-

Item 8.01 Other Events.

On August 6, 2009, Brandywine Realty Trust, the sole general partner of Brandywine Operating Partnership, L.P. (the Operating Partnership), announced that the Operating Partnership has commenced cash tender offers for any and all of the \$150,151,000 outstanding principal amount of its 4.50% Guaranteed Notes due November 1, 2009 (the 2009 Notes) (the Any and All Tender Offer) and for up to \$100,000,000 principal amount (the Maximum Tender Amount) of its 5.625% Guaranteed Notes due December 15, 2010 (the 2010 Notes) and 5.75% Guaranteed Notes due April 1, 2012 (the 2012 Notes) all issued by the Operating Partnership (the Maximum Tender Offer, and together with the Any and All Tender Offer, collectively, the Tender Offers, and each a Tender Offer). The terms and conditions of the Tender Offers are set forth in the Offer to Purchase dated August 6, 2009 (the Offer to Purchase) and the related Letter of Transmittal (the Letter of Transmittal) and are summarized below. The Tender Offers will be funded by a combination of available cash on hand and borrowings under the Operating Partnership's unsecured revolving credit facility.

Tender Offer for the 2009 Notes

The Any and All Tender Offer will expire at 5:00 p.m., New York City time, on August 13, 2009, unless extended or earlier terminated by the Operating Partnership. The consideration payable for the 2009 Notes will be \$1,004.00 per \$1,000 principal amount of the 2009 Notes validly tendered plus accrued and unpaid interest from the last interest payment date up to, but not including, the payment date for the 2009 Notes purchased in the Any and All Tender Offer, which is expected to be the next business day following the expiration of the Any and All Tender Offer. Under certain circumstances described in the Offer to Purchase, the Operating Partnership may terminate the Any and All Tender Offer before the applicable expiration date. Validly tendered 2009 Notes are expected to be retired and cancelled.

Tender Offer for the 2010 and 2012 Notes

The Maximum Tender Offer will expire at 11:59 p.m., New York City time, on September 2, 2009, unless extended or earlier terminated by the Operating Partnership. The consideration payable for the 2010 or 2012 Notes will be equal to the applicable Total Consideration shown below per \$1,000 of each series of notes, which includes the Early Tender Payment if a holder has validly tendered and has not validly withdrawn such holder's 2010 or 2012 Notes by 5:00 p.m., New York City time, on or prior to Wednesday, August 19, 2009 (as may be extended or otherwise modified, the Early Tender Date). Holders that validly tender their 2010 or 2012 Notes after the Early Tender Date and at or prior to the applicable expiration date without subsequently validly withdrawing them will receive the applicable Tender Offer Consideration shown below per \$1,000 of each series of notes which is equal to the Total Consideration minus the Early Tender Payment.

Note	Principal Amount	Acceptance Priority	Tender Offer Consideration	Early Tender Payment	Total Consideration
Issue	Outstanding	Level	(1)	(1)	(1)
2012 Notes	\$287,830,000	1	\$ 950.00	\$ 30.00	\$ 980.00
2010 Notes	210,546,000	2	970.00	30.00	1,000.00

(1) Per \$1,000 principal amount of Notes accepted for purchase.

Validly tendered notes accepted for purchase will also be paid accrued and unpaid interest from the last interest payment date up to, but not including, the payment date for the 2010 and 2012 Notes purchased in the Maximum Tender Offer, which is expected to be the next business day following the expiration date of the Maximum Tender Offer. Validly tendered 2010 and 2012 Notes are expected to be retired and cancelled.

Edgar Filing: BRANDYWINE REALTY TRUST - Form 8-K

In the event that the Maximum Tender Offer is oversubscribed, the Operating Partnership will accept tendered 2010 and 2012 Notes according to the acceptance priority level for that series specified in the table above and proration. Accordingly, all 2012 Notes that are validly tendered as of the expiration of the Maximum Tender Offer will be accepted for purchase, subject to proration, before any validly tendered 2010 Notes are accepted. In addition, with respect to the 2010 and 2012 Notes, where some, but not all, of the notes tendered for a particular series are purchased,

the amount of notes accepted from each holder tendering from that series will be prorated based on the aggregate principal amount tendered with respect to that series and the remaining amount available under the Maximum Tender Amount. The Tender Offer for the 2010 and 2012 Notes is not conditioned on any minimum amount of notes being tendered.

A copy of the press release announcing the Tender Offer is filed herewith as Exhibit 99.1.
