Item 1. Proxy Voting Record

The report may indicate that the "meeting status" of a particular proposal was "take no action" or "unvoted". The reason for no action being taken or a security being unvoted, i.e., no vote being cast, may include among other things, (a) the securities were out on loan at the time of a record date, (b) administrative or operational constraints impeded the ability to cast a timely vote, such as late receipt of proxy voting information, (c) systems, administrative or processing errors occurred (including errors by the Adviser or third party vendors), and/or (d) the portfolio manager concluded that the potential benefit of voting was outweighed by the cost, and not in the best interest of the Fund.
