ITEM 1.01 Entry into a Material Definitive Agreement

On April 20, 2017, Integra LifeSciences Corporation ("ILS"), a wholly-owned subsidiary of Integra LifeSciences Holdings Corporation (the "Company"), entered into a lease modification agreement with Plainsboro Associates relating to its manufacturing facility located at 105 Morgan Lane, Plainsboro, New Jersey. Plainsboro Associates is a New Jersey general partnership. Ocirne, Inc., a subsidiary of Provc Industries ("Provc"), owns a 50% interest in Plainsboro Associates. Provc's stockholders are trusts whose beneficiaries include the children of Dr. Richard Caruso, the Chairman Emeritus and Director Emeritus of the Company. Dr. Caruso is the President of Provc.

The lease modification agreement provides a twelve-year option (instead of the prior fifteen-year option) for ILS to extend the lease term from October 1, 2017 through October 31, 2029. The rent for the modified term will be \$295,515 per year, which is the same amount the Company would have paid had it exercised the initial fifteen-year renewal option. In addition, the lease modification agreement adds two separate five-year renewal options to extend the lease from November 2029 through October 2039. The first five-year renewal option, from November 2029 through October 2034, will be approximately \$357,975 per year, excluding common area maintenance and other operating expenses. The second five-year renewal option, from November 2034 through October 2039, will be at the fair market rental rate of the premises. After the first five-year renewal option, in the event the Company exercises the subsequent five-year renewal option, the landlord will notify the Company as to its opinion as to the fair market rental rate, which cannot be lower than the rent for the prior lease term. In making the determination of the fair market rental rate, no consideration shall be given to the value of any additions, improvements or special purpose renovations paid by the Company. If the Company does not agree with the amount of the fair market rental rate, the parties will have 30 days to negotiate.

Prior to the April 20, 2017 modification agreement, the lease had an option for ILS to extend the term from November 1, 2017 through October 31, 2039 at a fixed rate of \$11.97 per square foot, or an annual rate of \$295,515.36 (\$24,626.28 monthly), for the fifteen-year extension period.

A copy of the lease modification agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item.
