Item 1.01 Entry into a Material Definitive Agreement.

On February 24, 2011, Calumet Specialty Products Partners, L.P. (the **Partnership**) and Calumet GP, LLC (the **General Partner**) entered into an Underwriting Agreement (the **Underwriting Agreement**), filed herewith as Exhibit 1.1, with Goldman, Sachs & Co., Barclays Capital Inc. and Deutsche Bank Securities Inc. as joint book-running managers and representatives of the several underwriters named therein (collectively, the **Underwriters**), which provides for the issuance and sale by the Partnership, and purchase by the Underwriters, of 4,500,000 common units representing limited partner interests in the Partnership (the **Common Units**) at \$21.45 per Common Unit. The Underwriters were also granted an over-allotment option for a period of 30 days to purchase up to a maximum of 675,000 additional Common Units. The material terms of the offering of the Common Units are described in the prospectus supplement, dated February 24, 2011, as filed by the Partnership with the Securities and Exchange Commission (the **Commission**). The offer and sale of the Common Units are registered with the Commission pursuant to a Registration Statement on Form S-3 (File No. 333-170390), and the closing with respect to the 4,500,000 Common Units is expected to occur on March 1, 2011.

The Partnership intends to use the net proceeds from this offering, including the proportionate capital contribution from its general partner, to repay borrowings outstanding under its revolving credit facility. Additional net proceeds, if any, will be used for general partnership purposes, including working capital, capital expenditures and acquisitions. The net proceeds from any exercise of the Underwriters' option to purchase additional Common Units will be used to repay any additional borrowings outstanding under its revolving credit facility or for general partnership purposes, including working capital, capital expenditures and acquisitions.

Some of the Underwriters and their affiliates have performed investment and commercial banking and advisory services for the Partnership and its affiliates from time to time for which they have received customary fees and expenses. The Underwriters and their affiliates may, from time to time, engage in transactions with and perform services for the Partnership in the ordinary course of their business.

The Underwriting Agreement contains customary representations, warranties and agreements of the Partnership and certain affiliates, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions.
