When we refer to the “Selling Shareholders” in this prospectus, we mean the persons listed in the table above. This prospectus only covers sales of the Resale Shares by the Selling Shareholders named in the table above.

We agreed to use our reasonable best efforts to cause the registration statement of which this prospectus forms a part to be declared effective as soon as practicable and to remain continuously effective until the earlier of (i)(x) June 12, 2017 in the case of the June Agreement, (y) October 22, 2017 in the case of the October Agreement or (z) three years from the date of this registration statement in the case of the Warrant Agreement and (ii) such times as the number of Resale Shares remaining unsold may be sold by the Selling Shareholders within 12 months in open market

transactions pursuant to Rule 144 under the Securities Act.

All transfers of the Resale Shares by the Selling Shareholders issued in connection with the June Agreement, whether pursuant to this prospectus or otherwise, are subject to certain standstill restrictions during the two-year standstill period ending on June 12, 2016. In this regard, the Selling Shareholders may not, within the two-year standstill period, acquire any ownership of any of the assets, businesses or securities of the Company or any rights or options to acquire such ownership; except such restriction shall not apply to (i) options or shares received as compensation for such Selling Shareholders' service as directors, (ii) any shares received pursuant to any Selling Shareholder's exercise of any option awarded as compensation for his service as a director, or (iii) open market purchases of common shares by any Selling Shareholder at prevailing market prices as long as that at no time during the standstill period shall any Selling Shareholder own more than 10% of the outstanding common shares. Each of the Selling Shareholders may, from time to time, offer and sell pursuant to this prospectus any or all of the Resale Shares registered for his account, and thus we cannot state with certainty the amount of shares that the Selling Shareholders will hold upon consummation of any such sales. Beneficial ownership is determined in accordance with the rules of the SEC and

Plan of Distribution

We are registering the Resale Shares covered by this prospectus to permit the Selling Shareholders to conduct public secondary trading of these Resale Shares from time to time after the date of this prospectus. We will not receive any of the proceeds of the sale of the Resale Shares offered by this prospectus. The aggregate proceeds to the Selling Shareholders from the sale of the Resale Shares will be the sale price of the Resale Shares less any discounts and commissions. We will not pay any brokers' or underwriters' discounts and commissions in connection with the registration and sale of the Resale Shares covered by this prospectus. The Selling Shareholders reserve the right to accept and, together with their respective agents, to reject, any proposed purchases of Resale Shares to be made directly or through agents.

The Resale Shares offered by this prospectus may be sold from time to time to purchasers:

directly by the Selling Shareholders, or

subject to certain restrictions, through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, commissions or agent's commissions from the Selling Shareholders or the purchasers of the Resale Shares. These discounts, concessions, or commissions may be in excess of those customary in the types of transaction involved.

In accordance with the Agreements, Selling Shareholders will not take any actions or steps to initiate an underwritten offering of the Resale Shares under the registration statement without the prior written consent of the Company. Furthermore, the Company is under no obligation to initiate or facilitate an underwritten offering of the Resale Shares under the registration statement.

Any underwriters, broker-dealers or agents who participate in the sale or distribution of the Resale Shares may be deemed to be "underwriters" within the meaning of the Securities Act. As a result, any discounts, commissions or concessions received by any such broker-dealer or agents who are deemed to be underwriters will be deemed to be underwriting discounts and commissions under the Securities Act. Underwriters are subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities, including, but not limited to, those relating to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act. We will make copies of this prospectus available to the Selling Shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. To our knowledge, none of the Selling Shareholders is a broker-dealer or an affiliate of a broker dealer, nor would it otherwise be deemed to be an "underwriter" within the meaning of Section 2(11) of the Securities Act. To our knowledge, there are currently no plans, arrangements or understandings between

any of the Selling Shareholders and any underwriter, broker-dealer or agent regarding the sale of the Resale Shares by any of the Selling Shareholders.

The Resale Shares may be sold in one or more transactions at:

- fixed prices;
- prevailing market prices at the time of sale;
- prices related to such prevailing market prices;
- varying prices determined at the time of sale; or
- negotiated prices.

These sales may be effected in one or more transactions:

· on any national securities exchange or quotation service on which the Resale Shares may be listed or quoted at the time of sale, including the New York Stock Exchange MKT;

- in the over-the-counter market;

in transactions other than on such exchanges or services or in the over-the-counter market;

through the writing of options (including the issuance by the Selling Shareholders of derivative securities), whether the options or such other derivative securities are listed on an options exchange or otherwise;

through the settlement of short sales;

any other method permitted by applicable law; or

through any combination of the foregoing.

These transactions may include block transactions or crosses. Crosses are transactions in which the same broker acts as an agent on both sides of the trade. In connection with the sales of the Resale Shares, the Selling Shareholders may enter into hedging transactions with broker-dealers or other financial institutions that in turn may:

engage in short sales of the Resale Shares in the course of hedging their positions;

sell the Resale Shares short and deliver the Resale Shares to close out short positions;

loan or pledge the Resale Shares to broker-dealers or other financial institutions that in turn may sell the Resale Shares;

enter into option or other transactions with broker-dealers or other financial institutions that require the delivery to the broker-dealer or other financial institution of the Resale Shares, which the broker-dealer or other financial institution may resell under the prospectus; or

enter into transactions in which a broker-dealer makes purchases as a principal for resale for its own account or through other types of transactions.

A short sale of Resale Shares by a broker-dealer, financial institution or the Selling Shareholders would involve the sale of such Resale Shares that are not owned, and therefore must be borrowed, in order to make delivery of the security in connection with such sale. In connection with a short sale of Resale Shares, a broker-dealer, financial institution or the Selling Shareholders may purchase shares on the open market to cover positions created by short sales. In determining the source of the shares to close out such short positions, the broker-dealer, financial institution

or Selling Shareholders may consider, among other things, the price of shares available for purchase in the open market.

At the time a particular offering of the Resale Shares is made, a prospectus supplement, if required, will be distributed, which will set forth the name of the Selling Shareholders, the aggregate amount of Resale Shares being offered and the terms of the offering, including, to the extent required, (1) the name or names of any underwriters, broker-dealers or agents, (2) any discounts, commissions and other terms constituting compensation from the Selling Shareholders and (3) any discounts, commissions or concessions allowed or reallocated to be paid to broker-dealers. We may suspend the sale of Resale Shares by the Selling Shareholders pursuant to this prospectus for certain periods of time for certain reasons, including if the prospectus is required to be supplemented or amended to include additional material information.

Pursuant to a requirement by the Financial Industry Regulatory Authority, Inc. ("FINRA"), the maximum commission or discount to be received by any FINRA member or independent broker-dealer may not be greater than 8% of the gross proceeds received by the Selling Shareholders for the sale of any Resale Shares being offered by this prospectus.

The Selling Shareholders will act independently of us in making decisions with respect to the timing, manner, and size of each resale or other transfer. There can be no assurance that the Selling Shareholders will sell any or all of the Resale Shares under this prospectus. Further, we cannot assure you that the Selling Shareholders will not transfer, distribute, devise or gift the Resale Shares by other means not described in this prospectus. In addition, any Resale Shares covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold pursuant to Rule 144 rather than under this prospectus. The Resale Shares may be sold in some states only

through registered or licensed brokers or dealers. In addition, in some states, the Resale Shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification.

In the June Agreement, we have agreed to pay 50% of the expenses incidental to the registration of the Resale Shares to the public, including the payment of federal securities law and state blue sky registration fees, except that we will not bear any underwriting discounts or commissions or transfer taxes relating to the sale of the Resale Shares. The Selling Shareholders will bear the remaining 50% of the expenses, with each Selling Shareholder's portion to be proportionate to the percentage of the Resale Shares such Selling Shareholder holds that are covered under this prospectus, *provided* that no individual Selling Shareholder's portion shall exceed \$15,000.
