Questions and Answers About the Meeting

Question: What am I being asked to vote on and how does the board of directors recommend that I vote?

Answer: You are being asked to vote on one matter:

Our board of directors has determined that the issuance of 715,391 shares of our common stock, subject to adjustment, to Citizens Community MHC as part of the merger with Community Plus Savings Bank is in the best interests of our shareholders and unanimously recommends that you vote "FOR" issuance of the shares.

Question: Why are we merging with Community Plus Savings Bank?

Answer: We believe that the merger will benefit our customers, employees and shareholders by creating a stronger financial institution that will be better positioned to compete in the financial services industry by offering its financial products and services in a broader market and through more efficient operations. To review our reasons for the merger in greater detail, see page 18.

Question: What votes are required in connection with the proposed merger?

Answer: The Office of Thrift Supervision is requiring the issuance of 715,391 shares of our common stock, subject to adjustment, to Citizens Community MHC to be approved by the affirmative vote of a majority of our outstanding shares of common stock, as well as a majority of our outstanding shares of common stock, excluding shares owned by Citizens Community MHC. The approval of the merger agreement also requires the affirmative vote of a majority of the votes eligible to be cast by Community Plus Savings Bank's members.

Question: How will the merger effect my shares?

Answer: Your shares will remain outstanding and will not change as a result of the merger. However, as a result of the issuance of 715,391 shares of our common stock to Citizens Community MHC, our shareholders (except Citizens Community MHC) are expected to experience a dilution in ownership interest of approximately 19.3% when the new shares are issued.

Question: When is the merger expected to be completed?

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

Answer: We expect to complete the merger as soon as practicable after receiving all required shareholder, member and regulatory approvals and after any waiting periods specified in the regulatory approvals have lapsed. We currently expect to complete the merger during the second calendar quarter of 2005.

Question: What are the tax consequences of the merger to me?

Answer: You should not recognize any gain or loss for federal income tax purposes solely as a result of the merger or the share issuance.

Question: What should I do now?

Answer: After you have carefully read this document, please indicate on your proxy card how you want to vote. Then, sign, date and mail the proxy card in the enclosed prepaid envelope as soon as possible. This will enable your shares to be represented at the meeting.

Question: If my shares are held in a stock brokerage account or by a bank or other nominee (i.e., in "street name") will my shares automatically be voted for me?

Answer: Your broker will not be able to vote your shares, unless you provide instructions on how to vote. You should instruct your broker how to vote your shares, following the directions your broker provides. If you do not provide instructions to your broker on the proposal to issue additional shares, your shares will not be voted, and this will have the effect of voting against the issuance of shares to Citizens Community MHC. Please check the voting form used by your broker to see if it offers telephonic or Internet voting.

You can vote your shares by attending the special meeting and voting in person or by completing and mailing the enclosed proxy card. As of May 6, 2005, our directors and executive officers owned approximately 8.1% of our outstanding common stock, or 25.5% of the shares held by persons other than Citizens Community MHC. Citizens Community MHC and each of our directors and executive officers have indicated to us that they intend to vote their shares of common stock in favor of the proposal to issue additional shares.

THE MERGER

A copy of the merger agreement is provided as Appendix A to this proxy statement. Please read the entire merger agreement carefully. It is the legal document that governs the merger.

Overview of the Transaction

In March 2004, we reorganized Citizens Community Federal into a stock savings bank with a mutual holding company structure. As part of that transaction we sold shares to our customers in a subscription offering. The majority of Citizens Community Bancorp's outstanding shares were retained by Citizens Community MHC. As a result of the reorganization, our current organization structure is as follows:

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

Under the merger agreement, Community Plus Savings Bank will merge with and into Citizens Community Federal. Citizens Community Federal will be the surviving institution. In connection with the merger, we will issue shares of our common stock to Citizens Community MHC in an amount equal to the value of Community Plus Savings Bank as determined by an independent appraisal.

After the merger, our ownership structure will be as follows:

Each Outstanding Share of Our Common Stock Will Remain Unchanged in the Merger

Each of your shares of our common stock will remain outstanding and unchanged in the merger. However, as a result of the issuance of an additional 715,391 shares of our stock (based on the average closing price of our common stock for the fifteen trading days ended on May 6, 2005) to Citizens Community MHC, you are expected to experience a dilution in ownership interest of approximately 19.3% when the new shares are issued.

Members of Community Plus Savings Bank will not receive any shares of our common stock in the merger.

**Issuance of Our Shares to Citizens
Community MHC (page 16)**

In connection with the merger, the Office of Thrift Supervision, as the primary federal regulator of Citizens Community Bancorp, Citizens Community Federal and Community Plus Savings Bank, will require us to issue shares of our common stock to Citizens Community MHC in an amount equal to the value of Community Plus Savings Bank as determined by an independent appraiser. The independent appraisal has been prepared by RP Financial, L.C. ("RP Financial"), Community Plus Savings Bank's financial advisor. RP Financial stated that the preliminary estimate of the value of Community Plus Savings Bank was \$9.25 million as of December 21, 2004. This appraisal was finalized later, on January 21, 2005. Based on the \$15.09 average closing price of our common stock for the fifteen trading days ended December 21, 2004, this would have resulted in us issuing 612,989 shares of common stock to Citizens Community MHC. Issuing 612,989 shares would cause you to experience a dilution in ownership interest of approximately 17.1%. The number of shares actually issued to Citizens Community MHC at the time of merger will be adjusted to reflect any changes in the independent appraisal of Community Plus Savings Bank and the average closing price of our common stock at the time the merger is consummated, which could result in an increase or decrease in the dilution.

Our Stock Price

Our common stock is quoted on the Over-the-Counter Electronic Bulletin Board under the symbol "CZWI." On January 5, 2005, which was the last trading day before the merger was announced, our common stock closed at \$14.90 per share. On May 6, 2005, which is the last practicable trading day before the printing of this document, our common stock closed at \$13.00 per share.

Tax Consequences of the Merger (page 17)

We have received an opinion of counsel to the effect that, based on certain facts, representations and assumptions, the merger will be a "reorganization" for federal income tax purposes and, as your shares of Citizens Community Bancorp common stock will remain unchanged, you will not recognize any gain or loss for federal income tax purposes upon completion of the merger or the issuance of additional shares of our common stock to Citizens Community MHC.

Our Board of Directors Recommends that You Vote to Approve the Issuance of Additional Shares (page 18)

Our board of directors believes that the issuance of additional shares of our common stock to Citizens Community MHC in connection with the merger is fair to and in the best interests of our shareholders, and unanimously recommends that you vote "FOR" the proposal to approve the issuance of additional shares of our common stock in connection with the merger.

For a discussion of the factors considered by our board of directors in approving the merger agreement, see page 18.

Community Plus Savings Bank's Independent Appraiser Has Determined the Value of Community Plus Savings Bank to Establish the Number of Shares of Our Common Stock That We Must Issue to Citizens Community MHC (page 19)

RP Financial has delivered to the Community Plus Savings Bank board of directors its written appraisal of the value of Community Plus Savings Bank, as of January 21, 2005 for filing with the Office of Thrift Supervision. A summary of the appraisal is contained on pages 19 through 21. You should read the summary to understand the procedures followed, assumptions made, matters considered, and qualifications and limitations on the review made by RP Financial in providing this appraisal. This appraisal, as updated, will be used to establish the number of shares of our common stock that we will be required to issue to Citizens Community MHC in connection with the merger. Community Plus Savings Bank agreed to pay RP Financial approximately \$27,500 for preparation of the appraisal and the appraisal update, plus expenses, all of which has been paid.

Our Financial Advisor Has Reviewed the Appraised Value of Community Plus Savings Bank and Determined That the Merger and the Number of Shares to be Issued Are Fair to Our Shareholders (page 21)

Keefe, Bruyette & Woods, Inc., our financial advisor, has reviewed RP Financial's appraisal of Community Plus Savings Bank's value. Additionally, our board of directors received an opinion from Keefe, Bruyette & Woods, Inc., that the merger and the issuance of shares of our common stock to Citizens Community MHC are fair, from a financial point of view, to our shareholders. Our board considered this opinion in determining to approve the merger and the share issuance. You should read this opinion completely to understand the assumptions made, matters considered and limitations of the review undertaken by Keefe, Bruyette & Woods, Inc., in providing its opinion. Keefe, Bruyette & Woods, Inc.'s opinion is directed to our board of directors and does not constitute a recommendation to any shareholder as to any matters relating to the merger or the share issuance. We have agreed to pay Keefe, Bruyette & Woods, Inc., approximately \$35,000, plus expenses, for its services in connection with the merger, all of which has been paid. Keefe, Bruyette & Woods, Inc., has previously provided us with services in connection with our reorganization to the mutual holding company form of organization for which Keefe, Bruyette & Woods, Inc., was paid \$110,254.

Certain of Our Obligations in Connection with the Merger (page 26)

In the merger agreement, we agreed to take certain actions with regard to Community Plus Savings Bank's directors and officers. These include:

- offering employment as Senior Vice President of the Community Plus Division of Citizens Community Federal to Brian P. Ashley, President and Chief Executive Officer of Community Plus Savings Bank;
- providing Mr. Ashley with a three-year employment agreement and participation in Citizens Community Federal's executive supplemental retirement income plan in substitution and replacement for all existing benefits, including the employment agreements that Community Plus Savings Bank previously entered into with Mr. Ashley;
- indemnifying Community Plus Savings Bank's directors and officers and insurance for such directors and officers for events occurring before the merger;
- appointing Mr. Ashley to the board of directors of Citizens Community Federal; and
- appointing the current members of Community Plus Savings Bank's board of directors, other than Mr. Ashley, to a newly formed advisory board of Citizens Community Federal and providing these advisory directors participation in the Citizens Community Federal Directors' Retirement Plan.

Regulatory Approval Needed to Complete the Merger (page 27)

The merger cannot be completed unless it is first approved by the Office of Thrift Supervision. The application for approval is under consideration by the Office of Thrift Supervision.

Conditions to Completing the Merger (page 28)

The completion of the merger depends on a number of conditions being met. These conditions include:

- approval of the stock issuance by our shareholders;
- approval of the merger agreement by Community Plus Savings Bank's members;

- approval of the merger by the Office of Thrift Supervision without any condition or requirement that would so materially affect the economic benefits of the merger that, had the condition or requirement been known, we would not have entered into the merger agreement;

- the continued accuracy of certain representations and warranties made on the date of the merger agreement; and
- the absence of material adverse changes in certain aspects of Community Plus Savings Bank's operations and financial position.

We cannot be certain when or if the conditions to the merger will be satisfied or waived, or that the merger will be completed.

Agreement Not to Solicit Other Proposals (page 28)

Community Plus Savings Bank has agreed not to initiate, solicit, encourage or facilitate any acquisition proposal with a third party. Despite its agreement not to solicit other acquisition proposals, the Community Plus Savings Bank board of directors may generally negotiate or have discussions with, or provide information to, a third party who makes an unsolicited, written, bona fide acquisition proposal, provided that its board of directors determines in good faith:

- after consultation with and based upon the written advice of its legal counsel, that failing to take such actions would cause the board to breach its fiduciary duties under applicable law; and
- after consultation with its financial advisor, that such proposal would be more favorable to the Community Plus Savings Bank members than the merger with Citizens Community Federal.

Terminating the Merger Agreement (page 29)

Citizens Community Bancorp and Community Plus Savings Bank can agree at any time not to complete the merger, even if our shareholders and Community Plus Savings Bank's members have approved it. Also, either of us can decide to terminate the merger agreement:

- in response to a material breach by the other party, which is not or cannot be cured within 30 days;
- if the merger is not completed by December 31, 2005;
- if any required regulatory, shareholder or member approval is not obtained; or
- in response to a withdrawal of the board of directors of its recommendation to approve the merger agreement or a modification or qualification of its recommendation in a manner adverse to the other party.

Community Plus Savings Bank also may terminate the merger agreement if its board of directors authorizes Community Plus Savings Bank to enter into an agreement with a third party that the Community Plus Savings Bank board determines in good faith, after consulting with its financial advisor, is a superior proposal to the Citizens Community Federal merger. In this case, Community Plus Savings Bank must give us three days in which to match or exceed the superior proposal.

Termination Fee (page 29)

If the merger agreement is validly terminated by Community Plus Savings Bank due to a material breach of the merger agreement by us (that cannot be cured within 30 days), or if our board withdraws, modifies or qualifies its recommendation to approve the stock issuance by Citizens Community Bancorp to Citizens Community MHC, we must pay Community Plus Savings Bank a termination fee of \$175,000. If the agreement is terminated because Community Plus Savings Bank enters into another merger agreement with a third party, Community Plus Savings Bank must pay us a termination fee of \$175,000. We are also entitled to the termination fee if the agreement is terminated because of a willful or intentional material breach of the merger agreement by Community Plus Savings Bank or if the board of Community Plus Savings Bank withdraws, modifies or qualifies its recommendation to approve the merger agreement.

Summary Selected Pro Forma Combined Data

The following table shows selected financial information on a pro forma combined basis giving effect to the merger as if the merger had become effective at the end of the period presented, in the case of balance sheet information, and at the beginning of each period presented, in the case of income statement information. The pro forma information reflects the purchase method of accounting.

We anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses and the opportunity to earn more revenue. The pro forma information, while helpful in illustrating the financial characteristics of the new company under one set of assumptions, does not reflect these benefits and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the new company would have been had our companies been combined during this period.

Because we have a September 30 fiscal year end and Community Plus Savings Bank has a December 31 fiscal year end, Community Plus Savings Bank's historical information has been adjusted to correspond to our fiscal year end. For the year ended September 30, 2004, Community Plus Savings Bank's historical information was calculated by adding the results for the nine months ended September 30, 2004 and the results for the three months ended December 31, 2003.

You should read this summary pro forma information in conjunction with the information under "Pro Forma Financial Information" beginning on page 30.

The Special Meeting of Shareholders

This proxy statement is furnished in connection with the solicitation of proxies by our board of directors to be used at the special meeting of shareholders of Citizens Community Bancorp.

Place, Date and Time

The annual meeting will be held at the Citizens Community Federal offices located at Banking Place, Building D-02, Suite 319, 800 Wisconsin Street, Eau Claire, Wisconsin on Thursday, June 16, 2005 at 10:00 a.m., local time.

Purpose of the Meeting

The purpose of the meeting is to consider and vote on a proposal to approve the issuance of 715,391 shares of our common stock, subject to adjustment, to Citizens Community MHC and to act on any other matters brought before the meeting.

Who Can Vote at the Meeting; Record Date

You are entitled to vote your Citizens Community Bancorp common stock only if the records of Citizens Community Bancorp show that you held your shares as of the close of business on May 6, 2005. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker on how to vote. Your broker or nominee has enclosed a voting instruction card for you to use in directing it on how to vote your shares.

As of the close of business on May 6, 2005, a total of 3,015,518 shares of Citizens Community Bancorp common stock were outstanding, including 2,063,100 shares of common stock held by Citizens Community MHC. Each share of common stock has one vote. As provided in our charter, record holders of our common stock (other than Citizens Community MHC) who beneficially own, either directly or indirectly, in excess of 10% of our outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit.

Attending the Meeting

If you are a shareholder of record as of the close of business on May 6, 2005 , you may attend the meeting. However, if you hold your shares in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership. If you want to vote your shares of our common stock held in street name in person at the meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum and Vote Required

Quorum. The special meeting will be held only if a majority of the outstanding shares of our common stock entitled to vote (excluding any shares held in excess of the 10% limit by persons other than Citizens Community MHC) are represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum present, even if you abstain from voting. Broker non-votes also will be counted for purposes of determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner. Under applicable rules, brokers, banks and other nominees may not exercise their voting discretion on the proposal to approve the issuance of additional shares of our common stock and, for this reason, may not vote shares held for beneficial owners for that proposal without specific instructions from the beneficial owners.

Vote Required. Approval of the issuance of additional shares of our common stock requires the affirmative vote of a majority of our shares of common stock and a majority of the outstanding shares of our common stock excluding shares owned by Citizens Community MHC. Failure to return a properly executed proxy card or to vote in person and abstentions and broker non-votes will have the same effect as a vote "AGAINST" the proposal to approve the issuance of additional shares of our common stock.

Citizens Community MHC owns 68.4% of the shares of common stock entitled to vote at the special meeting. Citizens Community MHC has indicated to us that it intends to vote such shares of common stock "FOR" the proposal, thereby ensuring a quorum at the special meeting.

Shares Held by Officers and Directors; Voting Agreements

As of May 6, 2005, our directors and executive officers owned approximately 8.1% of the outstanding shares of our common stock, or 25.5% of the shares held by persons other than Citizens Community MHC. All of our directors and executive officers have entered into voting agreements with Community Plus Savings Bank to vote all of the shares of our common stock owned by them in favor of the proposal to approve the issuance of additional shares of our common stock.

Voting by Proxy

Our board of directors is sending you this proxy statement for the purpose of requesting that you allow your shares of Citizens Community Bancorp common stock to be represented at the special meeting by the persons named in the enclosed proxy card. All shares of our common stock represented at the special meeting by properly executed proxies will be voted according to the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by our board of directors. **Our board of directors unanimously recommends a vote "FOR" approval of the proposal to issue additional shares of Citizens Community Bancorp common stock to Citizens Community MHC.**

If any matters not described in this proxy statement are properly presented at the special meeting, the persons named in the proxy card will use their best judgement to determine how to vote your shares. This includes a motion to adjourn or postpone the special meeting to solicit additional proxies. However, no proxy voted against the proposal will be voted in favor of an adjournment or postponement to solicit additional votes in favor of the proposal. If the special meeting is postponed or adjourned, Citizens Community Bancorp common stock may be voted by the persons named in the proxy card on the new special meeting date as well, unless you have revoked your proxy. We do not know of any other matters to be presented at the special meeting.

If your common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement.

Revocability of Proxies

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy you must either advise our Secretary in writing before your common stock has been voted at the special meeting, deliver a later dated proxy card, or attend the meeting and vote your shares in person. Attendance at the special meeting will not, by itself, constitute revocation of your proxy.

Solicitation of Proxies

We will pay the cost of this proxy solicitation. In addition to solicitation of proxies by mail, we have retained Regan and Associates to assist in the solicitation of proxies. We will pay Regan and Associates \$5,000, plus expenses. We have also agreed to indemnify Regan and Associates against certain liabilities and expenses, including liabilities under the federal securities laws. Proxies may also be solicited, in person or by telephone, by our directors, officers and other employees, who will receive no compensation for their services other than their normal salaries. Brokerage houses, nominees, fiduciaries, and other custodians are requested to forward soliciting material to the beneficial owners of shares held of record by them and will be reimbursed for their expenses in doing so.

Participants in Citizens Community Bank's ESOP and 401(k) Plan

If you participate in the Citizens Community Bancorp Employee Stock Ownership Plan (the "ESOP") or if you hold shares through the Citizens Community Federal Employees' Savings & Profit Sharing Plan and Trust (the "401(k) Plan"), you will receive a vote authorization form from each plan that reflects all shares that you may direct the trustees to vote on your behalf under the plans. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each participant in the ESOP may direct the trustee how to vote the shares of Citizens Community Bancorp common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary duties, will vote all

unallocated shares of common stock held by the ESOP and allocated shares for which no timely voting instructions are received in the same proportion as shares for which the trustee has received voting instructions. Under the terms of the 401(k) Plan, you are entitled to direct the trustee how to vote the shares of Citizens Community Bancorp common stock held in the Employer Stock Fund credited to your account. The trustee will vote all shares of Citizens Community Bancorp common stock for which no directions are given or for which timely instructions were not received in the same proportion as shares for which the trustee received voting instructions. The deadline for returning your voting instructions to each plan's trustee is June 9, 2005.

**The Issuance of Additional Shares
of Our Common Stock Pursuant to the Merger**

The following discussion of the merger is qualified by reference to the merger agreement, which is attached to this proxy statement as Appendix A. You should read the entire merger agreement carefully. It is the legal document that governs the merger. All information contained in this proxy statement with respect to Community Plus Savings Bank has been supplied by Community Plus Savings Bank for inclusion herein and has not been independently verified by us.

The Parties to the Merger

Citizens Community Bancorp

Citizens Community Federal

Citizens Community MHC

Citizens Community Bancorp became the federally chartered stock holding company for Citizens Community Federal in connection with the conversion of Citizens Community Federal from the mutual to stock form and the reorganization of Citizens Community Federal into a mutual holding company structure on March 29, 2004. In connection with the reorganization, Citizens Community MHC was organized and became the majority holder of Citizens Community Bancorp's outstanding common stock. As federally chartered savings and loan holding companies, Citizens Community Bancorp and Citizens Community MHC are regulated by the Office of Thrift Supervision. Since their formation, Citizens Community Bancorp's and Citizens Community MHC's principal activities have been to direct and coordinate the business of Citizens Community Federal. At December 31, 2004, we had total assets of \$168.5 million, total deposits of \$129.1 million and total shareholders' equity of \$19.8 million.

Citizens Community Federal, a federally chartered stock savings bank located in Eau Claire, Wisconsin was originally chartered as a credit union in 1938, and converted to a federal savings bank in 2001. Citizens Community Federal is regulated by the Office of Thrift Supervision and its deposits are insured by the Federal Deposit Insurance Corporation up to applicable limits. Citizens Community Federal operates through ten banking centers in Eau Claire, Buffalo, Jackson, Sauk, Barron and Chippewa Counties in Wisconsin and Blue Earth and Washington Counties in Minnesota.

Community Plus Savings Bank

Community Plus Savings Bank, a federally chartered mutual savings bank headquartered in Rochester Hills, Michigan, was chartered as a credit union in 1954. Community Plus Savings Bank converted to a state savings association charter in 2002, and to a federal savings bank charter in April 2004. Community Plus Savings Bank is regulated by the Office of Thrift Supervision and its deposits are insured by the Federal Deposit Insurance Corporation up to applicable limits. At December 31, 2004, Community Plus Savings Bank had total assets of \$46.4 million, total deposits of \$42.0 million and capital of \$4.1 million. Community Plus Savings Bank operates through two full-service banking offices located in Rochester Hills and Lake Orion, Michigan.

Form of the Merger

The merger agreement provides for the merger of Community Plus Savings Bank with and into Citizens Community Federal. Citizens Community Federal will be the surviving institution of the merger. The merger agreement provides that we may change the structure utilized to combine with Community Plus Savings Bank, provided that any change cannot jeopardize receipt of any required regulatory approval in such a manner as to delay the consummation of the merger beyond December 31, 2005, adversely affect the rights of the depositors or members of Community Plus Savings Bank or change the benefits or other arrangements that the merger agreement provides will be made to or on behalf of Community Plus Savings Bank's directors, officers and employees.

We Will Issue Additional Shares to Citizens Community MHC

Citizens Community MHC currently owns 68.4% of our outstanding common stock. As part of the merger, we will issue additional shares of our common stock to Citizens Community MHC in an amount equal to the value of Community Plus Savings Bank as determined by an independent appraisal. Community Plus Savings Bank's independent appraiser, RP Financial, has determined that the value of Community Plus Savings Bank was \$9.25 million as of January 21, 2005. Keefe, Bruyette & Woods, Inc., our financial advisor, reviewed RP Financial's appraisal and determined that the appraised value in RP Financial's appraisal is fair to our shareholders and members.

At the effective time of the merger, we will issue these shares to Citizens Community MHC to preserve the interests of the Community Plus Savings Bank members that are being transferred to Citizens Community MHC in the merger. The issuance of these shares to Citizens Community MHC will increase its ownership interest in Citizens Community Bancorp relative to that of other shareholders. Community Plus Savings Bank's members will become members of Citizens Community MHC after the merger and will have a pro rata interest in Citizens Community

16

NEXT PAGE

MHC's larger interest in Citizens Community Bancorp. After the merger, each member of Community Plus Savings Bank who continues to be a depositor of Citizens Community Federal, will have a membership interest in Citizens Community MHC, including liquidation rights based on the relative size of the members' deposit accounts to the deposit accounts of other members of Citizens Community MHC.

To determine the amount of shares to be issued to Citizens Community MHC, RP Financial will divide the amount of its updated appraisal by the average of the closing bid price of our common stock over the 15 trading days that end on the fifth day before the effective date of the merger.

Community Plus Savings Bank's Deposit Accounts and Loans After the Merger

All deposit accounts in Community Plus Savings Bank will continue to be insured up to applicable limits by the Federal Deposit Insurance Corporation in the same manner as these deposit accounts were insured immediately before the merger. In addition to a deposit account in Citizens Community Federal, each depositor of Community Plus Savings Bank who continues to be a depositor of Citizens Community Federal after the merger, will be a member of and have a pro rata ownership interest in the equity of Citizens Community MHC. This ownership interest only may be realized if Citizens Community MHC is liquidated. The ownership interest is based on the amount of a depositor's account relative to the deposit accounts of other members and has no tangible market value separate from the deposit account. Accordingly, if a depositor reduces or closes an account, the depositor's ownership interest in the equity of Citizens Community MHC will be reduced or eliminated.

All loans of Community Plus Savings Bank will retain the same status that they had prior to the merger. The amount, interest rate, maturity and security for each loan will remain as they were contractually fixed prior to the merger.

Community Plus Savings Bank's Members Will Become Members of Citizens Community MHC

As a federally chartered mutual holding company, Citizens Community MHC does not have authorized capital stock and, thus, has no shareholders. The merger will result in the depositors of Community Plus Savings Bank becoming depositors of Citizens Community Federal

and, therefore, members of Citizens Community MHC as long as they continue to maintain a deposit account with Citizens Community Federal. These members will be entitled to vote on all questions requiring action by the members of Citizens Community MHC including, without limitation, the election of directors of Citizens Community MHC.

Community Plus Savings Bank's Members Will Have Subscription Rights if a Second-Step Conversion Occurs

In the future, Citizens Community MHC may convert from the mutual to capital stock form, in a transaction commonly known as a "second-step" conversion. Under current Office of Thrift Supervision regulations, a second-step conversion requires the approval of a majority of the shares of our common stock, other than shares owned by Citizens Community MHC and a majority of the total votes eligible to be cast by Citizens Community MHC. In a second-step conversion, members of Citizens Community MHC at such time would have subscription rights to purchase shares of the converted Citizens Community MHC on a priority basis. Our shareholders would be entitled to exchange their shares of common stock for shares of the converted Citizens Community MHC. It is expected that our public shareholders would own the same percentage of the resulting entity as they owned immediately prior to the second-step conversion. Our board of directors has no current plan to undertake a second-step conversion transaction.

Material Federal Income Tax Consequences of the Merger

This discussion is based on the Internal Revenue Code, Treasury regulations, administrative rulings and judicial decisions, all as in effect as of the date of this proxy statement and all of which are subject to change (possibly with retroactive effect) and to differing interpretations. Tax considerations under state, local and foreign laws are not addressed in this document.

Based upon facts and representations and assumptions regarding factual matters that were provided by Citizens Community Bancorp and by Community Plus Savings Bank, Silver, Freedman & #38 Taff, L.L.P. has opined with respect to the material federal income tax consequences of the merger that: (1) the merger will be treated for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code; (2) Citizens Community Bancorp and Community Plus Savings Bank will each be a party to that reorganization within the meaning of Section 368(b) of the Internal Revenue Code; and (3) as your shares of Citizens Community Bancorp common stock will remain unchanged, you should not recognize any gain or loss for federal income tax purposes upon the completion of the merger or the issuance of additional shares of our common stock to Citizens Community MHC. Neither Citizens Community Bancorp nor Community Plus Savings Bank has requested or will request a ruling from the Internal Revenue Service as to any of the tax effects to Citizens Community Bancorp's shareholders or Community Plus Savings Bank's members of the transactions discussed in this proxy statement.

Recommendation of Our Board; Our Reasons for the Merger and Issuance of the Shares

Our board of directors has unanimously approved the merger agreement and recommends that you vote "FOR" the approval of the issuance of additional shares of our common stock in connection with the merger.

Our board of directors has determined that the issuance of additional shares in connection with the merger is fair to, and in the best interests of, Citizens Community Bancorp and Citizens Community Bancorp's shareholders. In approving the merger agreement and the share issuance, the board of directors consulted with legal counsel regarding its legal duties and the terms of the merger agreement. In arriving at its determination, the board of directors also considered a number of factors, including the following:

- *No Consideration Being Paid to Community Plus Savings Bank's Members.* Pursuant to the merger agreement, we are required to issue to Citizens Community MHC a number of shares equal to the appraised value of Community Plus Savings Bank; however, we will not be required to pay any consideration directly to any affiliated party, including Community Plus Savings Bank's members, in the

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

merger.

- *Due Diligence Review.* Information concerning the businesses, earnings, operations, financial condition and prospects of Citizens Community Bancorp and Community Plus Savings Bank, both individually and as combined. Our board took into account the results of our due diligence review of Community Plus Savings Bank.
- *Market and Product Expansion.* The merger will give us an operations base in the northern suburbs of Detroit, with offices in Rochester Hills and Lake Orion, Michigan, which will allow us to expand our operations by attracting new customers and offering new loan products to existing customers of Community Plus Savings Bank.
- *Greater Resources.* The size of the combined company, which would permit us to pursue other acquisitions.
- *Continuity of Management.* That our management team immediately before the merger will remain intact following the merger.
- *Fairness Opinion.* The opinion rendered by Keefe, Bruyette & Woods, Inc., as our financial advisor, that the merger and the issuance of shares of our common stock to Citizens Community MHC are fair, from a financial point of view, to our shareholders.
- *Cost Savings.* The opportunities for decreasing operating expenses for the combined company.
- *Current Environment.* The current and prospective economic, competitive and regulatory environment facing Citizens Community Bancorp, Citizens Community Federal, Community Plus Savings Bank and the financial services industry.
- *Termination Fee.* The \$175,000 termination fee to which we would be entitled under certain circumstances, or required to pay under certain circumstances.
- *More Competitive.* The board of directors' assessment that we would be better able to serve the convenience and needs of our customers and communities by becoming a larger institution better suited for competing against regional financial institutions in our market areas.
- *Accretive to Cash Earnings.* That, based on historical earnings for the year ended September 30, 2004, the merger is expected to be accretive to earnings by \$.02 per share in the first year after the merger and the belief that the business and financial advantages contemplated in connection with the merger will likely be achieved within a reasonable time frame.
- *Likelihood of Consummation.* That Community Plus Savings Bank had thoroughly reviewed its strategic planning options and the likelihood that the proposed merger would receive the required approvals, and the anticipated impact of the foregoing on the successful consummation of the transaction.
- *Intended to Receive Tax-Free Treatment.* That the merger is intended to be tax-free for U.S. federal income tax purposes for our shareholders and Community Plus Savings Bank members.
- *Community Plus Savings Bank's CRA Rating.* The "satisfactory" Community Reinvestment Act rating at the most recent examination of Community Plus Savings Bank.

The discussion of the information and factors considered by our board of directors is not intended to be exhaustive, but includes all material factors considered by our board of directors. In reaching its determination to approve and recommend the issuance of additional shares to Citizens Community MHC, our board of directors did not assign any specific or relative weights to any of the foregoing factors, and individual directors may have weighed factors differently.

The Independent Appraisal

We are issuing additional shares to Citizens Community MHC to ensure that the value of Community Plus Savings Bank is transferred to the mutual interest in Citizens Community Bancorp. The number of shares to be issued is based on the pro forma market value of Community Plus Savings Bank, as determined by RP Financial, and the market price per share of our common stock. RP Financial utilized the market value approach to valuation, prepared in accordance with the written valuation guidelines of the Office of Thrift Supervision, applicable regulatory interpretations thereof and verbal guidance provided by the Office of Thrift Supervision staff regarding appropriate valuation methodologies for this type of transaction. Community Plus Savings Bank retained RP Financial to prepare the independent valuation. RP Financial received a fee of \$25,000 for the initial valuation and was reimbursed for expenses incurred in preparing the independent appraisal. RP Financial will receive a \$2,500 fee for each required updated valuation. Community Plus Savings Bank has agreed to indemnify RP Financial and its employees and affiliates against certain losses (including any losses in connection with claims under the federal securities laws) arising out of its services as appraiser, except where RP Financial's liability results from its negligence or bad faith.

The independent valuation was prepared by RP Financial in reliance upon audited financial information of Community Plus Savings Bank, unaudited internal financial statements, and the information contained in the proxy materials. RP Financial also considered the following factors, among others:

- the present and projected operating results and financial condition of Community Plus Savings Bank and the economic and demographic conditions in Community Plus Savings Bank's existing market area;
- Community Plus Savings Bank's historical financial and related operating information;
- a comparative evaluation of the operating and financial statistics of Community Plus Savings Bank with those of other publicly traded subsidiaries of mutual holding companies;
- the aggregate amount of the pro forma market valuation;
- the impact of the merger transaction on Community Plus Savings Bank's equity and earnings potential;
- the trading market for securities of other publicly traded subsidiaries of mutual holding companies;
- the pro forma effect of the merger on both Community Plus Savings Bank and Citizens Community Bancorp, including the issuance of new shares of Citizens Community Bancorp to Citizens Community MHC, the treatment of the merger using the purchase method of accounting and the resulting balance of intangible assets that will be created; and
- the pro forma effect of the valuation on our public shareholders, including the potential dilution in ownership interests and the impact on earnings per share and tangible book value per share of the merger.

In applying the accepted valuation methodology set forth under the Office of Thrift Supervision valuation guidelines, RP Financial considered (1) the pro forma price-to-earnings ratio, (2) the pro forma price-to-book value ratio and (3) the pro forma price-to-assets ratio. In determining the pro forma fair market value of Community Plus Savings Bank, it was assumed that:

- proceeds of \$9.25 million were raised from the sale of common stock in a public offering;
- offering expenses were 8% of the proceeds;
- net proceeds had been invested at 2.75%; and
- a tax rate of 34% was applied to earnings on the net proceeds.

RP Financial also assumed that stock benefit plans, in the form typically implemented in a mutual-to-stock conversion, had been implemented, including the purchase of 8% of the common stock by the employee stock

ownership plan, which was amortized on a straight-line basis over ten years, and the purchase of 4% of the common stock by a recognition and retention plan, which was amortized on a straight-line basis over five years.

The following table presents a summary of selected pricing ratios for the peer group companies used in RP Financial's valuation analysis, each of whom is in the mutual holding company form of organization and either listed on a national exchange or the Nasdaq Stock Market. In determining the following pricing ratios for the peer group companies, it was assumed that each entity was "fully-converted," meaning that each entity had sold all of the shares currently held by its mutual holding company in a second-step transaction.

Additionally, the following table provides Community Plus Savings Bank's pro forma pricing ratios for earnings, book value and assets based on its fully-converted value of \$9.25 million. The Community Plus Savings Bank pro forma pricing ratios were calculated based on the assumption that Community Plus Savings Bank sold \$9.25 million of stock in a public offering. The net proceeds were assumed to be reinvested in interest-earning assets and added to Community Plus Savings Bank's capital and assets. Accordingly, the pricing ratios show the value of Community Plus Savings Bank assuming that it was to continue its operations as a fully-converted company rather than be acquired by us.

Compared to the average fully-converted pricing ratios of the peer group, Community Plus Savings Bank's pro forma fully-converted pricing ratios indicated a 141.65% premium on a price-to-earnings basis, a 25.29% premium on a price-to-core-earnings basis, a discount of 18.66% on a price-to-book value basis, a 22.82% discount on a price-to-tangible-book-value basis and a discount of 24.15% percent on a price-to-assets basis.

Community Plus Savings Bank	75.66x	43.65x	80.81%	80.81%	17.21%
Average of valuations of peer group companies as of January 21, 2005	31.31x	34.84x	99.35%	104.70%	22.69%

- (1) The per share price of Community Plus Savings Bank used in these calculations was \$14.41, which was the average closing price of the shares of our common stock on the fifteen trading days ending on January 21, 2005. This method of valuing the shares was dictated by the merger agreement between the parties.

On the basis of the foregoing, RP Financial gave Community Plus Savings Bank a \$9.25 million preliminary estimate of its appraised valuation as of December 21, 2004 for purposes of considering the merger agreement. Based on the average closing price of our common stock of \$15.09 per share for the fifteen trading days ended December 21, 2004, this preliminary valuation equates to the issuance of 612,989 shares of our common stock to Citizens Community MHC.

The board of Community Plus Savings Bank reviewed the independent valuation and, in particular, considered: (1) Community Plus Savings Bank's anticipated financial condition and results of operations for the twelve months ended December 31, 2004; (2) financial comparisons in relation to other financial institutions, including other publicly traded subsidiaries of mutual holding companies; and (3) stock market conditions generally and in particular for financial institutions, all of which are set forth in the independent valuation. The board also

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

reviewed the methodology and the assumptions used by RP Financial in preparing the independent valuation. The estimated pro forma market value may be amended with the approval of the Office of Thrift Supervision, if necessitated by subsequent developments in Community Plus Savings Bank's financial condition or market conditions generally.

Subsequent to the execution of the merger agreement and for purposes of inclusion in the regulatory applications seeking the approval of the merger by the Office of Thrift Supervision, RP Financial reaffirmed the pro forma valuation of Community Plus Savings Bank as of January 21, 2005, at \$9.25 million. The independent appraisal of Community Plus Savings Bank will be updated at the time of the merger.

If the estimated pro forma market value of Community Plus Savings Bank or average trading price of our common stock as determined pursuant to the merger agreement is different at the time of the merger, then the number

20

NEXT PAGE

of shares issued to Citizens Community MHC will change. An increase or decrease in the number of shares to be issued in the merger would affect the pro forma ownership interest of our public shareholders.

The independent valuation is not intended, and must not be construed, as a recommendation of any kind as to the advisability of purchasing our shares. RP Financial did not independently verify the financial statements and other information provided by Community Plus Savings Bank and us, nor did RP Financial value independently the assets or liabilities of the banks. The independent valuation considers Community Plus Savings Bank as a going concern. The independent valuation therefore should not be considered as an indication of liquidation value. The valuation is necessarily based upon estimates and projections of a number of matters, all of which are subject to change from time to time.

Copies of the appraisal report and valuation update of RP Financial and the detailed memorandum of the appraiser setting forth the method and assumptions for such appraisal are available for inspection at our main office.

Analysis of Comparable Public Institutions

In rendering its opinion, Keefe, Bruyette & Woods, Inc. analyzed certain public institutions financially comparable to Community Plus Savings (the "Peer Group"). Keefe, Bruyette & Woods, Inc. compared the consideration issued to Citizens Community MHC relative to the market valuation of the Peer Group as of December

21

NEXT PAGE

21, 2004, based upon three industry-accepted ratios: price to book value, price to tangible book value and price to last twelve months' earnings. Keefe, Bruyette & Woods, Inc. examined the low, median and high values of the aforementioned ratios for the following Peer Group (i) all institutions in the Peer Group were thrift institutions and (ii) all institutions in the Peer Group had total assets under \$100 million. Twenty-eight institutions met the above criteria and were used in the Comparable Public Institutions analysis. Only nineteen of those institutions has readily available pricing information to include in the analysis.

Keefe, Bruyette & Woods, Inc. derived a range of pricing metrics for the aforementioned Peer Group, summarized the results and compared the range of values to the consideration issued to Citizens Community MHC. The comparable valuation parameters are presented in the table below:

(2) NM means not meaningful because these institutions reported a net loss for the twelve-month period.

(3) NA means not available because the institutions have no readily available pricing information.

The price-to-book and price-to-tangible book acquisition multiples of 80.3% each for Community Plus Savings Bank are in the lower end of the range of 224.4% to 60.7% ratios for the Peer Group. Although the price-to-last-twelve-months earnings acquisition multiple of 44.7x for Community Plus Savings Bank is above the range of available ratios for the Peer Group that reported a loss for the twelve months.

This analysis of comparable public institutions reflected in the table above summarizes only a portion of the information analyzed by Keefe, Bruyette & Woods, Inc. in analyzing the merger and is not a complete description of the analysis performed in rendering its fairness opinion. Selecting portions of the analysis conducted by Keefe, Bruyette & Woods, Inc. or isolating certain aspects of the institutions in the Peer Group, without considering all analyses and factors could result in an incomplete or misleading view of the process for evaluating the merger.

Analysis of Recent Comparable Acquisition Transactions

Keefe, Bruyette & Woods, Inc. also analyzed certain comparable merger and acquisition transactions of both pending and completed thrift deals ("Comparable Transactions"). Keefe, Bruyette & Woods, Inc. compared the acquisition price relative to three industry-accepted ratios: deal price to book value, deal price to tangible book value and deal price to last twelve months' earnings. The analysis included a comparison of the low, median and high values of the above ratios for pending and completed acquisitions, based on the following criteria: (i) all Comparable Transactions had a thrift institution target; (ii) all Comparable Transactions were announced after December 31, 2002;

(iii) all Comparable Transactions had a target asset size less than \$100 million; and (iv) all Comparable Transactions had a target located in the Midwest region. As a result of the transaction criteria, nine transactions were used in the

analysis.

Keefe, Bruyette & Woods, Inc. derived a range of pricing metrics for the Comparable Transactions, summarized the results and compared the range of values to the consideration issued to Citizens Community MHC. The comparable deal value parameters are presented in the table below:

	Price-to-Book Ratio	Price-to-Tangible Book Ratio	Price-to-Last-Twelve-Months Earnings

Community Plus Savings Bank Acquisition Multiples ⁽¹⁾	80.3%	80.3%	44.7x

(1) Based on the preliminary independent appraised valuation of Community Plus Savings Bank on a fully converted basis as of December 21, 2004.

(2) NM means not meaningful because these institutions reported a net loss for the twelve-month period.

Keefe, Bruyette & Woods, Inc. viewed the Comparable Transactions as the most appropriate in deriving a comparable transaction value based on Community Plus Savings Bank's size, capital base and earnings. Keefe, Bruyette & Woods, Inc. viewed the three resulting metrics (price to book value, price to tangible book value and price to last twelve months earnings) from the Comparable Transactions as the key metrics used to evaluate the fairness, from a financial point of view, of the transaction.

The price-to-book and price-to-tangible book acquisition multiples of 80.3% each for Community Plus Savings Bank are below the range of 125.1% to 164.2% ratios for the Comparable Transactions. Although the price-to-last-twelve-months earnings acquisition multiple of 44.7x for Community Plus Savings Bank is above the range of available ratios for the Comparable Transactions, this ratio compares favorably to four target institutions in the Comparable Transactions that reported a loss for the twelve months.

This analysis of recent comparable acquisition transactions reflected in the table above summarizes only a portion of the information analyzed by Keefe, Bruyette & Woods, Inc. in analyzing the merger and is not a complete description of the analysis performed in rendering its fairness opinion. Selecting portions of the analysis conducted by Keefe, Bruyette & Woods, Inc. or isolating certain aspects of the institutions in the Comparable Transactions, without considering all analyses and factors could result in an incomplete or misleading view of the process for evaluating the merger.

Discounted Cash Flow Analysis

Keefe, Bruyette & Woods, Inc. performed a discounted cash flow analysis to estimate a range of present values of Community Plus Savings Bank. This range was determined by summing (i) the present value of the forecasted five year free cash flows of Community Plus

Savings Bank and (ii) the present value of a terminal value in year five received by applying a range of price to earnings multiples.

In calculating a terminal value for Community Plus Savings Bank's year five-cash flow, Keefe, Bruyette & Woods, Inc. applied a range of multiples between 16.0x and 20.0x. In performing this analysis, Keefe, Bruyette & Woods, Inc. used management estimates of cash flows for years one through three and applied a range of growth rates from 7% to 10% for years four and five. Keefe, Bruyette & Woods, Inc. discounted the combined cash flow stream and year five terminal value at a range of discount rates from 10.0% to 13.0%. Based on the foregoing criteria and assumptions, Keefe, Bruyette & Woods, Inc. estimated that the theoretical present value of Community Plus Savings Bank ranged between \$9.32 million and \$13.33 million.

NEXT PAGE

The discounted cash flow analysis of Community Plus Savings Bank does not necessarily indicate actual values or actual future results and does not purport to reflect the prices at which any securities may trade at the present or at any time in the future. Discounted cash flow analysis is a widely used valuation methodology, but the results of this methodology are highly dependent upon numerous assumptions that must be made, including earnings growth rates, terminal values, projected capital structure, and discount rates.

Pro Forma Analysis

Keefe, Bruyette & Woods, Inc. also performed an analysis of the Citizens Community Bancorp and Community Plus Savings Bank combined to determine the pro forma impact to the combined balance sheet, income statement, estimated GAAP and cash (excluding the impact of the amortization of intangible assets) earnings per share, estimated tangible book value per share, return on average equity, and tangible equity to assets.

In performing its analysis, Keefe, Bruyette & Woods, Inc. relied on certain assumptions about both companies. For Citizens Community Bancorp, Keefe, Bruyette & Woods, Inc. relied on the following assumptions: (i) Citizens Community Bancorp's September 30, 2004 balance sheet and income statement data for the year ended September 30, 2004; (ii) the consideration to be paid to Citizens Community MHC as provided in the merger agreement, and (iii) a reduction in non-interest expenses as a result of the consolidation of certain duplicative back office functions, based on discussions with Citizens Community Bancorp's management. For Community Plus Savings Bank, Keefe, Bruyette & Woods, Inc. relied on Community Plus Savings Bank's September 30, 2004 balance sheet and income statement data for the twelve months ended September 30, 2004. In preparing this pro forma analysis, Keefe, Bruyette & Woods, Inc. did not adjust Community Plus Savings Bank's financial information to reflect the impact of a full conversion. Since the full conversion valuation was only used to derive the merger consideration and will not actually take place, Keefe, Bruyette & Woods, Inc. believes using financial information as of September 30, 2004 most accurately reflects the impact of the merger.

Based on the aforementioned assumptions, Keefe, Bruyette & Woods, Inc. estimated that the combined company would have significantly higher assets, loans, and deposits, while at the same time remaining well-capitalized for regulatory capital purposes. In addition, Keefe, Bruyette & Woods, Inc. estimated that after the elimination of duplicative back office functions and full realization of anticipated cost savings, the combined company would have higher levels of net income and that Citizens Community Bancorp would realize a higher return on tangible equity and higher tangible book value per share. Although the merger is dilutive to earnings per share on a GAAP basis, Citizens Community Bancorp would realize higher levels of cash earnings per share.

The following table summarizes the pro forma impact of the merger:

4. Shares issued to Citizens Community, MHC.

Keefe, Bruyette & Woods, Inc. also considered each company's contribution, on a pre-merger adjusted basis, relative to each company's respective ownership in the pro forma entity. The following contribution analysis measures each institution's proportionate contribution (on a pre-merger adjusted basis) to the pro forma entity's financial information relative to its respective ownership in the pro forma entity. The Pro Forma column in the following table is the sum of Citizens Community Bancorp and Community Plus Savings Bank columns, which represent financial information for the last twelve months ended September 30, 2004. The following table presents a contribution analysis for the merger:

	Citizens Community Bancorp	Community Plus Savings Bank	Pro Forma	Contribution	
				Citizens Community Bancorp	Community Plus Savings Bank
(In thousands)					
Assets (\$)	161,980	46,293	208,273	78%	22%
Loans, net (\$)	152,376	28,653	181,029	84%	16%
Deposits (\$)	127,976	41,889	169,865	75%	25%
Equity (\$)	19,606	4,174	23,780	82%	18%
Net Income (\$)	837	\$203	1,040	80%	20%
Ownership Shares	3,041,750	612,989	3,654,739	83%	17%

Community Plus Savings Bank's contribution to the pro forma entity based on assets, deposits, equity and net income is proportionately higher than its representative ownership stake in the pro forma entity, which supports the fairness, from a financial point of view, of the consideration paid in the merger.

In preparing the contribution analysis, Keefe, Bruyette & Woods, Inc. did not adjust Community Plus Savings Bank's financial information to reflect the impact of a full conversion. Since the full conversion valuation was only used to derive the merger consideration and will not actually take place, Keefe, Bruyette & Woods, Inc. believes using financial information as of September 30, 2004 most accurately reflects the impact of the merger.

Conclusion

Given that the value of the consideration to be paid in the merger, as of the date of the opinion, is in the lower end of the range of comparable public institutions and below the range of comparable transactions on a price to book value and price to tangible book value basis and is below the implied theoretical range of present values, Keefe, Bruyette & Woods, Inc. believes that this analysis supports the fairness, from a financial point of view, to Citizens Community Bancorp of the issuance of the shares of its common stock to be issued to Citizens Community MHC as provided in the merger agreement.

NEXT PAGE

As a result of its pro forma analysis, Keefe, Bruyette & Woods, Inc. concluded that the merger with Community Plus Savings Bank would create a larger, more competitive financial institution with a broader geographic footprint that would create the size and scale to remain competitive in a rapidly changing financial services competitive landscape. The stronger financial institution as a result of the merger, combined with the estimated cash earnings per share accretion, tangible book value per share accretion and the shares contributed by Community Plus Savings Bank are less than the equity and net income contributed supports the fairness of the merger consideration to the stockholders of Citizens Community Bancorp from a financial point of view.

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

Based on the above analyses, Keefe, Bruyette & Woods, Inc. concluded that the consideration was fair, from a financial point of view, to shareholders of Citizens Community Bancorp. This summary does not purport to be a complete description of the analysis performed by Keefe, Bruyette & Woods, Inc. and should not be construed independent of the other information considered by Keefe, Bruyette & Woods, Inc. in rendering its opinion. Selecting portions of Keefe, Bruyette & Woods, Inc.'s analysis or isolating certain aspects of the comparable transactions without considering all analysis and factors, could create an incomplete or potentially misleading view of the evaluation process.

In rendering its opinion, Keefe, Bruyette & Woods, Inc. assumed and relied upon the accuracy and completeness of the financial information provided to it by Citizens Community Bancorp and Community Plus Savings Bank. In its review, with the consent of the Citizens Community Bancorp Board, Keefe, Bruyette & Woods, Inc. did not undertake any independent verification of the information provided to it, nor did it make any independent appraisal or evaluation of the assets or liabilities and potential or contingent liabilities of Citizens Community Bancorp or Community Plus Savings Bank.

The fairness opinion of Keefe, Bruyette & Woods, Inc. is limited to the fairness as of its date, from a financial point of view, of the consideration to be paid in the Merger and does not address the underlying business decision to effect the merger (or alternatives thereto) nor does it constitute a recommendation to any stockholder of Citizens Community Bancorp as to how such stockholder should vote with respect to the merger proposal.

Furthermore, Keefe, Bruyette & Woods, Inc. expresses no opinion as to the price or trading range at which shares of the pro forma entity will trade following the consummation of the merger.

In preparing its analysis, Keefe, Bruyette & Woods, Inc. made numerous assumptions with respect to industry performance, business and economic conditions and other matters, many of which are beyond the control of Keefe, Bruyette & Woods, Inc. and Citizens Community Bancorp. The analyses performed by Keefe, Bruyette & Woods, Inc. are not necessarily indicative of actual values or future results, which may be significantly more or less favorable than suggested by such analyses and do not purport to be appraisals or reflect the prices at which a business may be sold.

Keefe, Bruyette & Woods, Inc. will receive a fee of \$35,000 for services rendered in connection with issuing a fairness opinion regarding the merger. As of the date of this proxy statement, Keefe, Bruyette & Woods, Inc. has received \$25,000 of such fee, the remainder of the fee is due upon approval by our shareholders of the issuance of shares to Citizens Community MHC. In addition, Citizens Community Bancorp has agreed to indemnify Keefe, Bruyette & Woods, Inc. against certain liabilities, including liabilities under the federal securities laws. Prior to execution of the Keefe, Bruyette & Woods, Inc. Engagement Letter, Keefe, Bruyette & Woods, Inc., provided Citizens Community Bancorp with consulting and appraisal services. The revenues derived from these services are insignificant when compared to the firm's total gross revenues.

Certain of Our Obligations in Connection with the Merger

Some members of the management and board of directors of Community Plus Savings Bank may have interests in the merger. Our board of directors was aware of these interests and considered them in approving the merger agreement.

Employment of Brian P. Ashley. Citizens Community Federal has agreed that on the closing date of the merger, it will offer Brian P. Ashley, the current President and Chief Executive Officer of Community Plus Savings Bank, employment as Senior Vice President of the Community Plus Division of Citizens Community Federal. Mr. Ashley's compensation as Senior Vice President of Citizens Community Federal will be the same as it is with Community Plus Savings Bank at the time of the merger.

Employment Agreement with Brian P. Ashley. Mr. Ashley currently has an employment agreement with Community Plus Savings Bank. This agreement provides him with certain employee benefits including salary and severance payments upon involuntary termination of employment for other than cause. It is currently expected that Mr. Ashley will continue his employment with Citizens Community Federal following the merger and that he will execute a new three-year employment agreement with Citizens Community Federal, which will be in substitution of and a replacement for all existing agreements and benefits he currently has with Community Plus Savings Bank. Mr. Ashley also will be entitled to participate in Citizens Community Federal's executive supplemental retirement income plan.

NEXT PAGE

Appointment of Community Plus Savings Bank Board Member to the Board of Citizens Community Federal. Upon completion of the merger, Mr. Ashley will be appointed to the Citizens Community Federal board of directors. He will be appointed to the class of directors whose term expires in 2007. In accordance with the Citizens Community Federal Bylaws, Mr. Ashley will be required to stand for election at the next annual meeting following the effective date of the merger. Following the closing of the merger, Mr. Ashley will be entitled to receive the same board and committee fees paid to other inside directors.

Appointment of Community Plus Savings Bank Board Members to the Advisory Board of Citizens Community Federal. Upon completion of the merger, Citizens Community Federal will appoint each current member of the former board of directors of Community Plus Savings Bank, other than Mr. Ashley, to a newly established advisory board. Following the closing of the merger, each of these directors will be entitled to receive \$300 per meeting attended and the ability to participate in Citizens Community Federal's directors' retirement plan.

Protection of Our Directors and Officers Against Claims. For a period of six years, Citizens Community Federal has agreed to indemnify and hold harmless each of our present and former directors and officers from liability and expenses arising out of matters existing or occurring at or before the consummation of the merger, to the fullest extent allowed under federal law and our charter and bylaws. Citizens Community Federal will advance any related costs to each of these persons as they are incurred. Citizens Community Federal also will maintain a policy of directors and officers liability insurance coverage for the benefit of our directors and officers for three years following consummation of the merger, subject to certain limitations on the amount of premiums to be paid.

Approvals Needed to Complete the Merger

In addition to the requisite approvals of our shareholders and the Community Plus Savings Bank members, completion of the merger and the transactions contemplated by the merger agreement are subject to the prior approval of the Office of Thrift Supervision. In reviewing applications, the Office of Thrift Supervision must consider, among other factors, the financial and managerial resources and future prospects of the existing and resulting institutions and the convenience and needs of the communities to be served. In addition, the Office of Thrift Supervision may not approve a transaction if it will result in a monopoly or otherwise be anti-competitive.

In its consideration of the merger, the Office of Thrift Supervision must take into account the record of performance of Citizens Community Federal and Community Plus Savings Bank in meeting the credit needs of the entire community served by each institution, including low- and moderate-income neighborhoods. As part of the review process, bank regulatory agencies frequently receive comments and protests from community groups and others. Citizens Community Federal and Community Plus Savings Bank each received a "satisfactory" rating in their last community reinvestment examinations.

In addition, a period of 15 to 30 days must expire following approval by the Office of Thrift Supervision within which period the United States Department of Justice may file objections to the merger under the federal anti-trust laws. While we believe that the likelihood of such action by the Department of Justice is remote in this case, there can be no assurance that the Department of Justice will not initiate proceedings to block the merger. If a proceeding is instituted or challenge is made, we cannot ensure a favorable result.

The Office of Thrift Supervision is considering the application for approval of the transaction. The approval of any application merely implies the satisfaction of regulatory criteria for approval. Furthermore, regulatory approvals do not constitute an endorsement or recommendation of the merger or the share issuance.

Accounting Treatment of the Merger

The merger will be accounted for under the purchase method of accounting. Under this method of accounting, Citizens Community Federal and Community Plus Savings Bank will be treated as one company as of the date of the merger, and we will record the fair value of Community Plus Savings Bank's assets (including intangible assets which arise from either contractual or other legal rights) and liabilities on its consolidated financial statements. Acquisition costs in excess of the fair value of the net assets acquired will be recorded as goodwill. Goodwill will not be amortized for financial accounting purposes, but instead will be tested for impairment periodically. To the extent goodwill is impaired, its carrying value will be written down to its implied fair value and a charge will be made to earnings. However, core deposit and other intangibles recorded by us in connection with the merger will be amortized to expense over their estimated useful lives. These intangibles also will be subject to periodic impairment analyses and, if impaired, the carrying value will be written down to implied fair value with a

corresponding charge to earnings. Community Plus Savings Bank's results of operations will be included in our income statement after completion of the merger.

Completion of the Merger

The closing of the merger will take place on a date designated by us within 30 days following the date on which all of the conditions to the merger contained in the merger agreement are satisfied or waived, unless Citizens

Community Bancorp and Community Plus Savings Bank agree to a later date. The merger will become effective at the time stated in the articles of combination.

We currently expect to complete the merger in the second calendar quarter of 2005. However, neither Citizens Community Bancorp nor Community Plus Savings Bank can guarantee when or if the conditions precedent to consummation of the merger will be satisfied.

- (5) the absence of any order, decree, or injunction of a court or agency of competent jurisdiction that would prevent the completion of the merger;
- (6) receiving officers' certificates from each other that confirm that each party's representations and warranties are materially true and that the party has performed in all material respects all of its obligations under the merger agreement; and
- (7) obtaining all necessary third party consents to the merger.

Our obligation to close is also contingent on the absence of any event or occurrence that would have or will reasonably result in any material adverse effect on Community Plus Savings Bank.

We cannot guarantee that all of these conditions will be satisfied or waived.

Representations and Warranties

Each party has made certain customary representations and warranties to the other party with respect to various matters, including its financial statements, capital structure, business, loans, investments, regulatory filings and benefit plans. These representations and warranties must generally remain accurate in all material respects through the completion of the merger. A party can terminate the merger agreement if the

other party's representations and warranties are not true and correct and have a material adverse effect on that other party. If the merger is completed, or if the merger agreement is terminated for some unrelated reason, the representations and warranties become void. You can find detailed information concerning these representations and warranties in Article III of the merger agreement located in Appendix A.

Cooperation and Conduct of Business; Agreement Not to Solicit Other Proposals

Each party has agreed, between the signing of the merger agreement and the completion of the merger, to cooperate in completing the merger and to avoid taking any action that would adversely affect or delay its ability to perform its obligations under the merger agreement or to complete the merger. In addition, Community Plus Savings Bank has agreed not to initiate, solicit, encourage or facilitate any acquisition proposal with a third party. An acquisition proposal means any proposal or offer with regard to:

- any merger, consolidation, share exchange, business combination, or other similar transaction involving Community Plus Savings Bank;
- any sale, lease, exchange, mortgage, pledge, transfer or other disposition of 25% or more of Community Plus Savings Bank's assets, in a single transaction or series of transactions; or
- any public announcement of a proposal, plan or intention to do any of the foregoing or any agreement to engage in any of the foregoing.

NEXT PAGE

Despite the agreement not to solicit other acquisition proposals, the Community Plus Savings Bank board of directors may generally negotiate or have discussions with, or provide information to, a third party who makes an unsolicited, written, bona fide acquisition proposal, provided that Community Plus Savings Bank has entered into a confidentiality agreement with the third party and the board of directors determines in good faith:

- after consultation with and based upon the written advice of its legal counsel, that failing to take such action would constitute a breach of its fiduciary duties under applicable law; and
- after consulting with its financial advisor, that such proposal would be more favorable to the Community Plus Savings Bank members than the Citizens Community Federal merger, taking into consideration all legal, financial, regulatory and other aspects of the acquisition proposal and the entity making the proposal (i.e., a "superior proposal").

If Community Plus Savings Bank determines that such unsolicited acquisition proposal is a superior proposal, Community Plus Savings Bank will have the right to terminate the merger agreement. However, before terminating the merger agreement, Community Plus Savings Bank must first provide us with three business days to match or exceed the terms of the superior proposal.

Waiver and Amendment

Any provision in the agreement may be modified at any time by a written agreement between the parties. Additionally, any provision may be waived by the party benefitting from such provision.

Terminating the Merger Agreement

Citizens Community Bancorp and Community Plus Savings Bank can agree at any time not to complete the merger, even if our shareholders and Community Plus Savings Bank's members have approved it. Also, either Citizens Community Bancorp or Community Plus

Savings Bank can decide, without the consent of the other, to terminate the merger agreement:

- if the merger is not completed by December 31, 2005, unless the failure to complete the merger by that time is due to the failure of the party seeking to terminate the agreement to perform or observe its obligations set forth in the merger agreement;
- if any required shareholder or member approval is not obtained (provided that the party seeking to terminate the merger agreement on this basis has complied with its obligations to seek the approval of its shareholders and/or members as required under the merger agreement);
- if a required regulatory approval is denied or a governmental agency issues an order that precludes the consummation of the merger;
- if the other party materially breaches a representation, warranty or covenant that cannot be cured within 30 days and the effect of such breach (1) has or is reasonably likely to have a material adverse effect on the breaching party, and (2) precludes the breaching party from satisfying, in all material respects, any of its obligations under the merger agreement;
- by either party if the other party's board of directors does not recommend, or withdraws its recommendation, to its shareholders or members, as applicable, that such shareholders or members approve the merger; and
- by Community Plus Savings Bank, if the Community Plus Savings Bank board of directors authorizes Community Plus Savings Bank to enter into an agreement that the board determines is a superior proposal to the merger agreement with Citizens Community Federal (as described above). Community Plus Savings Bank must provide Citizens Community Federal within three business days to match or exceed such superior proposal.

Termination Fee and Reimbursement of Expenses

If the merger agreement is validly terminated by either party due to the other party's material and willful or intentional breach of any of its representations, warranties, covenants or agreements under the merger agreement, then the breaching party must pay the other party a termination fee of \$175,000. We would also be entitled to the \$175,000 termination fee if the merger agreement is terminated because Community Plus Savings Bank's board authorizes it to enter into a merger agreement with a third party.

Pro Forma Financial Information

This pro forma financial information, which was prepared by management of Citizens Community, gives effect to the pending merger as detailed below. It is not the pro forma analysis upon which Keefe, Bruyette and Woods issued its fairness opinion, which was based on the financial information and other facts available as of January 6, 2005 and did not reflect actual financial results through December 31, 2004.

The following unaudited pro forma consolidated condensed combined balance sheet as of December 31, 2004 and unaudited pro forma consolidated condensed combined statement of operations for the three months ended December 31, 2004 and for the year ended September 30, 2004 give effect to the pending merger, accounted for as a purchase. Because we have a September 30 fiscal year end and Community Plus Savings Bank has a December 31 fiscal year end, Community Plus Savings Bank's historical information has been adjusted to correspond to our fiscal year end. For the year ended September 30, 2004, Community Plus Savings Bank's historical information was calculated by adding the results for the nine months ended September 30, 2004 and the results for the three months ended December 31, 2003.

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

The unaudited pro forma consolidated condensed combined financial information is based on the historical consolidated financial statements of Citizens Community Bancorp and Community Plus Savings Bank under the assumptions and adjustments set forth in the accompanying notes. The unaudited pro forma consolidated condensed combined balance sheet gives effect to the merger as if the merger had been consummated at the end of the period presented. The unaudited pro forma consolidated condensed combined statement of operations for the three months ended December 31, 2004 give effect to the merger as if the merger had been consummated on October 1, 2004. The unaudited pro forma consolidated condensed combined statement of operations for the year ended September 30, 2004 give effect to the merger as if the merger had been consummated on October 1, 2003. The unaudited pro forma consolidated condensed combined financial statements do not give effect to the anticipated cost savings in connection with the merger.

You should read the unaudited pro forma consolidated condensed combined financial statements in conjunction with the historical consolidated financial statements of Citizens Community Bancorp and Community Plus Savings Bank, including the respective notes to those statements. The pro forma information is intended for informational purposes only and is not necessarily indicative of the combined financial position or the results of operations in the future or of the combined financial position or the results of operations which would have been realized had the merger been consummated during the periods or as of the dates for which the pro forma information is presented.

Notes to the Unaudited Pro Forma Consolidated Condensed Combined Financial Statements

A. Basis of Presentation

The pro forma information presented is not necessarily indicative of the results of operations or the combined financial position or results of operation that would have resulted had the merger been consummated as of or for the periods indicated, nor is it necessarily indicative of the results of operations in future periods or the future financial position of the combined company. It is anticipated that the merger will be completed in the second quarter of calendar year 2005.

The unaudited pro forma consolidated financial information reflects the application of the purchase method of accounting. Under this method, the assets and liabilities of Community Plus Savings Bank will be recorded at their estimated fair values at the effective time. As described in the accompanying notes, the estimated fair values of the assets and liabilities of Community Plus Savings Bank have been combined with the historical carrying amounts of the assets and liabilities of Citizens Community Bancorp and subsidiaries. However, changes to pro forma adjustments reflected herein are expected as valuations of assets and liabilities are completed and additional information becomes available. In addition, this pro forma information does not take into account the after tax effect of \$127,000 in capitalized costs that Community Plus Savings Bank will have to recognize as current expenses immediately prior to the merger. Accordingly, the final combined amounts will differ from the pro forma combined amounts presented herein.

The unaudited pro forma consolidated condensed combined statement of operations for the three months ended December 31, 2004 give effect to the merger as if the merger had been consummated on October 1, 2004. The unaudited pro forma consolidated condensed combined statements of operations for the year ended September 30, 2004 give effect to the merger as if the merger occurred on October 1, 2003. The unaudited pro forma consolidated condensed combined balance sheet assumes the merger was consummated on December 31, 2004. Certain reclassifications have been included in the unaudited pro forma consolidated condensed combined balance sheet and unaudited pro forma consolidated condensed combined statements of operations to conform the presentation.

Assumptions relating to the pro forma adjustments set forth in the unaudited pro forma consolidated condensed combined financial statements are summarized as follows:

Edgar Filing: CITIZENS COMMUNITY BANCORP - Form DEF 14A

Estimated fair values for the assets and liabilities of Community Plus Savings Bank were obtained as follows:

Cash and Cash Equivalents. The carrying amounts of cash and cash equivalents approximate their fair value.

Investment and Mortgage-Backed Securities. Fair values for securities are based on quoted market prices.

Stock in Federal Home Loan Bank and Other Restricted Equity Securities. No ready market exists for these stocks and they have no quoted market value; however, redemption of these stocks has historically been at par value. Accordingly, the carrying amount is deemed to be a reasonable estimate of fair value.

Loans. Fair values for loans held for investment and other loans are estimated by segregating the portfolio by type of loan and discounting scheduled cash flows using interest rates currently being offered for loans with similar terms. A prepayment assumption is used as an estimate of the portion of loans that will be repaid prior to their scheduled maturity. The allowance for loan losses as recorded is deemed to be a reasonable estimate of the credit adjustment.

Office Properties and Equipment. The fair value of office properties is based on management's best estimate of current fair value. The book value of equipment is deemed to be a reasonable estimate of fair value.

Deposits. The fair values disclosed for demand deposits (e.g., interest and noninterest checking, passbook savings and market accounts) are, by definition, equal to the amount payable on demand at the reporting date (i.e., their carrying amounts). Fair values for fixed-rate certificate accounts are estimated using a discounted cash flow calculation that applies interest rates currently being offered on certificates to a schedule of aggregated expected monthly maturities on certificate accounts.

Identifiable Intangible Assets. A fair value for the core deposit intangible asset was estimated by calculating a 5.13% premium on core deposits of \$34.1 million.

34

NEXT PAGE

Other Assets and Other Liabilities. Because these financial instruments will typically be received or paid within three months, the carrying amounts of such instruments are deemed to be a reasonable estimate of fair value.

The discount on loans will be accreted to interest income over eight years so as to approximate a constant yield to maturity. The fair market value adjustment for deposits will be accreted to interest expense over three years so as to approximate a constant yield to maturity. The decrease in premises to fair value will be accreted over a 30-year period as a reduction to expense.

E. Transfer of Capital

Amounts reclassified from Retained Earnings and Accumulated Other Comprehensive Income represent recognized value of Community Plus Savings Bank.

F. Issuance of Shares to Citizens Community MHC

Based on the average closing price of common stock of Citizens Community Bancorp of \$15.09 per share for the fifteen trading days ended December 21, 2004, the \$9.25 million valuation appraisal of Community Plus Savings Bank, the resulting issuance of 612,889 shares of

common stock of Citizens Community Bancorp, \$.01 par value and a total purchase price of \$9.5 million (see Note C). This results in an increase of \$6,000 to common stock and an increase of \$9.5 million to additional paid-in capital.

G. Earnings Per Share

When presented, basic earnings per share is computed by dividing income available to common shareholders by the weighted-average number of common shares outstanding for the period. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue common stock were exercised or converted into common stock or resulted in the issuance of common stock that then shared in the earnings of the entity. Because the initial stock offering by Citizens Community Bancorp was not completed until March 29, 2004, per share earnings data is not meaningful and is therefore not presented.

**Community Plus Savings Bank Management's Discussion and
Analysis of Financial Condition and Results of Operations**

**Community Plus Savings Bank Management's Discussion and Analysis of Financial Condition and Results of Operations for the Years
Ended December 31, 2004 and 2003**

The following analysis of Community Plus Savings Bank's results of operations and financial condition at and for the years ended December 31, 2004 and 2003 should be read in conjunction with the financial statements and accompanying notes of Community Plus Savings Bank presented on pages F-1 through F-16 in this proxy statement.

Comparison of Financial Condition at December 31, 2004 and 2003

Community Plus Savings Bank's total assets increased by \$838,000, or 1.8%, to \$46.4 million at December 31, 2004, from \$45.6 million at December 31, 2003 primarily from an increase in available-for-sale investment securities and cash and cash equivalents partially offset by a decrease in net loans receivable. Cash and cash equivalents increased \$3.8 million, or 46.3% to \$12.0 million at December 31, 2004 from \$8.2 million at December 31, 2003. Net loans receivable decreased by \$4.9 million, or 14.9%, to \$28.1 million at December 31, 2004, from \$33.0 million at December 31 2003. The decrease in loans reflects a slowdown of residential real estate loan originations during the year ended December 31, 2004. Investments, including time deposits and stock in the Federal Home Loan Bank, increased by \$5.2 to \$15.8 million at December 31, 2004 from \$10.6 million at December 31, 2003, due to the increase in investment in corporate notes.

Total deposits increased \$631,000, or 1.5%, to \$42.0 million at December 31, 2004 from \$41.3 million at December 31, 2003. The increase in deposits was primarily due to an increase in time deposits and share accounts, partially offset by a decrease in money market accounts. Retained earnings increased \$88,000, or 2.2%, to \$4.1 million at December 31, 2004 from \$4.0 million at December 31, 2003 due to

net income for the year ended December 31, 2004.

Comparison of Operating Results for the Years Ended 2004 and 2003

General. Net income decreased \$159,000, or 64.9%, to \$86,000 for the year ended December 31, 2004 from \$245,000 for the year ended December 31, 2003. The decrease in net income resulted primarily from a decrease in net interest income of \$237,000.

Interest Income. Total interest income decreased by \$313,000, or 15.3%, to \$1.7 million for the year ended December 31, 2004 from \$2.0 million for the year ended December 31, 2003. The decrease was due to a decline in the average yield on interest-earning assets to 3.9% for the year ended December 31, 2004 from 4.7% for the year ended December 31, 2003 as well as a decrease in the average balance of loans.

Interest Expense. Total interest expense decreased \$75,000, or 15.5%, to \$410,000 for the year ended December 31, 2004 from \$485,000 for the year ended December 31, 2003. The decrease in interest expense resulted from a decrease in the average cost of deposits to 1.2% for the year ended December 31, 2004 from 1.5% for the year ended December 31, 2003 reflecting lower market interest rates during the period.

Net Interest Income. Net interest decreased by \$237,000, or 15.2%, to \$1.3 million for the year ended December 31, 2004 from \$1.6 million for the year ended December 31, 2003, primarily as a result of a decrease in Community Plus Savings Bank's net interest spread from 3.4% during the year ended December 31, 2003 to 2.8% for the year ended December 31, 2004. The decrease reflected a further reduction in origination of first mortgages and in interest rates. Community Plus Savings Bank's net interest margin decreased to 3.02% during the year ended December 31, 2004, from 3.54% for the year ended December 31, 2003.

Provision for Loan Losses. Community Plus Savings Bank establishes provisions for loan losses, which are charged to operations, at a level necessary to absorb losses inherent in the loan portfolio. In evaluating the level of the allowance for loan losses, management considers historical loan loss experience, the types of loans and the amount of loans in the loan portfolio, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral, peer group information, and prevailing economic conditions. This evaluation is inherently subjective as it requires judgments that are susceptible to significant revision as more information becomes available or as future events change. Based on Community Plus Savings Bank's evaluation of these factors, management made a \$19,000 provision for the year ended December 31, 2004 as compared to a \$45,000 provision for the year ended December 31, 2003. The allowance for loan losses was \$41,000, or 0.15% of loans outstanding at December 31, 2004, as compared with \$53,000, or 0.16% of loans outstanding at December 31, 2003.

Noninterest Income. Noninterest income decreased by \$19,900, or 6.0%, to \$311,000 for the year ended December 31, 2004, as compared to \$331,000 for the year ended December 31, 2003. Community Plus Savings Bank recognized nonrecurring losses on the sale of a company-owned vehicle of \$5,000, which reduced noninterest income during the year ended December 31, 2004.

Noninterest Expense. Noninterest expense decreased by \$14,000, or 0.9%, to \$1.5 million for the year ended December 31, 2004 from \$1.5 million for the year ended December 31, 2003. The decrease was primarily attributable to a drop in charges for nonsufficient funds.

Income Tax Expense. The provision for income taxes decreased to \$28,000 for the year ended December 31, 2004 from \$107,000 for the year ended December 31, 2003. The decrease was partly due to Community Plus Savings Bank's lower level of income before taxes of \$114,000 for the year ended December 31, 2004, compared with \$351,000 for year ended December 31, 2003.

NEXT PAGE**Stock Ownership of Directors and Executive Officers and More Than 5% Owners.**

The following table sets forth, as of the May 6, 2005 voting record date, information regarding share ownership of: (1) those persons or entities (or groups of affiliated person or entities) known by management to beneficially own more than five percent of Citizens Community Bancorp common stock other than directors and executive officers; (2) each director of Citizens Community Bancorp; (3) each "named" executive officer of Citizens Community Bancorp; and (4) all current directors and executive officers of Citizens Community Bancorp as a group.

The address of each of the beneficial owners, except where otherwise indicated, is the same address as Citizens Community Bancorp. An asterisk (*) in the table indicates that an individual beneficially owns less than one percent of the outstanding common stock of Citizens Community Bancorp.

Beneficial ownership is determined in accordance with the rules of the SEC. As of the record date, there were 3,015,518 shares of Citizens Community Bancorp common stock outstanding. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after May 6, 2005 are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

Community Plus Savings Bank

Notes to Financial Statements

December 31, 2004

1. Accounting Policies

Nature of Operations

Through April 2004, Community Plus Savings Bank (the "Bank") was a state chartered mutual savings bank. In April 2004, the Bank converted to a federally chartered mutual savings bank. The Bank offers a variety of deposit products, including checking accounts, savings accounts, time deposits, and short-term deposits to customers in Southeastern Michigan. The Bank conducts lending activities in the residential mortgage markets and in the consumer installment marketplace.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Material estimates that are particularly susceptible to significant change relate to the determination of the allowance for loan losses and the valuation of real estate acquired in connection with foreclosures or in satisfaction of loans. In connection with the determination of the allowance for loan losses and foreclosed real estate, management obtains

independent appraisals for significant properties. While management uses available information to recognize loan losses, further reductions in the carrying amounts of loans may be necessary based on changes in local economic conditions. In addition, regulatory agencies, as an integral part of their examination process, periodically review the estimated loan losses. Such agencies may require the Bank to recognize additional losses based on their judgments about information available to them at the time of their examination. Because of these factors, it is possible that the estimated loan losses may change in the near term. However, the amount of the change cannot be estimated.

Statement of Cash Flows

For purposes of the statement of cash flows, cash equivalents include time deposits, certificates of deposit, and all highly liquid debt instruments with original maturities of three months or less. The Bank had approximately \$10,829,000 in 2004 and \$7,580,000 in 2003 in interest-bearing deposits at Central Corporate Credit Union.

Concentrations

Financial instruments, which potentially subject the Bank to concentrations of credit risk, consist principally of cash and temporary cash investments. At times during the year and at year end, cash balances held at financial institutions were in excess of federal insurance limits. The Bank places its temporary cash investments with high-credit, quality financial institutions and, by policy, limits the amount of credit exposure to any one financial institution. The Bank believes no significant concentration of credit risk exist with respect to these cash investments.

Community Plus Savings Bank

Notes to Financial Statements (continued)

1. Accounting Policies (continued)

Investment Securities

The Bank has classified its investment securities as trading (none), available-for-sale or held-to-maturity securities.

Investment securities held to maturity are those securities for which the Bank has the positive intent and ability to hold to maturity. These securities are reported at cost, adjusted for premiums and discounts that are recognized in interest income using the straight-line method over the period to maturity.

Investment securities available for sale are those securities not classified as trading or held-to-maturity securities. Unrealized holding gains and losses, net of tax, are reported as a net amount in a separate component of equity until realized. Gains and losses on the sale of available-for-sale securities are determined using the specific-identification method. Premiums and discounts are recognized in interest income using the straight-line method over the period to maturity.

Allowance for Loan Losses

The allowance for loan losses is established through a provision for loan losses charged to expense. Loans are charged against the allowance for loan losses when management believes that the collectibility of the principal is unlikely. The allowance is an amount that management believes will be adequate to absorb possible losses on existing loans that may become uncollectible, which is adjusted monthly based on evaluations of the collectibility of loans and prior loan loss experience. The evaluations take into consideration such factors as changes in the nature and volume of the loan portfolio, overall portfolio quality, review of specific problem loans, and current economic conditions that may affect the borrowers' ability to pay.

Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. For financial reporting purposes, the provision for depreciation is computed principally by the straight-line method based over the useful lives of the assets.

Federal Home Loan Bank Stock

Federal Home Loan Bank (FHLB) stock is recorded and traded at cost and can only be sold to the FHLB or another member institution. The Bank is required to maintain an investment in FHLB stock equal to one percent of the net permanent home mortgage loan portfolio. At December 31, 2004 and 2003, the Bank's investment in FHLB stock exceeded the required amount.

1. Accounting Policies (continued)

CenCorp Capital Share Deposit

Central Corporate Credit Union (CenCorp) requires that a capital share deposit be maintained for full participation as a member. The deposit is equal to one-eighth percent of each member bank's total assets, and is not insured by the NCUSIF. Interest on the deposit is paid quarterly based on available earnings at interest rates approved by CenCorp's Board of Directors. In the event a member withdraws from CenCorp, the deposit would be repaid in three equal annual installments.

Federal Income Taxes

Deferred income tax assets and liabilities are determined using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is determined based on the tax effects of the various temporary

differences between the book and tax basis of the various balance sheet assets and liabilities and gives current recognition to changes in tax rates and laws.

Interest on Loans

Interest on loans is recognized over the term of the loan and is calculated using the simple interest method on principal amounts outstanding. Accrual of interest is discontinued at the time a loan is 90 days delinquent unless the credit is well-secured and in process of collection. In all cases, loans are placed on nonaccrual or charged-off at an earlier date if collection of principal or interest is considered doubtful. All interest accrued but not collected for loans that are placed on nonaccrual or charged-off is reversed against interest income. The interest on these loans is accounted for on the cash basis or cost-recovery method, until qualifying for return to accrual. Loans are returned to accrual status when all the principal and interest amounts contractually due are brought current and future payments are reasonably assured.

Employee Benefits

The Bank has a 401(k) plan covering substantially all employees. Employees who are 21 years and older, and who have completed one year of service are eligible. Contributions to the plan are discretionary and totaled \$23,800 in 2004 and \$17,300 in 2003.

The Bank has a non-qualified deferred compensation plan for certain key employees as determined by the Board of Directors. Currently, only the Bank's president is participating in the Plan. The participants elect to have certain amounts withheld from compensation and contributed to the Plan. The Bank may make a matching or discretionary contribution. Participants are immediately vested in participant contributions and related income/loss. For employer contributions, participants become 100% vested on the third anniversary of the date that such amounts are credited to their account. The Plan's investments are held in a "Rabbi Trust" which is subject to the Bank's creditors upon liquidation. Therefore, the amounts are included in the Bank's financial statements.

Notes to Financial Statements (continued)

1. Accounting Policies (continued)

Employee Benefits (continued)

Amounts withheld from participant's compensation as well as Bank contributions are recorded as compensation expense in the year contributed. Changes in the fair value of the assets are recorded in accumulated comprehensive income with the change in their fair value of the liability recorded as compensation expense. Amounts recorded as compensation expense approximated \$60,800 in 2004 and \$39,000 in 2003.

As defined in the Plan document, if a change in control occurs, each participant shall be paid their entire account balance in a single lump sum.

2. Investment Securities

Investment securities have been classified in the financial statements according to management's intent. The amortized cost of investment securities and their approximate market values at December 31, were as follows:

	Amortized Cost	Gross Unrealized Gains	Gross Unrealized Losses	Market Value

Notes to Financial Statements (continued)

2. Investment Securities (continued)

The amortized cost and approximate market value of debt securities at December 31, 2004 by contractual maturity are as follows. Actual maturities could differ from contractual maturities because borrowers may have the right to call or prepay obligations with or without call or prepayment penalties.

	Held to Maturity		Available for Sale	
	Amortized Cost	Market Value	Amortized Cost	Market Value
Due in one year or less	\$1,278,755	\$1,176,165	-	-

	\$1,966,755	\$1,957,336	\$2,109,874	\$2,105,781

3. Loans

The Bank grants installment loans, real estate mortgage, home equity lines-of-credit, and VISA/MasterCard loans to customers primarily in its area of operation. While the loan portfolio is diversified, the customers' ability to honor their debt is partially dependent on the local economy. The Bank's service area is primarily dependent on the manufacturing (automotive and other) and education industries. Generally, installment loans are collateralized by various items of personal property and mortgage loans are collateralized by residential real estate with a loan-to-value ratio not exceeding 80 percent. The composition of loans at December 31 is as follows:

	2004	2003
Installment loans	\$ 1,485,565	\$ 2,251,576
Real estate mortgage	23,392,934	27,305,496

Community Plus Savings Bank

Notes to Financial Statements (continued)

3. Loans (continued)

In accordance with the loan policy, interest is not accrued on any loan for which payment in full of interest or principal is not expected. A nonaccrual loan may be restored to accrual status when none of its principal is due and unpaid or when it otherwise becomes well secured and in the process of collection. Total loans held by the Bank in nonaccrual status were \$-0- at December 31, 2004 and \$1,300 at December 31, 2003.

The Bank capitalizes loan origination costs and amortizes the costs over five years. During 2003, the Bank had numerous loans refinance and additional loan origination costs capitalized. During 2004, the Bank evaluated the capitalized origination costs and determined that the amount was overstated. Although much of the overstatement related to 2003, the Bank determined that the amount was not material to retained earnings and the restatement of prior year financial statements was not required. Therefore, the Bank wrote off approximately \$132,000 of loan origination costs during 2004.

4. Property and Equipment

A summary of property and equipment at December 31 follows:

	2004	2003
Land and land improvements	\$ 358,746	\$ 318,176

	\$ 28,300	\$106,500

7. Commitments and Contingencies

In the normal course of business, there are various outstanding commitments, such as commitments to extend credit and guarantees, which are not reflected in the accompanying financial statements. Commitments to extend credit are agreements to lend to a customer as long as there is no violation of any condition established in the contract. Commitments generally have fixed expiration dates or other termination clauses. Letters of credit are conditional commitments issued generally by the Bank to guarantee the performance of a customer to a third party. The Bank evaluates each customer's credit worthiness on a case-by-case basis. The amount of collateral obtained, if deemed necessary by the Bank upon extension of credit, is based on management's credit evaluation of the borrower.

Collateral held varies, but may include residential real estate, automobiles and other personal property. All commitments have credit risk essentially the same as that involved in extending loans to customers and are subject to the Bank's normal credit policies. Outstanding loan commitments (including lines of credit) were approximately \$3,151,000 at December 31, 2004 and \$3,250,000 at December 31, 2003. Management does not anticipate any losses as a result of these transactions.

The Bank has entered into an agreement for the lease of office space. The lease payments for this lease are \$3,000 per month, annual rent was \$36,000 during 2004 and 2003. The projected minimum rental payments under the term of the lease at December 31, 2004 are as follows:

2005	\$ 36,000
2006	36,000
2007	39,000
2008	39,600
2009 and thereafter	125,400
	<hr/>
	\$276,000
	<hr/>

In addition, the Bank leases office space to a mortgage company. The lease payments for this lease are \$1,782 per month. Annual income was \$20,658 during 2004 and \$18,480 during 2003.

8. Related Party Transactions

Certain directors and executive officers of the Bank (including their immediate families and companies in which they have 10% or more ownership) are deposit and loan customers of the Bank. The terms of the transactions involving these accounts were made in the ordinary course of business at normal credit terms including interest rates and collateralization, and do not represent more than a normal risk of collection. Total loans to these customers approximated \$-0- at December 31, 2004 and \$8,000 at December 31, 2003. The Bank held related party deposits of approximately \$135,000 at December 31, 2004 and \$167,000 at December 31, 2003.

9. Stock Issuance Costs

During 2004, the Bank incurred approximately \$127,000 in costs related to a potential initial public offering (IPO). Subsequent to incurring the costs, the Bank entered into negotiations related to a potential merger (see Note 11). Since

the merger is still in the preliminary stages and has not been finalized, the Bank considers the IPO a viable option if the merger does not occur. Therefore, the Bank has capitalized the costs on the balance sheet in the other asset line item. If the merger is finalized or the IPO is no longer a viable option, the costs will be expensed. If the merger is not finalized and the Bank continues with the IPO, the costs will be offset against additional paid in capital upon completion of the IPO.

10. Capital Requirements

The Bank is subjected to various regulatory capital requirements administered by the federal banking agencies. Failure to meet minimum capital requirements can initiate certain mandatory - and possibly additional discretionary - actions by regulators that, if undertaken, could have a direct, material effect on the Bank's financial statements. Under capital adequacy guidelines and the regulatory framework for prompt corrective action, the Bank must meet specific capital guidelines that involve quantitative measures of the Bank's assets, liabilities, and certain off-balance sheet items as calculated under regulatory accounting practices. The Bank's capital amounts and classification are also subject to qualitative judgments by the regulators about components, risk weightings, and other factors.

Quantitative measures established by regulation to ensure capital adequacy require the Bank to maintain minimum amounts and ratios (set forth in the table below) of total and Tier I capital (as defined in the regulations) to risk-weighted assets (as defined), and of Tier I capital (as defined) to average adjusted assets (as defined). Management believes that as of December 31, 2004 the Bank meets all capital adequacy requirements to which it is subject.

As of August 18, 2003, the most recent notification from the Office of Financial and Insurance Services of the State of Michigan, the Bank was categorized as well capitalized under the regulatory framework for prompt corrective action. To be categorized as well capitalized, the Bank must maintain minimum total risk-based, Tier I risk-based, and Tier I leverage ratios as set forth in the table. There are no conditions or events since that notification that management believes have changed the Bank's category.

All taxes shown on such returns, all taxes required to be shown on returns for which extensions have been granted and all other taxes required to be paid by Acquiror have been paid in full or, where payment is not yet due, an adequate provision has been made for any such taxes. There is no audit examination, deficiency assessment, tax investigation or refund litigation with respect to any taxes of Acquiror, and no claim has been made by any taxing authority in a jurisdiction where Acquiror does not file tax returns that Acquiror is subject to taxation in that jurisdiction. All taxes due with respect to completed and settled examinations or concluded litigation relating to Acquiror have been paid in full or adequate provision has been made for any such taxes. Acquiror has not executed an extension or waiver of any statute of limitations for the assessment or collection of any tax that is currently in effect. Acquiror and its Subsidiaries have withheld and paid all taxes required to have been withheld and paid in connection with amounts paid or owing to any

employee, independent contractor, creditor, stockholder or other third party, and Acquiror and each of its Subsidiaries has timely complied with all applicable information reporting requirements under Part III, Subchapter A of Chapter 61 of the IRC and similar applicable state and local information reporting requirements.

(j) *Agreements.*

(i) Except for this Agreement, Acquiror is not bound by any material contract (as defined in Item 601(b)(10) of Regulation S-K promulgated by the SEC), to be performed after the date hereof that has not been filed with or incorporated by reference in Acquiror Bancorp's Reports.

(ii) Acquiror is not in default under (and no event has occurred which, with due notice or lapse of time or both, would constitute a default under) or in violation of any provision of any note, bond, indenture, mortgage, deed of trust, loan agreement, lease or other agreement or commitment to which it is a party or by which it is bound or to which any of its respective properties or assets is subject and, to the knowledge of Acquiror, no other party to any such agreement or commitment (excluding any loan or extension of credit made by Acquiror) is in default in any respect thereunder, other than non-monetary defaults which can be cured without penalty.

(k) *Intellectual Property.* Acquiror owns or possesses valid and binding licenses and other rights to use without payment all patents, copyrights, trade secrets, trade names, service marks and trademarks material to its businesses, and Acquiror has not received any notice of conflict with respect thereto that asserts the right of others. obligations required to be performed by it and is not in default under any contact, agreement, arrangement or commitment relating to any of the foregoing.

(l) *Labor Matters.* Acquiror is in material compliance with all applicable laws respecting employment, retention of independent contractors, employment practices, terms and conditions of employment, and wages and hours. Acquiror is not and has never been a party to, or been bound by, any collective bargaining agreement, contract or other agreement or understanding with a labor union or labor organization with respect to its employees, and Acquiror is not the subject of any proceeding asserting that it has committed an unfair labor practice or seeking to compel it to bargain with any labor organization as to wages and conditions of employment nor has any such proceeding been threatened, nor is there any strike, other labor dispute or organizational effort involving Acquiror pending or, to the knowledge of Acquiror, threatened.

(m) *Qualified Plans.*

(i) Each benefit plan of Acquiror that is an "employee pension benefit plan" (as defined in Section 3(2) of ERISA) and which is intended to be qualified under Section 401(a) of the IRC (a "Acquiror

Qualified Plan") has received a favorable determination letter from the IRS, and Acquiror is not aware of any circumstances likely to result in revocation of any such favorable determination letter.

(ii) There is no pending or, to Acquiror's knowledge, threatened litigation, administrative action or proceeding relating to any Acquiror Qualified Plan. Each Acquiror Qualified Plan complies in all material respects with all applicable requirements of ERISA, the IRC and other applicable laws. There has occurred no "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975 of the IRC) with respect to any Acquiror Qualified Plan which has or is likely to result in the imposition of any taxes upon Acquiror, any Acquiror Qualified Plan or any of its fiduciaries under Section 502(i) of ERISA or Section 4975 of the IRC.

(iii) No liability to the Pension Benefit Guarantee Corporation has been or is expected by Acquiror to be incurred with respect to any Acquiror Qualified Plan which is subject to Title IV of ERISA ("**Acquiror Pension Plan**"), or with respect to any "single-employer plan" (as defined in Section 4001(a) of ERISA) currently or formerly maintained by Acquiror or any ERISA Affiliate. No Acquiror Pension Plan had an "accumulated funding deficiency" (as defined in Section 302 of ERISA), whether or not waived, as of the last day of the end of the most recent plan year ending prior to the date hereof; the fair market value of the assets of each Acquiror Pension Plan exceeds the present value of the "benefit liabilities" (as defined in Section 4001(a)(16) of ERISA) under such Acquiror Pension Plan as of the end of the most recent plan year with respect to the respective Acquiror Pension Plan ending prior to the date hereof, calculated on the basis of the actuarial assumptions used in the most recent actuarial valuation for such Acquiror Pension Plan and also calculated on a plan termination basis as of the date hereof; and no notice of a "reportable event" (as defined in Section 4043 of ERISA) for which the 30-day reporting requirement has not been waived has been required to be filed for any Acquiror Pension Plan within the 12-month period ending on the date hereof. Acquiror has not provided, or been required to provide, security to any Acquiror Pension Plan or to any single-employer plan of an ERISA Affiliate pursuant to Section 401(a)(29) of the IRC. (iv) The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby (assuming employment or service termination in connection therewith) will not result in any payment or series of payments by Acquiror to any person which is an "excess parachute payment" (as defined in Section 280G of the IRC) or is a nondeductible payment under Section 162(m) of the IRC, increase or secure (by way of a trust or other vehicle) any benefits payable under any compensation or benefit plan or arrangement of Acquiror or accelerate the time of payment or vesting of any such benefit.

(v) There are no pending or threatened claims (other than routine claims for benefits) against any Acquiror Qualified Plan or any related trust or any fiduciary thereof.

(n) *Title to Assets.* Acquiror has good and marketable title to its properties and assets (including any property acquired in a foreclosure proceeding or by way of a deed in lieu of foreclosure or similar transfer) whether real or personal, tangible or intangible, in each case free and clear of any Liens except (i) for taxes not yet due and payable, (ii) pledges to secure deposits, (iii) Liens set forth in Acquiror's 2004 Financial Statements, and (iv) such non-monetary easements, restrictions and encumbrances, if any, as are not material in character, amount or extent, and do not materially detract from the value, or materially interfere with the present use of the properties subject thereto or affected thereby. Each lease pursuant to which Acquiror is lessee or lessor is valid and in full force and effect and neither Acquiror, nor, to the knowledge of Acquiror, any other party to any such lease, is in default or in violation of any material provisions of any such lease. All material tangible properties of Acquiror are in a good state of maintenance and repair (normal wear and tear excepted), conform with all applicable ordinances, regulations and zoning laws and are considered by Acquiror to be adequate for the current business of Acquiror. To the knowledge of Acquiror, none of the buildings, structures or other improvements located on its real property encroaches upon or over any adjoining parcel or real estate or any easement or right-of-way.

(o) *Compliance with Laws.* Acquiror is in compliance in all material respects with all statutes, laws, regulations, ordinances, rules, judgments, orders or decrees applicable to it and its properties, assets, and employees. Acquiror has all permits, licenses, certificates of authority, orders and approvals of, and has made all filings, applications and registrations with, all Governmental Entities that are required in order to permit it to carry on its business as it is presently conducted; all such permits, licenses, certificates of authority, orders and approvals are in full force and effect, and no suspension or cancellation of any of them is threatened. Acquiror has not been given notice or been charged with any violation of, any law, ordinance, regulation, order, writ, rule, decree or condition to approval of any Governmental Entity which could result in (i) the imposition by a Government Regulator of any restriction on the conduct of business by Acquiror, (ii) the imposition of a fine or other monetary obligations upon Acquiror in excess of \$50,000 or (iii) otherwise adversely affecting the business or reputation of Acquiror.

(p) *Environmental Matters.*

(i) There are no past or present actions, activities, circumstances, conditions, events or incidents that could reasonably form a basis of a claim by a Governmental Entity or third party against Acquiror or any Participation Facility (A) for alleged noncompliance (including by any predecessor) with, or liability under, any Environmental Law or (B) relating to the presence of or release into the environment of any Hazardous Material, whether or not occurring at or on a site owned, leased or operated by Acquiror or any Participation Facility or a Loan Property.

(ii) There are no underground storage tanks at any properties owned or operated by Acquiror or any Participation Facility and no underground storage tanks have been closed or removed from any properties owned or operated by Acquiror or any Participation Facility.

(q) *Loans; Allowance for Loan Losses; Asset Quality.*

(i) Each Loan reflected as an asset on the Acquiror's 2004 Financial Statements, and each Loan originated or acquired by Acquiror thereafter is (or will be) evidenced by appropriate and sufficient documentation and constitutes (or will constitute), the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, except to the extent that the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles or doctrines. All such Loans are, and the Loans held at the Effective Time will be, free and clear of any Lien (other than the Lien of the Federal Home Loan Bank to secure FHLB advances).

(ii) The allowance for loan losses reflected in Acquiror's 2004 Financial Statements was, in the opinion of management, adequate as of the date thereof under GAAP.

(iii) Acquiror Bank is not a party to any Loan that is in violation, in any material respect, of any law, regulation or rule of any Governmental Entity. Any asset of Acquiror Bank that is classified as "Real Estate Owned" or words of similar import that is included in any non-performing assets of Acquiror Bank is carried net of reserves at the lower of cost or fair value, less estimated selling costs, based on current independent appraisals or evaluations or current management appraisals or evaluations; *provided, however*, that "current" shall mean within the past 12 months.

(r) *Deposits*. The deposit accounts of Acquiror Bank are insured by the FDIC to the maximum extent permitted by law. None of the deposits of Acquiror Bank is a "brokered" deposit.

(s) *Material Interests of Certain Persons*. No officer or director of Acquiror, or any affiliate of any such officer or director, has any material interest in any material contract or property (real or personal), tangible or intangible, used in or pertaining to the business of Acquiror, other than agreements that have been filed or incorporated in Acquiror Bancorp's Reports.

(t) *Insurance*. In the opinion of management, Acquiror is presently insured for amounts deemed reasonable by management against such risks as companies engaged in a similar business would, in accordance with good business practice, customarily be insured. Acquiror maintains all insurance required by contract in accordance with its contractual obligation. All of the insurance policies and bonds maintained by Acquiror are in full force and effect, Acquiror is not in default thereunder, and all material claims thereunder have been filed in due and timely fashion.

(u) *Investment Securities*.

(i) Except for restrictions that exist for securities that are classified as "held to maturity," none of the investment securities held by Acquiror is subject to any restriction (contractual or statutory) that would materially impair the ability of the entity holding such investment to freely dispose of such investment at any time.

(ii) Neither Acquiror nor any of its Subsidiaries is a party to or has agreed to enter into an exchange-traded or over-the-counter equity, interest rate, foreign exchange or other

swap, forward, future, option, cap, floor or collar or any other contract that is a derivative contract (including various combinations thereof) or owns securities that (A) are referred to generically as "structured notes," "high risk mortgage derivatives," "capped floating rate notes" or "capped floating rate mortgage derivatives" or (B) are likely to have changes in value as a result of interest or exchange rate changes that significantly exceed normal changes in value attributable to interest or exchange rate changes.

(v) *Indemnification.* Except as provided in the employment agreements filed as exhibits to Acquiror Bancorp's Reports and as provided in the charter or bylaws of Acquiror, Acquiror is not a party to any agreement that provides for the indemnification of any of its present or former directors, officers or employees, or other persons who serve or served as a director, officer or employee of another corporation, partnership or other enterprise at the request of Acquiror and, to the knowledge of Acquiror, there are no claims for which any such person would be entitled accounting, financial advising fees and out-of-pocket expenses in connection with the transactions contemplated by this Agreement.

(x) *Governing Documents.* Acquiror has previously furnished or made available to Acquiree Bank a complete and correct copy of its charter and bylaws and the similar organizational documents of each of its Subsidiaries, as in effect as of the date of this Agreement. Neither Acquiror nor any of its Subsidiaries is in violation of its charter, bylaws or similar organizational documents. The minute books of Acquiror and each of its Subsidiaries constitute a complete and correct record of all actions taken by its boards of directors (and each committee thereof) and their stockholders, owners or members, as the case may be.

(y) *Community Reinvestment Act Compliance.* Acquiror Bank is in material compliance with the applicable provisions of the CRA and the regulations promulgated thereunder, and Acquiror Bank currently has a CRA rating of satisfactory or better. To the knowledge of Acquiror, there is no fact or circumstance or set of facts or circumstances that would cause Acquiror Bank to fail to comply with such provisions or cause the CRA rating of Acquiror Bank to fall below satisfactory.

(z) *Undisclosed Liabilities.* As of the date hereof, Acquiror does not have any material debt, liability or obligation of any nature whatsoever (whether accrued, contingent, absolute or otherwise and whether due or to become due) other than liabilities reflected on or reserved against in Acquiror's 2004 Financial Statements, except for (i) liabilities incurred since September 30, 2004 in the ordinary course of business consistent with past practice and (ii) liabilities incurred for legal, accounting, financial advising fees and out-of-pocket expenses in connection with the transactions contemplated by this Agreement.

(aa) *Fees.* Except for the fairness opinion to be provided by Keefe, Bruyette & Woods, Inc., neither Acquiror nor any of its officers, directors, employees or agents, has employed any broker or finder or incurred any liability for any financial advisory fees, brokerage fees, commissions or finder's fees, and no broker or finder has acted directly or indirectly for Acquiror in connection with this Agreement or the transactions contemplated hereby.

Notwithstanding the foregoing, Acquiree Bank may, in response to a Superior Proposal that has not been withdrawn and that did not otherwise result from a breach of this *Section 5.1*, (x) furnish non-public information with respect to Acquiree Bank to the person who made such Superior Proposal pursuant to a confidentiality agreement on terms no more favorable to such person than the confidentiality agreement between Acquiree Bank and Acquiror dated October 28, 2004 and (y) participate in discussions or negotiations with such person regarding such Superior Proposal, if and so long as Acquiree Bank's Board of Directors determines in good faith (after receipt of written advice from its outside legal counsel) that failing to take such action would constitute a breach of its fiduciary duties under applicable law.

5.2 Certain Policies and Actions of Acquiree Bank. At the request of Acquiror, Acquiree Bank agrees to modify and change its loan, litigation and real estate valuation policies and practices (including loan classifications and levels of reserves) and investment and asset/liability management policies and practices so as to be consistent with those of Acquiror Bank; *provided, however*, that Acquiree Bank shall not be required to take such action prior to the date on which all regulatory and member and stockholder approvals required to consummate the transactions contemplated hereby are received, and until after receipt of written confirmation from Acquiror that it is not aware of any fact or circumstance that would prevent completion of the Merger, and *provided, further*, that such policies and procedures are not prohibited by GAAP or any applicable laws and regulations. The representations, warranties and covenants of Acquiree Bank contained in this Agreement shall not be deemed to be untrue or breached in any respect for any purpose as a consequence of any modifications or changes undertaken solely on account of this *Section 5.2*.

5.3 Access and Information.

(a) Upon reasonable notice, Acquiree Bank shall afford Acquiror and its representatives (including, without limitation, directors, officers and employees of Acquiror and its affiliates and counsel, accountants and other professionals retained by Acquiror) such reasonable access during normal business hours throughout the period prior to the Effective Time to the books, records (including, without limitation, tax returns and work papers of independent auditors), contracts, properties, personnel and to such other information relating to Acquiree Bank as Acquiror may reasonably request;

provided, however, that no investigation pursuant to this *Section 5.3* shall affect or be deemed to modify any representation or warranty made by Acquiree Bank in this Agreement.

(b) From the date hereof until the Effective Time, Acquiree Bank shall promptly provide Acquiror with (i) a copy of each report, schedule and other document filed with or received by it from any Government Regulator, (ii) a copy of any materials furnished to its senior management and all materials furnished to its Board of Directors, (iii) a copy of each press release made available to the public and (iv) any other information concerning its business, properties and personnel as Acquiror may reasonably request. Notwithstanding the foregoing, Acquiree Bank shall not be required to provide access to or to disclose information where such access or disclosure would violate the rights of such entity's customers, jeopardize the attorney-client privilege of the entity in possession or control of such information, or contravene any law, rule, regulation, order, judgment, decree or binding agreement entered into prior

to the date of this Agreement. The parties hereto will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the previous sentence apply.

(c) Acquiror will not, and will cause its representatives not to, use any information obtained pursuant to this *Section 5.3* for any purpose unrelated to the consummation of the transactions contemplated by this Agreement. Subject to the requirements of applicable law, Acquiror will keep confidential, and will cause its representatives to keep confidential, all information and documents obtained pursuant to this *Section 5.3* unless such information (i) was already known to Acquiror or an affiliate of Acquiror other than pursuant to a confidentiality agreement or other confidential relationship, (ii) becomes available to Acquiror or an affiliate of Acquiror from other sources not known by such party to be bound by a confidentiality agreement or other obligation of secrecy, (iii) is disclosed with the prior written approval of Acquiree Bank or (iv) is or becomes readily ascertainable from published information or trade sources.

(d) From and after the date hereof, representatives of Acquiror Bank and Acquiree Bank shall meet on a regular basis to discuss and plan for the conversion of Acquiree Bank's data processing and related electronic informational systems to those used by Acquiror Bank with the goal of conducting such conversion simultaneously with the consummation of the Merger.

5.4 Applications; Consents.

(a) Acquiror and Acquiree Bank shall cooperate with each other and shall use their reasonable best efforts to prepare and file as soon as practicable after the date hereof all necessary applications, notices and filings to obtain all permits, consents, approvals and authorizations of all Governmental Entities that are necessary or advisable to consummate the transactions contemplated by this Agreement. Acquiror and Acquiree Bank shall furnish each other with all information concerning themselves, any Subsidiaries of Acquiror, and any of their respective directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with any application, notice or filing made by or on behalf of Acquiree Bank or Acquiror or any Subsidiary of Acquiror to any Governmental Entity in connection with the transactions contemplated by this Agreement. Acquiror and Acquiree Bank shall have the right to review in advance, and to the extent practicable each will consult with the other on, all information relating to it and any Subsidiary of Acquiror that appears in any filing made with, or written materials submitted to, any Governmental Entity pursuant to this *Section 5.4(a)*.

(b) As soon as practicable after the date hereof, each of the parties hereto shall use its best efforts to obtain any consent, authorization or approval of any third party that is required to be obtained in connection with the transactions contemplated by this Agreement.

5.5 Additional Agreements. Subject to the terms and conditions herein provided, each of the parties hereto agrees to use all reasonable efforts to take promptly, or cause to be taken promptly, all actions and to do promptly, or

cause to be done promptly, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement as expeditiously as possible, including using efforts to obtain all necessary actions or non-actions, extensions, waivers, consents and approvals from all applicable Governmental Entities, effecting all necessary registrations, applications and filings (including, without limitation, filings under any applicable state securities laws) and obtaining any contractual consents and regulatory approvals.

5.6 Publicity. The initial press release announcing this Agreement shall be a joint press release and thereafter the parties hereto shall consult with each other prior to issuing any press releases or otherwise making public statements with respect to the transactions contemplated by this Agreement and in making any filings with any Governmental Entity or with any national securities exchange or market with respect thereto; *provided, however*, that nothing in this *Section 5.6* shall be deemed to prohibit any party from making any disclosure which its counsel deems necessary in order to satisfy such party's disclosure obligations imposed by law.

5.7 Stockholders Meeting; Members Meetings.

(a) If required by the OTS, Acquiror Bancorp will submit to its stockholders this Agreement and any other matters required to be approved or adopted by stockholders in order to carry out the intentions of this Agreement. In furtherance of that obligation, if required by the OTS, Acquiror Bancorp will take, in accordance with applicable law and its charter and bylaws, all action necessary to call, give notice of, and use its best efforts to convene and hold a meeting of its stockholders (the "**Acquiror Stockholders Meeting**") as promptly as practicable for the purpose of considering and voting on approval or adoption of this Agreement and the transactions provided for in this Agreement. If Acquiror Bancorp is required by the OTS to hold such Acquiror Stockholders Meeting, except as provided below, (i) Acquiror Bancorp's Board of Directors shall recommend to Acquiror Bancorp's stockholders approval or adoption of this Agreement, and use reasonable best efforts to obtain such approval or adoption of this Agreement by Acquiror Bancorp's stockholders (ii) the proxy statement Acquiror Bancorp distributes to its stockholders shall include a statement to the effect that Acquiror Bancorp's Board of Directors has recommended that Acquiror Bancorp's stockholders vote in favor of the approval or adoption of this Agreement, and (iii) neither Acquiror Bancorp's Board of Directors nor any committee thereof shall withdraw, amend or modify, or propose or resolve to withdraw, amend or modify in a manner adverse to Acquiree Bank, the recommendation of Acquiror Bancorp's Board of Directors that Acquiror Bancorp's stockholders vote in favor of approval or adoption of this Agreement or make any statement in connection with the Acquiror Stockholders Meeting inconsistent with such recommendation. Each of Acquiror Bancorp's directors and executive officers has entered into a Voting Agreement in the form attached as Exhibit B hereto, to vote their respective shares of Acquiror Bancorp Common Stock for approval or adoption of this Agreement. Notwithstanding the foregoing, if Acquiror Bancorp's Board of Directors (after receipt of written advice from its counsel) determines in good faith that it would result in a violation of its fiduciary duties under applicable law to recommend this Agreement, then in submitting the Agreement to stockholders at the Acquiror Stockholders Meeting it may submit this Agreement without recommendation, in which case the Board of Directors may communicate the basis for its lack of a recommendation to the stockholders in the proxy statement distributed to stockholders or an appropriate amendment or supplement thereto.

(b) If required by the OTS, Acquiror MHC will submit to its members this Agreement and any other matters required to be approved or adopted by members in order to carry out the intentions of this Agreement. In furtherance of that obligation, if required by the OTS, Acquiror MHC will take, in accordance with applicable law and its charter and bylaws, all action necessary to call, give

notice of, and use its best efforts to convene and hold a meeting of its members (the "**Acquiror Members Meeting**") as promptly as practicable for the purpose of considering and voting on approval or adoption of this Agreement and the transactions provided for in this Agreement. If Acquiror MHC is required by the OTS to hold such Acquiror Members Meeting, except as provided below, (i) Acquiror MHC's Board of Directors shall recommend to Acquiror MHC's members approval or adoption of this Agreement, and use reasonable best efforts to obtain such approval or adoption of this Agreement by Acquiror MHC's members, (ii) the proxy statement Acquiror MHC distributes to its members shall include a statement to the effect that Acquiror MHC's Board of Directors has recommended that Acquiror MHC's members vote for approval or adoption of this Agreement, and (iii) neither Acquiror MHC's Board of Directors nor any committee thereof shall withdraw, amend or modify, or propose or resolve to withdraw, amend or modify in a manner adverse to Acquiree Bank, the recommendation of Acquiror MHC's Board of Directors that Acquiror MHC's members vote in favor of approval or adoption of this Agreement or make any statement in connection with the Acquiror Members Meeting inconsistent with such recommendation. Notwithstanding the foregoing, if Acquiror MHC's Board of Directors (after receipt of written advice from its counsel) determines in good faith that it would result in a violation of its fiduciary duties under applicable law to recommend this Agreement, then in submitting the Agreement to members at the Acquiror Members Meeting it may submit this Agreement without recommendation, in which case the Board of Directors may communicate the basis for its lack of a recommendation to the members in the proxy statement distributed to members or an appropriate amendment or supplement.

(c) If required by the OTS, Acquiree Bank will cause Acquiree Bank to submit to its members this Agreement and any other matters required to be approved or adopted by members in order to carry out the intentions of this Agreement. In furtherance of that obligation, Acquiree Bank will take, in accordance with applicable law and its charter and bylaws, all action necessary to call, give notice of, and use its best efforts to convene and hold a meeting of Acquiree Bank's members, (the "**Acquiree Bank Members Meeting**") as promptly as practicable for the purpose of considering and voting on approval or adoption of this Agreement and the transactions provided for in this Agreement. If Acquiree Bank is required by the OTS to hold such Acquiree Bank Members Meeting, except as provided below, (i) Acquiree Bank's Board will recommend to its members that they vote for approval or adoption of this Agreement, and use reasonable best efforts to obtain such approval or adoption of this Agreement by the members of Acquiree Bank, (ii) the proxy statement Acquiree Bank distributes to its members shall include a statement to the effect that Acquiree Bank's Board of Directors has recommended that its members vote in favor of the approval or adoption of this Agreement, and (iii) neither Acquiree Bank's Board of Directors nor any committee thereof shall withdraw, amend, modify or propose or resolve to withdraw, amend or modify, in a manner adverse to Acquiror, the recommendation of Acquiree Bank's Board of Directors that its members vote in favor of approval or adoption of this Agreement or make any statement in connection with the Acquiree Bank Members Meeting inconsistent with such recommendation. Notwithstanding the foregoing, if Acquiree Bank's Board of Directors (after receipt of written advice from its counsel) determines in good faith that it would result in a violation of its fiduciary duties under applicable law to recommend this Agreement, then in submitting this Agreement to members at the Acquiree Bank Members Meeting it may submit the Agreement without recommendation, in which case the Board of Directors may communicate the basis for its lack of a recommendation to the members in the proxy statement distributed to its members or an appropriate amendment or supplement thereto.

5.8 Proxy Statements.

(a) If required by the OTS or SEC, as promptly as reasonably practicable following the date hereof,

Acquiror shall prepare and file with the OTS and/or the SEC as applicable and if necessary, a proxy statement and related materials relating to the matters to be submitted to the members of Acquiror MHC and/or the stockholders of Acquiror Bancorp, in each case as applicable and if necessary, at their respective Members Meeting or Stockholders Meeting, as applicable (such proxy

Upon request, Acquiree Bank will furnish to Acquiror the information required to be included in the Acquiror Proxy Statement with respect to its business and affairs and shall have the right to review and consult with Acquiror on the form of, and any characterizations of such information included in, the Acquiror Proxy Statement prior to its being filed with the OTS and/or the SEC, as applicable and if necessary. Acquiror and Acquiree Bank shall use reasonable best efforts to have the Acquiror Proxy Statement cleared for use by the OTS and/or the SEC, in each case as applicable and if necessary, and to have the Acquiror Proxy Statement mailed to Acquiror Bancorp's stockholders and/or to Acquiror MHC's members, in each case as applicable and if necessary, as promptly as practicable thereafter. Acquiror will advise Acquiree Bank, promptly after it receives notice thereof, of the time when the Acquiror Proxy Statement has been cleared for use by the OTS and/or the SEC, as applicable, or any request by the OTS and/or the SEC, as applicable, for amendment of the Acquiror Proxy Statement. If at any time prior to the Effective Time any information relating to Acquiree Bank or Acquiror, or any of their respective affiliates, officers or directors, should be discovered by Acquiree Bank or Acquiror which should be set forth in an amendment or supplement to the Acquiror Proxy Statement so that such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other party hereto and, to the extent required by law, rules or regulations, an appropriate amendment or supplement describing such information shall be promptly filed with the OTS and/or the SEC, as applicable, and disseminated to the members of Acquiror MHC and or the stockholders of Acquiror Bancorp, as applicable.

(b) As promptly as reasonably practicable following the date hereof, Acquiree Bank shall prepare and file with the OTS a proxy statement and related materials relating to the matters to be submitted to the members of Acquiree Bank at its Members Meeting (such proxy statement and related materials and any amendments or supplements thereto being individually and collectively referred to as the "**Acquiree Bank Proxy Statement**"). Upon request, Acquiror will furnish to Acquiree Bank the information required to be included in the Acquiree Bank Proxy Statement with respect to its business and affairs and shall have the right to review and consult with Acquiree Bank on the form of, and any characterizations of such information included in, the Acquiree Bank Proxy Statement prior to its being filed with the OTS. Acquiror and Acquiree Bank shall use reasonable best efforts to have the Acquiree Bank Proxy Statement cleared for use by the OTS and to have the Acquiree Bank Proxy Statement mailed to Acquiree Bank's members as promptly as practicable thereafter. Acquiree Bank will advise Acquiror, promptly after it receives notice thereof, of the time when the Acquiree Bank Proxy Statement has been cleared for use by the OTS, or any request by the OTS for amendment of the Acquiree Bank Proxy Statement. If at any time prior to the Effective Time

any information relating to Acquiree Bank or Acquiror or any of their respective affiliates, officers or directors, should be discovered by Acquiree Bank or Acquiror which should be set forth in an amendment or supplement to the Acquiree Bank Proxy Statement so that such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other party hereto and, to the extent required by law, rules or regulations, an appropriate amendment or supplement describing such information shall be promptly filed with the OTS and disseminated to Acquiree Bank's members.

5.9 Notification of Certain Matters. Each party shall give prompt notice to the other of: (i) any event or notice of, or other communication relating to, a default or event that, with notice or lapse of time or both, would become a default, received by it or any of its Subsidiaries subsequent to the date of this Agreement and prior to the Effective Time, under any contract material to the financial condition, properties, businesses or results of operations of each party and its Subsidiaries taken as a whole to which

Except for Brian Ashley, all of the Acquiree Bank Continuing Employees shall be employed at the will of Acquiror Bank and no contractual right to employment shall inure to such employees because of this Agreement or otherwise. Acquiror Bank will provide to Acquiree Bank no later than 30 days prior to the Effective Date a schedule of Acquiree Bank employees who will be terminated by Acquiror Bank on the Effective Date. To the extent that Acquiror Bank terminates the employment of any of Acquiree Bank's employees, other than for cause, on or within six months following the Effective Date, Acquiror Bank shall provide to such former Acquiree Bank employee a severance payment equal to two weeks salary for each year of service that such employee was employed by Acquiree Bank, up to a maximum of 26 weeks salary; *provided, however*, that Acquiror Bank shall not have any obligation to provide any severance payment to any of Acquiree

Acquiree Bank has furnished Acquiror with a schedule identifying each Acquiree Bank employee and each such employee's years of service with Acquiree Bank.

(b) As of the Effective Time, Acquiror Bank shall make available employer-provided health and other employee welfare benefit plans to each Acquiree Bank Continuing Employee on the same basis as it provides such coverage to Acquiror Bank employees or continue the coverage then provided by Acquiree Bank until such time as Acquiree Bank Continuing Employees can be integrated into the health and welfare plans of Acquiror Bank. Acquiree Bank Continuing Employees shall receive credit for service with Acquiree Bank under any existing or new Acquiror Bank health plan in which such employees or their dependents would be eligible to enroll. Such service shall also apply for purposes of satisfying any waiting periods, actively-at-work requirements, and evidence of insurability requirements, to the extent permitted by Acquiror Bank's health insurance provider. Acquiree Bank Continuing Employees who become covered under an Acquiror Bank health plan shall be required to satisfy the deductible limitations of the Acquiror Bank health plan for the plan year in which coverage commences, with offset for deductibles satisfied under the Acquiree Bank health plan. Unless an Acquiree Bank Continuing Employee affirmatively terminates coverage under an Acquiree Bank health plan prior to the time that such Acquiree Bank Continuing Employee becomes eligible to participate in an Acquiror Bank health plan, no coverage of any of the Acquiree Bank Continuing Employees or their dependents shall terminate under any other Acquiree Bank health plans prior to the time such Acquiree Bank Continuing Employees and their dependents become eligible to participate in the health plans, programs and benefits common to all employees of Acquiror Bank and their dependents.

(b) Any Indemnified Party wishing to claim indemnification under *Section 5.11(a)*, upon learning of any such claim, action, suit, proceeding or investigation, shall promptly notify Acquiror Bancorp thereof, but the failure to so notify shall not relieve Acquiror Bancorp of any liability it may have hereunder to such Indemnified Party if such failure does not materially and substantially prejudice Acquiror Bancorp.

(c) Acquiror Bank shall maintain, for a period of three years from the Effective Date, Acquiree Bank's existing directors' and officers' liability insurance policy (or provide a policy providing comparable coverage and amounts on terms no less favorable to the persons currently covered by Acquiree Bank's existing policy, including Acquiror Bank's existing policy if it meets the foregoing standard) covering persons who are currently covered by such insurance; *provided, however*, that in no event shall Acquiror Bank be obligated to expend, in order to maintain or provide insurance coverage pursuant to this *Section 5.11(c)*, an aggregate amount during the coverage period in excess of 150% of the amount of the annual premiums paid by Acquiree Bank as of the date hereof for such insurance ("**Maximum Insurance Amount**"); *provided further*, that if the amount of the total premiums necessary to maintain or procure such insurance coverage is expected to exceed the Maximum Insurance Amount, Acquiror Bank shall either obtain or permit Acquiree Bank to obtain tail coverage under Acquiree Bank's existing directors' and officers' liability insurance policy for the Maximum Insurance Amount in satisfaction of Acquiror Bank's obligations under this *Section 5.11(c)*.

Upon becoming a member of the Acquiror Bank Board of Directors, Mr. Ashley will receive the same board and committee fees, if any, as the other employee members of the Board of Directors of Acquiror Bank.

(e) Each current director of Acquiree Bank who continues in such capacity up to the Effective Time (other than Brian Ashley who will become a director of Acquiror Bank) shall have the right to immediately thereafter become an advisory director of Acquiror Bank. Each advisory director will be paid \$300 for each advisory board meeting attended by such advisory director. (d) *Delay*. By either Acquiror or Acquiree Bank, in the event the Effective Date of the Merger shall not have occurred by December 31, 2005, unless the failure to so consummate by such date is due to the breach of any representation, warranty or covenant contained in this Agreement by the party seeking to terminate; or

(h) *Superior Proposal.* By the Board of Directors of Acquiree Bank, if the Board of Directors of Acquiree Bank authorizes Acquiree Bank to enter into an agreement with respect to an Acquisition Transaction that the Board of Directors of Acquiree Bank has determined is a Superior Proposal; provided, that Acquiree Bank shall not terminate this Agreement pursuant to this *Section 7.1(h)* and enter into an agreement for an Acquisition Transaction until the expiration of three business days following Acquiree Bank's written notice advising Acquiror Bancorp that Acquiree Bank has received a Superior Proposal specifying the material terms and conditions of such Superior Proposal (and including a copy thereof), identifying the person making such Superior Proposal and stating whether Acquiree Bank intends to enter into a definitive agreement for an Acquisition Transaction. Appendix B

Fairness Opinion of Keefe, Bruyette & Woods

[LOGO] KEEFE, BRUYETTE & WOODS

January 6, 2005

Board of Directors
Citizens Community Bancorp
2174 Eastridge Center
Eau Claire, WI 54701

Dear Board of Directors:

You have requested our opinion as an independent investment banking firm regarding the fairness, from a financial point of view, to the stockholders of Citizens Community Bancorp ("Citizens Community") of the consideration to be paid by Citizens Community in the merger (the "Merger") between the Citizens Community and Community Plus Savings Bank ("Community Plus"). We have not been requested to opine as to, and our opinion does not in any manner address, Citizens Community's underlying business decision to proceed with or effect the Merger.

Pursuant to the Agreement and Plan of Reorganization dated January 6, 2005 between Citizens Community and Community Plus (the "Agreement"), at the effective time of the Merger, Citizens Community Bancorp will issue to Citizens Community MHC a number of shares of Citizens Community Bancorp Common Stock equal to dividing the Appraised Value of Community Plus of \$9.25 million by the Market Price of Citizens Community Bancorp. The complete terms of the proposed transaction are described in the Agreement, and this summary is qualified in its entirety by reference thereto.

Keefe, Bruyette & Woods, Inc., as part of its investment banking business, is regularly engaged in the evaluation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, and distributions of listed and unlisted securities. We are familiar with the market for common stocks of publicly traded banks, savings institutions and bank and savings institution holding companies. Further, we are familiar with the market value of mutual savings institutions that convert to the stock form of organization.

In connection with this opinion, we reviewed publicly available financial data relating to Citizens Community including: Annual Reports for the years ended September 30, 2004, 2003 and 2002, and the 10-K for the year ended September 30, 2004 and other information we deemed relevant. We discussed with senior management of Citizens Community the current position and prospective outlook for Citizens Community. We considered historical quotations and the prices of recorded transactions in Citizens Community's common stock. We reviewed financial and stock market data of other savings institutions, particularly in the Midwest region of the United States, and the financial and structural terms of several other recent transactions involving mergers and acquisitions where the acquirer was a savings institution as well as several recent mutual-to-stock conversion valuations.

For Community Plus, we reviewed financial data relating to Community Plus Savings Bank including: the December 31, 2003, 2002 and 2001 audited financial statements, the FDIC Call Report for March 31, 2004, the quarterly OTS Thrift Financial Reports for June 30 and September 30, 2004, statements and other information we deemed relevant. We reviewed RP Financials pro forma valuation as presented to Community Plus on December 20, 2004. For purposes of this opinion we have relied, without independent verification, on the accuracy and completeness of the material furnished to us by Community Plus, including information from published sources, and we have not made any independent effort to verify such data. With respect to the financial information, including projections and asset valuations we received from Community Plus, we assumed that they had been reasonably prepared reflecting the best currently available estimates and judgment of Community Plus management. In addition, we have not made or obtained any independent appraisals or evaluations of the assets or liabilities, and potential and/or contingent liabilities of Community Plus. We have further relied on the assurances of management of Community Plus that they are not aware of any facts that would make such information inaccurate or misleading. We express no opinion on matters of a legal, regulatory, tax, or accounting nature; or the ability of the Merger, as set forth in the Agreement, to be consummated.

In rendering our opinion, we have assumed that in the course of obtaining the necessary approvals for the Merger, no restrictions or conditions will be imposed that would have a material adverse effect on the contemplated benefits of the Merger to the Citizens Community or the ability to consummate the Merger. Our opinion is based on the market, economic, and other relevant considerations as they exist and can be evaluated on the date hereof.

Consistent with the engagement letter with you, we have acted as financial advisor to Citizens Community in connection with the Merger and will receive a fee for such services. In addition, Citizens Community has agreed to indemnify us for certain liabilities arising out of our engagement by Citizens Community in connection with the Merger.

Based upon and subject to the foregoing, as outlined in the foregoing paragraphs and based on such other matters as we considered relevant, it is our opinion that as of the date hereof, the Merger Consideration to be paid by Citizens Community in the Merger is fair, from a financial point of view, to the stockholders of Citizens Community.

This opinion may not be summarized, excerpted from, or otherwise publicly referred to without our prior written consent, although this opinion may be included in its entirety in the proxy statement/prospectus of Citizens Community used to solicit stockholder approval of the Merger. It is understood that this letter is directed to the Board

of Directors of the Citizens Community in its consideration of the Agreement, and is not intended to be and does not constitute a recommendation to any stockholder as to how such stockholder should vote with respect to the Merger.

Sincerely,

/s/ Keefe, Bruyette & Woods, Inc.
