PROXY STATEMENT

The enclosed proxy is solicited on behalf of the Board of Directors of Stonepath Group, Inc. (the "Company") to be voted at the Annual Meeting of Stockholders (the "Meeting") of the Company to be held at the offices of Buchanan Ingersoll Professional Corporation, Eleven Penn Center, 1835 Market Street, 15th Floor, Philadelphia, Pennsylvania 19103, on Friday, May 30, 2003 at 10:00 A.M. local time, and at any adjournment(s) or postponement(s) thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The proxy solicitation materials were mailed on or about April 14, 2003 to all stockholders entitled to vote at the Meeting.

Record Date and Stock Ownership

Stockholders of record at the close of business on April 11, 2003 (the "Record Date") are entitled to notice of and to vote at the Meeting, and at any adjournment(s) or postponement(s) thereof. At the Record Date, 27,945,914 shares of the Company's Common Stock, \$.001 par value per share (the "Common Stock") were issued, outstanding and entitled to notice of and to vote on all matters at the Meeting and at any adjournment(s) or postponement(s) thereof.

Quorum and Voting Requirements

The Company's Bylaws provide that the stockholders holding a majority of the shares issued, outstanding and entitled to vote on the Record Date must be present in person or by proxy at the Meeting to constitute a quorum for the transaction of business at the Meeting.

All shares of Common Stock represented by valid proxies received by the Secretary of the Company prior to the Meeting will be voted as specified in the proxy. If no specification is made, the shares will be voted FOR the election of each of the Board's nominees to the Board of Directors and FOR each of the other matters submitted by the Board of Directors for vote by the stockholders. Unless otherwise indicated by the stockholder, the proxy card also confers discretionary authority on the Board-appointed proxies to vote the shares represented by the proxy on any matter that is properly presented for action at the Meeting. Abstentions and broker non-votes (which arise from proxies delivered by brokers and others, where the record holder has not received direction on voting and does not have discretionary authority to vote on one or more matters) are each included in the determination of the number of shares present for purposes of determining a quorum. At the Meeting, directors will be

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

elected by a plurality vote and all other matters will be decided by the affirmative vote of a majority of the shares of Common Stock present at the meeting, in person or by proxy, and entitled to vote. Abstentions are counted as shares present at the meeting for purposes of determining the votes cast on any matter and have the effect of a vote against any matter as to which abstention is specified. Broker non-votes are not considered shares present for purposes of the vote on any matter as to which the broker non-vote is specified and will not affect the outcome of the vote.

The execution of a proxy will not affect a stockholder's right to attend the Meeting and vote in person. Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is used at the Meeting by filing with the Secretary of the Company either: (i) a written notice of revocation; (ii) a proxy bearing a later date than the most recently submitted proxy; or (iii) by attendance at the Meeting and voting in person. Attendance at the Meeting will not, by itself, revoke a proxy.

Registered stockholders (those who hold shares directly rather than through a bank or broker) can simplify their voting by voting via the internet at www.votestock.com. Internet voting information is provided on the Proxy Card. Use of a Log-In Number and stockholders' Social Security Number or Tax Identification Number is designed to verify stockholders' identities and allow stockholders to vote their shares and confirm that their voting instructions have been properly recorded. The Control Number is located above a stockholder's name and address on the Proxy Card. If a stockholder holds shares through a bank or broker, the stockholder will receive separate instructions on the form received from the bank or broker. Although most banks and brokers now offer Internet voting, availability and specific processes will depend on their voting arrangements.

Annual Report

A copy of the Company's Annual Report for the year ended December 31, 2002 accompanies this Proxy Statement. No material contained in the Annual Report is to be considered a part of our proxy solicitation material.

The mailing address of the Company's executive office is 1600 Market Street, Suite 1515, Philadelphia, PA 19103.

Solicitation

The cost of this proxy solicitation will be borne by the Company. The Company will reimburse brokers and other persons holding stock in their names or in the names of nominees for their expenses incurred in sending proxy materials to principals and obtaining their proxies.

Shareholder Proposals

Proposals of stockholders that are intended to be included within the proxy material for our 2004 Annual Meeting of Stockholders must comply with the requirements of SEC Rule 14a-8 and must be received no later than December 15, 2003 in order to be included in the Proxy Statement and proxy relating to that Annual Meeting.

PROPOSAL 2

APPROVAL OF THE STONEPATH GROUP, INC. 2003 EMPLOYEE STOCK PURCHASE PLAN

The stockholders of the Company are being asked to vote on a proposal to approve the Stonepath Group, Inc. 2003 Employee Stock Purchase Plan (the "Stock Purchase Plan") that was adopted by the Board of Directors (the "Board") on March 25, 2003, subject to stockholder approval at the Meeting. The Stock Purchase Plan is intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended (the "Code"). The Company has authorized 1,000,000 shares of Common Stock for purchase under the Stock Purchase Plan. The term of the Stock Purchase Plan is ten (10) years, unless sooner terminated by the Board.

Under the Stock Purchase Plan, employees of the Company and its subsidiaries who are eligible and elect to participate are granted options to purchase Common Stock at no less than a 15% discount from the fair market value of such stock. Participation in the Stock Purchase Plan is voluntary.

The following is a summary of the principal features of the Stock Purchase Plan. The summary, however, does not purport to be a complete description of all of the provisions of the Stock Purchase Plan. The complete text of the Stock Purchase Plan appears as Exhibit A to this Proxy Statement and the following description is qualified in its entirety by reference to Exhibit A.

Purpose of the Stock Purchase Plan

The Board believes that it is in the best interests of the Company to maintain an equity incentive program which will provide a meaningful opportunity for officers, employees and directors who are also part- or full-time employees to acquire a proprietary interest in the enterprise and thereby encourage such individuals to remain in the Company's service and more closely align their interests with those of the stockholders.

Implementation and Administration of the Stock Purchase Plan

The Stock Purchase Plan will be implemented by a series of offering periods of six (6) consecutive calendar months each, with the initial plan offering period being for five (5) months commencing on August 1, 2003. Thereafter, the offering periods will commence on January 1 and July 1 of each year, or such other time as determined by the Board of Directors. The Board has the discretion to change the duration and/or frequency of the offering periods without stockholder approval if such change is announced at least five (5) days

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

prior to the scheduled beginning of the first offering period to be affected.

The Stock Purchase Plan may be administered by the full Board, a committee of members of the Board appointed by the Board or by a third party authorized as administrator by the Board (in any of the foregoing cases, the "Plan Administrator"). The Plan Administrator will have full and exclusive discretionary authority to construe, interpret, and apply the terms of the Stock

9

Purchase Plan, to determine eligibility and to adjudicate all disputed claims filed under the Stock Purchase Plan, and to establish such rules as it deems necessary for the proper administration of the Stock Purchase Plan. The Plan Administrator may change the offering periods, limit the frequency and/or number of changes in the amount withheld during an offering period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's compensation, and establish such other limitations or procedures as the Plan Administrator determines, in its sole discretion, are advisable and consistent with the Stock Purchase Plan. Every finding, decision and determination made by the Plan Administrator will, to the full extent permitted by law, be binding and final on all parties.

Eligibility

The Plan Administrator will have the authority to determine an employee's eligibility to participate in the Stock Purchase Plan. Under the Stock Purchase Plan, persons, including officers and directors, who are customarily employed for at least ten (10) hours per week on a given enrollment date by the Company or any of the Company's designated subsidiaries ("Eligible Employees"), are eligible to purchase shares of Common Stock pursuant to the Stock Purchase Plan; provided, however, that no employee will be granted an option under the Stock Purchase Plan to the extent that, (i) immediately after the grant, such Eligible Employee (or any other person whose stock would be attributed to such employee pursuant to Section 424(d) of the Code) would own capital stock of the Company and/or hold outstanding options to purchase such stock possessing 5% or more of the total combined voting power or value of all classes of capital stock of the Company or any subsidiary of the Company or (ii) his rights to purchase stock under all employee stock purchase plans of the Company and its subsidiaries accrues at a rate which exceeds \$25,000 worth of stock (determined at the fair market value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time. Those persons who are Eligible Employees as of August 1, 2003 shall be eligible to participate as of the initial offering period under the Stock Purchase Plan. Thereafter, any person who is employed on a given enrollment date of a given offering period shall be eligible to participate in such offering period, subject to the limitations set forth in the Stock Purchase Plan.

Terms of Purchase; Price

The Stock Purchase Plan permits Eligible Employees to purchase shares of Common Stock, subject to the limitations set forth in Section 423(b) of the Code, through accumulated payroll deductions. An Eligible Employee must complete

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

a subscription agreement authorizing such payroll deductions and must file it with the Company's Treasury Department prior to the applicable enrollment date. After the initial offering period, purchases under the Stock Purchase Plan may be made two (2) times per year at a price equal to the lesser of (i) 85% of the closing price of the Company's Common Stock reported on the American Stock Exchange on the first business day of the offering period or (ii) 85% of the closing price of the Company's Common Stock reported on the American Stock

10

Exchange on the last business day of the offering period. In addition to other restrictions set forth in the Stock Purchase Plan, each participating employee may purchase an amount of the Company's Common Stock not exceeding 15% of the participant's compensation which he receives on each pay day during the offering period.

Under the Stock Purchase Plan, an option to purchase shares of Common Stock will be granted to each Eligible Employee as of the first trading day of each offering period. The payroll deduction authorized by the Eligible Employee will be credited to an individual account maintained for him under the Stock Purchase Plan. Unless withdrawn earlier, the funds held for each Eligible Employee will automatically be applied on the last trading day of each offering period to purchase shares of Common Stock for such Eligible Employee in accordance with the Stock Purchase Plan.

Unless an Eligible Employee withdraws from the Stock Purchase Plan as described below, his option for the purchase of shares will be exercised automatically on the last trading day of the purchase period, and the maximum number of full shares subject to the option will be purchased for such person at the applicable purchase price with the accumulated payroll deductions in his account.

Withdrawal; Termination of Employment

A participant may withdraw and discontinue his participation in the Stock Purchase Plan or may decrease the rate of his payroll deductions during the offering period by completing and filing with the Company a new subscription agreement authorizing a change in payroll deduction rate. The Plan Administrator may, in its discretion, limit the number of participation rate changes during any offering period. An Eligible Employee may withdraw all but not less than all of the payroll deductions credited to his account not yet used to exercise his option under the Stock Purchase Plan at any time prior to the last business day of the offering period by giving written notice to the Company, and no further contributions for the purchase of shares of Common Stock may be made by that participant during such offering period. If an Eligible Employee withdraws from an offering period, payroll deductions will not resume at the beginning of the succeeding offering periods. A participant's withdrawal from an offering period will not preclude him, however, from being eligible to participate in any future offering periods under the Stock Purchase Plan. No interest shall accrue on the contributions in participants' accounts.

If a participant loses his status as an Eligible Employee for any reason (including retirement or death), he will be deemed to have elected to withdraw from the Stock Purchase Plan and the payroll deductions credited to his account during the offering period but not yet used to exercise the option will be returned to him or, in the case of death, his estate.

Amendment and Termination

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

The Board of Directors may at any time and for any reason amend or terminate the Stock Purchase Plan. Except as otherwise provided in the Stock Purchase Plan, no termination of the Stock Purchase Plan may affect the options previously granted, provided that an offering period may be terminated by the Board on any exercise date if the Board determines that the termination of the offering period or the Stock Purchase Plan is in the best interests of the

11

Company and its stockholders. In addition, except as otherwise provided in the Stock Purchase Plan, no such amendment may make any change in any previously granted option which adversely affects the rights of any participant.

In the event that the Board determines that the ongoing operation of the Stock Purchase Plan may result in unfavorable accounting consequences, the Board may, in its discretion, and, to the extent desirable or necessary, modify or amend the Stock Purchase Plan to reduce or eliminate such accounting consequences including, but not limited to, (i) altering the purchase price for any offering period including an offering period underway at the time of the change in purchase price, (ii) shortening any offering period so that offering period ends on a new exercise date, including an offering period underway at the time of the Board action, and (iii) allocating shares. Such modifications or amendments will not require stockholder approval or the consent of any Stock Purchase Plan participants.

Adjustments

Except as otherwise provided in the Stock Purchase Plan and subject to any required action by the stockholders of the Company, the maximum number of shares each participant may purchase each offering period in the event of a stock dividend, combination, reclassification, stock split or other similar event may be proportionately adjusted, if at all, as the Board deems appropriate, with respect to: (i) the aggregate number of shares of Common Stock that may be issued under the Stock Purchase Plan, (ii) each outstanding option to purchase shares of Common Stock made under the Stock Purchase Plan, and (iii) the price per share for any outstanding option under the Stock Purchase Plan.

In the event of the proposed dissolution or liquidation of the Company, the offering period then in progress will be shortened by setting a new exercise date and will terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless otherwise provided by the Board.

In the event of a proposed sale of all or substantially all the assets of the Company, or the merger of the Company with or into another corporation, each outstanding option will be assumed or an equivalent option substituted by the successor corporation or a parent or subsidiary of the successor corporation. In the event a successor corporation refuses to assume or substitute for the option, any purchase periods then in progress will be shortened by setting a new exercise date.

Transferability

Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Stock Purchase Plan may be assigned, transferred or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as otherwise provided in the Stock Purchase Plan) by the participant.

Federal Income Tax Consequences

The following summary is based upon an interpretation of the present Code and applicable treasury regulations and may be inapplicable if such laws

12

and regulations are changed. Additionally, the following summary is limited to the impact of the United States federal tax laws upon United States citizens residing in the United States.

Options issued under the Stock Purchase Plan are intended to be options issued pursuant to an "employee stock purchase plan" within the meaning of Section 423 of the Code. Accordingly, upon the automatic exercise of an option, if an Eligible Employee holds the shares for the applicable holding period, he or she will be entitled for federal income tax purposes to special tax treatment. Under such circumstances, any gain realized upon disposition of the shares will be treated as ordinary income to the extent of the lesser of (i) 15% of the fair market value of the shares on the date the option was granted, or (ii) the amount by which the fair market value of the shares on the date of disposition exceeded the option price. Any additional gain will be treated as long-term capital gain. The applicable holding period is the longer of (i) two (2) years after the date the option is granted, or (ii) one (1) year after the date the shares are issued (the "Applicable Holding Period"). The Company will not be entitled to any tax deduction for federal income tax purposes with respect to shares so acquired and disposed of by an Eligible Employee.

Notwithstanding the foregoing, if the Eligible Employee disposes of the stock prior to satisfying the Applicable Holding Period, any excess of the fair market value of the Common Stock on the date of exercise over the option price is taxable as ordinary income to such employee. The Company will be entitled to a tax deduction for federal income tax purposes equal to the amount of income recognized by the employee.

The foregoing discussion is not a complete description of the federal income tax aspects of options or stock awards under the Stock Purchase Plan. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable to any options issued under the Stock Purchase Plan. Participants in the Stock Purchase Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

FOR THIS PROPOSAL TO APPROVE THE STONEPATH GROUP, INC.
--- 2003 EMPLOYEE STOCK PURCHASE PLAN

PROPOSAL 3

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

APPROVAL OF AMENDMENTS TO THE STONEPATH GROUP, INC. AMENDED AND RESTATED 2000 STOCK INCENTIVE PLAN

The Company's stockholders are being asked to approve amendments to the Stonepath Group, Inc. Amended and Restated 2000 Stock Incentive Plan (the "Stock Incentive Plan") to increase the number of shares of the Company's Common Stock reserved for issuance under the Stock Incentive Plan by 3,000,000 shares. The Board of Directors unanimously adopted these amendments on March 25, 2003, subject to stockholder approval at the Meeting.

The proposed amendments will assure that a sufficient reserve of Common Stock remains available for issuance under the Stock Incentive Plan to allow the Company to continue to utilize equity incentives to attract and retain the services of officers, employees, directors and consultants (collectively, "covered persons") to the Company which the Company views as essential to its long-term growth and financial success. The Company relies significantly on equity incentives in the form of stock awards and stock option grants to attract and retain covered persons and believes such equity incentives are necessary for the Company to remain competitive in the marketplace for such talent. Stock and option grants made to newly-hired or continuing covered persons will be based on both competitive market conditions and individual performance. In addition, the Company has acquired other companies in the past, and anticipates future acquisitions. It is important that the Company be able to offer equity incentives to employees of the companies acquired so that they remain incentivized after the acquisition has been completed.

The Stock Incentive Plan was approved in September 2000 by the stockholders of the Company at that time, and subsequent amendments to the Stock Incentive Plan were approved by the stockholders of the Company on May 31, 2002. A total of 10,000,000 shares of Common Stock of the Company currently are reserved for issuance under the Stock Incentive Plan. As of March 15, 2003, 8,145,600 shares were subject to awards currently outstanding under the Stock Incentive Plan (the "Plan Options") and 2,282,900 shares were subject to awards granted outside the Stock Incentive Plan (the "Non-Plan Options").

The following is a summary of the principal features of the Stock Incentive Plan. The summary, however, does not purport to be a complete description of all of the provisions of the Stock Incentive Plan. The complete text of the Stock Incentive Plan, as amended herein, appears as Exhibit B to this Proxy Statement and the following description is qualified in its entirety by reference to Exhibit B.

Purpose

The purposes of the Stock Incentive Plan are to: (i) better align the interests of stockholders with the interest of officers, directors, employees and consultants of the Company and its subsidiaries by creating a direct linkage between participants' rewards and the performance of the Company and its subsidiaries; (ii) encourage stock ownership and proprietary interests in the Company's stock; and (iii) assist the Company and its subsidiaries in attracting and retaining highly competent officers, directors, employees and consultants vital to its success.

14

Term

The Stock Incentive Plan became effective on June 1, 2000. The Stock Incentive Plan has no fixed expiration date.

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Administration

The Stock Incentive Plan may be administered by the full Board of Directors or by a committee of the Board comprised of two or more "Non-Employee Directors" within the meaning of Rule 16b-3(b)(3) of the Securities Exchange Act of 1934, as amended (the Board of Directors or the committee shall hereinafter be referred to as the "Plan Administrator"). The Plan Administrator has, among other matters, the exclusive authority to make awards under the Stock Incentive Plan and to make interpretations and determinations involving the Stock Incentive Plan.

Participation and Types of Awards

Employees, officers and directors of the Company and its subsidiaries are currently eligible to receive non-qualified stock options, restricted stock awards, and "incentive stock options" within the meaning of Section 422 of the Code. In addition, advisors and consultants who perform services for the Company are eligible to receive non-qualified stock options and stock awards under the Stock Incentive Plan.

Shares Subject to the Stock Incentive Plan

The number of shares of Common Stock which may be issued under the Stock Incentive Plan is currently 10,000,000 and, upon approval of this Proposal by the stockholders, will be 13,000,000. All of the shares of Common Stock may be awarded in the form of stock options or stock awards, however, pursuant to Section 162(m) of the Code, currently, stock options with respect to no more than 2,500,000 shares of Common Stock may be granted to any one individual participant during any one calendar year period. In addition, the following shares may be added back to the Stock Incentive Plan and made available for issuance under the Stock Incentive Plan: (i) any shares of Common Stock that are forfeited, cancelled or re-acquired by the Company; (ii) any shares of Common Stock tendered in satisfaction of tax withholding or other obligations relating to proposed awards under the Stock Incentive Plan; and (iii) any shares of Common Stock underlying an award that is terminated (other than by exercise).

Performance-Based Compensation

Section 162(m) of the Code limits to \$1,000,000 annually the deduction a public corporation may claim for compensation paid to any of its top five (5) executive officers, except in limited circumstances. One such exception is for "performance-based compensation," which is defined as compensation paid solely on account of the attainment of one or more performance goals, but only (i) if the goals are determined by a compensation committee of the board comprised of two (2) or more outside directors, (ii) the performance goals are disclosed to stockholders and approved by a majority vote before the remuneration is paid, and (iii) before the remuneration is paid, the compensation committee certifies that the performance goals and any other material terms were in fact satisfied.

Internal Revenue Service regulations provide that compensation attributable to a stock option will be deemed to satisfy the requirement that performance goals be pre-established if the grant of the option is made by the compensation committee; the plan under which the option is granted states the maximum number of shares with respect to which options or rights may be granted during a specified period to any employee; and, under the terms of the option, the amount of compensation the employee could receive is based solely on an

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

increase in the value of the stock after the date of grant.

The Stock Incentive Plan includes features intended to permit the Plan Administrator to grant options and stock awards to employees that will qualify as performance-based compensation.

Stock Options

Options granted under the Stock Incentive Plan may be either incentive stock options or non-qualified stock options. The Plan Administrator will determine whether and to what extent options will be granted under the Stock Incentive Plan and whether such options granted will be incentive stock options or non-qualified stock options; provided, however, that: (i) incentive stock options may be granted only to employees of the Company or any of its subsidiaries, (ii) no incentive stock options may be granted following the tenth anniversary of the effective date of the Stock Incentive Plan, and (iii) the aggregate fair market value (determined as of the date of grant of the option) of the Common Stock with respect to which incentive stock options may become exercisable for the first time by any individual during any calendar year may not exceed \$100,000 or, if it does, the portion of such options which exceeds such amount will be treated as non-qualified stock options. Unless otherwise specified in the agreement evidencing the option, options granted under the Stock Incentive Plan may be exercised for a period of up to ten (10) years from the date of grant.

The price at which each share covered by an option may be purchased will be determined in each case by the Plan Administrator; provided, however, that such price, in the case of incentive stock options, may not be less than the fair market value of Common Stock on the date of grant.

Options will be exercisable at such time or times, or upon such events or events, and subject to such terms, conditions, performance criteria, and restrictions as will be determined by the Plan Administrator and as set forth in the agreement relating thereto; provided, however, that: (i) no option will be exercisable after the expiration of ten (10) years after the date of grant of such option, (ii) no incentive stock option granted to a participant who owns more than 10% of the combined voting power of all classes of stock of the Company (or any parent or subsidiary of the Company) will be exercisable after the expiration of five (5) years after the date of grant of such option and the exercise price of an incentive stock option granted to such stockholder may not be less than 110% of the fair market value of the Common Stock on the date of grant, and (iii) no option granted to a prospective employee, prospective consultant, or prospective director may become exercisable prior to the date on which such person commenced service with the Company or its subsidiaries.

16

Stock Awards

The Plan Administrator may grant stock awards to any officer, director, employee or consultant of the Company or any of its subsidiaries. A stock award entitles the recipient to acquire shares of Common Stock subject to such restrictions and conditions as the Plan Administrator may determine at the time of grant. Conditions may be based on continuing employment (or other business relationship) and/or achievement of pre-established performance goals and objectives.

Upon execution of a written instrument setting forth the stock award and paying any applicable purchase price, a participant shall have the rights of

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

a stockholder with respect to the Common Stock subject to the stock award, including, but not limited to, the right to vote and receive dividends with respect thereto; provided, however, that shares of Common Stock subject to stock awards that have not vested shall be subject to restrictions on transferability. Unless the Plan Administrator otherwise determines, certificates evidencing the stock awards shall remain in the possession of the Company until such Common Stock is vested.

The Plan Administrator at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which Common Stock shall become vested, subject to such further rights of the Company or its assigns as may be specified in the instrument evidencing the stock award. If the participant or the Company, as the case may be, fails to achieve the designated goals or the participant's relationship with the Company is terminated prior to the expiration of the applicable vesting period, the participant shall forfeit all shares of Common Stock subject to the stock award which have not then vested. Unvested Common Stock may not be sold, assigned, transferred, pledged or otherwise encumbered or disposed of except as specifically provided in the Stock Incentive Plan or in the written instrument evidencing the stock award.

Termination of Service

If a participant ceases involuntarily to perform service for the Company, all options which such participant is then entitled to exercise may be exercised until the earlier to occur of the three-month anniversary after termination of service or the expiration of the relevant option exercise period, unless otherwise provided for in the award agreement. If a participant ceases to perform service for the Company or any of its subsidiaries due to death, disability or retirement, any options then exercisable will be exercisable until the earlier to occur of the one-year anniversary of termination of service or the expiration of the relevant option exercise period, unless otherwise provided for in the award agreement.

If the Company or any of its subsidiaries terminates a participant's service for "Cause" (as defined in the Stock Incentive Plan) or such participant voluntarily terminates service, then any and all options held by such person will terminate forthwith, unless otherwise provided for in the award agreement.

Stock Adjustments

If, as a result of any merger, consolidation, sale of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock

split, or other similar transaction, the outstanding shares of Common Stock are increased or decreased or are exchanged for a new, different or additional number or kind of shares or other securities of the Company, or other non-cash assets of the Company are distributed with respect to such shares of Common Stock or other securities, the Plan Administrator may make an appropriate or proportionate adjustment in (i) the number of options that can be granted to any one participant, (ii) the number and kind of shares or other securities subject to any then outstanding awards under the Stock Incentive Plan, and (iii) the price for each share subject to any then outstanding options under the Stock Incentive Plan, without changing the aggregate exercise price (i.e., the exercise price multiplied by the number of shares as to which such options

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

remain exercisable). The adjustment by the Plan Administrator will be final, binding and conclusive.

If, as a result of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Company's Board of Directors authorizes the issuance or assumption of options in a transaction to which Section 424(a) of the Code applies, then, notwithstanding any other provision of the Stock Incentive Plan, the Plan Administrator may grant options upon such terms and conditions as it may deem appropriate for the purpose of assuming the old option, or substitution of a new option for the old option.

In the case of (i) the dissolution or liquidation of the Company, (ii) merger, reorganization, or consolidation in which the Company is acquired by another person or entity (other than a holding company formed by the Company), (iii) the sale of all or substantially all of the assets of the Company to an unrelated person, or (iv) the sale of all or substantially all of the stock of the Company to an unrelated person (in each case, a "Fundamental Transaction"), the Stock Incentive Plan and all unvested awards granted thereunder will terminate, unless provision is made in connection with the Fundamental Transaction for the assumption of the awards or the substitution of such awards with new awards of the successor entity, with appropriate adjustment as to the number and kind of shares and, if appropriate, the per share exercise price. In the event of such termination in which the Company's Board of Directors does not provide for a Cash Purchase Price (as defined below) in connection with the options, each participant will be notified of such proposed termination and permitted to exercise options which are then exercisable for a period of at least fifteen (15) days prior to the date of such termination.

In the event that the Company will be merged or consolidated with another corporation or entity, other than a corporation or entity which is an "affiliate" of the Company, under the terms of which the holder of Common Stock will receive upon consummation thereof a cash payment for each share of Common Stock of the Company surrendered pursuant to such transaction ("Cash Purchase Price"), the Company's Board of Directors may provide that all outstanding options will terminate upon consummation of that transaction and each participant will receive, in exchange therefor, a cash payment equal to the amount (if any) by which (i) the Cash Purchase Price multiplied by the number of shares of Common Stock subject to outstanding options held by such participant exceeds (ii) the aggregate exercise price of such participant's options.

Change in Control

Unless otherwise provided in a participant's option agreement or in a written employment or other agreement between the participant and the Company, the Stock Incentive Plan provides that, in the event the Stock Incentive Plan is

terminated as a result of or following a "change in control" (as defined in the Stock Incentive Plan), all vested options then outstanding at the time of such termination may be exercised for a period of fifteen (15) days from the date of notice of the proposed termination. In such event, all participants shall be credited with an additional six (6) months of service for the purpose of any otherwise unvested options. Upon a change in control in which the Stock Incentive Plan is either assumed or otherwise not subject to termination, if during the remaining term of such participant's options or stock award, the participant is terminated other than for "Cause," the participant will also be credited with an additional six (6) months of service; provided, however, in the

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

event of a termination for "Cause," all options will immediately terminate and all unvested portions of stock awards will immediately terminate.

Amendment and Termination

The Board of Directors may alter, amend, suspend or discontinue the Stock Incentive Plan, provided that no such action will deprive any person, without such person's consent, of any rights theretofor granted under the Stock Incentive Plan.

Tax Withholding

Whenever shares are to be issued or cash is to be paid under the Stock Incentive Plan, under circumstances in which the Plan Administrator believes that any federal, state or local tax withholding will be imposed, including FICA and Medicare withholding tax, the Company shall have the right to require the participant to remit to the Company an amount sufficient to satisfy federal, state and local tax withholding requirements. Such withholding requirements may be paid (i) in cash; (ii) in the discretion of the Plan Administrator, through the delivery to the Company of previously-owned shares of Common Stock having an aggregate fair market value equal to the tax obligation (provided that the previously owned shares delivered in satisfaction of the withholding obligations must have been held by the participant for at least six (6) months); (iii) in the discretion of the Plan Administrator, through an election to have the Company withhold shares of Common Stock otherwise issuable to the participant having an aggregate fair market value equal to the tax obligation; or (iv) in the discretion of the Plan Administrator, through a combination of the procedures set forth in subsections (i)-(iii) above.

Awards Granted to Certain Individuals and Groups

As described above, the number of awards that may be granted to officers, employees, directors or consultants under the Stock Incentive Plan is at the discretion of the Plan Administrator and therefore future awards under the Stock Incentive Plan cannot be determined in advance. The following table sets forth (a) the total number of shares subject to options granted under the Stock Incentive Plan to the listed persons and groups through the fiscal year ended December 31, 2002 and (b) the market value or average per share exercise price of such options.

20

Federal Income Tax Consequences

The following summary is based upon an interpretation of the present Code and applicable treasury regulations and may be inapplicable if such laws and regulations are changed. Additionally, the following summary is limited to the impact of the United States federal tax laws upon United States citizens residing in the United States.

Non-Qualified Stock Options

Under the current applicable provisions of the Code, the recipient of an option will not recognize income upon the receipt of a grant of non-qualified stock options and the Company will not be entitled to a tax deduction. When a non-qualified stock option is exercised, however, the excess of the fair market value of the shares received over the option price for those shares will be treated for federal tax purposes as ordinary income. Accordingly, the Company will be entitled to a corresponding tax deduction in the same amount. Any gain (or loss) realized on the sale or exchange of any shares actually received will be treated as long-term or short-term capital gain (or loss), depending on the applicable holding period.

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Incentive Stock Options

With respect to incentive stock options ("ISOs"), no taxable income will be recognized when the option is granted or exercised; provided, however, that ISOs exercised more than three months after termination of employment will be taxed in the same manner as non-qualified stock options described above. Additionally, when an ISO is exercised, the spread between the fair market value and the exercise price will be an item of tax preference for purposes of the alternative minimum tax.

If the shares acquired when an ISO is exercised are held for at least two years from the grant of the options and one year from the exercise of the options (the "ISO Holding Period"), any gain (or loss) realized upon their sale will be treated as long-term capital gain (or loss). In such a case, the Company will not be entitled to a deduction. If the shares are not held for the ISO Holding Period, then upon disposition ordinary income will be recognized in an amount equal to the difference between the exercise price and the fair market value of the Common Stock on the date the option was exercised, limited, however to the gain realized on the sale. Any additional gain will be taxed as capital gain. The Company will be entitled to a deduction equal to the amount of any ordinary income recognized in this manner.

Stock Awards

The recipient of a stock award will generally recognize ordinary income equal to the excess of (i) the fair market value of the shares received (determined as of the date on which the shares become transferable or not subject to a substantial risk of forfeiture, whichever occurs first) over (ii) the amount, if any, paid for the shares. Such person may, however, make an election (the "Tax Election"), within thirty (30) days following the grant of the stock award, to recognize income at the time of the award based on the fair market value of the shares on the transfer date. The Company will be entitled to a deduction in the same amount and at the same time that such person recognizes ordinary income. The ordinary income recognized by a recipient who is an employee will be subject to tax withholding by the Company. Upon the sale or

21

other disposition (including any forfeiture) of the shares awarded, the recipient will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date the award vested (or on the date of grant if such person made the Tax Election).

Tax Effect for the Company

The Company generally will be entitled to receive a tax deduction in connection with an award under the Stock Incentive Plan in the amount equal to the ordinary income realized by the participant and at the time the participant recognizes such income. As described above, special rules limit the deductibility of compensation paid to certain executive officers. Under Section 162(m) of the Code, the annual compensation paid to any of the above specified executives will be deductible only to the extent that it does not exceed \$1,000,000. However, the Company can preserve the deductibility of compensation in excess of \$1,000,000 if it complies with the conditions imposed by Section 162(m). These conditions include stockholder approval of the Stock Incentive Plan, setting limits on the number of awards that any individual may receive, and establishing performance criteria that must be met before the award actually will vest or be paid. The Stock Incentive Plan has been designed to permit the

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Plan Administrator to grant options and stock awards which satisfy the requirements of Section 162(m), thereby permitting the Company to continue to receive a federal income tax deduction in connection with such awards.

The foregoing discussion is not a complete description of the federal income tax aspects of options or stock awards under the Stock Incentive Plan. In addition, administrative and judicial interpretations of the application of the federal income tax laws are subject to change. Furthermore, no information is given with respect to state or local taxes that may be applicable to any awards. Participants in the Stock Incentive Plan who are residents of or are employed in a country other than the United States may be subject to taxation in accordance with the tax laws of that particular country in addition to or in lieu of United States federal income taxes.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on the Company's review of copies of forms filed pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended, and written representations from certain reporting persons, we believe that during fiscal 2002 all reporting persons timely complied with all filing requirements applicable to them.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors (the "Compensation Committee") consists of three (3) directors who are not employees of the Company and who are considered "independent" under the rules of The American Stock Exchange.

Role of the Committee

The Compensation Committee establishes, oversees and directs the Company's executive compensation programs and policies and administers the Company's stock option and other long-term incentive plans. The Compensation Committee seeks to align executive compensation with Company objectives and strategies, business financial performance and enhanced stockholder value.

The Compensation Committee regularly reviews and approves generally all compensation and fringe benefit programs of the Company and also reviews and determines the actual compensation of the Company's executive officers, as well

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

as all stock option grants and cash incentive awards to all key employees. The Compensation Committee reviews and administers the Company's Amended and Restated 2000 Stock Incentive Plan and the Company's 2003 Employee Stock Purchase Plan.

The Compensation Committee's objectives include (i) attracting and retaining exceptional individuals as executive officers and (ii) providing key executives with motivation to perform to the full extent of their abilities, to maximize Company performance and deliver enhanced value to the Company's stockholders. The Compensation Committee believes it is important to place a greater percentage of executive officers' total compensation, principally in the form of equity, at risk through the grant of stock options whose value is derived from the performance of the business and value of the Common Stock. Executive compensation consists primarily of an annual salary, annual bonuses linked to the performance of the Company and long-term equity-based compensation.

Compensation

Salary payments in 2002 were made to compensate the ongoing performance of the Company's executive officers. Bonuses in 2002 were made to recognize contributions to the implementation of the Company's new business strategy. The Committee's specific decisions concerning 2002 compensation for each executive officer were made in light of each officer's level of responsibility and the Committee's judgment with respect to whether that executive officer's compensation provides appropriate recognition for performance and an incentive for future performance.

The Compensation Committee took a variety of actions during 2002 to address the need to recruit and retain executives with relevant industry experience.

The actions taken by the Compensation Committee during 2002 were designed to reward the Company's senior management group for their efforts in successfully implementing the Company's business plan and to provide additional

27

incentives to continue their efforts to continue to achieve significant growth in the Company's business and financial performance.

In determining the compensation to be provided to the Company's senior management group during 2002, the Compensation Committee took into account the following matters:

- o The successful acquisition and integration of the Company's principal subsidiaries
- o The recognition of revenue growth which exceeded the Company's plans
- o The organic growth of the businesses that have been acquired by the Company
- o The success in obtaining a credit facility to assist in the Company's further growth

The Compensation Committee granted to the Company's Chairman and Chief Executive Officer options to purchase 1,900,000 shares of Common Stock in 2002

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

and granted him options to purchase an additional 700,000 shares of Common Stock in March 2003. These awards reflected the philosophy of the Compensation Committee and Board of Directors that it is important to provide Mr. Pelino with the opportunity to acquire up to ten percent (10%) of the amount of the Company's outstanding Common Stock on a fully diluted basis. This objective is the result of the Compensation Committee's discussions with Mr. Pelino, its consideration of the advice of an independent compensation consultant and peer group compensation levels, and its view of Mr. Pelino's importance to the Company.

While it has created no obligation on the part of the Company to do so, in the event that individual and company performance objectives determined by the Compensation Committee from time to time are met, the Compensation Committee intends to consider awarding such additional stock options to Mr. Pelino in the future as may be necessary to permit him to obtain an equity interest of such an amount.

Part of the options awarded to Mr. Pelino in March 2003 were also provided to him in lieu of a minimum \$360,000 cash bonus the Compensation Committee would have otherwise provided to him under the terms of his employment agreement and in recognition of his willingness to purchase 100,000 shares of the Company's Common Stock in the Company's recent private placement at the request of one of the lead investors.

The Compensation Committee believes that the foregoing compensation actions have helped develop a senior management group dedicated to achieving significant improvement in both the short-term and long-term financial performance of the Company.

Employment Agreements

Effective as of February 22, 2002, we entered into an amended employment agreement with our Chief Executive Officer, Dennis L. Pelino. This agreement amended and restated our prior agreement with Mr. Pelino dated June 21, 2001. Pursuant to this agreement, we have agreed to employ Mr. Pelino as our Chief Executive Officer through June 2006 at an annual base salary of \$360,000. In addition to his base salary, Mr. Pelino is entitled to bonus compensation based upon the achievement of certain target objectives, as well as discretionary merit bonuses that can be awarded at the discretion of our Board of Directors. Mr. Pelino is also entitled to certain severance benefits upon his death, disability or termination of employment. Pursuant to the employment agreement, Mr. Pelino is also entitled to fringe benefits including participation in pension, profit sharing and bonus plans, as applicable, and life insurance, hospitalization, major medical, paid vacation and expense reimbursement.

As of April 19, 2001, we entered into a three-year employment agreement with our General Counsel, Stephen M. Cohen. This was further modified effective December 27, 2001. This had the effect of amending and restating our prior employment agreement with Mr. Cohen entered into in April 2000. In addition to an annual salary of \$200,000, Mr. Cohen is entitled to bonus compensation based upon the achievement of certain target objectives, as well as discretionary merit bonuses that can be awarded at the discretion of our Board of Directors. Mr. Cohen is also entitled to certain severance benefits upon his death, disability or termination of employment. Pursuant to his employment agreement, Mr. Cohen is entitled to fringe benefits including participation in pension, profit sharing and bonus plans, as applicable, and life insurance, hospitalization, major medical, paid vacation and expense reimbursement.

Effective as of February 1, 2003 we entered into an Amended Employment Agreement with our Chief Financial Officer, Bohn H. Crain. This agreement amended and restated our prior Agreement with Mr. Crain dated January 10, 2002. Pursuant to this Agreement, we have agreed to employ Mr. Crain as our Chief Financial Officer through February 1, 2006 at an annual base salary of \$200,000. In addition to his annual base salary, Mr. Crain's employment agreement provides for bonus compensation based upon the achievement of certain target objectives, as well as bonus compensation determined at the discretion of the Board of Directors. Mr. Crain is also entitled to certain severance benefits upon his death, disability or termination of employment. Pursuant to his employment agreement, Mr. Crain is entitled to fringe benefits including participation in pension, profit sharing and bonus plans, as applicable, and life insurance, hospitalization, major medical, paid vacation and expense reimbursement.

Change in Control Arrangements

Our Chief Executive Officer, Chief Financial Officer and General Counsel are each employed under agreements that contain change in control arrangements. If employment of any of these officers is terminated following a change in control (other than for cause), then we must pay such terminated employee a termination payment equal to 2.99 times his salary and bonus, based

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

upon the average annual bonus paid to him prior to termination of his employment. In each of their agreements, a change in control is generally defined as the occurrence of any one of the following:

- o any "Person" (as the term "Person" is used in Section 13(d) and Section 14(d) of the Securities Exchange Act of 1934), except for the effected employee, becoming the beneficial owner, directly or indirectly, of our securities representing 50% or more of the combined voting power of our then outstanding securities;
- o a contested proxy solicitation of our stockholders that results in the contesting party obtaining the ability to vote securities representing 50% or more of the combined voting power of our then-outstanding securities;
- o a sale, exchange, transfer or other disposition of 50% or more in value of our assets to another Person or entity, except to an entity controlled directly or indirectly by us;
- o a merger, consolidation or other reorganization involving us in which we are not the surviving entity and in which our stockholders prior to the transaction continue to own less than 50% of the outstanding securities of the acquiror immediately following the transaction, or a plan involving our liquidation or dissolution other than pursuant to bankruptcy or insolvency laws is adopted; or
- o during any period of twelve (12) consecutive months, individuals who at the beginning of such period constituted the Board of Directors cease for any reason to constitute at least a majority of the Board of Directors unless the election, or the nomination for election by our stockholders, of each new director was approved by a vote of at least a majority of the directors then still in office who were directors at the beginning of the period.

Notwithstanding the foregoing, a "change of control" is not deemed to have occurred (i) in the event of a sale, exchange, transfer or other disposition of substantially all of our assets to, or a merger, consolidation or other reorganization involving, us and any entity in which the effected employee has, directly or indirectly, at least a 25% equity or ownership interest; or (ii) in a transaction otherwise commonly referred to as a "management leveraged buy-out."

In addition, the existing stock options granted to these executive officers fully vest upon a "change in control," as defined within our Stock Incentive Plan.

Directors Compensation

During 2002, Mr. Pelino received no compensation for serving on the Board except for reimbursement of reasonable expenses incurred in attending meetings. Non-employee directors are paid \$1,250 per month, provided that each member attends 75% of all meetings. In addition, an annual fee of \$10,000 is paid to the chairman of the audit and compensation committees. Upon joining our Board of Directors, each of our non-employee directors received an option to purchase 50,000 shares of our Common Stock with an exercise price equal to the closing price of our Common Stock on the trading day prior to the date of grant.

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

One-half of these options vested on the first anniversary of the director's membership on the Board, and the balance vest on the second anniversary of Board membership. In addition, on November 5, 2002 each member of our Audit Committee received options to purchase 15,000 shares of our Common Stock at an exercise price of \$1.45 per share. One-half of these options vest on November 5, 2003, and the balance vest on November 5, 2004, contingent upon continued Board service.

The Audit Committee is composed of three directors, each of whom meets The American Stock Exchange's independence standards. The Audit Committee had historically operated under a written charter adopted by the Board of Directors in 2000. At a meeting held on March 25, 2003, the Board of Directors adopted a new written charter for the Audit Committee which is attached to this Proxy Statement as Exhibit C. The Audit Committee as a whole meets regularly with the Company's management and independent auditors to discuss the adequacy of the Company's internal control environment and financial reporting, accounting matters, audit results, and compliance with its corporate responsibility program.

In carrying out its responsibilities and fulfilling obligations under its charter, the Audit Committee, among other things:

- o reviewed with the independent auditors their audit plan, audit scope, and identified audit risks;
- o discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees," as modified or supplemented, including, among other items, matters related to the conduct of the audit of the Company's consolidated financial statements;
- o obtained from the independent auditors a written statement describing all relationships between the independent auditors and the Company that might bear on the auditors' independence, consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees";
- o discussed with the independent auditors any relationships that may impact their objectivity and independence, and generally satisfied itself that the auditors are independent;
- o reviewed and discussed the Company's audited consolidated financial statements for the year ended December 31, 2002 with management and the independent auditors;
- o obtained from management the representation that the Company's consolidated financial statements were prepared in conformity with

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

accounting principles generally accepted in the United States of America; and

- o discussed with management and the independent auditors the quality and adequacy of the Company's internal controls.

37

Based on its review, analysis and discussions with management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors (and the Board approved) that the Company's audited consolidated financial statements for the three years ended December 31, 2002 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2002. The Audit Committee and the Board, in recognition and consideration of the recommendation of management, have also recommended, subject to shareholder ratification, the selection of the Company's independent auditors for 2003.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Participation of Chief Executive Officer in Recent Private Placement Transaction

At the request of one of the lead investors, Dennis L. Pelino, our Chief Executive Officer, purchased 100,000 shares of our Common Stock at a price of \$1.54 per share in the recent private placement transaction that was completed on March 6, 2003. Mr. Pelino's purchase price represented a 14.1% premium over the purchase price of \$1.35 paid by the non-affiliated investors in the transaction.

Payments to Former Executive Officer

During 2002 and 2003, we made aggregate severance payments of \$575,000 to Andrew Panzo, a former executive officer, in connection with a December 14, 2001 Separation Agreement in which Mr. Panzo resigned his position as an officer of the Company. In connection with the Separation Agreement we also agreed to cover Mr. Panzo and his family on our medical plan during 2002 and to accelerate the vesting of the balance of his options to purchase 1,270,000 shares of our Common Stock. As of December 14, 2001, Mr. Panzo had already vested in 1,102,500 of these options.

Private Exchange Transaction with the Former Holders of our Series C Preferred Stock

During the quarter ended September 30, 2002, we completed a private exchange transaction resulting in the restructuring of our outstanding shares of

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Series C Preferred Stock. In the restructuring, effective as of July 19, 2002, all of the Company's shares of Series C Preferred Stock, representing

38

approximately \$44.6 million in liquidation preferences, were surrendered and retired in exchange for a combination of securities consisting of (i) 1,911,071 shares of our Common Stock upon conversion of the Series C Preferred Stock; (ii) contingent warrants to purchase 1,543,413 shares of Common Stock at an exercise price of \$1.00 through July 18, 2005 (including an amendment to the 158,348 Series C warrants that were originally granted in March 2002 for the purpose of reducing the exercise price thereof from \$26.58 to \$1.00 per share and extending the exercise period from March 2003 to July 18, 2005); and (iii) 360,745 shares of a newly designated class of Series D Convertible Preferred Stock which in the future are convertible into 3,607,450 shares of our Common Stock.

Each holder of our Series D Convertible Preferred Stock has the right to convert at any time all or a portion of his Series D Convertible Preferred Stock into ten (10) shares of Common Stock for each share of Series D Convertible Preferred Stock converted, subject to certain anti-dilution adjustments. Any shares of Series D Convertible Preferred Stock that are outstanding after December 31, 2004 will automatically be converted into Common Stock. Automatic conversion will also occur: (i) once the average closing price of our Common Stock is over \$7.50 for thirty (30) consecutive trading days; (ii) upon a merger or sale transaction after December 31, 2003, unless the transaction otherwise provides for the exchange of the outstanding shares of Series D Convertible Preferred Stock for a like-kind preferred stock of the acquiror/surviving corporation; or (iii) upon the affirmative vote of holders of eighty percent (80%) of the Series D Convertible Preferred Stock.

Amendment and Restatement of Employment Arrangements with Executive Officers

Effective as of February 22, 2002, we entered into an amended employment agreement with our Chief Executive Officer, Dennis L. Pelino. This agreement amended and restated our prior agreement with Mr. Pelino dated June 21, 2001. A description of the terms of our new agreement with Mr. Pelino can be found in this Proxy Statement under the heading "Employment Agreements." On October 18, 2001, we amended the terms of the options granted to Mr. Pelino under his original employment agreement dated June 22, 2001. We further amended the terms of Mr. Pelino's options on July 3, 2002, when we accelerated the vesting of his original options to purchase 1,800,000 shares of our Common Stock and granted him options to purchase an additional 1,900,000 shares of our Common Stock.

Effective as of February 1, 2003, we entered into an amended employment agreement with our Chief Financial Officer, Bohn H. Crain. This agreement amended and restated our prior agreement with Mr. Crain dated January 10, 2002. A description of the terms of our new agreement with Mr. Crain can be found in this Proxy Statement under the heading "Employment Agreements."

Loan to Executive Officer

Under the terms of our employment agreement with Mr. Cohen, we provided him with a loan in the principal amount of \$100,000. The loan accrues interest at the rate of eight percent (8%) per annum and is due on April 17, 2004, or such earlier date that Mr. Cohen shall have received aggregate proceeds of \$5,000,000 from the sale of his options or the shares of Common Stock underlying his options. However, Mr. Cohen is not required to repay the loan if the sum of

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

the proceeds which he has received from the sale of his options or the shares of Common Stock underlying his options and the remaining equity in the options as of April 17, 2004 does not equal or exceed \$5,000,000.

1. Purpose. The purpose of the Plan is to provide employees of the Company and its Designated Subsidiaries with an opportunity to purchase Common Stock of the Company through accumulated payroll deductions. It is the intention of the Company to have the Plan qualify as an "Employee Stock Purchase Plan" under Section 423 of the Internal Revenue Code of 1986, as amended. The provisions of the Plan, accordingly, shall be construed so as to extend and limit participation in a manner consistent with the requirements of that section of the Code.
2. Definitions.
 - (a) "Board" shall mean the Board of Directors of the Company, any committee of the Board that may be appointed by the Board of Directors or a third party authorized as administrator by the Board of Directors, with such authority and power as the Board of Directors may determine, to administer the Plan.

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

- (i) "Exercise Date" shall mean the last Trading Day of each Purchase Period.

- (j) "Fair Market Value" shall mean, as of any date, the value of Common Stock determined as follows:

- (k) "Offering Periods" shall mean the periods of approximately six (6) months during which an option granted pursuant to the Plan may be exercised, commencing on the first Trading Day on or after each period and terminating on the last Trading Day in the periods ending six months later. The duration and timing of Offering Periods may be changed pursuant to Section 4 of this Plan. The first Offering Period will be for a period of five months.
- (l) "Plan" shall mean this 2003 Employee Stock Purchase Plan.
- (m) "Purchase Period" shall mean the approximately six month period commencing after one Exercise Date and ending with the next Exercise Date, except that the first Purchase Period shall commence on the Enrollment Date and end five months from that date.
- (n) "Purchase Price" shall mean 85% of the Fair Market Value of a share of Common Stock on the Enrollment Date or on the Exercise Date, whichever is lower; provided however, that the Purchase Price may be adjusted by the Board pursuant to Section 20.
- (o) "Reserves" shall mean the number of shares of Common Stock covered by each option under the Plan which have not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan but not yet placed under option.
- (p) "Subsidiary" shall mean a corporation, domestic or foreign, of which not less than 50% of the voting shares are held by the Company or a Subsidiary, whether or not such corporation now exists or is hereafter organized or acquired by the Company or a Subsidiary.
- (q) "Trading Day" shall mean a day on which national stock exchanges and the Nasdaq System are open for trading.

3. Eligibility.

- (a) Any employee who is regularly scheduled to work more than ten hours per week and employed by the Company on a given Enrollment Date shall be eligible to participate in the Plan.
- (b) Notwithstanding any provisions of the Plan to the contrary, no Employee shall be granted an option under the Plan (i) to the extent that, immediately after the grant, such Employee (or any other person whose stock would be attributed to such Employee pursuant to Section 424(d) of the Code) would own capital stock of the Company and/or hold outstanding options to purchase such stock possessing five percent (5%) or more of the total combined voting power or value of all classes of the capital stock of the Company or of any Subsidiary, or (ii) to the extent that his or her rights to purchase stock under all employee stock purchase plans of the Company and its subsidiaries accrues at a rate which exceeds Twenty-Five Thousand Dollars (\$25,000) worth of stock (determined at the Fair Market Value of the shares at the time such option is granted) for each calendar year in which such option is outstanding at any time.

4. Offering Periods. The Plan shall be implemented by consecutive, Offering Periods, or on such other date as the Board shall determine, and continuing thereafter until terminated in accordance with Section 20 hereof. The Board shall have the power to change the duration of Offering Periods (including the commencement dates thereof) with respect to future offerings without stockholder approval if such change is announced at least five (5) days prior to the scheduled beginning of the first Offering Period to be affected thereafter.

5. Participation.

- (a) An eligible Employee may become a participant in the Plan by completing a subscription agreement authorizing payroll deductions in the form of Exhibit A to this Plan and filing it with the Company's Treasury Department prior to the applicable Enrollment Date and such subscription agreement shall remain in effect for subsequent Offering Periods unless sooner terminated by the participant as provided in Section 10 hereof.
- (b) Payroll deductions for a participant shall commence on the first payroll following the Enrollment Date and shall end on the last payroll in the Offering Period to which such authorization is applicable, unless sooner terminated by the participant as provided in Section 10 hereof.

6. Payroll Deductions.

- (a) At the time a participant files his or her subscription agreement, he or she shall elect to have payroll deductions made on each pay day during the Offering Period in an amount not exceeding fifteen percent

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

(15%) of the Compensation which he or she receives on each pay day during the Offering Period.

- (b) All payroll deductions made for a participant shall be credited to his or her account under the Plan and shall be withheld in whole percentages and whole dollars only. A participant may not make any additional payments into such account.
 - (c) A participant may discontinue his or her participation in the Plan as provided in Section 10 hereof, or may decrease the rate of his or her payroll deductions during the Offering Period by completing and filing with the Company a new subscription agreement authorizing a change in payroll deduction rate. The Board may, in its discretion, limit the number of participation rate changes during any Offering Period. The change in rate shall be effective with the first full payroll period following five (5) business days after the Company's receipt of the new subscription agreement unless the Company elects to process a given change in participation more quickly. A participant's subscription agreement shall remain in effect for successive Offering Periods unless terminated as provided in Section 10 hereof.
 - (d) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b) (8) of the Code and Section 3(b) hereof, a participant's payroll deductions may be decreased to zero percent (0%) at any time during an Offering Period. Payroll deductions shall recommence at the rate provided in such participant's subscription agreement at the beginning of the first Offering Period which is scheduled to end in the following calendar year, unless terminated by the participant as provided in Section 10 hereof.
 - (e) At the time the option is exercised, in whole or in part, or at the time some or all of the Company's Common Stock issued under the Plan is disposed of, the participant must make adequate provision for the Company's federal, state, or other tax withholding obligations, if any, which arise upon the exercise of the option or the disposition of the Common Stock. At any time, the Company shall have the right to withhold from the participant's compensation the amount necessary for the Company to meet applicable withholding obligations, including any withholding required to make available to the Company any tax deductions or benefits attributable to sale or early disposition of Common Stock by the Employee.
7. Grant of Option. On the Enrollment Date of each Purchase Period, each eligible Employee participating in such Offering Period shall be granted an option to purchase on the Exercise Date during such Purchase Period (at the applicable Purchase Price) up to a number of shares of the Company's Common Stock determined by dividing such Employee's payroll deductions accumulated prior to such Exercise Date and retained in the Participant's account as of the Exercise Date by the applicable Purchase Price (subject to any adjustment pursuant to Section 19); and provided that such purchase shall

be subject to the limitations set forth in Sections 3(b), 6(a) and 12 hereof. The Board may, for future Offering Periods, increase or decrease, in its absolute discretion, the maximum number of shares of the Company's Common Stock an Employee may purchase during each Purchase Period of such

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Offering Period. Exercise of the option shall occur as provided in Section 8 hereof, unless the participant has withdrawn pursuant to Section 10 hereof. The option shall expire on the last day of the Offering Period.

8. Exercise of Option.

- (a) Unless a participant withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of shares shall be exercised automatically on each Exercise Date of a Purchase Period, and the maximum number of full shares subject to option shall be purchased for such participant at the applicable Purchase Price with the accumulated payroll deductions in his or her account. No fractional shares shall be purchased, any payroll deductions accumulated in a participant's account which are not sufficient to purchase a full share shall be retained in the participant's account for the subsequent Offering Period, subject to earlier withdrawal by the participant as provided in Section 10 hereof. Any other monies left over in a participant's account after a given Exercise Date shall be returned to the participant. During a participant's lifetime, a participant's option to purchase shares hereunder is exercisable only by him or her.
- (b) If the Board determines that, on a given Exercise Date, the number of shares with respect to which options are to be exercised may exceed (i) the number of shares of Common Stock that were available for sale under the Plan on the Enrollment Date of the applicable Purchase Period, or (ii) the number of shares available for sale under the Plan on such Exercise Date, the Board may in its sole discretion (x) provide that the Company shall make a pro rata allocation of the shares of Common Stock available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and continue all Offering Periods then in effect, or (y) provide that the Company shall make a pro-rata allocation of the shares available for purchase on such Enrollment Date or Exercise Date, as applicable, in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all participants exercising options to purchase Common Stock on such Exercise Date, and terminate any or all Offering Periods then in effect pursuant to Section 20 hereof. The Company may make pro rata allocation of the shares available on the Enrollment Date of any applicable Purchase Period pursuant to the preceding sentence, notwithstanding any authorization of additional shares for issuance under the Plan by the Company's stockholders subsequent to such Enrollment Date.

9. Delivery. As promptly as practicable after each Exercise Date on which a purchase of shares occurs, the Company shall arrange the delivery to each participant, as appropriate, of a certificate representing the shares

5

purchased upon exercise of his or her option or allocation of such number of shares with a designated employee brokerage account.

10. Withdrawal.

- (a) A participant may withdraw all but not less than all the payroll

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

deductions credited to his or her account not yet used to exercise his or her option under the Plan at any time by giving written notice to the Company in the form of Exhibit B to this Plan. All of the participant's payroll deductions credited to his or her account shall be paid to such participant promptly after receipt of notice of withdrawal and such participant's option for the Offering Period shall be automatically terminated, and no further payroll deductions for the purchase of shares shall be made for such Offering Period. If a participant withdraws from an Offering Period, payroll deductions shall not resume at the beginning of the succeeding Offering Period unless the participant delivers to the Company a new subscription agreement.

- (b) A participant's withdrawal from an Offering Period shall not have any effect upon his or her eligibility to participate in any similar plan which may hereafter be adopted by the Company or in succeeding Offering Periods which commence after the termination of the Offering Period from which the participant withdraws.
11. Termination of Employment. Upon a participant's ceasing to be an Employee for any reason, he or she shall be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such participant's account during the Offering Period but not yet used to exercise the option shall be returned to such participant or, in the case of his or her death, to the person or persons entitled thereto under Section 15 hereof, and such participant's option shall be automatically terminated. The Plan does not, directly or indirectly, create in any Employee or class of Employees any right with respect to the continuation of employment by the Company or any Subsidiary and it shall not be deemed to interfere in any way with the Company's or any Subsidiary's right to terminate or otherwise modify, an Employee's employment at any time.
12. Interest. No interest shall accrue on the payroll deductions of a participant in the Plan.
13. Stock.
- (a) Subject to adjustment upon changes in capitalization of the Company as provided in Section 19 hereof, the maximum number of shares of the Company's Common Stock which shall be made available for sale under the Plan shall be one million (1,000,000) shares or lesser amount determined by Board. The Common Stock issued under the Plan may be authorized but unissued shares, treasury shares or shares acquired in the open market or otherwise.
 - (b) The participant shall have no interest or voting right in shares covered by his option until such option has been exercised.
 - (c) Shares to be delivered to a participant under the Plan shall be registered in the name of the participant or in the name of the participant and his or her spouse.
14. Administration. The Plan shall be administered by the Board, a committee of members of the Board appointed by the Board, or by a third party authorized as administrator by the Board, as the case may be. The Board, its committee or third party administrator shall have full and exclusive discretionary authority to construe, interpret and apply the terms of the Plan, to

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

determine eligibility and to adjudicate all disputed claims filed under the Plan. Every finding, decision and determination made by the Board, its committee, or third party administrator shall, to the full extent permitted by law, be final and binding upon all parties.

15. Designation of Beneficiary.

- (a) A participant may file a written designation of a beneficiary who is to receive any shares and cash, if any, from the participant's account under the Plan in the event of such participant's death subsequent to an Exercise Date on which the option is exercised but prior to delivery to such participant of such shares and cash. In addition, a participant may file a written designation of a beneficiary who is to receive any cash from the participant's account under the Plan in the event of such participant's death prior to exercise of the option. If a participant is married and the designated beneficiary is not the spouse, spousal consent, which must be provided to the Company in a notarized document, shall be required for such designation to be effective.
- (b) Such designation of beneficiary may be changed by the participant at any time by written notice. In the event of the death of a participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such participant's death, the Company shall deliver such shares and/or cash to the executor or administrator of the estate of the participant, or if no such personal representative or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such shares and/or cash to the spouse or to any one or more dependents or relatives of the participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

16. Non-Transferability. Neither payroll deductions credited to a participant's account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 15 hereof) by the participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds from an Offering Period in accordance with Section 10 hereof.

7

- 17. Use of Funds. All payroll deductions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deductions.
- 18. Reports. Individual accounts shall be maintained for each participant in the Plan. Statements of account shall be given to participating Employees at least quarterly or, at the Board's sole discretion, by the Exercise Date for a particular Purchase Period, which statements shall set forth the amounts of payroll deductions, the Purchase Price, the number of shares purchased and the remaining cash balance, if any.
- 19. Adjustments Upon Changes in Capitalization, Dissolution, Liquidation, Merger or Asset Sale.
 - (a) Changes in Capitalization. Subject to any required action by the

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

stockholders of the Company, the Reserves, the maximum number of shares each participant may purchase each Offering Period (pursuant to Section 7), as well as the price per share and the number of shares of Common Stock covered by each option under the Plan that has not yet been exercised shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock, or any other increase or decrease in the number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an option.

- (b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Offering Period then in progress shall be shortened by setting a new Exercise Date (the "New Exercise Date"), and shall terminate immediately prior to the consummation of such proposed dissolution or liquidation, unless provided otherwise by the Board. The New Exercise Date shall be before the date of the Company's proposed dissolution or liquidation. The Board shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the participant's option has been changed to the New Exercise Date and that the participant's option shall be exercised automatically on the New Exercise Date, unless prior to such date the participant has withdrawn from the Offering Period as provided in Section 10 hereof.
- (c) Merger or Asset Sale. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation (a "Corporate Transaction"),

8

each outstanding option shall be assumed or an equivalent option substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. In the event that the successor corporation refuses to assume or substitute for the option, any Purchase Periods then in progress shall be shortened by setting a new Exercise Date (the "New Exercise Date") and any Offering Periods then in progress shall end on the New Exercise Date. The New Exercise Date shall be before the date of the Company's proposed sale or merger. The Board shall notify each participant in writing, at least ten (10) business days prior to the New Exercise Date, that the Exercise Date for the participant's option has been changed to the New Exercise Date and that the participant's option shall be exercised automatically on the New Exercise Date, unless prior to such date the participant has withdrawn from the Offering Period as provided in Section 10 hereof.

For purposes of this Section 19, an option granted under the Plan shall be deemed to be assumed, without limitation, if at the time of issuance of the stock or other consideration upon a Corporate Transaction, each holder of an option under the Plan would be entitled to receive upon exercise of the option the same number and kind of

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the Corporate Transaction if the holder had been, immediately prior to the Corporate Transaction, the holder of the number of shares of Common Stock covered by the option at such time (after giving effect to any adjustments in the number of shares covered by the option as provided in this Section 19); provided, however, that if the consideration received in the Corporate Transaction is not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock in the Corporate Transaction.

20. Amendment or Termination.

- (a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 19 hereof, no such termination can affect options previously granted, provided that an Offering Period may be terminated by the Board on any Exercise Date if the Board determines that the termination of the Offering Period or the Plan is in the best interests of the Company and its stockholders. Except as provided in Section 19 and this Section 20 hereof, no amendment may make any change in any option theretofore granted which adversely affects the rights of any participant. To the extent necessary to comply with Section 423 of the Code (or any successor rule or provision or any other applicable law, regulation or stock exchange or system, as the case may be, rule), the Company shall obtain stockholder approval in such a manner and to such a degree as required.

9

- (b) Without stockholder consent and without regard to whether any participant rights may be considered to have been "adversely affected," the Board (or its committee) shall be entitled to change the Offering Period or Purchase Period, limit the frequency and/or number of changes in the amount withheld during an Offering Period or Purchase Period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a participant in order to adjust for delays or mistakes in the Company's processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Common Stock for each participant properly correspond with amounts withheld from the participant's Compensation, and establish such other limitations or procedures as the Board (or its committee) determines in its sole discretion advisable which are consistent with the Plan.
- (c) In the event the Board determines that the ongoing operation of the Plan may result in unfavorable financial accounting consequences, the Board may, in its discretion and, to the extent necessary or desirable, modify or amend the Plan to reduce or eliminate such accounting consequence including, but not limited to:
- (1) altering the Purchase Price for any Offering Period including an

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Offering Period underway at the time of the change in Purchase Price;

- (2) shortening any Offering Period so that Offering Period ends on a new Exercise Date, including an Offering Period underway at the time of the Board action; and
- (3) allocating shares.

Such modifications or amendments shall not require stockholder approval or the consent of any Plan participants.

21. Notices. All notices or other communications by a participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.
22. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, state securities laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or system upon which the shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

10

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

The Plan shall be administered by the full Board of Directors of the Company or a committee of such Board of Directors comprised of two or more "Non-Employee Directors" within the meaning of Rule 16b-3(a) (3) promulgated under the Act (the "Plan Administrator"). - (c) determine the number of shares of Stock to be covered by any Award;
- (d) determine and modify from time to time the terms and conditions, including restrictions, of any Award and to approve the form of written instrument evidencing Awards;
- (e) accelerate at any time the exercisability or vesting of all or any portion of any Award and/or to include provisions in Awards providing for such acceleration;
- (f) impose limitations on Awards, including limitations on transfer and repurchase provisions;

Section 5. Shares Subject to the Plan. The number of shares of Stock which may be issued pursuant to the Plan shall be 13,000,000. For purposes of the foregoing limitation, the shares of Stock underlying any Awards which are forfeited, canceled, reacquired by the Company, satisfied without the issuance of Stock or otherwise terminated (other than by exercise) shall be added back to the number of shares of Stock available for issuance under the Plan. Stock to be issued under the Plan may be either authorized and unissued shares or shares held in treasury by the Company. Notwithstanding the foregoing, on and after the date that the Plan is subject to Section 162(m) of the Code, Stock Options with respect to no more than 2,500,000 shares of Stock may be granted to any one individual participant during any one calendar year period.

Section 6. Stock Options. Options granted pursuant to the Plan may be either Options which are Incentive Stock Options or Non-Qualified Stock Options. Incentive Stock Options and Non-Qualified Stock Options shall be granted separately hereunder. The Plan Administrator, shall determine whether and to what extent Options shall be granted under the Plan and whether such Options granted shall be Incentive Stock Options or Non-Qualified Stock Options; provided, however, that: (i) Incentive Stock Options may be granted only to employees of the Company or any Subsidiary that is a "subsidiary corporation" within the meaning of Section 424(f) of the Code; and (ii) No Incentive Stock Option may be granted following the tenth anniversary of the Effective Date of the Plan. For purposes of this Section 7, Options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of Stock shall be determined as of the time the Option with respect to such Stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 7, such different limitation shall be deemed incorporated herein effective as of the amendment date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section 7, the participant may designate which portion of such Option the participant is exercising. In the absence of such designation, the participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option.

Section 8. Terms of Options. Each Option granted under the Plan shall be evidenced by an agreement between the Company and the person to whom such Option is granted (the "Option Agreement") and shall be subject to the following terms

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

and conditions:

8.1 Exercise Price. Subject to adjustment as provided in Section 11 of this Plan, the price at which each share covered by an Option may be purchased shall be determined in each case by the Plan Administrator; provided, however, that such price shall not, in the case of an Incentive Stock Option, be less than the Fair Market Value of the underlying Stock at the time the Option is granted. If a participant owns (or is deemed to own under applicable provisions of the Code and rules and regulations promulgated thereunder) more than ten percent (10%) of the combined voting power of all classes of the stock of the Company and an Option granted to such participant is intended to qualify as an Incentive Stock Option, the Option price shall be no less than 110% of the Fair Market Value of the Stock covered by the Option on the date the Option is granted.

8.2 Exercise Period. Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria, and restrictions as shall be determined by the Plan Administrator and set forth in the Option Agreement evidencing such Option; provided, however, that (i) no Option shall be exercisable after the expiration of ten (10) years after the date of grant of such Option, (ii) no Incentive Stock Option granted to a participant who owns more than 10% of the combined voting power of all classes of stock of the Company (or any parent or subsidiary of the Company) shall be exercisable after the expiration of five (5) years after the date of grant of such Option, and (iii) no Option granted to a prospective employee, prospective consultant or prospective director may become exercisable prior to the date on which such person commences Service with the Participating Company. Subject to the foregoing, unless otherwise specified by the Option Agreement evidencing the Option, any Option granted hereunder shall have a term of ten (10) years from the effective date of grant of the Option.

8.3 Effect of Termination of Service. Unless otherwise provided in such participant's Option Agreement:

- (i) Death. If a participant shall cease to perform Service as a result of such participant's death, any Options then exercisable shall be exercisable until the earlier to occur of one year anniversary of the participant's death or the expiration of the Option Period and only by the participant's personal representative or persons entitled thereto under the participant's will or the laws of descent and distribution.
- (ii) Termination of Service. If a participant shall cease to perform Service to any member of the Participating Company Group, all Options to which the participant is then entitled to exercise may be exercised until the earlier to occur of the three month anniversary of the participant's termination

of Service or the expiration of the Option Period or, if such termination was due to disability or retirement (as hereinafter defined), until the earlier to occur of the one year anniversary of the participant's termination of Service or the expiration of the Option Period. Notwithstanding the foregoing, in the event that any termination of Service shall be for "Cause" (as defined herein) or the participant voluntarily terminates his or her Service, then any and all

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Options held by such participant shall forthwith terminate. For purposes of the Plan, "retirement" shall mean the termination of employment with the Participating Company Group, other than for Cause, at any time under circumstances which would entitle such participant to other retirement benefits provided by the Participating Company to whom the participant was providing Service immediately prior to the termination of Service or such other circumstances that the Plan Administrator concludes should be deemed a retirement.

- (iii) Limitation on Shares. The Option may not be exercised for more shares (subject to adjustment as provided in Section 11) after the termination of the participant's Service than the participant was entitled to purchase thereunder at the time of the termination of such relationship.

8.4 Payment of Exercise Price. The Option exercise price of each share purchased pursuant to an Option shall be paid in full at the time of each exercise (the "Payment Date") of the Option (i) in cash; (ii) by delivering to the Company a notice of exercise with an irrevocable direction to a broker-dealer registered under the Act to sell a sufficient portion of the shares and deliver the sale proceeds directly to the Company to pay the exercise price; (iii) in the discretion of the Plan Administrator, through the delivery to the Company of previously-owned shares of Common Stock having an aggregate Fair Market Value equal to the Option exercise price of the shares being purchased pursuant to the exercise of the Option; provided, however, that shares of Common Stock delivered in payment of the Option price must have been held by the participant for at least six (6) months in order to be utilized to pay the Option price; (iv) in the discretion of the Plan Administrator, by an election to have the Company withhold shares otherwise issuable to the participant having a Fair Market Value equal to the Option exercise price of the shares being purchased pursuant to the exercise of the Option; or (v) in the discretion of the Plan Administrator, through any combination of the payment procedures set forth in subsections (i)-(iv)

8.5 Nontransferability of Options. No Option shall be assignable or transferable other than by the laws of descent and distribution. During the lifetime of the participant, an Option shall be exercisable only by the participant or, in the event of the participant's incapacity, by the participant's legal guardian or legal representative.

Section 9. Stock Awards.

- (a) The Plan Administrator may grant Stock Awards to any officer, employee or consultant with any member of the Participating Company Group. A Stock Award entitles the recipient to acquire

6

shares of Stock subject to such restrictions and conditions as the Plan Administrator may determine at the time of grant ("Stock Award"). Conditions may be based on continuing employment (or other business relationship) and/or achievement of pre-established performance goals and objectives.

- (b) Upon execution of a written instrument setting forth the Stock Award and paying any applicable purchase price, a participant shall have the rights of a shareholder with respect to the Stock subject to the Stock Award, including, but not limited to the right to vote and receive dividends with respect

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

thereto; provided, however, that shares of Stock subject to Stock Awards that have not vested shall be subject to the restrictions on transferability described in Section 9(d) below. Unless the Plan Administrator shall otherwise determine, certificates evidencing the Stock Awards shall remain in the possession of the Company until such Stock is vested as provided in Section 9(c) below.

- (c) The Plan Administrator at the time of grant shall specify the date or dates and/or the attainment of pre-established performance goals, objectives and other conditions on which Stock shall become vested, subject to such further rights of the Company or its assigns as may be specified in the instrument evidencing the Stock Award. If the participant or the Company, as the case may be, fails to achieve the designated goals or the participant's relationship with the Company is terminated prior to the expiration of the vesting period, the participant shall forfeit all shares of Stock subject to the Stock Award which have not then vested.
- (d) Unvested Stock may not be sold, assigned transferred, pledged or otherwise encumbered or disposed of except as specifically provided herein or in the written instrument evidencing the Stock Award.

Section 10. Tax Withholding.

- (a) Whenever shares of Stock or Options are to be issued or cash is to be paid under the Plan, under circumstances in which the Plan Administrator believes that any federal, state or local tax withholding may be imposed, the Company or Subsidiary, as the case may be, shall have the right to require the participant to remit to the Company or Subsidiary, as the case may be, an amount sufficient to satisfy the minimum federal, state and local tax withholding requirements prior to the delivery of any certificate for shares or any proceeds; provided, however, that in the case of a participant who receives an Award of Stock under the Plan which is not fully vested, the participant shall remit such amount on the first business day following the Tax Date. The "Tax Date" for purposes of this Section 10 shall be the date on which the amount of tax to be withheld is determined. If a participant makes a disposition of Stock acquired upon the exercise of an Incentive Stock Option within either two years after the Option was granted or one year after its exercise by the

7

participant, the participant shall promptly notify the Company and the Company shall have the right to require the participant to pay to the Company an amount sufficient to satisfy federal, state and local tax withholding requirements.

- (b) A participant who is obligated to pay the Company an amount required to be withheld under applicable tax withholding requirements may pay such amount (i) in cash; (ii) in the discretion of the Plan Administrator, through the delivery to the Company of previously-owned shares of Stock having an aggregate Fair Market Value on the Tax Date equal to the tax obligation provided that the previously owned shares delivered

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

in satisfaction of the withholding obligations must have been held by the participant for at least six (6) months; (iii) in the discretion of the Plan Administrator, through an election to have the Company withhold shares of Stock otherwise issuable to the participant having a Fair Market Value on the Tax Date equal to the amount of tax required to be withheld, or (iv) in the discretion of the Plan Administrator, through a combination of the procedures set forth in subsections (i), (ii) and (iii) of this Section 10(b).

- (c) An election by a participant to have shares of Stock withheld to satisfy federal, state and local tax withholding requirements pursuant to Section 10(b) must be in writing and delivered to the Company prior to the Tax Date.

Section 11. Adjustment of Number and Price of Shares.

Any other provision of the Plan notwithstanding:

- (a) If, through or as a result of any merger, consolidation, sale of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar transaction, the outstanding shares of Stock are increased or decreased or are exchanged for a different number or kind of shares or other securities of the Company, or additional shares or new or different shares or other securities of the Company or other non-cash assets are distributed with respect to such shares of Stock or other securities, the Plan Administrator shall make an appropriate or proportionate adjustment in (i) the number of Stock Options that can be granted to any one individual participant, (ii) the number and kind of shares or other securities subject to any then outstanding Awards under the Plan, and (iii) the price for each share subject to any then outstanding Stock Options under the Plan, without changing the aggregate exercise price (i.e., the exercise price multiplied by the number of shares) as to which such Stock Options remain exercisable. The adjustment by the Plan Administrator shall be final, binding and conclusive.
- (b) In the event that, by reason of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation, the Board of Directors shall authorize the issuance or assumption of a stock Option or

8

stock Options in a transaction to which Section 424(a) of the Code applies, then, notwithstanding any other provision of the Plan, the Plan Administrator may grant an Option or Options upon such terms and conditions as it may deem appropriate for the purpose of assumption of the old Option, or substitution of a new Option for the old Option, in conformity with the provisions of Code Section 424(a) and the rules and regulations thereunder, as they may be amended from time to time.

- (c) No adjustment or substitution provided for in this Section 11 shall require the Company to issue or to sell a fractional

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

share under any Option Agreement or share award agreement and the total adjustment or substitution with respect to each stock Option and share award agreement shall be limited accordingly.

- (d) In the case of (i) the dissolution or liquidation of the Company, (ii) a merger, reorganization or consolidation in which the Company is acquired by another person or entity (other than a holding company formed by the Company), (iii) the sale of all or substantially all of the assets of the Company to an unrelated person or entity, or (iv) the sale of all of the stock of the Company to a unrelated person or entity (in each case, a "Fundamental Transaction"), the Plan and all Awards granted hereunder shall terminate, unless provision is made in connection with the Fundamental Transaction for the assumption of the Awards heretofore granted, or the substitution of such Awards with new awards of the successor entity, with appropriate adjustment as to the number and kind of shares and, if appropriate, the per share exercise price as provided in Subsections (a) and (b) of this Section 11. In the event of such termination and in the event the Board does not provide for the Cash Payment described in Subsection (e) of this Section each participant shall be notified of such proposed termination and permitted to exercise for a period of at least 15 days prior to the date of such termination all Options held by such participant which are then exercisable.
- (e) In the event that the Company shall be merged or consolidated with another corporation or entity, other than a corporation or entity which is an "affiliate" of the Company. under the terms of which holders of Stock of the Company will receive upon consummation thereof a cash payment for each share of Stock of the Company surrendered pursuant to such Business Combination (the "Cash Purchase Price"), the Board of Directors may provide that all outstanding Options shall terminate upon consummation of such transaction and each participant shall receive, in exchange therefor, a cash payment equal to the amount (if any) by which (i) the Cash Purchase Price multiplied by the number of shares of Stock of the Company subject to outstanding Options held by such participant exceeds (ii) the aggregate exercise price of such Options.

9

Section 12. Change in Control.

- (a) Unless otherwise provided in such participant's Option Agreement, agreements relating to Stock Awards or in a written employment or other agreement directly addressing the same subject matter as addressed below, in the event that the Plan is terminated as a result of or following a Change in Control (as defined herein), all vested Options and Stock Awards then outstanding at the time of such Plan termination may be exercised for a period of thirty (30) days from the date of notice of the proposed termination. In such event, all participants shall be credited with an additional six (6) months of service for the purpose of any otherwise unvested

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

Options and Stock Awards. Upon a Change in Control in which the Plan is either assumed or otherwise not subject to termination, if during the remaining term of such a participant's Options or Stock Awards, the participant is terminated other than for Cause, the participant will, at the time of such termination, be credited with an additional six (6) months of service for the purpose of any otherwise unvested Options and Stock Awards; however, in the event of a termination for Cause, all Options shall immediately terminate and all unvested portions of Stock Awards shall immediately terminate.

- (b) As used herein, a "Change in Control" shall be deemed to have occurred if: (i) any "person" (as such term is used in Section 13(d) and 14(d) of the Exchange Act) acquires "beneficial ownership" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the voting power of the then outstanding securities of the Company except where the acquisition is approved by the Board; or (ii) if the Company is to be consolidated with or acquired by another entity in a merger or other reorganization in which the holders of the outstanding voting stock of the Company immediately preceding the consummation of such event, shall, immediately following such event, hold, as a group, less than a majority of the voting securities of the surviving or successor entity or in the event of a sale of all or substantially all of the Company's assets or otherwise.
- (c) Notwithstanding anything in the Plan to the contrary, the acceleration of vesting and exercisability provided by Subsection (a) of this Section shall not occur in the event that such acceleration would make the transaction causing the Change in Control to be ineligible for pooling of interests accounting treatment, provided pooling of interest treatment is then still available and, in the absence of such acceleration, the transaction would qualify for such treatment and the Company intends to use such treatment with respect to such transaction.

Section 13. No Right to Future Employment. Nothing contained in the Plan nor in any Award agreement shall confer upon any participant any right with respect to the continuance of employment by the Company nor interfere in any way with the right of the Company to terminate his employment or change his compensation at any time.

10

Section 14. Amendment and Discontinuance. The Board of Directors may alter, amend, suspend or discontinue the Plan, provided that no such action shall deprive any person without such person's consent of any rights theretofore granted pursuant hereto.

Section 15. Compliance with Section 16. With respect to persons subject to Section 16 of the Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 (or its successor rule and shall be construed to the fullest extent possible in a manner consistent with this intent). To the extent that any Award fails to so comply, it shall be deemed to be modified to the extent permitted by law and to the extent deemed advisable by

Edgar Filing: STONEPATH GROUP INC - Form DEF 14A

the Plan Administrator in order to comply with Rule 16b-3.

Section 16. Compliance with Governmental Regulations. Notwithstanding any provision of the Plan or the terms of any agreement entered into pursuant to the Plan, the Company shall not be required to issue any shares of Stock hereunder prior to registration of the shares subject to the Plan under the Securities Act of 1933 or the Act, if such registration shall be necessary, or before compliance by the Company or any participant with any other provisions of either of those acts or of regulations or rulings of the Securities and Exchange Commission thereunder, or before compliance with other federal and state laws and regulations and rulings thereunder, including the rules any applicable exchange or of the Nasdaq Stock Market. The Company shall use its best efforts to effect such registrations and to comply with such laws, regulations and rulings forthwith upon advice by its counsel that any such registration or compliance is necessary.

Section 17. Participation by Foreign Nationals. The Plan Administrator may, in order to fulfill the purposes of the Plan and without amending the Plan, modify grants to foreign nationals or United States citizens employed abroad in order to recognize differences in local law, tax policy or custom.

Section 18. Effective Date of Plan - Shareholder Approval. The Plan was approved by the Board and became effective on June 1, 2000. Those provisions of the Plan that for federal tax purposes require approval of the stockholders of the Company (i.e., the granting of incentive stock options) shall not become effective until adopted by the stockholders, however, the Company reserves the right to grant Incentive Stock Options provided stockholder approval is secured within one (1) year from the date thereof. In the event Incentive Stock Options are granted and Stockholder approval is not timely secured, such Options shall remain in full force and effect, however, shall automatically convert to Non-Qualified Options.

Section 19. Governing Law. The Plan shall be governed by the internal laws of the State of Delaware without giving effect to its choice of law provisions. Unless otherwise provided in an Option Agreement or Award Agreement, Awards shall be governed by the same laws as the Plan.
