The Reporting Person did not pay any additional consideration to the Stockholders in connection with the execution and delivery of the Voting Agreements.

Item 4. Purpose of Transaction

On April 20, 2006, the Company, the Reporting Person and Hawk Nest Corporation, a Delaware corporation and wholly-owned subsidiary of the Company (Merger Sub), executed an Agreement and Plan of Merger (the Merger Agreement). Under the terms of the Merger Agreement, Merger Sub will merge with and into the Reporting Person (the Merger), immediately after which the Reporting Person will merge with and into the Company, with the Company being the surviving entity.

Under the terms of the Merger Agreement, each outstanding share of the Reporting Person's common stock (other than outstanding shares of the Reporting Person's restricted common stock) will be converted into the right to receive \$9.00 per share in cash and 1.65 shares of the Company's common stock. Outstanding options to purchase the Reporting Person's common stock will be converted into options to purchase the Company's common stock; outstanding performance share awards of the Reporting Person will be converted into performance share awards to earn shares of the Company's common stock; and issued and outstanding shares of restricted stock of the Reporting Person will be converted into issued and outstanding shares of restricted stock of the Company, in each case pursuant to the terms of the Merger Agreement.

Each of the Reporting Person and the Company have made customary representations and warranties and covenants in the Merger Agreement, including among others, to conduct its respective business in the ordinary course between the execution of the Merger Agreement and the consummation of the Merger. The Reporting Person has also agreed (i) to cause a meeting of its stockholders to be held to consider the adoption of the Merger Agreement and approval of the Merger, (ii) subject to certain exceptions, for the Reporting Person's board of directors to recommend that the stockholders adopt the Merger Agreement and approve the Merger, and (iii) subject to certain exceptions, not to (A) solicit proposals relating to alternative business combination transactions or (B) enter into discussions concerning, or provide information in connection with, alternative business combination transactions. In addition, the Company has agreed (i) to cause a meeting of its stockholders to be held to approve an increase in the number of authorized shares of the Company's common stock and to authorize the issuance of the Company common stock pursuant to the terms of the Merger Agreement and (ii) for the Company's board of directors to recommend that the stockholders approve and adopt an increase in the number of authorized shares of its common stock and the issuance of Company common stock pursuant to the terms of the Merger Agreement.

Consummation of the transactions contemplated in the Merger Agreement is conditioned upon, among other things, (1) approval by the stockholders of the Reporting Person and the Company, (2) the receipt of all required regulatory approvals, (3) absence of any order or injunction prohibiting the consummation of the Merger, (4) subject to certain exceptions, the accuracy of representations and warranties with respect to the Reporting Person's or the Company's business, as applicable, (5) receipt of customary tax opinions and (6) the effectiveness of a registration statement relating to the shares of the Company common stock to be issued in the Merger. The Merger Agreement contains certain termination rights and provides that, upon the termination of the Merger Agreement under specified circumstances, the Reporting Person will be required to pay the Company a termination fee of \$45 million.

As a condition to the execution and delivery of the Merger Agreement by the Reporting Person, the Reporting Person and the Stockholders have entered into Voting Agreements relating to an aggregate of 5,440,844 shares of the Company's common stock beneficially owned by the Stockholders, consisting of 3,259,610 outstanding shares of the Company's common stock, 1,481,237 shares of the Company's common stock subject to currently exercisable warrants and 699,997 shares of the Company's common stock subject to currently exercisable options. Such shares constitute approximately 6.3% of the total outstanding shares of the Company's common stock, based on the sum of the number of shares of common stock represented to be outstanding as of April 17,

2006, by the Company in the Merger Agreement, and the 2,181,234 shares deemed to be outstanding for purposes of this calculation under Rule 13d-3 of the Act.

Pursuant to the Voting Agreements, each of the Stockholders has agreed, with respect to the shares of the Company's common stock beneficially owned by such Stockholder, to vote in favor of each of the transactions contemplated by the Merger. As part of the Voting Agreements, each of the Stockholders granted an irrevocable proxy to the Reporting Person with respect to the voting of the shares of the Company's common stock beneficially owned by them as to the matters described above.

Pursuant to the Voting Agreements, each of the Stockholders has also agreed not to transfer or enter into any agreement to transfer any shares of the Company's common stock beneficially owned by such Stockholder prior to the termination of the Voting Agreement (except in certain limited circumstances), and not to grant any proxy or deposit such shares in any voting trust or enter into any voting agreement or similar arrangement with respect to such shares. The Voting Agreements terminate on the earliest of (i) the mutual consent of the Stockholder and the Reporting Person, (ii) the consummation of the Merger, (iii) the termination of the Merger Agreement pursuant to its terms, (iv) an amendment, waiver or modification to the Merger Agreement in a manner that reduces the merger consideration or otherwise materially adversely affects the Stockholder, or (v) December 31, 2006.

Except as set forth in this Schedule 13D, the Merger Agreement or the Voting Agreements, neither the Reporting Person nor any of the individuals listed on Schedule A attached hereto has any current plan or proposal that would relate to any transaction, change or event specified in clauses (a) through (j) of Item 4 of the Schedule 13D.

References to, and descriptions of, the Merger, the Merger Agreement and the Voting Agreements contained in this Schedule 13D are qualified in their entirety by reference to the copies of the Merger Agreement and the form of Voting Agreement incorporated by reference as Exhibits A and B to this Schedule 13D, and such agreements are incorporated herein in their entirety where such references and descriptions appear.

Item 5. Interest in Securities of the Issuer

(a) Although the Reporting Person does not directly own any shares of the Company's common stock as of the date hereof, as a result of the Voting Agreements, the Reporting Person may be deemed to be the beneficial owner of 5,440,844 shares of the Company's common stock (which consist of 3,259,610 shares outstanding, 1,481,237 shares subject to currently exercisable warrants and 699,997 shares subject to currently exercisable options). Such shares represent approximately 6.3% of the outstanding shares of the Company's common stock (based on the sum of the number of shares of common stock represented to be outstanding as of April 17, 2006, by the Company in the Merger Agreement, and the 2,181,234 shares deemed to be outstanding for purposes of this calculation under Rule 13d-3 of the Act). However, the Reporting Person is not entitled to vote such shares of the Company's common stock with respect to any other matters and has no rights as a stockholder of the Company and disclaims any beneficial ownership of such shares.

(b) As a result of the Voting Agreements, the Reporting Person may be deemed to have sole voting power with respect to 5,440,844 shares of the Company's common stock with respect to the specific matters described in Item 4 above.

(c) To the knowledge of the Reporting Person, neither the Reporting Person nor any executive officer or director of the Reporting Person listed on Schedule A attached hereto has effected any transactions in the Company's common stock during the past 60 days.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer
