Item 4. Description of Securities.

The securities being registered pursuant to the DynCorp International Inc. Deferred Compensation Plan (the Plan) represent obligations (the Obligations) of the Registrant to pay deferred compensation in the future according to the terms of the Plan. The Plan became effective July 1, 2009. The Plan allows a select group of management and highly compensated employees (the Participants) to defer up to 50% of their salary and up to 100% of their bonus without regard to the limitations of the DynCorp International LLC Savings Plan (the Savings Plan). The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Obligations are general unsecured obligations of the Registrant that are subject to the claims of its general creditors and rank equally with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. The Participants will have no more rights than those of an unsecured general creditor of the Registrant. The Obligations are not convertible into any other security of the Registrant and there is no trading market for the Obligations.

The Board of Directors of the Registrant (the Board) reserves the right to amend, modify, or terminate the Plan at any time. No Board amendment may reduce the dollar amount previously credited to a Participant s account. The Board will appoint the Welfare and DISP Committee (the Committee) to administer the Plan. The Committee may amend the Plan to comply with section 409A of the Internal Revenue Code. The Committee is responsible for administering the Plan and carrying out its provisions.

Participants may notionally invest their account balances in several investment funds determined by the Committee. The Participants may transfer their accounts among the investment funds pursuant to procedures established by the Committee. It is expected, but not required, that these funds will parallel the funds offered under the Savings Plan. This means the Plan will not actually invest Participant account balances. Instead, Participants account balances will incur earnings and losses based on selected investment fund performance. The accounts will be represented solely by bookkeeping entries and payments will be made out of the general assets of the Registrant.

Participants may elect to receive their benefit payments in three different disbursement methods: (i) a single sum payment; (ii) annual installment payments over five years; or (iii) annual installment payments over ten years. Participants may begin to collect benefits the first day of the calendar month following the six month anniversary of the Participant s Separation from Service (as defined in the Plan). Annual installment payments will be paid each year on the anniversary of this date. Account balances are paid proportionally over each annual installment. The single lump sum payment is the default provision when a Participant fails to make a valid and timely election. The Plan does not permit an employee to assign or hypothecate his/her interest in the Plan. The amounts deferred under the Plan are always fully vested and the Participant is not subject to forfeiture provisions.

The foregoing summary of the Plan is qualified in its entirety by reference to the terms and conditions of the Plan.

Item 5. Interests of Named Experts and Counsel.

The validity of the Obligations registered by this Registration Statement has been passed upon by Gregory S. Nixon, Senior Vice President, General Counsel and Corporate Secretary of the Registrant. Mr. Nixon receives compensation and will be an eligible participant in the Plan.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law permits a corporation to include in its charter documents, and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by the current law.

Our Amended and Restated Certificate of Incorporation provides for the indemnification of directors to the fullest extent permissible under Delaware law. Our Bylaws provide for the indemnification to the fullest extent as required or permitted by Delaware law of officers and directors acting on our behalf with respect to any criminal action or proceeding.

We have entered into an indemnification agreement with each of our directors which requires us, among other things, to indemnify them against certain liabilities which may arise by reason of their status or service as a director (other than liabilities arising from willful misconduct of a culpable nature). We also maintain director and officer liability insurance and intend to continue to do so.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

The undersigned Registrant hereby undertakes:

(a) (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in a form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in this registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that

Paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
