Item 2.02 Results of Operations and Financial Condition

On February 1, 2019, Chevron Corporation issued a press release announcing unaudited fourth quarter 2018 net income of \$3.7 billion. The press release is attached hereto as Exhibit 99.1 and incorporated herein by reference. The information included herein and in Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933.

Item 8.01 Other Events

On January 30, 2019, the Board of Directors authorized a new stock repurchase program with a maximum dollar limit of \$25 billion and no set term limits, replacing the July 2010 authorization. Repurchases may be made from time to time in the open market, by block purchases, in privately negotiated transactions or in such other manner as determined by the company. The timing of the repurchases and the actual amount repurchased will depend on a variety of factors, including the market price of the company's shares, general market and economic conditions, and other factors. The stock repurchase program does not obligate the company to acquire any particular amount of common stock, and it may be suspended or discontinued at any time.
