**FOR IMMEDIATE RELEASE      April 25, 2006**

**TANDY LEATHER FACTORY REPORTS 1<sup>ST</sup> QUARTER 2006 EARNINGS UP 28%**

FORT WORTH, TEXAS - Tandy Leather Factory, Inc. (AMEX: TLF) today reported financial results for the first quarter of 2006. Net income for the quarter ended March 31, 2006 was \$1.3 million, a 28% increase from \$1.0 million for the first quarter of 2005. Fully-diluted earnings per share for the quarter increased to \$0.12 from \$0.10 in the first quarter of last year. Total sales for the first quarter were \$14.4 million, up 13% from \$12.7 million in the same quarter last year.

Sales from the Retail Leathercraft operation, consisting of the Tandy Leather retail store chain, increased \$1.3 million in the first quarter, a 29% improvement over last year's first quarter. The chain consists of fifty-six stores as of March 31, 2006, compared to forty-four retail stores a year ago. Six new stores were opened in the first quarter of 2006. First quarter sales for the Wholesale Leathercraft operation, consisting of the Leather Factory wholesale centers and the National Account group, increased \$474,000 or 6% over the same quarter last year.

Consolidated gross profit margins held steady at 56.3% for the first quarters of 2006 and 2005. Operating expenses increased from \$5.6 million in the first quarter of 2005 to \$6.1 million in the first quarter of 2006, but decreased as a percentage of revenue from 43.9% in 2005 to 42.1% in 2006. Expenses (rent, personnel, utilities, etc.) associated with new retail stores, increases in bonuses earned by store managers, and higher freight costs were the primary contributors to the additional expense.

Wray Thompson, Chairman and Chief Executive Officer, commented, "I am very pleased with our first quarter results because we accomplished our goal of strong sales growth with greater earnings growth. Our sales grew by 13% this quarter while our operating income grew by 30%. The Retail Leathercraft division, consisting of the expanding Tandy Leather store chain, will continue to be the primary driver of growth. However, the Wholesale Leathercraft division is performing extremely well and beating our internal targets for sales growth. We are optimistic about our momentum generated in the first quarter and are working hard to continue that momentum into the second quarter."
