PROXY STATEMENT

Proxies in the form enclosed with this Proxy Statement are being solicited by the Board of Directors of Delcath Systems, Inc., a Delaware corporation, for use at the 2007 Annual Meeting of Stockholders of Delcath to be held at 11:00 a.m. (Eastern Time) on Tuesday, June 5, 2007, at the Omni Berkshire Place Hotel, 21 East 52nd Street, New York, N.Y., and at any adjournment thereof.

Only stockholders of record as of the close of business on April 26, 2007 (the "Record Date") of our Common Stock, \$0.01 par value per share (the "Common Stock") will be entitled to notice of, and to vote at, the meeting. As of April 19, 2007, 21,358,007 shares of Common Stock were issued and outstanding. Holders of Common Stock are entitled to one vote per share held by them. Stockholders may vote in person or by proxy. Granting a proxy does not in any way affect a stockholder's right to attend the Annual Meeting and vote in person. Any stockholder giving a proxy has the right to revoke that proxy by (i) filing a later-dated proxy or a written notice of revocation with us at the address set forth above at any time before the original proxy is exercised or (ii) voting in person at the meeting.

Each of Richard Taney and Samuel Herschkowitz, M.D. are named as attorneys in the proxy. Mr. Taney is our President and Chief Executive Officer and is also a member of our Board of Directors. Dr. Herschkowitz is our Chief Operating Officer and is also a member of our Board of Directors. Mr. Taney or Dr. Herschkowitz will vote all shares represented by properly executed proxies returned in time to be counted at the Annual Meeting, as described below under "Voting Procedures." Any stockholder granting a proxy has the right to withhold authority to vote for the nominees to the Board of Directors or either of them. Where a vote has been specified in the proxy with respect to the matters identified in the Notice of the Annual Meeting, including the election of directors, the shares represented by the proxy will be voted in accordance with those voting specifications. If no voting instructions are indicated, your shares will be voted as recommended by our Board on all matters, and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote before the meeting.

The stockholders will consider and vote upon (i) a proposal to elect two Class I directors to serve until the 2010 Annual Meeting of Stockholders and (ii) a proposal to ratify the Board's selection of Carlin, Charron & Rosen, LLP as the Company's independent auditors for the fiscal year ended December 31, 2007. Stockholders also will consider and act upon such other business as may properly come before the meeting.

A copy of our Annual Report to Stockholders for the year ended December 31, 2006, which contains financial statements and other information of interest to stockholders, will first be mailed to stockholders, along with these proxy materials, on or about May 7, 2007.

VOTING PROCEDURES

Mr. Taney or Dr. Herschkowitz will vote all shares represented by properly executed proxies returned in time to be counted at the meeting. The presence, in person or by proxy, of at least a majority of the issued and outstanding shares of Common Stock entitled to vote at the meeting is necessary to establish a quorum for the transaction of business. Shares represented by proxies pursuant to which votes have been withheld for one or both of the nominees for directors, or which contain one or more abstentions, as well as broker non-vote shares (i.e., shares held in street name which cannot be voted by a broker on specific matters in the absence of instructions from the beneficial owner of the shares) are counted as present for purposes of determining the presence or absence of a quorum for the meeting.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the meeting as specified in such proxies. As noted above, proxies will be voted as recommended by our Board on all matters and will be voted in the discretion of the proxy holder on any other matters that properly come before the meeting, if no voting instructions are indicated.

The directors will be elected by a plurality of the votes cast, in person or by proxy, at the meeting. The nominees receiving the highest number of affirmative votes of the shares voting on the election of directors will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality.

For all other matters that may be submitted to stockholders at the meeting, the affirmative vote of a majority of shares present (in person or represented by proxy) and voting on that matter will be required for approval. Shares abstaining and broker non-votes, since they are not voting on a matter, will not have the same effect as votes against the matter.

Votes at the meeting will be tabulated by one or more inspectors of election appointed by the Chief Executive Officer.

**ELECTION OF DIRECTORS
(PROPOSAL NO. 1)**

Delcath's Board of Directors is divided into three classes of directors serving staggered three-year terms. As a result, approximately one-third of the Board of Directors will be elected each year. These provisions, together with the provisions of our Certificate of Incorporation and by-laws, allow only the Board of Directors to fill vacancies on or increase the size of the Board of Directors. The staggering of the election of our directors may have the effect of delaying, deferring or discouraging a change of control. Delcath's by-laws provide that its Board of Directors will consist of not fewer than three members. The Board of Directors has fixed the current number of directors at seven.

A plurality of the votes cast by the holders of Common Stock present or represented by proxy and entitled to vote at the meeting is required for the election of a nominee. Proxies cannot be voted for a greater number of persons than the number of nominees named or for persons other than the named nominees.

The Nominating Committee of Delcath's Board of Directors, a committee composed exclusively of non-employee directors, has nominated the following persons for election as Class I directors of Delcath at the Annual Meeting. The nominees are currently members of Delcath's Board of Directors. The nominees and the year each first joined the Board of Directors are:

COMPENSATION AND OTHER INFORMATION CONCERNING DIRECTORS AND OFFICERS

Executive Compensation

COMPENSATION DISCUSSION & ANALYSIS

The Company's executive compensation program is designed with two main objectives:

1. to offer a competitive total compensation value that will allow the Company to attract, retain and motivate highly talented individuals to fill key positions; and
2. to align a significant portion of each executive's total compensation with the annual and long-term performance of the Company and the interests of the Company's shareholders.

Overview

The Compensation and Stock Option Committee (the "Compensation Committee" or the "Committee") of the Board administers our executive compensation program. Each member of the Committee is a non-employee and an independent director. The Compensation Committee is primarily responsible for establishing salaries, administering our incentive programs, and determining the total compensation for our Chief Executive Officer. The Committee also reviews and approves recommendations made by the Chief Executive Officer with respect to compensation of the other executive officers.

Compensation Philosophy

The Company believes that a strong management team comprised of the most talented individuals in key positions is critical to the development and growth of the Company, and the Company's executive compensation program is an important tool for attracting and retaining such individuals. Therefore, it is vital that the Company's aggregate compensation package is both competitive with the compensation received by similarly situated executive officers and reflective of each executive officer's contributions to the success of the Company on both a long-term and short-term basis.

Elements of Executive Compensation

The compensation package for the Company's executives has both performance-based and subjective elements. The specific elements include base salary, annual incentive compensation, which is generally in the form of a year-end bonus, and long-term compensation, which is usually in the form of stock options.

Base salary, as determined by the Compensation Committee, is based on two factors. The first is an evaluation of the salaries paid in the marketplace to executives with similar responsibilities, and the second is the executive's unique role, job performance and other circumstances. Evaluating both of these factors allows the Company to offer a competitive total compensation value to each individual named executive officer (as defined below) taking into account the unique attributes of, and circumstances relating to, each individual, as well as marketplace factors. This allows the Company to meet its objective of offering a competitive total compensation value and attracting and retaining key personnel.

Annual incentive compensation is intended to establish a direct correlation between annual awards and the performance of the Company. As a development stage company, financial performance measurement cannot be the sole factor in determining such compensation. However, the Compensation Committee can review on an objective basis the progress that the Company has been making towards its goals and, in its discretion, award an annual cash bonus in order to maintain a competitive total compensation value appropriate to each executive officer.

Long-term compensation is an area of emphasis as this will align a significant portion of each executive's total compensation with the long-term performance of the Company and the interests of the Company's shareholders. On March 25, 2004, the Company's Board of Directors adopted the Company's 2004 Stock Incentive Plan (the "Plan"), under which 3,000,000 shares of Common Stock is reserved for issuance pursuant to the grant or exercise of stock options, stock appreciation rights, restricted stock or deferred stock under the Plan. The Plan was approved by the Company's stockholders at the 2004 annual meeting of stockholders of the Company.

Stock options granted under the Plan may be either "incentive stock options" (within the meaning of Section 422 of the Internal Revenue Code) or nonstatutory stock options. The exercise price per share that may be acquired on exercise of a stock option will be determined by the Compensation Committee at the time of grant and generally will be not less than the fair market value per share on the date of grant. Generally, options will have a term of five years (or as of the date of termination of employment to the extent exercisable at that date if the participant terminates employment) and will become exercisable ratably over five years, but the Committee has the authority to provide for other terms or other exercise schedules. Payment may be made in cash or in the form of unrestricted shares the participant already owns or by other means as determined by the Committee including "cashless" exercises. The right to exercise an option may be conditioned on the completion of a period of service or other conditions.

Stock appreciation rights (SARs) entitle a participant to receive an amount in cash, shares or both, equal to (i) the excess of the fair market value of one share on the date of exercise over the fair market value on the date of grant multiplied by (ii) the number of shares to which the SAR relates. The right to exercise an SAR may be conditioned on the completion of a period of service or other conditions. Generally, participants will be given five years in which to exercise an SAR or by the date of termination of employment to the extent exercisable at that date if a participant terminates employment. SARs may be granted independently or in conjunction with the grant of a stock option. If an SAR is granted in conjunction with a stock option, the exercise of either the SAR or the stock option will reduce the number of shares covered by the related stock option or SAR, as the case may be.

Restricted stock may also be awarded under the Plan, which is the grant of shares of Common Stock that requires the completion of a period of service or the attainment of specified performance goals by the participant or the Company or such other criteria as the Compensation Committee may determine in order to retain the shares. Upon a participant's Termination of Employment (as defined in the Plan), the restricted stock still subject to restriction generally will be forfeited by the participant. The Committee may waive these restrictions in the event of hardship or other special circumstances.

The Plan also provides for stock grants, which are shares that can be awarded to a participant that may be delivered immediately or in the future, at a specified time and under specified circumstances. The Committee will determine the participants to whom, and the time or times at which, stock grants may be awarded, the number of shares covered by the stock grant to be awarded to any participant, the duration of the period, if any, during which, and the conditions under which, receipt of the shares will be deferred and any other terms and conditions of the stock grant.

Awards of stock options under the Plan have nearly always been used as the long-term compensation of choice. This is because they directly align the value of the benefit to the named executive officers with shareholder interests. The term of stock options is the longest among various share award choices and thereby provides an incentive to executive officers to create long-term shareholder value. The Compensation Committee determines the number of options to grant based on its analysis of awards of similarly situated companies and in keeping with the Company's objective of offering a competitive total compensation value.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Related Persons

None.

Review, Approval or Ratification of Transactions with Related Persons

The Board of Directors recognizes that related party transactions present a heightened risk of conflicts of interest and/or improper valuation (or the perception thereof) and, therefore, has adopted a policy, described below, which shall be followed in connection with all related party transactions involving the company.

Under this policy, any "Related Party Transaction" shall be consummated or shall continue only if the Board of Directors, acting through the Audit Committee, shall approve or ratify such transaction in accordance with the guidelines set forth in this policy, provided that: (i) the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party; (ii) the transaction is approved by the disinterested members of the Board of Directors; or (iii) the transaction involves compensation approved by the Company's Compensation Committee. For these purposes, a "Related Party" is an officer or director of the Company; a shareholder owning in excess of five percent of the Company; a person who is an immediate family member of an officer or director; or an entity which is owned or controlled by such person or an entity in which such person has a substantial ownership interest or control of such entity.

For these purposes, a "Related Party Transaction" is a transaction between the Company and any Related Party (including any transactions requiring disclosure under Item 404 of Regulation S-K under the Securities Exchange Act of 1934), other than transactions available to all employees generally and transactions involving less than \$5,000 when aggregated with all similar transactions.

All Related Party Transactions, including the proposed aggregate value of such transactions, if applicable, to be entered into by the Company shall be disclosed to the Board of Directors. After review, the Board shall approve or disapprove such transaction and management shall update the Board as to any material change to those proposed transactions. Should ratification not be forthcoming, management shall make all reasonable efforts to cancel or annul such transaction.

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS
(PROPOSAL NO. 2)**

Carlin, Charron & Rosen, LLP (["CCR"]) has served as the Company's independent auditors since April 27, 2005 and has been appointed by the Audit Committee to continue as the Company's independent auditors for the fiscal year ending December 31, 2007. In the event that ratification of this selection of auditors is not approved by a majority of the shares of Common Stock voting at the Annual Meeting in person or by proxy, the Board will reconsider its selection of auditors. CCR has no interest, financial or otherwise, in the Company.

A representative of CCR is expected to be present at the Annual Meeting. The auditors will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The proxy holders intend to vote the shares represented by proxies to ratify the Board's selection of CCR as the Company's independent auditors for the fiscal year ending December 31, 2007.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approves all audit and non-audit services provided by the independent auditors prior to the engagement of the independent auditors with respect to such services. The Chairman of the Audit Committee has been delegated the authority by the Committee to pre-approve interim services by the independent auditors other than the annual audit. The Chairman must report all such pre-approvals to the entire Audit Committee at the next Committee meeting.

Approval of this proposal requires the affirmative vote of the majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF THE APPOINTMENT OF CARLIN, CHARRON & ROSEN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2007.

STOCKHOLDER PROPOSALS FOR NEXT ANNUAL MEETING

It is contemplated that the next Annual Meeting of Stockholders will be held on or about June 5, 2008. To be eligible for inclusion in the proxy statement to be furnished to all stockholders entitled to vote at the 2008 Annual Meeting of Stockholders, proposals must be addressed to the Secretary of Delcath and must be received at Delcath's principal executive offices not later than **December 28, 2007**. In order to avoid controversy as to the date on which a proposal was received by Delcath, it is suggested that any stockholder who wishes to submit a proposal submit such proposal by Certified Mail, Return Receipt Requested.

If any stockholder proposes to make any proposal at the 2008 Annual Meeting of Stockholders which proposal will not be included in Delcath's proxy statement for such meeting, such proposal must be received not less than 60 nor more than 90 days prior to the meeting date to be considered timely. The form of proxy distributed by the Board of Directors for such meeting will confer discretionary authority to vote on any such proposal not received by such date. If any such proposal is received by such date, the proxy statement for the meeting will provide advice on the nature of the matter and how Delcath intends to exercise its discretion to vote on each such matter if it is presented at that meeting.

Article NINTH of the Company's Amended and Restated Certificate of Incorporation contains additional requirements applicable to stockholders wishing to nominate directors or to present a proposal or other matter at an annual meeting of the Company's stockholders.

EXPENSES AND SOLICITATION

The costs of printing and mailing proxies will be borne by Delcath. In addition to soliciting stockholders by mail or through its regular employees, Delcath may request banks, brokers and other custodians, nominees and fiduciaries to solicit their customers who have stock of Delcath registered in the name of a nominee and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers and employees of Delcath may also be made of some stockholders following the original solicitation.

OTHER BUSINESS

The Board of Directors knows of no other items that are likely to be brought before the meeting except those that are set forth in the foregoing Notice of Annual Meeting of Stockholders. If any other matters properly come before the meeting, the persons designated on the enclosed proxy will vote in accordance with their judgment on such matters.
