PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 23, 2002

Solicitation and Voting of Proxies

Edgar Filing: LIFE FINANCIAL CORP - Form DEF 14A

This Proxy Statement is being furnished to stockholders of Life Financial Corporation (the "Company") in connection with the solicitation by the Board of Directors of the Company ("Board of Directors" or "Board") of proxies to be used at the Annual Meeting of stockholders (the "Annual Meeting"), and all postponements or adjournments of the Annual Meeting. The Annual Meeting will be held on May 23, 2002 at 10:00 a.m., Pacific Time, at the Arrowhead Country Club, 3433 Parkside Drive, San Bernardino, California. The 2001 Annual Report to Stockholders, including consolidated financial statements for the fiscal year ended December 31, 2001, accompanies this Proxy Statement, which is first being mailed to record-holders of the Company's common stock (the "Common Stock") on or about May 3, 2002.

Regardless of the number of shares of Common Stock owned, it is important that record-holders of a majority of the shares be represented by proxy or present in person at the Annual Meeting. Stockholders are requested to vote by completing the enclosed proxy card and returning it, signed and dated, in the enclosed postage-paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, signed proxy cards will be voted "FOR" the election of the nominees for director named in this proxy statement, "FOR" the Company's proposal to amend the Certificate of Incorporation to change the name of the Company to Pacific Premier Bancorp, Inc., and "FOR" the ratification of the appointment of Vavrinek, Trine, Day & Co., LLP as independent auditors of the Company for the fiscal year ended December 31, 2002.

Other than the matters set forth on the attached Notice of Annual Meeting of Stockholders, the Board of Directors knows of no additional matters that will be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy committee of the Board discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting and at any adjournments thereof, including whether or not to adjourn the Annual Meeting.

A proxy may be revoked at any time prior to its exercise by filing a written notice of revocation with the Secretary of the Company, by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.

The cost of solicitation of proxies on behalf of the Board will be borne by the Company. In addition to the solicitation of proxies by mail, Mellon Investor Services, a proxy solicitation firm, will assist the Company in soliciting proxies for the Annual Meeting and will be paid a fee of \$5,500, plus out-of-pocket expenses. Directors, officers and other employees of the Company and its subsidiary, Life Bank, F.S.B. (the "Bank") may also solicit proxies personally or by telephone, without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so.

1

Voting Securities

The securities which may be voted at the Annual Meeting consist of shares of Common Stock of the Company, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting, except as described below. There is no cumulative voting for the election of directors.

The Board of Directors has fixed the close of business on April 1, 2002 as the record date (the "Record Date") for the determination of stockholders of record entitled to notice of and to vote at the Annual Meeting and at any adjournments thereof. The total number of shares of Common Stock outstanding on the Record Date was 1,333,572 shares.

As provided in the Company's Certificate of Incorporation, record-holders of Common Stock who beneficially own in excess of 10% of the outstanding shares of Common Stock (the "Limit") are not entitled to any vote in respect of the shares held in excess of the Limit. A person or entity is deemed to beneficially own shares owned by an affiliate of, as well as, by persons acting in concert with, such person or entity. The Company's Certificate of Incorporation authorizes the Board of Directors (i) to make all determinations necessary to implement and apply the Limit, including determining whether persons or entities are acting in concert, and (ii) to demand that any person who is reasonably believed to beneficially own stock in excess of the Limit supply information to the Company to enable the Board of Directors to implement and apply the Limit.

The presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote (after subtracting any shares in excess of the Limit pursuant to the Company's Certificate of Incorporation) is necessary to constitute a quorum at the Annual Meeting. In the event there are not sufficient votes for a quorum or to approve or ratify any proposal at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

Edgar Filing: LIFE FINANCIAL CORP - Form DEF 14A

As to the election of the directors set forth in Proposal 1, the proxy card being provided by the Board of Directors enables a stockholder, (i) to vote "FOR" the election of the nominees proposed by the Board of Directors or (ii) to "WITHHOLD" authority to vote for the nominees being proposed. Under Delaware law and the Company's Bylaws, directors will be elected by a plurality of votes cast, without regard to either (a) broker non-votes, or (b) proxies as to which authority to vote for the nominee being proposed is withheld.

As to the approval of Proposal 2, Proposal 3 and all other matters that may properly come before the Annual Meeting, by checking the appropriate box, you may: (i) vote "FOR" the proposal; (ii) vote "AGAINST" the proposal; or (iii) "ABSTAIN" with respect to the proposal. Under the Company's bylaws, unless otherwise required by law, all such matters shall be determined by a majority of the votes cast, without regard to either (a) broker non-votes, or (b) proxies marked "ABSTAIN" as to that matter.

Proxies solicited hereby will be returned to the Company's transfer agent, Mellon Investor Services, and will be tabulated by inspectors of election designated by the Board of Directors, who will not be employed by, or be directors of, the Company or any of its affiliates. After the final adjournment of the Annual Meeting, the proxies will be returned to the Company for safekeeping.

The following table sets forth information as to those persons believed by management to be beneficial owners of more than 5% of the Company's outstanding shares of Common Stock on April 1, 2002 or as disclosed in certain reports regarding such ownership filed by such persons with the Company and with the Securities and Exchange Commission ("SEC"), in accordance with Sections 13(d) and 13(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Relationships and Related Transactions."

PROPOSALS TO BE VOTED ON AT THE MEETING

**PROPOSAL 1.
ELECTION OF DIRECTORS**

The Board of Directors of the Company currently consists of seven (7) directors and is divided into three classes. Each of the seven members of the Board of Directors of the Company also presently serves as a director of the Bank. Directors are elected for staggered terms of three years each, with the term of office of only one of the three classes of directors expiring each year. Directors serve until their successors are elected and qualified.

The nominees proposed for election at the Annual Meeting are Richard F. Marr, Ezri Namvar, and Ronald G. Skipper.

In the event that any of the nominees is unable to serve or declines to serve for any reason, it is intended that the proxies will be voted for the election of such other person as may be designated by the present Board of Directors. The Board of Directors has no reason to believe that the persons named will be unable or unwilling to serve. Unless authority to vote for the nominees is withheld, it is intended that the shares represented by the enclosed proxy card, if executed and returned, will be voted "FOR" the election of the nominees proposed by the Board of Directors. In accordance with the Bylaws of the Company, the election of a director requires the approval of a plurality of the outstanding shares of Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

Certain Relationships and Related Transactions

During the fiscal year ended December 31, 2001, the Company entered into a transaction with New Life Holdings, LLC, a California limited liability company (the "Investor"). Ezri Namvar, a director and nominee for director at the Annual Meeting owns a controlling interest in the Investor as described below. In the transaction, the Investor obtained the right to designate three directors to the Boards of the Company and the Bank for certain time periods, as described below. In addition to Ezri Namvar, the Investor has appointed Messrs. Marr and Palmer to fill the unexpired terms of their predecessors. Messrs. Marr is also a nominee for reelection at the Annual Meeting. Mr. Namvar and his related entities own a 75 percent interest in U.S. Properties Group LLC in which Mr. Marr's firm, Charter Holdings LLC owns 25 percent interest and serves as the managing member. Additionally, Mr. Marr serves as development manager, on a fee basis, for several properties that are owned by entities in which Mr. Namvar and his related entities have an equity interest.

On November 20, 2001 the Company entered into an agreement for the private placement of a secured note, together with a warrant to purchase Common Stock of the Company (the "Private Placement"), the Investor in exchange for which at the closing of the transaction on January 17, 2002 the Company received \$12,000,000 (the "Closing"). Ownership interests in the Investor are held entirely by family members of Ezri Namvar, a nominee for director at this Annual Meeting. Ezri Namvar directly holds a 50 percent ownership share and a 75 percent controlling and voting interest in the Investor. Mousa Namvar, a brother of Ezri Namvar, holds an 18 percent interest in the Investor. The sale of the note and warrant was made pursuant to a Note and Warrant Purchase Agreement (the "Agreement") entered into by the Company and the Investor. The Company issued to the Investor a Senior Secured Note Due 2007 (the "Note") in the initial principal amount of \$12,000,000, and bearing interest at an initial rate of 12% (increasing over time to 16%) and a warrant (the "Warrant") to purchase up to 1,166,400 shares of the Company's Common Stock at an exercise price of \$.75 per share. The Company pledged the stock in its subsidiaries and its Participation Contract as collateral to secure the Note. The Participation Contract is a contractual right from the sale of certain residual mortgage-backed securities to receive 50% of any cash realized, as defined, from the residual mortgage-backed securities.

Upon exercise of the Warrant, which is freely assignable in whole or in part in denominations of not less than 10,000 shares, the Investor or its assignee(s) (the assignees, together with the Investor, the "Warrant Holders" and each a "Warrant Holder") shall have the right to purchase during specified periods a total of up to 1,166,400 shares of Common Stock. Pursuant to the Warrant, on or before the first anniversary of the Closing the Warrant Holder will be able to purchase 116,640 shares of Common Stock representing in total approximately 8.0% of the Common Stock. After the first anniversary of the Closing, but on or before the second anniversary of the Closing, the Warrant Holder will be able to

purchase the initial 116,640 shares of Common Stock, plus an additional 116,640 shares of Common Stock representing in total approximately 14.1% of the Common Stock. After the second anniversary of the Closing, but on or before the third anniversary of the Closing, the Warrant Holder will be able to purchase the 233,280 shares of Common Stock available during the first two years after the Closing, plus an additional 116,640 shares of Common Stock representing in total approximately 20.8% of the Common Stock. After the third anniversary of the Closing, but prior to the tenth anniversary of the Closing (the "Expiration"), the Warrant Holder will be able to purchase the 349,920 shares available during the first three years after Closing, plus the remaining 816,480 shares of Common Stock available under the Warrant. Based on

1,333,572 shares outstanding at December 31, 2001, if the entire warrant were exercised, the shares issued upon its exercise would constitute approximately 47% of the Company's outstanding stock.

On January 10, 2002, the Company received stockholder approval of the Note and Warrant Purchase Agreement. The Closing occurred on January 17, 2002, wherein the Company received the net proceeds from the Note and utilized those proceeds as follows: (i) the Company purchased the Participation Contract from the Bank for its book value of \$4.4 million; (ii) the Company paid \$3.2 million to the Bank for taxes due the Bank; (iii) the Company made a capital infusion to the Bank of \$3.7 million; and (iv) the Company paid transaction costs incurred in connection with the Private Placement.

In connection with the Private Placement, the Company agreed to increase the size of its Board of Directors from five to seven members and to permit the Investor to designate three new directors to serve on its Board for so long as any Notes should remain outstanding (and until the third anniversary of the Closing if the Notes are paid before that time). It also agreed to permit the Investor to designate three directors to serve on the Board of Directors of the Bank, which already consisted of seven members. The Company effected the increase in the size of its Board and the appointment of the new directors through a majority vote of directors as provided in the Company's Certificate of Incorporation. Two of the Company's Board members resigned to accommodate the new directors. The Company also agreed to nominate and recommend that the stockholders vote in favor of each Investor designee as they come up for election. Two of the Investor designees, Ezri Namvar and Richard F. Marr, are candidates for election at this Annual Meeting. The third Investor designee, Thomas G. Palmer was appointed to fill the vacancy of Edgar Keller who resigned from the Board and whose director term expires in 2004. The Investor has agreed generally not to vote any shares of the Warrant Stock against any member of the Board nominated by the Company. Three members of the Bank board also resigned to accommodate the new Bank directors who were then duly appointed by the Company.

Possible Future Changes in Control

Under the federal securities laws, "Control" is generally understood to refer to the possession, direct or indirect, of the power to direct, or cause the direction, of its management and policies of a company whether through ownership of voting shares, by contract, or otherwise. Thus, the Investor's rights under the Private Placement to designate three of seven directors, its status as a lender to the Company and the partial or entire exercise of its warrants over time (as described below) may, at a subsequent date, constitute a change in control of the Company under federal securities laws, if a given Warrant Holder or a group of affiliated Warrant Holders were to exercise all or a significant portion of the Warrants.

If upon exercise, a Warrant Holder would own 25% or more of the issued and outstanding Common Stock, then approval by the OTS shall be required as a condition to exercise, and if upon exercise a Warrant Holder would own between 10% and 25% of the issued and outstanding Common Stock, then OTS approval may be required and, if required, such OTS approval would be a condition to exercise.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers (as defined in regulations promulgated by the SEC thereunder) and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on a review of copies of such reports of ownership furnished to the Company, or written representations that no forms were necessary, the Company believes that each of the officers, directors and greater than ten percent stockholders has complied with all filing requirements that are applicable to them during the past fiscal year.

Board of Directors Meetings, Board Committees, and Compensation of Directors

The Board of Directors of the Company conducts its business through meetings of the Board of Directors and through activities of its committees. The Board of Directors of the Company meets monthly and may have additional special meetings upon the request of the Chairman of the Board. During the year ended December 31, 2001, the Board of Directors of the Company held 21 meetings. Each of the directors of the Company attended at least 90% of the total number of the Company's Board meetings held and committee meetings on which such directors served during 2001.

On January 17, 2002, Milton Johnson and Edgar Keller resigned from the Board of Directors of the Company in conjunction with the execution of the Note and Warrant Purchase Agreement (the "Agreement"). Neither of the resigning Board members had any disagreements with the Company on any matter relating to the Company's operations, policies or practices. Pursuant to the Agreement, the new Investor nominated three Board members and the Board approved the new members. The board has nominated two of those same members for re-election to the Board by the stockholders at this Annual Meeting.

The Board of Directors of the Company maintains committees; the nature and composition of which are described below:

Audit Committee. In April 2002, the Chairman of the Board of Directors appointed Messrs. Goddard, Palmer and Snyder to constitute the Audit Committee. The members of the committee accepted their appointment and the Board of Directors approved the appointments. The Audit Committee is responsible for selecting and communicating with the independent auditors, reporting to the Board on the general financial condition of the Company and the results of the annual audit, and is responsible for ensuring that the Company's activities are being conducted in accordance with applicable laws and regulations. The Audit Committee and the internal auditor of the Company met five times during 2001. The Company's board has adopted a written charter for the Audit Committee, which was included in the Proxy Statement sent to stockholders of the Company in connection with the 2001 Annual Meeting.

Life Financial Corporation Report of the Audit Committee

All the audit committee members are independent directors for the purposes of the listing standards of the National Association of Securities Dealers ("NASD"). Consistent with the NASD's independent director and audit committee listing standards, as amended on December 14, 1999, a director will not be considered "independent" if, among other things, he or she has:

Been employed by the Company or its affiliates in the current or past three years;

Accepted any compensation from the Company or its affiliates in excess of \$60,000 during the previous fiscal year (except for board service, retirement plan benefits, or non-discretionary compensation);

An immediate family member who is, or has been in the past three years, employed by the Company or its affiliates as an executive officer;

Been a partner, controlling stockholder or an executive officer of any for-profit business to which the Company made, or from which it received, payments (other than those which arise solely from investments in the Company's securities) that exceed five percent of the organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the past three years; or

Been employed as an executive of another entity where any of the Company's executives serve on that entity's compensation committee.

The Audit Committee has reviewed and discussed the audited financial statements for fiscal year 2001 with management and with the independent auditors. Specifically, the Audit committee has discussed with

Edgar Filing: LIFE FINANCIAL CORP - Form DEF 14A

the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU Section 380), which includes, among other things:

Methods used to account for significant unusual transactions;

The effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

The process used by management in formulating particularly sensitive accounting estimates and the basis for the auditor's conclusions regarding the reasonableness of those estimates; and

Disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants, Vavrinek, Trine, Day & Co., LLP, required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*. Additionally, the Audit Committee has discussed with Vavrinek, Trine, Day & Co., LLP, the issue of its independence from the Company. Based on its review of the audited financial statements and the various discussions noted above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on form 10-K for the fiscal year ended December 31, 2001.

Board Nominations. For the 2002 Annual Meeting the Board of Directors considered and recommended the nominees for director to stand for election at the Company's Annual Meeting of stockholders. The Company's Certificate of Incorporation and Bylaws provide for stockholder nominations of directors. These provisions require such nominations to be made pursuant to timely notice in writing to the Secretary of the Company. The stockholder's notice of nomination must contain all information relating to the nominee, which is required to be disclosed by the Company's Bylaws and by the Exchange Act.

Compensation Committee. The Compensation Committee of the Company was comprised of the entire Board for 2001. The Compensation Committee held one meeting during 2001, at which all members were present. In April 2002, the Chairman of the Board of Directors appointed Messrs. Goddard, Marr and Skipper to constitute the Compensation Committee. The members of the committee accepted their appointment and the Board of Directors approved the appointments. The Compensation Committee (i) has oversight responsibility for the Bank's compensation policies, benefits and practices, (ii) reviews and approves or disapproves the Chief Executive Officer's recommendations concerning individual incentive awards of officers directly reporting to him, (iii) approves all stock option grants, (iv) approves the aggregate amount of bonuses paid to all employees, and (v) has oversight responsibility for management planning and succession. The Compensation Committee may from time to time retain independent compensation consultants to assist it in the exercise of its responsibilities, including developing compensation plans and providing comparative data regarding the Bank's compensation policies. The Compensation Committee reviewed and approved the 2002-2004 Incentive Compensation Plan during the December 2001 Board meeting.

Directors' Compensation

Directors' Fees. Currently, all outside directors of the Company receive a monthly retainer of \$450. In addition, outside directors of the Bank receive a monthly retainer of \$2,000 for serving on the Bank's Board of Directors, while the Chairman of the Board of the Bank receives a monthly retainer of \$2,500. No committee fees are paid to Board Committee members.

Option Plan. The Company maintains the 2000 Stock Incentive Plan, effective as of June 14, 2000.

Executive Compensation

The report of the Compensation Committee and the stock performance graph shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Compensation Committee Report on Executive Compensation.

Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chief Executive Officer and other executive officers of the Company and the Bank. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale and considerations that led to fundamental compensation decisions affecting those individuals. In fulfillment of this requirement, the Compensation Committee of the Board of Directors of the Company, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement. The Bank's compensation programs are designed to provide the Bank's employees, including the Bank's executive officers, with competitive annual salaries, benefits and the potential to earn cash bonuses based upon period measurable performance. In addition, key employees, including executive officers, have the potential to receive one or more grants of stock options under the Company's 2000 Stock Incentive Plan. The Compensation Committee believes that the combination of programs provides reasonable incentives to the Bank's executive officers to meet or exceed the Bank's annual or multi-year financial and operational goals, and reasonably aligns the interests of such officers with those of the Company's stockholders.

Executive Compensation. Base salaries for the executive officers, including the Chief Executive Officer ("CEO"), Chief Operating Officer ("COO") and the Chief Financial Officer ("CFO") are established by the Compensation Committee based on the recommendations of management which consider, and apply subjectively as appropriate, individual performance and achievement, areas of responsibility, position, the extent to which the officers' skills are in demand and internal and external comparability.

For fiscal year 2002, the Company's and the Bank's executive officers are eligible to receive bonuses based on individual and Company performance.

The Committee believes that it is important for key employees to have long-term incentives through an equity interest in the Company. Accordingly, the Company, has granted, and will continue to grant, key employees stock options pursuant to the 2000 Stock Incentive Plan. The Compensation Committee of the Company grants options upon a review of the recommendations of the President/CEO/COO.

2002-2004 Incentive Compensation Plan. In December 2001, the Bank adopted the 2002-2004 Incentive Compensation Plan for employees of the Bank, except for commissioned employees, which provides for performance-based cash bonuses based on individual performance and the Bank's overall financial performance. For fiscal year 2001, compensation incentives were paid pursuant to the 2001-2003 Incentive Compensation Plan.

Executive Compensation Chief Executive Officer. The Company and the Bank hired Mr. Gardner in February 2000 as Chief Operating Officer. Mr. Gardner was promoted to President and Chief Executive Officer in August 2000. The President/CEO/COO base salary is \$250,000 per annum. In determining Mr. Gardner's salary of \$250,000 per annum upon his promotion to President and Chief Executive Officer, the Committee took into consideration the amount of salary that had been paid to his predecessor, Mr. Gardner's relative years of service and experience as a chief executive officer, a report conducted on

behalf of the Board by the compensation consulting firm of Nash and Company, and competitive salaries paid to individuals in comparable positions. In determining Mr. Gardner's incentive compensation for 2001, the Company's Chairman of the Board and the Chair of the Compensation Committee reviewed Mr. Gardner's performance during 2001 as President, Chief Executive Officer and Chief Operating Officer. Based upon that review, the Company's progress towards raising capital, Mr. Gardner's management of a troubled financial institution including negotiating with the Company's and Bank's regulators and implementation of the Bank's strategic plan in 2001, the Compensation Committee approved an incentive award to Mr. Gardner of \$100,000.

Mr. Gardner has entered into employment agreements as President, Chief Executive Officer and Chief Operating Officer with the Company and the Bank that specify his base salary, option grants, cash bonuses and the financial measures required to achieve such bonuses. In addition, Mr. Gardner and the Executive Vice President, Chief Financial Officer and Secretary of the Company and the Bank, Mr. Roy Painter also participates in other benefit plans available to all employees, including the 401(k) Plan. Details related to Mr. Gardner's compensation package are fully described in the "Employment Agreements" section of this Proxy Statement.

Stock Performance Graph. The following graph shows a comparison of cumulative total stockholder return on the Company's Common Stock based on the market price of the Common Stock with the cumulative total return of U.S. companies on the Nasdaq Stock Market Index and Financial Stocks Index for the period beginning on June 25, 1997, the day the Company's Common Stock began trading, through December 29, 2001. The data used to prepare the graph was provided by Carl Thompson and Associates. The graph was derived from a limited period of time, and reflects the market's reaction to the initial public offering of the Common Stock, its proposed acquisition by First Plus of Dallas, Texas around March 1998, the subsequent termination of the proposed acquisition, the sale of residual assets in December 1999 at a substantial loss and various regulatory actions during 2000 and 2001 and, as a result, may not be indicative of possible future performance of the Company's Common Stock.

Employment Agreements

The Company and the Bank have entered into employment agreements with Mr. Gardner ("Employment Agreements"). The Company and Bank Employment Agreements for Mr. Gardner each provide for a three-year term. The Employment Agreements provide that, commencing on the first anniversary date (February 15, 2001) and continuing each anniversary date thereafter, the Board of Directors may extend the Employment Agreements for an additional year so that the remaining term shall be three years, unless written notice of non-renewal is given by the Board of Directors after conducting a performance evaluation of Mr. Gardner. The Employment Agreements provide that Mr. Gardner's salary will be reviewed annually. The Bank Employment Agreement provides that Mr. Gardner will receive a Base Salary of \$250,000 per year. In addition to Mr. Gardner's base salary, the Company Employment Agreement provides for a base grant of stock options, pursuant to the Life Financial Corporation 2000 Stock Incentive Plan, to purchase 20,000 (adjusted for the 2001 1:5 reverse stock split) shares of Common Stock of the Company. The Employment Agreements provide for termination by the Company and the Bank for cause at any time as defined in the

Employment Agreements. In the event the Company or the

Bank chooses to terminate Mr. Gardner for reasons other than cause or as a result of a change in control of the Company or the Bank, Mr. Gardner would be entitled to a severance payment equal to one-times his current base salary plus any bonus received in the previous year, immediate vesting of all stock option grants and one year of life, medical, dental and disability coverage substantially equivalent to the coverage maintained prior to such termination.

On January 5, 2001, based on Mr. Gardner's promotion in August 2000 to President and Chief Executive Officer and his continuing to perform as Chief Operating Officer, the Boards of Directors of the Company and the Bank executed Amendments to Mr. Gardner's Employment Agreements (the "Amendments") whereby the Boards (i) increased Mr. Gardner's base salary from \$200,000 to \$300,000, (ii) caused the Company to guarantee Mr. Gardner's base salary, (iii) awarded Mr. Gardner a \$150,000 bonus/incentive for fiscal 2000, (iv) increased Mr. Gardner's severance payment to two-times his then current base salary plus any bonus received the previous year, and (v) granted Mr. Gardner an additional stock option to purchase an additional 20,000 (adjusted for the 2001 1:5 reverse stock split) shares of Common Stock at an option price of \$ 3.44 (adjusted for the 2001 1:5 reverse stock split) per share. During 2001, however, the Bank was undercapitalized Pursuant to 12 U.S.C. 1831o(f)(4), as defined therein, and thus the Company and the Bank were restricted from increasing Mr. Gardner's compensation by effectuating the Amendments without the prior written approval of the Office of Thrift Supervision ("OTS") and the Federal Deposit Insurance Corporation ("FDIC"). The Bank received notification from the OTS on September 13, 2001 that it consented to the change in compensation based upon a reduction in the base salary to \$250,000. On August 1, 2001 the FDIC notified the Bank that it took no objection to the change in Mr. Gardner's compensation. Accordingly, the Amendments have been implemented as previously described with the exception that Mr. Gardner's base salary was increased to \$250,000 instead of \$300,000.

Option Plan. The Company maintains the 2000 Stock Incentive Plan, under which all employees of the Company are eligible to receive options to purchase Common Stock. The Plan provides discretionary awards to officers and key employees as determined by a committee of non-employee directors.

The following table provides certain information with respect to the number of shares of Common Stock represented by outstanding options held by the Named Executive Officers as of December 31, 2001. Also reported are the values for "in-the-money" options which represent the positive spread between the exercise price of any such existing stock options and the year end price of the Common Stock. No stock appreciation rights were granted to Named Executive Officers during the year ended December 31, 2001.

Transactions with Certain Related Persons

The Financial Institutions Reform, Recovery and Enforcement Act ("FIRREA") requires that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with the general public and must not involve more than the normal risk of repayment or present other unfavorable features. In addition, loans made to a director or executive officer in excess of the greater of \$25,000 or 5% of the Bank's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

The Bank's current policy provides that no loans will be made by the Bank to its executive officers and directors.

It is the policy of the Company that all transactions between the Company and its executive officers, directors, holders of 10% or more of the shares of any class of its common stock and affiliates thereof, contain terms no less favorable to the Company than could have been obtained by it in arm's-length negotiations with unaffiliated persons and are required to be approved by a majority of independent outside directors of the Company not having any interest in the transaction.

PROPOSAL 2.**APPROVAL OF AMENDMENT TO CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO PACIFIC PREMIER BANCORP, INC.**

The Company seeks stockholder approval to amend its Certificate of Incorporation to change its name from Life Financial Corporation to Pacific Premier Bancorp, Inc. (*see Exhibit A*). The primary reason for the proposed name change is to better reflect the change in the Company's focus and to align the Company name with that of its principal operating subsidiary.

From 1994 through 2000 the Company and its principal operating subsidiary, Life Bank, operated as a mortgage banking company originating subprime and high loan to value loans through offices located nationwide. In the third quarter of 2000, the Company elected to disband its mortgage banking operation and discontinue the origination and sale of higher risk loan products. On April 5, 2002 the Board unanimously approved the change in the name of Life Bank to Pacific Premier Bank. The name change is to take effect upon the corporate offices being relocated to Orange County, California sometime during the third quarter of 2002.

The Company and Bank have instituted a new strategic business plan and direction focused on consumer and small business banking and income property and construction lending in the Southern California market. The Southern California market is a vibrant and integral part of the Pacific Rim. In addition, the Company and Bank will continue to strive to provide premier customer service. The name change reflects our geographical focus and overall new direction.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" APPROVAL OF THE AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO PACIFIC PREMIER BANCORP, INC.

ADDITIONAL INFORMATION

Stockholder Proposals

To be considered for inclusion in the Company's proxy statement and form of proxy relating to the 2003 Annual Meeting of Stockholders, a stockholder proposal must be received by the Secretary of the Company at the address set forth on the Notice of Annual Meeting of Stockholders not later than December 23, 2002. If such Annual Meeting is held on a date more than 30 calendar days from May 23, 2002 a stockholder proposal must be received by a reasonable time before the proxy solicitation for such Annual Meeting is made. Any such proposal will be subject to 17 C.F.R. 240.14a-8 of the Rules and Regulations under the Exchange Act.

Notice of Business to be conducted at an Annual Meeting The Bylaws of the Company provide an advance notice procedure for a stockholder to properly bring business before an Annual Meeting. The stockholder must give written advance notice to the Secretary of the Company not less than ninety (90) days before the date originally fixed for such meeting; provided, however, that in the event that less than one hundred (100) days notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the tenth day following the date on which the Company's notice to stockholders of the Annual Meeting date was mailed or such public disclosure was made. The advance notice by stockholders must include the stockholder's name and address, as they appear on the Company's record of stockholders, a brief description of the proposed business, the reason for conducting such business at the Annual Meeting, the class and number of shares of the Company's capital stock that are beneficially owned by such stockholder and any material interest of such stockholder in the proposed business. In the case of nominations to the Board of Directors, certain information regarding the nominee must be provided. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement or the proxy relating to an Annual Meeting any stockholder proposal which does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received. Since no notice that a stockholder

intends to present a proposal at the Company's 2002 Annual Meeting of Stockholders was received by the Company on or before April 1, 2002 (10 days after the March 22, 2002 announcement of the 2002 Annual Meeting date), the Company will have discretionary authority to vote on any stockholder proposal presented at the meeting.

Other Matters Which May Properly Come Before the Annual Meeting The Board of Directors knows of no business, which will be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting of Stockholders. If, however, other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the shares represented thereby on such matters in accordance with their best judgment.

Whether or not you intend to be present at the Annual Meeting, you are urged to return your proxy card promptly. If you are then present at the Annual Meeting and wish to vote your shares in person, your original proxy may be revoked by voting at the Annual Meeting. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record-holder to vote personally at the Annual Meeting.
