Item 1.01. Entry into a Material Definitive Agreement.

On November 12, 2008, Ardea Biosciences, Inc. (the Company) entered into a Loan and Security Agreement (the Loan Agreement) with Oxford Finance Corporation and Silicon Valley Bank (collectively, the Lenders), pursuant to which the Lenders provided the Company with an approximately three-year \$8.0 million growth capital loan. Interest on the loan accrues at a rate of 12% per annum, with monthly interest only payments required during a period beginning on the loan funding date and continuing through February 28, 2009, followed thereafter by equal monthly payments of principal and interest over a period of 33 months. At maturity of the loan, the Company is required to make an additional final payment equal to 5% of the loan. The Company has the option to prepay the outstanding balance of the loan in full, subject to a prepayment fee.

The Loan Agreement contains customary representations and warranties and customary affirmative and negative covenants. However, there are no financial covenants associated with the loan. The Loan Agreement also contains customary events of default that entitle the Lenders to cause any or all of the indebtedness under the Loan Agreement to become immediately due and payable along with any accrued interest and other fees. The loan is collateralized by the Company's general assets, excluding its intellectual property.

In connection with the Loan and Security Agreement, the Company issued to the Lenders warrants to purchase up to an aggregate of 56,010 shares of the Company's common stock at an exercise price of \$8.57 per share. The warrants are immediately exercisable and expire seven years from the date of issuance.

The net proceeds of the loan will be used for working capital, capital expenditures and other general corporate purposes.

A copy of the press release announcing the loan is attached hereto as Exhibit 99.1 and incorporated herein by reference.

Item 2.02. Results of Operations and Financial Condition.
