Each ADS represents four Ordinary Shares. This Registration Statement on Form S-8 shall also cover any additional Ordinary Shares that become deliverable under the ScottishPower Executive Share Option Plan 2001, the Scottish Power plc Long Term Incentive Plan and the Deferred Incentive Share Element of the ScottishPower Annual Incentive Plan (the "Plans") by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration that results in an increase in the number of outstanding Ordinary Shares of the Company.

The resulting proposed maximum offering price per ADS, \$31.81, has been divided by four and has been multiplied by the amount of shares to be registered to obtain the proposed maximum aggregate offering price of \$40,669,924.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article 159 of the Company's Articles of Association provides:

2

"Subject to the provisions of and so far as may be consistent with the Statutes, but without prejudice to any indemnity to which such person may otherwise be entitled, every Director, auditor, Secretary, other officer or employee of the Company shall be entitled to be indemnified out of the assets of the Company against all costs, charges, losses, expenses and liabilities incurred by him in the actual or purported execution and/or discharge of his duties and/or the exercise or purported exercise of his powers and/or otherwise in relation to or in connection with his duties, powers or office including (without prejudice to the generality of the foregoing) any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer, auditor or employee of the Company and in which decree or judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court."

At a meeting on 6 May 2005 the directors of the Company agreed to grant indemnities, by way of individual deed, to the directors and officers of the Company. The proposed deeds repeat the terms of the indemnity contained in the Articles of Association, but gives it the status of a direct obligation of the Company to the named individual. In addition, the deeds require the Company to use reasonable endeavours to maintain directors and officers cover throughout the individual's period of office and thereafter for a further six years (either through renewal or provision of a discovery period), so long as such a policy can be obtained at reasonable commercial rates. Specifically the deed provides that the Company should not change the terms of the policy for its own benefit, or for the benefit of the continuing directors, to the detriment of an individual who has retired. Nor should the Company differentiate between continuing directors, or between directors who retired at the same time, in terms of the cover provided. As at the date of filing this Registration Statement, the deeds of indemnity have not been executed.

Section 310 of the Companies Act (as amended by Section 137 of the UK Companies Act 1989) provides as follows:

Edgar Filing: SCOTTISH POWER PLC - Form S-8

310. Provisions exempting officers and auditors from liability

(1) This section applies to any provisions, whether contained in a company's articles or in any contract with the company or otherwise, for exempting any officer of the company or any person (whether an officer or not) employed by the company as auditor from, or indemnifying him against, any liability which by virtue of any rule of law would otherwise attach to him in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the company.

(2) Except as provided by the following subsection, any such provision is void.

(3) This section does not prevent a company -

(a) from purchasing and maintaining for any such officer or auditor insurance against any such liability; or

(b) from indemnifying any such officer or auditor against any liability incurred by him -

3

(i) in defending any proceeding (whether civil or criminal) in which judgment is given in his favour or he is acquitted, or

(ii) in connection with any application under Section 144(3) or (4) (acquisition of shares by innocent nominee) or Section 727 (general power to grant relief in case of honest and reasonable conduct) in which relief is granted to him by the court.

Section 727 of the Companies Act provides as follows:

727. Power of court to grant relief in certain cases:

(1) If any proceedings for negligence, default, breach of duty or breach of trust against an officer of a company or a person employed by a company as auditor (whether he is or is not an officer of the company) it appears to the court hearing the case that the officer or person is or may be liable in respect of the negligence, default, breach of duty or breach of trust, but that he has acted honestly and reasonably, and that having regard to all the circumstances of the case (including those connected with his appointment) he ought fairly to be excused for the negligence, default, breach of duty or breach of trust, that court may relieve him, either wholly or partly, from his liability on such terms as it thinks fit.

(2) If any such officer or person as above-mentioned has reason to apprehend that any claim will or might be made against him in respect of any negligence, default, breach of duty or breach of trust, he may apply to the court for relief; and the court on the application has the same power to relieve him as under this section it would have had if it had been a court before which proceedings against that person for negligence, default, breach of duty or breach of trust had been brought.

(3) Where a case to which subsection (1) applies is being tried by a judge with a jury, the judge, after hearing the evidence, may, if he is satisfied that the defendant or defender ought in pursuance of that subsection to be relieved

Edgar Filing: SCOTTISH POWER PLC - Form S-8

either in whole or in part from the liability sought to be enforced against him, withdraw the case in whole or in part from the jury and forthwith direct judgment to be entered for the defendant or defender on such terms as to costs or otherwise as the judge may think proper.

The Company has obtained insurance policies which provide for the indemnification of its directors and officers in the event they are found liable for "Wrongful Acts".

A "Wrongful Act" is defined in the insurance policies as:

"Any actual or alleged breach of duty, breach of trust, neglect, error, misstatement, misleading statement, omission, breach of warranty of authority or other act by the directors, officers or employees in their respective capacities as a director, officer or employee of the company or as a director or officer of any outside entity or any matter claimed against them solely because of their status as a director, officer or employee of the company. The term wrongful act shall include any employment practice violation.

Item 7. Exemption from Registration Claimed.

Not applicable.

4

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made of securities registered hereby, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the

Edgar Filing: SCOTTISH POWER PLC - Form S-8

Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
