As outlined in the letter last Monday, dated June 5, 2006, the transaction offers BriteSmile, Inc. Shareholders of BriteSmile will receive \$2.00 in cash and \$2.00 in Futuredontics stock, anticipated to be structured as a tax-free reverse merger. The pending transaction contemplates combining two of the most recognized consumer brands in dentistry with powerhouse marketing and advertising.

With over 200 employees and substantial resources, Futuredontics intends to enter the spa and spa product sector as a new strategic business line.

Fred Joyal, CEO and Co-Founder, stated, We ve been marketing dentistry to consumers for over 20 years. We have a unique brand and a keen understanding of consumer behavior and desires. BriteSmile is a natural expansion for us, and will vastly increase our ability to generate dentistry for the spas and for our own 1-800-DENTIST members. Gary Saint Denis, Chairman and Co-Founder, added, We have a well-seasoned management and marketing team, with experience and operations quite complimentary to the BriteSmile business. Discussions with BriteSmile this week have proved to be both positive and constructive and we expect to move toward board approval no later than June 16, 2006, at which time this offer expires.
