INTRODUCTION

On February 14, 2003, the Board of Directors of Investment Agents, Inc. (the "Company") approved, and recommended that the Company's Articles of Incorporation be amended (the "Charter Amendment") as follows:

- 1. To change the name of the Company to "City Network, Inc.";

3. To authorize 50,000,000 shares of preferred stock, par value \$0.001 (the "Preferred Stock"), of the Company.

As of February 17, 2003, the holders of approximately 52% of the outstanding shares of Common Stock executed a written consent adopting the Charter Amendment. As of the close of business on February 14, 2003, Company records indicated that 24,500,000 shares of its Common Stock were issued and outstanding.

QUESTIONS AND ANSWERS ABOUT THE CHARTER AMENDMENT

Edgar Filing: INVESTMENT AGENTS INC - Form DEF 14C

- A. Applicable laws require us to provide you information regarding the Charter Amendment even though your vote is neither required nor requested for the Charter Amendment to become effective.
- Q. WHAT WILL I RECEIVE IF THE CHARTER AMENDMENT IS COMPLETED?

AMENDMENT TO THE ARTICLES OF INCORPORATION

PROPOSALS AND BOARD RECOMMENDATION

On December 11, 2002 (the "Closing Date"), the Company acquired all of the issued and outstanding stock of City Network Technology, Inc., a British Virgin Islands company ("City Network") pursuant to an Amended Exchange Agreement (the "Exchange Agreement") dated as of December 4, 2002 by and among City Network, Shareholders of City Network, Investment Agents, Inc., Pamela Ray Stinson, Raymond Robert Acha and Joseph H. Panganiban. Pursuant to the Exchange Agreement, City Network became a wholly-owned subsidiary of the Company, and in exchange for the City Network shares, the Company (i) issued to the City Network Shareholders an aggregate of 12,000,000 shares of its Common Stock. Consequent to the acquisition of City Network, on December 11, 2002 our Board of Directors, believing it to be in the best interests of the Company and its stockholders, approved, and recommended that the stockholders of the Company approve, the

Edgar Filing: INVESTMENT AGENTS INC - Form DEF 14C

Charter Amendment. The Charter Amendment is reflected in the Form of Certificate of Amendment to Articles of Incorporation (the "Form of Charter Amendment") which is attached hereto as Annex A, and incorporated herein by reference. The authorization of additional shares of Common Stock and authorization of Preferred Stock will allow the Company to replenish the Company's surplus capital stock. In addition, the authorization of additional shares of Common Stock and authorization of Preferred Stock, and the authorization of the Board of Directors to create and issue various series of Preferred Stock without additional stockholder approval, will provide the Company the flexibility to use equity, rather than cash, to complete acquisitions, from time to time in the future. As of the date hereof, the Company has no commitments, arrangements or understandings with respect to the issuance of the additional Common Stock or Preferred Stock it is seeking to authorize. The Company has no understandings or agreements at this time with regard to any acquisitions.

(A) Increase in Authorized Common Stock of the Company. The Company's Articles of Incorporation currently authorize the Company to issue up to 25,000,000 shares of Common Stock. As of December 11, 2002, Company records indicate that the Company had issued and outstanding 24,500,000 shares of Common Stock. As a result, the number of authorized, non-designated shares of Common Stock available for issuance by the Company in the future has been reduced, and the Company's flexibility with respect to possible future stock splits, equity financings, stock-for-stock acquisitions, stock dividends or other transactions that involve the issuance of Common Stock has been severely diminished. The proposed increase of authorized shares will increase the total number of shares of unissued and unreserved authorized shares of Common Stock from 500,000 shares to 75,500,000 shares, an increase which the Board of Directors believes will improve the Company's flexibility to take such actions.

(B) Authorization of "Blank Check" Preferred Stock. The term "blank check" preferred stock refers to stock for which the designations, preferences, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions thereof are determined by the Board of Directors of a company. Upon the effectiveness of the Charter Amendment, the Board of Directors of the Company will be

-3-

entitled to authorize the designation and issuance of up to 50,000,000 shares of Preferred Stock in one or more series with such limitations and restrictions as may be determined in the sole discretion of the Company's Board of Directors, with no further authorization by stockholders required for the creation and issuance thereof, when required by law and in accordance with the provisions of Section 78.195 of the General Corporation Law of the State of Nevada, the Board of Directors of the Company shall have the express authority to execute, acknowledge and file a certificate of designations setting forth, any and all powers, designations, preferences, rights, qualifications, limitations or restrictions on the preferred stock. The Board of Directors believes that having such blank check preferred stock available for, among other things, proposed financing transactions, as well as possible issuances in connection with such activities as public or private offerings of shares for cash, dividends payable in stock of the Company, acquisitions of other companies or businesses, and otherwise, is in the best interest of the Company and its stockholders.

Rights and Preferences With Respect to Common Stock. If the Company issues Preferred Stock, such Preferred Stock will include certain designations, preferences, conversion rights, cumulative, relative, participating, optional or other rights, including voting rights, qualifications, limitations or restrictions, any of which may dilute the voting power and economic interest of the holders of the Common Stock. For example, in a liquidation, the holders of the Preferred Stock may be entitled to receive a certain amount per share of

Edgar Filing: INVESTMENT AGENTS INC - Form DEF 14C

Preferred Stock before the holders of the Common Stock receive any distribution. In addition, the holders of Preferred Stock may be entitled to a certain number of votes per share of Preferred Stock and such votes may dilute the voting rights of the holders of Common Stock when the Company seeks to take corporate action. Furthermore, Preferred Stock could be issued with certain preferences over the holders of Common Stock with respect to dividends or the power to approve the declaration of a dividend. The aforementioned are only examples of how shares of Preferred Stock, if issued, could dilute the interests of the holders of Common Stock.

Approval by Stockholders. As of February 17, 2003, the Company had 24,500,000 shares of its Common Stock issued and outstanding. As of this same date, stockholders representing 12,707,875 shares of Common Stock, or approximately 52% of the issued and outstanding shares of Common Stock, approved the proposals to amend the Company's Articles of Incorporation to: (i) increase the number of authorized shares of Common Stock of the Company to 100,000,000 shares from 25,000,000 shares; and (ii) authorize 50,000,000 shares of Preferred Stock of the Company. The full text of the Charter Amendment is reflected in the Form of Charter Amendment which is attached as Annex A of this information statement. Pursuant to the provisions of Nevada law and the Company's Articles of Incorporation, the holders of at least a majority of the outstanding voting shares are permitted to approve the Charter Amendment by written consent in lieu of a meeting, provided that prompt notice of such action is given to the other stockholders. Pursuant to the rules and regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), an information statement must be sent to the holders of voting stock who do not sign the written consent at least 20 days prior to the effective date of the action. This notice, which is being sent to all holders of record as of March 21, 2003, is intended to serve as such notice under Nevada law and as the information statement required by the Exchange Act.

-4-

Possible Anti-Takeover Effect. In addition to financing purposes, the Company could also issue shares of Common Stock or Preferred Stock that may, depending on the terms of such series, make more difficult or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest or other means. When, in the judgment of the Board of Directors, this action will be in the best interest of the stockholders and the Company, such shares could be used to create voting or other impediments or to discourage persons seeking to gain control of the Company. Such shares also could be privately placed with purchasers favorable to the Board of Directors in opposing such action. In addition, the Board of Directors could authorize holders of a series of Common or Preferred Stock to vote either separately as a class or with the holders of the Company's Common Stock, on any merger, sale or exchange of assets by the Company or any other extraordinary corporate transaction. The existence of the additional authorized shares could have the effect of discouraging unsolicited takeover attempts. The issuance of new shares also could be used to dilute the stock ownership of a person or entity seeking to obtain control of the Company should the Board of Directors consider the action of such entity or person not to be in the best interest of the stockholders of the Company. The issuance of new shares also could be used to entrench current management or deter an attempt to replace the Board of Directors by diluting the number or rights of shares held by individuals seeking to control the Company by obtaining a certain number of seats on the Board of Directors.

The Company anticipates that the Charter Amendment will be effective 20 days after the mailing of this Information Statement; that is, it will be effective on approximately April 15, 2003 or shortly thereafter.

THE CHARTER AMENDMENT HAS NOT BEEN APPROVED OR DISAPPROVED BY THE SECURITIES AND EXCHANGE COMMISSION, NOR HAS THE SECURITIES AND EXCHANGE

COMMISSION PASSED UPON THE FAIRNESS OR MERIT OF THE CHARTER AMENDMENT NOR UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS INFORMATION STATEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.
