**PROPOSAL
ELECTION OF BOARD MEMBERS**

Shareholders of each Fund are being asked to elect Board Members to the Board of their Fund as described below.

For KHI, KMM and KST only. Pursuant to each Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws, the Board of each Fund has been divided into three (3) classes with Board Members of each class being elected to serve until the third annual meeting following their election.

At the Meeting, four (4) Class II Board Members are to be elected by shareholders of a Fund, each to hold office until the annual meeting of shareholders in 2013 and until such Board Member's successor is duly elected and qualify or until such Board Member sooner dies, resigns, retires or is removed. The Class II Board Member nominees standing for election at the Meeting are: Ms. Jean Gleason Stromberg and Messrs. Henry P. Becton Jr., Paul K. Freeman and William McClayton.

For KTF and KSM only. Pursuant to the Amended and Restated Agreement and Declaration of Trust of each Fund, the Board of each Fund has authorized, and each Fund has issued, common shares of beneficial interest (the "Common Shares") and preferred shares of beneficial interest (the "Preferred Shares"). The Common Shares and the Preferred Shares have different powers, rights, preferences and privileges, qualifications, limitations and restrictions with respect to, among other things, dividends, liquidation, redemption and voting as more fully set forth in the Certificate of Designation for Preferred Shares that established the Preferred Shares. For KTF, the Common Shares were first issued on October 20, 1988 and the Preferred Shares were first issued on July 24, 1989 (Series A, B, C and D) and November 24, 1999 (Series E). For KSM, the Common Shares were first issued on March 22, 1989 and the Preferred Shares were first issued on September 21, 1999. At the Meeting, the holders of the Preferred Shares, voting as a separate class, are entitled to elect two Board Members, and the holders of the Common Shares and the Preferred Shares, voting together as a single class, are entitled to elect four Board Members (as described below).

Pursuant to each Fund's Amended and Restated Agreement and Declaration of Trust and Amended and Restated By-Laws, the Board of each Fund, with the exception of the two Board Members elected by the vote of the Preferred Shares as a separate class, has been divided into three (3) classes with Board Members of each class being elected to serve until the third annual meeting following their election. In addition, two Board Members are elected by the Preferred Shares, voting as a separate class, to serve until the next annual meeting.

At the Meeting, four (4) Class II Board Members are to be elected by a Fund's common shareholders and preferred shareholders voting together, each to hold office until the annual meeting of shareholders in 2013 and until such Board Member's successor is duly elected and qualify or until such Board Member sooner dies, resigns, retires or is removed; and two (2) Board Members are to be elected, by a Fund's preferred shareholders voting as a separate class, each to hold office until the annual meeting of shareholders in 2011 and until such Board Member's successor has been duly elected and qualified or until such Board Member sooner dies, resigns, retires or is removed. The Class II Board Member nominees standing for election at the Meeting are: Ms. Jean Gleason Stromberg and Messrs. Henry P. Becton Jr., Paul K. Freeman and William McClayton. The Preferred Board Member nominees standing for election at the Meeting are: Messrs. Ingo Gefeke and Robert H. Wadsworth.

For all Funds. The individuals nominated for election as Board Members of each Fund at the Meeting (the Board Member Nominees), were nominated by each Fund's Board. The Board Member Nominees currently serve as Board Members of each Fund, and currently serve as Board Members of other DWS funds advised by Deutsche Investment Management Americas Inc. (DIMA or the Advisor).

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the Board Member Nominees unless the proxy is marked otherwise. Each of the Class II and Preferred Board Member Nominees has consented to being named in the Proxy Statement and has agreed to serve as a Board Member of a Fund if elected. However, should any Board Member Nominee become unable or unwilling to serve prior to the Meeting, the persons named as proxies may vote your shares for substitute nominees, if any, recommended by the Board of your Fund.

No additional compensation is paid to any Independent Board Member for travel time to meetings, attendance at directors educational seminars or conferences, service on industry or association committees, participation as speakers at directors conferences or service on special fund industry director task forces or subcommittees. Independent Board Members do not receive any employee benefits such as pension or retirement benefits or health insurance from the Funds or any fund in the DWS fund complex.

Board Members and Fund officers who are officers, directors, employees or stockholders of Deutsche Asset Management or its affiliates receive no direct compensation from the Funds, although they are compensated as employees of Deutsche Asset Management, or its affiliates, and as a result may be deemed to participate in fees paid by the Funds. Deutsche Asset Management is the marketing name in the US for the asset management

activities of Deutsche Bank AG, DIMA, Deutsche Bank Trust Company Americas and DWS Trust Company.

Exhibit C to this Proxy Statement sets forth compensation paid to each Independent Board Member by each Fund for its most recently completed fiscal year and to each Independent Board Member by the DWS funds complex for the calendar year ended December 31, 2009.

Board Structure

The primary responsibility of each Fund's Board is to represent the interests of the Fund and to provide oversight of the management of the Fund. If the Board Member Nominees are elected by shareholders, each Board will be comprised of one individual who is an interested Board Member, and twelve individuals who are Independent Board Members. SEC rules currently require a majority of the board members of a fund to be independent if the fund takes advantage of certain exemptive rules under the 1940 Act. If the proposed Board Member Nominees are elected by shareholders, 92% will be Independent Board Members. Each of the Board Member Nominees that will be considered an Independent Board Member, if elected, has been selected and nominated solely by the current Independent Board Members of each Fund.

Each Fund's Board meets multiple times during the year to review investment performance and other operational matters, including regulatory and compliance related policies and procedures. Furthermore, the Independent Board Members review the fees paid to the Advisor and its affiliates for investment advisory services and other services. Each Board has adopted specific policies and guidelines that, among other things, seek to further enhance the effectiveness of the Independent Board Members in performing their duties. For example, the Independent Board Members select independent legal counsel to work with them in reviewing fees, advisory and other contracts and overseeing fund matters, and regularly meet privately with their counsel. An Independent Board Member, Dr. Freeman has served as Chairperson of the Board of each Fund since January 1, 2009. He was elected by the other Board Members for an initial three year term ending December 31, 2011.

During calendar year 2009, the Boards of each Fund met eight (8) times. Each Board Member attended at least 75% of the respective meetings of the Boards and the Committees (if a member thereof) held during calendar year 2009.

The Board of each Fund provides a process for shareholders to send communications to the Board. Correspondence should be sent by U.S. mail or courier service to Paul K. Freeman, Independent Chairman, DWS Funds, P.O. Box 101833, Denver, CO 80250-1833, who will forward it to a specific Board Member if addressed to that Board Member.

The Board of each Fund has established the following standing committees: Audit Committee, Nominating and Governance Committee, Contract Committee, Fixed-Income and Quant Oversight Committee and Operations Committee (each a Committee). For each Committee, a written charter setting forth the Committee's responsibilities was adopted by each Board. The function, membership and number of meetings held in calendar year 2009 for each Committee is discussed below. All Committee members are Independent Board Members.

Audit Committee. The Audit Committee, which consists entirely of Independent Board Members, assists the Board in fulfilling its responsibility for oversight of (1) the integrity of the financial statements, (2) a Fund's accounting and financial reporting policies and procedures, (3) a Fund's compliance with legal and regulatory requirements related to accounting and financial reporting and (4) the qualifications, independence and performance of the independent registered public accounting firm for a Fund. It also approves and recommends to the Board the appointment, retention or termination of the independent registered public accounting firm for a Fund, reviews the scope of audit and internal controls, considers and reports to the Board on matters relating to a Fund's accounting and financial reporting practices, and performs such other tasks as the full Board deems necessary or appropriate. The Audit Committee receives annual representations from the independent registered public accounting firm as to its independence. Each Fund's Audit Committee is governed by the Audit Committee Charter, which is available at https://www.dws-investments.com/EN/docs/products/Audit_Committee_Charter.pdf. Each Fund's Audit Committee is comprised of only Independent Board Members who are independent as defined in the New York Stock Exchange (NYSE) and the Chicago Stock Exchange (CHX) listing standards applicable to closed-end funds. During the calendar year 2009, the Audit Committee of each Fund's Board held seven (7) meetings.

For the 2009 fiscal year, each Fund's Audit Committee reviewed and discussed the audited financial statements with management. Each Fund's Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 114 (The Auditor's Communications With Those Charged With Governance). Based on its review of each Fund's financial statements and discussions with management and the independent registered public accounting firm and other written disclosure provided by the independent registered public

accounting firm, the Fund's Audit Committee recommended to the Fund's Board that the audited financial statements be included in the annual report provided to shareholders for the Fund's 2009 fiscal year. The current members of each Fund's Audit Committee are:

William McClayton (Chair)
Kenneth C. Froewiss (Vice Chair)

The members of the Operations Committee are Dawn-Marie Driscoll (Chair), John W. Ballantine (Vice Chair), Rebecca W. Rimel, Jean Gleason Stromberg and Robert H. Wadsworth. Required Vote

Each Fund will vote separately on the election of Board Member Nominees. For KHI, KMM and KST only, the election of a Board Member Nominee requires the affirmative vote of a majority of the shares outstanding and entitled to vote. For KTF and KSM only, the election of a Board Member Nominee requires the affirmative vote of a plurality of the shares represented in person or by proxy at the Meeting.

Recommendation of the Board

The Board of your Fund believes that the election of each Board Member Nominee is in the best interests of your Fund. **Accordingly, the Board unanimously recommends that shareholders vote FOR the election of each Board Member Nominee as set forth in the Proposal.**

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Each Fund's Board, including the Independent Board Members, has selected Ernst & Young LLP (E&Y) to act as independent registered public accounting firm to audit the books and records of its Fund for the current fiscal year. E&Y has served each Fund in this capacity since each Fund was organized and has no direct or indirect financial interest in any Fund except as the independent registered public accounting firm. E&Y will not be represented at the Meeting.

The following table shows the amount of fees that E&Y billed to (i) a Fund during the Fund's last two fiscal years; and (ii) DIMA and any entity controlling, controlled by, or under common control with DIMA (collectively, the DIMA Entities) that provides ongoing services to a Fund, for engagements directly related to the Fund's operations and financial reporting, during the Fund's last two fiscal years. Each Fund's Audit Committee approved in advance all audit services and non-audit services that E&Y provided to the Fund.

Non-Audit Services. The following table shows the amount of fees that E&Y billed during a Fund's last two fiscal years for non-audit services. Each Fund's Audit Committee pre-approved all non-audit services that E&Y provided to the DIMA Entities that related directly to the Fund's operations and financial reporting. Each Fund's Audit Committee requested and received information from E&Y about any non-audit services that E&Y rendered during the Fund's last fiscal year to the DIMA Entities. Each Fund's Audit Committee considered this information in evaluating E&Y's independence.

All other engagement fees were billed for services in connection with internal control reviews, agreed upon procedures and tax compliance for DIMA Entities that provide support for the operations of a Fund.

Audit Committee Pre-Approval Policies and Procedures. Generally, each Fund's Audit Committee must pre-approve (i) all services to be performed for the Fund by the Fund's independent registered public accounting firm and (ii) all non-audit services to be performed by the Fund's independent registered public accounting firm for the DIMA Entities with respect to operations and financial reporting of the Fund, except that the Chairperson or Vice Chairperson of the Fund's Audit Committee may grant the pre-approval for non-audit services described in items (i) and (ii) above for non-prohibited services for engagements of less than \$100,000. All such delegated pre-approvals shall be presented to each Fund's Audit Committee no later than the next Audit Committee meeting.

There were no amounts that were approved by the Audit Committee pursuant to the de minimis exception under Rule 2-01 of Regulation S-X.

According to each Fund's principal Independent Registered Public Accounting Firm, all of the principal Independent Registered Public Accounting Firm's hours spent on auditing the Fund's financial statements were attributed to work performed by full-time permanent employees of the principal Independent Registered Public Accounting Firm.

In connection with the audit of the 2008 and 2009 financial statements, each Fund entered into an engagement letter with E&Y. The terms of the engagement letter required by E&Y, and agreed to by each Fund's Audit Committee, include provisions in which the parties consent to the sole jurisdiction of federal courts in New York, Boston or the Northern District of Illinois, as well as a waiver of right to a trial by jury and an exclusion of punitive damages.

E&Y advised each Fund's Audit Committee that E&Y had identified three matters that it determined to be inconsistent with the SEC's auditor independence rules.

First, E&Y advised the Fund's Audit Committee that, in 2007 and 2008, Deutsche Bank AG (DB) provided standard overdraft protection on a depository account to the E&Y member firm in India (E&Y India). DB is within the Investment Company Complex (as defined by SEC rules) and therefore covered by the SEC auditor independence rules applicable to the Fund. E&Y advised the Audit Committee that E&Y India utilized this arrangement twice in 2007; therefore, the arrangement constituted a lending type arrangement in violation of Rule 2-01(c)(1)(ii)(A) of Regulation S-X as described above. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the arrangement did not create a mutual or

conflicting interest between E&Y and the Fund and that the arrangement did not involve the Fund, but rather affiliates of the Fund in the Investment Company Complex. E&Y informed the Audit Committee that E&Y India has cancelled the overdraft arrangement.

Second, E&Y advised the Fund's Audit Committee that, in 2008, an E&Y professional purchased interests in a fund sponsored by a subsidiary of Deutsche Bank AG that is not audited by E&Y. Subsequent to the purchase, the E&Y professional became a Covered Person (as defined by SEC rules) of the Fund as a result of providing non-audit services to a DB entity within the Investment Company Complex. E&Y informed the Audit Committee that this investment constituted an investment in an affiliate of an audit client in violation of the Rule 2-01(c)(1) of Regulation S-X. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the E&Y professional did not have any financial interest in the Fund and was not involved with the provision of audit services to the Fund. E&Y informed the Audit Committee that the E&Y professional no longer provides any services to any entity within the Investment Company Complex and is no longer deemed to be a Covered Person with respect to the Fund.

Finally, E&Y advised the Fund's Audit Committee that, in 2008, an E&Y professional whose spouse owned interests in two DWS Funds that are not audited by E&Y, became a Covered Person of the Fund as a result of providing attest services to a DB entity within the Investment Company Complex. E&Y informed the Audit Committee that this investment constituted an investment in an affiliate of an audit client in violation of the Rule 2-01(c)(1) of Regulation S-X. E&Y advised the Audit Committee that E&Y believes its independence has not been impacted as it relates to the audit of the Fund. In reaching this conclusion, E&Y noted a number of factors, including that the E&Y professional did not have any financial interest in the Fund and was not involved with the provision of audit services to the Fund. E&Y informed the Audit Committee that the E&Y professional no longer provides any services to any entity within the Investment Company Complex and is no longer deemed to be a Covered Person with respect to the Fund.

ADDITIONAL INFORMATION

Quorum and Required Vote. Proxies are being solicited from each Fund's shareholders by the respective Fund's Board for the Meeting. Unless revoked, all valid proxies will be voted in accordance with the specification thereon or, in the absence of specification, FOR election of all Board Member Nominees and as the persons named in the proxy determine on such other business as may come before the Meeting. However, should any Board Member Nominee become unable or unwilling to serve prior to the

Meetings, the persons named as proxies may vote your shares for substitute nominees, if any recommended by the Board. Except for Board Members elected solely by the holders of Preferred Shares of KTF and KSM, if an annual meeting is called for the purpose of considering the election of Board Members, and a then current Board Member up for election is not elected and such Board Member's successor is not elected and qualified, then the current Board Member shall remain a member of the relevant class, holding office until the annual meeting held in the third succeeding year after such annual meeting is initially called and until the election and qualification of such Board Member's successor, if any, or until such current Board Member sooner dies, resigns, retires or is removed. Shareholders who execute proxies may revoke them at any time before they are voted, either by writing to a Fund or in person at the time of the Meeting. For each Fund, the presence at the Meeting of 30% of the shares of such Fund, respectively, outstanding and entitled to vote at the Meeting constitutes a quorum for the Meeting. Thus, the meeting for a particular Fund could not take place on its scheduled date if less than 30% of the shares of that Fund were represented.

For KHI, KMM and KST, to the extent permitted by the Amended and Restated Agreement and Declaration of Trust, any meeting of shareholders may, by action of the chairman of the meeting, be adjourned without further notice with respect to one or more matters to be considered at such meeting to a designated time and place, whether or not a quorum is present with respect to such matter; upon motion of the chairman of the meeting, the question of adjournment may be submitted to a vote of the shareholders, and in that case, any adjournment with respect to one or more matters must be approved by the vote of holders of a majority of the shares present and entitled to vote with respect to the matter or matters adjourned, and without further notice to the extent permitted by the Amended and Restated Agreement and Declaration of Trust. Unless a proxy is otherwise limited in this regard, any shares present and entitled to vote at a meeting that are represented by broker non-votes, may, at the discretion of the proxies named therein, be voted in favor of such an adjournment. For KTF and KSM, any meeting may be adjourned from time to time by a majority of the votes cast upon the question, whether or not a quorum is present, and the meeting may be held as adjourned without further notice. Adjournment will subject a Fund to additional expenses. The tellers will count shares represented by proxies that reflect broker non-votes (i.e., shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or the persons entitled to vote, and (ii) the broker or nominee does not have the discretionary voting power on a particular matter) as shares that are present and entitled to vote on the matter for purposes of determining the presence of a quorum.

For each Fund, each whole share is entitled to one vote and each fractional share is entitled to a proportionate fractional vote. For KHI, KMM and KST only, the election of a Board Member Nominee requires the affirmative vote of a majority of the shares outstanding and entitled to vote. For KTF and KSM only, the election of a Board Member Nominee requires the affirmative vote of a plurality of the shares represented in person or by proxy at the Meeting. As noted previously, the holders of the Preferred Shares of KTF and KSM, voting as a separate class for each respective Fund, are entitled to elect two Board Members and the holders of the Common Shares and Preferred Shares of KTF and KSM, voting together as a single class for each Fund, are entitled to elect the four Board Members. For KHI, KMM and KST, abstentions and broker non-votes will have the effect of a vote against the Proposal. For KTF and KSM, abstentions and broker non-votes will have no effect on the Proposal.

Record Date and Method of Tabulation. Shareholders of record at the close of business on April 9, 2010 (the Record Date) are entitled to notice of, and to vote at, the Meeting. As of the Record Date, shares of the Funds were issued and outstanding as follows:

Fund Name	Shares Outstanding
KHI	16,134,450.34
KMM	24,256,668.41
KTF	
Common	38,973,231.06
Preferred	39,750.00
KSM	
Common	10,977,417.18
Preferred	2,800.00
KST	4,694,525.17

Votes cast by proxy or in person at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting. For the Proposal, shareholders will vote by individual Fund.

Deutsche Bank Voting. Deutsche Bank Trust Company Americas (Deutsche Bank Trust) will vote any shares in accounts as to which Deutsche Bank Trust has voting authority, and shares in any other accounts as to which Deutsche Bank Trust is the agent of record, which are not otherwise represented in person or by proxy at the Meeting. Deutsche Bank Trust will vote shares of the Funds over which it has investment discretion in accordance with its fiduciary and other legal obligations, and in its discretion may consult with the beneficial owners or other fiduciaries. Deutsche Bank Trust will vote shares of the Funds for which it is the owner of record but does not have investment discretion, which are not otherwise represented in person or by proxy at the Meeting, in the same proportion as the votes cast by holders of all shares in the Funds otherwise represented

at the Meeting. This practice is commonly referred to as mirror or echo voting. Deutsche Bank Trust and its affiliates will vote any shares held in proprietary accounts in accordance with their voting procedures.

Share Ownership. As of March 31, 2010, each Fund knows of no person who owns more than 5% of any of the outstanding shares of a class of the Fund, except as follows:

Fund Name and Class	Shareholder Name and Address	Amount of Shares Owned	Percentage Owned
DWS Municipal Income Trust, Common Stock	First Trust Portfolio L.P. The Charger Corporation 120 East Liberty Drive Suite 400 Wheaton, IL 60187	3,043,576	7.8%
DWS Municipal Income Trust, Auction Rate Preferred Shares	Citigroup Global Markets Inc. 388 Greenwich Street New York, NY 10013	34,552	65.2%
DWS Strategic Income Trust, Common Stock	Wells Fargo and Company 420 Montgomery Street San Francisco, CA 94104	234,865	5.0%
DWS Strategic Municipal Income Trust, Auction Rate Preferred Shares	Citigroup Global Markets Inc. 388 Greenwich Street New York, NY 10013	1,798	64.2%

Collectively, for each Fund, the Board Members and executive officers of the Fund own less than 1% of such Fund's outstanding shares. As of December 31, 2009, the Independent Board Members, Interested Board Member and executive officers did not own any Preferred Shares of KTF or KSM. The number of shares beneficially owned is determined under rules of the SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose.

Proxy Costs. The Funds will pay the costs of preparing, printing and mailing the enclosed Proxy Card and Proxy Statement and all other costs incurred in connection with the solicitation of proxies, including any additional solicitation made by letter, telephone or telegraph for each Fund. In addition to solicitation by mail, certain officers and representatives of the Funds, officers and employees of DIMA and certain financial

services firms and their representatives, who will receive no extra compensation for their services, may solicit proxies electronically through the Internet, by telephone, by telegram or personally. Proxies that are obtained telephonically or electronically will be recorded in accordance with the procedures believed by the Funds to be reasonably designed to ensure that both the identity of the shareholder casting the vote and the voting instructions of the shareholder are accurately determined.

If a shareholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the shareholder may still submit the Proxy Card(s) originally sent with this Proxy Statement or attend in person. Should shareholders require additional information regarding the proxy or replacement Proxy Card(s), they may call 1-866-821-2570. Any proxy given by a shareholder is revocable until voted at the Meeting.

Revocation of Proxies. Proxies, including proxies given by telephone or via the Internet, may be revoked at any time before they are voted either (i) by a written revocation received by the Secretary of the applicable Fund at One Beacon Street, Boston, MA 02108, (ii) by properly submitting a later-dated Proxy Card that is received by the Fund at or prior to the Meeting or (iii) by attending the Meeting and voting in person. Merely attending the Meeting without voting, however, will not revoke a proxy previously given.

Section 16 Beneficial Ownership Reporting Compliance. Section 30(h) of the 1940 Act and Section 16(a) of the Securities Exchange Act of 1934 require each Fund's officers and Board Members, DIMA, affiliated persons of DIMA and persons who own more than ten percent of a registered class of the Fund's equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the SEC. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based solely upon its review of the copies of such forms received by it, and written representations from certain reporting persons that no year-end reports were required for those persons, each Fund believes that during the fiscal year ended November 30, 2009, all filings were timely, except that Philip Condon, the Portfolio Manager, filed a late Form 4 for each of KSM and KST.

Investment Manager. Deutsche Investment Management Americas Inc., 345 Park Avenue, New York, New York 10154, serves as each Fund's Advisor and manager pursuant to an Investment Management Agreement.

Deutsche Asset Management (DeAM) is the marketing name in the US for the asset management activities of Deutsche Bank AG, DIMA, Deutsche Bank Trust Company Americas and DWS Trust Company.

BOARD MEMBER SHARE OWNERSHIP

As of March 31, 2010, the Board Members and the officers of each Fund as a whole owned less than 1% of the outstanding shares of the Funds.

The following tables show the dollar range of equity securities beneficially owned and the amount of shares beneficially owned by each Board Member in each Fund as of March 31, 2010.

Under its Board Governance Policies, each Board has established the expectation that within three years of becoming a Board Member, a Board Member will have invested in the aggregate at least \$200,000 in the DWS Funds. Each Board Member owns over \$100,000 of shares on an aggregate basis in all DWS funds overseen by the Board Member as of March 31, 2010.
