PART III

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Our “Code of Conduct and Standard of Ethics” addresses our policy for dealing with transactions with affiliates and as a matter of procedure we obtain Board of Director approval for any transaction with a director, executive officer or other affiliate of PetroHunter. A complete description of the transaction including the services or products to be provided, the financial components related to the services or products, the nature of the relationship of the entity involved in the transaction, and any other contractual obligations related to the transaction is presented to the Board of Directors for their review. The Board of Directors indicates their approval of the transaction with a written resolution.

Other than the transactions described below, none of our present directors, officers or principal shareholders, nor any family member of the foregoing, nor, to the best of our information and belief, any of our former directors, officers or principal shareholders, nor any family member of such former directors, officers or principal shareholders, has or had any material interest, direct or indirect, in any transaction, or in any proposed transaction which has materially affected or will materially affect us.

Marc A. Bruner

As of September 16, 2011, Sweetpea entered into a Joint Venture and Operating Agreement (“JVOA”) with Paltar Petroleum Limited (“Paltar”), pursuant to which Paltar agreed to provide funding as stated in the JVOA for the permits and the initial work program expenses required under EPs 136 and 143 in exchange for a 50% ownership interest in the EPs. Paltar is controlled by Marc Bruner, a significant shareholder of the Company. In addition, one of our directors, Carmen Lotito, is an officer of Paltar.

Bruner Family Trust

At September 30, 2012, we have seven notes outstanding from the Bruner Family Trust totaling \$2,828,059. Mr. Bruner’s adult son is one of the trustees of the Bruner Family Trust. Mr. Bruner is not a beneficiary of the Trust.

Global Project Finance AG

On January 9, 2007, we entered into a Credit and Security Agreement (the “January 2007 Credit Facility”) with Global Project Finance AG (“Global”), a company controlled by Christian Russenberger, a significant shareholder, in the amount of \$15,000,000. As of September 30, 2012 and 2011, amounts drawn against this facility were \$15,000,000.

On May 21, 2007, we entered into a second Credit and Security Agreement with Global (the “May 2007 Credit Facility”) and we extended all the economic terms from the May 2007 Credit Facility retroactively to the January 2007 Credit Facility. Under the May 2007 Credit Facility, Global agreed to use its best efforts to advance up to \$60,000,000 to us over the following 18 months. As of September 30, 2012 and 2011, amounts drawn against this facility were \$24,800,000.

In connection with the May 2007 Credit Facility, Global received warrants to purchase 2,000,000 of our common shares at the date of execution and was to receive 400,000 warrants for each \$1,000,000 advanced under the Facility. We agreed to pay an advance fee of 2% on all amounts drawn under the May 2007 Credit Facility. Payments were to have been made in such amounts as may be agreed upon by us and Global on the then outstanding principal balance in order to repay the principal balance by the maturity date, November 21, 2009. The loans are collateralized by a first perfected security interest on certain oil and gas properties and other of our assets. In

the event that we sell any interest in the oil and gas properties that comprise the collateral, a mandatory payment is due in the amount equal to such sales proceeds.

As of September 30, 2012 and 2011, the cash portion of the advance fees payable incurred in connection with the two lines of credit in the amount of \$716,045 and \$770,241 respectively incurred proportionately at 2% of each respective draw, has been accrued.

In March 2010, in exchange in exchange for 5,000,000 shares of our common stock, Global executed an amendment to an existing \$850,000 note payable bearing interest at 15%. The amendment granted us a relief of \$286,664 in accrued interest related to the underlying note. In addition all other defaults under the terms of the initial note dated October 10, 2007 were waived through December 31, 2014. The due date of the note, and all scheduled interest payments were extended through December 31, 2014. We will continue to accrue interest on the note at 8.5% per annum. We recorded a \$150,000 charge to interest expense related to the issuance of common stock in connection with this amendment.

In March 2010, in exchange for 48,391,420 shares of our common stock, Global executed an amendment to the existing \$39,800,000 credit facilities bearing interest at the prime rate plus 6.75%. The amendment granted us a relief of \$5,762,276 in accrued interest related to the underlying credit facilities. In addition all other defaults under the terms of the January 2007 Credit Facility and May 2007 Credit Facility were waived through December 31, 2014. The maturity date of the facilities, and all scheduled interest payments were extended through December 31, 2014. We will continue to accrue interest on the credit facilities at 8.5% per annum. We have recorded a \$6,145,548 charge to additional paid in capital related to the issuance of common stock in connection with the relief of accrued interest, including \$145,000 allocable to the \$850,000 promissory note as discussed above and \$6,000,548 related to the credit facilities. In accordance with FASB ASC 470-50-40-2, "Debt Modifications and Extinguishments," no gain has been recognized due to the related party nature of the transaction.

The terms of the amendment agreement allow for conversion of \$6,500,000 of principal amounts owed under the existing credit facilities into shares of our common stock at \$0.125 per share through December 31, 2011. In January 1, 2012 through December 31, 2014, this conversion price will decreased to \$0.10 per share. We have considered FASB ASC-470-20, "Accounting for Convertible Debt Instruments That May Be Settled in Cash Upon Conversion," in connection with this conversion feature, and have not recorded any impact to our financial statements as of the date of issuance. The amendment also provided that in the event of an initial public offering of Sweetpea or the sale of Sweetpea's Falcon Australia shares, Global would be entitled to request that 25% of the net proceeds therefrom be used to repay the indebtedness owed to Global.

Future Transactions

All future affiliated transactions will be made or entered into on terms that are no less favorable to us than those that can be obtained from any unaffiliated third party. A majority of the independent, disinterested members of our board of directors will approve future affiliated transactions.
