To Be Held July 18, 2005
PROXY STATEMENT**

This Proxy Statement is furnished to holders of common stock, \$.001 par value per share, of CytRx Corporation, a Delaware corporation, in connection with the solicitation of proxies by our Board of Directors for use at our 2005 Annual Meeting of Stockholders to be held at the Hotel Bel Air, 701 Stone Canyon Road, Los Angeles, California, at 10:00 A.M., local time, on Monday, July 18, 2005, and at any postponement or adjournment thereof.

This Proxy Statement and the accompanying proxy card are first being mailed to our stockholders on or about June 16, 2005.

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement, which are the election of directors, the approval of an amendment to our Restated Certificate of Incorporation and the ratification of our appointment of independent accountants. In addition, management will report on our performance during fiscal 2004 and respond to questions from stockholders.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record at the close of business on May 24, 2005 will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof.

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. The affirmative vote of a majority of the votes cast at the Annual Meeting, provided a quorum is present, will be required for ratification of our appointment of independent accountants. Approval of the amendment to our Restated Certificate of Incorporation will require the affirmative vote of the holders of a majority of the outstanding shares of common stock. With regard to the election of directors, the three nominees receiving the greatest number of votes cast will be elected.

Abstentions and broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting other than the approval of the amendment to our Restated Certificate of Incorporation. With respect to this proposal, abstentions and broker non-votes will have the same effect as votes against the proposal.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, at our Annual Meeting of the holders of a majority of outstanding shares of our common stock will constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked withhold authority or abstain will be counted as present. Shares represented by proxies that include so-called broker non-votes also will be counted as shares present for purposes of establishing a quorum. On the record date, there were 57,540,721 shares of our common stock issued and outstanding.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendations of our Board of Directors are set forth together with the description of each Proposal in this Proxy Statement. In summary, our Board of Directors recommends a vote:

FOR election of the directors named in this Proxy Statement as described in Proposal I;

FOR approval of the amendment to our Restated Certificate of Incorporation as described in Proposal II; and

FOR ratification of the appointment of BDO Seidman, LLP as our independent registered public accounting firm for fiscal 2005 as described in Proposal III.

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented thereby will be voted at the Annual Meeting and at any postponement or adjournment thereof in accordance with the directions indicated on the proxy card. IF NO DIRECTIONS ARE INDICATED, PROXIES WILL BE VOTED FOR ALL PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND, AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT THEREOF, IN THE SOLE DISCRETION OF THE PROXIES.

A stockholder who returns a proxy card may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting to us a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and voting in person. All written notices of revocation of proxies should be addressed as follows: CytRx Corporation, 11726 San Vicente Boulevard, Suite 650, Los Angeles, California 90049, Attention: Corporate Secretary.

PROPOSAL I
ELECTION OF DIRECTORS

Pursuant to our Bylaws, our Board of Directors has fixed the number of our directors at seven. Our Restated Certificate of Incorporation and Bylaws provide for the classification of these directors into three classes, with each class to consist as nearly as possible of an equal number of directors. One class of directors is to be elected at each annual meeting of stockholders to serve for a term of three years.

The term of the three directors in Class II expires at the Annual Meeting. The Board of Directors has nominated the incumbent Class II directors, Messrs. Steven A. Kriegsman, Marvin R. Selter and Richard L. Wennekamp, for reelection as the Class II directors to serve until the 2008 Annual Meeting of Stockholders and until their successors are duly elected and qualified.

The following is information concerning the nominees for election, as well as the directors whose terms of office will continue after the Annual Meeting. Each director's age is indicated in parentheses after his name.

Current Nominees

We believe that the nominees will be available and able to serve as directors. In the event that a nominee is unable or unwilling to serve, the proxy holders will vote the proxies for such other nominee as they may determine or vote for the balance of the nominees, leaving a vacancy.

Meetings of the Board of Directors and Committees

Board of Directors. The property, affairs and business of CytRx are conducted under the general supervision and management of our Board of Directors as called for under the laws of Delaware and our Bylaws. Our Board of Directors has established a standing Audit Committee, Compensation Committee, and Nomination and Governance Committee.

The Board of Directors held 12 meetings during 2004. Each director attended at least 75% of the total meetings of the Board during 2004, except for Louis Ignarro, Ph.D. Each director who served on a Committee of our Board of Directors also attended at least 75% of each Committee meeting during 2004. Board agendas include regularly scheduled sessions for the independent directors to meet without management present. In 2004, the independent directors met twice without management present.

Our Board of Directors has determined that Messrs. Link, Rubinfeld, Selter and Wennkamp each are independent under the current independence standards of both the Nasdaq Stock Market and the Securities and Exchange Commission, or SEC, and have no material relationships with us (either directly or as a partner, shareholder or officer of any entity) that could be inconsistent with a finding of their independence as members of our Board of Directors or as the members of our Audit Committee. Our Board of Directors also has determined that Mr. Selter, one of the independent directors serving on our Audit Committee, is an audit committee financial expert as defined by SEC rules.

The following table provides information concerning the current membership of our Board committees:

Name	Class of Directors(1)	Audit Committee	Compensation Committee	Nominating and Governance Committee
Steven A. Kriegsman	II			
Louis Ignarro, Ph.D.	I			
Max Link	III	(2)		(4)
Joseph Rubinfeld, Ph.D.	I	(2)	(3)	
Marvin R. Selter	II	(2)	(3)	(4)
Richard L. Wennkamp	II	(2)	(3)	(4)

(1) Class II directors serve until the 2005 Annual Meeting of Stockholders, Class III directors serve until the 2006 Annual Meeting of Stockholders and Class I directors serve until the 2007 Annual Meeting of Stockholders. A vacancy currently exists within our Class III directors, which our Board of Directors may seek to fill subsequent to the Annual Meeting.

(2) These directors constitute the members of our Audit Committee. Mr. Selter is the Chairman of the Committee.

(3) These directors constitute the members of our Compensation Committee. Dr. Rubinfeld is the Chairman of the Committee.

(4) These directors constitute the members of our Nomination and Governance Committee. Mr. Wennkamp is Chairman of the Committee.

Audit Committee. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities relating to:

The quality and integrity of our financial statements and reports.

The independent registered public accounting firm's qualifications and independence.

The performance of our internal audit function and independent auditors.

The Audit Committee reviews our financial structure, policies and procedures, appoints the outside independent registered public accounting firm, reviews with the outside independent registered public accounting firm the plans and results of the audit engagement, approves permitted non-audit services provided by our independent registered public accounting firm, reviews the independence of the auditors and reviews the adequacy of our internal accounting controls. The Audit Committee's responsibilities also include oversight activities described below under the Report of the Audit Committee.

The Audit Committee has discussed with the outside independent registered public accounting firm the auditors independence from management and CytRx, including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of permitted non-audit services with the auditors independence. A copy of the Audit Committee Charter is attached as Appendix A to this Proxy Statement.

The Audit Committee held 21 meetings during 2004.

Compensation Committee. The Compensation Committee is authorized to review and make recommendations to the full Board of Directors relating to the annual salaries and bonuses of our officers and to determine in its sole discretion all grants of stock options, the exercise price of each option, and the number of shares to be issuable upon the exercise of each option under our various stock option plans. The Committee also is authorized to interpret our stock option plans, to prescribe, amend and rescind rules and regulations relating to the plans, to determine the term and provisions of the respective option agreements, and to make all other determinations deemed necessary or advisable for the administration of the plans.

The Compensation Committee held four meetings during 2004.

Nomination and Governance Committee. The Nomination and Governance Committee assists our Board of Directors in discharging its duties relating to corporate governance and the compensation and evaluation of the Board. A copy of the Nomination and Governance Committee Charter is attached as Appendix B to this Proxy Statement. As indicated above with respect to service on our Audit Committee, our Board of Directors has determined that each of the current members of the Nomination and Governance Committee, Messrs. Link, Selter and Wennkamp, are independent under the current independence standards of the Nasdaq Stock Market.

The principal responsibilities of the Nomination and Governance Committee include:

Overseeing our corporate governance practices and developing and recommending to our Board a set of Corporate Governance Guidelines.

Assisting the Board in identifying qualified director candidates, selecting nominees for election as directors at meetings of stockholders and selecting candidates to fill vacancies on our Board, and developing criteria to be used in making such recommendations.

Creating and recommending to our Board a policy regarding the consideration of director candidates recommended by stockholders and procedures for stockholders' submission of nominees of director candidates.

Reviewing and recommending the compensation for non-employee directors and making recommendations to our Board for its approval.

Establishing criteria for our Board and for all committees (including the Nomination and Governance Committee) to use to evaluate their performance on an annual basis.

Overseeing developments related to corporate governance and advising our Board in connection therewith.

The Nomination and Governance Committee has sole authority, in connection with the identification of qualified director candidates, to retain and terminate any search firm for such purpose (including the authority to approve any such firm's fees and other retention terms). We do not currently employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

The Nomination and Governance Committee was established on March 16, 2004, and held four meetings during 2004.

The Nomination and Governance Committee has not established any specific minimum qualifications for director candidates or any specific qualities or skills that a candidate must possess in order to be considered qualified to be nominated as a director.

Qualifications for consideration as a director nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. In making its nominations, our Nomination and Governance Committee generally will consider, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting our company, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

Stockholder Recommendations of Director Candidates

A stockholder wishing to submit recommendations for director candidates for consideration by the Nomination and Governance Committee for election at an annual meeting of shareholders must do so in writing by December 15 of the previous calendar year. The written recommendation must include the following information:

A statement that the writer is a stockholder and is proposing a candidate for consideration.

The name and contact information for the candidate.

A statement of the candidate's business and educational experience.

Information regarding the candidate's qualifications to be a director.

The number of shares of our common stock, if any, owned either beneficially or of record by the candidate and the length of time such shares have been so owned.

The written consent of the candidate to serve as a director if nominated and elected.

Information regarding any relationship or understanding between the proposing stockholder and the candidate.

A statement that the proposed candidate has agreed to furnish us all information as we deem necessary to evaluate such candidate's qualifications to serve as a director.

As to the stockholder giving the notice, the written recommendation must state the name and address of the stockholder and the number of shares of our common stock which are owned beneficially or of record by the shareholder.

Any recommendations in proper form received from stockholders will be evaluated in the same manner that potential nominees recommended by our Board members or management are evaluated.

Stockholder Nominations of Directors

Our Bylaws specify the procedures by which stockholders may nominate director candidates directly, as opposed to merely recommending a director candidate to the Nomination and Governance Committee as described above. Any stockholder nominations must comply with the requirements of our Bylaws and should be addressed to: Corporate Secretary, CytRx Corporation, 11726 San Vicente Boulevard, Suite 650, Los Angeles, California 90049.

Stockholder Communication with Board Members

Stockholders who wish to communicate with our Board members may contact us by telephone, facsimile or regular mail at our principal executive office. Written communications specifically marked as a communication for our Board of Directors, or a particular director, except those that are clearly marketing or soliciting materials, will be forwarded unopened to the Chairman of our Board, or to the particular director to which they are addressed, or presented to the full Board or the particular director at the next regularly scheduled Board meeting. In addition, communications sent to us via telephone or facsimile for our Board of Directors or a particular director will be forwarded to our Board or the director by an appropriate officer.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. Of the six members of our Board as of the date of our 2004 Annual Meeting of Stockholders, five attended that meeting.

Compensation of Directors

Periodically, our Board reviews our director compensation policies and, from time to time, makes changes to such policies based on various criteria the board deems relevant. During 2004, directors who were employees of our company received no compensation for their service as directors or as members of Board committees.

During 2004, our non-employee directors received a quarterly retainer of \$1,500 and a fee of \$1,500 for each board meeting attended (\$750 for meetings attended by teleconference and for board actions taken by unanimous written consent) and \$750 for each committee meeting attended. Non-employee directors who chair the board or a board committee receive an additional \$250 for each meeting attended as the chair. In May 2004 we made a payment of \$7,500, plus reimbursement of certain expenses, to each of Messrs. Selter and Wennekamp in connection with their services as members of our Audit Committee. We grant options to purchase 15,000 shares of common stock at an exercise price equal to the current market value of our common stock to each non-employee director annually, usually at the Board meeting following our Annual Meeting of Stockholders. Such option grants are made subject to vesting in annual increments of 1/3rd each, subject to the director remaining as a director.

Section 16(a) Beneficial Ownership Reporting Compliance

Our executive officers and directors and any person who owns more than 10% of our outstanding shares of common stock are required by Section 16(a) of the Securities Exchange Act to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and to furnish us with copies of those reports. Based solely on our review of copies of reports we have received and written representations from certain reporting persons, we believe that all Section 16(a) filing requirements applicable to our directors and executive officers and greater than 10% shareholders for 2003 were complied with, except that reports for the following transactions were filed late due to administrative oversights:

Grants of stock options to Messrs. Ignarro, Rubinfeld, Link, Selter and Wennekamp, directors of the Company, in July 2004; and

The acquisition by Mr. Wennekamp of shares of our common stock in August 2004.

Forms 4 reporting each of the above transactions were subsequently filed by these individuals.

Beneficial Owners of More Than Five Percent of CytRx's Common Stock; Shares Held by Directors and Executive Officers

Based solely upon information made available to us, the following table sets forth information with respect to the beneficial ownership of our common stock as of May 17, 2005 by (1) each person who is known by us to beneficially own more than five percent of the common stock; (2) each director; (3) the named executive officers listed in the Summary Compensation Table under the caption Executive Compensation ; and (4) all executive officers and directors as a group.

Beneficial ownership is determined in accordance with the SEC rules. Shares of common stock subject to any warrants or options that are presently exercisable, or exercisable within 60 days of May 17, 2005, which are indicated by footnote, are deemed outstanding for the purpose of computing the percentage ownership of the person holding the warrants or options, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person. The percentage ownership reflected in the table is based on 57,540,721 shares of our common stock outstanding as of May 17, 2005. Except as otherwise indicated, the

holders listed below have sole voting and investment power with respect to all shares of common stock shown, subject to applicable community property laws. An asterisk represents beneficial ownership of less than 1%.

Certain Relationships and Related Transactions

Since July 16, 2002, Steven A. Kriegsman has been our Chief Executive Officer and one of our directors. In July 2002, we entered into an agreement with the Kriegsman Capital Group, or KCG, an affiliate of Mr. Kriegsman, whereby KCG agreed to provide us with office space and certain administrative services. In 2003, we paid a total of approximately \$70,000 to KCG under this agreement. The charges were determined based upon actual space used and

estimated percentages of employee time used. In October 2003, the services and facilities agreement with KCG was terminated as substantially all of the on-going operations of KCG have ceased. The obligations under the facility lease at our headquarters were transferred from KCG to us in July 2003. We believe that the terms under which we paid KCG for rent and other expenses are at least as favorable to us as could have been obtained from an unrelated third party.

We entered into an agreement, dated as of July 17, 2003 (and subsequently amended on October 18, 2003), with Louis Ignarro, Ph.D., one of our current directors. Pursuant to the agreement, Dr. Ignarro agreed to serve as our Chief Scientific Spokesperson to the medical and financial communities. As payment for his services, Dr. Ignarro was granted a non-qualified stock option under our 2000 Long-Term Incentive Plan to purchase 350,000 registered shares of our common stock at an exercise price equal to \$1.89, the closing price

for our common stock on Nasdaq on the date of grant. The option has a term of seven years, and from July 17, 2003 to October 17, 2003, vested monthly at the rate of 4,839 shares for each day of services provided by Dr. Ignarro in that month and, from October 18, 2003, vests monthly at a rate of 15,975 shares for the remaining term of the agreement. Employment Agreements; Change in Control Agreements*Employment Agreement with Steven A. Kriegsman*

Mr. Kriegsman is employed as our Chief Executive Officer pursuant to an employment agreement that was amended and restated as of May 17, 2005 to continue his employment in that capacity through July 15, 2008. The employment agreement will automatically renew in July 2008 for an additional one-year period, unless either Mr. Kriegsman or we elect not to renew it. In connection with entering into the amended and restated employment agreement, Mr. Kriegsman was granted on May 17, 2005, a ten-year, nonqualified option to purchase 300,000 shares of our common stock at a price of \$0.79 per share. This option will vest monthly over three years, provided that Mr. Kriegsman remains in our continuous employ.

Under his employment agreement, Mr. Kriegsman is entitled to an annual base salary of \$400,000. Our board of directors (or its Compensation Committee) will review the base salary annually and may increase (but not decrease) it in its sole discretion. In addition to his annual salary, Mr. Kriegsman is eligible to receive an annual bonus as determined by our board of directors (or its Compensation Committee) in its sole discretion, but not to be less than \$150,000. Under Mr. Kriegsman's employment agreement, we have agreed that, if he is made a party, or threatened to be made a party, to a suit or proceeding by reason of his service to us, we will indemnify and hold him harmless from all costs and expenses to the fullest extent permitted or authorized by our certificate of incorporation or bylaws, or any resolution of our board of directors, to the extent not inconsistent with Delaware law. We also have agreed to advance to Mr. Kriegsman such costs and expenses upon his request if he undertakes to repay such advances if it ultimately is determined that he is not entitled to indemnification with respect to the same. These employment agreement provisions are not exclusive of any other rights to indemnification to which Mr. Kriegsman may be entitled and are in addition to any rights he may have under any policy of insurance maintained by us.

In the event we terminate Mr. Kriegsman's employment without cause (as defined in his employment agreement), or if Mr. Kriegsman terminates his employment with good reason (as defined in his employment agreement), (i) we have agreed to pay Mr. Kriegsman a lump-sum equal to his salary and prorated minimum annual bonus through to his date of termination, plus his salary and minimum annual bonus for a period of two years after his termination date, or until the expiration of the amended and restated employment agreement, whichever is later, (ii) he will be entitled to immediate vesting of all stock options or other awards based on our equity securities, and (iii) he will also be entitled to continuation of his life insurance premium payments and continued participation in any of our health plans through to the later of the expiration of the amended and restated employment agreement or 24 months following his termination date. Under Mr. Kriegsman's employment agreement, he and his affiliated company, The Kriegsman Group, are to provide us during the term of his employment with the first opportunity to conduct or take action with respect to any acquisition opportunity or any other potential transaction identified by them within the biotech, pharmaceutical or health care industries and that is within the scope of the business plan adopted by our board of directors.

Change in Control Agreement with Steven A. Kriegsman

Mr. Kriegsman's employment agreement contains no provision for payment to him in the event of a change in control of CytRx. If, however, a change in control (as defined in our 2000 Long-Term Incentive Plan) occurs during the term of the employment agreement, and if, during the term and within two years after the date on which the change in control occurs, Mr. Kriegsman's employment is terminated by us without cause or by him for good reason (each as defined in his employment agreement), then, to the extent that any payment or distribution of any type by us to or for the benefit of Mr. Kriegsman resulting from the termination of his employment is or will be subject to the excise tax imposed under Section 4999 of the Internal Revenue Code of 1986, as amended, we have agreed to pay Mr. Kriegsman, prior to the time the excise tax is payable with respect to any such payment (through withholding or otherwise), an additional amount that, after the imposition of all income, employment, excise and other taxes, penalties and interest thereon, is equal to the sum of (i) the excise tax on such payments plus (ii) any penalty and interest assessments associated with such excise tax.

Compensation Committee Report On Executive Compensation

The Compensation Committee of the Board of Directors establishes our general compensation practices, establishes the compensation plans and specific compensation levels for executive officers and administers our compensation plans. In establishing base salaries and cash bonuses for executive officers, the Compensation Committee considers relative company performance, the individual's past performance and future potential, and compensation for persons holding similarly responsible positions at other companies in the pharmaceutical and biotechnology industries. The relative importance of these factors varies depending upon the individual's responsibilities; all facts are considered in establishing both base salaries and cash bonuses. When making comparison to other companies, the Compensation Committee generally considers those companies included in the Nasdaq Pharmaceutical Index.

The Compensation Committee believes that the Chief Executive Officer's compensation should be influenced by CytRx's performance, although performance for a company engaged in pharmaceutical research and development does not necessarily correlate to profits. The Compensation Committee considers performance to include achievement of product development targets and milestones, effective fund-raising efforts, and effective management of personnel and capital resources, among other criteria. The Compensation Committee also reviews the Chief Executive Officer's compensation in light of the level of similar executive compensation arrangements within the biopharmaceutical industry. The Compensation Committee believes that stock options should be granted to the Chief Executive Officer, as well as to other executives, primarily based on the executive's ability to influence CytRx's long-term growth and profitability. These options and warrants may include a combination of tenure-based vesting as well as vesting upon the achievement of corporate objectives. The Compensation Committee believes that this arrangement provides executive officers with the greatest incentive to accelerate achievement of corporate objectives and thereby enhance long-term stockholder value.

In July 2004, Matthew Natalizio became our Chief Financial Officer, Benjamin Levin became our Vice President Legal Affairs, General Counsel and Corporate Secretary and Dr. Jack Barber became our Senior Vice President Drug Development. In determining their initial compensation packages, the Compensation Committee considered CytRx's business strategy, its requirements for those positions, and the past employment experience and future potential of those individuals.

Chief Executive Officer's Compensation

The specific terms of Steven A. Kriegsman's employment agreement as our Chief Executive Officer are discussed above under Employment Agreement with Steven A. Kriegsman and Change in Control Agreement with Steven A. Kriegsman. Mr. Kriegsman's performance period for purposes of this report is the fiscal year ended December 31, 2004. Pursuant to Mr. Kriegsman's amended and restated employment agreement dated as of June 10, 2003, Mr. Kriegsman was paid an annual base salary of \$360,000 for 2004. In addition to his annual base salary, the amended and restated employment agreement provides that Mr. Kriegsman is to be eligible to receive a bonus as of each anniversary of the contract date as determined by our Board of Directors (or the Compensation Committee), but in no event to be less than \$150,000. In June 2004, on the Compensation Committee's recommendation, our Board of Directors awarded Mr. Kriegsman a

bonus of \$150,000. In addition, for fiscal 2004, Mr. Kriegsman received additional compensation of \$42,617 which includes (i) approximately \$5,000 in insurance premiums paid by us with respect to a life insurance policy for Mr. Kriegsman which has a face value of approximately \$1.4 million as of December 31, 2004 and under which Mr. Kriegsman's designee is the beneficiary and (ii) approximately \$37,617 of legal fees and expenses paid or reimbursed by us in accordance with the terms of Mr. Kriegsman's employment agreement.

Apart from his salary and bonus, Mr. Kriegsman is eligible to receive grants of options to purchase shares of our common stock. No options or other awards were granted to Mr. Kriegsman during the performance period covered by this report.

Internal Revenue Code Limits on Deductibility of Compensation

For 2004, there was no occasion for the Compensation Committee to consider Section 162(m), which limits tax deductions of public companies on compensation to certain executive officers in excess of \$1 million. Where applicable, the Compensation Committee intends to consider the effect of Section 162(m) on its compensation decisions, but it has no formal policy to structure executive compensation so as to be fully deductible for tax purposes.

Compensation Committee:

Compensation Committee Interlocks and Insider Participation

There are no interlocks, as defined by the SEC, with respect to any member of the compensation committee. Joseph Rubinfeld, Ph.D., Marvin R. Selter and Richard L. Wennekamp are the current members of the compensation committee.

Code of Ethics

We have adopted a Code of Ethics applicable to our principal executive officer, principal financial officer, and principal accounting officer or controller, a copy of which was filed as an exhibit to our Annual Report on Form 10-K for the fiscal year ended December 31, 2004, and which is available as described below under "Other Matters" Annual Report.

Report of the Audit Committee

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent CytRx Corporation specifically incorporates this Report by reference therein.

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities relating to:

The quality and integrity of CytRx's financial statements and reports.

The independent auditors' qualifications and independence.

The performance of CytRx's internal audit function and independent auditors.

The Audit Committee operates under a written charter adopted by the Board of Directors in April 2003, which was amended by the Board of Directors in November 2004 and is included as Appendix A to this Proxy Statement.

The Audit Committee's primary duties and responsibilities are to:

Serve as an independent and objective party to monitor CytRx's financial reporting process and internal control system.

Review and appraise the audit efforts of CytRx's independent accountants and internal audit function.

Provide an open avenue of communication among the independent accountants, internal auditors, CytRx's operational management and the Board of Directors.

The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility to the stockholders, potential stockholders, the investment community, and others relating to CytRx's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of CytRx's financial statements and the ethics programs when established by CytRx management and the Board of Directors. The Audit Committee has the sole authority (subject, if applicable, to stockholder ratification) to appoint or replace the outside auditors and is directly responsible determining for the compensation of the independent auditors.

The Audit Committee must pre-approve all auditing services and all permitted non-auditing services to be provided by the outside auditors. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the auditors' independence and there are cost or other efficiencies in obtaining such services from the auditors as compared to other possible providers. During fiscal 2004, the Audit Committee approved all of the non-audit services proposals submitted to it.

The Audit Committee met 21 times during fiscal 2004. The Audit Committee schedules its meetings with a view to ensuring that it devotes appropriate attention to all of its tasks. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention, with full access to all of CytRx's books, records, facilities and personnel, and to retain its own legal counsel and other advisers as it deems necessary or appropriate.

As part of its oversight of our financial statements, the Audit Committee reviews and discusses with both management and our outside auditors CytRx's interim financial statements and annual audited financial statements that are included in our Quarterly Reports on Form 10-Q and our Annual Report on Form 10-K, respectively. CytRx management advised the Audit Committee in each case that all such financial statements were prepared in accordance with generally accepted accounting principles and reviewed significant accounting issues with the Audit Committee. These reviews included discussion with the outside auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended by SAS No. 90 (Communication with Audit Committees).

Effective January 20, 2004, the Audit Committee terminated the engagement of Ernst & Young LLP as CytRx's independent auditors. The Audit Committee subsequently engaged, and then terminated the engagement of, PriceWaterhouseCoopers LLP, and retained BDO Seidman, LLP to audit CytRx's financial statements for fiscal 2003 and fiscal 2004. The Audit Committee also has selected BDO Seidman, LLP as CytRx's independent auditors for fiscal 2005. For a discussion of these matters, please refer to the discussion under the heading "Changes in and Disagreements with Accountants on Accounting and Financial Disclosure" elsewhere in this Proxy Statement.

The Audit Committee discussed with BDO Seidman, LLP, which audited CytRx's annual financial statements for fiscal 2004, matters relating to its independence, including a review of audit and non-audit fees and the letter and written disclosures made by BDO Seidman, LLP to the Audit Committee pursuant to Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

In addition, the Audit Committee reviewed initiatives aimed at strengthening the effectiveness of our internal control structure. As part of this process, the Audit Committee continued to monitor and review staffing levels and steps taken to implement recommended improvements in internal procedures and controls.

Taking all of these reviews and discussions into account, the Committee recommended to the Board of Directors that the Board approve the inclusion of CytRx's audited financial statements in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

Respectfully submitted,

Audit Committee:

PROPOSAL II
APPROVAL OF AMENDMENT TO THE CYTRX CORPORATION RESTATED
CERTIFICATE OF INCORPORATION

Under our Restated Certificate of Incorporation currently in effect, there are 100,000,000 shares of common stock and 5,000,000 shares of preferred stock authorized for issuance, of which 5,000 shares have been designated Series A Junior Participating Preferred Stock. On May 17, 2005, our Board of Directors approved an amendment to the Restated Certificate of Incorporation, subject to stockholder approval, to increase the shares of common stock authorized for issuance by 25,000,000 shares, bringing the total number of common shares authorized for issuance to 125,000,000. The stockholders are asked to approve this amendment to the Restated Certificate of Incorporation. The full text of the amendment is set forth as Appendix C to this Proxy Statement.

Increase in Common Stock

As of May 17, 2005, there were 57,540,721 shares of common stock outstanding (excluding treasury shares). In addition, as of such date, 11,305,995 shares were reserved for issuance upon exercise of outstanding options under our 2000 stock option plans and approximately 19,159,606 shares were reserved for issuance upon exercise of outstanding warrants. Accordingly, as of May 17, 2005, we had approximately 11,993,678 shares of authorized but unissued and unreserved common stock available for issuance.

The holders of common stock are entitled to one vote per share on all matters to be voted upon by the stockholders. Subject to preferences that may be applicable to any outstanding preferred stock, the holders of common stock are entitled to receive ratably such dividends, if any, as may be declared from time to time by the Board of Directors out of funds legally available for that purpose. In the event of our liquidation, dissolution or winding up, the holders of our common stock are entitled to share ratably in all assets remaining after payment of liabilities, subject to prior distribution rights of preferred stock, if any, then outstanding. The holders of common stock have no preemptive or conversion rights or other subscription rights. There are no redemption or sinking fund provisions applicable to our common stock.

The purpose of the proposed increase in the number of authorized shares of common stock is to make such shares available for use by the Board of Directors as it deems appropriate or necessary. For example, such shares may be needed in the future in connection with raising additional capital, acquiring another company or its business or assets or establishing a strategic relationship with a corporate partner. The Board of Directors has no present agreement, arrangement, plan or understanding, however, with respect to the issuance of any such additional shares of common stock.

If the amendment is approved by the stockholders, the Board of Directors does not intend to solicit further stockholder approval prior to the issuance of any additional shares of common stock, except as may be required by applicable law. Holders of our common stock as such have no statutory preemptive rights with respect to issuances of common stock and are not entitled to dissenter's rights with respect to the amendment.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE AMENDMENT OF THE RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE. THE APPROVAL OF THE AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION REQUIRES THE AFFIRMATIVE VOTE OF THE HOLDERS OF A MAJORITY OF THE OUTSTANDING SHARES OF COMMON STOCK.

PROPOSAL III
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

Effective as of January 20, 2004, the Audit Committee of our board of directors dismissed Ernst & Young LLP, or E&Y, as our independent registered public accounting firm. Effective as of January 30, 2004, our Audit Committee engaged PricewaterhouseCoopers LLP, or PwC, as our new independent registered public accounting firm and to audit our financial statements for the year ended December 31, 2003. During the years ended December 31, 2002 and December 31, 2001 and the subsequent period through January 30, 2004, neither we nor anyone on our behalf consulted with PwC regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that PwC concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of SEC Regulation S-K and the related instructions thereof, or a reportable event, as that term is defined in Item 304(a)(1)(v) of SEC Regulation S-K.

On April 12, 2004, our Audit Committee dismissed PwC as our independent registered public accounting firm. PwC was dismissed prior to completing its audit procedures and did not issue any report on our financial statements. On April 14, 2004, our Audit Committee engaged BDO Seidman, LLP, or BDO, which completed its client acceptance process on that date, to serve as our independent registered public accounting firm and to audit our financial statements for the year ended December 31, 2003. Based on our desire to have the audit of these financial statements completed in as expeditious a fashion as possible, our Audit Committee had concluded that it was in our best interests to dismiss PwC and to engage new independent accountants to complete the audit of these financial statements.

During the period from January 30, 2004 through April 12, 2004, there had been no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of PwC would have caused it to make reference thereto in its report had it completed an audit and issued a report on our financial statements, except as disclosed in the sixth paragraph below. In addition, for the same period, there had been no reportable events (as defined in SEC Regulation S-K Item 304(a)(1)(v)), except as described in the sixth paragraph below. We recorded all material adjustments that were communicated to us by PwC during PwC's engagement or to BDO prior to BDO's engagement.

In our Current Report on Form 8-K filed with the SEC on April 1, 2004, we indicated that we were reviewing, with the assistance of PwC, the accounting treatment of our July 2002 acquisition of Global Genomics and Global Genomics' assets at the time of its merger with us, which included Global Genomics' investments in two genomics companies, Blizzard and Psynomics. These investments had an aggregate carrying value on our financial statements, as of September 30, 2003, of approximately \$5.87 million. This accounting review delayed the completion of our financial statements for the year ended December 31, 2003 and the filing with the SEC of our Annual Report on Form 10-K.

Although we had previously disclosed, in our Current Report on Form 8-K dated January 16, 2004, that we would write off our investments in Blizzard and Psynomics in the quarter ended December 31, 2003, the following principal issues were identified during our accounting review:

Whether a portion of the purchase price in our July 2002 merger with Global Genomics (accounted for as a purchase of a group of assets, not a business combination) should have been allocated to an acquired assembled workforce, which would have reduced the amount of the purchase price allocated to the Blizzard and Psynomics investments (\$7.3 million and \$78,000, respectively) and whether the amount originally determined to be the fair value of the Blizzard investment was overstated.

Whether an other-than-temporary impairment charge should have been taken by us against the appropriate carrying value of the Blizzard investment earlier than in the fourth quarter of 2003.

The resolution of these issues in a manner that would result in a different accounting than originally reported would have had no effect on our cash or working capital position for any accounting period nor would it have had a material effect on our net worth as of December 31, 2003. One possible resolution could, however, have resulted in our net loss for the year ended December 31, 2002 being materially larger than that reported by us in our financial statements for that year and in our reporting a net worth significantly lower than the net worth we reported in our financial statements for that year. Such a resolution, in turn, could have required a restatement of those financial statements as well as our unaudited financial statements for the quarterly periods ended March 31, 2003, June 30, 2003 and September 30, 2003. Other possible resolutions could have resulted in the recognition of an other-than-temporary impairment charge in an earlier 2003 quarter and could have required a restatement of our unaudited financial statements for that and any subsequent quarter. However, the impact of the resolution of these issues on our net loss for the year ended December 31, 2002 and/or subsequent periods were not readily estimable by us, because it would have depended on the amount of the purchase price to be allocated to other assets and the nature of those assets and the valuation of our investment in Blizzard as of December 31, 2002 and as of the end of each of the three subsequent quarters, each of which would be dependent upon various assumptions and valuation methods.

As a result of the issues that were brought to our attention by PwC, we thoroughly re-reviewed, in late March and early April 2004, the prior accounting treatment for the Global Genomics acquisition and the Blizzard investment. This review included, among other things, (i) our submission of additional documentation to PwC, (ii) discussions of these issues by our Audit Committee with PwC, (iii) discussions between PwC and us, (iv) discussions between E&Y and us and (v) the retention of a nationally respected valuation firm to review certain of the methodologies that were used by us in connection with the purchase price allocation for Global Genomics, including amounts, if any, that would be attributable to an acquired assembled workforce and methodologies utilized in our other-than-temporary impairment analyses and to assess what amount of the purchase price for Global Genomics could appropriately have been attributable to an acquired assembled work force, if any.

Following our re-review of the accounting treatment for the purchase price for the Global Genomics merger and the carrying value of the Blizzard investment, we advised PwC, in early April 2004, that we continued to believe that our prior accounting treatment was correct in all material respects. We also advised PwC that our valuation firm had concluded that, even if any amount were to be allocated to an acquired assembled workforce, the valuation of such an acquired workforce would be only \$250,000.

During the course of its engagement PwC informed us that it disagreed with the timing of the fourth quarter 2003 other-than-temporary impairment charge that we had recorded related to our investment in Blizzard. PwC also informed us that PwC needed to significantly expand the scope of its audit procedures with respect to the matters identified in the fourth paragraph above, including procedures designed to understand the impact, if any, of certain third party comments regarding indicators of value, and that it had not completed audit procedures regarding the nature and timing of our impairment of Blizzard and the original purchase price allocation upon our acquisition of Global Genomics in 2002. PwC has advised us that, as a result of their dismissal, they were unable to complete their expanded audit procedures, and as a consequence, PwC had not formed a view as to whether our accounting for these matters was in conformity with accounting principles generally accepted in the United States.

E&Y's report on our financial statements for the years ended December 31, 2001 and December 31, 2002 did not contain any adverse opinion or a disclaimer of an opinion or any qualification as to uncertainty, audit scope or accounting principles. In connection with E&Y's audits for those years there were no disagreements or reportable events as defined in Item 304 of SEC Regulation S-K, except as described in this paragraph. However, we were informed by E&Y, in April 2004, that, until such time as the impact of the third party comments regarding indicators of value concerning Blizzard, referred to by PwC, were further evaluated, E&Y was not able to conclude as to whether the prior accounting treatment was appropriate in all material respects. E&Y advised us that, depending upon the outcome of those procedures, the financial statements for the year ended December 31, 2002, audited by E&Y, or the unaudited interim financial statements for the quarters ended March 31, June 30, and September 30, 2003, might require restatement. However, E&Y has not withdrawn its opinion on our 2002 audited financial statements.

A special committee consisting of two of our Audit Committee members subsequently performed an evaluation of the impact of the third party comments regarding indicators of value concerning Blizzard. This special committee concluded that we did not withhold from E&Y any documents that would have changed the conclusions reached by E&Y relative to the carrying value of Blizzard and its audit of our financial statements. After reviewing this evaluation, E&Y advised us that it had concluded that our audited 2002 financial statements and our unaudited interim financial statements for the quarters ended March 31, 2003 and June 30, 2003 did not require any restatement. Accordingly, no information has come to the Company's attention that would lead us to believe that an investor could no longer rely on E&Y's opinion on our 2002 audited financial statements.

In connection with the preparation of our financial statements for the year ended December 31, 2003, we believed that we had a reasonable basis for recording the Blizzard impairment charge in the fourth quarter of 2003; however, after further review of the issues relating to the timing of this charge, we determined in May 2004 that this charge should have been recorded in the third quarter of 2003. We filed an amended Form 10-Q for the period ended September 30, 2003 in May 2004 to reflect the impairment charges recorded during that period.

During our two fiscal years ended December 31, 2002 and December 31, 2003 and the interim period through the date of our engagement of BDO to perform the audit of our financial statements for the year ended December 31, 2003, we did not consult with BDO regarding (i) the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on our financial statements, and either a written report was provided to us or oral advice was provided that BDO concluded was an important factor considered by us in reaching a decision as to an accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in paragraph 304(a)(1)(iv) of SEC Regulation S-K and the related instructions to this item) or a reportable event (as described in paragraph 304(a)(1)(v) of SEC Regulation S-K), except as follows:

On April 2, 2004, our Audit Committee engaged BDO to perform agreed-upon procedures with respect to our financial statements for the year ended December 31, 2003. Due to our Audit Committee's concerns that the concurrent involvement of two auditing firms might create the appearance that we were shopping for a particular audit opinion, the terms of our April 2, 2004 engagement of BDO stated that BDO was not to conduct a compilation, review or audit, but rather was to conduct only certain agreed upon procedures. We agreed with BDO that the procedures would be conducted solely in order to assist BDO in completing a potential future audit of our financial statements in the event the Audit Committee subsequently engaged BDO to opine on our financial statements. Since the agreed upon procedures specified in our engagement agreement were to be conducted in preparation for a possible future audit, they included a majority of the procedures that would have been necessary in order for BDO to opine with respect to our financial statements. The specific procedures were proposed by BDO and were jointly accepted by BDO and us without modification. We have been advised by BDO that, as of April 14, 2004, the date on which we engaged BDO to become our independent auditor, BDO had completed approximately 64% of the hours that they eventually worked to complete their audit, but a significant portion of the manager and partner review had not yet been completed.

Subsequent to engaging BDO to perform these agreed-upon procedures, we consulted with BDO concerning the need to include separate audited financial statements of Blizzard in our Annual Report for the year ended December 31, 2003. BDO orally advised us that separate audited Blizzard financial statements were required to be included in this Annual Report. This advice was consistent with the advice previously received by us from PwC on this issue, no disagreement on this issue existed between PwC and us, and we subsequently filed these financial statements in our Annual Report for the year ended December 31, 2003, together with our financial statements.

During the course of BDO's performance of the above agreed-upon procedures, we did not solicit or receive any oral or written opinion from BDO with respect to the proper accounting treatment for the allocation of the purchase price paid by us in connection with our merger with Global Genomics or the subsequent carrying value

of our investment in Blizzard. However, we did discuss with BDO our views

on the proper accounting treatment for these items and provided BDO with certain of our accounting records, a valuation analysis prepared by a valuation firm in 2002 utilized by management in connection with its allocation of the purchase price for the Global Genomics merger and an analysis prepared in April 2004 by another valuation firm covering certain aspects of the allocation of that purchase price and the subsequent carrying value of Blizzard.

Audit Fees

The aggregate fees billed for professional services rendered for the audit of the Company's annual financial statements and review of financial statements included in the Company's Form 10-Qs and services that are normally provided by the independent registered public accounting firm in connection with statutory and regulatory filings or engagements for the fiscal years ended December 31, 2003 and December 31, 2004 are as follows:

Year:	BDO
2004	\$ 259,000
2003	\$ 160,000

Audit Related Fees

For the fiscal year ended December 31, 2003, BDO rendered \$45,000 of other audit-related services, which consisted of certain agreed-upon procedures performed prior to their audit of our financial statements for fiscal 2003. No assurance or other audit-related services were rendered by BDO for the fiscal year ended December 31, 2004.

Tax Fees

The aggregate fees billed by BDO for professional services for tax compliance, tax advice and tax planning for the years ended December 31, 2003 and December 31, 2004 were \$25,000 and \$20,000, respectively.

All Other Fees

No other services were rendered by BDO for the years ended December 31, 2003 or December 31, 2004. Our Audit Committee has pre-approved all services (audit and non-audit) provided or to be provided to us by BDO for the years ended December 31, 2003 and December 31, 2004.

Appointment of BDO Seidman, LLP

BDO currently serves as our independent registered public accounting firm and has audited our financial statements for the years ended December 31, 2003 and December 31, 2004. E&Y previously served as our independent auditors and audited our financial statements for the year ended December 31, 2002. Neither BDO nor E&Y have or had any financial interest, direct or indirect, in CytRx, and neither has or had any connection with CytRx except in its professional capacity as our independent auditors.

Our Audit Committee has reappointed BDO to serve as our independent registered public accounting firm for the year ending December 31, 2005. The ratification by our stockholders of the appointment of BDO is not required by law or by our Bylaws. Our Board of Directors, consistent with the practice of many publicly held corporations, is nevertheless submitting this appointment for ratification by the stockholders. The affirmative vote of a majority of the votes cast is required for ratification. If this appointment is not ratified at the Annual Meeting, the Audit Committee intends to reconsider its appointment of BDO. Even if the appointment is ratified, the Audit Committee in its sole discretion may direct the appointment of a different independent registered public accounting firm at any time during the fiscal year if the Committee determines that such a change would be in the best interests of CytRx and its stockholders.

Any material non-audit services to be provided by BDO are subject to the prior approval of the Audit Committee. In general, the Audit Committee's policy is to grant such approval where it determines that the non-audit services are not incompatible with maintaining the independent registered public accounting firm's independence and there are cost or other efficiencies in obtaining such services from the independent registered public accounting firm as compared to other possible providers.

We expect that representatives of BDO will be present at the Annual Meeting, will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR

Periodically review with the independent registered public accounting firm and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls and reporting processes of the Company, and elicit any recommendations offered for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions or procedures that might be deemed illegal or otherwise improper.
