Last night the BlueLinx Board of Directors received notice from our largest shareholder, Cerberus, ABP Investor LLC ( Cerberus or CAI ) that it intends to make a tender offer for the shares of BlueLinx stock it does not own for \$3.40 in cash per share. As Cerberus will be releasing a press release this morning, I wanted to communicate to you personally. In situations like this, it is typical to form a special committee consisting of independent directors not affiliated with Cerberus, to consider its tender offer and to make a recommendation to the Company's stockholders. We will provide further information when the BlueLinx Board makes a determination about whether to form a special committee and any recommendation made by that committee or the full Board.

There can be no assurance the proposal from Cerberus will be approved.

For all employees, I expect no change for you, our customers and our vendors. It is important we stay focused on serving our customers better than anyone else in the industry. Everything will be business as usual. Please stay focused on our jobs, and doing our jobs safely.

Thank you for your support.

**Important Information about the Tender Offer**

The tender offer proposed by CAI and referred to in this letter has not commenced. If and when a tender offer is commenced, BlueLinx will file with the Securities and Exchange Commission a Solicitation/Recommendation Statement on Schedule 14D-9. BlueLinx stockholders are advised to read the Solicitation/Recommendation Statement on Schedule 14D-9 if and when it becomes available because it will contain additional information. Stockholders may obtain a free copy of the Solicitation/Recommendation Statement on Schedule 14D-9 as well as any other documents filed by BlueLinx in connection with the tender offer by CAI free of charge at the SEC's website at <http://www.sec.gov>.
