PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
APRIL 23, 2003

GENERAL PROXY STATEMENT INFORMATION

This Proxy Statement is being furnished to stockholders of Sussex Bancorp (the "Company") in connection with the solicitation by the Board of Directors of proxies to be used at the annual meeting of stockholders (the "Annual Meeting"), to be held on April 23, 2003, at 10:30 a.m., at Sussex Bank's Augusta office, 100 Route 206, Augusta, New Jersey and at any adjournments thereof. The 2002 Annual Report to Stockholders, including consolidated financial statements for the fiscal year ended December 31, 2002, and a proxy card, accompany this Proxy Statement, which is first being mailed to record holders on or about March 20, 2003.

Solicitation and Voting of Proxies

Regardless of the number of shares of common stock, no par value, of the Company ("Common Stock") owned, it is important that you vote by completing the enclosed proxy card and returning it signed and dated in the enclosed

Edgar Filing: SUSSEX BANCORP - Form DEF 14A

postage-paid envelope. Stockholders are urged to indicate their vote in the spaces provided on the proxy card. Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, signed proxy cards will be voted "FOR" the election of each of the nominees for director named in this Proxy Statement.

Other than the matters set forth on the attached Notice of Annual Meeting of Stockholders, the Board of Directors knows of no additional matters that may be presented for consideration at the Annual Meeting. Execution of a proxy, however, confers on the designated proxy holders discretionary authority to vote the shares in accordance with their best judgment on such other business, if any, that may properly come before the Annual Meeting and at any adjournments thereof, including whether or not to adjourn the Annual Meeting.

-1-

A proxy may be revoked at any time prior to its exercise by sending a written notice of revocation to the Company, 399 State Highway 23, P.O. Box 353, Franklin, New Jersey 07416, Attn: Candace A. Leatham. A proxy filed prior to the Annual Meeting may be revoked by delivering to the Company a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person. However, if you are a stockholder whose shares are not registered in your own name, you will need appropriate documentation from your record holder to vote personally at the Annual Meeting.

The cost of solicitation of proxies on behalf of the Board of Directors will be borne by the Company. Proxies may also be solicited personally or by mail or telephone by directors, officers and other employees of the Company and Sussex Bank (the "Bank"), its wholly owned subsidiary, without additional compensation therefor. The Company will also request persons, firms and corporations holding shares in their names, or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from such beneficial owners, and will reimburse such holders for their reasonable expenses in doing so.

Voting Securities

The securities which may be voted at the Annual Meeting consist of shares of the Company's Common Stock, with each share entitling its owner to one vote on all matters to be voted on at the Annual Meeting, except as described below. There is no cumulative voting for the election of directors.

The close of business on March 3, 2003, has been fixed by the Board of Directors as the record date (the "Record Date") for the determination of stockholders of record entitled to notice of and to vote at the Annual Meeting and at any adjournments thereof. The total number of shares of Common Stock outstanding on the Record Date was 1,695,462 shares.

The presence, in person or by proxy, of the holders of at least a majority of the total number of shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. In the event that there are not sufficient votes for a quorum, or to approve or ratify any matter being presented at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit the further solicitation of proxies.

The proxy card being provided by the Board of Directors enables a stockholder to vote "FOR" the election of the nominees proposed by the Board of Directors, or to "WITHHOLD AUTHORITY" to vote for one or more of the nominees

Edgar Filing: SUSSEX BANCORP - Form DEF 14A

being proposed. Under New Jersey law and the Company's Bylaws, directors are elected by a plurality of votes cast, without regard to broker non-votes or abstentions.

-2-

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation and its Bylaws authorize a minimum of five (5) and a maximum of twenty-five (25) directors but leave the exact number to be fixed by resolution of the Board of Directors. The Board has fixed the number of directors at nine (9).

Directors are elected to serve for staggered terms of three years each, with the term of certain directors expiring each year. Directors serve until their successors are duly elected and qualified.

If, for any reason, any of the nominees become unavailable for election, the proxy solicited by the Board of Directors will be voted for a substitute nominee selected by the Board of Directors. The Board has no reason to believe that any of the named nominees is not available or will not serve if elected. Unless authority to vote for the nominee is withheld, it is intended that the shares represented by the enclosed proxy card, if executed and returned, will be voted "FOR" the election of the nominees proposed by the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

Information with respect to the Nominees

The following tables set forth, as of the Record Date, the names of the nominees for election and those directors whose terms continue beyond the Annual Meeting, their ages, a brief description of their recent business experience, including present occupations, and the year in which each became a director of the Company or the Bank. No nominee is a director of another company registered pursuant to Section 12 of the Securities Exchange Act of 1934 or subject to the requirements of Section 15(d) of such Act or any company registered as an investment company under the Investment Company Act of 1940.

Board of Directors' Meetings

Pursuant to the New Jersey Business Corporation Act and the Company's by-laws, the Company's business and affairs are managed under the direction of the Board of Directors. The Board of Directors of the Company held six meetings during 2002. The Board of Directors holds regularly scheduled meetings each month and special meetings as circumstances require. All of the directors of the Company attended at least 75% of the total number of Board meetings held and committee meetings held during 2002.

Committees of the Board

During 2002, the Board of Directors maintained an Audit Committee and a Compensation Committee. The Company does not maintain a separate Nominating Committee. The full Board acts as a Nominating Committee.

Audit Committee. The Company's Audit Committee consisted during 2002 of Directors William E. Kulsar (Chairman), and Mark J. Hontz. The Audit Committee met five times during 2002. For 2003, Mr. Edward J. Leppert has been appointed Chairman of the Audit Committee. Messrs. Joel Marvil, and Richard W. Scott have been appointed to the Audit Committee and Mr. Kulsar will continue as a member of the Committee.

Audit Committee Report

The Audit Committee meets periodically to consider the adequacy of the Company's financial controls and the objectivity of its financial reporting. The Audit Committee meets with the Company's independent auditors and the Company's internal auditors, both whom have unrestricted access to the Audit Committee.

All Directors who serve on the Audit Committee are "independent" for purposes of the American Stock Exchange listing standards and, as required under the Sarbanes-Oxley Act, no member of the Audit Committee receives any form of compensation from the Company, apart from compensation for Board and Committee service. The Board has adopted a written charter for the Audit Committee setting forth the audit related functions the Audit Committee is to perform. This Charter was filed with the SEC as an exhibit to the year 2000 proxy statement.

In connection with this year's financial statements, the Audit Committee

has reviewed and discussed the Company's 2002 audited financial statements with the Company's officers and Beard Miller Company, LLP, its independent auditors.

Edgar Filing: SUSSEX BANCORP - Form DEF 14A

We have discussed with Beard Miller Company, LLP the matters required to be discussed by Statements on Auditing Standards 61, 89 and 90 (Communication with Audit Committees), as amended or supplemented, which include, among other items, matters related to the conduct of the audit of the Company's financial statements. We also have received the written disclosures and letter from Beard Miller Company, LLP as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and have discussed with representatives of Beard Miller Company, LLP their independence with regard to all services provided.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on form 10-KSB for the fiscal year ended December 31, 2002 for filing with the U.S. Securities and Exchange Commission.

Compensation Committee. The Company maintains a Compensation Committee which sets the compensation for the executive officers of the Company. In 2002, the Compensation Committee consisted of Directors Joel D. Marvil (Chairman), Irvin Ackerson, Joseph Zitone and Mark J. Hontz and met twice.

Compensation of Directors

During 2002, Directors of the Bank who were not full-time employees of the Bank received a fee of \$500 for each regular monthly Bank Board meeting or special Bank Board meeting attended, and \$100 for each committee meeting attended. Each member of the Bank's loan committee will receive \$500 per meeting in 2003. During 2002, Directors of the Company received an annual retainer of \$4,000 each. For 2003, the annual retainer was increased on \$5,000. In addition, members of the Audit Committee will receive in 2003 an additional fee of \$1,000 per Audit Committee meeting, and the Chairman will receive \$1,500 per meeting.

The Company maintains the 1995 Stock Option Plan for Non-Employee Directors (the "Non-Employee Plan"), the purpose of which is to assist the Company in attracting and retaining qualified persons to serve as members of the Board of Directors. Under the Non-Employee Plan, options may be granted at exercise prices which may not be less than the fair market value of the Common Stock on the date of grant. Under the Non-Employee Plan, each non-employee director elected at the 1995 Annual Meeting was granted an option to purchase 3,000 shares at \$11.25 per share (or 5,516 shares at \$5.08 as adjusted for stock dividends). In addition, each non-employee director who is elected or re-elected to serve on the Board of Directors at succeeding annual meetings will be granted an option to purchase 500 shares of Common Stock at the time of such

-6-

re-election. As of December 31, 2002, 43,721 options were outstanding under this plan and 6,733 authorized shares were available for grant.

In addition, members of the Board of Directors are eligible to participate in the 2001 Stock Option Plan, which was approved by the shareholders in 2000. Under the 2001 Stock Option Plan, options to purchase up to a total of 165,000 shares of Common Stock may be granted. Pursuant to the terms of the 2001 Stock Option Plan, options which qualify as incentive stock options under the Internal Revenue Code of 1986 must be granted at an exercise price of no less than 100% of the then current fair market value of the Common Stock, and options which are

Employment Agreements

The Company and the Bank are parties to an Employment Agreement with Mr. Donald L. Kovach pursuant to which he serves as President and Chief Executive Officer of the Company and President and Chief Executive Officer of the Bank (the "Employment Agreement"). The Employment Agreement provides for a term ending on August 31, 2002, although it will be automatically extended on each anniversary date for up to two (2) additional one-year periods unless either party provides notice of their intention not to extend the contract. No such notice was given for the August 31, 2002 anniversary, and so the Employment Agreement is in effect until August 31, 2003. The Employment Agreement provides that Mr. Kovach will receive a base salary of \$160,200, subject to increase or decrease, and may be granted a discretionary bonus as determined by the Board of Directors. The Employment Agreement permits the Company to terminate Mr. Kovach's employment for cause at any time. The Employment Agreement defines cause to mean personal dishonesty, willful misconduct, breach of fiduciary duty involving personal profit, intentional failure to perform stated duties, willful violation of law, rule or regulation, other than traffic violations or similar offenses, or violation of a final cease and desist order, or a material breach of any provision of the Agreement. In the event Mr. Kovach is terminated for any reason other than cause, or in the event Mr. Kovach resigns his employment because he is reassigned to a position of lesser rank or status than President and Chief Executive Officer, his place of employment is relocated by more than 30 miles from its location on the date of the Agreement, or his compensation or

Edgar Filing: SUSSEX BANCORP - Form DEF 14A

other benefits are reduced, Mr. Kovach, or in the event of his death, his beneficiary, will be entitled to receive his base salary at the time of such termination or resignation for the remaining term of the Agreement. In addition, the Company will continue to provide Mr. Kovach with certain insurance and other benefits through the end of the term of the Agreement. Mr. Kovach's Employment Agreement further provides that upon the occurrence of a change in control of the Company, as defined in the Employment Agreement, and in the event Mr. Kovach is terminated for reasons other than cause or in the event Mr. Kovach, within 18 months of the change in control, resigns his employment for the reasons discussed above, he shall be entitled to receive a severance payment based upon his then current base salary. Under the Agreement, in the event the change in control occurs, Mr. Kovach is entitled to a severance payment equal to 2.99 times his then current base salary. The Employment Agreement also prohibits Mr. Kovach from competing with the Bank and the Company for a period of one year following termination of his employment.

In connection with the Company's acquisition of Tri-State Insurance Agency, Inc. ("Tri-State") effective October 1, 2001, the Company entered into employment agreements with each of Messrs George B. Harper and George Lista. Under these agreements, each of Messrs. Harper and Lista is to be paid a base salary (\$50,000 for Mr. Harper and \$120,000 for Mr. Lista) and commissions for insurance products actually placed. In addition, each of Messrs Harper and Lista is entitled to receive bonuses based upon the net before tax income of Tri-State for each twelve-month period commencing on the effective date of the acquisition. To the extent Tri-State's net before tax income exceeds certain designated targets contained in each employment agreement, each of Messrs. Harper and Lista will be entitled to receive a bonus equal to 25% of the amount by which the net before tax income of Tri State exceeds the target. The bonus is

-11-

to be paid in shares of the Company's common stock. The amount of stock to be issued will be determined by dividing the amount of the bonus by the fair market value of the Company's common stock, determined by taking the average closing price of the common stock for the fifteen trading days prior to issuance. For the twelve-month period ended September 30, 2002, Tri-State exceeded its targeted net before tax income, and each of Messrs. Harper and Lista received a bonus of 535 shares of the Company's common stock. The employment agreements with Messrs. Harper and Lista expire on September 30, 2006.

Retirement Plans

The Bank maintains a salary continuation plan for Mr. Kovach. Under this plan, Mr. Kovach will receive a retirement benefit equal to 35% of his average final compensation determined by his last five years of employment. Mr. Kovach will receive this benefit in the event that he works to age 70, or he is involuntarily discharged prior to age 70 for any reason other than "cause". For purposes of the Salary Continuation Agreement, cause is defined in the same manner as under Mr. Kovach's Employment Agreement. Annual retirement payments are to be made for fifteen years under the Salary Continuation Agreement to Mr. Kovach or, in the event of his death, to his spouse.

1995 Incentive Stock Option Plan and 2001 Stock Option Plan

The Company maintains the 1995 Incentive Stock Option Plan which provides for options to purchase shares of Common Stock to be issued to key employees of the Company, the Bank and any other subsidiaries which the Company may acquire or incorporate in the future. The Company also maintains the 2001

Edgar Filing: SUSSEX BANCORP - Form DEF 14A

Stock Option Plan, under which options to purchase shares of Common Stock may be issued to employees, officers and directors of the Company, the Bank and any other subsidiaries which the Company may acquire or incorporate in the future. Recipients of options granted under the Plans are selected by the Stock Option Committee of the Board of Directors. The Stock Option Committee has the authority to determine the terms and conditions of options granted under the Plans and the exercise price therefore. The exercise price for options granted under the 1995 Incentive Stock Option Plan, and for Incentive Stock Options under the 2001 Stock Option Plan may be no less than the fair market value of the Common Stock. The exercise price for non-statutory options granted under the 2001 Stock Option Plan may be no less than 85% of the fair market value of the Common Stock.

Interest of Management and Others in Certain Transactions

The Bank has made in the past and, assuming continued satisfaction of generally applicable credit standards, expects to continue to make loans to directors, executive officers and their associates (i.e. corporations or organizations for which they serve as officers or directors or in which they have beneficial ownership interests of ten percent or more). These loans have all been made in the ordinary course of the Bank's business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectibility or present other unfavorable features.

The Bank paid \$15,900 to Irvin Ackerson for appraisal services rendered to the Bank during fiscal 2002. Irvin Ackerson continues to render appraisal services to the Bank.

The Bank leases its Montague branch office from Montague Mini Mall, Inc. under a lease covering 1,200 square feet. The lease agreement was renewed as of April 1, 2002. As renewed, the lease will terminate on March 31, 2007, and provides for a monthly rent of \$1,850. Mr. Joseph Zitone, a Director of the Company, is a majority stockholder of Montague Mini Mall, Inc. The Company considers the lease terms to be comparable to those which exist with unaffiliated third parties.
