Dear Stockholders:

On behalf of the Board of Directors of Town Sports International Holdings, Inc., I cordially invite you to attend our Annual Meeting of Stockholders, which will be held on Thursday, May 14, 2009 at 10:00 a.m. (New York City time) at Crowne Plaza Times Square, 1506 Broadway, New York, New York 10019.

In accordance with rules approved by the Securities and Exchange Commission allowing companies to furnish proxy materials to their shareholders over the Internet, we are now primarily furnishing proxy materials to our stockholders on the Internet, rather than mailing paper copies of the materials (including our Annual Report to Stockholders for fiscal 2008) to each stockholder. We believe that this new e-proxy process will expedite our stockholders' receipt of proxy materials, lower costs, and reduce the environmental impact of our annual meeting. We sent a Notice of Internet Availability of Proxy Materials or a full set of proxy materials on or about March 31, 2009 to our stockholders of record as of the close of business on March 17, 2009. We also provided access to our proxy materials over the Internet beginning on that date. If you received a Notice of Internet Availability of Proxy Materials by mail and did not receive, but would like to receive, a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the notice or on page 36 of this proxy statement. The formal Notice of Annual Meeting and the Proxy Statement follow.

It is important that your shares be represented and voted at the meeting, regardless of the size of your holdings. To have your vote recorded, you should vote over the Internet. In addition, if you have requested or received a paper copy of the proxy materials, you may vote by signing, dating and returning the proxy card sent to you in the envelope accompanying the proxy materials sent to you. We encourage you to vote by any of these methods even if you currently plan to attend the Annual Meeting.

If you decide to attend the Annual Meeting, you can still vote your shares in person if you wish. Please let us know whether you plan to attend meeting by indicating your plans when prompted over the Internet voting system or, if you have received a paper copy of the proxy materials, by marking the appropriate box on the proxy card sent to you. If you plan to attend the Annual Meeting, please bring this letter or proof of ownership and valid picture identification (such as a driver's license or passport) with you to the meeting, as this letter or proof of ownership and your picture identification will serve as your admittance pass to the meeting. If you choose to vote over the Internet or, if you have received a paper copy of the proxy materials, by completing the proxy card sent to you and later decide to attend the Annual Meeting and wish to change your proxy vote, you may do so automatically by voting in person at the Annual Meeting.

We look forward to seeing you at the Annual Meeting.

Sincerely,

Alexander Alimanestianu  
*Chief Executive Officer and President*

**PROXY STATEMENT**

**GENERAL INFORMATION**

This Proxy Statement is furnished to the stockholders of record of Town Sports International Holdings, Inc., a Delaware corporation ( Town Sports or the Company ), as of March 17, 2009, in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on Thursday, May 14, 2009, and at any adjournments of such meeting that may take place. The Annual Meeting will be held at 10:00 a.m. (New York City time) at Crowne Plaza Times Square, 1506 Broadway, New York, New York 10019. In accordance with rules approved by the Securities and Exchange Commission ( SEC ), we sent a Notice of Internet Availability of Proxy Materials or a full set of these proxy materials on or about March 31, 2009 to our stockholders of record as of the close of business on March 17, 2009. We also provided access to our proxy materials over the Internet beginning on that date. If you received a Notice of Internet Availability of Proxy Materials by mail and did not receive, but would like to receive, a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the notice or on page 36 of this proxy statement.

**Voting**

The specific matters to be considered and acted upon at the Annual Meeting are:

- (i) To elect eight members of the Company's Board of Directors (the Board ) as listed herein;
- (ii) To ratify of the Audit Committee's appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2009; and
- (iii) To act upon such other business as may properly come before the Annual Meeting.

These matters are described in more detail in this Proxy Statement.

On March 17, 2009, the record date for determination of stockholders entitled to notice of and to vote at the Annual Meeting, 22,532,166 shares of the Company's common stock were issued and outstanding. No shares of the Company's preferred stock were outstanding. Each stockholder is entitled to one vote for each share of common stock held by such stockholder on March 17, 2009. Stockholders may not aggregate their votes in the election of directors.

The stock transfer books of the Company will remain open between the record date and the date of the Annual Meeting. A list of stockholders entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting and for a period of ten days prior to the meeting during regular business hours at the offices of the Company.

The presence, in person or by proxy, at the Annual Meeting of the holders of a majority of the shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum in connection with the transaction of business at the Annual Meeting. Abstentions, broker non-votes and withheld votes are each counted as present for the purpose of determining the presence of a quorum.

With respect to the election of the members of the Board, if a quorum is present at the Annual Meeting, the eight nominees who receive the greatest number of votes properly cast (in person or by proxy) will be elected as directors. All other proposals must be approved by the affirmative vote of the holders of a majority of the shares of the common stock present at the Annual Meeting, in person or by proxy, and entitled to vote thereon or having voting power with respect thereto.

---

## **Table of Contents**

*Abstentions and Withheld Votes:* With respect to the election of directors, votes may be cast in favor of or withheld from each nominee. Votes that are withheld will be excluded entirely from the vote with respect to the nominee from which they are withheld and will have the same effect as an abstention. Votes that are withheld will not have any effect on the outcome of the election of directors. Abstentions will have the effect of a vote against the other matters being voted on at the Annual Meeting.

*Broker Non-Votes:* Broker non-votes occur when shares held by a broker are not voted with respect to a proposal because (1) the broker has not received voting instructions from the stockholder who beneficially owns the shares and (2) the broker lacks the authority to vote the shares at his/her discretion. We believe that there can be no broker non-votes with respect to the matters being voted on at the Annual Meeting because brokers should have discretion under current stock exchange rules to vote uninstructed shares on both Proposal No. 1 and Proposal No. 2.

All votes will be tabulated by the inspector of election appointed for the meeting.

Under the General Corporation Law of the State of Delaware, stockholders are not entitled to dissenter's rights with respect to any matter to be considered and voted on at the Annual Meeting, and the Company will not independently provide stockholders with any such right.

## **Proxies**

Unless revoked, all proxies representing shares entitled to vote that are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification. Where a choice has not been specified on the proxy card, the proxy will be voted FOR the election of all the nominated directors listed herein, unless the authority to vote for the election of such directors is withheld. In addition, if no contrary instructions are given, the proxy will be voted FOR the approval of Proposal 2 described in this Proxy Statement and as the proxy holders deem advisable for all other matters as may properly come before the Annual Meeting. You may revoke or change your proxy at any time before the Annual Meeting by filing with the Corporate Secretary of the Company, at the Company's principal executive offices at 5 Penn Plaza (4th Floor), New York, New York 10001, a notice of revocation or another signed Proxy Card with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you hold shares in street name, you may submit new voting instructions by contacting your bank, broker or other nominee. You may also change your vote or revoke your proxy in person at the Annual Meeting if you obtain a signed proxy from the record holder (broker or other nominee) giving you the right to vote the shares.

## **Voting Shares Without Attending the Annual Meeting**

If you are a shareholder of record you may vote by granting a proxy. For shares held in street name, you may vote by submitting voting instructions to your broker or nominee. In all circumstances, you may vote:

*By Internet* If you have Internet access, you may submit your proxy by going to [www.proxyvote.com](http://www.proxyvote.com) and by following the instructions on how to complete an electronic proxy card. You will need the 12-digit Control Number included on your Notice or your proxy card in order to vote by Internet.

*By Mail* You may vote by mail by requesting a proxy card from us, indicating your vote by completing, signing and dating the card where indicated and by mailing or otherwise returning the card in the envelope that will be provided to you. You should sign your name exactly as it appears on the proxy card. If you are signing in a representative capacity (for example, as guardian, executor, trustee, custodian, attorney or officer of a corporation), indicate your name and title or capacity.

**Internet voting facilities will close at 11:59 p.m. (Eastern Daylight Time) on May 13, 2009 for the voting of shares held by shareholders of record or held in street name.**

**Mailed proxy cards with respect to shares held of record or in street name must be received no later than May 13, 2009.**

First, you must satisfy the requirements for admission to the Annual Meeting (see below). Then, if you are a stockholder of record and prefer to vote your shares at the Annual Meeting, you must bring proof of identification along with your Notice or proof of ownership. You may vote shares held in street name at the Annual Meeting only if you obtain a signed proxy ( legal proxy ) from the record holder (broker or other nominee) giving you the right to vote the shares.

Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet or proxy card so that your vote will be counted even if you later were to decide not to attend the Annual Meeting.

### **Admission to the Annual Meeting**

Please let us know whether you plan to attend meeting by indicating your plans when prompted over the Internet voting system or, if you have received a paper copy of the proxy materials, by marking the appropriate box on the proxy card sent to you. If you plan to attend the Annual Meeting, please bring the Notice accompanying this proxy statement or proof of ownership and valid picture identification (such as a driver s license or passport) with you to the meeting, as the Notice or proof of ownership and your picture identification will serve as your admittance pass to the meeting. If your shares are held beneficially in the name of a bank, broker or other holder of record and you wish to be admitted to attend the Annual Meeting, you must present proof of your ownership of Town Sports International Holdings, Inc. shares, such as a bank or brokerage account statement.

### **Solicitation**

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of the Notice of Internet Availability of Proxy Materials, this Proxy Statement, the Proxy Card and any additional solicitation materials furnished to the stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, the Company may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, facsimile, or other means (including by directors, officers or employees of the Company, to whom no additional compensation will be paid for any such services).

### **Deadline for Receipt of Stockholder Proposals**

In order to be considered for inclusion in the Company s Proxy Statement and Proxy Card relating to the 2010 Annual Meeting of Stockholders, any proposal by a stockholder submitted pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended, must be received by the Company at its principal executive offices in New York, New York, on or before December 1, 2009.

Our bylaws require advance notice of business to be brought before a stockholders meeting, including nominations of persons for election as directors. On May 15, 2008, the stockholders of the Company approved the Second Amended and Restated By-Laws (the By-Laws ) to revise the Company s advance notice provisions. Among other things, the amendments modified the advance notice timing requirements and expanded the information required to be provided by any stockholder who proposes director nominations or any other business for consideration at a stockholders meeting. To be timely, any proposal for consideration at the 2010 Annual Meeting of Stockholders submitted by a stockholder (other than for inclusion in the Company s Proxy Statement pursuant to Rule 14a-8) must be delivered to or mailed and received by the Corporate Secretary of the Company at the principal executive offices of the Company

not earlier than the close of business on December 15, 2009 and not later than the close of business on January 14, 2010; and in any event such proposal will be considered timely only if it is otherwise in compliance with the requirements set forth in the By-Laws. The proxy solicited by the Board for the 2010 Annual Meeting of Stockholders will confer discretionary authority to vote as the proxy holders deem advisable on such stockholder proposals which are considered untimely.

**Table of Contents****MATTERS TO BE CONSIDERED AT ANNUAL MEETING****PROPOSAL ONE ELECTION OF DIRECTORS****General**

Upon the recommendation of the Nominating and Corporate Governance Committee of the Board (the Nominating and Corporate Governance Committee), the Board has proposed for election at the Annual Meeting the eight individuals listed below to serve, subject to the By-Laws, as directors of the Company. All directors are elected annually, and serve until the next Annual Meeting of the Stockholders and until the election and qualification of their successors. If any director is unwilling or unable to stand for re-election (which is not anticipated), the Board may reduce its size or designate a substitute. If a substitute is designated, proxy votes in favor of the original director candidate will be counted for the substituted candidate. All of the nominees for director currently serve as directors.

All of the nominees have consented to be named and, if elected, to serve, and management has no reason to believe that any of them will be unavailable to serve. If any of the nominees is unable or declines to serve as a director at the time of the Annual Meeting, the proxies may be voted in the discretion of the persons acting pursuant to the proxy for the election of other nominees. It is intended that the proxies delivered pursuant to this solicitation will be voted for the election of all such persons except to the extent the proxy is specifically marked to withhold such authority with respect to one or more of such persons. The proxies solicited by this Proxy Statement cannot be voted for a greater number of persons than the number of nominees named. Set forth below is certain information concerning the nominees, as of March 30, 2009.

- (1) Audit fees are for fees and expenses associated with professional services rendered by PricewaterhouseCoopers in connection with (i) the audits of the Company's annual consolidated financial statements and internal control over financial reporting, including services related to statutory audits of certain of our subsidiaries, (ii) reviews of unaudited interim financial statements included in the Company's quarterly reports on Form 10-Q and (iii) reviews of documents filed with the SEC.
- (2) In 2007, audit-related fees were for due diligence related to acquisitions and divestitures and assurance and related services that were reasonably related to the performance of the audits or reviews of the Company's financial statements and not reported under the heading "Audit Fees" above. In 2008, audit-related fees were for assisting with the implementation of our new financial accounting software application and the review of the Form S-8 related to amendment to our 2006 Stock Incentive Plan.

- (3) Tax fees are for tax compliance, tax consulting and tax planning services.
- (4) All other fees are for assistance with review and response to communications with the SEC staff relating to disclosure matters.

The Audit Committee has determined that the provision of services discussed above is compatible with maintaining the independence of PricewaterhouseCoopers LLP from the Company.

**Pre-Approval Policies and Procedures**

The Audit Committee pre-approves all audit and permissible non-audit services. The Audit Committee has authorized each of its members to pre-approve audit, audit-related, tax and non-audit services, provided that such approved service is reviewed with the full Audit Committee at its next meeting.

As early as practicable in each fiscal year, the independent registered public accounting firm provides the Audit Committee with a schedule of the audit and other services that it expects to provide or may provide during the fiscal year. The schedule is specific as to the nature of the proposed services, the proposed fees and other details that the Audit Committee may request. The Audit Committee by resolution authorizes or declines the proposed services. Upon approval, the schedule serves as the budget for fees by specific activity or service for the fiscal year.

A schedule of additional services proposed to be provided by the independent registered public accounting firm or proposed revisions to services already approved, along with associated proposed fees, may be presented to the Audit Committee for its consideration and approval at any time. The schedule is required to be specific as to the nature of the proposed service, the proposed fee, and other details that the Audit Committee may request. The Audit Committee intends by resolution to authorize or decline authorization for each proposed new service.

The Audit Committee pre-approved 100% of the audit fees, audit-related fees and tax fees and all other services for the fiscal years ended December 31, 2008 and 2007.

**Required Vote**

The affirmative vote of the holders of a majority of the shares of common stock present in person or represented by proxy and having voting power is required to ratify the Audit Committee's selection of PricewaterhouseCoopers LLP. Abstentions will have the effect of a vote against this proposal.

**Recommendation of the Board of Directors**

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S SELECTION OF PRICEWATERHOUSECOOPERS LLP TO SERVE AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2009.**

**CORPORATE GOVERNANCE AND BOARD MATTERS**

**Director Independence**

The Board affirmatively has determined that a majority of our directors—Messrs. Alessi, Arnold, Edmonds, Fish, Galligan and McCall—are independent under, and as required by, the listing standards of The Nasdaq Stock Market. Mr. Alimanestianu is not independent because he is our Chief Executive Officer and President, and Mr. Bruckmann is not independent because of the relationship between Town Sports and BRS, with which Mr. Bruckmann is affiliated. Mr. Robert Giardina, a former director of the Company during the fiscal year ended December 31, 2008, was not independent because he has been employed by the Company within the past three years and currently serves as a consultant to the Company. The relationship between Town Sports and BRS is described under "Certain Relationships and Related Transactions—Professional Services Agreement with BRS" in this Proxy Statement.

**Board Structure**

The Board has eight members and the following four committees: Audit; Compensation; Nominating and Corporate Governance; and Finance. The membership during the last fiscal year and the function of each of the committees are described below.

**Table of Contents****Board Committees and Meetings**

The Board held eight meetings during the fiscal year ended December 31, 2008, which is referred to in this Proxy Statement as the 2008 Fiscal Year. In the 2008 Fiscal Year, each director who was a member of the Board during 2008 attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board, and (ii) the total number of meetings held by all committees of the Board on which such director served (in each case for meetings held during the period in the 2008 Fiscal Year for which such director served).

The Board meets in executive session, without the presence of any of the Company's officers, at least twice per year and upon the request of any independent director. Currently, all directors are independent, except for Messrs. Alimanestianu and Bruckmann.

All members of the Board are encouraged to attend the Company's annual meeting of stockholders. All but one of our directors serving at that time were present at the 2008 annual meeting of our stockholders.

**Committee Membership**

The following table sets forth the name of each director and the Board committee on which each such director is currently a member:

***Audit Committee***

The Audit Committee appoints our independent registered public accounting firm, subject to ratification by our stockholders, reviews the plan for and the results of the independent audit, approves the fees of our independent registered public accounting firm, reviews with management and the independent registered public accounting firm our quarterly and annual financial statements and our internal accounting, financial and disclosure controls, reviews and approves transactions between Town Sports and its officers, directors and affiliates and performs other duties and responsibilities as set forth in a charter approved by the Board. The Audit Committee currently consists of three members of our Board: Keith E. Alessi, Thomas J. Galligan III (Chair) and Kevin McCall. Each member of our Audit

Committee is independent, as independence is defined for purposes of Audit Committee membership by the listing standards of Nasdaq and the applicable rules and regulations of the SEC. The Audit Committee held four meetings during the 2008 Fiscal Year.

The Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our balance sheet, income statement and cash flow statement, as required by Nasdaq rules. In addition, the Board has determined that both Messrs. Alessi and Galligan satisfy the Nasdaq rule requiring that at least one member of the Audit Committee of our Board have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the member's financial sophistication, including being, or having been, a chief executive officer, chief financial officer or other senior officer with financial

oversight responsibilities. The Board has also determined that Messrs. Alessi and Galligan are audit committee financial experts as defined by the SEC.

### ***Compensation Committee***

The Compensation Committee of our Board evaluates performance and establishes and oversees executive compensation policy and makes decisions about base pay, incentive pay and any supplemental benefits for our executive officers. The Compensation Committee also administers our stock incentive plans and approves the grant of equity awards, the timing of the grants and the number of shares for which equity awards are to be granted to our executive officers, directors and other employees. The Compensation Committee also performs other duties and responsibilities as set forth in a charter approved by the Board. The Compensation Committee currently consists of three members of our Board: Paul N. Arnold (Chair); Jason M. Fish; and Kevin McCall. Each member of the Compensation Committee is independent, as independence is defined for purposes of Compensation Committee membership by the listing standards of Nasdaq. In addition, each member is a non-employee director, as defined under the applicable rules and regulations of the SEC, and an outside director, as defined under applicable federal tax rules. The Compensation Committee held four meetings during the 2008 Fiscal Year.

When considering decisions concerning the compensation of the executive officers listed in the Summary Compensation Table (the Named Executive Officers) (other than the Chief Executive Officer), the Compensation Committee asks for the Chief Executive Officer's recommendations, including his evaluation of each Named Executive Officer's performance. Each December, in connection with the preparation of the Company's annual budget for the immediate succeeding fiscal year, the Chief Executive Officer and the Chief Financial Officer review the compensation of all key employees of the Company, including the Named Executive Officers. Once the Chief Executive Officer and the Chief Financial Officer have finalized the budget, the compensation component of the budget for the Named Executive Officers is submitted to the Compensation Committee for its review and approval. Following its approval, the entire proposed budget is submitted to Board for its review and approval.

No Named Executive Officer has a role in determining or recommending compensation for outside directors.

In addition, the Compensation Committee has the authority under its charter to retain outside consultants or advisors, as it deems necessary or advisable. In making its determinations with respect to executive compensation, the Compensation Committee did not historically engage the services of a compensation consultant. However, beginning in 2008, the Compensation Committee retained the services of Axiom Consulting Partners (Axiom), an independent compensation consultant, to review the executive compensation program of the Company as it pertains to the Chief Executive Officer and the other executive officers.

Axiom maintains no other direct or indirect business relationships with the Company. All executive compensation services provided by Axiom are conducted under the direction or authority of the Compensation Committee, and all work performed by Axiom must be pre-approved by the Compensation Committee or the Chair of the Compensation Committee.

As requested by the Compensation Committee, in 2008, Axiom's services to the Compensation Committee included, among other things, advising with respect to individual compensation for the Named Executive Officers; reviewing and discussing possible aggregate levels of corporate-wide bonus payments and equity awards; preparing comparative analyses of executive compensation levels and elements at peer group companies; and advising as to whether our compensation exceeded or fell below targeted levels and whether the actual amounts paid were commensurate with our operating performance as compared to our peer group companies.

An Axiom representative participated in two of the four Compensation Committee meetings in 2008.

In 2008, we paid Axiom \$42,850 for services rendered to the Compensation Committee.

### ***Nominating and Corporate Governance Committee***

The Nominating and Corporate Governance Committee of our Board selects nominees to be recommended by the Board for election as directors and for any vacancies in such positions. The Nominating and Corporate Governance Committee also oversees the evaluation of our Board and management and oversees our Code of Ethics and Business Conduct. The Nominating and Corporate Governance Committee also performs other duties and responsibilities as set forth in a charter approved by the Board. The Nominating and Corporate Governance Committee currently consists of three members of our Board: Paul N. Arnold; Jason M. Fish; and Thomas Galligan (Chair). Each member of the Nominating and Corporate Governance Committee is independent, as independence is defined for purposes of Nominating and Corporate Governance Committee membership by the listing standards of Nasdaq. The Nominating and Corporate Governance Committee held no meetings during the 2008 Fiscal Year but acted by unanimous written consent in one instance.

The Nominating and Corporate Governance Committee considers director nominees on a case-by-case basis, and therefore has not formalized any specific, minimum qualifications that it believes must be met by a director nominee, identified any specific qualities or skills that it believes are necessary for one or more of our directors to possess, or formalized a process for identifying and evaluating nominees for director, including nominees recommended by stockholders.

The Nominating and Corporate Governance Committee's policy is to consider director candidates that are recommended by stockholders. The Nominating and Corporate Governance Committee will evaluate nominees for director recommended by stockholders in the same manner as nominees recommended by other sources. Stockholders wishing to bring a nomination for a director candidate at a stockholders' meeting must give written notice to our Corporate Secretary, pursuant to the procedures set forth in the section of this Proxy Statement titled "Communicating with the Board of Directors" and subject to the deadline set forth in the section titled "Deadline for Receipt of Stockholder Proposals." The stockholder's notice must set forth all information relating to each person whom the stockholder proposes to nominate that is required to be disclosed under applicable rules and regulations of the SEC and our By-Laws.

### ***Finance Committee***

The Finance Committee of our Board is responsible for (1) overseeing and reviewing the financial affairs and policies of the Company and the implementation of such policies, (2) overseeing all material potential business and financial transactions, and (3) any other duties assigned by the Board. The Finance Committee held two meetings during the 2008 Fiscal Year.

### **Communicating with the Board of Directors**

Stockholders and other interested parties may communicate with the Board, including the non-management directors as a group, by writing to the Board, c/o Corporate Secretary, Town Sports International Holdings, Inc. at 5 Penn Plaza (4th Floor), New York, New York 10001. Inquiries will be reviewed by the Company's Corporate Secretary and will be distributed to the appropriate members of the Board depending on the facts and circumstances outlined in the communication received. For example, if a complaint concerning accounting, internal accounting controls or auditing matters was received, it would be forwarded by the Corporate Secretary to the Audit Committee. The Corporate Secretary has the authority to discard or disregard any communication that is unduly hostile, threatening, illegal or otherwise inappropriate.

## **EXECUTIVE COMPENSATION**

### **Compensation Discussion and Analysis**

#### ***Compensation Objectives and Strategy***

The Company's compensation program for our executive officers is designed to attract and retain the caliber of officers needed to ensure the Company's continued growth and profitability and to reward them for their performance, the Company's performance and for creating longer term value for the Company's stockholders. The primary objectives of the program are to:

*Attract and retain top tier executive talent who will draw upon their experience across industries to lead the Company in meeting its objectives*

Our overall compensation levels are targeted to attract and retain the best executives in light of the competition for executive talent. The Compensation Committee generally targets total direct compensation (base salary plus annual non-equity incentive compensation at target plus stock-based long-term incentive opportunity) at the market median for target performance. However, the competitiveness of individual components (such as base salary, annual non-equity incentive compensation or long-term incentive opportunity) may at times be below or above the market median due to performance achievement against goals, diversity of executive background, employment history and/or labor market demands.

*Motivate and reward the achievement of critical strategic, operational and financial objectives through highly transparent programs that directly link performance and pay*

A significant component of an executive officer's total compensation package is annual non-equity incentive compensation which links an executive officer's compensation directly to specific financial performance goals of the Company. If the Company does not meet the financial performance targets set by the Compensation Committee, the executive officers generally would not receive any annual non-equity incentive compensation.

*Reward for collective accomplishments to support the Company's strong team orientation while promoting individual accountability through achievement of individual goals and milestones*

Compensation depends in significant measure on Company results, but individual accomplishments are also important factors in determining each Named Executive Officer's compensation. For example, annual non-equity incentive compensation is based not only on the financial performance of the Company, but may be adjusted based on a review of the individual performance of an executive. The Compensation Committee also has the ability to award

discretionary cash bonuses based on the individual s achievements throughout the year.

## **Table of Contents**

### *Align the interests of executives with those of shareholders*

The Compensation Committee believes that the interests of executives and shareholders should be substantially aligned. Accordingly, a portion of the total compensation for the Named Executive Officers is in the form of stock-based compensation, which the Compensation Committee believes keeps the interests of executives aligned with those of the Company's stockholders and promotes a long-term commitment to the Company.

The Company's executive compensation programs are approved and administered by the Compensation Committee of the Board. Working with management, the Compensation Committee has developed a compensation and benefits strategy that rewards performance and behaviors and reinforces a culture that the Compensation Committee believes will drive long-term success.

### ***Compensation Determination Process***

The Compensation Committee is responsible for setting our executive compensation objectives and policies, establishing our executive compensation program consistent with those objectives and policies and determining the compensation for our executive officers. Determining the appropriate level of executive compensation is not an exact science and involves careful deliberation and business judgment. See Corporate Governance and Board Matters Committee Membership Compensation Committee for more information on the Compensation Committee and its practices.

The compensation of the Chief Executive Officer (CEO) is determined by the Compensation Committee based on (1) the Compensation Committee's assessment of the Company's overall performance and the individual performance of the CEO, (2) previous compensation levels provided to the CEO and (3) comparable compensation data for the Compensation Comparison Group (as defined below) provided by Axiom.

With respect to compensation for the other Named Executive Officers, the Compensation Committee considers a variety of factors, including Company and individual performance, the recommendations of the CEO, and comparable compensation data for the Compensation Comparison Group provided by Axiom.

The Compensation Committee, with the assistance of Axiom and the CEO (with respect to the other Named Executive Officers only), seeks to set the target for total direct compensation (that is, the sum of base salary, annual non-equity incentive compensation and stock-based long-term incentive awards) of our executives, including the Named Executive Officers, at levels that are competitive with equivalent positions at a select group of companies that the Compensation Committee believes to be an appropriate reference group (the Compensation Comparison Group). Data for the Compensation Comparison Group includes (1) information about a peer group of companies and (2) data from well-established, publicly available general industry compensation surveys that have been calibrated to compare to companies of the Company's size. The peer group is a group primarily consisting of employee-intensive companies of comparable size that deliver brand-oriented, upscale, discretionary fitness and lifestyle-oriented services in comparatively large facilities, concentrated in and around metropolitan areas. The second group is composed of public companies with median revenue and/or market capitalization comparable to that of the Company. We regard the peer group as potential competition for executive talent. The Compensation Committee believes that the inclusion of information regarding general industry compensation practices reflects the labor market for those executive positions that are not industry-specific, adding to the validity and reliability of the comparison.

In 2008, the Company's peer group consisted of the following companies: Bally Total Fitness Holding Corp.; Big 5 Sporting Goods Corp.; California Pizza Kitchen, Inc.; The Cheesecake Factory, Inc.; Golfsmith Int'l Holdings, Interstate Hotels and Resorts; Life Time Fitness, Inc.; McCormick & Schmick's Seafood Restaurants, Inc.; Morton's Restaurant Group Inc.; PF Chang's China Bistro; Sport Chalet, Inc.; The Sports Club Company, Inc.; and Standard

Parking Corp.

*Pay Levels and Benchmarking*

Pay levels for the Named Executive Officers are determined based on a number of factors, including the individual's roles and responsibilities within the Company, the individual's experience and expertise, the pay

## **Table of Contents**

levels for peers within the Company, pay levels in the marketplace for similar positions, and performance of the individual and the Company as a whole. In determining the pay levels, the Compensation Committee considers all forms of compensation and benefits. Prior to the engagement of Axiom, the Compensation Committee did not historically establish benchmarks for the compensation of the Named Executive Officers, and instead, determined compensation levels based on the compensation of other executives of the Company and the general performance of the Company. In 2008, the Company, with the assistance of Axiom, began to benchmark the compensation of executives against that of the Compensation Comparison Group. The Compensation Committee has begun to target total direct compensation (that is, the sum of base salary, annual cash bonuses and stock-based long-term incentive awards) at the market median for target performance. However, as noted above, notwithstanding the Company's overall pay positioning objectives, pay opportunities for specific individuals vary based on a number of factors such as performance achievement against goals, the diversity of executive backgrounds, employment history and labor market demands.

### ***Compensation Structure***

#### ***Pay Elements Overview***

The Company utilizes five main components of compensation:

**Base Salary** fixed cash compensation to attract and retain key executives, recognizing and rewarding the application of their skills and experience in fulfillment of their position responsibilities.

**Annual Incentive** variable cash compensation paid in accordance with the achievement of established annual objectives.

**Annual Discretionary Bonus** variable cash compensation paid based on an employee's individual performance throughout the year.

**Long-term Incentives** equity based compensation that grows in value in accordance with long-term value creation, aligning executive and shareholder interests, and giving executives an opportunity to participate in the Company's success over time.

**Benefits and Perquisites** these may include disability insurance, medical and dental insurance benefits and retirement savings and free membership to the clubs.

#### ***Pay Elements Details***

##### ***1. Base Salary***

As part of its review of the annual budget for the immediate succeeding fiscal year, the Board reviews the base salaries and other compensation for our Named Executive Officers and makes adjustments as warranted based on individual responsibilities and performance, Company performance in light of market conditions and competitive practice. Salary adjustments for any given year are generally approved at the end of the immediately preceding year and implemented during the first quarter of the calendar year.

Historically, salary increases have been based on cost of living increases and range from 3-4%. The 2008 salaries of the Named Executive Officers, other than Mr. Gallagher, were increased by 3-4% over annualized 2007 levels. Salary increases for Named Executive Officers are generally consistent with those of other management employees. Given current market conditions, there will be no salary increases based on cost of living increases for the 2009 fiscal year.

Mr. Gallagher received a salary increase in the 2008 Fiscal Year of \$62,500 and an additional increase of \$25,000 effective January 1, 2009 in connection with his promotion to Chief Financial Officer, based on the Compensation Committee's review of base salaries of other internal management positions and an informal review of base salaries for competitive positions at other companies. Following the engagement of Axiom as the Company's independent compensation consultant, the Compensation Committee reviewed Mr. Gallagher's compensation arrangements with Axiom and concluded that Mr. Gallagher's new salary was competitive with the median of base salaries for the Compensation Comparison Group for executives in similar positions.

**Table of Contents**

In connection with Mr. Annese's hiring in April 2008, the Compensation Committee set Mr. Annese's base salary in consultation with Axiom, in order to target Mr. Annese's base salary to be competitive with the median of the Compensation Comparison Group for executives in similar positions.

Base salaries for the Company's most highly compensated employees, including the Named Executive Officers for 2008, were slightly above the competitive median salaries within the Compensation Comparison Group (13% based on the calculations of the compensation consultant). Individual salaries may range above or below the median based on a variety of factors, including the potential impact of the executive's role at the Company, the terms of the executive's employment agreement, if any, the experience the executive brings to the position and the performance and potential of the executive in his or her role.

*2. Annual Incentive Compensation*

Annual incentive compensation for designated key employees is paid under our 2006 Annual Performance Bonus Plan (the "Bonus Plan"). The Bonus Plan is designed to grant bonus awards to such individuals as an incentive to contribute to our profitability. The Compensation Committee administers the plan and selects the key employees, which may include Named Executive Officers, who are eligible to participate in the Bonus Plan each year. Bonus targets are set at a percentage of base salary and are paid based on the Company's achievement of performance goals established on or before March 15th of the applicable calendar year and the attainment of personal performance objectives established individually by each employee at the beginning of each year. We seek to calibrate annual term incentive opportunities to generate less-than-median awards when goals are not fully achieved and greater-than-median awards when goals are exceeded. On average, for the 2008 Fiscal Year, the annual incentive compensation targets for the Company's most highly compensated employees, including the Named Executive Officers, were at the median for the Compensation Comparison Group.

Under the Bonus Plan, participants are eligible to receive bonus awards that may be expressed, at the Compensation Committee's discretion, as a fixed dollar amount, a percentage of compensation (whether base pay, total pay or otherwise) or an amount determined pursuant to a formula. Annual non-equity incentive awards are contingent upon the attainment of certain pre-established performance targets established by the Compensation Committee, which may include, without limitation, the following:

- earnings per share;
- return on equity, assets or capital;
- gross or net revenues;
- earnings before interest, taxes, depreciation and amortization (EBITDA); or
- such other goals established by the Committee.

The amount of an annual non-equity incentive compensation award may also depend on the performance of the employee.

For the 2008 Fiscal Year, bonuses were based on an Adjusted EBITDA target as follows:

<b>Goal</b>	<b>Actual Performance</b>
-------------	---------------------------

Adjusted EBITDA (as defined)	\$ 122,268,598	\$ 111,936,920
------------------------------	----------------	----------------

The definition of Adjusted EBITDA for executive bonus computation purposes is earnings before interest, taxes, depreciation, amortization and compensation expense incurred in connection with stock options of the Company and items of a non-recurring nature. In the 2008 Fiscal Year, these non-recurring items included various legal, compliance and other expenses. In addition, goodwill and fixed asset impairment charges were not deducted when determining the calculation of Adjusted EBITDA. All of these adjustments were approved by the Compensation Committee. See

Narrative Supplement to the Summary Compensation Table and the 2008 Grants of Plan-Based Awards Table for more information on the payment and calculation of amounts under the Bonus Plan. The determination of the amount of the annual non-equity incentive compensation

**Table of Contents**

award is also subject to the executive officer's attainment of personal performance objectives established individually by each employee at the beginning of each year.

*3. Discretionary Cash Bonus*

In the 2008 Fiscal Year, the Compensation Committee decided to award, in addition to awards under the Bonus Plan, additional cash bonuses to certain Named Executive Officers in recognition of their personal performance. These bonuses were fully discretionary and were awarded after a discussion with the Chief Executive Officer and a review of each Named Executive Officer's performance throughout the year. In connection with awarding discretionary cash bonuses, the Compensation Committee considered the significant accomplishments and overall leadership of the executive, competitive pay levels for the executive and (except in the case of the Chief Executive Officer) the recommendation of the Chief Executive Officer. In respect of the 2008 Fiscal Year, the following discretionary bonuses were awarded to the Named Executive Officers: Mr. Gallagher (\$31,250); Mr. Annese (\$68,438); and Mr. Kastin (\$15,000).

*4. Long-term Incentives – Equity-Based Awards*

The Company and the Compensation Committee believe that equity-based awards are an important factor in aligning the long-term financial interest of the officers and stockholders. The Compensation Committee designs long-term incentive awards to ensure that our executive officers have a continuing stake in the long-term success of the Company, that the total compensation realized by our executive officers reflects our multi-year performance as measured by the efficient use of capital and changes in shareholder value, and that a large portion of the total compensation opportunity is earned over a multi-year period and is forfeitable in the event of termination of employment.

The Compensation Committee continually evaluates the use of equity-based awards and intends to continue to use such awards in the future as part of designing and administering the Company's compensation program. The Company expects to make grants at regular intervals.

The Compensation Committee may grant equity incentives under the Company's 2004 Common Stock Option Plan, as amended, in the form of non-qualified and incentive stock options and the 2006 Stock Incentive Plan, as amended (the 2006 Stock Incentive Plan), in the form of stock options (non-qualified and incentive stock options), stock appreciation rights, restricted stock, performance shares and other stock-based awards (including restricted stock units (RSUs) and deferred stock units).

The Company follows a practice of granting equity incentives in the form of stock options on an annual basis to employees. On occasion, the Company may also make awards of restricted stock. The Company also may make grants to new employees on the commencement of employment and to key employees following a significant change in job responsibilities or to meet specific retention objectives. Grants are issued on the date they are approved by the Compensation Committee, except in certain circumstances, such as for new hires, who may be granted awards on the second day after the Company releases its financial results for that quarter. The exercise price for stock options is the grant date closing market price per share. Historically, the Compensation Committee has granted stock options and restricted stock which vest in four equal annual installments, beginning on the first anniversary of the grant date, and subject to continuous employment from the date of grant until the applicable vesting date. We believe that this vesting schedule reinforces the long-term orientation of our compensation philosophy. In the past, some options have contained accelerated vesting features upon the achievement by the Company of pre-determined equity value targets. The Compensation Committee has not awarded other stock-based awards in the past.

In the Fiscal Year 2008, the Compensation Committee granted stock options to our Named Executive Officers as indicated in the 2008 Grants of Plan-Based Awards Table which vest in four equal annual installments, beginning on the first anniversary of the grant date, and subject to continuous employment from the date of grant until the applicable vesting date. In determining the amount of the equity and equity-based awards to be granted to the Named Executive Officers in 2008, the Compensation Committee targeted the annual grant to be competitive with the Compensation Comparison Group. In addition, in the 2008 Fiscal Year, the Compensation Committee granted Mr. Kastin shares of restricted stock in recognition of the Compensation

## **Table of Contents**

Committee's view that his previous equity grant of stock options made during the 2007 fiscal year failed to serve adequately as a retention device given the high exercise price of the options. The Compensation Committee believes that the restricted stock grant, because it provides both depreciation risk and appreciation opportunity, more effectively aligns Mr. Kastin's interests with those of the Company's stockholders.

### *5. Other Benefits and Perquisites*

The Company's executive compensation program includes other benefits and perquisites. We maintain a 401(k) plan for our eligible employees and Named Executive Officers with annual matching contributions up to \$500 per year which vest over four years. In addition, for all employees we also provide medical benefits and free memberships in the Company's clubs. In the past, perquisites included, in some cases, automobile allowances and accommodation allowances, although such allowances were discontinued before the beginning of 2008. The Company annually reviews these other benefits and perquisites and makes adjustments as warranted based on competitive practices, the Company's performance and the individual's responsibilities and performance.

The Compensation Committee has approved these other benefits and perquisites as a reasonable component of the Company's executive compensation program. See the "All Other Compensation" column in the Summary Compensation Table for further information regarding these benefits.

### *Pay Mix*

We utilize the particular elements of compensation described above because we believe that it provides a well-proportioned mix of low-risk compensation, retention value and at-risk compensation that produces short-term and long-term performance incentives and rewards. By following this approach, we provide the Named Executive Officers a measure of security in the minimum level of compensation that such individuals are eligible to receive, while motivating the Named Executive Officers to focus on the business metrics that will produce a high level of performance for the Company and long-term benefits for stockholders, as well as reducing the risk of recruitment of top executive talent by competitors. The mix of metrics used for the Bonus Plan and the 2006 Stock Incentive Plan likewise provides an appropriate balance between short-term financial performance and long-term financial and stock performance.

For our Named Executive Officers, the mix of compensation is weighted toward at-risk pay (annual incentives and long-term incentives). Maintaining this pay mix results in a pay-for-performance orientation for our Named Executive Officers, which is aligned with the Company's stated compensation philosophy of providing compensation commensurate with performance.

In accordance with our philosophy that overall compensation should be competitive and that the compensation of the Named Executive Officers should be at least partially dependent upon individual and Company performance, these executives are eligible to receive a higher portion of total annual compensation in the form of performance-based annual bonuses and stock-based long-term compensation as compared to other Company employees. In addition, in support of pay-for-performance objectives, the portion of total direct compensation delivered through stock-based long-term incentives increases with an executive's role and level of responsibility. As a result, the most senior executives are held most accountable for achieving multi-year performance objectives and changes in shareholder value.

### *Chief Executive Officer Compensation*

Mr. Alimanestianu's annual compensation consists primarily of base salary, annual incentive bonus and stock options. Mr. Alimanestianu's annual compensation is higher than that of the other Named Executive Officers due to his

extensive experience and history with the Company and the higher demands of the chief executive officer position. For the 2008 Fiscal Year, Mr. Alimanestianu's annual compensation consisted of:

\$505,870 base salary;

\$200,000 annual incentive compensation;

**Table of Contents**

A grant on December 4, 2008 of options to purchase 50,000 shares of common stock at \$2.44 per share, which was the closing price of the Company's common stock on that date; and

Participation in other benefit plans and perquisites as explained elsewhere in this Proxy Statement.

Based on performance results for the 2008 Fiscal Year, Mr. Alimanestianu would have been eligible to receive a bonus of up to \$249,458 under the Bonus Plan, subject to Committee determination regarding the actual amount and form of his bonus payment. However, in connection with the Committee's determination of actual bonus awards under the Bonus Plan, Mr. Alimanestianu suggested that the Committee consider reducing the amount of his actual bonus to \$200,000 and to instead reallocate \$49,458 for the benefit of employees. Based in part on Mr. Alimanestianu's recommendation, the Committee ultimately approved a \$200,000 bonus payment to Mr. Alimanestianu for the 2008 Fiscal Year. No determination has been made yet regarding Mr. Alimanestianu's request to allocate \$49,458 for the benefit of employees.

*Post-Termination Compensation and Benefits*

Other than Ms. Prue, none of the Named Executive Officers have employment agreements with the Company. Ms. Prue's employment agreement and Mr. Kastin's offer letter with the Company each contain severance arrangements in the event that the executive is terminated without cause. Mr. Kastin's severance arrangement reflects a negotiation between Mr. Kastin and the Company at the time Mr. Kastin was hired and was considered at the time by the Compensation Committee to be appropriate to retain Mr. Kastin. All Named Executive Officers have entered into an executive severance agreement providing for specified severance benefits upon a termination of the executive's employment with the Company without cause or by the executive for good reason within six months following a change in control of the Company. The Compensation Committee believes that severance in connection with a termination or reduction in responsibilities in connection with a change in control is necessary to attract and retain the talent necessary for our long-term success. These severance arrangements allow our executives to focus on duties at hand and provide security should their employment be terminated as a result of involuntary termination without cause or a constructive discharge in connection with a change in control of the Company. Under these severance arrangements, the executives will be required to comply with a non-competition covenant for a period of up to one year and will receive in return one year of salary, a pro rata annual bonus, continuation of health and dental coverage for up to one year and continuation of fitness club membership for one year. The Compensation Committee believes that these benefits are reasonable given that the executive's employment opportunities for a period following termination will be constrained by the non-competition covenants contained in the severance agreements. These executive severance agreements are more fully described under Potential Payments Upon Termination or Change-in-Control.

As more fully described under Certain Relationships and Related Transactions Agreement with Richard Pyle, we entered into a letter agreement with Mr. Pyle in connection with his resignation from the Company as chief financial officer which provides for, among other things, a pro rata bonus for the fiscal year ending December 31, 2008, continued health and dental coverage, continued club membership and consulting fees. The Compensation Committee considered the severance arrangement with Mr. Pyle to be appropriate given Mr. Pyle's more than 20 years of service to the Company (and its predecessors).

Under the stock option agreements entered into between the Company and certain Named Executive Officers, if the Named Executive Officer resigns or the Named Executive Officer's employment is terminated by the Company for any reason, if the Company wishes to enforce specified non-competition and non-solicitation covenants for a period of up to one year, the Company must pay the Named Executive Officer severance compensation equal to no less than such Named Executive Officer's base salary during such period. The Compensation Committee believes that discretionary

enforcement of non-competition and non-solicitation arrangements is beneficial to the competitive position of the Company and that the corresponding severance compensation is reasonable in such circumstances.

*Compensation Committee Discretion*

The Compensation Committee retains the discretion to decrease all forms of incentive payouts based on significant individual or Company performance shortfalls. Likewise, the Compensation Committee retains the

## **Table of Contents**

discretion to increase payouts and/or consider special awards for significant achievements, including but not limited to superior management, investment or strategic accomplishments and/or consummation of acquisitions.

### *Impact of Tax and Accounting*

As a general matter, the Compensation Committee would take into account the various tax and accounting implications of compensation vehicles employed by the Company.

When determining amounts of grants under the 2006 Stock Incentive Plan to Named Executive Officers and employees, the Compensation Committee examines the accounting cost associated with the grants. Under FAS 123R, grants of stock options, restricted stock, restricted stock units and other share-based payments result in an accounting charge for the Company. The accounting charge is equal to the fair value of the instruments being issued. For restricted stock and restricted stock units, the cost is equal to the fair value of the stock on the date of grant times the number of shares or units granted. This expense is amortized over the requisite service period, or vesting period of the instruments. The Compensation Committee also carefully considers the impact of using market conditions (for example, share price or total stockholder return) as a performance metric under the 2006 Stock Incentive Plan, mindful of the fact that even if the condition is not achieved, the accounting charge would not be reversible.

Section 162(m) of the Internal Revenue Code generally prohibits any publicly held corporation from taking a federal income tax deduction for compensation paid in excess of \$1,000,000 in any taxable year to the corporation's Chief Executive Officer and next 3 highest compensated executive officers (other than the Chief Financial Officer), unless the compensation qualifies as performance-based compensation within the meaning of Section 162(m). However, pursuant to an exception under Section 162(m) applicable to plans in effect prior to a company's public offering, our Bonus Plan is expected to be exempt from the \$1,000,000 limit until the earliest to occur of: (1) the expiration of the plan; (2) the material modification of the plan; and (3) the first meeting of stockholders at which directors are to be elected that occurs after the close of the third calendar year following the calendar year in which the Company's initial public offering occurred. With respect to the 2006 Stock Incentive Plan, we generally intend to structure performance based awards to qualify as performance-based compensation within the meaning of Section 162(m). While it is the Compensation Committee's policy to maximize the effectiveness of our executive compensation plans in this regard, we reserve the right to pay compensation that is not deductible under Section 162(m) if appropriate and in the best interests of the Company and our stockholders.

### *Conclusion*

The level and mix of compensation for each of our Named Executive Officers is considered within the context of our historical compensation practices as well as the factors outlined above. The Compensation Committee believes that each of the compensation packages for our Named Executive Officers is appropriate in light of our industry and related industries and our competitive position therein. The Compensation Committee intends to continue to work closely with its compensation consultant, Axiom, to ensure that the Company provides competitive compensation packages to its Named Executive Officers.

**Table of Contents****Narrative Supplement to the Summary Compensation Table and the 2008 Grants of Plan-Based Awards Table*****Terms of Non-Equity Based Awards******Calculation***

Payments under the Bonus Plan are based on the Company's achievement of certain financial targets and upon the individual employee's achievement of previously established personal performance objectives.

**Company Performance**

For the 2008 Fiscal Year, each of the Named Executive Officer's payments under the Bonus Plan in respect of Company performance was based on a percentage of his or her base salary. If the Company achieved its target Adjusted EBITDA (\$122,268,598 for the 2008 Fiscal Year), each of the Named Executive Officers would receive (subject to adjustment for personal performance described below) the following percentage of his or her base salary: Mr. Alimanestianu (100%); Messrs. Gallagher, Annese and Pyle (50%), Ms. Prue; (30%) and Mr. Kastin (25%) (each amount the Target Bonus). If the Company either failed to achieve target Adjusted EBITDA or exceeded such target, the Target Bonus amounts would be adjusted as follows:

**Achievement of Percentage of**

<b>Adjusted EBITDA Target</b>	<b>Percentage of Target Bonus Awarded</b>
0-89.99%	0%
90-94.99%	50%
95-99.99%	75%
100-102.99%	100%
103-104.99%	135%
Greater than 105%	150%

**Individual Performance**

All Named Executive Officers have individual performance goals for each fiscal year. Individual performance goals are set by each Named Executive Officer during the first quarter of each fiscal year and vary depending on the Company's business and strategic plan and objectives, and each executive's individual responsibilities. Each Named Executive Officer's individual performance goals are approved by the Chief Executive Officer. The Chief Executive Officer's goals are approved by the Compensation Committee. At the end of each fiscal year, the Compensation Committee with the assistance of the Chief Executive Officer reviews each Named Executive Officer's performance during the year against the pre-established performance goals. Achieving the target individual performance rating for all individual performance objectives would yield a rating of 100%. To the extent that any Named Executive Officer has not met the pre-established goals for that year, that Named Executive Officer's bonus award under the Bonus Plan is reduced to the extent the goals were not obtained.

***Payment***

Annual non-equity incentive awards will be paid in cash after the end of the performance period in which they are earned, as determined by the Compensation Committee, but not later than the later of (1) March 15 after the end of the

applicable year and (2) two and one-half months after the expiration of the fiscal year in which the performance period with respect to which the annual non-equity incentive award is earned ends. In addition, annual non-equity incentive awards will not be paid until the Company's independent registered public accounting firm has issued its report with respect to the audit of the Company's consolidated financial statements for the applicable fiscal year. Unless otherwise determined by the Compensation Committee, no annual non-equity incentive award, full or pro rata, will be paid to any individual whose employment has ceased prior to the date such award is paid.

**Table of Contents*****Terms of Equity-Based Awards******Vesting Schedule***

Option and restricted stock awards vest ratably over four years following the date of grant, subject to acceleration upon a change of control.

***Forfeiture***

Absent death, disability or retirement, unvested option awards are generally forfeited at termination of employment following a 90-day post-termination exercise period if the termination was involuntary. If the termination was voluntary by the employee, the option may be exercised during the 30-day period following termination. In the event the employee is terminated for cause, the option expires on the date of termination. In the event of death, disability or retirement prior to the complete exercise of a vested option award, the vested portion of the option may be exercised in whole or in part, within one year after the date of death, disability or retirement, as the case may be, and in all cases, prior to the option expiration. Unvested restricted stock awards are generally forfeited at termination of employment.

***Covenants***

The option and restricted stock awards contain confidentiality provisions and non-compete and non-solicitation provisions that apply to our executive officers.

Option awards granted under the 2006 Stock Incentive Plan have an exercise price equal to the closing price of the underlying shares on the date of grant. The grant date is the same as the day the Compensation Committee took action to approve the awards. All equity award grants to Executive Officers are approved by the Compensation Committee.
