PROXY STATEMENT

**FOR ANNUAL MEETING OF SHAREHOLDERS OF
MOOG INC.
TO BE HELD IN THE AUDITORIUM OF THE ALBRIGHT-KNOX ART GALLERY
1285 ELMWOOD AVENUE, BUFFALO, NEW YORK
ON JANUARY 14, 2004**

This Proxy Statement is furnished to shareholders of record on December 8, 2003 by the Board of Directors of MOOG Inc. (the Company) in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders on Wednesday, January 14, 2004, at 9:15 a.m., and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and accompanying proxy will be mailed to shareholders on or about December 12, 2003.

If the enclosed form of proxy is properly executed and returned, the shares represented thereby will be voted in accordance with the instructions thereon. Unless otherwise specified, the proxy will be deemed to confer authority to vote the shares represented by the proxy FOR Proposal 1, the amendment to the Company's Restated Certificate of Incorporation, FOR Proposal 2, the election of directors and FOR Proposal 3, the ratification of Ernst & Young LLP as independent auditors for the fiscal year 2004.

Any proxy given pursuant to this solicitation may be revoked by the person giving it insofar as it has not been exercised. Any revocation may be made in person at the meeting, or by submitting a proxy bearing a date subsequent to that on the proxy to be revoked, or by written notification to the Secretary of the Company.

GENERAL

The Board of Directors has fixed the close of business on December 8, 2003 as the record date for determining the holders of common stock entitled to notice of and to vote at the meeting. On December 8, 2003, the Company had outstanding and entitled to vote, a total of 15,116,466 shares of Class A common stock (Class A shares) and 2,132,196 shares of Class B common stock (Class B shares).

Holders of Class A shares are entitled to elect at least 25% of the Board of Directors, rounded up to the nearest whole number, so long as the number of outstanding Class A shares is at least 10% of the number of outstanding shares of both classes of common stock. Currently, the holders of Class A shares are entitled, as a class, to elect three directors of the Company, and the holders of the Class B shares are entitled, as a class, to elect the remaining eight directors. Other than on matters relating to the election of directors or as required by law, where the holders of Class A shares and Class B shares vote as separate classes, the record holder of each outstanding Class A share is entitled to a one-tenth vote per share and the record holder of each outstanding Class B share is entitled to one vote per share on all matters to be brought before the meeting.

The Class A director and the Class B directors will be elected by a plurality of the votes cast by the respective class. The amendment to the restated certificate of incorporation requires approval by a vote of the majority of the Class A and Class B shares voting as one class and the ratification of the auditors may be adopted by a majority of the Class A and Class B votes cast, a quorum of 7,558,234 Class A shares and 1,066,099 Class B shares being present. The record holders of 9% Cumulative Convertible Exchangeable Preferred Shares, Series B, \$1.00 par value (Series B Preferred Stock) are not entitled to vote on the scheduled matters upon which action is to be taken at the meeting. The Series B Preferred Stock will convert to 10,788 Class A shares no later than January 1, 2004.

In accordance with New York law, abstentions and broker non-votes are not counted in determining the votes cast in connection with the amendment to the restated certificate of incorporation or the ratification of the selection of Ernst & Young LLP as auditors of the Company for the 2004 fiscal year. However, abstentions and broker non-votes will have the effect of negative vote on the proposal to amend the restated certificate of incorporation, which requires the vote of a majority of Class A and Class B shares voting as one class. Votes withheld, including broker non-votes, in connection with the election of one or more nominees for director will not be counted and will have no effect.

Moog Family Agreement as to Voting

The Moog Family Agreement as to Voting is an agreement among the following relatives of the late Jane B. Moog: her children, Constance Kent Moog Silliman, Nancy Moog Aubrecht, Douglas B. Moog and Susan M. Mitchell; her adult grandchildren; her son-in-law, Richard A. Aubrecht; her daughter-in-law, Jeanne M. Moog; and Albert K. Hill, former legal counsel to the Company. The agreement relates to 143,625 Class A shares and 341,664 Class B shares, exclusive of currently exercisable options, owned of record or beneficially by the parties to the agreement other than Mr. Hill. Mr. Hill's shares are not covered by the agreement.

Each of the named parties granted an irrevocable proxy covering that person's shares of stock subject to the agreement to certain parties to the agreement who are required to take any action and cause all shares subject to the agreement to be voted as may be determined by the vote of any four of: Richard A. Aubrecht, Constance Kent Moog Silliman, Jeanne M. Moog, Douglas B. Moog, Susan M. Mitchell and Albert K. Hill.

The agreement contains restrictions on the ability of any party to remove all or any shares of stock from the provisions of the agreement and further provides for each of the parties who have the right to vote in certain instances to have successors named by them. In addition, the transfer in any manner of any shares of the Company is subject to the agreement.

The agreement, by its terms, continues in force until December 31, 2015, and is automatically renewed from year to year after that date unless any party to the agreement gives notice to the other parties of his election to terminate the agreement at least 90 days before December 31 of that year. The agreement also terminates upon the occurrence of certain events.

PROPOSAL 1 AMENDMENT TO CERTIFICATE OF INCORPORATION

It is proposed by the Board of Directors, pursuant to a resolution adopted on December 2, 2003, to amend Paragraph SIXTH of the Company's Restated Certificate of Incorporation to increase the permitted number of directors on the Company's Board of Directors. Paragraph SIXTH of the Company's Certificate of Incorporation currently states that the number of directors of the Company shall be not less than three nor more than nine. The proposed amendment to the Paragraph SIXTH would increase the permitted number of directors of the Company to not less than three nor more than fifteen directors. The increase in the permitted number of directors will allow for greater flexibility in meeting any future needs of the Company regarding the composition of the Board of Directors.

If the proposed amendment to the Certificate of Incorporation is adopted, the first sentence of Paragraph SIXTH will read in its entirety as follows:

SIXTH: The number of directors shall be not less than three nor more than fifteen.

The Board of Directors recommends a vote FOR adoption of the amendment to the Restated Certificate of Incorporation.

PROPOSAL 2 ELECTION OF DIRECTORS

One of the three classes of the Board of Directors of the Company is elected annually to serve three-year terms. Five directors are to be elected at the meeting, of which one is to be a Class A director elected by the holders of the outstanding Class A shares and four of which are to be Class B directors elected by the holders of the outstanding Class B shares. The Class A nominee and three of the Class B nominees will be elected to hold office until 2007, and one of the Class B nominees will be elected to hold office until 2005, or until the election and qualification of their successors. The persons named in the enclosed proxy will vote Class A shares for the election of the Class A nominee named below, and Class B shares for the election of the Class B nominees named below, unless the proxy directs otherwise. In the event any of the nominees should be unable to serve as a director, the proxy will be voted in accordance with the best judgment of the person or persons acting under it. It is not expected that any of the nominees will be unable to serve.

Nominees and Directors

Certain information regarding nominees for Class A and Class B directors, as well as those directors whose terms of office continue beyond the date of the 2004 Annual Meeting of Shareholders, including their beneficial ownership of equity securities, is set forth below. Unless otherwise indicated, each person held various positions with the Company for the past five years and has sole voting and investment power with respect to the securities beneficially owned. Beneficial ownership includes securities which could be acquired pursuant to currently exercisable options or options which become exercisable within 60 days of the date of this Proxy Statement.

All of the nominees with the exception of Mr. Boushie have previously served as directors and have been elected as directors at prior annual meetings.

Director Independence

The Board of Directors has adopted standards for determining whether a director is independent from management. The Board reviews, consistent with the Company's corporate governance guidelines, whether a director has any material relationship with the Company that would impair the director's independent judgment.

To assist it in making independence determinations, the Board refers to the standards set forth at 303A.02(b) of the New York Stock Exchange Listed Company Manual. The Board of Directors has affirmatively determined, based on these standards, that the following directors are independent: Messrs. James L. Gray, John D. Hendrick, Kraig H. Kayser, Brian J. Lipke, and Albert F. Myers. Raymond W. Boushie, who is standing for election to the Board, has also been determined to be independent. The Board has also determined that all Board standing committees, other than the Executive Committee, are composed entirely of independent directors.

Executive Sessions

The Company's corporate governance guidelines provide that the non-management directors, which for the Company is all of the independent directors, meet at regularly scheduled executive sessions without management. Generally, these sessions will take place prior to or following regularly scheduled Board meetings.

Section 16 Beneficial Ownership Reporting Compliance

Except as noted, during the fiscal year ended September 27, 2003, the executive officers and directors of the Company timely filed with the Securities and Exchange Commission the required reports regarding their beneficial ownership of Company securities. Mr. Green and Philip H. Hubbell, a Vice President, each reported one sales transaction late.

Other Directorships

Current Directors of the Company are presently serving on the following boards of directors of other publicly traded companies:

Name of Director	Company
Robert T. Brady	M & T Bank Corporation; Seneca Foods Corporation; Astronics Corporation; National Fuel Gas Company
Kraig H. Kayser	Seneca Foods Corporation
Brian J. Lipke	Gibraltar Steel Corporation

Board of Directors and Committee Meetings

From September 28, 2002 to September 27, 2003, the Board of Directors held seven meetings. Following are the standing committees of the Board of Directors and the number of meetings they each held during the last fiscal year:

Committees	Number of Meetings	Members
Audit	7	Messrs. Kayser, Hendrick, Gray and Myers
Executive	0	Messrs. Brady, Aubrecht, Banta, Green, and Maskrey
Executive Compensation	1	Messrs. Hendrick, Gray, Myers, and Lipke
Stock Option	2	Messrs. Myers, Hendrick, Gray, and Lipke
Nominating and Governance	1	Messrs. Gray, Hendrick, Kayser, Myers and Lipke

Mr. Gray attended less than 75% of Board of Directors and Committee meetings. In part this was due to scheduling conflicts related to special Board meetings called associated with the acquisition of the Poly-Scientific business of Litton Systems Inc., a Northrop Grumman Corporation subsidiary. While due to various reasons Board members may not be able to attend a Board meeting, all Board members are provided information related to each of the agenda items before each meeting, and, as such, can provide counsel outside the confines of regularly scheduled meetings.

The Audit Committee oversees the integrity of the financial reporting process, the independent auditor and any internal audit function of the Company. The Executive Committee, between meetings of the Board of Directors and to the extent permitted by law, exercises all of the powers and authority of the Board in the management of the business of the Company. The Executive Compensation Committee determines the CEO's compensation and makes recommendations on non-CEO executive compensation plans. The Stock Option Committee is responsible for the administration of the stock option plans of the Company and recommends to the Board of Directors proposed recipients of stock options. The Nominating and Governance Committee evaluates and recommends candidates for the Board of Directors and oversees governance matters.

NOMINATING AND GOVERNANCE COMMITTEE REPORT

The Nominating and Governance Committee is composed solely of independent, non-employee Directors of the Company. The committee participates in the search for qualified directors. At a minimum, qualifications must include relevant experience in the operation of public companies, education and skills, and a high level of integrity. The candidate must be willing and available to serve and should represent the interests of all shareholders and not of any special interest group. A shareholder wishing to nominate a candidate should forward the candidate's name and a detailed background of the candidate's qualifications to the Secretary of the Company taking into consideration the criteria set forth above and in the Company's corporate governance guidelines. The Committee met on December 2, 2003 and nominated Messrs. Banta, Boushie, Kayser, Maskrey and Myers for election at the 2004 Annual Meeting.

EXECUTIVE COMPENSATION COMMITTEE REPORT

The Executive Compensation Committee is composed solely of independent, non-employee directors of the Company. The Executive Compensation Committee is responsible for all elements of executive compensation including base salary, management profit sharing and other benefit programs for key executives.

The goals of the Company's executive compensation program are to:

1. Pay competitively to attract, retain and motivate superior executives who must operate in a highly competitive and technologically specialized environment, and
2. Relate total compensation for each executive to overall Company performance as well as individual performance, and
3. Align executives' performances and financial interests with shareholder value.

It is the Company's policy to consider the deductibility of executive compensation under applicable income tax rules, as one of many factors used to make specific compensation determinations consistent with the goals of the Company's executive compensation program. Presently, and for the foreseeable future, Section 162(m) of the Internal Revenue Code, relating to the nondeductibility of individual annual executive compensation payments in excess of \$1 million, will not cause any compensation to be paid by the Company to be nondeductible.

Salaries

Base salary ranges are developed after considering the recommendations of professional compensation consultants who conduct annual compensation surveys of similar companies. Base salaries within these ranges are targeted to be above average and competitive in relation to salaries paid for similar positions in comparable companies. On an annual basis, the Executive Compensation Committee reviews management recommendations for executives' salaries utilizing the results of survey data for comparable executive positions. Individual salary determinations within the established ranges are made based on position accountabilities, experience, sustained individual performance, overall Company performance, and peer comparisons inside and outside the Company, with each factor being weighed reasonably in relation to other factors.

Management Profit Sharing

Under the discretionary Management Profit Sharing Program, an individual executive's annual profit share is determined by multiplying the base salary by the product of the Company's percent improvement in diluted earnings per share and a multiple which varies with the executive's accountabilities. The Company uses percent improvement in earnings per share as the performance parameter because it is a principal financial performance measurement used by share investors and the general financial community.

The plan is intended to motivate executives toward the achievement of goals which are directly aligned with shareholder interests. Officers of the Company participate in this plan with all other key executives. There have been fiscal years when management has temporarily suspended payment under the Management Profit Sharing Program or paid only a portion of the amount calculated under the program. A management profit share was awarded to executives for fiscal year 2003. Such profit share is payable to executive officers on January 5, 2004, the date the Executive Compensation Committee established for payment.

Stock Options

Stock option plans are used to align the long-term financial interests of executives with those of shareholders.

The shareholders of the Company, on February 11, 1998, approved a Stock Option Plan (1998 Plan) providing for the grant of options which may be Incentive Stock Options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, or non-qualified stock options, or a combination of both, as determined by the Stock Option Committee. The 1998 Plan, which will terminate on December 31, 2007,

covers a total of 900,000 shares of the Company's Class A common stock, \$1.00 par value, reserved for the grant of options to directors, officers, and other key employees. The 1998 Plan provides that the option price shall be at least equal to the fair market value of the Company's Class A common stock at the time of the grant. The Plan is administered by a committee appointed by the Board of Directors comprised of at least three directors, each of whom is an independent Board member.

On February 5, 2003 the shareholders approved the 2003 Stock Option Plan (2003 Plan). The 2003 Plan is the same in all material respects to the 1998 Plan described in the preceding paragraph, with the exception that the 2003 plan imposes a three year holding period requirement unless Moog stock is used in payment of options exercised. The 2003 Plan covers 600,000 Moog Class A shares, and terminates November 26, 2012.

During fiscal year 2003, Messrs. Brady, Green, Maskrey, Banta and Aubrecht received options for 12,000, 9,000, 9,000, 9,000 and 9,000 shares, respectively, and all executive officers and directors as a group received options for a total of 114,500 shares. Of the options granted, options for 92,000 shares have an exercise price of \$28.20, and options for 22,500 shares have an exercise price of \$31.55, and are exercisable not less than one year and ending not more than ten years after the date upon which they were granted. See page 12 for table of Option Grants in Last Fiscal Year.

EMPLOYEES RETIREMENT PLAN

Under the Company's Employees Retirement Plan, benefits are payable monthly upon retirement to participating employees of the Company based upon compensation and years of service and subject to limitations imposed by the Employee Retirement Income Security Act of 1974 (ERISA). The Employees Retirement Plan is administered by a Retirement Plan Committee and covers all employees with one year of service and a minimum of 1,000 hours of employment.

Benefits payable under the Plan are determined on the basis of compensation and credited years of service. It is a career average plan. Effective January 1, 1998, Plan compensation for prior service as of October 1, 1990, is the base annual rate of pay, plus overtime pay and shift differential compensation for calendar year 1989, or the base annual rate of pay as of January 1, 1988, if higher.

Future service compensation is the basic annual rate of pay for the preceding plan year plus overtime and shift differential compensation, limited to \$200,000 (as indexed) from October 1, 2002 forward.

The prior service benefit is 1.15% of the first \$20,000 of prior service compensation, plus 1.75% of the excess, multiplied by prior service, but not less than the accrued benefit as of September 30, 1990, determined under the prior Plan.

The future service benefit for each year of credited service is 1.15% of the first \$20,000 of future service compensation for such year, plus 1.75% of the excess. Any participant with five years or more of service receives a minimum pension of \$2,400 per year, reduced pro rata for credited service of less than 15 years.

SUPPLEMENTAL RETIREMENT PLAN

The Company also has a Supplemental Retirement Plan applicable to eligible officers of the Company with at least 10 years of continuous service upon retirement at age 65 or older.

The Supplemental Retirement Plan provides benefits for an eligible officer who retires at age 65 with 25 years of service equal to 65% of the average of the highest consecutive three year base salary plus the highest annual profit share paid within three years of such officer's retirement, less any benefits payable under the Employees' Retirement Plan, and also less one-half the primary Social Security benefit of such officer at age 65. An officer 60 or more years of age, whose combined chronological age and years of service equal or exceed 90, may elect early retirement and receive reduced benefits. A reduced benefit is available for officers 65 years of age with between 10 and 25 years of service.

A participant's benefits are vested in the event of an involuntary termination of employment other than for cause, as defined in the Supplemental Retirement Plan. For purposes of the Supplemental Retirement Plan, a change in duties, responsibilities, status, pay or perquisites which follows a change of control of the Company, as defined therein, is deemed an involuntary termination.

The projected annual benefits, based on the last three years compensation, payable at normal age 65 retirement for each of the Named Executives under the Employees' Retirement Plan and the Supplemental Retirement Plan including one-half of the estimated primary Social Security benefit are:

Name	Projected Annual Benefit Payable At Normal Retirement Age
Robert T. Brady	\$435,090
Robert H. Maskrey	305,765
Joe C. Green	254,534
Robert R. Banta	250,274
Richard A. Aubrecht	223,385

EMPLOYMENT TERMINATION BENEFITS AGREEMENTS

Certain executive officers of the Company, including those named in the Summary Compensation Table, have entered into Employment Termination Benefits Agreements (the Termination Agreements) with the Company.

The Termination Agreements provide that upon death, disability or retirement, the executive will receive those benefits provided to him by the Company under all its benefit plans. Where employment is terminated for cause, as defined in the Termination Agreements, the executive is entitled to the cash equivalent of any unutilized vacation, but is not entitled to participate in any profit share award or incentive compensation payable after the date of termination. In such circumstances, the right to exercise any stock options is also terminated. Upon a voluntary termination, the executive receives employment benefits up to the date of

termination, as well as the cash value of any unutilized vacation benefits and stock options may be exercised. In the event of a voluntary termination, the executive is not entitled to receive any profit share award or incentive compensation payable after termination.

Upon an involuntary termination other than for cause, the executive is immediately vested under the Supplemental Retirement Plan and is entitled to receive for one year, certain perquisites and insurance benefits. The executive also receives amounts otherwise payable under the Management Profit Sharing Program. Stock options may be exercised, or if not then exercisable, the executive is entitled to cash in an amount equal to the difference between the then current market value of the Company Common Stock underlying the option and the option's exercise price. The executive is entitled to the cash value of unutilized vacation benefits, as well as to the continuation of base compensation plus profit share and any bonus for between 12 and 36 months, based on years of service. Where involuntary termination occurs by reason of a change of control of the Company, as defined in the Termination Agreements, the executive receives the benefits otherwise provided for an involuntary termination, with accelerated vesting of compensation continuation.

During the term of the Termination Agreements, and in the event of involuntary termination upon a change of control, until the last payment to the executive is made under the Termination Agreements, the executive may not compete with the Company.

DIRECTORS AND OFFICERS INDEMNIFICATION INSURANCE

On November 1, 2003, the Company renewed an officers and directors indemnification insurance policy written by The Chubb Group. The renewal was for a one-year period at an annual premium of \$210,000. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of their conduct in such capacities. No payments or claims of indemnification or expenses have been made under any such insurance policies purchased by the Company at any time.

PROPOSAL 3 SELECTION OF INDEPENDENT AUDITORS

The Board of Directors, on recommendation of the Audit Committee, has selected Ernst & Young LLP, independent certified public accountants, to continue as independent auditors of the Company for fiscal year 2004. Representatives of Ernst & Young LLP are expected to attend the shareholders meeting, will be available to respond to appropriate questions and will be given the opportunity to make a statement if they so desire.

Effective April 21, 2003, the Company engaged the accounting firm of Ernst & Young LLP as its new independent public accountants for its worldwide audit engagement. On April 21, 2003, the Company dismissed KPMG LLP and PricewaterhouseCoopers GmbH.

The reports of KPMG LLP on the consolidated financial statements of the Company and the reports of PricewaterhouseCoopers GmbH on the consolidated financial reporting packages of Moog GmbH, a wholly-owned subsidiary of the Company, for the two fiscal years ended September 28, 2002 and September 29, 2001 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope (other than KPMG LLP's reference in its reports to the audit work performed by PricewaterhouseCoopers GmbH) or accounting principles.

The decision to change the Company's accounting firm was made by the Audit Committee of the Company's Board of Directors on April 21, 2003.

In connection with the audits of the Company's financial statements for each of the two fiscal years ended September 28, 2002 and September 29, 2001 and in the subsequent interim periods from September 28, 2002

through and including April 21, 2003, there were no disagreements between the Company and its auditors, KPMG LLP and PricewaterhouseCoopers GmbH, on any matter of accounting principles or practices, consolidated financial statement disclosure, or auditing scope and procedures, which, if not resolved to the satisfaction of KPMG LLP or PricewaterhouseCoopers GmbH, would have caused KPMG LLP or PricewaterhouseCoopers GmbH to make reference to the matter in their reports.

There were no reportable events as that term is described in Item 304 (a)(1)(v) of Regulation S-K.

The Company did not consult with Ernst & Young LLP during the two fiscal years ended September 28, 2002 and September 29, 2001 or during the subsequent interim periods from September 28, 2002 through and including April 21, 2003, on either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements.

The Company requested KPMG LLP and PricewaterhouseCoopers GmbH to furnish letters addressed to the Securities and Exchange Commission stating whether KPMG LLP and PricewaterhouseCoopers GmbH agree with the statements made above by the Company. Such letters were provided.

AUDIT FEES

The following table sets forth the fees incurred by the Company related to the services of the Company's principal independent accountants, Ernst & Young and KPMG for the fiscal year ended September 27, 2003, and KPMG and PricewaterhouseCoopers for the fiscal year ended September 28, 2002:

	Fiscal Year Ended September 27, 2003	Fiscal Year Ended September 28, 2002
Audit Fees	\$ 727,065	\$662,818
Audit-Related Fees	52,000	12,500
Tax Fees	225,305	287,296
All Other Fees	9,835	22,608
	<hr/>	<hr/>
Total	\$ 1,014,205	\$985,222
	<hr/>	<hr/>

The Audit-Related Fees and All Other Fees principally relate to the audits of various U.S. benefit plans, as required, and discussions associated with applicable Sarbanes-Oxley legislation. Tax Fees relate to services associated with tax planning and compliance.

The Board of Directors recommends a vote FOR ratification of Ernst & Young LLP as auditors for fiscal year 2004.

AMENDMENTS TO BY-LAWS

On December 2, 2003, the Board adopted amendments to the Company's By-Laws. These amendments are described below and the By-Laws, as so amended, are attached as Appendix B. Pursuant to Section 601(b) of the New York Business Corporation Law (the "BCL") and Article XII, Section 12.02 of the By-Laws, the Board may adopt these amendments without shareholder approval. However, pursuant to Section 601(a) of the BCL and Article XII, Section 12.02 of the By-Laws, shareholders retain the right to amend or repeal this amendment at the Annual Meeting by the affirmative vote of the holders of a majority of the shares at the time entitled to vote for the election of Directors.

Amendment to the Company's By-Laws to Provide for Notification of Proposals and Director Nominations

Article I, Section 1.07 of the By-Laws was re-numbered to Section 1.06 and amended to provide an advance notice procedure for (i) proposals to be brought by shareholders before an annual meeting of shareholders and (ii) shareholder nominations for directors to be elected at an annual meeting of shareholders.

Edgar Filing: MOOG INC - Form DEF 14A

The amendment provides that proposals may be properly brought before an annual meeting by a shareholder of record (both at the time notice of the proposal is given by the shareholder and as of the record date of the annual meeting in question) of any shares of the Company entitled to vote at such annual meeting if the shareholder provides timely notice of such proposal to the Secretary of the Company in accordance with the requirements of the amended By-Laws. The amendment further provides that a shareholder making a proposal at an annual meeting be present at such meeting in person and that business brought before an annual meeting must also be a proper matter for shareholder action under the BCL.

A shareholder's notice to the Secretary of the Company must set forth certain information regarding the shareholder and the proposal, including the name and address of the shareholder, a brief description of the business the shareholder desires to bring before the annual meeting and the reasons for conducting such business at such annual meeting, the class or series and number of shares beneficially owned by the shareholder, the names and addresses of other shareholders known to support such proposal and any material interest of the shareholder in such proposal.

The amendment also provides that nominations of candidates for election as directors of the Company at any annual meeting of shareholders may be made by a shareholder of record (both at the time notice of such nomination is given by the shareholder and as of the record date of the annual meeting in question) of any shares of the Company entitled to vote at such annual meeting for the election of directors if the shareholder provides notice to the Secretary of the Company. A shareholder may nominate a candidate for election as a director only as to such class of director whose election such shareholder would be entitled to vote thereon at an annual meeting of shareholders. The amendment provides that any shareholder who desires to make a nomination must be present in person at the annual meeting.

In addition to the information required in a notice of a proposal, a notice to the Secretary with respect to nominations must contain certain information regarding each proposed nominee for director, including, the nominee's name, age, business and residence address, principal occupation, the class or series and number of shares of the Company beneficially owned by the nominee and a consent of the nominee to serve as a director, if elected. The notice must also provide a description of any arrangements or understandings between the nominating shareholder and each nominee and such other information concerning the nominee as required pursuant to the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended.

The amendment provides that a notice of a shareholder to the Secretary of the Company of a proposal or of a nomination for director will be considered timely if received by the Company at its principal executive office not less than ninety nor more than one hundred and twenty days prior to the anniversary date of the immediately preceding annual meeting of shareholders (the Anniversary Date). In the event that the annual meeting of shareholders is scheduled to be held on a date more than thirty days before, or more than thirty days after, the Anniversary Date, a shareholder's notice is timely if received by the Company at its principal executive office not later than the close of business on the tenth day following the day on which public announcement of the date of such annual meeting is first made by the Company. The amendment provides that a public announcement means a press release reported by the Dow Jones New Service, the Associated Press or comparable national news service, a report or other document publicly filed with the SEC or a letter or report sent to shareholders of the Company at the close of business on the day of the mailing of such letter or report.

The purpose of these advance notifications procedures is to afford the Board an opportunity to evaluate proposals to be brought before an annual meeting of shareholders and to review the credentials of any nominee for director. The advance notification procedures will also provide for the orderly conduct of annual meetings of the shareholders. These notification procedures could have the effect of curtailing efforts to obtain control of the Company or effect a change in management, irrespective of whether such action would be beneficial to shareholders generally. Neither the previous form of the By-Laws, the Company's Restated Certificate of Incorporation, nor the laws of the State of New York, contain notice provisions similar to those set forth in the amendment.

This amendment does not affect the 2004 Annual Meeting, but will apply to subsequent meetings of shareholders, unless amended or repealed by the shareholders.

Amendment to the Company's By-Laws for Administrative Matters

The Board also adopted the following amendments to the By-Laws to provide procedures to promote efficient administration of the Company by the Board and its executive officers:

Article I, Section 1.02, SPECIAL MEETING, was amended to provide that, unless otherwise required by law, a special meeting of the shareholders may be called at anytime by the President of the Company or by resolution of the Board. The section was also amended to provide that the business that may be transacted at such a meeting must be related to the purpose or purposes set forth in the request for the meeting.

Article I, Section 1.03, NOTICE OF MEETING, was amended to provide that the Board may authorize any person, in addition to the Secretary, to send notices of a shareholder meeting to the Company's shareholders and to provide that such notice may be sent by electronic transmission. The section was also amended to provide that notice of any meeting must be given not less than ten nor more than sixty days prior to such meeting. Section 1.03 previously provided that notice of any meeting must be given not less than ten nor more than fifty days prior to such meeting.

Article I, Section 1.06, ORDER OF BUSINESS, which previously provided for the order of business to be conducted at all meetings of the shareholders, was deleted.

Article I, Section 1.07, BUSINESS TRANSACTED, was replaced by a new Section 1.06, which is described above.

Article I, Section 1.08, PROXIES, was re-numbered to Section 1.07 and amended to provide that every proxy of a shareholder shall be revocable at the pleasure of the person executing it, except to the extent permitted by and in conformity with law. Section 1.08 previously provided that unless a proxy stated that it was irrevocable as permitted by law it was revocable at the pleasure of the person executing it.

Article I, Section 1.09, RECORD DATE, was re-numbered to Section 1.08 and amended to provide that a record date set by the Board must not be more than sixty or less than ten days before the date of such meeting, nor more than sixty days prior to any other action. Section 1.09 previously provided that the record date must not be more than fifty or less than ten days before the date of such meeting, nor more than fifty days prior to any other action. A provision of Section 1.09 providing for the automatic fixing of a record date in the event that a record date is not fixed by the Board was also deleted.

Article I, Section 1.19, ANNUAL STATEMENT, which required that an annual statement be presented by the Board at each annual meeting and at any special meeting of the shareholders, was deleted.

Audit Committee's Role

While the Audit Committee has the responsibilities and functions set forth in this Charter, it serves in an oversight capacity and, as such, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. (v) **Right of Claimant to Bring Suit.** If a request to be indemnified is made under Section 13.01(a) of this Article XIII, the Board shall make a determination pursuant to § 723(b) of the New York Business Corporation Law within 30 days after such request as to whether the person so requesting indemnification is entitled to indemnification under this Article XIII and the New York Business Corporation Law. If a request to be indemnified or for the reimbursement or advancement of

expenses under Section 13.01(b) is not paid in full by the Corporation within 30 days after a written claim has been received by the Corporation, the claimant may at any time thereafter bring suit against the Corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the New York Business Corporation Law or hereunder for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the New York Business Corporation Law or hereunder, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its shareholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

(vi) Insurance. The Corporation may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, limited liability company, joint venture, trust, employee benefit plan or other enterprise against any such expense, liability or loss, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the New York Business Corporation Law.

(vii) Separability. If this Section 13.01 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each director, officer, any every other person covered by this Section as to costs, charges and expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement with respect to any action, suit or proceeding, whether civil, criminal, administrative or investigative, including an action by or in the right of the Corporation, to the fullest extent permitted by any applicable portion of this Section 13.01(b) that shall not have been invalidated and to the fullest extent permitted by applicable law.
