When such proxy is properly executed and returned, the Class A Ordinary Shares, par value U.S.\$0.01 per share ("Ordinary Shares" or "Shares"), of the Company it represents will be voted at the meeting on the following: (1) the election of the six nominees for Class I Directors identified herein; (2) the appointment of PricewaterhouseCoopers LLP, New York, New York ("Auditors"), to act as the independent auditors of the Company for the fiscal year ending December 31, 2002; (3) to approve the amendment and restatement of the Company's 1991 Performance Incentive Plan; (4) to approve the Company's Employee Share Purchase Plan; and (5) such other business as may properly come before the meeting or any adjournments thereof.

BENEFICIAL OWNERSHIP

The following table lists the beneficial ownership of each person or group who, as of a recent date, owned, to the Company's knowledge, more than five percent of the Company's Ordinary Shares outstanding. The table is based upon information contained in filings with the Securities and Exchange Commission.

NAME AND ADDRESS -----	NUMBER OF SHARES -----	PERCENTAGE OF OUTSTANDING SHARES (1) -----
Capital Research & Management 630 Fifth Avenue, New York, NY 10111-0121	9,911,000	7.5%
Janus Capital Corporation 100 Fillmore Street, Denver, CO 80206-4923	8,977,000	6.8%
Jennison Associates LLC 466 Lexington Avenue, New York, NY 10017-3151	6,746,000	5.1%

- (1) Each Ordinary Share has one vote, except that if, and so long as, the Controlled Shares (as hereinafter defined) of any person constitute ten percent (10%) or more of the issued Ordinary Shares, the voting rights with respect to the Controlled Shares owned by such person shall be limited, in the aggregate, to a voting power of approximately ten percent (10%), pursuant to a formula specified in the Company's Articles of Association. "Controlled Shares" include, among other things, all Ordinary Shares that such person is deemed to beneficially own directly, indirectly or constructively (within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934).

BOARD OF DIRECTORS

The Company's Articles of Association provide that the Board of Directors (sometimes referred to as the "Board") shall be divided into three classes designated Class I, Class II and Class III, each class consisting as nearly as possible of one-third of the total number of Directors constituting the entire Board of Directors.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

The term of office for each Director in Class I expires at the Annual General Meeting of the Company in 2002; the term of office for each Director in Class II expires at the Annual General Meeting in 2003; and the term of office for each Director in Class III expires at the Annual General Meeting in 2004; and at each Annual General Meeting the successors of the class of Directors whose term expires at that meeting shall be elected to hold office for a term expiring at the Annual General Meeting to be held in the third year following the year of their election.

In fiscal 2001, there were five meetings of the Board and all incumbent Directors, other than Mr. Glauber, attended at least 75% of such meetings and of the meetings held by all committees of the Board of which they were a member. Mr. Glauber attended 73% of the meetings of the Board and committees of the Board of which he was a member.

The Board of Directors has established four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Finance Committee.

AUDIT COMMITTEE

The Audit Committee of the Board of Directors meets with the Company's independent auditors to discuss the scope and results of their audit and to review the Company's financial reporting, accounting and control systems. The Audit Committee also reviews the Company's reserving methodology and reserves. Each year the Audit Committee recommends to the Board an independent auditing firm to audit the financial statements of the Company. Messrs. Thornton (Chairman), Jeanbart, Rance, Dr. Thrower and Sir Brian Corby comprise the Audit Committee. The Audit Committee met five times during fiscal 2001.

COMPENSATION COMMITTEE

The Compensation Committee reviews the performance and compensation of senior corporate officers, establishes overall employee compensation policies and recommends to the Board of Directors major compensation programs. The Compensation Committee also recommends to the Board restricted stock and option awards under the Company's stock incentive plans and benefits under other compensation plans of the Company. No member of the Compensation Committee is a member of management or eligible for compensation from the Company other than as a Director unless the Board of Directors determines that such compensation will not affect the independence of the Committee member. Messrs. Weiser (Chairman), Glauber, Comey and Loudon comprised the Compensation Committee in 2001. The Compensation Committee met five times during fiscal 2001.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Nominating and Corporate Governance Committee makes recommendations to the Board as to nominations for the Board (including qualifications and criteria for Board and Committee memberships) and compensation for Board and Committee members, as well as structural, governance and procedural matters. The Nominating and Corporate Governance Committee also reviews shareholder proposals, the performance of the Board, tenure and retirement policies of the Board and the Company's succession planning. Messrs. Esposito (Chairman), Clements, Loudon and O'Hara and Dr. Parker comprise the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee met five

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

times during fiscal 2001.

FINANCE COMMITTEE

The Finance Committee establishes and recommends the financial policies of the Company and reviews the Company's capital management practices, dividend policy, mergers, acquisitions and divestitures, significant strategic investments and new business initiatives, as well as overall investment policy and performance. Messrs. Loudon (Chairman), Bornhuetter, Butt, Esposito, Glauber, O'Hara, Dr. Parker, Senter, Thornton and Weiser comprise the Finance Committee. The Finance Committee met five times during fiscal 2001.

DIRECTORS COMPENSATION

During fiscal 2001, all Directors (except for the Chairman of the Board and Directors who are also employees of the Company) received an annual fee of \$35,000, plus \$3,000 per meeting, including informational meetings. Committee Chairmen also received an additional annual fee of \$3,000 and all Committee members received an attendance fee of \$1,500 per meeting. Prior to the beginning of each fiscal year, Directors may elect to defer all or part of the Board annual retainer in increments of \$5,000. Deferred payments are credited in the form of share units, calculated by dividing 110 percent of the deferred payment by the market value of the Company's Shares at the beginning of the fiscal year, in accordance with the terms of the Company's Directors Stock & Option Plan, as amended. Alternatively, Directors may elect to receive their annual retainers in the form of Shares having a value equal to their annual fees.

The following Directors elected to defer all or a portion of their annual retainer for fiscal 2001:

DIRECTORS	AMOUNT DEFERRED	SHARE UNITS CREDITED
-----	-----	-----
Ronald L. Bornhuetter	\$35,000	440
Michael A. Butt	\$35,000	440
Robert Clements	\$35,000	440
Ian Heap	\$25,000	314
John Loudon	\$15,000	189
Daniel McNamara	\$35,000	440
Robert S. Parker	\$35,000	440
John Thornton	\$35,000	440
Ellen E. Thrower	\$20,000	251
John W. Weiser	\$35,000	440

On March 9, 2001, all non-employee Directors were granted 5,000 options exercisable at \$80.00 per share (the fair market value on March 9, 2001) pursuant to the terms of the 1991 Performance Incentive Program, as amended and restated. In addition, a Retirement Plan for Non-Employee Directors (the "Retirement Plan") was implemented effective July 1, 1994, to provide the Directors with a pension on the termination of service for a period equal to the time served as a Director. The amount to be paid to each Director was to equal the annual retainer at the date of termination of service multiplied by the number of years served on the Board. Except in the case of one Director for whom the plan continues, the Retirement Plan was terminated in 1997 and, under the Company's Stock Plan for Non-employee Directors (the "Stock Plan"), the present value of the accrued benefits of each Director under the Retirement Plan was converted into an equivalent amount of Ordinary Share units (each unit corresponding to one Ordinary Share). In addition, under the Stock Plan, as of December 1 of each year, Ordinary Share units are credited to the account of each non-employee Director (other than the Directors who continue to accrue benefits under the Retirement Plan). The number of Ordinary Share units credited

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

each year is equal to the annual retainer fee divided by the fair market value of an Ordinary Share on each December 1. Benefits under the Stock Plan will be distributed in the form of Ordinary Shares following termination of a non-employee Director's service on the Board.

3

Michael P. Esposito, Jr.'s annual compensation as Chairman of the Board with respect to fiscal 2001 comprised a salary of \$425,000, pension contributions of \$42,500, bonus of \$750,000, a grant of 37,500 options at an exercise price of \$80 per share, 24,867 reload options at an exercise price of \$76.90 per share and a restricted stock award of 6,500 shares.

CERTAIN TRANSACTIONS

Certain Shareholders and their affiliates, including the employers of or entities otherwise associated with certain of the Directors, have purchased insurance, reinsurance or other services from the Company's subsidiaries. The Company and its affiliates in the ordinary course of business enter into insurance, reinsurance and other transactions with companies in which the Company has a direct or indirect equity interest.

As of December 31, 2001 (i) a subsidiary of the Company owned an approximately 26.7% interest in Measurisk LLC ("Measurisk"), a New York limited liability company, of which Mr. Glauber is an officer, director and shareholder of one of Measurisk's members, and (ii) the Company owned approximately 12.9% of the shares of Annuity and Life Re (Holdings) Ltd ("AL Re"), of which Messrs. Esposito and O'Hara are directors.

The Company had a consulting agreement with Michael A. Butt, a Director of the Company, for a one-year period from December 31, 1998. Mr. Butt's agreement was extended for an additional two years effective January 1, 2000 and expired on January 1, 2002. The consulting agreement provided that the duties and time commitments shall be as mutually agreed by the Company and Mr. Butt. Under the consulting agreement, Mr. Butt was entitled to an annual consulting fee of \$535,000 and certain other benefits. Pursuant to this consulting agreement, Mr. Butt remains subject to non-competition covenants for a period of 24 months from termination. The Company and Mr. Butt have agreed to extend the term of this consulting agreement to January 1, 2003.

In connection with the acquisition in 1999 of NAC Re Corporation ("NAC Re") by the Company, NAC Re entered into a settlement agreement and a consulting agreement with Ronald L. Bornhuetter, who had been Chairman of the Board and Chief Executive Officer of NAC Re and who became a Director of the Company. Under the terms of the settlement agreement, NAC Re agreed to pay to Mr. Bornhuetter, as a supplemental pension, \$162,892 per year beginning in August 1999 for his lifetime and, upon his death, 50% of that amount per year to his surviving spouse for her lifetime. In addition, the settlement agreement provides that Mr. Bornhuetter is entitled to the continuance of certain employee benefits. Under the consulting agreement, the duties of Mr. Bornhuetter included rendering advice relating to the integration of NAC Re and the Company, and NAC Re paid to Mr. Bornhuetter a fee of \$250,000 per year, plus reimbursement of expenses and an office allowance. The consulting agreement expired on July 1, 2001.

The Company has provided to Mr. O'Hara, a Director and the President and Chief Executive Officer of the Company, a facility to borrow up to \$1 million from the Company. This facility does not bear interest unless Mr. O'Hara terminates his employment with the Company, at which time the interest will be

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

the applicable United States Federal rate for long-term loans determined in accordance with Section 1274(d) of the United States Internal Revenue Code of 1986, as amended. The facility requires repayment of amounts drawn in ten annual installments. In calendar year 2001, the largest amount outstanding under this facility was \$540,000.

In December 2001, Mr. O'Hara received an advance of \$1.2 million from the Company in connection with certain tax payments falling due when Mr. O'Hara was precluded by Company policy from buying or selling shares of the Company. This advance did not carry interest, and Mr. O'Hara repaid this amount in full on February 26, 2002.

In 2001, a limited partnership, XL Capital Partners I L.P. (the "Partnership"), was formed. The general partner of the Partnership is a newly formed wholly owned subsidiary of the Company (the "General Partner"). All of the limited partners of the Partnership are current or former senior officers or Directors of the Company or its subsidiaries (the "Limited Partners").

The stated purpose of the Partnership is to achieve long-term capital appreciation for its investors through a portfolio of investments, including without limitation, private equity, venture capital and hedge funds; equity and equity-related securities of all types; investments in debt securities, preferred shares and other financial instruments; and securities issued by companies providing financial guarantee, insurance and reinsurance contracts. Generally, the Partnership is expected to co-invest in investments made by the Company or its subsidiaries, substantially on the same terms as the similar investments made by the Company.

4

The aggregate capital commitment of the Partnership is \$49,075,000, of which \$8,654,343 was invested as at December 31, 2001. The capital commitment of the General Partner is \$39,260,000 and the capital commitments of the Limited Partners, in the aggregate, is \$9,815,000. To date, 50% of the Limited Partners' aggregate capital commitments have been called. Organizational expenses relating to the Partnership are paid by the General Partner.

Distributions will generally be made as follows (after each Partner receives an amount equal to 40% of the allocations of taxable income made to such Partner): (i) first, 100% to the General Partner until it has received an amount equal to its capital contribution plus an amount equal to 10% (per annum) of the General Partner's capital contribution; (ii) second, to the Limited Partners until they have received an amount equal to their respective capital contributions; and (iii) third, 90% to the Limited Partners and 10% to the General Partner.

Each Limited Partner's interest in profits from the Partnership (in excess of that portion based solely on his or her capital commitment) is subject to vesting 25% a year with the first such portion vesting in 2002. Unless waived by the General Partner, vesting is conditioned on continued employment with the Company or its subsidiaries. However, if employment is terminated due to death or disability, such Limited Partner's interest will fully vest, and if employment of a Limited Partner is terminated for cause, no additional interest will vest.

As of December 31, 2001, the following executive officers and directors of the Company made the limited partner commitments indicated parenthetically after their respective names: Mr. O'Hara (\$500,000); Mr. Lusardi (\$400,000); Mr. Greetham (\$300,000); Mr. Bruce Connell (\$400,000); Mr. Paul Giordano (\$200,000);

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Mr. Henry Keeling (\$400,000); Ms. Fiona Luck (\$400,000); Mr. Bornhuetter (\$200,000); Mr. Butt (\$200,000); Mr. Clements (\$200,000); Sir Brian Corby (\$200,000); Mr. Esposito (\$500,000); Mr. Jeanbart (\$200,000); Mr. Loudon (\$200,000); Dr. Parker (\$50,000); Mr. Rance (\$50,000); Mr. Senter (\$200,000); Mr. Thornton (\$200,000); and Dr. Thrower (\$50,000).

As of December 31, 2001, the Partnership has made, among others, the following investments: (i) \$1.5 million of Mutual Risk Management Ltd.'s ("MRM") 9 3/8% convertible exchangeable debentures due 2006 (the "MRM Debentures") and (ii) \$5,000,000 in Highfields Capital II LP Fund, a hedge fund ("Highfields").

The Company has invested \$51.0 million principal amount in the MRM Debentures. The Company also received warrants to purchase up to 1,632,043 MRM common shares at an initial exercise price of \$7.00 per share. During fiscal 2001, certain of the Company's executive officers and Directors have been members of the Board of Directors of MRM. In addition, the Company holds a minority stake in the hedge fund manager of Highfields and had invested approximately \$176.5 million in funds managed by this management company as of December 31, 2001. In March 2002, the Partnership invested in 90,000 Series A convertible voting preferred shares of Primus Guaranty Ltd. ("Primus") for a purchase price of \$2,250,000. The Company believes that all of its officers and directors and those greater-than-10% Shareholders that filed any reports, filed all of such reports on a timely basis during the year ended December 31, 2001, with the exception of one Form 4 filing for each of Brian O'Hara and Michael A. The Company or one of its subsidiaries has entered into employment agreements with two of its named executive officers: Nicholas M. Brown, Jr., Executive Vice President of the Company and Chief Executive of Insurance Operations, and Jerry de St. Paer, Executive Vice President, Chief Financial Officer and Treasurer of the Company.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Mr. Brown entered into a new employment agreement with the Company as of April 1, 2002. Mr. Brown's employment agreement provides that he will be employed as the Chief Executive of Insurance Operations for the Company, an Executive Vice President of the Company, and Chief Executive Officer of XL Insurance, Inc. The agreement with Mr. Brown also provides for (i) a continuation of his base salary at the rate in effect on the date of the agreement, subject to annual review for possible increases at the discretion of the Compensation Committee; (ii) annual bonus as approved by the Compensation Committee based on corporate, individual and business unit performance measures established by the Compensation Committee, with target annual bonus equal to 90% of base salary; (iii) a special bonus payable as soon as practicable after the effective date of the agreement in the amount of US\$2,600,000; (iv) eligibility on the same basis as comparable executives to participate in the Company's 1991 Performance Incentive Program, as determined in the discretion of the administrator of that program; and (v) the right to participate in such other employee benefit or fringe benefit programs for senior officers as are in effect from time to time. The term of the employment agreement with Mr. Brown will expire on January 1, 2005. Mr. Brown has agreed to certain confidentiality, noncompetition and nonsolicitation provisions set forth in the agreement.

If Mr. Brown's employment is terminated by the Company without cause (as defined) or by Mr. Brown for good reason (as defined), in either case within 2 years following a change in control (as defined), or his employment is terminated by the Company in connection with or anticipation of a change in control within one year prior to the date on which a change in control occurs, he will be entitled to (i) his then-current base salary through the date of termination; (ii) a cash lump sum payment equal to (x) two times his base salary and (y) two times the highest of the largest annual bonus awarded in the three year period preceding the year in which the change in control occurs or the targeted annual bonus for the year of such termination; (iii) an amount equal to the higher of his annual bonus actually awarded in the year immediately preceding the year of the change in control or his targeted annual bonus for the year of termination, prorated for the period actually worked in the year of termination; (iv) accelerated vesting as of the date of termination of all stock options or restricted shares held by him to the extent specified in the applicable agreements; (v) continued participation for up to two years in employee benefit and fringe benefit programs of the Company; (vi) accelerated vesting of accrued benefits under the Company's pension plans; and (vii) continued participation under the Company's pension plans for two years following termination of employment. In the event that Mr. Brown's employment is terminated by the Company not for cause (other than in the circumstances described above) or Mr. Brown terminates his employment (other than in the circumstances described above) following the failure to appoint or reappoint him to the positions described above, the assignment of duties to him that are inconsistent with his positions, the relocation of his place of employment, or material breach by the Company of the agreement, which, in any such case, is not cured as provided in the agreement, Mr. Brown will receive the following: (i) his then-current base salary through the date of termination; (ii) a cash lump sum payment equal to (x) the amount of his base salary which would have been payable over the following two years and (y) two times (or one times if the date of termination is after January 1, 2003) the higher of targeted annual bonus for the year of termination or the bonus actually awarded for the immediately preceding year; (iii) a pro rata bonus for the year of termination in an amount determined by the Compensation Committee, based on actual achievement of corporate, business unit and individual performance results; (iv) vesting of stock options and restricted shares held by him as specified in the applicable agreements; and (v) continued participation in employee benefit programs and fringe benefit programs for the remainder of the stated term of the agreement (or two years if shorter).

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

In the event of Mr. Brown's death or disability, he (or his estate) would receive a pro rata bonus, accelerated vesting of stock options and restricted stock, accelerated vesting under the Company's pension plans, and base salary for six months after termination.

Such supplemental pension benefits will be reduced by benefits payable to Mr. Brown under the defined benefit plans of the Company or its affiliates or under the defined benefit plans of Mr. Brown's prior employers. Any retirement benefit that is payable prior to age 60 shall be reduced by 5% per year to reflect its expected period of payment. This benefit will be payable to Mr. Brown for his lifetime and, following his death, 50% of such amount would be payable to his surviving spouse, if any, for her lifetime.

Mr. de St. Paer's employment agreement provides for (i) a base salary which is subject to review for increase annually; (ii) an annual bonus pursuant to the Company's incentive compensation plan as determined by the Compensation Committee of the Board and stock option and restricted share grants pursuant to the Company's performance incentive program; (iii) reimbursement for or payment of certain travel, living and other expenses; and (iv) the right to participate in such other employee or fringe benefit programs for senior executives as are in effect from time to time. Mr. de St. Paer's employment agreement expires on March 1, 2004 and will be automatically extended for additional one year periods unless the Company or Mr. de St. Paer provides written notice at least three months prior to the then scheduled expiration date. Mr. de St. Paer has agreed to certain confidentiality, noncompetition and nonsolicitation provisions set forth in the agreement.

Mr. de St. Paer's agreement further provides that, in the event of termination of his employment prior to the expiration date by reason of death or disability, Mr. de St. Paer (or in the case of death, Mr. de St. Paer's spouse or estate) is entitled to receive his then current base salary through the end of the sixth month after the month in which his employment is terminated. bonus for the year of death in an amount determined by the Compensation Committee. Mr. de St. Paer's estate shall also be entitled to accelerated vesting of his rights under any option or restricted share grants and pension plans.

COMPENSATION COMMITTEE REPORT

In 2001, the Company updated its compensation principles and practices. The practices and principles received extensive internal vetting and were approved in principle by the Board. The practices and principles take into account, among other matters, the Company's recent rapid increase in size and its expansion into new geographic areas and new types of businesses. The Company's objective is to be competitive in the several markets in which it operates, in order to attract, retain and motivate the superior staff needed to be the business leader and employer of choice.

The practices and principles maintain the Company's general principles of favoring performance-based compensation, with a more disciplined link to performance and more differentiation in pay to match performance.

The competitiveness of the compensation packages is tested in the relevant markets; salary is generally set at median levels and variable factors are designed so that top-performers are targeted to receive total compensation well above market median. The Company also provides pension and other benefits and perquisites.

In order to afford an opportunity for all employees of the Company and its participating subsidiaries to purchase shares of the Company, the Board approved for submission to shareholders an Employee Share Purchase Plan.

GLOBAL INCENTIVE COMPENSATION PLAN

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

In 1999, the Company reviewed its incentive compensation plans and policies in light of its growth and expansion from a single business in one location to several businesses operating in a number of locations throughout the world. Implementation of the Global Incentive Compensation Plan (the "Plan") began with the Company's operations in Bermuda and Ireland in 1999 and will encompass its other subsidiaries as soon as practicable. Subsidiaries to which the Plan does not yet apply generally continue to operate under plans specific to their markets or plans in effect prior to their acquisition by the Company.

Annual incentive compensation under the Plan takes the form of a corporate cash bonus pool allocated on the basis of corporate, business unit and individual performance. The corporate bonus pool is funded based on four weighted performance measures: (i) growth in cash earnings per share--40%; (ii) cash return on tangible equity--30%; (iii) total return on tangible equity--20%; and (iv) growth in book value per share, including dividends paid and excluding unrealized appreciation or depreciation of investments--10%. Performance is determined 65% on the Company's absolute performance against target rates in excess of a risk free rate of return approved by the Compensation Committee and 35% on the Company's relative performance as compared to a peer group of companies. The peer group is determined annually with the Compensation Committee's approval and includes leading property and casualty and financial guaranty insurers and reinsurers.

Long-term incentive compensation under the Plan seeks to align management with the interests of the Company's shareholders to create shareholder value over time. Long-term incentives under the Plan are annual stock option awards and periodic restricted stock grants, generally vesting equally over three and four years, respectively. The Compensation Committee approves stock option award guidelines that generally remain in place for three years. The guidelines are based on competitive practices and stock dilution considerations. Individual awards within the guidelines are determined by level of responsibility, corporate, business unit and individual performance, and other relevant factors. Restricted stock typically will be granted every two or three years at levels up to 20% of the value of an annual stock option award. Stock options and restricted stock also may be granted in connection with new hires, personnel retention following mergers or acquisitions, or in other special circumstances.

2001 COMPENSATION REVIEW

The tragic events of September 11 had two major consequences on the Company's compensation decisions for 2001. First, the imbalance in supply and demand for the Company's insurance and reinsurance products in the aftermath of the catastrophe led to the creation of several new companies in Bermuda. Those companies in turn were actively recruiting to fill their rosters, with the Company's superior staff as a natural target. Therefore, on management's recommendation, the Committee accelerated consideration of grants of restricted stock and approved grants of 200,000 restricted shares in the aggregate in January 2002 to such officers of the Company (other than Messrs. O'Hara, Brown, Keeling, Lusardi) and employees as Mr. O'Hara recommended.

The terrorist attack also caused, as announced, major losses for the Company. Since the calculations of the bonus pool under the Plan are based on financial results, those results, giving effect to the losses, would have generated a very limited bonus pool. Yet in the view of the Committee and the Board, the Company's management and staff had performed well before the attack

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

and responded effectively to its impact. Among the many positive factors in management's performance for the year were the successful integration of Winterthur International, the acquisition of the majority holding in Le Mans Re, the continued expansion of the financial products and services business and excellent positioning of the Company for a resurging market. The market, as evidenced by the stock price, also appeared strongly to approve of management's efforts.

The Committee concluded that the severity of the September 11 losses, i.e. the loss of four airliners in one day, the total loss of two major structures and the attendant losses of their tenant enterprises, was extraordinary. The Committee therefore recommended to the Board that the actual calculations under the Plan be averaged with hypothetical calculations as if the attack had not occurred. That averaging resulted in a bonus pool approximately half of what it would have been absent the catastrophe. Incentive compensation was calculated on that average basis.

The September 11 losses were unique, but nevertheless underscore the inflexibility of the current Plan, with its simple reliance on calculable financial results. The Company has expanded into businesses with catastrophic losses, which can bring significant swings into the incentive compensation calculations. The Committee has asked the Company to develop a revised Plan, retaining the better elements of the current Plan but adding elements that would allow the Plan as a whole to measure more accurately management's effectiveness in building value for shareholders.

CHIEF EXECUTIVE OFFICER AND CHAIRMAN'S COMPENSATION

The Compensation Committee continues to believe that Mr. O'Hara is doing an excellent job. He has set a clear strategic direction and is guiding its implementation. The financial products and services business is growing at a measured pace; the Winterthur International integration is progressing well, as is the majority holding in Le Mans Re. The Company is very well positioned to take advantage of the market turn; its financial position is strong, and the spirit of its staff is excellent.

The Chairman's compensation has been significantly increased to reflect the fact that that position has evolved into one that is approaching full-time. When Mr. Esposito was elected, it was on the understanding that the position would require between one-third and one-half of his time. The Company's geographic expansion and its extension into new areas, in particular financial products and services, have caused Mr. O'Hara to rely increasingly on Mr. Esposito, who has resigned other positions to allow him to devote more time and energy to the Company.

AUDIT COMMITTEE REPORT

The primary purpose of the Audit Committee of the Board of Directors is to assist the Board of Directors in fulfilling its responsibilities to oversee the participation of management in the financial reporting process of the Company and the role and responsibilities of the independent auditors, who report directly to the Audit Committee. The Audit Committee comprises five independent directors and operates under a written charter adopted and approved by the Board of Directors on May 12, 2001, which is attached as Appendix A hereto. It is not the responsibility of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors, as appropriate. It is also not the responsibility of the Audit Committee to assure compliance with laws and regulations and the Company's Code of Ethics or to set or determine the adequacy of the Company's reserves.

Based on the Audit Committee's review of the audited financial statements, its discussions with management regarding the audited financial statements, its receipt of written disclosures and the letter from independent auditors required by Independence Standards Board Standard No. 1, its discussions with the independent auditor regarding such auditor's independence, the audited financial statements, the matters required to be discussed by the Statement on Auditing Standards 61 as amended and other matters the Audit Committee deemed relevant and appropriate, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements for the fiscal year ended December 31, 2001 be included in the Company's Annual Report on Form 10-K for such fiscal year.

AUDIT FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2001 and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q during the year ended December 31, 2001 were approximately \$4.2 million.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

PricewaterhouseCoopers LLP billed \$3.5 million for professional services rendered to the Company for information technology services relating to financial information systems design and implementation for the fiscal year ended December 31, 2001. These fees primarily related to the continuation of projects commenced in 1999 and 2000.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers LLP for services rendered to the Company, other than the services described above under "Audit Fees" and "Financial Information Systems Design and Implementation Fees", for the fiscal year ended December 31, 2001 were \$7.0 million. Included in this amount is \$1.3 million of fees related to other attestation services that comprised the audits for insurance statutory and regulatory purposes in the various jurisdictions in which the Company operates, and the provision of certain opinions relating to the Company's filings with the SEC, including opinions delivered to securities underwriters in connection with various equity and debt offerings during fiscal year 2001. This attestation work is in addition to the amounts included in "Audit Fees" above. Of the remaining fees in this category, approximately \$4.7 million related to due diligence, merger and integration-related services in connection with the Company's acquisition of Winterthur International during fiscal year 2001.

GENERAL

The Audit Committee considered whether the provision of information technology consulting services relating to financial information systems design and implementation and other non-audit services performed by the independent auditors is compatible with maintaining PricewaterhouseCoopers LLP's independence.

II. APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee and the Board of Directors have recommended the appointment of PricewaterhouseCoopers LLP, New York, New York, as the independent auditors of the Company for the fiscal year ending December 31, 2002. Representatives of the firm are expected to be present at the Annual General Meeting with an opportunity to make a statement if they desire to do so and to be available to respond to appropriate questions.

III. AMENDMENT AND RESTATEMENT OF THE 1991 PERFORMANCE INCENTIVE PROGRAM

The Board of Directors of the Company has amended and restated the XL Capital Ltd 1991 Performance Incentive Program (the "Program"), subject to Shareholder approval.

The principal amendments to the Program are as follows. The maximum number of shares available for grant under the Program have been increased by 8,000,000 shares, resulting in a total of approximately 10,000,000 shares available for grant if such increase is approved. The number of shares that can be issued as restricted shares, performance shares and performance units under the Program, (I.E. awards other than stock options and stock appreciation rights) after March 8, 2002 will be limited to 1,000,000. Consistent with the Company's longstanding policies, the Program has also been formally amended to provide that stock options cannot be issued with an exercise price per share less than the fair market value per share at the date of grant, stock options cannot have a term longer than 10 years, and stock options and stock appreciation rights will not be repriced without shareholder approval.

The shareholders are now requested to approve the amendment and restatement of the Program. The following summary of the amended and restated Program is qualified in its entirety by express reference to the Program, which is attached as Appendix B to this proxy statement.

GENERAL

The Program is intended to provide incentives to attract, retain and motivate employees and directors of the Company and its subsidiaries and affiliates in order to achieve the Company's long-term growth and profitability objectives. The Program will provide for the grant to eligible employees and directors of stock options, share appreciation rights ("SARs"), restricted stock, performance shares, and performance units (the "Awards"). An additional 8,000,000 shares of Common Stock have been reserved for issuance under the Program (of which during a calendar year (i) the maximum number of shares with respect to which options and SARs may be granted to an individual participant under the Program will be 5,000,000 shares, and (ii) the performance shares, performance units, and restricted stock granted to an individual participant intended to qualify as performance-based compensation shall be not more than the equivalent of 150,000 shares), subject to anti-dilution adjustments in the event of certain changes in the Company's capital structure, as described below. Shares issued pursuant to the Program will be either authorized but unissued shares or treasury shares.

ELIGIBILITY AND ADMINISTRATION

Officers and other employees of the Company and its subsidiaries and affiliates and directors of the Company will be eligible to be granted Awards under the Program. The Program will be administered by the Compensation Committee or such other Board committee or subcommittee (or the entire Board) as may be designated by the Board (the "Committee"). The Committee will determine which eligible employees and directors receive Awards, the types of Awards to be

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

received and the terms and conditions thereof. The Committee will have authority to waive conditions relating to an Award or accelerate vesting of Awards. The actual number of employees who will receive awards under the Program cannot be determined because selection for participation in the Program is in the sole discretion of the Committee.

AWARDS

Incentive stock options ("ISOs") intended to qualify for special tax treatment in accordance with the Code and nonqualified stock options not intended to qualify for special tax treatment under the Code may be granted for such number of shares of Common Stock as the Committee determines. The Committee will be authorized to set the terms relating to an option, including the exercise price and the time and method of exercise. The terms of ISOs will comply with the provisions of Section 422 of the Code. ISOs may only be granted to employees.

Awards of restricted stock will be subject to such restrictions on transferability and other restrictions, if any, as the Committee may impose. Such restrictions will lapse under circumstances as the Committee may determine. Except as otherwise determined by the Committee, eligible employees granted restricted stock will have all of the rights of a stockholder, including the right to vote restricted stock and receive dividends thereon.

Performance shares and performance units will provide for future issuance of shares or payment of cash, respectively, to the recipient upon the attainment of corporate performance goals established by the Committee over

20

specified performance periods. Prior to payment of performance shares or performance units, the Committee will certify that the performance objectives were satisfied. Performance objectives may vary from employee to employee.

If the Committee determines that an award of performance shares, performance units or restricted stock should qualify under the performance-based compensation exception to the \$1 million cap on deductibility under Section 162(m) of the Code, the grant, vesting and/or settlement of such awards shall be contingent upon achievement of pre-established performance goals based on one or more of the following business criteria for the Company, on a consolidated basis, and/or for specified subsidiaries or business units of the Company (except with respect to the total stockholder return and earnings per share criteria): earnings per share; revenues; cash flow; cash flow return on investment; return on assets; return on investment; return on capital; return on equity; economic value added; operating margin; net income; pretax earnings; pretax earnings before interest, depreciation and amortization; pretax operating earnings after interest expense and before incentives, service fees, and extraordinary or special items; operating earnings; total stockholder return; and any of the above goals as compared to the performance of a published or special index deemed applicable by the Committee including, but not limited to, the Standard & Poor's 500 Stock Index.

NONTRANSFERABILITY

Unless otherwise set forth by the Committee in an award agreement, Awards will generally not be transferable by the participant other than by will or the laws of descent and distribution and will be exercisable during the lifetime of the participant only by such participant or his or her guardian or legal representative.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

CAPITAL STRUCTURE CHANGES

In the event of stock dividends, stock splits, recapitalizations, mergers, consolidations, combinations, exchanges of shares, spin-offs, liquidations, reclassifications or other similar changes in the capitalization of the Company, the number of shares of common stock available for grant under the Program shall be adjusted proportionately or otherwise by the Board of Directors, and where deemed appropriate, the number of shares covered by outstanding stock options, the number of performance shares and shares of restricted stock outstanding, and the option price of outstanding stock options shall be similarly adjusted.

AMENDMENT AND TERMINATION

The Board of Directors of the Company may, at any time and from time to time, suspend or terminate the Program in whole or amend it from time to time in such respects as the Board of Directors of the Company may deem appropriate; provided, however, that, without the consent of an affected participant, no amendment, suspension, or termination of the Program may adversely affect the rights of such participant under any award theretofore granted to him or her.

MARKET VALUE

The per share closing price of the Company's Shares on April 1, 2002 was \$92.51.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of the United States federal income tax consequences of the Program, based upon current provisions of the Code, the Treasury regulations promulgated thereunder and administrative and judicial interpretation thereof, and does not address the consequences under any state, local or foreign tax laws.

STOCK OPTIONS

In general, the grant of an option will not be a taxable event to the recipient and it will not result in a deduction to the Company. The tax consequences associated with the exercise of an option and the subsequent disposition of shares of common stock acquired on the exercise of such option depend on whether the option is a nonqualified stock option or an ISO.

Upon the exercise of a nonqualified stock option, the participant will recognize ordinary taxable income equal to the excess of the fair market value of the shares of common stock received upon exercise over the exercise price. If the participant is employed by a United States subsidiary, the subsidiary will generally be able to claim a deduction in an equivalent amount. Any gain or loss upon a subsequent sale or exchange of the shares of common

stock will be capital gain or loss, long-term or short-term, depending on the holding period for the shares of common stock.

Generally, a participant will not recognize ordinary taxable income at the time of exercise of an ISO and no deduction will be available to the participant's employer, provided the option is exercised while the participant is an employee or within three months following termination of employment (longer, in the case of disability or death). If an ISO granted under the

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Program is exercised after these periods, the exercise will be treated for United States federal income tax purposes as the exercise of a nonqualified stock option. Also, an ISO granted under the Program will be treated as a nonqualified stock option to the extent it (together with other ISOs granted to the participant by the Company) first becomes exercisable in any calendar year for shares of common stock having a fair market value, determined as of the date of grant, in excess of \$100,000.

If shares of common stock acquired upon exercise of an ISO are sold or exchanged more than one year after the date of exercise and more than two years after the date of grant of the option, any gain or loss will be long-term capital gain or loss. If shares of common stock acquired upon exercise of an ISO are disposed of prior to the expiration of these one-year or two-year holding periods (a "Disqualifying Disposition"), the participant will recognize ordinary income at the time of disposition, and the participant's employer will generally be entitled to a deduction, in an amount equal to the excess of the fair market value of the shares of common stock at the date of exercise over the exercise price. Any additional gain will be treated as capital gain, long-term or short-term, depending on how long the shares of common stock have been held.

Although the exercise of an ISO as described above would not produce ordinary taxable income to the participant, it would result in an increase in the participant's alternative minimum taxable income and may result in an alternative minimum tax liability.

If an option is exercised through the use of shares of common stock previously owned by the participant, such exercise generally will not be considered a taxable disposition of the previously owned shares and, thus, no gain or loss will be recognized with respect to such previously owned shares upon such exercise. The amount of any built-in gain on the previously owned shares generally will not be recognized until the new shares acquired on the option exercise are disposed of in a sale or other taxable transaction.

RESTRICTED STOCK

A participant who receives shares of restricted stock will generally recognize ordinary income at the time that they "vest", I.E., either when they are not subject to a substantial risk of forfeiture or when they are freely transferable. The amount of ordinary income so recognized will be the fair market value of the common stock at the time the income is recognized (determined without regard to any restrictions other than restrictions which by their terms will never lapse), less the amount, if any, paid for the stock. This amount is generally deductible for federal income tax purposes by the participant's employer. Dividends paid with respect to common stock that is non-vested will be ordinary compensation income to the participant (and generally deductible by the employer). Any gain or loss upon a subsequent sale or exchange of the shares of common stock, measured by the difference between the sale price and the fair market value on the date restrictions lapse, will be capital gain or loss, long-term or short-term, depending on the holding period for the shares of common stock. The holding period for this purpose will begin on the date following the date restrictions lapse.

In lieu of the treatment described above, a participant may elect immediate recognition of income under Section 83(b) of the Code. In such event, the participant will recognize as income the fair market value of the restricted stock at the time of grant (determined without regard to any restrictions other than restrictions that by their terms will never lapse), and the participant's employer will generally be entitled to a corresponding deduction. Dividends paid with respect to shares as to which a proper Section 83(b) election has been made will not be deductible. If a Section 83(b) election is made and the restricted stock is subsequently forfeited, the participant will not be entitled to any offsetting tax deduction.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

SARS AND OTHER AWARDS

With respect to SARs, performance shares, and performance units, generally, when a participant receives payment with respect to any such Award granted to him or her under the Program, the amount of cash and the fair

22

market value of any other property received will be ordinary income to such participant and will be allowed as a deduction for federal income tax purposes to the employer.

DEDUCTIBILITY LIMIT ON COMPENSATION IN EXCESS OF \$1 MILLION

Section 162(m) of the Code generally limits the deductible amount of annual compensation paid (including, unless an exception applies, compensation otherwise deductible in connection with Awards granted under the Program) by a public company to a "covered employee" (I.E., the chief executive officer and four other most highly compensated executive officers of the Company) to no more than \$1 million. The Company currently intends to structure stock options granted under the Program to comply with an exception to non-deductibility under Section 162(m) of the Code in order to maximize the tax deductions available to United States based subsidiaries of the Company.

NEW PROGRAM BENEFITS

The amount of benefits that will be granted under the Program cannot be determined at this time.

YOUR BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO AMEND AND RESTATE THE PROGRAM.

23

IV. PROPOSAL TO ADOPT THE EMPLOYEE SHARE PURCHASE PLAN

The Company's Board of Directors has adopted the Employee Share Purchase Plan pursuant to which employees of the Company and its designated subsidiaries may be entitled to purchase ordinary shares of the Company. The Employee Share Purchase Plan is intended to enhance the Company's ability to attract and retain employees and to better enable such persons to participate in the long-term success and growth of the Company.

The material features of the Employee Share Purchase Plan are described below, but this description is only a summary and is qualified in its entirety by reference to the actual text of the Employee Share Purchase Plan. A copy of the Employee Share Purchase Plan is attached as Appendix C hereto.

ADMINISTRATION

The Employee Share Purchase Plan will be administered by a committee of the Board of Directors of the Company (the "Committee").

Subject to the express provisions of the Employee Share Purchase Plan, the

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

Committee has the power to determine the terms and conditions of each offering of shares to employees thereunder. The Committee also has authority to adopt and revise rules, guidelines and practices governing the plan, to interpret the terms and provisions of the plan and any offering made thereunder, and to otherwise supervise the administration of the plan.

STOCK SUBJECT TO THE PLAN

A total of 1,225,000 ordinary shares of the Company are reserved for issuance under the Employee Share Purchase Plan, subject to equitable adjustment by the Committee in the event of stock dividends, recapitalizations and other similar corporate events.

ELIGIBILITY

All employees of the Company or any of its participating subsidiaries who have been employed for at least six months (or another period determined by the Committee not in excess of two years) will be eligible to purchase stock under the plan. The participating subsidiaries will be those designated by the Committee to participate in the Employee Share Purchase Plan.

OPERATION OF THE PLAN

The plan is designed to qualify as an "employee share purchase plan" under Section 423 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"). The plan will allow participating employees to purchase ordinary shares of the Company through payroll withholding. The plan provides for consecutive six month offering periods (or other periods of not more than 27 months as determined by the Committee) under which participating employees can elect to have amounts withheld from their total compensation during the offering period and applied to purchase ordinary shares of the Company at the end of the period. Unless otherwise determined by the Committee before an offering period, the purchase price will be the lesser of 85% of the fair market value of ordinary shares of the Company at the beginning or end of the offering period. Unless otherwise determined by the Committee, the maximum number of shares that may be purchased by an employee in any offering is 1,000 shares. In addition, applicable Code limitations specify, in general, that a participant's right to purchase stock under the plan cannot accrue at a rate in excess of \$25,000 (based on the value at the beginning of the applicable offering periods) per calendar year.

AMENDMENTS AND TERMINATION

The Employee Share Purchase Plan will terminate when all shares authorized to be issued under it have been exhausted. The Board of Directors may discontinue the Employee Share Purchase Plan at any time and may amend it from time to time. Amendments may be made without shareholder approval except as required to satisfy Section 423 of the Code.

NEW PLAN BENEFITS

The amount of benefits payable in the future under the Employee Share Purchase Plan is not currently determinable and, as of the date of this prospectus, no stock has been granted under this plan.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of certain of the U.S. federal income tax

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

consequences to participants in the plan and to the Company, based upon current provisions of the Code and the regulations and rulings thereunder, and does not address the consequences under state, local, foreign or any other applicable tax laws. A participating employee in the plan will not recognize income at the time a purchase right is granted at the beginning of an offering period or when the employee purchases shares at the end of the offering period. However, the employee will be taxed on amounts withheld from salary under the plan as if actually received, and a participating subsidiary that employs the employee will generally be entitled to a corresponding income tax deduction.

If a participating employee disposes of shares purchased pursuant to the plan after one year from the end of the applicable offering period and two years from the beginning of the applicable offering period, the employee must include in gross income as compensation (as ordinary income and not as capital gain) for the taxable year of disposition an amount equal to the lesser of (a) the excess of the fair market value of the shares at the beginning of the applicable offering period over the purchase price computed on the first day of the offering period or (b) the excess of the fair market value of the shares at the time of disposition over their purchase price. Thus, if the one and two year holding periods described above are met, the participating employee's ordinary compensation income will be limited to the discount available on the first day of the applicable offering period. If the amount recognized upon such a disposition by way of sale or exchange of the shares exceeds the purchase price plus the amount, if any, included in income as ordinary compensation income, the excess will be long-term capital gain. If the one and two year holding periods described above are met, the Company and its participating subsidiaries will not be entitled to any income tax deduction.

If the participating employee disposes of shares within one year from the end of the applicable offering period or two years from the beginning of the offering period, the employee will recognize ordinary income at the time of disposition which will equal the excess, if any, of the fair market value of the shares on the date the participating employee purchases the shares (i.e., the end of the applicable offering period) over the amount paid for the shares. A participating subsidiary that employs the employee will generally be entitled to a corresponding income tax deduction.

The excess, if any, of the amount recognized on disposition of the shares over their fair market value on the date of purchase (I.E., the end of the applicable offering period) will be short-term capital gain, unless the participating employee's holding period for the shares (which will begin at the time of purchase at the end of the offering period) is more than one year. If the participating employee disposes of the shares for less than the purchase price for the shares, the difference between the amount recognized and such purchase price will be a long- or short-term capital loss, depending upon the holding period for the shares.

YOUR BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSAL TO ADOPT THE EMPLOYEE SHARE PURCHASE PLAN.

V. SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Shareholder proposals intended for inclusion in the Proxy Statement for the 2003 Annual General Meeting of Shareholders should be sent to the Company's Secretary at XL House, One Bermudiana Road, Hamilton HM 11, Bermuda and must be received by December 7, 2002. In addition, if a shareholder intends to present a

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

proposal at the 2003 Annual General Meeting other than pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, and if the proposal is not received by the Company's Secretary by February 20, 2003, then the proxies designated by the Board of Directors of the Company for the 2003 Annual General Meeting of Shareholders may vote in their discretion on any such proposal any Shares for which they have been appointed proxies without mention of such matter in the Proxy Statement for such meeting or on the proxy card for such meeting.

Any Shareholder entitled to vote at a meeting may nominate persons for election as Directors if written notice of such intent is delivered or mailed, postage prepaid, and received by the Secretary at the principal executive offices of the Company not less than 5 days nor more than 21 days before the date appointed for such meeting. The shareholder notice must include the following information about the proposed nominee: (a) name, age, and business and residence addresses; (b) principal occupation or employment; (c) class and number of Shares or securities of the Company beneficially owned; and (d) any other information required to be disclosed in solicitations of proxies pursuant to Regulation 14A of the Securities Exchange Act of 1934, including the proposed nominee's written consent to serve if elected. The notice must also include information on the Shareholder making the nomination, including such Shareholder's name and address as it appears on the Company's books and the class and number of Shares of the Company beneficially owned. The nomination of any person not made in compliance with the foregoing procedures shall be disregarded.

26

VI. OTHER MATTERS

While management knows of no other issues, if any other matters properly come before the meeting, it is the intention of the persons named in the accompanying proxy form to vote the proxy in accordance with their judgment on such matters.

PROXY SOLICITATION

The Company will bear the cost of this solicitation of proxies. Proxies may be solicited by Directors, officers and employees of the Company and its subsidiaries without receiving additional compensation. Any individuals who are authorized by the Committee to administer the Plan shall have the full power to act on behalf of the Committee, but shall at all times be subordinate to the Committee and the Committee shall retain ultimate authority for the administration of the Plan.

4. STOCK SUBJECT TO THE PLAN

(a) Subject to paragraph (c) below, the aggregate number of shares of Common Stock that may be sold under the Plan is 1,225,000 shares of Common Stock.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

(b) If the number of shares of Common Stock that Participating Employees become entitled to purchase is greater than the number of shares of Common Stock that are offered in a particular Offering or that remain available under the Plan, the available shares of Common Stock shall be allocated by the Committee among such Participating Employees in such manner as it deems fair and equitable.

(c) In the event of any change in the Common Stock, through recapitalization, merger, consolidation, stock dividend or split, combination or exchange of shares, spin-off or otherwise, the Committee may make such equitable adjustments in the Plan and the then outstanding Offerings as it deems necessary and appropriate including, but not limited to, changing the number of shares of Common Stock reserved under the Plan, and the purchase price of shares in the current Offering; provided that any such adjustments shall be consistent with Sections 423 and 424 of the Code.

(d) Shares of Common Stock which are to be delivered under the Plan may be obtained by the Company from its treasury, by purchasing such shares on the open market or from private sources, or by issuing authorized but unissued shares of its Common Stock. C-2

5. ELIGIBILITY

(a) All employees of the Company and any Participating Subsidiaries designated by the Committee from time to time will be eligible to participate in the Plan, in accordance with and subject to such rules and regulations as the Committee may prescribe; provided, however, that (a) such rules shall comply with the requirements of the Code (including but not limited to Section 423(b)(3), (4) and (8) thereof), (b) the Committee may (but need not) in its discretion exclude employees who have been employed by the Company or a Participating Subsidiary less than two years and/or highly compensated employees within the meaning of Section 414(q) of the Code from being eligible to participate in the Plan or any Offering, but unless and until otherwise determined by the Committee, only employees who have been employed less than six months will be excluded, and (c) no employee may be granted an option under the Plan if such employee, immediately after the option is granted, owns stock possessing 5% or more of the total combined voting power or value of all classes of stock of his employer corporation or any Parent or Subsidiary (with the rules of Section 424(d) of the Code applicable in determining the stock ownership of an employee, and stock which the employee may purchase under outstanding options, whether or not such options qualify for the special tax treatment afforded by Section 421 (a) of the Code, shall be treated as stock owned by the employee), and (d) all Participating Employees shall have the same rights and privileges under the Plan except for differences which may be mandated by local law and which are consistent with Section 423(b)(5) of the Code.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

6. OFFERINGS; PARTICIPATION

The Company may make Offerings of up to 27 months' duration each, to eligible employees to purchase shares of Common Stock under the Plan, until all shares authorized to be delivered under the Plan have been exhausted or until the Plan is sooner terminated by the Board. Subject to the preceding sentence, the number, commencement date and duration of any Offerings shall be determined by the Committee in its sole discretion; provided that, unless the Committee determines otherwise, (a) the first Offering shall commence on July 1, 2002 and shall terminate on December 31, 2002, and (b) a new six-month Offering shall commence immediately after the end of the previous Offering. The duration of any Offering need not be the same as the duration of any other Offering, and more than one Offering may commence or terminate on the same date if the Committee so provides. Subject to such rules and procedures as the Committee may prescribe, an eligible employee may elect to participate in an Offering at such time(s) as the Committee may permit by authorizing a payroll deduction (to the extent permitted by applicable local law) for such purpose in one percent increments of up to a maximum of twenty percent of his or her Total Compensation with respect to such Offering or such lesser amount as the Committee may prescribe. Participant elections may be made in any manner deemed appropriate by the Committee from time to time, including by voice response or through the internet. The Committee may (but need not) permit employee contributions to be made by means other than payroll deductions, provided that in no event shall an employee's contributions (excluding interest, if any, credited pursuant to Section 7(a) below) from all sources in any Offering exceed twenty percent of his or her Total Compensation with respect to such Offering or such lesser amount as the Committee may prescribe. The Committee may at any time suspend or accelerate the completion of an Offering if required by law or deemed by the Committee to be in the best interests of the Company, including in the event of a change in ownership or control of the Company or any Subsidiary.

7. PAYROLL DEDUCTIONS

(a) The Company will maintain payroll deduction accounts on its books for all Participating Employees, and may (but need not, unless required by applicable law) credit such accounts with interest if (and only if) the Committee so directs at such rate (if any) as the Committee may prescribe. All employee contributions and any interest thereon which the Committee may authorize in accordance with the preceding sentence shall be credited to such accounts. Employee contributions and any interest credited to the payroll deduction accounts of Participating Employees need not, unless required by applicable law, be segregated from other corporate funds and, to the extent permitted by applicable law, may be used for any corporate purpose.

(b) At such times as the Committee may permit and subject to such rules and procedures as the Committee may prescribe, a Participating Employee may suspend his or her payroll deduction during an Offering, or may withdraw the balance of his or her payroll deduction account and thereby withdraw from participation in an Offering.

(c) Any balance remaining in an employee's payroll deduction account after shares have been purchased in an Offering pursuant to Section 8(b) below will be refunded to the Participating Employee. Upon termination of the

C-3

Plan, all amounts in the accounts of Participating Employees shall be carried forward into their payroll deduction accounts under a successor plan, if any, or refunded to them, as the Committee may decide.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

(d) In the event of the termination of a Participating Employee's employment for any reason, his or her participation in any Offering under the Plan shall cease, no further amounts shall be deducted pursuant to the Plan and the balance in the employee's account shall be paid as soon as practicable following such termination of employment to the employee, or, in the event of the employee's death, to the employee's beneficiary designated under this Plan or, in the absence of such a beneficiary designation, to the employee's estate.

8. PURCHASE; LIMITATIONS

(a) Subject to Section 5 above and within the limitations of Section 8(d) below, each person who is an eligible employee of the Company or a Participating Subsidiary on the first day of an Offering under the Plan is hereby granted an option, on the first day of such Offering, to purchase a number of whole and/or partial shares of Common Stock at the end of such Offering determined by dividing twenty percent (or such lesser percentage as may be specified by the Committee as the maximum employee contribution percentage in such Offering) of such employee's Total Compensation with respect to such Offering, plus such interest (if any) as the Committee may authorize to be credited during such Offering in accordance with Section 7(a) above, by 85 percent of the Fair Market Value of a share of Common Stock on the first date of such Offering or on the last date of such Offering, whichever is lower, provided that in no event shall the number of shares of Common Stock that may be purchased under any such option exceed 1,000 shares or such higher or lower number of whole or partial shares as the Committee may have specified in advance of such Offering as the maximum amount of stock which may be purchased by an employee in such Offering. The purchase price of such shares under such options shall be determined in accordance with Section 8(c) below. The Company's obligation to sell and deliver Common Stock in any Offering or pursuant to any such option shall be subject to the approval of any governmental authority whose approval the Committee determines it is necessary or advisable to obtain in connection with the authorization, issuance, offer or sale of such Common Stock.

(b) As of the last day of the Offering, the payroll deduction account of each Participating Employee shall be totaled. Subject to the provisions of Section 7(b) above and 8(d) below, if such account contains sufficient funds as of that date to purchase one or more whole or partial shares of Common Stock at the price determined under Section 8(c) below, the Participating Employee shall be conclusively deemed to have exercised the option granted pursuant to Section 8(a) above for as many whole or partial shares of Common Stock as the amount of his or her payroll deduction account (including any contributions made by means other than payroll deductions and including any interest credited to the account) at the end of the Offering can purchase (but in no event for more than the total number of shares that are subject to the option); such employee's account will be charged for the amount of the purchase and for all purposes under the Plan the employee will be deemed to have acquired the shares on that date; and either a stock certificate representing such shares will be issued to him or her, or the Company's record keeper will make an entry on its books and records evidencing that such shares have been duly issued or transferred as of that date, as the Committee may direct. Notwithstanding any provision of the Plan to the contrary, unless otherwise determined by the Committee, fractional shares may be purchased under the Plan. Any option granted pursuant to Section 8(a) above which is not deemed exercised as of the last day of the Offering in accordance with the foregoing provisions of this Section 8(b) shall expire on that date.

(c) Unless the Committee determines before the first day of an Offering that a higher price that complies with Section 423 of the Code shall apply, the price at which shares of Common Stock may be purchased under each option granted pursuant to Section 8(a) above shall be the lesser of (i) an amount equal to 85 percent of the Fair Market Value of the Common Stock at the time such option is

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

granted, or (ii) an amount equal to 85 percent of the Fair Market Value of the Common Stock at the time such option is exercised.

(d) In addition to any other limitations set forth in the Plan, no employee may be granted an option under the Plan which permits his or her rights to purchase stock under the Plan, and any other stock purchase plan of his or her employer corporation and its Parent and Subsidiary that is qualified under Section 423 of the Code, to accrue at a rate which exceeds US\$25,000 of the Fair Market Value of such stock (determined at the time such option is granted) for each calendar year in which the option is outstanding at any time. The Committee may further limit the amount of Common Stock that may be purchased by any employee during an Offering in accordance with Section 423(b)(5) of the Code.

C-4

9. NO TRANSFER

(a) No option, right or benefit under the Plan may be transferred by any employee, whether by will, the laws of descent and distribution, or otherwise, and all options, rights and benefits under the Plan may be exercised during an employee's lifetime only by such employee.

(b) Book entry accounts and certificates for shares of Common Stock purchased under the Plan may be maintained or registered, as the case may be, only in the name of the Participating Employee or, if such employee so indicates on his or her payroll deduction authorization form, in his or her name jointly with a member of his or her family, with right of survivorship.

10. COMMITTEE RULES FOR FOREIGN JURISDICTIONS.

With respect to employees of the Company or any Subsidiary who reside or work outside the United States, the Committee may, in its sole discretion, adopt rules or procedures relating to the operation and administration of the Plan to accommodate the specific requirements of local laws and procedures. Without limiting the generality of the foregoing, the Committee is specifically authorized to adopt rules and procedures regarding handling of payroll deductions, payment of interest, conversion of local currency, payroll tax, withholding procedures and handling of stock certificates which vary with local requirements. The Committee may also, where it deems it appropriate, establish one or more separate plans to reflect such amended or varied rules and procedures.

11. EFFECTIVE DATE AND DURATION OF PLAN

The Plan shall become effective when adopted by the Board, provided that the stockholders of the Company approve it within 12 months thereafter. If not so approved by shareholders, the Plan shall be null, void and of no force or effect. If so approved, the Plan shall remain in effect until all shares authorized to be issued or transferred hereunder have been exhausted or until the Plan is sooner terminated by the Board of Directors, and may continue in effect thereafter with respect to any options outstanding at the time of such termination if the Board of Directors so provides.

12. AMENDMENT AND TERMINATION OF THE PLAN

The Plan may be amended by the Board of Directors, without shareholder approval, at any time and in any respect, unless shareholder approval of the amendment in question is required under Section 423 of the Code. The Plan may also be terminated at any time by the Board of Directors.

Edgar Filing: XL CAPITAL LTD - Form DEF 14A

13. GENERAL PROVISIONS

(a) Nothing contained in this Plan shall be deemed to confer upon any person any right to continue as an employee of or to be associated in any other way with the Company for any period of time or at any particular rate of compensation.

(b) No person shall have any rights as a stockholder of the Company with respect to any shares optioned under the Plan until such shares are issued or transferred to him or her.

(c) All expenses of adopting and administering the Plan shall be borne by the Company, and none of such expenses shall be charged to any employee.

(d) The Plan shall be governed by and construed under the laws of the State of New York, without giving effect to the principles of conflict of laws of that State.

(e) The Company shall not be under any obligation to issue Common Stock upon the exercise of any option unless and until the Company has determined that: (i) it and the Participant have taken all actions required to register the Common Stock under the Securities Act of 1933, or to perfect an exemption from the registration requirements thereof; (ii) any applicable listing requirement of any stock exchange on which the Common Stock is listed has been satisfied; and (iii) all other applicable provisions of state, federal and applicable foreign law have been satisfied.
