PROXY STATEMENT

**ANNUAL MEETING OF SHAREHOLDERS
To Be Held August 2, 2006**

This Proxy Statement is furnished in connection with the solicitation, on behalf of the Board of Directors of ITLA Capital Corporation (we, our, us or ITLA Capital), of proxies to be used at the Annual Meeting of Shareholders of ITLA Capital (the Meeting), and all adjournments or postponements of the Meeting. The Meeting will be held at the Meritage Resort at Napa, 875 Bordeaux Way, Napa, California, on August 2, 2006 at 2:00 p.m., California time. The accompanying Notice of Annual Meeting of Shareholders and form of proxy and this Proxy Statement are first being mailed to shareholders on or about June 26, 2006. Certain of the information provided herein relates to Imperial Capital Bank, a wholly owned subsidiary of ITLA Capital (sometimes referred to below as the Bank).

At the Meeting, our shareholders are being asked to consider and vote upon: (i) the election of three directors of ITLA Capital; and (ii) the ratification of the appointment of Ernst & Young LLP as our independent auditors for the year ending December 31, 2006.

VOTING RIGHTS AND PROXY INFORMATION

All shares of our common stock, par value \$.01 per share (Common Stock), represented at the Meeting by properly executed proxies received prior to or at the Meeting and not revoked will be voted at the Meeting in accordance with the instructions thereon. If no instructions are indicated, properly executed proxies will be voted FOR the election of the nominees named in this Proxy Statement, and FOR the ratification of the appointment of Ernst & Young LLP. We do not know of any matters, other than as described in the Notice of Annual Meeting of Shareholders, that are to come before the Meeting. If any other matters are properly presented at the Meeting for action, our Board of Directors, as proxy for the shareholder, will have the discretion to vote on such matters in accordance with its best judgment.

Directors will be elected by a plurality of the votes cast. The ratification of the appointment of Ernst & Young LLP as our independent auditors requires the affirmative vote of a majority of the votes cast on the matter. In the election of directors, shareholders may either vote FOR all nominees for election or withhold their votes from one or more nominees for election. Votes that are withheld and shares held by a broker, as nominee, that are not voted (so-called broker non-votes) in the election of directors will not be included in determining the number of votes cast. For the proposal to ratify the appointment of the independent auditors, shareholders may vote FOR, AGAINST or ABSTAIN with respect to this proposal. Proxies marked to abstain will have the same effect as votes against this proposal and broker non-votes will have no effect on the proposal. The holders of at least one-third of the outstanding shares of our Common Stock, present in person or represented by proxy, will constitute a quorum for purposes of the Meeting. Proxies marked to abstain and broker non-votes will be counted for purposes of determining a quorum.

A proxy given pursuant to this solicitation may be revoked at any time before it is voted. Proxies may be revoked by: (i) duly executing and delivering to the Secretary of ITLA Capital a subsequent proxy relating to the same shares prior to the exercise of such proxy; (ii) filing with the Secretary of ITLA Capital at or before the Meeting a written notice of revocation bearing a later date than the proxy; or (iii) attending the Meeting and voting in person (although attendance at the Meeting will not in and of itself constitute revocation of a proxy). Any written

notice revoking a proxy should be delivered to Anthony A. Rusnak, Esq., Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037.

**BOARD MEETINGS, BOARD COMMITTEES
AND CORPORATE GOVERNANCE MATTERS**

Our Board of Directors generally meets every other month and may have additional special meetings from time to time. During the year ended December 31, 2005, our Board of Directors met six times. No current director attended fewer than 75% of the aggregate of (i) the total number of Board meetings held during the period for which he was a director and (ii) the total number of meetings held by all committees of the Board on which he served

during the periods that he served. In addition, all of our Board members are expected to attend our annual meeting of shareholders, although we do not have any written policy as to Board members' attendance at the annual meeting of shareholders. Last year's annual meeting of shareholders was attended by the entire Board of Directors.

Our Board of Directors has determined that Messrs. Lipscomb, Oribe, Martin, Mayuga and Reed, constituting a majority of the Board members, are independent directors as that term is defined in the National Association of Securities Dealers (NASD) listing standards for the Nasdaq Stock Market. Shareholders may communicate directly with the Board of Directors by sending written communications to ITLA Capital, addressed to the Audit Committee Chairman.

Board Committees

The Board of Directors' principal standing committees are the Audit, Compensation, Nominating and Executive Committees. The Audit, Compensation and Nominating Committees are composed entirely of independent directors. The Board of Directors has adopted written charters for the Audit and Nominating Committees, as well as a written code of business conduct and ethics that applies to all of our directors, officers and employees. You may obtain copies of these documents free of charge by writing to Anthony A. Rusnak, Esq., Secretary of ITLA Capital, at ITLA Capital Corporation, 888 Prospect Street, Suite 110, La Jolla, California 92037 or by calling (858) 551-0511. In addition, our code of business conduct and ethics is available on our website located at www.itlacapital.com.

The principal standing committees are described below.

Audit Committee. The Audit Committee is currently comprised of Messrs. Martin (Chairman), Lipscomb and Reed. Our Board of Directors has determined that Mr. Martin is an audit committee financial expert as defined in Item 401(h) of Regulation S-K of the Securities and Exchange Commission, and that all of the Audit Committee members meet the independence requirements as set forth in the NASD's listing standards. The Audit Committee met seven times during 2005. The Audit Committee assists our Board in its oversight responsibility relating to the integrity of our financial statements and the financial reporting process, the systems of internal accounting and financial controls and compliance with legal and regulatory requirements. The Audit Committee, among other things:

oversees the entire audit function for ITLA Capital, both internal and independent;

hires, terminates and/or reappoints our independent auditors;

ensures the existence of effective accounting and internal control systems;

approves non-audit and audit services to be performed by the independent auditors;

reviews and approves all related party transactions for potential conflict of interest situations; and

reviews and assesses the adequacy of the Audit Committee charter on an annual basis.

The report of the Audit Committee is set forth below under **Audit Committee Report**.

Compensation Committee. The Compensation Committee currently consists of Messrs. Lipscomb and Oribe. The Compensation Committee met three times during 2005. The Compensation Committee is responsible for:

determining compensation to be paid to our executive officers and directors;

overseeing the administration of our employee benefit plans covering employees generally; and reviewing our compensation policies and plans.

The report of the Compensation Committee is set forth below under Compensation Committee Report on Executive Compensation.

Nominating Committee. The Nominating Committee is comprised of Directors Mayuga (Chairman), Reed, Oribe and Lipscomb, each of whom is an independent director. The Nominating Committee met one time during 2005. The Nominating Committee is responsible for identifying and recommending director candidates to serve on the Board of Directors. Final approval of director nominees is determined by the full Board, based on the

recommendations of the Nominating Committee. The nominees for election at the Meeting identified in this Proxy Statement were recommended to the Board by the Nominating Committee.

The Nominating Committee operates under a formal written charter adopted by the Board, under which the Nominating Committee has the following responsibilities:

- (i) recommend to the Board the appropriate size of the Board and assist in identifying, interviewing and recruiting candidates for the Board;
- (ii) recommend candidates (including incumbents) for election and appointment to the Board of Directors, subject to the provisions set forth in our certificate of incorporation and bylaws relating to the nomination or appointment of directors, based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable organizations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to ITLA Capital's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole;
- (iii) review nominations submitted by shareholders, which have been addressed to the Corporate Secretary, and which comply with the requirements of our certificate of incorporation and bylaws. Nominations from shareholders will be considered and evaluated using the same criteria as all other nominations;
- (iv) annually recommend to the Board committee assignments and committee chairs on all committees of the Board, and recommend committee members to fill vacancies on committees as necessary; and
- (v) perform any other duties or responsibilities expressly delegated to the Committee by the Board.

Nominations must be made pursuant to timely notice in writing to the Corporate Secretary as set forth in Article II, Section 6(c) of our bylaws. Shareholders may recommend candidates for consideration by the Nominating Committee by following the procedures set forth in Article II, Section 6(c). As noted above, shareholder recommended candidates will be considered and evaluated using the same criteria set forth above.

Article II, Section 6(c) of our bylaws provides that nominations for election as directors by shareholders must be made in writing and delivered to the Secretary of ITLA Capital at least 90 days prior to the annual meeting date. If, however, the date of the meeting is first publicly disclosed less than 100 days prior to the date of the meeting, nominations must be received by ITLA Capital not later than the close of business on the tenth day following the earlier of the day on which notice of the date of the meeting was mailed to shareholders or the day on which public disclosure of the date of the meeting was first made. In addition to meeting the applicable deadline, nominations must be accompanied by certain information specified in Article II, Section 6(c) of our bylaws. This information includes the following:

- (i) as to each person whom a shareholder proposes to nominate for election as a director, all information relating to the proposed nominee that is required to be disclosed in the solicitation of proxies for election as directors or is otherwise required pursuant to Regulation 14A under the Securities Exchange Act of 1934, including the proposed nominee's written consent to serve as a director, if elected; and

- (ii) as to the shareholder giving the notice:

- the name and address, as they appear on our books, of the shareholder; and

the number of shares of our Common Stock beneficially owned by the shareholder.

The foregoing description is a summary of our nominating process. Any shareholder wishing to nominate a candidate or recommend a nominee to our Nominating Committee for its consideration should review and must comply in full with the procedures set forth in our certificate of incorporation and bylaws, and Delaware law.

Executive Committee. The primary responsibilities of the Executive Committee are to advise our management on matters when the full Board of Directors is unavailable or to conduct business as specifically designated by the full Board. The current members of the Executive Committee are Messrs. Haligowski, Oribe and Bruce. The Executive Committee held nine meetings in 2005.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee of our Board of Directors shall not be deemed to be soliciting material or to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent ITLA Capital specifically incorporates this Report therein, and shall not otherwise be deemed filed under such Acts.

Management is responsible for ITLA Capital's internal controls, financial reporting process and compliance with laws and regulations. The independent auditors are responsible for performing an independent audit of ITLA Capital's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon and annually attesting to management's assessment of the effectiveness of our internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

As required by its charter, the Audit Committee received and reviewed the report of Ernst & Young LLP regarding the results of their audit, as well as the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees). The Audit Committee reviewed and discussed the audited financial statements with ITLA Capital's management. A representative of Ernst & Young LLP also discussed with the Audit Committee the independence of Ernst & Young LLP from ITLA Capital, as well as the matters required to be discussed by Statement of Auditing Standards No. 61 (Communication with Audit Committees).

In fulfilling its oversight responsibility of reviewing the services performed by ITLA Capital's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditors. The Audit Committee met with the independent auditors to discuss the results of their examinations, the evaluation of ITLA Capital's internal controls and the overall quality of ITLA Capital's financial reporting. The Audit Committee also reviewed and discussed with the independent auditors the fees paid to the independent auditors; these fees are described under Relationship with Independent Auditors below.

ITLA Capital's Chief Executive Officer and Principal Financial Officer also reviewed with the Audit Committee the certifications that each such officer will file with the SEC pursuant to the requirements of Sections 302 and 906 of the Sarbanes-Oxley Act of 2002 (Sarbanes). Management also reviewed with the Audit Committee the policies and procedures it has adopted to ensure the accuracy of such certifications.

Based on the Audit Committee's review and discussions noted above, it recommended to the Board of Directors that the audited financial statements be included in ITLA Capital's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the Board of Directors of ITLA Capital Corporation.

DIRECTOR COMPENSATION

Directors Fees. During 2005, each non-employee director was paid a monthly fee of \$2,250 for serving on our Board of Directors and \$1,000 for each Board or Committee meeting attended for service on such committee. In addition, Director Reed received an honorarium of \$5,000 for his active assistance in legislative matters during 2005, Director Lipscomb received an honorarium of \$5,000 for his active assistance with compensation matters, and Director Oribe received an honorarium of \$15,000 for his extensive work with the Executive Committee. In 2005, Director Martin received an annual retainer fee of \$15,000 for his service as Chairman of the Audit Committee.

Voluntary Retainer Stock and Deferred Compensation Plan. In 1996, we adopted the Voluntary Retainer Stock and Deferred Compensation Plan for Outside Directors (the "Outside Director Plan"). The Outside Director Plan provides for the deferral of compensation earned by non-employee directors in the form of Stock Units ("Stock Units") in a Stock Unit account ("Stock Unit Account"). Directors may elect to have up to 100% of their fees converted into stock units.

For dividends paid with respect to our common stock, each non-employee director has credited to his Stock Unit Account an additional number of Stock Units in an amount determined under the Outside Director Plan. Each non-employee director's Stock Unit Account will be settled by delivering to the non-employee director (or his beneficiary) the number of shares of our common stock equal to the number of whole Stock Units then credited to the non-employee director's Stock Unit Account, in either (i) a lump sum or (ii) substantially equal annual installments over a period not to exceed ten years.

To date, no amounts have been deferred under the Outside Director Plan.

Stock Options. Directors are also eligible to receive stock option grants. Non-employee directors may receive option grants under our 2005 Re-Designated, Amended and Restated Stock Option Plan for Non-Employee Directors, and directors who are also employees (Messrs. Haligowski and Bruce) may receive option grants under our 2005

Re-Designated, Amended and Restated Employee Stock Incentive Plan (the Employee Stock Incentive Plan). On October 31, 2005, Director Martin was granted an option to purchase 1,000 shares of common stock with an exercise price of \$49.77 per share. The option is scheduled to vest in full on October 31, 2006 and expire on October 30, 2015. On November 10, 2005, Directors Martin, Lipscomb, Mayuga, Oribe and Reed were each granted an option to purchase 1,000 shares of common stock with an exercise price of \$52.14. Table of Contents**Agreements with Mr. Haligowski**

On February 24, 2006, we entered into an amended and restated employment agreement (the **Employment Agreement**) with Mr. Haligowski, which constituted an amendment and restatement of his employment agreement with the Company dated January 28, 2000 (the **Original Employment Agreement**). The Employment Agreement has a five-year term which commenced effective as of January 1, 2006 and is renewable on each subsequent January 1st, as long as neither the Company, nor the Bank, has notified Mr. Haligowski at least 90 days in advance that the term will not be so extended. If a **change in control** (as defined in the Employment Agreement) occurs during the term of the Employment Agreement, then notwithstanding the delivery of any notice of non-renewal to Mr. Haligowski, the employment term will automatically be extended until five years after the date of the change in control.

The Employment Agreement entitles Mr. Haligowski to: (1) an annual base salary of not less than \$590,000; (2) participate in any performance-based awards and discretionary bonuses paid to executive officers; (3) receive a minimum monthly housing allowance of \$3,500 and, at his election, a minimum monthly automobile allowance of \$2,600 or the use of a Company vehicle pursuant to the Company's automobile policy; (4) receive a personal life insurance policy, with premiums paid by the Company, providing a death benefit of at least four times his annual base salary; (5) receive Company-paid memberships in certain organizations and clubs; (6) up to \$6,500 per year, plus imputed taxes, for the maintenance of his personal estate and tax planning; and (7) participate in benefit plans and receive other fringe benefits provided by the Company and the Bank.

The Employment Agreement provides that if Mr. Haligowski is **involuntarily terminated** prior to a change in control, then he will: (1) receive a prorated lump sum payment based on the amount of cash bonus and other cash incentive compensation paid to him for the Company's last completed fiscal year; (2) either (a) continue to receive monthly through the remaining term of the agreement one-twelfth of his base salary at the highest annual rate in effect during the three years before the termination date and one-twelfth of the average amount of cash bonus and cash incentive compensation earned by him during the two fiscal years preceding the termination date or (b) at his election, receive the amount of all payments described in (a) in a lump sum; (3) either (a) continue to receive for himself and his dependents substantially the same medical, dental and disability benefits at the same cost to him for five years after the date of termination, reduced to the extent he receives substantially the same coverage at substantially the same cost to him from another employer, or (b) at his election (or at the Company's or the Bank's election, if coverage under the Company's group plan is not available to Mr. Haligowski and his dependents), receive an amount in cash equal to the premium cost being paid by the Company or the Bank before the termination date; (4) be provided with office space and secretarial support of the same type provided during his employment for 18 months after the termination date; (5) receive title to the Company-owned or leased vehicle being used by him; (6) receive all interests maintained by the Company or the Bank in life insurance policies maintained on his life, including the cash surrender values; and (7) become vested in all of his outstanding unvested stock options and restricted stock awards held in the SERP. The term **involuntary termination** is defined to include termination of Mr. Haligowski's employment by the Company or the Bank (other than for cause or due to retirement after attaining age 65) without his consent, by Mr. Haligowski following a material reduction of or interference with his duties, responsibilities or benefits without his consent or by the Company or the Bank (or their successors) or by Mr. Haligowski at the time of or within five years after a change in control.

The Employment Agreement provides that if Mr. Haligowski is involuntarily terminated in connection with or within five years after a change in control of the Company, then he will receive a lump sum payment equal to 299% of his base amount, as defined in Section 280G of the Code, less the present value of the benefits to be received by him under the Company's Salary Continuation Plan and the accelerated vesting present value of stock options and restricted stock, to the extent such amounts are required to be considered in the calculation of parachute payments under Section 280G of the Code (the **Lump Sum Change in Control Payment**). Instead of receiving the full amount of the Lump Sum Change in Control Payment, however, Mr. Haligowski may elect to receive the continued health, medical

and disability insurance benefits, 18 months of office space and secretarial support, title to his Company-owned or leased vehicle and the Company's interests in the life insurance policies on his life, each as described in the immediately preceding paragraph, in which case the amount of the Lump Sum Change in Control Payment will be reduced by the present value of these elected benefits (the Elective Benefits). In no event may the Lump Sum Change in Control Payment, prior to reduction for Elective Benefits, exceed the aggregate of 100% of

Table of Contents

the total value of the payments and benefits Mr. Haligowski would receive under the Employment Agreement if the involuntarily termination occurred prior to a change in control, plus 150% of his annual base salary in effect before the change in control. This resulting aggregate amount is equal to the value of Mr. Haligowski's change in control benefits under the Original Employment Agreement, excluding the SERP change in control benefit referred to in the Original Employment Agreement of 3.95 times his annual base salary but inclusive of the life insurance benefit described in the preceding paragraph (the Original Agreement Adjusted Change in Control Benefit). The Employment Agreement provides that if a change in control occurs on or after January 1, 2008, the Lump Sum Change in Control Payment prior to reduction for Elective Benefits may not be less than the Original Agreement Adjusted Change in Control Benefit less \$1.0 million, notwithstanding the fact that this amount exceeds 299% of Mr. Haligowski's base amount.

The Employment Agreement provides that if any payments or benefits to be provided under the agreement in combination with any payments or benefits under other plans or arrangements constitute excess parachute payments under Section 280G of the Code, Mr. Haligowski will be paid an additional amount (referred to as a gross up payment) that will offset, on an after tax basis, the effect of any excise tax consequently imposed upon him under Section 4999 of the Code.

Under the Employment Agreement, if Mr. Haligowski is terminated due to disability or death, then he or his estate will be entitled to the same payments and benefits to which he would have been entitled if he were involuntarily terminated prior to a change in control, other than the continued use of office space and secretarial support, plus a prorated amount of any bonus or other incentive compensation for the year in which the termination occurs. If Mr. Haligowski voluntarily terminates his employment other than for a reason that constitutes involuntary termination or other than in connection with or within five years after a change in control, he will receive his base salary and benefits earned through the date of termination plus any benefit continuation required by law. If Mr. Haligowski's employment is terminated for cause, the Company will have no obligations to him under the Employment Agreement, other than any benefit continuation required by law.

We entered into a non-competition and non-solicitation agreement (the Non-Competition Agreement) with Mr. Haligowski on February 24, 2006. Like the Employment Agreement, the Non-Competition Agreement has a five-year term which commenced effective as of January 1, 2006. Mr. Haligowski's forbearance obligations under the Non-Competition Agreement begin on his employment termination in connection with or following an acquisition of the Company or the Bank and continue for three years thereafter (the Restricted Period). Mr. Haligowski will receive aggregate payments of \$3.5 million during the Restricted Period in consideration of his compliance with his obligations under the Non-Competition Agreement during the Restricted Period. The Company has the unilateral right to extend the term of the Non-Competition Agreement for an additional five year term by adjusting the compensation to be paid to Mr. Haligowski under that agreement.

Salary Continuation Plan

The Salary Continuation Plan, which was originally adopted by the Company in March 2000 and in which Mr. Haligowski is currently the only participant, provides that if the participant's employment is terminated for any reason other than cause, or if the participant retires after attaining age 65, the participant will begin receiving an annual salary continuation benefit six months thereafter (or starting on the first day of the next calendar month, if termination is due to death or disability), payable monthly over 15 years. The amount of Mr. Haligowski's annual salary continuation benefit is 75% of his average annual base salary for the three full calendar years preceding the year in which termination occurs or in which he attains age 65.

Change of Control Agreements

The Company recently entered into change in control severance agreements with Messrs. Bruce, Doyle and Lodwick and Ms. Kunac. In the case of Messrs. Bruce and Doyle, these agreements replace their existing change in control severance agreements with the Company. The terms of the agreements are three years for the agreements with Messrs. Bruce and Doyle and one year for the agreements with Mr. Lodwick and Ms. Kunac, beginning effective as of February 1, 2006 and renewable on each subsequent February 1st, as long as neither the Company nor the officer gives notice to the other at least 90 days in advance that the term will not be so extended. If a change in

Table of Contents

control (as defined in the agreement) occurs during the term of the agreement, then notwithstanding the delivery of any non-renewal notice, the agreement term will automatically be extended until three years, in the case of the agreements with Messrs. Bruce and Doyle, or two years, in the case of the agreements with Mr. Lodwick and Ms. Kunac, after the date of the change in control.

The agreements with Messrs. Bruce and Doyle provides that if their employment is terminated for any reason other than cause within six months before or within three years after a change in control, or if the officer terminates his employment for any reason within one year after a change in control, he will: (1) receive a lump sum payment equal to 299% of his base amount (not to exceed \$1.0 million in the case of Mr. Bruce and \$1.25 million in the case of Mr. Doyle); (2) either (a) continue to receive substantially the same health, dental and life insurance benefits for two years after the termination date, in the case of Mr. Bruce, and three years after the termination date, in the case of Mr. Doyle, or (b) at his election, (or at the Company's election, if coverage under the Company's group plan is not available to the officer) receive an amount in cash equal to the premium cost being paid by the Company before the termination date; (3) receive title to the Company-owned or leased vehicle being used by him or, if the officer receives a monthly car allowance in lieu of a Company vehicle, an amount in cash equal to 24 times, in the case of Mr. Bruce, and 36 times, in the case of Mr. Doyle, the greater of the monthly allowance on the date of the change in control or on the termination date; and (4) become vested in all of his outstanding unvested stock options and restricted stock awards.

The agreements with Mr. Lodwick and Ms. Kunac provide that if the officer's employment is involuntarily terminated in connection with or within two years after a change in control, he or she will: (1) receive a lump sum payment equal to the sum of (a) 1.5 times his or her base salary on the date of the change in control or the date of termination, whichever is greater and (b) a prorated bonus amount for the year in which the termination occurs based on the officer's prior year annual bonus, (2) either (a) continue to receive substantially the same health, dental and life insurance benefits for 18 months after the termination date or (b) at his or her election (or at the Company's election, if coverage under the Company's group plan is not available to the officer), receive an amount in cash equal to the premium cost being paid by the Company before the termination date; (3) receive title to the Company-owned or leased vehicle being used by him or her or, if the officer receives a monthly car allowance in lieu of a Company vehicle, an amount in cash equal to 18 times the greater of the monthly allowance on the date of the change in control or on the termination date; and (4) become vested in all of his or her outstanding unvested stock options and restricted stock awards.

Each agreement provides that to the extent the value and amounts of benefits under the agreement, together with any other amounts and the value of other benefits received by the officer in connection with a change in control would cause any amount to be non-deductible by the Company pursuant to Section 280G of the Code, then the amounts and benefits under the agreement will be reduced to the extent necessary to avoid the non-deductibility of any such amounts and benefits under Section 280G.

Supplemental Executive Retirement Plan (SERP)

The SERP provides that the compensation committee may make restricted stock awards under ITLA Capital's Recognition and Retention Plan (RRP) on a tax deferred basis through the SERP. The SERP further provides that Mr. Haligowski shall receive an allocation annually, subject to the performance terms of the RRP, of a restricted stock award equal to one-third of his base salary and all other participants shall receive an award equal to one-fifth of base salary subject to the approval of the compensation committee, which may also allocate a greater or lesser award or no award in its discretion. For this purpose, each share of common stock has been valued at \$9.00 per share, the fair market value of the common stock on the date of issuance to the SERP. A participant shall only have a vested right to amounts allocated to his or her account if the participant is employed on the last day of a three year vesting cycle or earlier at the discretion of the compensation committee. Upon a change in control (as defined in the SERP), the

participant shall have an accelerated vesting of all shares allocated to his or her account. The participant shall only have a right to vested shares in his or her account upon normal retirement, death, disability or termination. The last day of the vesting cycle for shares allocated to the SERP accounts for the benefit of the participants for the years 2003, 2004 and 2005 was December 31, 2005.

Nonqualified Deferred Compensation Plans

The ITLA Capital Corporation Supplemental Salary Savings Plan (the Supplemental Plan) and Nonqualified Deferred Compensation Plan (the Deferral Plan) are designed to provide additional retirement benefits for certain officers and highly compensated employees. The Supplemental Plan provides participating employees with an opportunity to make up benefits not available under the ITLA Capital Savings Plan (the 401(k) Plan) due to any application of limitations on compensation and maximum benefits under the 401(k) Plan. Benefits under the Supplemental Plan are provided at the same time and in the same form as benefits under the 401(k) Plan, and become taxable to the participant at that point. The Deferral Plan allows a participant to defer receipt of, and current taxation upon, designated portions of the participant's direct cash compensation until a future date specified by the participant. Both of these plans are unfunded plans, meaning that all benefits payable there under are payable from our general assets, and funds available to pay benefits are subject to the claims of our general creditors. We have established a Rabbi Trust with a third party FDIC insured financial institution which holds the contributions to the Supplemental Plan and Deferral Plan, for the purpose of providing the benefits set forth under the terms of the plans. Participants only have the rights of unsecured creditors with respect to the Rabbi Trust assets.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2005, the Compensation Committee was comprised of Directors Lipscomb and Oribe.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation:

Compensation Policies. Under the supervision of the Board of Directors, ITLA Capital has developed and implemented compensation policies, plans and programs which seek to enhance the profitability of ITLA Capital, and thus shareholder value, by closely aligning the financial interests of ITLA Capital's employees, including its Chief Executive Officer and ITLA Capital's other senior management, with those of its shareholders.

The executive compensation program of ITLA Capital is designed to:

Support a pay-for-performance policy that differentiates compensation based on corporate and individual performance;

Motivate employees to assume increased responsibility and reward them for their achievements;

Provide compensation opportunities that are comparable to those offered by other leading companies, allowing ITLA Capital to compete for and retain talented executives who are critical to ITLA Capital's long-term success; and

Align the interests of executives with the long-term interests of shareholders through award opportunities that can result in ownership of Common Stock.

At present, the executive compensation program is comprised of salary, annual cash bonus incentive opportunities, long-term incentive opportunities in the form of stock options and restricted stock awards, and miscellaneous benefits typically offered to executives by major corporations. The Committee considers the total compensation (earned or potentially available) in establishing each element of compensation so that total compensation paid is competitive with the marketplace.

For Mr. Haligowski and the other executive officers, as an executive's level of responsibility increases, a greater portion of his or her potential total compensation opportunity is based on ITLA Capital's performance rather than on salary. Reliance on ITLA Capital performance causes greater variability in the individual's total compensation from year to year. By varying annual and long-term incentives and basing both on corporate performance, ITLA Capital believes executive officers are encouraged to continue focusing on building profitability and shareholder value.

Table of Contents

Salary and Bonus. After taking into account a comparison of salaries of chief executive officers of financial institutions statewide performed by an independent compensation consultant, the Committee established Mr. Haligowski's salary for 2005 at \$590,000. Likewise, each other executive officer's base salary for 2005 was determined using financial institution compensation surveys. Mr. Haligowski's cash bonus for 2005 was determined by the Committee after considering Mr. Haligowski's individual performance and the performance of ITLA Capital during 2005. The 2005 cash bonuses for the other executive officers were also determined by the Committee based on the individual performance of each officer and the performance of ITLA Capital during 2005, as well as the recommendations of Mr. Haligowski.

Stock Option Awards. The Employee Stock Incentive Plan is designed to align a significant portion of the executive compensation program with shareholder interests. The Employee Stock Incentive Plan provides for the granting of stock-based awards. To date, stock options are the only awards granted under the Employee Stock Incentive Plan to executive officers and other key employees.

Restricted Stock Awards. In 1996, the Committee adopted a policy relating to the granting of restricted stock awards to executive officers and certain key employees under the RRP to be carried out by the Committee. Under this policy, awards may be granted to plan participants by the Committee utilizing objective criteria adopted by the Committee and approved by the Board of Directors, after taking into account the proposed allocations under ITLA Capital's SERP, the practices of other publicly traded financial institutions and such other factors as deemed appropriate. In addition, under the formula, no awards under the RRP may be granted in any year in which Imperial Capital Bank does not achieve a return on average assets of at least .50% and remain adequately capitalized under FDIC rules.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

During 2005, we utilized the services of Keesal, Young & Logan. Director Mayuga is of counsel in that law firm. During 2005, this law firm received \$2,000 in legal fees from ITLA Capital and the Bank.

ITLA Capital has entered into a lending agreement with Mr. Haligowski as of January 20, 2000 for a seven hundred thousand dollar (\$700,000) line of credit. To date, no funds have been drawn down from this line.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our Common Stock and other equity securities. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the year ended December 31, 2005, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% beneficial owners were complied with, except for the inadvertent failure by Ms. Kunac, Senior Managing Director and Chief Lending Officer to timely file a Form 4 to report one transaction.

PROPOSAL II RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has reappointed Ernst & Young LLP as the independent registered public accounting firm to audit our financial statements for the year ending December 31, 2006. In making its determination to reappoint Ernst & Young LLP as our independent auditors for the 2006 fiscal year, the Audit Committee considered whether the providing of services (and the aggregate fees billed for those services) by Ernst & Young LLP, other than audit services, is compatible with maintaining the independence of the outside accountants. Our shareholders are asked to ratify this appointment at the Meeting. If the appointment of Ernst & Young LLP is not ratified by the shareholders, the Audit Committee may appoint other independent auditors or may decide to maintain its appointment of Ernst & Young LLP.

A representative of Ernst & Young LLP is expected to attend the Meeting to respond to appropriate questions and will have an opportunity to make a statement if he or she so desires.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2006.

SHAREHOLDER PROPOSALS

In order to be eligible for inclusion in our proxy materials for next year's Annual Meeting of Shareholders, any shareholder proposal to take action at such meeting must be received at our executive office at 888 Prospect Street, Suite 110, La Jolla, California 92037 no later than February 26, 2007. Any such proposal will be subject to the requirements of the proxy rules adopted under the Exchange Act, and as with any shareholder proposal (regardless of whether included in our proxy materials), our certificate of incorporation and bylaws and Delaware law. To be considered for presentation at the next annual meeting, but not for inclusion in our proxy materials for the meeting, a shareholder proposal must be received at our executive office by May 4, 2007; however, if the date of the next annual

meeting is held before July 13, 2007 or after October 1, 2007, the proposal must be received by the close of business on the later of the 90th day prior to such annual meeting or the tenth day following the day on which notice of the date of the annual meeting is mailed or public disclosure of the date of such meeting is first made.

If, however, any other matters should properly come before the Meeting, it is intended that our Board of Directors, as proxy for the shareholder, will act in accordance with its best judgment.

The cost of solicitation of proxies will be borne by ITLA Capital.
