Subject Company: IPC Holdings, Ltd.
(Commission File No.: 000-27662)**

Welcome On March 31,2009, Validus Holdings announced an offer to acquire IPC Holdings. Under the terms of Validus pending offer, IPC shareholders will receive \$3.75 in cash and 1.1234 Validus voting common shares for each IPC common share. Validus believes that its offer will provide IPC shareholders with the opportunity to benefit from stable, profitable diversification into attractive business lines with superior growth opportunities In addition, the combined company would have a strong balance sheet and minimal exposure to risky asset classes and an experienced, proven and stable management team with substantial expertise operating in IPC s core lines of business. Our Three-part Plan: Until June 12, 2009, IPC was bound by a proposed amalgamation agreement with Max Capital. Now that IPC s amalgamation agreement with Max Capital has been terminated, IPC is now free to pursue a transaction with Validus. Validus has proposed three alternatives to complete a transaction, all of which contain the same economics of \$3.75 in cash and 1.1234 Validus voting common shares for each IPC common share: Validus has also announced that it is seeking to replace the IPC Board if it is unable to reach an agreement with the IPC Board regarding a consensual transaction in a timely fashion. In connection therewith, Validus is soliciting written requisitions from IPC s shareholders to compel the IPC Board to call a special general meeting of IPC s shareholders (the IPC special general meeting). The proxy filing can be found here. Once the IPC special general meeting has been called, we will send separate proxy materials enabling IPC shareholders to vote on Validus Board candidates and on the other proposals that may be considered at the IPC special general meeting. We encourage you to read the materials on this website and continue to visit often as it will be updated frequently. We thank you for your support.

Proxy Materials Requisition Proxy (PDF) Validus has also announced that it is seeking to replace the IPC Board if it is unable to reach an agreement with the IPC Board regarding a consensual transaction in a timely fashion. In connection therewith, Validus is soliciting written requisitions from IPC's shareholders to compel the IPC Board to call a special general meeting of IPC's shareholders (the IPC special general meeting). Once the IPC special general meeting has been called, we will send separate proxy materials enabling IPC shareholders to vote on Validus Board candidates and on the other proposals that may be considered at the IPC special general meeting. Exchange Offer (PDF) Validus has commenced an Exchange Offer for all of the outstanding common shares of IPC. Under the terms of the Exchange Offer, IPC shareholders would receive \$3.75 in cash and 1.1234 Validus voting common shares for each IPC common share. If the conditions of our Exchange Offer are satisfied, we believe we would be able to acquire IPC shares under our Exchange Offer in June. Scheme of Arrangement (PDF) Based on the decision by the Supreme Court of Bermuda on Friday, May 29th, Validus will be able to pursue a Scheme of Arrangement to acquire IPC if IPC shareholders reject the proposed Max Amalgamation. The Scheme of Arrangement, under which Validus would acquire all of the IPC common shares under the same economic terms as in the Exchange Offer, can be accomplished without the approval of the IPC Board, if sanctioned by the Bermuda court and approved by IPC shareholders at two shareholder meetings.
