ethical standards and practices in conducting our business.

SHAREOWNER COMMUNICATIONS

We seek to maintain a transparent and accessible exchange of information with all of our shareowners and other stakeholders with regard to our business and performance, subject to the requirements of all applicable laws and any other limitations of a legal or contractual nature. In addition to our timely and continuous disclosure obligations under applicable law, we regularly distribute information to our shareowners and the investment community through conferences, webcasts made available to the public and press releases. Shareowners are invited to communicate with any of our directors, including the lead independent director, by sending a letter to the attention of the director, c/o the Secretary of Cott, 207 Queen's Quay West, Suite 340, Toronto, Ontario M5J 1A7. The letter should indicate that you are a Cott shareowner. Unless the letter is primarily commercial in nature or if it relates to an improper or irrelevant topic, the Secretary or his designee will:

- forward it to the director or directors to whom it is addressed (or, if it is not directed toward a specific director, to our lead independent director), or
- attempt to have management respond directly, for example where a shareowner requests information about Cott or a share-related matter.

All communications not forwarded to the directors will be summarized for the directors and made available to the directors upon their request.

At each board meeting, a member of management presents a summary of all communications received since the last meeting that were not forwarded and makes those communications available to the directors upon request.

COMPOSITION OF THE BOARD

Our articles permit a minimum of three and a maximum of 15 directors. There are eleven nominees for election to the board, a number that the board considers to be adequate given our size and the nature of our shareowner constituency.

Board members are encouraged to attend each annual meeting of shareowners. Last year all of the directors attended the annual meeting.

22

INDEPENDENCE OF THE BOARD

Mr. Weise is the chairman of our board. Mr. Gouin, an independent director, serves as our lead independent director and presides at meetings of non-management and independent directors.

At all meetings of the board and committees of the board, any outside board member may request that all members of management, including management directors, be excused so that any matter may be discussed without any

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

representative of management being present. The non-management directors meet independently of management as part of each regularly scheduled quarterly meeting of the board and independent directors meet alone at least annually. The directors met independently of management at seven meetings, and independently of non-independent directors at one meeting, in 2005. In addition, directors who have a material interest in a transaction or agreement are required to disclose the interest to the board, to refrain from voting on the matter and do not participate in discussions relating to the transaction or agreement.

Each of the Human Resources and Compensation Committee, the Corporate Governance Committee and the Audit Committee is comprised of entirely independent directors. The board oversees the establishment and function of all committees, the appointment of committee members and their conduct. The board has considered the independence of each of its members for purposes of the rules of the New York Stock Exchange and, where applicable, NI 58-101. See "Certain Relationships and Related Transactions".

BOARD COMMITTEES

HUMAN RESOURCES AND COMPENSATION COMMITTEE

Members -- Betty Jane Hess (Chair), Serge Gouin, Christine A. Magee

The board has determined that each member of the committee is independent within the meaning of the rules of the New York Stock Exchange and NI 58-101. See "Certain Relationships and Related Transactions". The committee's mandate includes:

- reviewing, approving and, where appropriate, recommending to the board compensation plans and levels for our senior officers and directors, including our chief executive officer,
- reviewing and approving incentive compensation to be allocated to our employees, including senior officers, and
- reviewing and recommending to the board the remuneration to be paid to members of the board.

The committee also is responsible for reviewing and reporting annually to the board of directors on our organizational structure and ensuring that an appropriate succession plan for the chief executive officer and our senior officers has been developed. The committee met 10 times in 2005.

In determining the amount of compensation for directors, management reviews industry publications and trends and meets with an outside consultant to determine the appropriate level of compensation. Management then reports its findings and recommendations to the committee, which assesses the information to form a recommendation to the board of directors.

In 2005, Mercer Human Resource Consulting was retained by Cott to provide advice with respect to particular projects, including assisting with the development of the PSU Plan and the SAR Plan as well as advising on compensation generally for certain executive officers. In addition, Hay Group provided advice with respect to various human resource matters, including advising on proposed changes to directors' fees.

CORPORATE GOVERNANCE COMMITTEE

Members -- Serge Gouin (Chair), Colin Adair, Philip B. Livingston

The board has determined that each member of this committee is independent within the meaning of the rules of the New York Stock Exchange and NI 58-101.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

The Corporate Governance Committee is responsible for developing and monitoring our approach to corporate governance issues in general. Specifically, the Corporate Governance Committee is responsible for:

- reviewing and recommending changes to the mandates of the board committees,
- ensuring compliance with the guidelines, rules and requirements that are applicable to us,

23

- identifying and recommending the nomination of new members to the board and its committees and identifying and proposing to the board nominees for each annual meeting of shareowners (and as such functions as a nominating committee),
- ensuring that management develops, implements and maintains (i) appropriate orientation and education programs for directors and (ii) a continuing education policy designed to foster a more extensive knowledge of the business on the part of the board,
- monitoring and assessing the individual and collective effectiveness of the board and its committees,
- monitoring the quality of relationship between management and the board and recommending any areas for improvement,
- reviewing and assessing annually our Corporate Governance Guidelines, and
- reviewing and, as appropriate, modifying the Code of Business Conduct and Ethics, and pre-approving any request for a waiver of such Code.

In selecting candidates for the board, the Corporate Governance Committee applies a number of criteria, including:

- each director should be an individual of the highest character and integrity,
- each director should have sufficient experience to enable the director to make a meaningful contribution to the board and to Cott,
- each director should have sufficient time available to devote to our affairs in order to carry out his or her responsibilities as a director,
- each person who is nominated as an independent director should meet all of the criteria established for independence under applicable securities or stock exchange laws, rules or regulations,
- whether the residency of the nominee will impact residency and qualification requirements under applicable legislation relating to the composition of the board and its committees, and
- whether the person is being nominated, or is precluded from being nominated, to fulfill any contractual obligation we may have.

The committee considers suggestions as to nominees for directors from any source, including any shareowner. Shareowners wishing to suggest a candidate for a director should write to our Secretary at our executive office and include:

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

- a statement that the writer is a shareowner and is proposing a candidate for consideration by the Corporate Governance Committee,
- the name and contact information for the candidate,
- a statement of the candidate's business and educational experience,
- information regarding each of the factors listed above, other than those in respect of board size and composition, to enable the committee to evaluate the candidate,
- a statement detailing the relationship between the candidate and us or any of our customers, suppliers or competitors,
- detailed information about any relationship or understanding between the writer and the proposed candidate, and
- a statement that the candidate is willing to be considered as a candidate and willing to serve as a director if nominated and elected.

The committee conducts assessments of the board and its committees at least annually. Directors are required to complete an evaluation of the performance of the board, its committees and directors, which are then reviewed by the committee and results and recommendations resulting therefrom reported to the full board.

New directors are provided with material respecting Cott and attend information sessions and plant tours with management in order to familiarize themselves with the business. They also meet with company representatives to review the mandates and roles of the board and its committees as well as applicable corporate policies. Directors

24

regularly meet with management to discuss corporate developments and participate in plant tours from time to time. In addition, directors are provided with materials concerning matters to be discussed at upcoming meetings prior to the meeting.

The Corporate Governance Committee may from time to time engage outside advisors to assist in identifying and evaluating potential nominees to the board.

The Corporate Governance Committee met four times in 2005.

AUDIT COMMITTEE

Members -- W. John Bennett, Philip B. Livingston (Chair), Andrew Prozes

The Audit Committee reports directly to the board. Each member has been determined by the board to be independent within the meaning of the rules of the New York Stock Exchange and Rule 10A-3 of the U.S. Exchange Act.

The committee, on behalf of the board, oversees the integrity of our annual and interim consolidated financial statements, compliance with applicable legal and regulatory requirements, significant financial reporting issues, the internal audit function, the annual independent audit of our financial statements, the independent auditors' qualifications and independence, the performance of our internal auditors and independent auditors and is responsible for satisfying itself that we have implemented appropriate systems of internal controls. The committee reviews the terms of engagement and proposed overall

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

scope of the annual audit with management and the independent auditor. See "Auditors -- Audit Committee Report".

The committee operates pursuant to a written charter that was approved and adopted by the board on March 7, 2001 and updated in March, 2004 and February, 2005, the text of which is set out in Appendix F. As required by the New York Stock Exchange rules, the board has determined that each member of the committee is financially literate and that Mr. Livingston qualifies as an "audit committee financial expert" within the meaning of the rules of the U.S. Securities and Exchange Commission. The committee met eight times in 2005.

AUDITORS

APPOINTMENT OF AUDITORS

At the meeting you will be asked to approve the appointment of PricewaterhouseCoopers LLP, as our auditors for the next year. A majority of the votes cast must be in favour of this resolution in order for it to be approved.

PRINCIPAL ACCOUNTANT'S FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for professional services performed by PricewaterhouseCoopers LLP for us for fiscal 2005 and 2004 were as follows:

	FISCAL YEAR

Tax Fees	156,166	81,382
All Other Fees	--	--
Total	2,303,293	\$2,035,560

AUDIT FEES

Audit fees are those for services related to the audit of our annual financial statements for the 2005 and 2004 fiscal years and for the review of the financial statements included in our Quarterly Reports on Form 10-Q for those years. For fiscal 2004, audit fees included \$0.6 million in fees for audit services related to our compliance with section 404 of the Sarbanes-Oxley Act regarding our internal control over financial reporting.

25

AUDIT-RELATED FEES

Audit-related fees for the 2005 and 2004 fiscal years consisted primarily

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

of consultation on various matters and translation of financial documents and financial assistance reports related to an acquisition.

TAX FEES

Tax fees in fiscal 2005 and 2004 consisted of tax compliance services and advice.

PRE-APPROVAL POLICIES AND PROCEDURES

In engaging our independent auditor, the Audit Committee considers the following guidelines:

- For audit services, the independent auditor is to provide the committee with an engagement letter during the last quarter of each fiscal year outlining the scope of the audit services proposed to be performed in the next fiscal year. If agreed to by the committee, this engagement letter will be formally accepted by the committee. The independent auditor is to submit an audit services fee proposal for approval by the committee.
- For non-audit services, management and the independent auditor will periodically submit to the committee for approval in advance a description of particular non-audit services. Management and the independent auditor will each confirm to the committee that each proposed non-audit service is permissible under applicable legal requirements. The committee must approve permissible non-audit services in order for us to engage the independent auditor for such services. The committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this process.
- If management proposes that the committee engage the independent auditor to provide a non-audit service that is not contemplated or approved by the committee pursuant to the process outlined above, management will submit the request to the committee. Our management and the independent auditor will each confirm to the committee that such non-audit service is permissible under all applicable legal requirements. Management will also provide an estimate of the cost of such non-audit service. The committee must approve the engagement for the non-audit service and the fees for such service prior to our engagement of the independent auditor for the purposes of providing such non-audit service.

Any amendment or modification to an approved permissible non-audit service must be approved by the committee or the chair of the committee prior to the engagement of the auditors to perform the service.

All of our audit related fees and tax fees in 2005 were pre-approved by the Audit Committee in 2005. The Audit Committee has determined that the provision of the non-audit services for which these fees were rendered is compatible with maintaining the independent auditor's independence.

One or more representatives of PricewaterhouseCoopers LLP will be present at the meeting, will have an opportunity to make a statement as he or she may desire and will be available to respond to appropriate questions.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed with management Cott's audited financial statements and Management's Report on Internal Control over Financial Reporting.

The committee reviewed with the independent auditor their judgment as to

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

the quality, not just the acceptability, of Cott's accounting principles and such other matters as the committee and the auditors are required to discuss under generally accepted auditing standards, in particular those matters required to be discussed by Statement of Auditing Standards No. 61, "Communications with Audit Committees", as amended by Statement of Auditing Standards No. 90, "Audit Committee Communications". The committee also reviewed with management and PricewaterhouseCoopers LLP the critical accounting policies underlying Cott's financial statements and how these policies were applied to the financial statements.

The audit committee received the written disclosures and the letter from the auditor required by the Independence Standards Board Standard No. 1. The committee discussed with the auditors the auditor's independence from Cott and management, including the matters that are required to be disclosed in writing by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

26

Based on the foregoing reviews and discussions, the committee recommended to the board of directors that the audited financial statements and Management's Report on Internal Control over Financial Reporting be included in Cott's annual report on Form 10-K for the year ended December 31, 2005 for filing with the U.S. Securities and Exchange Commission.

- (a) adopt rules and regulations for implementing the Plan;
- (b) other than with respect to the Chief Executive Officer of the Company, determine the eligibility of persons to participate in the Plan, when Awards shall be granted to eligible persons and the amounts, terms and conditions of such Awards, including the Award Amount (subject to the maximum Award Amount set forth in Section 4.1(b));

- (d) subject to statutory and regulatory requirements, make exceptions to the Plan in circumstances which it determines to be exceptional;

ARTICLE IV

OPERATION OF PLAN

4.1 ELIGIBILITY AND PARTICIPATION.

- (a) All Employees are eligible for consideration to participate in the Plan. Participants in the Plan shall be selected from time to time by the Committee, in its discretion, from among those Employees who, in the opinion of the Committee, are key Employees in a position to contribute materially to the continued growth, development and

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

long-term financial success of the Company and/or its Subsidiaries. Except with respect to Awards granted to the Chief Executive Officer of the Company, the Committee, in its discretion, shall determine the amounts, terms and conditions of each Award granted hereunder, including the Award Amount (subject to the maximum Award Amount set forth in Section 4.1(b) below). Any grant of an Award to the Chief Executive Officer of the Company and the amounts, terms and conditions of such Award, including the Award Amount (subject to the maximum Award Amount set forth below), shall require the prior approval of

C-3

the independent (as understood within the rules of the New York Stock Exchange and applicable Canadian securities laws) members of the Board, upon the recommendation of the Committee.

- (b) The maximum Award Amount that may be granted to an individual Participant in a Fiscal Year shall not exceed 50% of the aggregate Award Amounts granted to all Participants under this Plan in such Fiscal Year.
- (c) Subject to the foregoing, Awards may be granted by the Committee at any time and from time to time to new Participants, or to already-participating Participants, or to a greater or lesser number of Participants, and may include or exclude previous Participants, as the Committee shall determine in its discretion. The grant of an Award shall be evidenced by an Award Agreement setting forth such terms, provisions, limitations and performance criteria (including Performance Goals for the applicable Performance Cycle) as are approved by the Committee, but not inconsistent with the Plan. The Award Agreement shall also include the number of Performance Share Units eligible to be earned by a Participant if the Threshold Goals, Target Goals or Superior Goals are attained, as determined pursuant to Section 4.3(b).
- (d) Except as required by this Plan, Awards and the Award Agreements evidencing the same need not contain similar provisions. The Committee's determinations under the Plan (including determinations of which Employees are to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the Award Agreements evidencing same) need not be uniform and may be made by the Committee selectively among Participants who receive, or are eligible to receive, Awards under the Plan.

4.2 PERFORMANCE GOALS.

At the beginning of each Performance Cycle (and not later than (a) in the case of a Performance Cycle of 12 months or more, the 89th day after the beginning of the Performance Cycle, and (b) in the case of a Performance Cycle of less than 12 months, the date by which 25% of the Performance Cycle has elapsed), the Committee shall, in its discretion, (i) establish for each Performance Cycle the specific Performance Goals as the Committee believes are relevant to the Company's overall business objectives; (ii) determine the threshold Performance Goals (the "THRESHOLD GOALS"), target Performance Goals (the "TARGET GOALS") and superior Performance Goals (the "SUPERIOR GOALS") to be attained in order to earn Performance Share Units for such Performance Cycle; and (iii) instruct senior Human Resources management to notify each Participant in writing of the established Threshold Goals, Target Goals and Superior Goals for such Performance Cycle.

4.3 ATTAINMENT OF PERFORMANCE GOALS.

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

- (a) Upon completion of the Performance Cycle, the Committee shall certify the level of the Performance Goals attained and the number of Performance Share Units earned by Participants as a result thereof. The basis for earning Performance Share Units for a given Performance Cycle shall be as set forth in Section 4.3(b). Each Participant's Performance Share Units will be subject to vesting as described in Section 5.1.
- (b) Attainment of the Target Goals for a Performance Cycle shall result in a Participant earning a number of Performance Share Units equal to the number obtained by dividing such Participant's Award Amount in respect of such Performance Cycle by the Fair Market Value on the date of grant of such Participant's Award (such number, the "TARGET PSU NUMBER"). Failure to attain the Threshold Goals for a Performance Cycle shall result in the failure to earn any of the Performance Share Units eligible to be earned under the Award granted for such Performance Cycle, and such Award shall terminate in full and all contingent rights thereunder shall cease. Attainment between the Threshold Goals and Target Goals for a Performance Cycle shall result in the earning by the Participant of a portion of such Participant's Target PSU Number of Performance Share Units, determined by application of a pre-determined mathematical formula which shall be determined by the Committee in its discretion and set out in the Award Agreement governing such Award.
- (c) In addition to the above targets, if performance in a Performance Cycle exceeds the Target Goals, a Participant will earn additional Performance Share Units over and above such Participant's Target PSU Number of Performance Share Units for such Performance Cycle, as determined by application of a pre-determined mathematical formula which shall be determined by the Committee in its discretion and set out in the Award Agreement governing such Award.

C-4

ARTICLE V

VESTING

5.1 VESTING GENERALLY.

If a Participant earns Performance Share Units for a Performance Cycle, such Performance Share Units shall vest in full on the applicable Vesting Date; provided, that except as provided in Section 5.2, no Performance Share Units shall vest unless the Participant is an Employee as of the applicable Vesting Date and has been continuously employed by an Employer since the date of grant of the Award. Any Performance Share Units that do not vest in accordance with the provisions of this Plan shall be forfeited, and all contingent rights of a Participant thereunder shall cease.

5.2 TERMINATION OF EMPLOYMENT.

- (a) In the event a Participant's employment with an Employer is terminated for Cause (as determined by the Committee in its discretion) or by the Participant voluntarily (other than upon Normal Retirement), all of the Participant's unvested Performance Share Units will be forfeited immediately.
- (b) Except as provided in Section 5.3, in the event a Participant's employment is terminated without Cause, all of the Participant's

Edgar Filing: COTT CORP /CN/ - Form DEF 14A

unvested Performance Share Units shall be forfeited immediately, unless the Committee in its discretion waives the employment requirement under Section 5.1, in which case the Committee shall determine, in its discretion, the number of Performance Share Units to be deemed earned by such Participant on each subsequent applicable Vesting Date, such number not to exceed the pro rata number of Performance Share Units that he or she would have earned on that Vesting Date had he or she been continuously employed through such date, as calculated by reference to the portion of the applicable Performance Cycle during which the Participant was actually employed.

If a Participant is entitled to a fraction of a Common Share under Section 6.1, such entitlement shall be satisfied by payment within the time specified in Section 6.1(c) of the cash equivalent of such fraction, determined by reference to the Fair Market Value of such Common Share on the Vesting Date.

8.1 ADJUSTMENTS.

- (a) The aggregate number of Performance Share Units earned under this Plan shall be proportionally adjusted for an increase or decrease in the number of Common Shares due to a stock split or share consolidation.
- (b) The Committee shall have the discretion to make appropriate adjustments to exclude the effect of extraordinary corporate transactions, such as acquisitions, divestitures, recapitalizations and reorganizations, and shall have the discretion to not take into account extraordinary or non-recurring accounting charges and items, insofar as they may otherwise affect the results under the applicable Performance Goals.

8.2 NON-TRANSFERABILITY.

Performance Share Units may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by a Participant's last will and testament or by the laws of descent and distribution. All rights with respect to Performance Share Units earned by a Participant under the Plan shall be exercisable during his lifetime only by such Participant. For the avoidance of doubt, the Company or another Employer (or an agent instructed by the Company or such other Employer) shall be entitled to retain, out of the aggregate number of Common Shares to which the Participant would otherwise be entitled pursuant to the Plan, and sell as agent for the Participant such number of Common Shares as in the opinion of the Company or such other Employer will realise an amount equivalent to the UK Tax Liability and to pay such proceeds to the appropriate Employer to reimburse it for the UK Tax Liability. The Company may also require a Participant to enter into a taxation agreement contained within the Award Agreement.
