Following its review of the recent RiskMetrics Group ( RMG ) analysis of the proposals to be submitted to stockholders at PHH Corporation s ( PHH ) 2009 Annual Meeting of Stockholders (the 2009 Annual Meeting ), PHH has advised RMG that it is committed to adopting the following amendment to Section 5 of the proposed PHH Corporation Amended and Restated 2005 Equity and Incentive Plan (the 2005 Plan ) promptly following the 2009 Annual Meeting in order to reduce the aggregate number of shares authorized to be issued under the 2005 Plan by 1,000,000 shares, assuming the 2005 Plan is approved by stockholders at the 2009 Annual Meeting:

Proposed Amended and Restated Text of Section 5 of the 2005 Plan

**5. Stock Subject to the Plan.**

Subject to adjustment as provided for herein, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be 3,550,000, plus the number of shares of Stock that, immediately prior to stockholder approval of the Plan, remain authorized and available for awards under the Prior Plan or thereafter become available under the terms of the Prior Plan; of this number, no more than 2,250,000 shares may be issued in the form of an Award other than an Option or SAR. Such shares shall be authorized but unissued shares of Stock. If any shares subject to an Award are forfeited or cancelled, or if an Award terminates or expires without a distribution of shares to the Grantee, or if an Award is paid or settled in cash, the shares of Stock with respect to such Award shall, to the extent of any such forfeiture, cancellation, termination or expiration, or cash payment or settlement, again be available for Awards under the Plan other than Awards that are intended to be ISOs. Each share subject to the foregoing sentence shall be added back to the number of shares of Stock reserved under the Plan as one share. Notwithstanding anything to the contrary contained herein, all shares of Stock covered by an SAR, to the extent that it is exercised and settled in shares of Stock, shall be considered issued or transferred pursuant to the Plan. Upon the exercise of any Award granted in tandem with any other Award, such related Award shall be cancelled to the extent of the number of shares of Stock as to which the Award is exercised and such number of shares shall no longer be available for Awards under the Plan. Shares of Stock surrendered or withheld as payment of either the exercise price of an Award and/or withholding taxes with respect to an Award shall not again be made available for Awards under the Plan.

No more than 1,000,000 shares of Stock may be made subject to Options or SARs to a single individual in a single Plan Year, subject to adjustment as provided herein, and no more than 1,000,000 shares of Stock may be made subject to stock-based awards other than Options or SARs (including Restricted Stock and Restricted Stock Units or Other Stock-Based Awards denominated in shares of Stock) to a single individual in a single Plan Year, in either case, subject to adjustment as provided herein. Determinations made in respect of the limitations set forth in the immediately preceding sentence shall be made in a manner consistent with Section 162(m) of the Code.

In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Stock, or other property), recapitalization, Stock split, reverse split, reorganization, merger, consolidation, spin-off, combination, repurchase, or share exchange, or other similar corporate transaction or event, affects the Stock such that an adjustment is appropriate in order to prevent dilution or enlargement of the rights of Grantees under the Plan, then the Committee shall make such equitable changes or adjustments as it deems necessary or appropriate to any or all of (i) the number and kind of shares of Stock or other property (including cash) that may thereafter be issued in connection with Awards, (ii) the number and kind of shares of Stock or other property (including cash) issued or issuable in respect of outstanding Awards, (iii) the exercise price, grant price, or purchase

price relating to any Award; provided, that, with respect to ISOs, such adjustment shall be made in accordance with Section 424(h) of the Code; and (iv) the Performance Goals applicable to outstanding Awards.

In addition, PHH is providing the following supplemental equity compensation plan information.
