The Universal Forest Products, Inc. Employees' Profit Sharing and 401(k) Retirement Plan (the "Plan") elected to dismiss its independent auditors, Arthur Andersen LLP ("Arthur Andersen"), and to engage the services of Ernst & Young LLP as its new independent auditors. The change in auditors was approved by the Board of Directors of Universal Forest Products, Inc. (the "Company" and the issuer of the securities held pursuant to the Plan and the administrator of the Plan); the change is effective as of May 20, 2002. As a result, Ernst & Young LLP will audit the financial statements of the Plan for the fiscal year ending December 31, 2001.

Arthur Andersen has not yet issued a report on the Plan's financial statements for the Plan's most recent fiscal year ended December 31, 2001. Since the beginning of that Plan year through the date of this Form 8-K, (1) there were no disagreements with Arthur Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen's satisfaction, would have caused Arthur Andersen to make reference to the subject matter of the disagreement(s) in connection with a report on the Plan's financial statements; and (2) there were no reportable events as described in Item 304(a)(1)(v) ("Reportable Events") of the Securities and Exchange Commission's (the "Commission") Regulation S-K.

The Plan has provided a copy of the foregoing statements to Arthur Andersen. Attached as Exhibit 16 is Arthur Andersen's letter to the Commission, dated May 21, 2002, stating its agreement with these statements.

During the last two Plan years through the date of this Form 8-K, neither the Plan nor anyone acting on its behalf consulted with Ernst & Young LLP regarding (i) either the application of accounting principles to a specified transaction, completed or proposed, or the type of audit opinion that might be rendered on the Plan's financial statements, or (ii) any matters or reportable events as set forth in Items 304(a)(2)(i) and (ii) of Regulation S-K.
